#### **CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS**

This Quarterly Report on Form 10-Q includes forward-looking statements as defined under U.S. federal securities law. Forward-looking statements include all statements that are not historical statements of fact and those regarding our intent, belief or expectations, including, but not limited to, statements regarding: our expectations regarding the future growth and demand of the telecommunication industry; future financing plans, business strategies, growth prospects and operating and financial performance; expectations regarding the impact and integration of Hunt Telecommunications, LLC ("Hunt") and Southern Light, LLC ("Southern Light"), including expectations regarding operational synergies with Uniti Towers and Uniti Fiber; expectations regarding settling conversion of our 3% convertible preferred stock in cash upon conversion; expectations regarding the probability of our obligation to pay contingent consideration upon Tower Cloud, Inc.'s ("Tower Cloud") or Hunt's achievement of certain defined operational and financial milestones; expectations regarding future deployment of fiber strand miles and recognition of revenue related thereto; expectations regarding levels of capital expenditures; expectations regarding the deductibility of goodwill for tax purposes; expectations regarding the reclassification of accumulated other comprehensive income (loss) related to derivatives to interest expense; expectations regarding the amortization of intangible assets; expectations regarding the U.S. TelePacific Holdings Corp ("TPx") transaction; and expectations regarding the payment of dividends.

Words such as "anticipate(s)," "expect(s)," "intend(s)," "plan(s)," "believe(s)," "may," "will," "would," "could," "should," "seek(s)" and similar expressions, or the negative of these terms, are intended to identify such forward-looking statements. These statements are based on management's current expectations and beliefs and are subject to a number of risks and uncertainties that could lead to actual results differing materially from those projected, forecasted or expected. Although we believe that the assumptions underlying the forward-looking statements are reasonable, we can give no assurance that our expectations will be attained. Factors which could have a material adverse effect on our operations and future prospects or which could cause actual results to differ materially from our expectations include, but are not limited to:

- the ability and willingness of our customers to meet and/or perform their obligations under any contractual arrangements entered into with us, including master lease arrangements;
- the ability of our customers to comply with laws, rules and regulations in the operation of the assets we lease to them;
- the ability and willingness of our customers to renew their leases with us upon their expiration, and the ability to reposition our properties on the same or better terms in the event of nonrenewal or in the event we replace an existing tenant;
- our ability to renew, extend or retain our contracts or to obtain new contracts with significant customers (including customers of the businesses that we acquire);
- the availability of and our ability to identify suitable acquisition opportunities and our ability to acquire and lease the respective properties on favorable terms or operate and integrate the acquired businesses;
- our ability to generate sufficient cash flows to service our outstanding indebtedness;
- our ability to access debt and equity capital markets;
- the impact on our business or the business of our customers as a result of credit rating downgrades, and fluctuating interest rates;
- adverse impacts of litigation or disputes involving us or our customers;
- our ability to retain our key management personnel;
- our ability to maintain our status as a real estate investment trust ("REIT");
- changes in the U.S. tax law and other federal, state or local laws, whether or not specific to REITs, including the impact of the recently enacted U.S. tax reform legislation;
- covenants in our debt agreements that may limit our operational flexibility;
- the possibility that we may experience equipment failures, natural disasters, cyber attacks or terrorist attacks for which our insurance may not provide adequate coverage;
- the risk that we fail to fully realize the potential benefits of or have difficulty in integrating the companies we acquire;

[Table of Contents](#)

- other risks inherent in the communications industry and in the ownership of communications distribution systems, including potential liability relating to environmental matters and illiquidity of real estate investments;
- the risk that the TPx transaction agreements may be modified or terminated prior to expiration or that the conditions to the TPx transaction may not be satisfied; and
- additional factors discussed in Part I, Item 2 "Management's Discussion and Analysis of Financial Condition and Results of Operations" of this Quarterly Report on Form 10-Q and in Part I, Item 1A "Risk Factors" of our Annual Report on Form 10-K for the year ended December 31, 2017, as well as those described from time to time in our future reports filed with the U.S. Securities and Exchange Commission ("the SEC").

Forward-looking statements speak only as of the date of this Quarterly Report. Except in the normal course of our public disclosure obligations, we expressly disclaim any obligation to release publicly any updates or revisions to any forward-looking statements to reflect any change in our expectations or any change in events, conditions or circumstances on which any such statement is based.

**Note 1. Organization and Description of Business**

Uniti Group Inc. (the “Company,” “Uniti,” “we,” “us,” or “our”), formerly known as Communications Sales & Leasing, Inc., was incorporated in the state of Delaware in February 2014 and reorganized in the state of Maryland on September 4, 2014. We are an internally managed real estate investment trust (“REIT”) engaged in the acquisition and construction of mission critical infrastructure in the communications industry. We are principally focused on acquiring and constructing fiber optic broadband networks, wireless communications towers, copper and coaxial broadband networks and data centers. We manage our operations in four separate lines of business: Uniti Fiber, Uniti Towers, Uniti Leasing, and the Consumer CLEC Business.

The Company operates through a customary “up-REIT” structure, pursuant to which we hold substantially all of our assets through a partnership, Uniti Group LP, a Delaware limited partnership (the “Operating Partnership”), that we control as general partner, with the only significant difference between the financial position and results of operations of the Operating Partnership and its subsidiaries compared to the consolidated financial position and consolidated results of operations of Uniti is that the results for the Operating Partnership and its subsidiaries do not include Uniti’s Consumer CLEC segment, which consists of Talk America Services. The up-REIT structure is intended to facilitate future acquisition opportunities by providing the Company with the ability to use common units of the Operating Partnership as a tax-efficient acquisition currency. We are the sole general partner of the Operating Partnership and own approximately 97.7% of the partnership interests in the Operating Partnership as of March 31, 2018 and December 31, 2017, respectively.

**Note 2. Basis of Presentation and Summary of Significant Accounting Policies**

The accompanying Condensed Consolidated Financial Statements include all accounts of the Company, its wholly-owned and/or controlled subsidiaries, which consist of the Operating Partnership. Under the Accounting Standards Codification 810, *Consolidation* (“ASC 810”), the Operating Partnership is considered a variable interest entity and is consolidated in the Condensed Consolidated Financial Statements of Uniti Group Inc. because the Company is the primary beneficiary. All material intercompany balances and transactions have been eliminated.

ASC 810 provides guidance on the identification of entities for which control is achieved through means other than voting rights (“variable interest entities” or “VIEs”) and the determination of which business enterprise, if any, should consolidate the VIEs. Generally, the consideration of whether an entity is a VIE applies when either: (1) the equity investors (if any) lack (i) the ability to make decisions about the entity’s activities through voting or similar rights, (ii) the obligation to absorb the expected losses of the entity, or (iii) the right to receive the expected residual returns of the entity; (2) the equity investment at risk is insufficient to finance that entity’s activities without additional subordinated financial support; or (3) the equity investors have voting rights that are not proportionate to their economic interests and substantially all of the activities of the entity involve or are conducted on behalf of an investor with a disproportionately small voting interest. The Company consolidates VIEs in which it is considered to be the primary beneficiary. The primary beneficiary is defined by the entity having both of the following characteristics: (1) the power to direct the activities that, when taken together, most significantly impact the VIE’s performance; and (2) the obligation to absorb losses and right to receive the returns from the VIE that would be significant to the VIE.

The accompanying Condensed Consolidated Financial Statements have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) for interim financial information set forth in the Accounting Standards Codification (“ASC”), as published by the Financial Accounting Standards Board (“FASB”), and with the applicable rules and regulations of the Securities and Exchange Commission (“SEC”). Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair statement of results for the interim period have been included. Operating results from any interim period are not necessarily indicative of the results that may be expected for the full fiscal year. The accompanying Condensed Consolidated Financial Statements and related notes should be read in conjunction with the audited consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2017 (“Annual Report”), filed with the SEC on March 1, 2018. Accordingly, significant accounting policies and other disclosures normally provided have been omitted from the accompanying Condensed Consolidated Financial Statements and related notes since such items are disclosed in our Annual Report.

**Concentration of Credit Risks**—We are party to a Master Lease agreement with Windstream Holdings, Inc. (“Windstream Holdings” and together with its subsidiaries, “Windstream”) from which substantially all of Uniti’s leasing revenues and operating

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

cash flows are currently derived. Revenue under the Master Lease provided 70.0% and 80.5% of our revenue for the three months ended March 31, 2018 and 2017, respectively. Because a substantial portion of our revenue and cash flows are derived from lease payments by Windstream pursuant to the Master Lease, there could be a material adverse impact on our consolidated results of operations, liquidity, financial condition and/or ability to pay dividends and service debt if Windstream were to default under the Master Lease or otherwise experiences operating or liquidity difficulties and becomes unable to generate sufficient cash to make payments to us. In recent years, Windstream has experienced annual declines in its total revenue, sales and cash flow, and has had its credit ratings downgraded by nationally recognized credit rating agencies. Most recently, Windstream is involved in litigation with an entity who acquired certain Windstream debt securities and immediately claimed an “event of default” under such securities relating to our spin-off from Windstream. On December 7, 2017, the entity issued a notice of acceleration to Windstream claiming that the principal amount, along with accrued interest, of such securities was due and payable immediately. Windstream is challenging the matter in federal court and a trial date has been scheduled for July 23, 2018. If Windstream receives a final, unappealable adverse ruling, an “event of default” would be declared. An actual “event of default” would trigger cross-default provisions in Windstream’s other debt instruments, including Windstream Services’ existing credit facility, which, in turn, would trigger a default under the Master Lease. If an adverse outcome occurs with respect to this matter and Windstream does not have the ability to pay under the Master Lease, there could be a material adverse impact to us as disclosed above.

Accordingly, we monitor the credit quality of Windstream through numerous methods, including by (i) reviewing the credit ratings of Windstream by nationally recognized credit rating agencies, (ii) reviewing the financial statements of Windstream that are publicly available and that are required to be delivered to us pursuant to the Master Lease, (iii) monitoring ongoing litigation and news reports regarding Windstream and its businesses, (iv) conducting research to ascertain industry trends potentially affecting Windstream, and (v) monitoring the timeliness of its lease payments.

Windstream is a publicly traded company and is subject to the periodic filing requirements of the Securities Exchange Act of 1934, as amended. Windstream filings can be found at [www.sec.gov](http://www.sec.gov). Windstream filings are not incorporated by reference in this Quarterly Report on Form 10-Q.

**Income Taxes**—The Tax Cuts and Jobs Act (“Tax Bill”) was enacted on December 22, 2017. The Tax Bill reduces the U.S. federal corporate tax rate from 35% to 21%, requires companies to pay a one-time transition tax on earnings of certain foreign subsidiaries that were previously tax deferred and creates new taxes on certain foreign sourced earnings. Consistent with Staff Accounting Bulletin No. 118 issued by the SEC, which provides for a measurement period of one year from the enactment date to finalize the accounting for effects of the Tax Bill, the Company provisionally recorded income tax benefit of \$17.0 million related to the Tax Bill in the fourth quarter of 2017. As of March 31, 2018, we have not yet completed our accounting for the tax effects of the enactment of the Tax Bill. Future regulatory and rulemaking interpretations or other guidance clarifying provisions of the Tax Bill could affect the Company’s analysis and tax position.

**Reclassifications**—Certain prior year asset categories and related amounts in Note 6 have been reclassified to conform with current year presentation.

**Recently Issued Accounting Standards**

In August 2017, the FASB issued Accounting Standards Update (“ASU”) No. 2017-12, *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities* (“ASU 2017-12”), which amends and simplifies existing guidance in order to allow companies to more accurately present the economic effects of risk management activities in the financial statements. ASU 2017-12 is effective for annual periods beginning after December 15, 2018 and interim periods within those annual periods, and earlier adoption is permitted. We adopted ASU 2017-12 effective January 1, 2018, and there was no material impact on our financial position.

In February 2017, the FASB issued ASU No. 2017-05, *Other Income - Gains and Losses from the Derecognition of Nonfinancial Assets (Subtopic 610-20): Clarifying the Scope of Asset Derecognition Guidance and Accounting for Partial Sales of Nonfinancial Assets* (“ASU 2017-05”), which provides guidance for recognizing gains and losses from the transfer of nonfinancial assets and for partial sales of nonfinancial assets, and is effective for financial statements issued for fiscal years and interim periods beginning after December 15, 2017. We adopted ASU 2017-05 effective January 1, 2018, using the modified retrospective approach and there was no material impact on our financial position.

In August 2016, the FASB issued ASU No. 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments* (“ASU 2016-15”). ASU 2016-15 provides guidance on reducing the diversity in how certain cash receipts and cash payments are presented and classified in the statement of cash flows. In addition to other specific cash flow issues, ASU 2016-15 provides clarification on when an entity should separate cash receipts and cash payments into more than one class of cash flows and when an entity should classify those cash receipts and payments into one class of cash flows on the basis of predominance. The new guidance is effective for the fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. We adopted ASU 2016-15 effective January 1, 2018, and there was no material impact on our financial position.

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* (“Topic 606”). This update outlines a single comprehensive revenue recognition model for entities to follow in accounting for revenue from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance. The core principle of the revenue model is that an entity should recognize revenue for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to receive for those goods or services. Topic 606 is effective for annual periods beginning after December 15, 2017 and interim periods within those annual periods. We adopted Topic 606 as of January 1, 2018 using the modified retrospective transition method. [See Note 3.](#)

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (“ASC 842”), which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The provisions of this guidance are effective for annual periods beginning after December 31, 2018, and for interim periods therein. The Company is currently evaluating this guidance to determine the impact it will have on our financial statements by reviewing its existing operating lease contracts, where we are the lessee and service contracts that may include embedded leases. The Company expects a gross-up of its Consolidated Balance Sheets as a result of recognizing lease liabilities and right-of-use assets, the extent of the impact of a gross-up is under evaluation. The Company does not anticipate material changes to the recognition of operating lease expense in its Consolidated Statements of Income.

In January 2018, the FASB issued ASU 2018-01, *Leases (Topic 842) – Land Easement Practical Expedient for Transition to Topic 842*. This standard permits an entity to elect an optional transition practical expedient to not evaluate land easements that exist or expire before the Company’s adoption of ASC 842 and that were not previously accounted for as leases under ASC 840. The Company intends to elect this transition provision.

**Note 3. Revenues**

Adoption of ASC Topic 606, Revenue from Contracts with Customers

Except for the changes below, we have consistently applied the accounting policies to all periods presented in these Condensed Consolidated Financial Statements.

On January 1, 2018, we adopted Topic 606 using the modified retrospective method, whereby the cumulative effect of initially applying Topic 606 is recognized as an adjustment to the opening balance of equity at January 1, 2018. Therefore, comparative information has not been adjusted and continues to be reported under ASC 605, *Revenue Recognition*. We recorded a net increase to opening retained earnings of \$1.9 million as of January 1, 2018 due to the cumulative impact of adopting Topic 606, with the impact primarily related to commission costs that are capitalized under Topic 606 which were previously expensed.

The details of the significant changes and quantitative impact of the changes are set out below. We have applied this guidance only to contracts that are not completed as of the January 1, 2018, the date of initial application.

*Commissions*

We previously recognized commission fees related to obtaining a contract as selling expenses when incurred. Under Topic 606 and Topic 340, *Other Assets and Deferred Costs*, when they are incremental, expected to be recovered, we capitalize those commission fees as costs of obtaining a contract and amortize them consistently with the pattern of transfer of the product or service to which the asset relates. These costs are included in general and administrative expense on the Condensed Consolidated Statements of Income. These deferred balances were \$2.9 and \$2.5 at March 31, 2018 and January 1, 2018, respectively, and included in Other Assets on the Condensed Consolidated Balance Sheets; Other Assets would have been lower by those amounts under revenue recognition and cost guidance applicable to us prior to the adoption of Topic 606 and Topic 340. The impact to costs as a result of applying Topic 606 was a decrease of \$0.4 million for the three months ended March 31, 2018 as compared to what the general and administrative expense would have been under previous revenue and cost recognition guidance. There would have been no other differences in our Condensed Consolidated Balance Sheet as of March 31, 2018 or Condensed Consolidated Statements of Income for the quarter ended March 31, 2018 under previous revenue and cost recognition guidance as compared to Topic 606 and Topic 340.

Nature of goods and services

The following is a description of principal activities, separated by reportable segments ([see Note 11](#)), from which the Company generates its revenues.

*Leasing*

Leasing revenue represents the results from our leasing programs, Uniti Leasing, which is engaged in the acquisition of mission-critical communications assets and leasing them back to anchor customers on either an exclusive or shared-tenant basis. Due to the nature of these activities, they are outside the scope of the guidance of Topic 606, and are recognized under other applicable guidance, including ASC 840, *Leases* (“Topic 840”).

*Fiber Infrastructure*

The Fiber Infrastructure segment represents the operations of our fiber business, Uniti Fiber, which provides (i) consumer, enterprise, wholesale and backhaul lit fiber, (ii) e-rate, (iii) small cell, (iv) construction services, (v) dark fiber and (vi) other revenue generating activities.

- i. Consumer, enterprise, wholesale, and backhaul lit fiber fall under the guidance of Topic 606. Revenue is recognized over the life of the contracts in a pattern that reflects the satisfaction of Uniti's stand-ready obligation to provide lit fiber services. The transaction price is equal to the monthly-recurring charge multiplied by the contract term, plus any non-recurring or variable charges. For each contract, the customer is invoiced monthly.

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

- ii. E-rate contracts involve providing lit fiber services to schools and libraries, and is governed by Topic 606. Revenue is recognized over the life of the contract in a pattern that reflects the satisfaction of Uniti's stand-ready obligation to provide lit fiber services. The transaction price is equal to the monthly-recurring charge multiplied by the contract term, plus any non-recurring or variable charges. For each contract, the customer is invoiced monthly.
- iii. Small cell contracts provide improved network connection to areas that may not require or accommodate a tower. These are smaller units, similar to a telephone pole that are constructed and then leased to the customer. As such, small cell contains five streams of revenue; site development, radio frequency ("RF") design, dark fiber lease, construction services, and maintenance services. Site development, RF design and construction are each separate services and are considered distinct performance obligations under Topic 606. Dark fiber and associated maintenance services constitute a lease, and as such, they are outside the scope of Topic 606 and are governed by other applicable guidance.
- iv. Construction revenue is generated from contracts to provide various construction services such as equipment installation or the laying of fiber. Construction revenue is recognized over time as construction activities occur as we are either enhancing a customer's owned asset or we are constructing an asset with no alternative use to us and we would be entitled to our costs plus a reasonable profit margin if the contract was terminated early by the customer. We are utilizing our costs incurred as the measure of progress of satisfying our performance obligation.
- v. Dark fiber arrangements represent operating leases under Topic 840 and, is outside the scope of Topic 606. When (i) a customer makes an advance payment or (ii) a customer is contractually obligated to pay any amounts in advance, which is not deemed a separate performance obligation, deferred leasing revenue is recorded. This leasing revenue is recognized ratably over the expected term of the contract, unless the pattern of service suggests otherwise.
- vi. The Company generates revenues from other services, such as consultation services and equipment sales. Revenue from the sale of customer premise equipment and modems that are not provided as an essential part of the telecommunications services, including broadband, long distance, and enhanced services is recognized when products are delivered to and accepted by customer. Revenue from customer premise equipment and modems provided as an essential part of the telecommunications services, including broadband, long distance, and enhanced services are recognized over time in a pattern that reflects the satisfaction of the service performance obligation.

#### *Towers*

The Towers segment represents the operations of our towers business, Uniti Towers, through which we acquire and construct tower and tower-related real estate, which we then lease to our customers in the United States and Latin America. Revenue from our towers business qualifies as a lease under Topic 840 and is outside the scope of Topic 606.

#### *Consumer CLEC*

The Consumer CLEC segment represents the operations of Talk America Services ("Talk America") through which we operate the Consumer CLEC Business, which provides local telephone, high-speed internet and long-distance services to customers in the eastern and central United States. Customers are billed monthly for services rendered based on actual usage or contracted amounts. The transaction price is equal to the monthly-recurring charge multiplied by the initial contract term (typically 12 months), plus any non-recurring or variable charges.

#### Disaggregation of Revenue

The following table presents our revenues disaggregated by revenue stream.

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**

Revenue accounted for under other applicable guidance	179,127	172,104
Total revenue	<u>\$ 246,915</u>	<u>\$ 211,473</u>

(1) As noted above, prior period amounts have not been adjusted under the modified retrospective method.

At March 31, 2018, and January 1, 2018, lease receivables were \$7.8 million and \$10.9 million, respectively, and receivables from contract with customers were \$28.3 million and \$31.2 million, respectively.

#### Contract Assets (Unbilled Revenue) and Liabilities (Deferred Revenue)

Contract liabilities are generally comprised of upfront fees charged to the customer for the cost of establishing the necessary components of the Company's network prior to the commencement of use by the customer. Fees charged to customers for the recurring use of the Company's network are recognized during the related periods of service. Upfront fees that are billed in advance of providing services are deferred until such time the customer accepts the Company's network and then are recognized as service revenues ratably over a period in which substantive services required under the revenue arrangement are expected to be performed, which is the initial term of the arrangement.

The following table provides information about contract assets and contract liabilities accounted for under Topic 606.

(Thousands)	Contract Assets	Contract Liabilities
Balance at January 1, 2018	\$ 2,490	\$ 26,256
Revenue recognized that was included in the contract liability balance at the beginning of the period	-	(2,398)
Increases due to revenue recognized, and not billed during the period	2,795	-
Increases due to cash received, excluding amounts recognized as revenue during the period	-	1,497
Transferred to receivables from contract assets, recognized at the beginning of the period	(2,554)	-
Balance at March 31, 2018	<u>\$ 2,731</u>	<u>\$ 25,355</u>

#### Transaction Price Allocated to Remaining Performance Obligations

Performance obligations within contracts to stand ready to provide services are typically satisfied over time or as those services are provided. Contract assets primarily relate costs incremental to obtaining contracts and contract liabilities primarily relate to deferred revenue from non-recurring charges. The deferred revenue is recognized, and the liability reduced, over the contract term as the Company completes the performance obligation. As of March 31, 2018, our future revenues (i.e. transaction price related to remaining performance obligations) under contract accounted for under Topic 606 totaled \$700.4 million, of which \$624.8 million is related to contracts that are currently being invoiced and have an average remaining contract term of 2.9 years, while \$75.6 million represents our backlog for sales bookings which have yet to be installed and have an average remaining contract term of 4.3 years.

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

**Practical Expedients and Exemptions**

We do not disclose the value of unsatisfied performance obligations for contracts that have an original expected duration of one year or less.

We exclude from the transaction price any amounts collected from customers for sales taxes and therefore, they are not included in revenue.

**Note 4. Business Combinations and Asset Acquisitions****2017 Transactions****Asset Acquisitions***Network Management Holdings LTD*

On January 31, 2017, we completed the acquisition of NMS. The Company accounted for the acquisition of NMS as an asset purchase. At close, NMS owned and operated 366 wireless communications towers in Latin America with an additional 105 build to suit tower sites under development. The NMS portfolio spans three Latin American countries with 212 towers in Mexico, 54 towers in Nicaragua, and 100 towers in Colombia. The consideration for the 366 wireless towers in operation as of the transaction close date was \$62.6 million, which was funded through cash on hand, and is presented in NMS asset acquisition on the Condensed Consolidated Statements of Cash Flows. NMS conducts its operations through three non-U.S. subsidiaries and the Company has determined that the functional currencies for the Mexican, Nicaraguan and Colombian subsidiaries are the Mexican Peso, U.S. Dollar and Colombian Peso, respectively. The non-U.S. subsidiaries in which NMS conducts its operations are subject to income tax in the jurisdictions in which they operate. The acquisition did not result in a step up in tax basis under local law. The Company recorded a net deferred tax liability of \$18.4 million and a liability for unrecognized tax benefits of \$5.3 million in connection with the acquisition. The deferred tax liability is primarily related to the excess of the recorded amounts for Property, Plant & Equipment and Intangibles over their respective historical tax bases. Under the terms of the purchase agreement, we will acquire the towers under development when construction is completed. The NMS towers are reflected in our Towers segment. See Note 11. The following is a summary of the estimated fair values of the assets acquired and liabilities assumed:

	(thousands)
Property, plant and equipment	\$ 36,417
Accounts receivable	2,826
Other assets	1,623
Intangible assets	52,437
Accounts payable, accrued expenses and other liabilities	(8,895)
Intangible liabilities	(3,440)
Deferred income taxes	(18,403)
Total purchase consideration	<u>\$ 62,565</u>

Of the \$52.4 million of acquired intangible assets, \$37.4 million was assigned to tenant contracts (22 year life), \$13.5 million was assigned to network (22 year life) and \$1.5 million was assigned to acquired above-market leases (10 year life). The acquired below-market lease intangible liability of \$3.4 million has a 10 year life. See Note 8.

During the three months ended March 31, 2018, construction was completed on 15 of the towers that were under development at the time of the NMS acquisition. and we acquired the completed towers pursuant to the purchase agreement for approximately \$1.0 million. As of March 31, 2018, we acquired 65 of the 105 towers that were under development at the time of NMS acquisition.

**Business Combinations***Southern Light, LLC*

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
(unaudited)

On July 3, 2017, we acquired 100% of the outstanding equity of Southern Light for \$638.1 million in cash and 2.5 million common units in the Operating Partnership with an acquisition date fair value of \$64.3 million. Southern Light is a leading provider of data transport services along the Gulf Coast region serving twelve attractive Tier II and Tier III markets across Florida, Alabama, Louisiana, and Mississippi. The acquisition was recorded by allocating the costs of the assets acquired based on their estimated fair values at the acquisition date. The excess of the cost of the acquisition over the fair value of the assets acquired is recorded as goodwill within our Fiber Infrastructure segment. See Note 11. The following is a summary of the estimated fair values of the assets acquired and liabilities assumed:

	(thousands)
Property, plant and equipment	\$ 279,467
Cash and cash equivalents	1,992
Accounts receivable	11,139
Other assets	1,287
Goodwill	318,620
Intangible assets	160,100
Accounts payable, accrued expenses and other liabilities	(19,846)
Deferred revenue	(38,134)
Deferred income taxes	(9,004)
Capital lease obligations	(3,189)
Total purchase consideration	\$ 702,432

The above purchase price allocation is considered preliminary and is subject to the resolution of contractual adjustments, such as working capital adjustments, set forth in the merger agreement, which is anticipated to be finalized during the second quarter of 2018.

The goodwill arising from the transaction is primarily attributable to the expansion of our fiber network through the complementary nature of Southern Light's fiber network to our existing fiber network, including anticipated incremental sales and cost savings. For federal income tax purposes, the transaction was treated as partially taxable (for portion paid in cash) and partially non-taxable (for portion paid with common units in the Operating Partnership). The portion of the acquisition that was treated as a taxable acquisition resulted in tax deductible goodwill. No tax deductible goodwill resulted from the portion of the acquisition that was treated as non-taxable.

As part of the acquisition, we acquired an intangible asset that was assigned to customer relationships of \$160.1 million (15 year life). See Note 8.

*Hunt Telecommunications, LLC*

On July 3, 2017, we acquired 100% of the outstanding equity of Hunt for \$129.3 million in cash and 1.6 million common units in the Operating Partnership with an acquisition date fair value of \$41.6 million. Additional contingent consideration of up to \$17 million, with an acquisition date fair value of \$16.4 million, may be paid upon the achievement of certain revenue milestones by delivering shares of our common stock. See Note 5. Hunt is a leading provider of data transport to K-12 schools and government agencies with a dense fiber network in Louisiana. The acquisition was recorded by allocating the costs of the assets acquired based on their estimated fair values at the acquisition date. The excess of the cost of the acquisition over the fair value of the assets acquired is recorded as goodwill within our Fiber Infrastructure segment. See Note 11.

Deferred revenue	(6,040)
Deferred income taxes	(40,391)
Capital lease obligations	(164)
Total purchase consideration	\$ 187,271

The above purchase price allocation is considered preliminary and is subject to the resolution of contractual adjustments, such as working capital adjustments, set forth in the merger agreement, which is anticipated to be finalized during the second quarter of 2018.

During the first quarter of 2018, the purchase price allocation was adjusted to record certain deferred revenues and accrued liabilities that existed at the date of acquisition. Deferred revenue and accrued liabilities increased \$2.2 million and \$1.2 million, respectively.

The goodwill arising from the transaction is primarily attributable to the expansion of our fiber network through the complementary nature of Hunt's fiber network to our existing fiber network, including anticipated incremental sales and cost savings. The goodwill is not expected to be deductible for tax purposes.

As part of the acquisition we acquired an intangible asset that was assigned to customer relationships of \$73 million (18 year life). [See Note 8](#).

#### **Note 5. Fair Value of Financial Instruments**

FASB ASC 820, *Fair Value Measurements*, establishes a hierarchy of valuation techniques based on the observability of inputs utilized in measuring assets and liabilities at fair values. This hierarchy establishes market-based or observable inputs as the preferred source of values, followed by valuation models using management assumptions in the absence of market inputs. The three levels of the hierarchy are as follows:

**Level 1** – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity can access at the assessment date

**Level 2** – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

**Level 3** – Unobservable inputs for the asset or liability

Our financial instruments consist of cash and cash equivalents, accounts and other receivables, a derivative liability, our outstanding notes and other debt, contingent consideration and accounts, interest and dividends payable.

The following table summarizes the fair value of our financial instruments at March 31, 2018 and December 31, 2017:

The carrying value of cash and cash equivalents, accounts and other receivables, and accounts, interest and dividends payable approximate fair values due to the short-term nature of these financial instruments.

The total principal balance of our outstanding notes and other debt was \$4.6 billion at March 31, 2018, with a fair value of \$4.4 billion. The estimated fair value of our outstanding notes and other debt was based on available external pricing data and current market rates for similar debt instruments, among other factors, which are classified as Level 2 inputs within the fair value hierarchy. Derivative assets are carried at fair value. [See Note 7](#). The fair value of an interest rate swap is determined based on the present value of expected future cash flows using observable, quoted LIBOR swap rates for the full term of the swap and also incorporate credit valuation adjustments to appropriately reflect both Uniti's own non-performance risk and non-performance risk of the respective counterparties. The Company has determined that the majority of the inputs used to value its derivative assets fall within Level 2 of the fair value hierarchy; however the associated credit valuation adjustments utilized Level 3 inputs, such as estimates of credit spreads, to evaluate the likelihood of default by the Company and its counterparties. As of March 31, 2018, the Company has assessed

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

the significance of the impact of the credit valuation adjustments on the overall valuation of its derivative positions and has determined that the credit valuation adjustment is not significant to the overall value of the derivatives. As such, the Company classifies its derivative assets valuation in Level 2 of the fair value hierarchy.

As part of the acquisition of Hunt on July 3, 2017, we may be obligated to pay contingent consideration (the “Hunt Contingent Consideration”) upon the achievement of certain defined revenue milestones; therefore, we have recorded the estimated fair value of contingent consideration of approximately \$10.5 million as of March 31, 2018. [See Note 4](#). In accordance with the Hunt merger agreement, Uniti common shares will be used to satisfy the contingent consideration payment. The fair value of the Hunt Contingent Consideration at March 31, 2018 was determined using the closing price of our common shares in the active market and the probability of expected declared dividends, and is classified as Level 3.

As part of the acquisition of Tower Cloud on August 31, 2016, we may be obligated to pay contingent consideration upon achievement of certain defined operational and financial milestones. At the Company’s discretion, a combination of cash and Uniti common shares may be used to satisfy the contingent consideration payments, provided that at least 50% of the aggregate amount of payments is satisfied in cash. We recorded the estimated fair value of future contingent consideration of \$78.7 million as of March 31, 2018. The fair value of the contingent consideration as of March 31, 2018, was determined using a discounted cash flow model and probability adjusted estimates of the future earnings and is classified as Level 3. During the three months ended March 31, 2018 and 2017, we paid \$12.7 million and \$18.8 million, respectively, for the achievement of certain milestones in accordance with the Tower Cloud merger agreement.

Changes in the fair value of contingent consideration arrangements are recorded in our Condensed Consolidated Statement of Income in the period in which the change occurs. For the three months ended March 31, 2018, there was a \$3.9 million decrease in the fair value of the contingent consideration that was recorded in Other (income) expense on the Condensed Consolidated Statements of Income.

The following is a roll forward of our liabilities measured at fair value on a recurring basis using unobservable inputs (Level 3):

Depreciation expense for the three months ended March 31, 2018 and 2017 was \$108.2 million and \$98.9 million, respectively.

**Note 7. Derivative Instruments and Hedging Activities**

The Company uses derivative instruments to mitigate the effects of interest rate volatility inherent in our variable rate debt, which could unfavorably impact our future earnings and forecasted cash flows. The Company does not use derivative instruments for speculative or trading purposes.

On April 27, 2015, we entered into fixed for floating interest rate swap agreements to mitigate the interest rate risk inherent in our variable rate Senior Secured Term Loan B facility. These interest rate swaps are designated as cash flow hedges and have a notional value of \$2.13 billion and mature on October 24, 2022. The weighted average fixed rate paid is 2.105%, and the variable rate received resets monthly to the one-month LIBOR subject to a minimum rate of 1.0%. The Company does not currently have any master netting arrangements related to its derivative contracts.

The following table summarizes the fair value and the presentation in our Condensed Consolidated Balance Sheet:

(Thousands)	Location on Condensed Consolidated Balance Sheet	March 31, 2018	December 31, 2017
Interest rate swaps	Derivative asset	\$ 42,061	\$ 6,793

As of March 31, 2018 and December 31, 2017, all of the interest rate swaps were valued in net unrealized gain positions and recognized as asset balances within the derivative asset balance. For the three months ended March 31, 2018, the amount recorded in other comprehensive income related to the unrealized gain on derivative instruments was \$32.7 million. For the three months ended March 31, 2017, the amount recorded in other comprehensive income related to the unrealized loss on derivative instruments was \$1.2 million. The amount reclassified out of other comprehensive income into interest expense on our Condensed Consolidated Statement of Income for the three months ended March 31, 2018 and 2017, was \$2.6 million and \$5.8 million, respectively. For the three months ended March 31, 2018 and 2017, there was no ineffective portion of the change in fair value derivatives.

Amounts reported in accumulated other comprehensive income (loss) related to derivatives will be reclassified to interest expense as interest payments are made on our variable-rate debt. During the next twelve months, beginning April 1, 2018, we estimate that \$10.4 million will be reclassified as an increase to interest expense.

**Note 8. Goodwill and Intangible Assets and Liabilities**

Changes in the carrying amount of goodwill occurring during the three months ended March 31, 2018, are as follows:

Amortization expense for the three months ended March 31, 2018 and 2017 was \$6.5 million and \$2.5 million, respectively.

Amortization expense is estimated to be \$25.3 million for the full year of 2018, \$24.6 million in 2019, \$24.0 million in 2020, \$23.6 million in 2021, and \$23.1 million for 2022.

#### Note 9. Notes and Other Debt

All debt, including the senior secured credit facility and notes described below, are obligations of the Operating Partnership and certain of its subsidiaries as discussed below. The Company is, however, a guarantor of such debt.

Notes and other debt is as follows:

(Thousands)	Principal amount	March 31, 2018		December 31, 2017

Total	\$ 4,641,617	\$ (138,155)	\$ 4,626,887	\$ (144,190)

At March 31, 2018, notes and other debt included the following: (i) \$2.1 billion under the senior secured term loan B facility that matures on October 24, 2022 (“Term Loan Facility”) pursuant to the credit agreement by and among the Operating Partnership, CSL Capital, LLC and Uniti Group Finance Inc., the guarantors and lenders party thereto and Bank of America, N.A., as administrative agent and collateral agent (the “Credit Agreement”); (ii) \$550.0 million aggregate principal amount of 6.00% Senior Secured Notes due April 15, 2023 (the “Secured Notes”); (iii) \$1.11 billion aggregate principal amount of 8.25% Senior Notes due October 15, 2023 (the “2023 Notes”); (iv) \$600 million aggregate principal amount of 7.125% Senior Unsecured Notes due December 15, 2024 (the “2024 Notes,” and together with the Secured Notes and 2023 Notes, the “Notes”), and (v) \$300 million under the senior secured revolving credit facility, variable rate, that matures April 24, 2020 pursuant to the Credit Agreement (the “Revolving Credit Facility” and, together with the Term Loan Facility, the “Facilities”).

On May 9, 2017, the Company completed its previously announced reorganization (the “up-REIT Reorganization”) to operate through a customary “up-REIT” structure. Under this structure, the Operating Partnership now holds substantially all of the Company’s assets and is the parent company of, among others, CSL Capital, LLC, Uniti Group Finance Inc. and Uniti Fiber Holdings Inc. In connection with the up-REIT Reorganization, the Operating Partnership replaced the Company and assumed its obligations as an obligor under the Notes and Facilities. The Company subsequently became a guarantor of the Notes and Facilities. Because the Operating Partnership is not a corporation, a corporate co-obligor that is a subsidiary of the Operating Partnership was also added to the Notes and Credit Agreement as part of the up-REIT Reorganization. As discussed below, Uniti Group Finance Inc. is the corporate co-obligor under the Credit Agreement and co-issuer of the Secured Notes and the 2023 Notes, and Uniti Fiber Holdings Inc. is the co-issuer of the 2024 Notes. Separate financial statements of the Operating Partnership have not been included since the Operating Partnership is not a registrant.

#### Credit Agreement

The Operating Partnership and its wholly-owned subsidiaries, CSL Capital, LLC, and Uniti Group Finance Inc. (collectively, the “Borrowers”) are party to the Credit Agreement, which provides for the Term Loan Facility (in an initial principal amount of \$2.14 billion) and the Revolving Credit Facility. The term loans bear interest at a rate equal to LIBOR, subject to a 1.0% floor, plus an applicable margin equal to 3.00%, and are subject to amortization of 1.0% per annum. All obligations under the Credit Agreement are guaranteed by (i) the Company and (ii) certain of the Operating Partnership’s wholly-owned subsidiaries (the “Subsidiary Guarantors”), and are secured by substantially all of the assets of the Borrowers and the Subsidiary Guarantors, which assets also secure the Secured Notes. The Revolving Credit Facility bears interest at a rate equal to LIBOR plus 1.75% to 2.25% based on our consolidated secured leverage ratio, as defined in the Credit Agreement. On April 28, 2017, we amended the Credit Agreement to increase the commitments under our Revolving Credit Facility from \$500 million to \$750 million. Other terms of the Revolving Credit Facility remain unchanged.

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

The Borrowers are subject to customary covenants under the Credit Agreement, including an obligation to maintain a consolidated secured leverage ratio, as defined in the Credit Agreement, not to exceed 5.00 to 1.00. We are permitted, subject to customary conditions, to incur (i) incremental term loan borrowings and/or increased commitments under the Credit Agreement in an unlimited amount, so long as, on a pro forma basis after giving effect to any such borrowings or increases, our consolidated secured leverage ratio, as defined in the Credit Agreement, does not exceed 4.00 to 1.00 and (ii) other indebtedness, so long as, on a pro forma basis after giving effect to any such indebtedness, our consolidated total leverage ratio, as defined in the Credit Agreement, does not exceed 6.50 to 1.00 and our consolidated secured leverage ratio, as defined in the Credit Agreement, does not exceed 4.00 to 1.00. In addition, the Credit Agreement contains customary events of default, including a cross default provision whereby the failure of the Borrowers or certain of their subsidiaries to make payments under other debt obligations, or the occurrence of certain events affecting those other borrowing arrangements, could trigger an obligation to repay any amounts outstanding under the Credit Agreement. In particular, a repayment obligation could be triggered if (i) the Borrowers or certain of their subsidiaries fail to make a payment when due of any principal or interest on any other indebtedness aggregating \$75.0 million or more, or (ii) an event occurs that causes, or would permit the holders of any other indebtedness aggregating \$75.0 million or more to cause, such indebtedness to become due prior to its stated maturity. As of March 31, 2018, the Borrowers were in compliance with all of the covenants under the Credit Agreement.

#### The Notes

The Borrowers, as co-issuers, have outstanding \$550 million aggregate principal amount of the Secured Notes, of which \$400 million was originally issued on April 24, 2015 at an issue price of 100% of par value and the remaining \$150 million was issued on June 9, 2016 at an issue price of 99.25% of the par value as an add-on to the existing Secured Notes. The Borrowers, as co-issuers, also have outstanding \$1.11 billion aggregate principal amount of the 2023 Notes that were originally issued on April 24, 2015 at an issue price of 97.055% of par value. The Secured Notes and the 2023 Notes are guaranteed by the Company and the Subsidiary Guarantors.

The Operating Partnership and its wholly-owned subsidiaries, CSL Capital, LLC and Uniti Fiber Holdings Inc., as co-issuers, have outstanding \$600 million aggregate principal amount of the 2024 Notes, of which \$400 million was originally issued on December 15, 2016 at an issue price of 100% of par value and the remaining \$200 million of which was issued on May 8, 2017 at an issue price of 100.50% of par value under a separate indenture and was mandatorily exchanged on August 11, 2017 for 2024 Notes issued as “additional notes” under the indenture governing the 2024 Notes. The 2024 Notes are guaranteed by the Company, Uniti Group Finance Inc. and the Subsidiary Guarantors.

#### Deferred Financing Cost

Deferred financing costs were incurred in connection with the issuance of the Notes and the Facilities. These costs are amortized using the effective interest method over the term of the related indebtedness, and are included in interest expense in our Condensed Consolidated Statements of Income. For the three months ended March 31, 2018 and 2017, we recognized \$3.6 million and \$2.5 million, respectively, of non-cash interest expense related to the amortization of deferred financing costs.

#### **Note 10. Earnings Per Share**

Our time-based restricted stock awards are considered participating securities as they receive non-forfeitable rights to dividends at the same rate as common stock. As participating securities, we included these instruments in the computation of earnings per share under the two-class method described in FASB ASC 260, *Earnings per Share* (“ASC 260”).

We also have outstanding performance-based restricted stock units that contain forfeitable rights to receive dividends. Therefore, the awards are considered non-participating restrictive shares and are not dilutive under the two-class method until performance conditions are met.

The earnings per share impact of the Company’s 3% Convertible Preferred Stock, \$0.0001 par value (“Series A Shares”), issued in connection with the May 2, 2016 acquisition of PEG Bandwidth, LLC, is calculated using the net share settlement method, whereby the redemption value of the instrument is assumed to be settled in cash and only the conversion premium, if any, is assumed to be

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

settled in shares. The Series A Shares provide Uniti the option to cash or share settle the instrument, and it is our policy to settle the instrument in cash upon conversion.

The Hunt merger agreement provides for the issuance of additional common shares upon the achievement of certain defined revenue milestones. [See Note 4](#). The earnings per share impact of the Hunt Contingent Consideration is calculated under the method described in ASC 260 for the treatment of contingently issuable shares in weighted-average shares outstanding.

The following sets forth the computation of basic and diluted earnings per share under the two-class method:

	Three Months Ended March 31,	
(Thousands, except per share data)	2018	2017

For the three months ended March 31, 2018, 405,063 non-participating securities were excluded from the computation of diluted earnings per share, as their effect would have been anti-dilutive. For the three months ended March 31, 2017, 382,019 non-participating securities were excluded from the computation of diluted earnings per share, as their effect would have been anti-dilutive.

#### Note 11. Segment Information

Our management, including our chief executive officer, who is our chief operating decision maker, manage our operations as four reportable segments in addition to our corporate operations and include:

**Uniti Group Inc.**  
**Notes to the Condensed Consolidated Financial Statements – Continued**  
**(unaudited)**

**Leasing:** Represents the results from our leasing programs, Uniti Leasing, which is engaged in the acquisition of mission-critical communications assets and leasing them back to anchor customers on either an exclusive or shared-tenant basis.

**Fiber Infrastructure:** Represents the operations of our fiber business, Uniti Fiber, which is a leading provider of infrastructure solutions, including cell site backhaul and dark fiber, to the telecommunications industry.

**Towers:** Represents the operations of our towers business, Uniti Towers, through which we acquire and construct tower and tower-related real estate, which we then lease to our customers in the United States and Latin America.

**Consumer CLEC:** Represents the operations of Talk America Services (“Talk America”) through which we operate the Consumer CLEC Business, that prior to the Spin-Off was reported as an integrated operation within Windstream. Talk America provides local telephone, high-speed internet and long distance services to customers in the eastern and central United States.

**Corporate:** Represents our corporate and back office functions. Certain costs and expenses, primarily related to headcount, insurance, professional fees and similar charges, that are directly attributable to operations of our business segments are allocated to the respective segments.

Management evaluates the performance of each segment using Adjusted EBITDA, which is a segment performance measure defined as net income determined in accordance with GAAP, before interest expense, provision for income taxes, depreciation and amortization, stock-based compensation expense, the impact, which may be recurring in nature, of transaction and integration related expenses, the write off of unamortized deferred financing costs, costs incurred as a result of the early repayment of debt, changes in the fair value of contingent consideration and financial instruments, and other similar items. The Company believes that net income, as defined by GAAP, is the most appropriate earnings metric; however we believe that Adjusted EBITDA serves as a useful supplement to net income because it allows investors, analysts and management to evaluate the performance of our segments in a manner that is comparable period over period. Adjusted EBITDA should not be considered as an alternative to net income as determined in accordance with GAAP.

#### Note 12. Commitments and Contingencies

In the ordinary course of our business, we are subject to claims and administrative proceedings, none of which we believe are material or would be expected to have, individually or in the aggregate, a material adverse effect on our business, financial condition, cash flows or results of operations.

Pursuant to the Separation and Distribution Agreement entered into with Windstream in connection with the Spin-Off, Windstream has agreed to indemnify us (including our subsidiaries, directors, officers, employees and agents and certain other related parties) for any liability arising from or relating to legal proceedings involving Windstream's telecommunications business prior to the Spin-Off, and, pursuant to the Master Lease, Windstream has agreed to indemnify us for, among other things, any use, misuse, maintenance or repair by Windstream with respect to the Distribution Systems. Windstream is currently a party to various legal actions and administrative proceedings, including various claims arising in the ordinary course of its telecommunications business, which are subject to the indemnities provided by Windstream to us.

Under the terms of the Tax Matters Agreement entered into with Windstream in connection with the Spin-Off, we are generally responsible for any taxes imposed on Windstream that arise from the failure of the Spin-Off and the debt exchanges to qualify as tax-free for U.S. federal income tax purposes, within the meaning of Section 355 and Section 368(a)(1)(D) of the Internal Revenue Code, as applicable, to the extent such failure to qualify is attributable to certain actions, events or transactions relating to our stock.

indebtedness, assets or business, or a breach of the relevant representations or any covenants made by us in the Tax Matters Agreement, the materials submitted to the IRS in connection with the request for the private letter ruling or the representations provided in connection with the tax opinion. We believe that the probability of us incurring obligations under the Tax Matters Agreement are remote; and therefore, we have recorded no such liabilities in our consolidated balance sheet.

**Note 13. Accumulated Other Comprehensive (Loss) Income**

**Note 14. Subsequent Events**

On May 1, 2018, the Company closed on the first tranche of its previously announced sale-leaseback and fiber acquisition from U.S. TelePacific Holding Corp. (“TPx”). At close, the Company acquired 6,000 fiber strand miles located in Nevada, Texas and Massachusetts, which will be leased back to TPx on a triple net basis. In addition, the Company acquired and will have exclusive use of, 7,000 fiber strand miles located in Texas. Total consideration for this tranche was \$25 million and was paid with cash on hand.

On May 10, 2018, the Company acquired from CenturyLink 30 long-haul intercity dark fiber routes totaling 11,000 route miles and 270,000 fiber strand miles across 25 states. This transaction was approved by the U.S. Department of Justice as a condition of the CenturyLink / Level 3 merger, and adds attractive, high demand assets to Uniti Leasing. Simultaneously with this purchase, the Company executed an anchor tenant lease with a Fortune 100 company for 11% of the fiber strand miles.

**Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.**

The following management's discussion and analysis of financial condition and results of operations describes the principal factors affecting the results of our operations, financial condition, and changes in financial condition for the three months ended March 31, 2018. This discussion should be read in conjunction with the accompanying unaudited financial statements, and the notes thereto set forth in Part I, Item 1 of this Quarterly Report on Form 10-Q and our Annual Report on Form 10-K for the year ended December 31, 2017, filed with the Securities and Exchange Commission (the "SEC") on March 1, 2018.

**Overview****Company Description**

Uniti Group Inc. (the "Company", "Uniti", "we", "us" or "our") is an independent internally managed real estate investment trust ("REIT") engaged in the acquisition and construction of mission critical infrastructure in the communications industry. We are principally focused on acquiring and constructing fiber optic broadband networks, wireless communications towers, copper and coaxial broadband networks and data centers.

On April 24, 2015, we were separated and spun-off (the "Spin-Off") from Windstream Holdings, Inc. ("Windstream Holdings" and together with its subsidiaries, "Windstream") pursuant to which Windstream contributed certain telecommunications network assets, including fiber and copper networks and other real estate (the "Distribution Systems") and a small consumer competitive local exchange carrier ("CLEC") business (the "Consumer CLEC Business"), to Uniti and Uniti issued common stock and indebtedness and paid cash obtained from borrowings under Uniti's senior credit facilities to Windstream. In connection with the Spin-Off, we entered into a long-term exclusive triple-net lease (the "Master Lease") with Windstream, pursuant to which a substantial portion of our real property is leased to Windstream and from which substantially all of our leasing revenues are currently derived.

Uniti operates as a REIT for U.S. federal income tax purposes. As a REIT, the Company is generally not subject to U.S. federal income taxes on income generated by its REIT operations, which includes income derived from the Master Lease. We have elected to treat the subsidiaries through which we operate our fiber business, Uniti Fiber, and Talk America Services, LLC, which operates the Consumer CLEC Business ("Talk America"), as taxable REIT subsidiaries ("TRSs"). TRSs enable us to engage in activities that result in income that does not constitute qualifying income for a REIT. Our TRSs are subject to U.S. federal, state and local corporate income taxes.

The Company operates through a customary up-REIT structure, pursuant to which we hold substantially all of our assets through a partnership, Uniti Group LP, a Delaware limited partnership (the "Operating Partnership"), that we control as general partner. This structure is intended to facilitate future acquisition opportunities by providing the Company with the ability to use common units of the Operating Partnership as a tax-efficient acquisition currency. As of March 31, 2018, we are the sole general partner of the Operating Partnership and own approximately 97.7% of the partnership interests in the Operating Partnership.

We expect to grow and diversify our portfolio and tenant base by pursuing a range of transaction structures with communication service providers, including, (i) sale leaseback transactions, whereby we acquire existing infrastructure assets from third parties, including communication service providers, and lease them back on a long-term triple net basis; (ii) whole company acquisitions, which may include the use of one or more TRSs that are permitted under the tax laws to acquire and operate non-REIT businesses and assets subject to certain limitations; (iii) capital investment financing, whereby we offer communication service providers a cost efficient method of raising funds for discrete capital investments to upgrade or expand their network; and (iv) mergers and acquisitions financing, whereby we facilitate mergers and acquisition transactions as a capital partner.

We manage our operations as four reportable business segments in addition to our corporate operations:

**Leasing Segment:** Represents our REIT operations and includes the results from our leasing business, Uniti Leasing, which is engaged in the acquisition of mission-critical communications assets and leasing them to anchor customers on either an exclusive or shared-tenant basis.

**Fiber Infrastructure Segment:** Represents the operations of our fiber business, Uniti Fiber, which is a leading provider of infrastructure solutions, including cell site backhaul and dark fiber, to the telecommunications industry.

**Towers Segment:** Represents the operations of our towers business, Uniti Towers, through which we acquire and construct tower and tower-related real estate in the United States and Latin America.

**Consumer CLEC Segment:** Represents the operations of Talk America through which we operate the Consumer CLEC Business, that prior to the Spin-Off was reported as an integrated operation within Windstream. Talk America provides local telephone, high-speed internet and long distance services to customers in the eastern and central United States.

**Corporate Operations:** Represents our corporate and back office functions. Certain costs and expenses, primarily related to headcount, insurance, professional fees and similar charges, that are directly attributable to operations of our business segments are allocated to the respective segments.

We evaluate the performance of each segment based on Adjusted EBITDA, which is a segment performance measure we define as net income determined in accordance with GAAP, before interest expense, provision for income taxes, depreciation and amortization, stock-based compensation expense, the impact, which may be recurring in nature, of transaction and integration related expenses, the write off of unamortized deferred financing costs, costs incurred as a result of the early repayment of debt, changes in the fair value of contingent consideration and financial instruments, and other similar items. For more information on Adjusted EBITDA, see “Non-GAAP Financial Measures.” Detailed information about our segments can be found in Note 11 to our condensed consolidated financial statements contained in Part I, Item 1 of this Quarterly Report on Form 10-Q.

### **Significant Business Developments**

**Acquisition and Lease-back of U.S. TelePacific Holding Corp. Fiber Assets.** On March 1, 2018, we entered into an agreement to acquire and lease-back fiber assets from privately-held U.S. TelePacific Holding Corp. (“TPx”) for aggregate consideration of \$95 million in cash. In the transactions, Uniti will acquire and leaseback to TPx, on a triple-net basis, 38,000 fiber strand miles located across California, Nevada, Texas, and Massachusetts. In addition, Uniti will acquire and have exclusive use of 7,000 fiber strand miles located in Texas, which are adjacent to Uniti Fiber’s southern network footprint. Uniti will also have non-exclusive rights to market, on behalf of TPx, certain of the fiber assets in California and Massachusetts. On May 1, 2018 we closed on the non-California assets, which included the exclusive use fiber strand miles in Texas, for total cash consideration of \$25 million. The remaining California assets are subject to customary closing conditions and are expected to close in the third quarter of 2018. The initial lease term will be 15 years with five 5-year renewal options at TPx’s discretion. Upon the closing of both transactions, annual cash rent will initially be \$8.8 million with a fixed annual escalator of 1.5%.

**Dark Fiber Acquisition and Anchor Tenant Lease.** On May 10, 2018, the Company acquired from CenturyLink 30 long-haul intercity dark fiber routes totaling 11,000 route miles and 270,000 fiber strand miles across 25 states. This transaction was approved by the U.S. Department of Justice as a condition of the CenturyLink / Level 3 merger, and adds attractive, high demand assets to Uniti Leasing. Simultaneously with this purchase, the Company executed an anchor tenant lease with a Fortune 100 company for 11% of the fiber strand miles.

**Revenues**

Leasing - Leasing revenues are primarily attributable to rental revenue from leasing the Distribution Systems to Windstream Holdings pursuant to the Master Lease.

The Master Lease provides that tenant funded capital improvements ("TCIs"), defined as maintenance, repair, overbuild, upgrade or replacement to the Distribution Systems, including without limitation, the replacement of copper distribution systems with fiber distribution systems, automatically become property of Uniti upon their construction by Windstream. We receive non-monetary consideration related to TCIs as they automatically become our property, and we recognize the cost basis of TCIs that are capital in nature as real estate investments and deferred revenue. We depreciate the real estate investments over their estimated useful lives and amortize the deferred revenue as additional leasing revenues over the same depreciable life of the TCI assets.

For the three months ended March 31, 2018, we recognized \$172.8 million of revenue from rents under the Master Lease, which included \$4.3 million of straight-line revenues and \$5.1 million of TCI revenue. For the three months ended March 31, 2017, we recognized \$170.3 million of revenues from the Master Lease, which included \$4.3 million of straight-line rent revenue, and \$2.6 million of TCI revenue. The increase in TCI revenue is attributable to increased investment by Windstream in TCIs. Windstream invested \$47.4 million in TCIs during the three months ended March 31, 2018, an increase from \$33.8 million it invested in TCIs during the three months ended March 31, 2017. Since the inception of the Master Lease, Windstream has invested a total of \$500.9 million in such improvements.

Because a substantial portion of our revenue and cash flows are derived from lease payments by Windstream pursuant to the Master Lease, there could be a material adverse impact on our consolidated results of operations, liquidity, financial condition and/or ability to pay dividends and service debt if Windstream were to default under the Master Lease or otherwise experiences operating or liquidity difficulties and becomes unable to generate sufficient cash to make payments to us. In recent years, Windstream has experienced annual declines in its total revenue, sales and cash flow, and has had its credit ratings downgraded by nationally recognized credit rating agencies. Most recently, Windstream is involved in litigation with an entity who acquired certain Windstream debt securities and immediately claimed an "event of default" under such securities relating to our spin-off from Windstream. On December 7, 2017, the entity issued a notice of acceleration to Windstream claiming that the principal amount, along with accrued interest, of such securities was due and payable immediately. Windstream is challenging the matter in federal court and a trial date has been scheduled for July 23, 2018. If Windstream receives a final, unappealable adverse ruling, an "event of default" would be declared. An actual "event of default" would trigger cross-default provisions in Windstream's other debt instruments, including Windstream Services' existing credit facility, which, in turn, would trigger a default under the Master Lease. If an adverse outcome occurs with respect to this matter and Windstream does not have the ability to pay under the Master Lease, there could be a material adverse impact to us as disclosed above.

Accordingly, we monitor the credit quality of Windstream through numerous methods, including by (i) reviewing the credit ratings of Windstream by nationally recognized credit rating agencies, (ii) reviewing the financial statements of Windstream that are publicly available and that are required to be delivered to us pursuant to the Master Lease, (iii) monitoring ongoing litigation and news reports regarding Windstream and its businesses, (iv) conducting research to ascertain industry trends potentially affecting Windstream, and

(v) monitoring the timeliness of its lease payments. In addition to periodic financial statements, Windstream is obligated under the Master Lease to provide us (i) a detailed consolidated budget on an annual basis and any significant revisions approved by Windstream's board of directors, (ii) prompt notice of any adverse action or investigation by a governmental authority relating to Windstream's licenses affecting the leased property, and (iii) any information we require to comply with our reporting and filing obligations with the SEC. Furthermore, pursuant to the Master Lease, we may inspect the properties leased to Windstream upon reasonable advance notice, and, no more than twice per year, we may require Windstream to deliver an officer's certificate certifying, among other things, its material compliance with the covenants under the Master Lease, the amount of rent and additional charges payable thereunder, the dates the same were paid, and any other questions or statements of fact we reasonably request.

**Fiber Infrastructure** – For the three months ended March 31, 2018 and 2017, we recognized \$67.0 million and \$34.8 million of revenue, respectively in our Fiber Infrastructure segment. The increase to Fiber Infrastructure revenue is primarily driven by the timing of the July 3, 2017 acquisitions Southern Light and Hunt.

At March 31, 2018, we had approximately 17,165 customer connections, up from 5,500 customer connections at March 31, 2017. The increase is primarily attributable to the Southern Light and Hunt acquisitions, which added 11,524 connections as of March 31, 2018.

Fiber Infrastructure revenues for the three months ended March 31, 2018 and 2017 consisted of the following:

(Thousands)	Three Months Ended March 31,			
	2018		2017	
	Amount	% of Segment Revenues	Amount	% of Segment Revenues
<b>Fiber Infrastructure revenues:</b>				
Lit backhaul services	\$ 33,346	49.8%	\$ 24,252	69.7%
Enterprise and wholesale	15,418	23.0%	3,479	10.0%
E-Rate and government	14,230	21.2%	6,951	20.0%
Dark fiber and small cells	2,983	4.5%	371	1.1%
Other services	990	1.5%	(241)	0.7%)
Total Fiber Infrastructure revenues	<u>\$ 66,967</u>	<u>100.0%</u>	<u>\$ 34,812</u>	<u>100.0%</u>

**Towers** - For the three months ended March 31, 2018, we recognized \$3.4 million of revenue in our Towers segment, of which \$2.3 million relates to our Latin American operations. For the three months ended March 31, 2017, we recognized \$1.4 million of revenue, of which \$1.1 million relates to our Latin American operations. The increase is primarily driven by revenues associated with our January 31, 2017 acquisition of Network Management Holdings LTD ("NMS"), including the additional 41 towers acquired that were under development at the time of the NMS acquisition. At March 31, 2018, the Uniti Towers portfolio consisted of 253 wireless communications towers across the Eastern and Central regions in the United States, and 457 wireless communication towers in Latin America, up from 80 wireless communications towers in the United States, and 413 wireless communication towers in Latin America, at March 31, 2017.

**Consumer CLEC** - For the three months ended March 31, 2018, we recognized \$3.8 million of revenue from the Consumer CLEC Business, compared to \$4.9 million for the three months ended March 31, 2017. The decrease is due to the effects of competition and customer attrition, as we served 26,750 customers as of March 31, 2018, a 23.1% decrease from 34,800 customers served at March 31, 2017.

#### **Interest Expense**

Interest expense for the three months ended March 31, 2018, totaled \$77.6 million, which includes non-cash interest expense of \$6.0 million resulting from the amortization of our debt discounts and debt issuance costs. Interest expense for the three months ended March 31, 2017 totaled \$73.4 million, which includes non-cash interest expense of \$5.3 million resulting from the amortization of our debt discounts and debt issuance costs. The increase is primarily related to interest expense on the 2024 Notes of \$3.6 million, which were not incurred in the three months ended March 31, 2017.

#### **Depreciation and Amortization Expense**

We incur depreciation and amortization expense related to our property, plant and equipment, corporate assets and intangible assets. Charges for depreciation and amortization for the three months ended March 31, 2018 totaled \$114.7 million, which included property, plant and equipment depreciation of \$108.2 million and intangible asset amortization of \$6.5 million. Charges for

depreciation and amortization for the three months ended March 31, 2017 totaled \$101.4 million, which included property, plant and equipment depreciation of \$93.3 million, corporate asset depreciation of \$5.6 million and intangible asset amortization of \$2.5 million. The increase is primarily driven by the timing of the acquisitions of Southern Light and Hunt.

#### **General and Administrative Expense**

General and administrative expenses include compensation costs (including stock-based compensation awards), professional and legal services, corporate office costs and other costs associated with administrative activities. For the three months ended March 31, 2018, general and administrative costs totaled \$22.5 million (9.1% of revenue), which includes \$2.2 million of stock-based compensation expense. For the three months ended March 31, 2017, general and administrative costs totaled \$14.0 million (6.6% of revenue), which includes \$1.6 million of stock-based compensation expense. The increase is primarily driven by the timing of the acquisitions of Southern Light and Hunt, as Fiber Infrastructure general and administrative expenses for the three months ended March 31, 2018 and 2017, totaled \$13.2 million and \$5.9 million, respectively.

#### **Operating Expense**

Operating expense for the three months ended March 31, 2018, totaled \$29.9 million (12.1% of revenue) compared to \$22.1 million (10.5% of revenue) for the three months ended March 31, 2017. Operating expense for our reportable segments for the three months ended March 31, 2018 and 2017 consisted of the following:

(Thousands)	Three Months Ended March 31,			
	2018		2017	
	Amount	% of Consolidated Revenues	Amount	% of Consolidated Revenues
<b>Operating expenses by segment:</b>				
Fiber Infrastructure	\$ 24,961	10.1%	\$ 17,629	8.3%
Towers	2,053	0.8%	740	0.3%
CLEC	2,890	1.2%	3,756	1.8%
<b>Total operating expenses</b>	<b>\$ 29,904</b>	<b>12.1%</b>	<b>\$ 22,125</b>	<b>10.5%</b>

The increase to Fiber Infrastructure operating expense is primarily driven by the timing of the acquisitions of Southern Light and Hunt. For the three months ended March 31, 2018, Fiber Infrastructure operating expenses included \$5.0 million of construction related expenses, \$3.8 million of payroll related expense, \$2.9 million of tower rent, \$6.3 million of lit service expense and \$1.9 million of dark fiber rent. For the three months ended March 31, 2017, Fiber Infrastructure operating expenses included \$3.3 million of payroll related expense, \$2.8 million of tower rent, \$1.8 million of lit service expense and \$1.7 million of maintenance expense.

Expense associated with the Consumer CLEC Business is primarily attributable to the Wholesale Agreement and the Master Services Agreement entered between us and Windstream in connection with the Spin-Off, and also included costs arising under the interconnection agreements with other telecommunication carriers. Expense associated with the Wholesale Agreement and Master Services Agreement for the three months ended March 31, 2018 totaled \$2.1 million (0.9% of revenue) and \$0.2 million (0.1% of revenue), respectively, and expense associated with the Wholesale Agreement and the Master Services Agreement for the three months ended March 31, 2017 totaled \$2.8 million (1.4% of revenue) and \$0.4 million (0.2% of revenue), respectively.

#### **Other (Income) Expense**

We recognized in other (income) expense a \$3.9 million (1.6% of revenue) unrealized gain for mark-to-market adjustments on our contingent consideration arrangements for the three months ended March 31, 2018, compared to a \$11.3 million (5.4% of revenue) unrealized loss for mark-to-market adjustments on our contingent consideration arrangements for the three months ended March 31, 2017. The fair value of the contingent consideration arrangement connected to the July 3, 2017 acquisition of Hunt is determined using the closing price of our common shares in the active market, while the fair value of the contingent consideration arrangement in connection to the August 31, 2016 acquisition of Tower Cloud is determined using a discounted cash flow model and probability adjusted estimates of the future earnings.

#### **Income Tax (Benefit) Expense**

We recorded a \$1.1 million benefit in income tax benefit for the three months ended March 31, 2018, primarily driven by the income tax benefit we recorded in our Fiber Infrastructure segment.

### Non-GAAP Financial Measures

We refer to EBITDA, Adjusted EBITDA, Funds From Operations ("FFO") (as defined by the National Association of Real Estate Investment Trusts ("NAREIT")) and Adjusted Funds From Operations ("AFFO") in our analysis of our results of operations, which are not required by, or presented in accordance with, accounting principles generally accepted in the United States ("GAAP"). While we believe that net income, as defined by GAAP, is the most appropriate earnings measure, we also believe that EBITDA, Adjusted EBITDA, FFO and AFFO are important non-GAAP supplemental measures of operating performance for a REIT.

We define "EBITDA" as net income, as defined by GAAP, before interest expense, provision for income taxes and depreciation and amortization. We define "Adjusted EBITDA" as EBITDA before stock-based compensation expense and the impact, which may be recurring in nature, of transaction and integration related costs (collectively, "transaction related costs"), the write-off of unamortized deferred financing costs, costs incurred as a result of the early repayment of debt, changes in the fair value of contingent consideration and financial instruments, and other similar items (although we may not have had such charges in the periods presented). We believe EBITDA and Adjusted EBITDA are important supplemental measures to net income because they provide additional information to evaluate our operating performance on an unleveraged basis. Since EBITDA and Adjusted EBITDA are not measures calculated in accordance with GAAP, they should not be considered as an alternative to net income determined in accordance with GAAP.

Because the historical cost accounting convention used for real estate assets requires the recognition of depreciation expense except on land, such accounting presentation implies that the value of real estate assets diminishes predictably over time. However, since real estate values have historically risen or fallen with market and other conditions, presentations of operating results for a REIT that uses historical cost accounting for depreciation could be less informative. Thus, NAREIT created FFO as a supplemental measure of operating performance for REITs that excludes historical cost depreciation and amortization, among other items, from net income, as defined by GAAP. FFO is defined by NAREIT as net income applicable to common shareholders computed in accordance with GAAP, excluding gains or losses from real estate dispositions, plus real estate depreciation and amortization and impairment charges. We compute FFO in accordance with NAREIT's definition.

We define AFFO as FFO excluding (i) transaction related costs; (ii) certain non-cash revenues and expenses such as stock-based compensation expense, amortization of debt and equity discounts, amortization of deferred financing costs, depreciation and amortization of non-real estate assets, straight-line revenues, non-cash income taxes, and the amortization of other non-cash revenues to the extent that cash has not been received, such as revenue associated with the amortization of TCIs; (iii) the impact, which may be recurring in nature, of the write-off of unamortized deferred financing fees, additional costs incurred as a result of the early repayment of debt, changes in the fair value of contingent consideration and financial instruments and similar items less maintenance capital expenditures. We believe that the use of FFO and AFFO, and their respective per share amounts, combined with the required GAAP presentations, improves the understanding of operating results of REITs among investors and analysts, and makes comparisons of operating results among such companies more meaningful. We consider FFO and AFFO to be useful measures for reviewing comparative operating performance. In particular, we believe AFFO, by excluding certain revenue and expense items, can help investors compare our operating performance between periods and to other REITs on a consistent basis without having to account for differences caused by unanticipated items and events, such as transaction related costs. The Company uses FFO and AFFO, and their respective per share amounts, only as performance measures, and FFO and AFFO do not purport to be indicative of cash available to fund our future cash requirements. While FFO and AFFO are relevant and widely used measures of operating performance of REITs, they do not represent cash flows from operations or net income as defined by GAAP and should not be considered an alternative to those measures in evaluating our liquidity or operating performance.

Further, our computations of EBITDA, Adjusted EBITDA, FFO and AFFO may not be comparable to that reported by other REITs or companies that do not define FFO in accordance with the current NAREIT definition or that interpret the current NAREIT definition or define EBITDA, Adjusted EBITDA and AFFO differently than we do.

The reconciliation of our net income to EBITDA and Adjusted EBITDA and of our net income attributable to common shareholders to FFO and AFFO for the three months ended March 31, 2018 and 2017 is as follows:

(Thousands)	Three Months Ended March 31,

### Critical Accounting Estimates

We make certain judgments and use certain estimates and assumptions when applying accounting principles in the preparation of our consolidated financial statements. The nature of the estimates and assumptions are material due to the levels of subjectivity and judgment necessary to account for highly uncertain factors or the susceptibility of such factors to change. We have identified the accounting for income taxes, revenue recognition, useful lives of assets, the impairment of property, plant and equipment, goodwill impairment and business combinations as critical accounting estimates, as they are the most important to our financial statement presentation and require difficult, subjective and complex judgments.

We believe the current assumptions and other considerations used to estimate amounts reflected in our financial statements are appropriate. However, if actual experience differs from the assumptions and other considerations used in estimating amounts reflected in our consolidated financial statements, the resulting changes could have a material adverse effect on our consolidated results of operations and, in certain situations, could have a material adverse effect on our financial condition.

For further information on our critical accounting estimates, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and the notes to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017, filed with SEC on March 1, 2018. As of March 31, 2018, there has been no material change to these estimates.

## Liquidity and Capital Resources

Our principal liquidity needs are to fund operating expenses, meet debt service requirements, fund investment activities, and make dividend distributions. Our primary sources of liquidity and capital resources are cash on hand, cash provided by operating activities (primarily arising under the Master Lease with Windstream), borrowings under our credit agreement by and among the Operating Partnership, CSL Capital, LLC and Uniti Group Finance Inc., the guarantors and lenders party thereto and Bank of America, N.A., as administrative agent and collateral agent (the “Credit Agreement”), and proceeds from the issuance of debt and equity securities.

As of March 31, 2018, we had cash and cash equivalents of \$56.9 million and \$450 million of undrawn borrowing capacity under the Revolving Credit Facility.

Cash provided by operating activities was \$156.9 million and \$128.2 million for the three months ended March 31, 2018 and 2017, respectively. Cash provided by operating activities is primarily attributable to our leasing activities.

Cash used in investing activities was \$52.1 million for the three months ended March 31, 2018, which was driven by capital expenditures (\$51.1 million), primarily related to our Uniti Fiber and Uniti Towers businesses. Cash used in investing activities was \$86.5 million for the three months ended March 31, 2017, which was driven by the acquisition of NMS assets (\$64.6 million), ground lease investments (\$7.2 million) and capital expenditures (\$14.9 million). The increase in capital expenditures is due to network deployments related to our Uniti Fiber and Uniti Towers businesses.

As of March 31, 2018, under the terms of the purchase agreement with NMS, we acquired 65 of the 105 towers, which were under development at the time of the NMS acquisition, for approximately \$6.0 million.

Cash used in financing activities was \$107.9 million for the three months ended March 31, 2018, which primarily represents the dividend payments (\$105.9 million), contingent consideration payments (\$12.7 million), principal payments related to the Term Loan Facility (\$5.3 million), and distributions paid to noncontrolling interests (\$2.5 million), partially offset by net borrowings under the Revolving Credit Facility (\$20.0 million). Cash used in financing activities was \$145.0 million for the three months ended March 31, 2017, which was driven by dividend payments (\$94.1 million), deferred financing costs related to the term loan repricing (\$24.4 million), contingent consideration payments (\$18.8 million), and principal payments related to the Term Loan Facility (\$5.3 million).

We have an effective shelf registration statement on file with the SEC (the “Registration Statement”) to offer and sell various securities from time to time. Under the Registration Statement, we have established an at-the-market common stock offering program (the “ATM Program”) to sell shares of common stock having an aggregate offering price of up to \$250.0 million. During the quarter ended March 31, 2018, no sales were made under the ATM Program. This program provides additional financial flexibility and an alternative mechanism to access the capital markets at an efficient cost as and when we need financing, including for acquisitions. While we have not used the program to date, we currently intend to utilize the program when we believe the price we can obtain for our common stock is attractive. In addition, our UPREIT structure, enables us to acquire properties by issuing to sellers, as a form of consideration, limited partnership interests in our operating partnership, (commonly called “OP Units”). We believe that this structure will facilitate our ability to acquire individual properties and portfolios of properties by enabling us to structure transactions which will defer taxes payable by a seller while preserving our available cash for other purposes, including the possible payment of dividends. We issued limited partnership interests as part of the acquisition consideration for the recently completed acquisitions of Hunt and Southern Light.

We anticipate our cash on hand and borrowing availability under the Revolving Credit Facility, combined with our cash flows provided by operating activities will be sufficient to fund our business operations, debt service and distributions to our shareholders over the next twelve months. However, we may take advantage of opportunities to generate additional liquidity through capital markets transactions. The amount, nature and timing of any capital markets transactions will depend on: our operating performance and other circumstances; our then-current commitments and obligations; the amount, nature and timing of our capital requirements; any limitations imposed by our current credit arrangements; and overall market conditions. These expectations are forward-looking and subject to a number of uncertainties and assumptions. If our expectations about our liquidity prove to be incorrect, we could be subject to a shortfall in liquidity in the future, and this shortfall may occur rapidly and with little or no notice, which would limit our ability to address the shortfall on a timely basis.

## Contractual Obligations

As of March 31, 2018, we had contractual obligations and commitments as follows:

	Payments Due by Period					<b>Total</b>
	<b>Less than 1 Year</b>	<b>1-3 Years</b>	<b>3-5 Years</b>	<b>More than 5 Years</b>		
(millions)						
Long-term debt(a)	\$ 21	\$ 342	\$ 2,018	\$ 2,261	\$ 4,642	
Interest payments on long-term debt obligations(b)	250	498	460	194	1,402	
Operating leases	13	16	7	16	52	
Capital Leases	8	15	13	53	89	
Network deployment(c)	56	-	-	-	56	
<b>Total projected obligations and commitments(d)</b>	<b>\$ 348</b>	<b>\$ 871</b>	<b>\$ 2,498</b>	<b>\$ 2,524</b>	<b>\$ 6,241</b>	

(a) Excludes \$138.2 million of unamortized discounts on long-term debt and deferred financing costs.

(b) Interest rates on our Term Loan Facility are based on our swap rates.

(c) Network deployment purchase commitments are for success-based projects for which we have a signed customer contract before we commit resources to expand our network.

(d) Excludes \$42.1 million of derivative asset related to interest rate swaps maturing on October 24, 2022.

## Dividends

We are taxed as a REIT for U.S. federal income tax purposes. U.S. federal income tax law generally requires that a REIT distribute annually at least 90% of its REIT taxable income, without regard to the deduction for dividends paid and excluding net capital gains, and that it pay tax at regular corporate rates to the extent that it annually distributes less than 100% of its taxable income. In order to maintain our REIT status, we intend to make regular quarterly dividend payments of all or substantially all of our taxable income to holders of our common stock out of assets legally available for this purpose, if and to the extent authorized by our board of directors. Before we make any dividend payments, whether for U.S. federal income tax purposes or otherwise, we must first meet both our operating requirements and debt service obligations. If our cash available for distribution is less than our taxable income, we could be required to sell assets or borrow funds to make cash dividends or we may make a portion of the required dividend in the form of a taxable distribution of stock or debt securities.

On April 13, 2018, we paid, to shareholders of record as of the close of business on March 30, 2018, a cash dividend on our common stock of \$0.60 per share for the period from January 1, 2018 through March 31, 2018.

On January 12, 2018, we paid, to shareholders of record as of the close of business on December 29, 2017, a cash dividend on our common stock of \$0.60 per share for the period from October 1, 2017 through December 31, 2017.

## Capital Expenditures

We categorize our capital expenditures as either (i) success-based, (ii) maintenance, or (iii) corporate and non-network. We define success-based capital expenditures as those which are tied to contractual obligations to customers or are discretionary in nature and are intended to add growth capacity to our existing network. Maintenance capital expenditures are those necessary to keep existing network elements fully operational. We anticipate continuing to invest in our network infrastructure across our Uniti Fiber and Uniti Towers portfolios, and expect that cash on hand, borrowings under our Revolving Credit Facility, and cash flows provided by operating activities will be sufficient to support these investments.

## Recent Accounting Guidance

New accounting rules and disclosures can impact our reported results and comparability of our financial statements. These matters are described in our Annual Report on Form 10-K for the year ended December 31, 2017, filed with the SEC on March 1, 2018.

In August 2017, the FASB issued Accounting Standards Update (“ASU”) No. 2017-12, *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities* (“ASU 2017-12”), which amends and simplifies existing guidance in order to allow companies to more accurately present the economic effects of risk management activities in the financial statements. ASU 2017-12 is effective for annual periods beginning after December 15, 2018 and interim periods within those annual periods, and earlier adoption is permitted. We adopted ASU 2017-12 effective January 1, 2018, and there was no material impact on our financial position.

In February 2017, the FASB issued ASU No. 2017-05, *Other Income - Gains and Losses from the Derecognition of Nonfinancial Assets (Subtopic 610-20): Clarifying the Scope of Asset Derecognition Guidance and Accounting for Partial Sales of Nonfinancial Assets* (“ASU 2017-05”), which provides guidance for recognizing gains and losses from the transfer of nonfinancial assets and for partial sales of nonfinancial assets, and is effective for financial statements issued for fiscal years and interim periods beginning after December 15, 2017. We adopted ASU 2017-05 effective January 1, 2018, using the modified retrospective approach and there was no material impact on our financial position.

In August 2016, the FASB issued ASU No. 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments* (“ASU 2016-15”). ASU 2016-15 provides guidance on reducing the diversity in how certain cash receipts and cash payments are presented and classified in the statement of cash flows. In addition to other specific cash flow issues, ASU 2016-15 provides clarification on when an entity should separate cash receipts and cash payments into more than one class of cash flows and when an entity should classify those cash receipts and payments into one class of cash flows on the basis of predominance. The new guidance is effective for the fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. We adopted ASU 2016-15 effective January 1, 2018, and there was no material impact on our financial position.

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* (“Topic 606”). This update outlines a single comprehensive revenue recognition model for entities to follow in accounting for revenue from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance. The core principle of the revenue model is that an entity should recognize revenue for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to receive for those goods or services. Topic 606 is effective for annual periods beginning after December 15, 2017 and interim periods within those annual periods. We adopted Topic 606 as of January 1, 2018 using the modified retrospective transition method.

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (“ASC 842”), which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The provisions of this guidance are effective for annual periods beginning after December 31, 2018, and for interim periods therein. The Company is currently evaluating this guidance to determine the impact it will have on our financial statements by reviewing its existing operating lease contracts, where we are the lessee and service contracts that may include embedded leases. The Company expects a gross-up of its Consolidated Balance Sheets as a result of recognizing lease liabilities and right-of-use assets, the extent of the impact of a gross-up is under evaluation. The Company does not anticipate material changes to the recognition of operating lease expense in its Consolidated Statements of Income.

In January 2018, the FASB issued ASU 2018-01, *Leases (Topic 842) – Land Easement Practical Expedient for Transition to Topic 842*. This standard permits an entity to elect an optional transition practical expedient to not evaluate land easements that exist or expire before the Company’s adoption of ASC 842 and that were not previously accounted for as leases under ASC 840. The Company intends to elect this transition provision.

#### **Off-Balance Sheet Arrangements**

As of the date of this Quarterly Report on Form 10-Q, we do not have any off-balance sheet arrangements.

#### **Item 3. Quantitative and Qualitative Disclosures About Market Risk.**

There have been no material changes from the information reported under Item 7A of our Annual Report on Form 10-K for the year ended December 31, 2017, filed with the SEC on March 1, 2018.

#### **Item 4. Controls and Procedures.**

##### *Disclosure Controls and Procedures*

We have established disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934 (the “Exchange Act”), that are designed to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules

and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is accumulated and communicated to management, including our principal executive and principal financial officers as appropriate, to allow timely decisions regarding required disclosure.

Our management, with the participation of our principal executive officer and principal financial officer, evaluated the effectiveness of our disclosure controls and procedures as of March 31, 2018. Based on this evaluation, our principal executive officer and principal financial officer concluded that our disclosure controls and procedures were effective as of March 31, 2018.

*Changes in Internal Control over Financial Reporting*

There were no changes in our internal control over financial reporting, as such term is defined in Rule 13a-15(f) under the Exchange Act, that occurred during the quarter ended March 31, 2018 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

**PART II—OTHER INFORMATION****Item 1. Legal Proceedings.**

In the ordinary course of our business, we are subject to claims and administrative proceedings, none of which we believe are material or would be expected to have, individually or in the aggregate, a material adverse effect on our business, financial condition, cash flows or results of operations.

**Item 1A. Risk Factors.**

There have been no material changes to the risk factors affecting our business that were discussed in Part I, “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC on March 1, 2018.

**COMMUNICATIONS SALES & LEASING, INC.**  
**2017 SHORT TERM INCENTIVE PLAN**

As of February 14, 2017 (the “Effective Date”), Communications Sales & Leasing, Inc., a Maryland corporation (the “Corporation”), hereby adopts this 2017 Short Term Plan (this “Plan”).

WHEREAS, the Compensation Committee of the Board of Directors of the Corporation deems it in the best interest of the Corporation that the Corporation reward certain executives of the Corporation with a short-term incentive program (annual cash bonuses) in order to motivate the Corporation’s executive officers to achieve performance goals that reinforce the Corporation’s annual business plan, to assist the Corporation in attracting and retaining qualified executives and to promote the alignment of the executive officers’ interests with those of the Corporation’s stockholders; and

WHEREAS, the Compensation Committee approved on February 14, 2017 the terms of this Plan, including Exhibit A hereto which is incorporated by reference in its entirety.

NOW, THEREFORE, BE IT RESOLVED:

**Section 1. Definitions.** The following words and phrases shall have the following meanings unless a different meaning is plainly required by the context:

- (a) “*Award*” means any Short-Term Cash Bonus granted under this Plan.
  - (b) “*Board*” means the Board of Directors of the Corporation.
  - (c) “*Code*” means the Internal Revenue Code of 1986, as amended.
  - (d) “*Committee*” means the Compensation Committee of the Board which has been appointed to administer this Plan.
  - (e) “*Corporation*” means Communications Sales & Leasing, Inc., a Maryland corporation, and any direct or indirect subsidiary thereof.
  - (f) “*Eligible Officer*” means an officer of the Corporation holding the positions set forth in Section 3 of this Plan.
  - (g) “*Employee*” means an individual who is an employee of the Corporation who is reported on the payroll records as a common-law employee.
  - (h) “*Plan*” means this 2017 Short Term Plan of the Corporation.
  - (i) “*Short-Term Incentive Bonus*” means the incentive compensation granted to an Eligible Officer pursuant to Section 4 of this Plan.
  - (j) “*Subsidiary*” means a corporation at least 50% of the total combined voting power of all classes of stock which is owned by the Corporation, either directly or through one or more other Subsidiaries.
-

**Section 2. Administration.** This Plan will be administered by the Committee. In addition to any other powers granted to the Committee, the Committee will have the following powers:

- (a) to determine whether and to what extent Short-Term Incentive Bonuses are to be granted under this Plan to Eligible Officers;
- (b) to determine whether the performance metrics required to receive Short-Term Incentive Bonuses have been satisfied and to what extent they have been satisfied;
- (c) to construe and interpret this Plan;
- (d) to require, at the time Short-Term Incentive Bonuses are to be paid, the making of any representations or agreements that the Committee may deem necessary or advisable in order for the Corporation to comply with the securities laws of the United States of America or of any state or any rule or regulation thereunder;
- (e) to provide for satisfaction of an Eligible Officer's tax liabilities arising in connection with this Plan; and
- (f) to make all other determinations and take all other actions necessary or advisable for the administration of this Plan.

Any determinations or actions made or taken by the Committee pursuant to this Section 2 will be binding and final.

**Section 3. Eligibility.** The individuals holding the following executive officer positions of the Corporation on the Effective Date shall be eligible to receive Short-Term Incentive Bonuses under this Plan:

- (a) President and Chief Executive Officer
- (b) Executive Vice President and Chief Financial Officer;
- (c) Executive Vice President and General Counsel;
- (d) Executive Vice President – President of Fiber Operations;
- (e) Senior Vice President – President of Tower Operations; and
- (f) Senior Vice President – Chief Technology Officer.

**Section 4. Short-Term Incentive Bonuses.** Short-Term Incentive Bonuses shall be awarded to the Eligible Officers as set forth in this Section 4 and Exhibit A to this Plan. Short-Term Incentive Bonuses shall be payable in cash upon the attainment of the criteria set forth on Exhibit A as the Committee shall determine, in its sole discretion.

**Section 5. Termination or Amendment.** The Board may amend or terminate this Plan in any respect at any time. Board approval must be accompanied by (a) stockholder approval in those cases in which amendment requires stockholder approval under applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the shares of common stock of the

Corporation are listed or quoted, and (b) affected Eligible Officer approval if the amendment or termination would adversely affect the holder's rights under any outstanding grants or Awards. The Short-Term Incentive Bonus provisions may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Committee or the Board. To the extent required by Section 162(m) of the Code with respect to bonus Awards that the Committee determines should qualify as performance-based compensation as described in Section 162(m)(4)(C), no action may modify the performance criteria or bonus potentials after the commencement of the measurement period with respect to which such bonus Awards relate.

**Section 6. Effectiveness of this Plan.** This Plan is effective as of the Effective Date which is the date of adoption of this Plan by the Board.

**Section 7. Term of this Plan.** This Plan will terminate on the date all benefits anticipated by this Plan have been paid.

**Section 8. Indemnification of Committee.** In addition to such other rights of indemnification as they may have as directors of the Corporation or as members of the Committee, the members of the Committee will be indemnified by the Corporation against the reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with this Plan or any grant or Award hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner that they believed to be in, and not opposed to, the best interests of the Corporation.

**Section 9. General Provisions.**

(a) The establishment of this Plan will not confer upon any Eligible Officer or Employee, any legal or equitable right against the Corporation, any Subsidiary or the Committee, except as expressly provided in this Plan or employment agreement of the Eligible Officer, if any.

(b) This Plan does not constitute inducement or consideration for the employment of any Employee, nor is it a contract of employment between the Corporation or any Subsidiary and any Employee. Participation in this Plan, or the receipt of a grant or Award hereunder, will not give an Employee any right to be retained in the service of the Corporation or any Subsidiary.

(c) The interests of any Employee under this Plan are not subject to the claims of creditors and may not, in any way, be assigned, alienated or encumbered except as otherwise provided herein.

(d) The Corporation may withhold any federal, state or local taxes required with respect to any distribution under this Plan. The Employee shall take whatever action the Committee deems appropriate with respect to withholding of taxes, including, but not limited to, the Employee remitting to the Corporation any taxes required to be withheld by the Corporation under federal, state or local law as a result of the distribution.

(e) Notwithstanding anything contained herein to the contrary, this Plan shall be administered and operated in accordance with any applicable laws and regulations, including, but not limited to, Section 409A of the Code. The Corporation reserves the right to amend this Plan at any time in order for this Plan to comply with any such laws and regulations.

(f) This Plan will be governed, construed and administered in accordance with the laws of Delaware.

(g) If any provision of this Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of this Plan, and this Plan shall be construed and enforced as if such provision had not been included.

IN WITNESS WHEREOF, the Corporation, by its duly authorized officer, has executed this Plan on the Effective Date as first set forth above and as duly authorized by the Board.

**UNITI GROUP INC.  
2018 SHORT TERM INCENTIVE PLAN**

This 2018 Short Term Incentive Plan (this “Plan”) of Uniti Group Inc., a Maryland corporation (the “Corporation”), became effective on February 6, 2018 (the “Effective Date”).

**Section 1. Definitions.** The following words and phrases shall have the following meanings unless a different meaning is plainly required by the context:

“Award” means any Short-Term Incentive Bonus granted under this Plan.

“Board” means the Board of Directors of the Corporation.

“Code” means the Internal Revenue Code of 1986, as amended.

“Committee” means the Compensation Committee of the Board which has been appointed to administer this Plan.

“Corporation” means Uniti Group Inc., a Maryland corporation, and any direct or indirect subsidiary thereof.

“Eligible Officer” means an officer of the Corporation holding the positions set forth in Section 3 of this Plan.

“Employee” means an individual who is an employee of the Corporation who is reported on the payroll records as a common-law employee.

“Plan” means this 2018 Short Term Incentive Plan of the Corporation.

“Short-Term Incentive Bonus” means the incentive compensation granted to an Eligible Officer pursuant to Section 4 of this Plan.

“Subsidiary” means a corporation at least 50% of the total combined voting power of all classes of stock which is owned by the Corporation, either directly or through one or more other Subsidiaries.

**Administration.** This Plan will be administered by the Committee. In addition to any other powers granted to the Committee, the Committee will have the following powers:

to determine whether and to what extent Short-Term Incentive Bonuses are to be granted under this Plan to Eligible Officers;

to determine whether the performance metrics required to receive Short-Term Incentive Bonuses have been satisfied and to what extent they have been satisfied;

---

to construe and interpret this Plan;

to require, at the time Short-Term Incentive Bonuses are to be paid, the making of any representations or agreements that the Committee may deem necessary or advisable in order for the Corporation to comply with the securities laws of the United States of America or of any state or any rule or regulation thereunder;

to provide for satisfaction of an Eligible Officer's tax liabilities arising in connection with this Plan; and

to make all other determinations and take all other actions necessary or advisable for the administration of this Plan.

Any determinations or actions made or taken by the Committee pursuant to this Section 2 will be binding and final.

**Eligibility.** The individuals holding the following executive officer positions of the Corporation on the Effective Date shall be eligible to receive Short-Term Incentive Bonuses under this Plan:

President and Chief Executive Officer;

Executive Vice President and Chief Financial Officer;

Executive Vice President and General Counsel;

[\*\*];

[\*\*];

[\*\*]; and

[\*\*].

**Short-Term Incentive Bonuses.** Short-Term Incentive Bonuses shall be awarded to the Eligible Officers as set forth in this Section 4 and Exhibit A to this Plan. Short-Term Incentive Bonuses shall be payable in cash upon the attainment of the criteria set forth on Exhibit A as the Committee shall determine, in its sole discretion.

**Termination or Amendment.** The Committee or Board may amend or terminate this Plan in any respect at any time. Committee or Board approval must be accompanied by (a) stockholder approval in those cases in which amendment requires stockholder approval under applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the shares of common stock of the Corporation are listed or quoted, and (b) affected Eligible Officer approval if the amendment or termination would adversely affect the holder's rights under any outstanding grants or Awards. The Short-Term Incentive Bonus provisions may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Committee or the Board.

**Effectiveness of this Plan.** This Plan is effective as of the Effective Date which is the date of adoption of this Plan by the Committee.

---

**Term of this Plan.** This Plan will terminate on the date all benefits anticipated by this Plan have been paid.

**Indemnification of Committee.** In addition to such other rights of indemnification as they may have as directors of the Corporation or as members of the Committee, the members of the Committee will be indemnified by the Corporation against the reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with this Plan or any grant or Award hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner that they believed to be in, and not opposed to, the best interests of the Corporation.

#### **General Provisions.**

The establishment of this Plan will not confer upon any Eligible Officer or Employee, any legal or equitable right against the Corporation, any Subsidiary or the Committee, except as expressly provided in this Plan or employment agreement of the Eligible Officer, if any.

This Plan does not constitute inducement or consideration for the employment of any Employee, nor is it a contract of employment between the Corporation or any Subsidiary and any Employee. Participation in this Plan, or the receipt of a grant or Award hereunder, will not give an Employee any right to be retained in the service of the Corporation or any Subsidiary.

The interests of any Employee under this Plan are not subject to the claims of creditors and may not, in any way, be assigned, alienated or encumbered except as otherwise provided herein.

The Corporation may withhold any federal, state or local taxes required with respect to any distribution under this Plan. The Employee shall take whatever action the Committee deems appropriate with respect to withholding of taxes, including, but not limited to, the Employee remitting to the Corporation any taxes required to be withheld by the Corporation under federal, state or local law as a result of the distribution.

Notwithstanding anything contained herein to the contrary, this Plan shall be administered and operated in accordance with any applicable laws and regulations, including, but not limited to, Section 409A of the Code. The Corporation reserves the right to amend this Plan at any time in order for this Plan to comply with any such laws and regulations.

This Plan will be governed, construed and administered in accordance with the laws of Maryland.

If any provision of this Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of this Plan, and this Plan shall be construed and enforced as if such provision had not been included.
