

## Uniti Group Inc. Completes Inaugural Kinetic Fiber Securitization Notes Offering

January 30, 2026 9:15 PM EST

LITTLE ROCK, Ark., Jan. 30, 2026 (GLOBE NEWSWIRE) -- Uniti Group Inc. (the "Company," "Uniti," or "we") (Nasdaq: UNIT) today announced that Kinetic ABS Issuer LLC, a limited-purpose, bankruptcy remote subsidiary of Uniti (the "Issuer"), has completed an inaugural offering of \$960,100,000 aggregate principal amount of secured fiber network revenue term notes (the "Notes"). The Notes have an anticipated repayment date in February 2031. The Notes are secured by certain residential fiber network assets and related customer agreements in the States of Arkansas, Georgia, Kentucky, Ohio and Texas. Each of the Issuer and its direct parent entity and subsidiaries are designated as "unrestricted subsidiaries" under Uniti's credit agreement and the indentures governing Uniti's outstanding senior notes.

In connection with the offering of the Notes, the Issuer has entered into a \$150,000,000 variable funding note facility with a delayed commitment availability feature, subject to the satisfaction of leverage tests and other customary availability/drawing conditions. The Issuer has also entered into a liquidity funding note facility, which may be drawn solely to support the transaction's liquidity reserve and to cover specified payment shortfalls. The variable funding notes and the liquidity funding notes are governed by the same indenture that governs the Notes.

Uniti intends to use the net proceeds of the offering of the Notes for general corporate purposes, which may include success-based capital expenditures and/or repayment of outstanding debt.

The Notes are not, and will not be, registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act or any applicable state securities laws.

"We are beyond thrilled to have completed our inaugural fiber-to-the-home securitization, a transaction that saw unprecedented levels of demand from investors for its kind. This transaction, combined with our prior securitization offerings at Uniti Fiber, provides capital to help fund our fiber buildouts and strengthen our balance sheet at a very attractive cost," commented Paul Bullington, Senior Executive Vice President, Chief Financial Officer & Treasurer.

This press release does not constitute an offer to sell, or a solicitation of an offer to buy, nor shall there be any sale of the Notes in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
