# March 29, 2016 11:01 AM EDT

LITTLE ROCK, Ark., March 29, 2016 (GLOBE NEWSWIRE) -- Communications Sales & Leasing, Inc. ("CS&L" or the "Company") (Nasdaq:CSAL) today announced that the Company entered into an agreement with Windstream Holdings, Inc. to acquire 32 wireless towers owned by Windstream and operating rights for 49 wireless towers previously conveyed to the Company in its spin-off from Windstream in April of last year. Multiple wireless carriers currently leasing access to these towers will become customers of CS&L. The Company will also receive rights to construct and operate wireless towers on approximately 1,000 properties currently leased exclusively to Windstream by CS&L. The transaction cost is approximately \$3 million

This acquisition is consistent with CS&L's strategy of owning and constructing mission critical communications infrastructure, and advances the Company's goal of expanding its relationships with the largest wireless carriers. Additionally, the 1,000 properties represent growth potential for future wireless tower construction.

The acquisition of the ownership and operating rights to the 81 towers is subject to regulatory approvals and other customary terms and conditions. Closing is expected in April 2016.
