(E)the Letter of Credit is to be denominated in a currency other than Dollars unless otherwise agreed by the applicable L/C Issuer and the Administrative Agent;

(F) the Letter of Credit is in an initial amount less than the Dollar Equivalent of $100,000;

(G)the face amount of such Letter of Credit (together with all other Letters of Credit issued by such L/C Issuer and outstanding at such time) shall exceed the L/C Issuer Sublimit applicable to such L/C Issuer; or

(H) the Letter of credit is a commercial letter of credit.

(iii)An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Letter of Credit Reporting. On a monthly basis, each L/C Issuer shall deliver to the Administrative Agent a complete list of outstanding Letters of Credit issued by such L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Extension Letters of Credit

(i)Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower hand delivered or telecopied (or transmitted by electronic communication, if arrangements for doing so have been approved by the L/C Issuer) to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 1:00 p.m., Local Time, at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount and currency thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (g) such other matters as the relevant L/C Issuer may reasonably request. If requested by the L/C Issuer, the Borrower also shall submit a letter of credit application on the L/C Issuer's standard form in connection with any request for a Letter of Credit. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii)Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, acquire from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Applicable Percentage times the amount of such Letter of Credit.

(iii)With respect to standby Letters of Credit only, if the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it hasreceived notice (which may be by telephone, followed promptly in writing, or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or any Revolving Credit Lender, as applicable, or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv)Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawingunder such Letter of Credit, the relevant L/C Issuer, will, within period stipulated by terms and conditions of the Letter of Credit, examine the relevant drawing document. After such examination the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. On the Business Day immediately following the Business Day on which the Borrower shall have received notice of any payment by an L/C Issuer under a Letter of Credit (or, if the Borrower shall have received such notice later than 1:00 p.m. on any Business Day, on the second succeeding Business Day) (such date of payment, an "Honor Date"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars in an amount equal to the Dollar Equivalent of such drawing using the Exchange Rate in relation to Dollars in effect on the Honor Date. If the Borrower fails to so reimburse such L/C Issuer on the Honor Date (or if any such reimbursement payment is required to be refunded to the Borrower for any reason), then, in the case of each L/C Borrowing, the Administrative Agent shall promptly notify the applicable L/C Issuer and each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing in Dollars (the "Unreimbursed Amount"), and the amount of such Appropriate Lender's Applicable Percentage thereof. In the event that the Borrower does not reimburse the L/C Issuer on the Business Day following the date it receives notice of the Honor Date (or, if the Borrower shall have received such notice later than 1:00 p.m. on any Business Day, on the second succeeding Business Day), the Borrower shall be deemed to have requested a Revolving Credit Borrowing denominated in Dollars of Base Rate Loans to be disbursed on such date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Revolving Credit Commitments, and subject to the conditions set forth in Section 4.02(other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing;*provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. For the avoidance of doubt, if any drawing occurs under a Letter of Credit and such drawing is not reimbursed on the same day, such drawing shall, without duplication, accrue interest at the rate applicable to Base Rate Loans under the Revolving Credit Facility until the date of reimbursement.

(ii)Each Revolving Credit Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent in Dollars for the account of the relevant L/C Issuer at the Administrative Agent's Office for payments in an amount equal to its Applicable Percentage of any Unreimbursed Amount in respect of a Letter of Credit not later than 1:00 p.m., New York City time, on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03, each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii)With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in Dollars in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv)Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Revolving Credit Lender's Applicable Percentage of such amount shall be solely for the account of the relevant L/C Issuer.

(v)Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, a Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans (but not L/C Advances) pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi)If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent demonstrable error.

(vii)If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to each Revolving Credit Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(viii)If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate.

(d) Obligations Absolute. The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii)the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v)any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Secured Obligations of any Loan Party in respect of such Letter of Credit; or

(vi)any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(e) Role of L/C Issuers. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain anydocument (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire

as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders or the Required Revolving Credit Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (iii) of this Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower caused by such L/C Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction or such L/C Issuer's willful or grossly negligent failure as determined by a court of competent jurisdiction to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(f) Cash Collateral. (i) If any Event of Default occurs and is continuing and the Administrative Agent or the Required Revolving Credit Lenders or Required Lenders, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02(a)(iii) or (ii) an Event of Default set forth under Section 8.01(f) (with respect to the Borrower) or (g) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount plus any accrued or unpaid fees thereon determined as of the date such Cash Collateral is provided). For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Revolving Credit Lenders, as collateral for the L/C Obligations, cash or deposit account balances in the relevant currencies in an amount equal to the L/C Exposure (determined as of the date of such Event of Default) ("Cash Collateral") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Interest or profits, if any, on such investments shall accumulate in such account. Cash Collateral shall be maintained in accounts satisfactory to the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Credit Lenders and may be invested in readily available Cash Equivalents at its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the L/C Exposure, the Borrower will, forthwith upon demand by the Administrative Agent, pay to theAdministrative Agent, as additional funds to be deposited and held in the deposit accounts specified by the Administrative Agent, an amount equal to the excess of (a) such L/C Exposure over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the L/C Exposure plus costs incidental thereto and so long as no other Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. If such Event of Default is cured or waived and no other Event of Default is then occurring and continuing, the amount of any Cash Collateral (including any accrued interest thereon) shall be refunded to the Borrower.

(g) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent in Dollars for the account of each Revolving Credit Lender in accordance with its Applicable Percentage, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the product of (i) Applicable Rate for Letter of Credit fees and (ii) the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit. Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(h) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee (a "Fronting Fee") in Dollars with respect to each Letter of Credit issued by it equal to 0.125% per annum of the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(i) Conflict with Letter of Credit Application. Notwithstanding anything else to the contrary in any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(j) Addition of an L/C Issuer. A Revolving Credit Lender (or any of its Subsidiaries or affiliates) may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional L/C Issuer.

(k) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(l) Existing Letters of Credit. Each Existing Letter of Credit shall be deemed a Letter of credit issued hereunder for the account of the Borrower for all purposes under this Agreement withoutneed for any further action by the Borrower or any other Person, and shall be to and governed by the terms and conditions of this Agreement. On the Closing Date, each existing Letter of Credit, to the extent outstanding, shall automatically and without further action by the parties thereto be deemed converted to Letters of Credit issued pursuant to Section 2.03 for the account of the Borrower and subject to the provisions hereof.

(m) Replacement of L/C Issuer. Any L/C Issuer may be replaced with another Revolving Credit Lender (or an Affiliate of a Revolving Credit Lender) at any time by written agreement among the Borrower, the Administrative Agent, the Required Revolving Credit Lenders, and the successor L/C Issuer. The Administrative Agent shall notify the Revolving Credit Lenders of any such replacement of such L/C Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced L/C Issuer. From and after the effective date of any such replacement, (i) the successor L/C Issuer shall have all the rights and obligations of the applicable L/C Issuer under this Agreement with respect to Letters of Credit to be issued thereafter, and (ii) references herein to the term "L/C Issuer" shall be deemed to refer to such successor or to any previous L/C Issuer, or to such successor L/C Issuer and all previous L/C Issuers, as the

context shall require. After the replacement of an L/C Issuer hereunder, the replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

Section 2.04 Undeliverable Distributions.

(a)If, on or prior to June 26, 2021 (the " Reversion Date"), a Claimant Assignee has failed to comply with its obligations hereunder to provide a completed Administrative Questionnaire and any applicable tax forms required pursuant to Section 3.01(f) with respect to itself, then, without any further action by the Administrative Agent or any Lender, on the Reversion Date each such Claimant Assignee's Initial Term Loans deemed made pursuant to Section 2.01 shall be deemed unclaimed property or interests in property pursuant to Section 347(b) of the Bankruptcy Code and shall revert to the Borrower and be automatically discharged, terminated and canceled (and the Administrative Agent shall update the Register to reflect such discharge, termination and cancellation).

(b)If, on the Reversion Date (or, if later with respect to any Unidentified Claimant that has become a Claimant Assignee on or prior to the Reversion Date, the Response Deadline), the Disbursement Agent holds Initial Term Loans for the benefit of any Unidentified Claimant, such Initial Term Loans shall be deemed unclaimed property or interests in property pursuant to Section 347(b) of the Bankruptcy Code and shall revert to the Borrower and be automatically discharged, terminated and canceled (and the Administrative Agent shall update the Register to reflect such discharge, termination and cancelation). For the avoidance of doubt, the Disbursement Agent shall cease to be a Lender and a party to this Agreement on and from the earlier of (x) the later of (A) the Reversion Date and (B) the date on which the last Claimant Assignee completes the documentation required under Section 10.07(b) and (y) the latest Response Deadline for any Unidentified Claimant that shall have become a Claimant Assignee identified prior to the Reversion Date (if any), which date shall be no later than two months following the Reversion Date. On or promptly following the Reversion Date, the Disbursement Agent shall notify the Administrative Agent of the principal amount of Initial Term Loans held by the Disbursement Agent for the benefit of Unidentified Claimants which are subject to discharge, termination and cancelation on the Reversion Date pursuant to this Section 2.04(b).

Section 2.05 Prepayments.

(a) Optional Prepayments.

(i)The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Borrowing of any Class in whole or in part without premium or penalty (except as set forth in Section 2.05(a)(iv)); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00 p.m., New York City time (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans (or, in the case of a Eurocurrency Rate Loan denominated in any currency other than Dollars, not later than 1:00 p.m., Local Time, three (3) Business Days before any date of prepayment) and (B) on the date of prepayment of Base Rate Loans and(2) any prepayment of Eurocurrency Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof, in each case, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.04. Each prepayment of the Loans pursuant to this Section 2.05(a) shall be applied to the installments thereof as directed by the Borrower (it being understood and agreed that if the Borrower does not so direct at the time of such prepayment, such prepayment shall be applied against the scheduled repayments of Term Loans of the relevant Class under Section 2.07 in direct order of maturity) and shall be paid to the Appropriate Lenders in accordance with their respective Applicable Percentages.

(ii)At any time prior to the Reversion Date, the Borrower, upon written notice to the Administrative Agent by the Borrower, may voluntarily prepay, on a non-pro rata basis, all (but not less than all) Initial Term Loans that the Disbursement Agent holds for the benefit of any Non-Permitted Claimant that, together with such Non-Permitted Claimant's Affiliates and Related Funds, has Initial Term Loans outstanding not exceeding $100,000, without premium or penalty (subject to Section 2.05(a)(iv)); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00 p.m., New York City time (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (B) on the date of prepayment of Base Rate Loans in each case, unless the Administrative Agent agrees to a shorter period in its discretion; (2) any prepayment of Initial Term Loans held by the Disbursement Agent for the benefit of a Non-Permitted Claimant shall not exceed $100,000 (plus any accrued interest thereon to such date, together with any additional amounts required pursuant to Section 3.04) and shall be for the entire Principal Amount of the Initial Term Loans held by the Disbursement Agent for the benefit of such Non-Permitted Claimant; (3) notwithstanding any provision to the contrary in this Agreement or any other Loan Document, any such prepayment may be made on a non-pro rata basis to the Disbursement Agent for the benefit of each applicable Non-Permitted Claimant (without requiring any pro rata payment to any other Initial Term Lender); and (4) the aggregate amount of all such prepayments of Initial Term Loans made pursuant to this Section 2.05(a)(ii) shall not exceed $28,000,000. Each such notice shall specify the date and amount of such prepayment and the Non-Permitted Claimant being prepaid along with the amount each lender is being prepaid. The Administrative Agent will promptly notify the Disbursement Agent of its receipt of each such notice, and of the date of such prepayment. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon to such date, together with any additional amounts required pursuant to Section 3.04. In the case of each prepayment of the Initial Term Loans pursuant to this Section 2.05(a)(ii), the Borrower may in its sole discretion select the Non-Permitted Claimant to be repaid, and such payment shall be paid to the Disbursement Agent for the benefit of such Non-Permitted Claimant.

(iii)Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a) if such prepayment would haveresulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or shall otherwise be delayed.

(iv)In the event that the Borrower (x) makes any prepayment of any Class of Initial Term Loans in connection with any Repricing Transaction or (y) effects any amendment of this Agreement resulting in a Repricing Transaction with respect to any Class of Initial Term Loans, in each case prior to the twelve (12) month anniversary of the Closing Date, the Borrower shall pay a premium in an amount equal to 1.0% of (A) in the case of clause (x), the amount of such Initial Term Loans being prepaid or (B) in the case of clause (y), the aggregate amount of the applicable Initial Term Loans outstanding immediately prior to such amendment, in each case to the Administrative Agent, for the ratable account of each of the applicable Initial Term Lenders.

(b) Mandatory Prepayments.

(i) [Reserved].

(ii) (A) Subject to Section 2.05(b)(ii)(B), and any Customary Intercreditor Agreement,if following the Closing Date (x) Holdings, the Borrower or any Restricted Subsidiary consummates any non-ordinary course sale, transfer or other disposition of property or assets permitted by Section 7.05(a)(ii) and clauses (7) though (29) of the definition of Asset Disposition, or (y) any Casualty Event occurs, which in the aggregate results in the realization or receipt by Holdings, the Borrower or such Restricted Subsidiary of Net Available Cash in excess of the greater of $100.0 million and 10.0% of LTM EBITDA in the case of each of, a single Asset

Disposition or Casualty Event or series of related Asset Dispositions or Casualty Events, the Borrower shall make a prepayment, in accordance with Section 2.05(b)(ii)(C), of an aggregate principal amount of Term Loans equal to the Applicable Asset Sale Percentage of such Net Available Cash (the " Applicable Proceeds") realized or received; *provided* that no such prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) (I) with respect to such portion of such Net Available Cash that the Borrower intends to reinvest in accordance with Section 2.05(b)(ii)(B), (II) until the aggregate amount of Net Available Cash is reinvested in accordance with Section 2.05(b)(ii)(B) within the time periods set forth therein or (III) with respect to such portion of such Net Available Cash that is used to repay Other Applicable Indebtedness as permitted under Section 2.05(b)(ii)(C).

(B)With respect to any Net Available Cash realized or received with respect to any Asset Disposition (other than any Asset Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest (including capital expenditures) an amount equal to all or any portion of such Net Available Cash (i) in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary) or (ii) in any one or more businesses (provided that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition, with any such investment made by way of a capital or other lease valued at the present value of the minimum amount of payments under such lease (as reasonably determined by the Borrower) within(x) twelve (12) months following receipt of such Net Available Cash or (y) if Holdings, the Borrower or its Restricted Subsidiaries enter into a legally binding commitment to reinvest such Net Available Cash within twelve (12) months following receipt thereof, one hundred eighty (180) days after the twelve (12) month period that follows receipt of such Net Available Cash; *provided* that if any Net Available Cash is not so reinvested by the deadline specified in clause (x) or (y) above, as applicable, or if any such Net Available Cash are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, an amount equal to the Applicable Asset Sale Percentage of any such Net Available Cash shall be applied, in accordance with Section 2.05(b)(ii)(C), to the prepayment of the Term Loans as set forth in this Section 2.05.

(C)On each occasion that the Borrower must make a prepayment of the Term Loans pursuant to this Section 2.05(b)(ii), the Borrower shall, within five (5) Business Days after the date of realization or receipt of such Net Available Cash in the minimum amount specified above (or, in the case of prepayments required pursuant to Section 2.05(b)(ii)(B), within five (5) Business Days of the deadline specified in clause (x) or (y) thereof, as applicable, or of the date the Borrower reasonably determines that such Net Available Cash is no longer intended to be or cannot be so reinvested, as the case may be), make a prepayment, in accordance with Section 2.05(b)(v) below, of the principal amount of Term Loans in an amount equal to the Applicable Asset Sale Percentage of such Net Available Cash realized or received; provided, further, that with respect to any prepayment required by Section 2.05(b)(ii)(A), the Borrower may use a portion of such Net Available Cash to prepay or repurchase Indebtedness secured by the Collateral on a *pari passu* basis with the Liens securing the Secured Obligations subject to the priorities applicable to the Priority Payment Obligations (the "Other Applicable Indebtedness") to the extent required pursuant to the terms of the documentation governing such Other Applicable Indebtedness, in which case, the amount of prepayment required to be made with respect to such Net Available Cash pursuant to this Section 2.05(b)(ii)(C) shall be deemed to be the amount equal to the product of (x) the amount of such Net Available Cash required to be repaid by (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans required to be prepaid pursuant to this Section 2.05(b)(ii)(C) and the denominator of which is the sum of the outstanding principal amount of such Other Applicable Indebtedness required to be prepaid pursuant to the terms of the documents governing such Other Applicable Indebtedness and the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (for the avoidance of doubt, amounts described in this clause (y) in the calculation of such fraction shall be deemed to refer to then outstanding principal amount of such Indebtedness subject to such prepayment requirement, prior to giving effect to any reduction in the amount thereof as the result of such prepayment).

(iii)If, following the Closing Date, Holdings or any Restricted Subsidiary incurs or issues any (A) Refinancing Term Loans, (B) Refinancing Indebtedness with respect to Indebtedness permitted pursuant to Section 7.03(b)(i) or (C) Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Term Loans equal to 100.0% of all Net Available Cash received therefrom on or prior to the date which is five(5) Business Days after the receipt of such Net Available Cash. If the Borrower obtains any Refinancing Revolving Credit Commitments, the Borrower shall, concurrently with the receipt thereof, terminate Revolving Credit Commitments in an equivalent amount pursuant to Section 2.06.

(iv)Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied on a pro rata basis to each Class of Term Loans and within each Class of Term Loans, first, to the installments thereof pro rata in direct order of maturity for the next four scheduled payments pursuant to Section 2.07(a) following the applicable prepayment event and, second, to the remaining installments thereof pro rata;*provided* that any mandatory prepayment pursuant to Section 2.05 shall be applied on a pro rata basis to each Class of Initial Term Loans and, except to the extent a lesser prepayment is required pursuant to the applicable Incremental Facility Amendment or Extension Offer with respect to any applicable Class of Incremental Term Loans or Extended Term Loans, any Incremental Term Loans and Extended Term Loans. Each such prepayment of any Class of Term Loans shall be paid to the Lenders in accordance with their respective Applicable Percentages subject to clause (v) of this Section 2.05(b).

(v)The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i), (ii), and (iii) of this Section 2.05(b) prior to 1:00 p.m. at least one (1) Business Day prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Applicable Percentage of the prepayment with respect to any Class of Term Loans. Each Appropriate Lender may reject all or a portionof its Applicable Percentage of any mandatory prepayment (such declined amounts, the " Declined Proceeds") of Term Loans required to be made pursuant to clauses (i) or (ii) of this Section 2.05(b) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Borrower no later than 5:00 p.m. three (3) Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory prepayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans. Any Declined Proceeds shall be retained by the Borrower ("Retained Declined Proceeds").

(vi)Notwithstanding any other provision of this Section 2.05(b), (i) to the extent that any or all of the Net Available Cash of any Asset Disposition by a Restricted Subsidiary otherwise giving rise to a prepayment pursuant to Section 2.05(b)(ii) (a "Restricted Disposition") or the Net Available Cash of any Casualty Event of a Restricted Subsidiary (a "Restricted Casualty Event") would be prohibited or delayed by applicable local law from being distributed or otherwise transferred to the Borrower, the realization or receipt of the portion of such Net Available Cash so affected will not be taken into account in measuring the Borrower's obligation to repay Term Loans at the times provided in Section 2.05(b)(i), or the Borrower shall not be required to make a prepayment at the time provided in Section 2.05(b)(ii), as the case may be, for so long, but only so long, as the applicable local law will not permit such distribution or transfer (the Borrower hereby agreeing to cause the applicable Restricted Subsidiary to promptly take all commercially reasonable actions available under the applicable local law to permit such repatriation), and once distribution or transfer of any of such affected Net Available Cash is permitted under the applicable local law, the amount of such Net Available Cash permitted to be distributed or transferred (net of additional taxes payable or reserved against as a result thereof) will be promptly (and in any event not later than three(3) Business Days after such distribution or transfer is permitted) taken into account in measuring the Borrower's obligation to repay the Term Loans pursuant to this Section 2.05(b) to the extent provided herein, (ii) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Available Cash of any Restricted Disposition or any Restricted Casualty Event would have (x) a material adverse tax consequence (taking into account any foreign tax credit or benefit received in connection with such repatriation) or (y) would be material constituent document restrictions (as a result of minority ownership by third parties) and other material agreements (so long as any prohibition is not created in contemplation of such prepayment), the amount of the Net Available Cash so affected shall not be taken into account in measuring the Borrower's obligation to repay Term Loans pursuant to this Section 2.05(b). Notwithstanding the foregoing, (x) Holdings and its Restricted Subsidiaries will undertake to

use commercially reasonable efforts for one year to overcome or eliminate any such restrictions (subject to the considerations above and as determined in the Borrower's reasonable business judgment) to make the relevant prepayment and (y) any prepayments required after application of the above provision shall be net of any costs, expenses or Taxes (other than any Taxes already taken into account in the definition of Net Available Cash) incurred by the Borrower or any of its Affiliates and arising as a result of compliance with immediately preceding clause (x).

(vii)If for any reason the aggregate Revolving Credit Exposures of all Lenders at any time exceeds the aggregate Revolving Credit Commitments then in effect (including, for the avoidance of doubt, as a result of currency fluctuations or the termination of such Revolving Credit Commitments on the Maturity Date with respect thereto), the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(vii) unless after the prepayment in full of the Revolving Credit Loans, the aggregate Revolving Credit Exposures exceed the aggregate Revolving Credit Commitments.

(c) Interest, Funding Losses, Etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon in the currency in which such Loan is denominated, together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.04.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05, prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit with the Administrative Agent in the currency in which such Loan is denominated the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Such deposit shall constitute cash collateral for the Eurocurrency Rate Loans to be so prepaid, *provided* that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.05.

(d) Discounted Voluntary Prepayments.

(i) Notwithstanding anything to the contrary set forth in this Agreement (including Section 2.13) or any other Loan Document, the Borrower shall have the right at any time and from time to time to prepay one or more Classes of Term Loans to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the procedures described in this Section 2.05(d), *provided* that (A) no proceeds from Revolving Credit Loans shall be used to consummate any such Discounted Voluntary Prepayment, (B) any Discounted Voluntary Prepayment shall be offered to all Term Lenders of such Class on a pro rata basis, (C) [reserved] and (D) the Borrower shall deliver to the Administrative Agent, together with each Discounted Prepayment Option Notice, a certificate of a Responsible Officer of the Borrower (1) stating that no Event of Default under Section 8.01(a) or under Section 8.01(f) or (g) (in each case, with respect to the Borrower) has occurred and is continuing or would result from the Discounted Voluntary Prepayment, (2) stating that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.05(d) has been satisfied and (3) specifying the aggregate principal amount of Term Loans of any Class offered to be prepaid pursuant to such Discounted Voluntary Prepayment.

(ii)To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Administrative Agent substantially in the form of Exhibit H hereto (each, a "Discounted Prepayment Option Notice") that the Borrower desires to prepay Term Loans of one or more specified Classes in an aggregate principal amount specified therein by the Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Loans as specified below. The Proposed Discounted Prepayment Amount of any Loans shall not be less than $5.0 million. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment (A) the Proposed Discounted Prepayment Amount for Loans to be prepaid, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of the Loans to be prepaid (the "Discount Range"), and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment, which shall be at least five Business Days from and including the date of the Discounted Prepayment Option Notice (the "Acceptance Date").

(iii)Upon receipt of a Discounted Prepayment Option Notice, the Administrative Agent shall promptly notify each applicable Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit I hereto (each, a "Lender Participation Notice") to the Administrative Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20.0% would accept a purchase price of 80.0% of the par value of the Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of the Term Loans to be prepaid held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount ("Offered Loans"). Based on the Acceptable Discounts and principal amounts of the Term Loans to be prepaid specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the Borrower, shall determine the applicable discount for such Term Loans to be prepaid (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to Section 2.05(d)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the Outstanding Amount of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); *provided, however*, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans to be prepaid whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iv)The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans to be prepaid (or the respective portions thereof) offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("Qualifying Loans") at the Applicable Discount, *provided* that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(v)Each Discounted Voluntary Prepayment shall be made within five (5) Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 3.04), upon irrevocable notice substantially in the form of Exhibit J hereto (each a "Discounted Voluntary Prepayment Notice"), delivered to the Administrative Agent no later than 1:00 p.m., New York City time, three (3) Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative

Agent. Upon receipt of any Discounted Voluntary Prepayment Notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the parprincipal amount) to but not including such date on the amount prepaid. The par principal amount of each Discounted Voluntary Prepayment of a Term Loan shall be applied ratably to reduce the remaining installments of such Class of Term Loans (as applicable).

(vi)To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.05(d)(ii) above) established by the Administrative Agent and the Borrower, each acting reasonably.

(vii)Prior to the delivery of a Discounted Voluntary Prepayment Notice, (A) upon written notice to the Administrative Agent, the Borrower may withdraw or modify its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (B) no Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice unless the terms of such proposed Discounted Voluntary Prepayment have been modified by the Borrower after the date of such Lender Participation Notice.

(viii) Nothing in this Section 2.05(d) shall require the Borrower to undertake any Discounted Voluntary Prepayment.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrower may at any time, without premium or penalty, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class; provided, that (i) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount that is an integral multiple of $1.0 million and not less than $1.0 million and (iii) the Borrower shall not terminate or reduce any Class of Revolving Credit Commitments if, after giving effect to any concurrent repayment of the Revolving Credit Loans of such Class, the aggregate Revolving Credit Exposure of all Lenders in respect of the Revolving Credit Facility (excluding the portion of such Class of Revolving Credit Exposures attributable to outstanding Letters of Credit if and to the extent that the Borrower has made arrangements satisfactory to the Administrative Agent and the applicable L/C Issuer with respect to such Letters of Credit and such L/C Issuer has released the Revolving Credit Lenders from their participation obligations with respect to such Letters of Credit) would exceed the aggregate Revolving Credit Commitments. The amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit unless, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility, in which case such sublimit shall be automatically reduced by the amount of such excess. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory. The Initial Term Commitment of each Term Lender shall be automatically and permanently reduced to $0 upon the making of such Initial Term Lender's Term Loans pursuant to Section 2.01(a). The Revolving Credit Commitments shall terminate on the Maturity Date therefor. The Extended Revolving Credit Commitments shall terminate on the respective maturity dates applicable thereto.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Applicable Percentage of the amount bywhich such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.06). All Commitment Fees accrued until the Closing Date of any termination of the Revolving Credit Commitments shall be paid on the Closing Date of such termination.

Section 2.07 Repayment of Loans.

(a) Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Term Lenders holding Initial Term Loans (i) on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, an aggregate principal amount equal to 0.25% of the aggregate principal amount of the Initial Term Loans funded on the Closing Date and (ii) on the Maturity Date for the Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date; *provided* that payments required by Section 2.07(a)(i) above shall be reduced as a result of the application of prepayments in accordance with Section 2.05. In the event any Incremental Term Loans or Extended Term Loans are made, such Incremental Term Loans or Extended Term Loans, as applicable, shall be repaid by the Borrower in the amounts and on the dates set forth in the definitive documentation with respect thereto and on the applicable Maturity Date thereof.

(b) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Revolving Credit Facility the principal amount of each of its Revolving Credit Loans outstanding on such date in the currency in which such Revolving Credit Loan is denominated (which for the avoidance of doubt shall be Dollars).

(c) [Reserved].

Section 2.08 Interest.

(a)Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b)The Borrower shall pay interest on past due amounts under this Agreement at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand to the fullest extent permitted by and subject to applicable Laws, including in relation to any required additional agreements.

(c)Interest on each Loan shall be due and payable in the currency in which such Loan is denominated in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(g) and (h):

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender under the Revolving Credit Facility a commitment fee in Dollars (the "Commitment Fee") at a per annum rate equal to the Applicable Rate on the actual daily amount by which the

Revolving Credit Commitment of such Revolving Credit Lenderexceeds the Revolving Credit Exposure of such Lender. The Commitment Fee for the Revolving Credit Facility shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the second such date to occur after the Closing Date, and on the Maturity Date for the Revolving Credit Facility.

(b) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees.

(a)All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which such Loan is made, and shall not accrue on such Loan, or any portion thereof, for the day on which such Loan or such portion is paid; *provided* that any such Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b)For the purposes of this Agreement, whenever interest is to be calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the *Interest Act* (Canada) is such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis of such determination.

(c) The parties acknowledge and agree that all calculations of interest under the Loan Documents are to be made on the basis of the nominal interest rate described herein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest. The parties acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

(d)Notwithstanding any provision herein to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the Criminal Code (Canada)) payable by a Loan Party under any Loan Document exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such Loan Document in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake of such Loan Party, the Administrative Agent and the applicable Lender or Lenders and the amount of such payment or collection will be refunded to such Loan Party only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws and only to the extent such laws are applicable. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term commencing on the Closing Date and ending on the Maturity Date and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent will be prima facie evidence for the purposes of such determination.

(e)Notwithstanding anything to the contrary contained in the Agreement if the amount of interest paid by a Loan Party to the Lenders is reduced through the application of Section 2.10(d) and, if, as a result of any restatement or other adjustment to the financial statements of such Loan Party (including any adjustment to unaudited financial statements as a result of subsequent audited financial statements) or for any other reason, the Loan Parties or the Administrative Agent determines that the basis upon which such amounts and such interest were reduced as aforesaid was inaccurate and, as a result of such occurrence the Applicable Rates or any fees for any period were lower than would otherwise be the case as a result of the application of Section 2.10(d), then the Loan Parties shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the Lenders, promptly on demand by the Administrative Agent an amount equal to the excess of the amount of interest and fees that should have been paid by the Loan Parties for such period had the same not been reduced through the application of Section 2.10(d) over the amount of interest and fees actually paid by the Loan Parties for such period.

Section 2.11 Evidence of Indebtedness.

(a)The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by one or more entries in the Register. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Secured Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall be conclusive in the absence of demonstrable error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender or its registered assigns, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b)In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the Register and the accounts and records of any Lender in respect of such matters, the Register shall be conclusive in the absence of demonstrable error.

Section 2.12 Payments Generally.

(a)All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office and in immediately available funds not later than 2:00 p.m., Local Time, on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m., Local Time, shall (in the sole discretion of the Administrative Agent) be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. All payments under each Loan Document of principal or interest in respect of any Loan (or of any breakage indemnity in respect of any Loan) shall be made in the currency of such Loan, and, except as otherwise expressly set forth in any Loan Document, all other payments under each Loan Document shall be made in Dollars.

(b)If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c)Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in immediately available funds, then:

(i) if the Borrower failed to make such payment, then the applicable Lender agrees to pay to the Administrative Agent forthwith on demand the portion of such assumed payment that was made available to such Lender in immediately available funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in immediately available funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, it being understood that nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder; and

(ii)if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in immediately available funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "Compensation Period") at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at the interest rate applicable to such Loan. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under thisSection 2.12(c) shall be conclusive, absent demonstrable error.

(d)If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e)The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f)Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.04. If the Administrative Agent receives funds for application to the Secured Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Applicable Percentage of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Secured Obligations then owing to such Lender, but provided that the priorities applicable to the Priority Payment Obligations shall be respected.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or its participations in L/C Obligations, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately(a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that (x) if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described inSection 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon and (y) the provisions of this Section 2.13 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Obligations to any assignee or participant. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of demonstrable error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to thisSection 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreementwith respect to the portion of the Secured Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Secured Obligations purchased.

Section 2.14 Incremental Credit Extensions.

(a)Subject to Section2.14(f), (including the priorities applicable to the Priority Payment Obligations), at any time and from time to time, subject to the terms and conditions set forth herein, the Borrower or any Subsidiary Guarantor may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request to increase the amount of any Classof Initial Term Loans or add one or more additional tranches of term loans (any such Initial Term Loans or additional tranche of term loans, the "Incremental Term Loans") and/or one or more increases in the Revolving Credit Commitments (a "Revolving Credit Commitment Increase") and/or the establishment of one or more new revolving credit commitments (an "Additional Revolving Credit Commitment" and, together any Revolving Credit Commitment Increases, the "Incremental Revolving Credit Commitments"; together with the Incremental Term Loans, the "Incremental Facilities"). Notwithstanding anything to contrary herein, the aggregate Dollar Equivalent amount of all Incremental Facilities (other than Refinancing Term Loans and Refinancing Revolving Credit Commitments) (determined at the time of incurrence), together with the aggregate principal amount of all Permitted Alternative Incremental Facilities Debt, shall not exceed the sum of (i)the greater of (x)$250.0 million and (y)25.0% of LTM EBITDA (such amount the " Unrestricted Incremental Amount") plus (ii)the amount of any voluntary prepayments, repurchases, redemptions or other retirements of the Term Loans and any other Indebtedness (in the case of such other Indebtedness, to the extent such Indebtedness is (y) secured on a *pari passu* basis with respect to security with the Obligations, (x) secured on a junior lien basis with the Obligations or (z)unsecured, and so long as it was not, in the case of clause (x)or (z), originally incurred under the Incremental Incurrence Test), payments made pursuant to Section 3.06(a)and voluntary permanent reductions of the Revolving Credit Commitments effected after the Closing Date (including pursuant to debt buy-backs made by Holdings or any Restricted Subsidiary pursuant to "Dutch Auction" procedures and open market purchases permitted hereunder, in an amount equal to the discounted amount actually paid in respect thereof, but excluding (A)any prepayment with the proceeds of substantially concurrent borrowings of new Loans hereunder, (B)any reduction of Revolving Credit Commitments in connection with a substantially concurrent issuance of new revolving commitments hereunder and (C)prepayments with the proceeds of substantially concurrent incurrence of other long term Indebtedness (other than borrowings under the Revolving Credit Facility and other revolving Indebtedness, in each case without a substantially concurrent permanent commitment reduction)) (this clause (ii), the "Voluntary Prepayment Amount ") plus (iii)unlimited additional Incremental Facilities and Permitted Alternative Incremental Facilities Debt so long as, after giving pro forma effect thereto and after giving effect to any Permitted Investment consummated in connection therewith and all other appropriate pro forma adjustments (but excluding the cash proceeds of any such Incremental Facilities and without giving effect to any amount incurred simultaneously under (x)the Unrestricted Incremental Amount or the Voluntary Prepayment Amount or (y)the Revolving Credit Facility), (A)if such Incremental Facility is secured by a Lien on the Collateral that is *pari passu* with the Liens securing the Initial Term Loans, the Consolidated First Lien Secured Leverage Ratio for the most recently ended Test Period does not exceed 2.25:1.00, (B)if such Incremental Facility is secured by a Lien on the Collateral that is junior to the Liens securing the Initial Term Loans, is secured by assets not constituting Collateral or is unsecured, the Consolidated Total Leverage Ratio for the most recently ended Test Period does not exceed 3.50:1.00; provided that Incremental Facilities may be incurred pursuant to this clause (iii)prior to utilization of the Unrestricted Incremental Amount and the Voluntary Prepayment Amount and assuming for purposes of such calculation that the full committed amount of any new Incremental Revolving Credit Commitments and/or any Permitted Alternative Incremental Facilities Debt constituting a revolving credit commitment then being incurred shall be treated as outstanding Indebtedness (this clause (iii), the "Incremental Incurrence Test"). Each Incremental Facility shall be in an integral multiple of $1.0 million and be in anaggregate principal amount that is not less than $5.0 million in case of Incremental Term Loans or $5.0 million in case of Incremental Revolving Credit Commitments, *provided* that such amount may be less than the applicable minimum amount if such amount represents all the remaining availability hereunder as set forth above.

(b)Any Incremental Term Loans (other than Refinancing Term Loans) (i)for purposes of mandatory prepayments, shall be treated substantially the same as (and in any event no more favorably than) the Term Loans, (ii)shall have interest rate margins (including "MFN" protection), (subject to clauses (iii) and (iv)), amortization schedule and other terms as determined by the Borrower and the Lenders thereunder (*provided* that, if the Effective Yield of any Incremental Term Loans that are MFN Qualifying Term Loans exceeds the Effective Yield of the Initial Term Loans immediately prior to the effectiveness of the applicable Incremental Facility Amendment by more than 0.50% per annum, the Applicable Rate and/or, as set forth below, the interest rate floor relating to such Initial Term Loans shall be adjusted such that the Effective Yield of such Initial Term Loans is equal to the Effective Yield of such Incremental Term Loans minus 0.50% per annum, it being understood and agreed that the relative rate differentials in any pricing grid specified in the Applicable Rate shall continue to be maintained (the foregoing, including all qualifications and exceptions thereto, collectively, the "MFN Adjustment"); provided, further, that any increase in Effective Yield with respect to the Initial Term Loans due to the application of an interest rate floor to any Incremental Term Loan greater than the interest rate floor applicable to the applicable Initial Term Loans shall be effected solely through an increase in the interest rate floor applicable to such Initial Term Loans), (iii)any Incremental Term Loan shall not have a final maturity date earlier than the Maturity Date applicable to the Initial Term Loans, (iv)any Incremental Term Loan shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Initial Term Loans, (v)shall not be guaranteed by any person other than the Loan Parties and, to the extent secured, shall not be secured by any assets other than the Collateral and (vi)shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Incremental Term Loans (*provided*, that, to the extent any more restrictive term is added for the benefit of any Incremental Term Loans, such term (except to the extent only applicable after the Maturity Date of the Initial Term Loans) shall also be added for the benefit of the Term Loans (it being understood that (1)no consent of the Administrative Agent and/or any Lender shall be required in connection with adding such term and (2)to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans)); *provided* that the requirements in clauses (iii)and (iv)of this clause (b) shall not apply to any Inside Maturity Debt.

(c)Any Incremental Revolving Credit Commitments (other than Refinancing Revolving Credit Commitments) (i)for purposes of mandatory prepayments, shall be treated substantially the same as (and in any event no more favorably than) the Revolving Credit Commitments, (ii)shall have interest rate margins and (subject to clauses (iii) and (iv)) amortization schedule as determined by the Borrower and the lenders thereunder (provided that (A)in the case of a Revolving Credit Commitment Increase, the maturity date of such Revolving Credit Commitment Increase shall be the same as the Maturity Date applicable to the Revolving Credit Commitments, such Revolving Credit Commitment Increase shall require no scheduled amortization or mandatory commitment reduction prior to the final Maturity Date applicable to the Revolving Credit Commitments and the Revolving Credit Commitment Increase shall be on the exact same terms and pursuant to the exact same documentation applicable to the Revolving Credit Commitments and (B)in the case of an Additional Revolving Credit Commitment, the maturity date of such Additional Revolving Credit Commitment shall be no earlier than the Maturity Date applicable to the Revolving Credit Commitments and such Additional Revolving Credit Commitment shall require no scheduled amortization or mandatory commitment reduction prior to the final Maturity Date of the Revolving Credit Commitments), (iii)any Incremental Revolving Credit Commitments shall not have a final maturity date earlier than the Maturity Date applicable to the Revolving Credit Commitments, (iv)any Incremental Revolving Credit Commitments shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Revolving Credit Commitments and (v)shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Incremental Revolving Credit Commitments.

(d)Each notice from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans and/or Incremental Revolving Credit Commitments. Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Term Loans or Incremental Revolving Credit Commitments shall be reasonably satisfactory to the Borrower and the Administrative Agent (*provided*, the Administrative Agent's consent shall only be required if such consent would be required pursuant to Section 10.07 and such consent shall not be unreasonably withheld or delayed) (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and, if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, such Additional Lender, the Administrative Agent and, in the case of any Incremental Revolving Credit Commitments and each L/C Issuer; *provided*, the Administrative Agent's and/or L/C Issuer's consent shall only be required if such consent would be required pursuant toSection 10.07 and such consent shall not be unreasonably withheld or delayed or otherwise pursuant to Section 10.01. For the avoidance of doubt, no L/C Issuer is required to act as such for any Additional Revolving Credit Commitments unless they so consent. No Incremental Facility Amendment shall require the consent of any Lenders other than the Additional

Lenders with respect to such Incremental Facility Amendment. No Lender shall be obligated to provide any Incremental Term Loans or Incremental Revolving Credit Commitments, unless it so agrees. Commitments in respect of any Incremental Term Loans or Incremental Revolving Credit Commitments may become Commitments under this Agreement. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.14. The effectiveness of any Incremental Facility Amendment shall, unless otherwise agreed to by the Additional Lenders, be subject to the satisfaction on the date thereof (each, an "Incremental Facility Closing Date") of each of the conditions set forth in Section 4.02 (it being understood that (x)all references to "the date of such Credit Extension" in Section 4.02 shall be deemed to refer to the Incremental Facility Closing Date and (y)if the proceeds of such Incremental Facility are to be used, in whole or in part, (1)to finance a Permitted Investment, (A)the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Facility Closing Date shall be the Specified Representations and (B)no Specified Default shall have occurred and Section 4.02(b)shall not apply or (2)to finance a Limited Condition Transaction, (A)the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Facility Closing Date shall be the Specified Representations and (B) Section 4.02(b)shall not apply). The proceeds of any Incremental Term Loans will be used only for general corporate purposes (including, without limitation, other Investments not prohibited hereunder and Restricted Payments). Upon each increase in the Revolving Credit Commitments pursuant to this Section 2.14, each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Credit Commitment (each, an "Incremental Revolving Lender") in respect of such increase, and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Credit Lender (including each such Incremental Revolving Lender) will equal the percentage of the aggregate Revolving Credit Commitmentsof all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment. Additionally, if any Revolving Credit Loans are outstanding at the time any Incremental Revolving Credit Commitments are established, the Revolving Credit Lenders immediately after effectiveness of such Incremental Revolving Credit Commitments shall purchase and assign at par such amounts of the Revolving Credit Loans outstanding at such time as the Administrative Agent may require such that each Revolving Credit Lender holds its Applicable Percentage of all Revolving Credit Loans outstanding immediately after giving effect to all such assignments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(e)Any portion of any Incremental Facility incurred other than under the Incremental Incurrence Test may be reclassified at any time, as the Borrower may elect from time to time, as incurred under the Incremental Incurrence Test if the Borrower meets the applicable ratio under the Incremental Incurrence Test at such time on a pro forma basis for such reclassification at any time subsequent to the incurrence of such Incremental Facility (or would have met such ratio, in which case, such reclassification shall be deemed to have automatically occurred if not elected by the Borrower).

(f)(x)Unless the Required Revolving Credit Lenders and the Required Lenders consent to a greater amount, after giving effect to any Incremental Facilities, the aggregate principal amount of Priority Payment Obligations (assuming the Revolving Credit Facility and any Incremental Revolving Credit Commitments that are Priority Payment Obligations have been fully-drawn) shall not exceed $750.0 million (the "Initial Revolving Credit Facility Cap") and (y)unless the Required Revolving Credit Lenders consent, the Borrower may not incur any Incremental Revolving Credit Commitments other than a Revolving Credit Commitment Increase. Notwithstanding anything herein to the contrary and without the consent of the Required Revolving Lenders or any other Lender (but subject to the applicable requirements of this Section 2.14), at the Borrower's sole option, it may incur any unused portion of the Initial Revolving Credit Facility Cap in the form of an Incremental Term Loans that are secured by a Lien on the Collateral that is *pari passu* with the Liens securing the Initial Term Loans but that are junior in right of payment (as set forth in Section8.04) to the Revolving Credit Facility and senior in right of payment to the Initial Term Loans (the " Super Senior Incremental Term Loans"); provided that (1)any Super Senior Incremental Term Loan shall not have a final maturity date earlier than the Maturity Date applicable to the Revolving Credit Facility, (2)any Super Senior Incremental Term Loans shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Revolving Credit Facility and (3)shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Super Senior Incremental Term Loans (*provided*, that, the covenants contained in such Super Senior Incremental Term Loans shall be no more favorable (taken as a whole) to the Lenders providing the Super Senior Incremental Term Loans than the covenants contained in the Revolving Credit Facility (except to the extent only applicable after the Maturity Date of the Revolving Credit Facility and unless such more restrictive covenant is also added for the benefit of the Revolving Credit Facility (it being understood that no consent of the Administrative Agent and/or any Lender shall be required in connection with adding such term); *provided* that the requirements in clauses (1) and (2) of this clause (f) shall not apply to any Inside Maturity Debt.

Section 2.15 Extensions of Term Loans and Revolving Credit Commitments

(a)Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an " Extension Offer") made from time to time by the Borrower to all Lenders of any Classof Term Loans or any Classof Revolving Credit Commitments, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Credit Commitments of the applicable Class) and on the same terms to each such Lender, the Borrower is herebypermitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans and/or Revolving Credit Commitments of the applicable Classand otherwise modify the terms of such Term Loans and/or Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans and/or Revolving Credit Commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Lender's Term Loans) (each, an "Extension," and each group of Term Loans or Revolving Credit Commitments, as applicable, in each case as so extended, as well as the original Term Loans and the original Revolving Credit Commitments (in each case not so extended), being a separate Classof Term Loans from the Classof Term Loans from which they were converted, and any Extended Revolving Credit Commitments (as defined below) shall constitute a separate Classof Revolving Credit Commitments from the Classof Revolving Credit Commitments from which they were converted, it being understood that an Extension may be in the form of an increase in the amount of any other then outstanding Classof Term Loans or Revolving Credit Commitments otherwise satisfying the criteria set forth below), so long as the following terms are satisfied: (i)except as to interest rates, fees and final maturity (which shall be determined by the Borrower and set forth in the relevant Extension Offer), the Revolving Credit Commitment of any Revolving Credit Lender that agrees to an extension with respect to such Revolving Credit Commitment extended pursuant to an Extension (an "Extended Revolving Credit Commitment"), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms as the original Classof Revolving Credit Commitments (and related outstandings); *provided* that at no time shall there be Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments and any original Revolving Credit Commitments) which have more than three different maturity dates, (ii)except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined between the Borrower and set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an extension with respect to such Term Loans extended pursuant to any Extension ("Extended Term Loans") shall have the same terms as the Classof Term Loans subject to such Extension Offer, (iii)the final maturity date of any Extended Term Loans shall be no earlier than the then latest maturity date hereunder and the amortization schedule applicable to Term Loans pursuant to Section 2.07(a)for periods prior to the Maturity Date for Initial Term Loans may not be increased, (iv)the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby, (v)any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer, (vi)if the aggregate principal amount of the Classof Term Loans (calculated on the face amount thereof) or Revolving Credit Commitments, as the case may be, in respect of which Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments of such

Class, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Commitments of such Class, as the case may be, of such Term Lenders or Revolving Credit Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Credit Lenders, as the case may be, have accepted such Extension Offer, (vii)all documentation in respect of such Extension shall be consistent with the foregoing, (viii)any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix)the Minimum Tranche Amount shall be satisfied unless waived by the Administrative Agent. No Lender shall be obligated to extend its Term Loans or Revolving Credit Commitments unless it so agrees.

(b)With respect to all Extensions consummated by the Borrower pursuant to this Section 2.15, (i)such Extensions shall not constitute voluntary or mandatory payments or prepayments forpurposes of Section 2.05 and (ii)no Extension Offer is required to be in any minimum amount or any minimum increment, *provided* that (x)the Borrower may at its election specify as a condition (a " Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Term Loans or Revolving Credit Commitments (as applicable) of any or all applicable Classes be tendered, (y)no Classof Extended Term Loans shall be in a Dollar Equivalent amount of less than $15.0 million and (z)no Classof Extended Revolving Credit Commitments shall be in a Dollar Equivalent amount of less than $5.0 million (each amount in clause (y) and (z)above, the " Minimum Tranche Amount"), unless such Minimum Tranche Amount is waived by the Administrative Agent. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.15 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on the such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.05, 2.12 and 2.13) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.15.

(c)No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A)the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Credit Commitments (or a portion thereof) and(B)with respect to any Extension of any Classof Revolving Credit Commitments, the consent of the relevant L/C Issuer (if such L/C Issuer is being requested to issue letters of credit with respect to the Classof Extended Revolving Credit Commitments). All Extended Term Loans, Extended Revolving Credit Commitments and all obligations in respect thereof shall be Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new Classes in respect of Revolving Credit Commitments or Term Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.15.

(d)In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5)Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.15.

Section 2.16 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a)The Commitment Fee shall cease to accrue on any of the Revolving Credit Commitments of such Defaulting Lender pursuant to Section 2.09(a);

(b) the Commitment, Outstanding Amount of Term Loans and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, the Required Lenders or the Required Revolving Credit Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.01); *provided* that any waiver, amendment or modification of a type described in clause(a), (b)or (c)of the first proviso in Section10.01 that would apply to the Commitments or Secured Obligations owing to such Defaulting Lender shall require the consent of such Defaulting Lender with respect to the effectiveness of such waiver, amendment or modification with respect to the Commitments or Secured Obligations owing to such Defaulting Lender;

(c) if any L/C Exposure exists at the time a Lender under the Revolving Credit Facility becomes a Defaulting Lender then:

(i) all or any part of the L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's L/C Exposure does not exceed the total of all non-Defaulting Lenders' Commitments;

(ii) if the reallocation described in clause (i)above cannot, or can only partially, be effected, the Borrower shall within three (3)Business Days following notice by the Administrative Agent Cash Collateralize for the benefit of the L/C Issuer only the Borrower's obligations corresponding to such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.03(f) for so long as such L/C Exposure is outstanding;

(iii)if the Borrower Cash Collateralizes any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii)above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.03(h)with respect to such Defaulting Lender's L/C Exposure during the period such Defaulting Lender's L/C Exposure is Cash Collateralized;

(iv)if the L/C Exposures of the non-Defaulting Lenders are increased pursuant to clause (i)above, then the fees payable to the Lenders pursuant to Sections 2.09(a) and 2.03(h) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v)if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor Cash Collateralized pursuant to clause (i) or (ii)above, then, without prejudice to any rights or remedies of the L/C Issuer or any other Lender hereunder, all letter of credit fees payable under Section 2.03(h)with respect to such portion of such Defaulting Lender's L/C Exposure shall be payable to the L/C Issuer until and to the extent that such L/C Exposure is reallocated and/or Cash Collateralized; and

(d) so long as such Lender is a Defaulting Lender under the Revolving Credit Facility, the L/C Issuer shall not be required to issue, amend or increase any Letter of Credit, unless it has received assurances satisfactory to it that non-Defaulting Lenders will cover the related exposure and/or cash collateral will be provided by the Borrower in accordance with Section 2.16(c), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.16(c)(i) (and such Defaulting Lender shall not participate therein).

In the event that the Administrative Agent, the Borrower and the L/C Issuer each agrees that a Defaulting Lender has adequately remedied all matters

that caused such Lender to be a Defaulting Lender, then the L/C Exposures of the Revolving Credit Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par suchof the Revolving Credit Loans of the other Revolving Credit Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Credit Loans in accordance with its Applicable Percentage.

Section 2.17 Permitted Debt Exchanges.

(a)Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a " Permitted Debt Exchange Offer") made from time to time by the Borrower to all Term Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i)a "qualified institutional buyer" (as defined in Rule144A under the Securities Act), (ii)an institutional "accredited investor" (as defined in Rule501 under the Securities Act) or (iii)not a "U.S. person" (as defined in Rule902 under the Securities Act)) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) (such Indebtedness, "Permitted Debt Exchange Notes" and each such exchange, a "Permitted Debt Exchange"), so long as the following conditions are satisfied:

(i) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Term Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is(i) a "qualified institutional buyer" (as defined in Rule144A under the Securities Act), (ii)an institutional "accredited investor" (as defined in Rule501 under the Securities Act) or (iii)not a "U.S. person" (as defined in Rule902 under the Securities Act)) of each applicable Classbased on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii)the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except by an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Debt Exchange;

(iii) the stated final maturity of such Permitted Debt Exchange Notes is not earlier than the Latest Maturity Date for the Classor Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such latest maturity date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Debt Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Debt Exchange Notes are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition) prior to the Latest Maturity Date for the Classor Classes of Term Loans being exchanged, *provided* that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Debt Exchange Notes shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v)no Restricted Subsidiary is a borrower or guarantor with respect to such Indebtedness unless such Restricted Subsidiary is or substantially concurrently becomes a Loan Party;

(vi)if such Permitted Debt Exchange Notes are secured, such Permitted Debt Exchange Notes are secured on a pari passu basis or junior priority basis to the Secured Obligations and (A)such Permitted Debt Exchange Notes are not secured by any assets not securing the Secured Obligations unless such assets substantially concurrently secure the Secured Obligations and (B) the beneficiaries thereof (or an agent on their behalf) shall have entered into a Customary Intercreditor Agreement with the Administrative Agent;

(vii)the terms and conditions of such Permitted Debt Exchange Notes (excluding pricing and optional prepayment or redemption terms or covenants or other provisions applicable only to periods after the Maturity Date of the Class or Classes of Term Loans being exchanged) reflect market terms and conditions at the time of incurrence or issuance as reasonably determined by the Borrower in good faith;

(viii) all Term Loans exchanged under each applicable Classby the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Debt Exchange, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange);

(ix)if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Classtendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Classactually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Classoffered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Classtendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connectiontherewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Administrative Agent; and

(xi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Commitments exchanged pursuant to any Permitted Debt Exchange Offer.

(b)With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, *provided* that subject to the foregoing the Borrower may at its election specify (A)as a condition (a " Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B)as a condition (a " Maximum Tender Condition") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Sections 2.05, 2.06 and 2.13 do not apply to the Permitted Debt Exchange and the other transactions contemplated by this Section 2.17 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.17.

(c)In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five (5)Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.17; *provided* that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five (5)Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than three (3)Business Days prior to the proposed date of effectiveness for such Permitted Debt Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(d)The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (i)neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (ii)each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

Section 2.18 Refinancing Facilities.

(a)At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender (to the extent agreed to by such Lender or Additional Lender in its sole discretion), Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans, Revolving Credit Loans and/or Revolving Credit Commitments then outstanding under this Agreement (which willbe deemed to include any then outstanding Incremental Term Loans under any Incremental Facilities or any Incremental Revolving Credit Commitments then outstanding under this Agreement (or any Revolving Credit Loans outstanding pursuant thereto)) or any then outstanding Refinancing Term Loans or any then outstanding Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments, respectively, in each case, pursuant to a Refinancing Amendment, together with any applicable Customary Intercreditor Agreement or other customary subordination agreement; *provided*, that such Credit Agreement Refinancing Indebtedness (i)will, to the extent secured, rank *pari passu* or junior in right of payment and of security with the other Loans and Commitments hereunder (but for the avoidance of doubt, such Credit Agreement Refinancing Indebtedness may be unsecured), (ii)will, to the extent permitted by the definition of "Credit Agreement Refinancing Indebtedness," have such pricing, interest rate margins (including "MFN" provisions), rate floors, discounts, fees, premiums and prepayment or redemption provisions and terms as may be agreed by the Borrower and the Lenders or Additional Lenders with respect thereto, (iii)will, to the extent in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments, participate in the payment, borrowing, participation and commitment reduction provisions herein on a *pro rata* basis with any then outstanding Revolving Credit Loans and Revolving Credit Commitments, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Classon a better than a *pro rata* basis as compared to any other Classwith a later maturity date than such Classand (iv)will, to the extent in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments and unless the Required Revolving Credit Lenders shall have consented thereto, have terms and conditions (other than interest rate margins and commitment fees) identical to those applicable to the Revolving Credit Commitments and Revolving Credit Loans being refinanced. The effectiveness of any Refinancing Amendment shall be subject to, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of reaffirmation agreements and board resolutions, officers' certificates and legal opinions consistent with those delivered on the Closing Date. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Refinancing Term Loans, Refinancing Revolving Credit Loans or Refinancing Revolving Credit Loan Commitments, as applicable) and any Indebtedness being replaced or refinanced with such Credit Agreement Refinancing Indebtedness shall be deemed permanently reduced and satisfied in all respects. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, to effect the provisions of this Section.

(b) This Section 2.18 shall supersede any provisions of Section 10.01 to the contrary.

Section2.19 Disbursement Agent. The Disbursement Agent shall hold Initial Term Loans in an amount equal to the Unidentified Claimant Term Loan Amount for the benefit of the Unidentified Claimants until the earlier of (x)the Reversion Date, at which time all remaining Initial Term Loans held by the Disbursement Agent shall be cancelled, terminated and discharged pursuant to Section2.04(b)and (y)the date on which all of the Disbursement Agent's rights and obligations hereunder are assigned to Claimant Assignees and/or discharged, terminated and cancelled, in each case, in accordance with the last paragraph of Section 10.07(b). In connection with any vote, consent or other instruction that the Disbursement Agent shall be entitled to deliver with respect to the Initial Term Loans it holds for the benefit of the Unidentified Claimants, the Disbursement Agent shall vote such Initial Term Loans (or shall give instructions with respect to such Initial Term Loans) in the same proportion as the other Loans entitled to vote or give such instruction have voted or given such instruction. For the avoidance of doubt, Windstream Services II, LLC shall be deemed to be acting in its capacity as Disbursement Agent and InitialLender with respect to the relevant provisions in this Agreement relating to Unidentified Claimants, and not in its capacity as the Borrower; provided that, acting in such capacity as Disbursement Agent shall not otherwise affect its rights and obligations under this Agreement in its capacity as Borrower, except as expressly set forth herein.

ARTICLE III

Section 3.01 Taxes.

(a)Except as required by applicable law, any and all payments by or with respect to any obligation of the Borrower (the term Borrower under this Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes; *provided* that if any applicable law (as determined in the good faith discretion of the applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent and such Tax is an Indemnified Tax, then (i)the sum payable by the Borrower or applicable Guarantor shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 3.01 any Recipient receives an amount equal to the sum it would have received had no such deductions or withholdings been made), (ii)the applicable withholding agent shall make such deductions and withholdings, and (iii)the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, and without duplication of any amounts payable pursuant to Section 3.01(a), the Borrower agrees to pay, or at the option of the Administrative Agent timely reimburse it for, all Other Taxes.

(b)Without duplication of any amounts payable pursuant to Section 3.01(a), the Borrower agrees to indemnify each Agent and each Lender, within 10 Business Days after written demand therefor, for (i)the full amount of any Indemnified Taxes (including any Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by such Agent and such Lender and (ii)any reasonable out-of-pocket expenses arising therefrom or with respect thereto, in each case, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; *provided* however that the Borrower shall not be required to indemnify any Agent or Lender pursuant to this Section3.01(b)for any interest, penalties or expenses to the extent resulting from such Agent's or such Lender's failure to notify the Borrower of such possible indemnification claim within 180 days after such Agent or such Lender, as applicable, receives written notice from the applicable Governmental Authority of the specific Tax assessment or deficiency claim giving rise to such indemnification claim. A copy of a receipt or any other document evidencing payment delivered to the Borrower by a Recipient, or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error. If any Lender or Agent determines, in its reasonable discretion, that it has received a refund in respect of any Indemnified Taxes as to which indemnification or additional amounts have been paid to it by a Borrower or any Guarantor pursuant to this Section 3.01, it shall reasonably promptly pay an amount equal to such refund after it is determined that such refund pertains to Indemnified Taxes (but only to the extent of indemnity payments made, or additional amounts paid, by a Borrower or any Guarantor under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund plus any interest included in such refund by the relevant taxing authority attributable thereto) to the Borrower, net of all reasonable out-of-pocket expenses of the Lender or Agent, as the case may be and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); *provided* that the Borrower or the Guarantor, upon the request of the Lender or Agent, as the case may be, agrees promptly to return an amount equal to such refund (plusany applicable interest, additions to Tax or penalties) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Notwithstanding anything to the contrary in this paragraph (b), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (b)the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing herein contained shall oblige any Lender or Agent to claim any Tax refund or to make available its Tax returns or disclose any information relating to its Tax affairs or any computations in respect thereof.

(c)As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 3.01, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d)Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section3.01(a)or (b)with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions), at Borrower's expense, to designate another Applicable Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the judgment of such Lender, cause such Lender and its Applicable Lending Office(s)to suffer no material economic, Taxes, legal or regulatory disadvantage, and provided further that nothing in this Section 3.01(e) shall affect or postpone any of the Secured Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (c).

(e)Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i)any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii)any Taxes attributable to such Lender's failure to comply with the provisions of Section10.07(e)relating to the maintenance of a Participant Register and (iii)any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(f) Status of the Lenders: (i) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under any Loan Document. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by theBorrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any documentation specifically referenced below) expired, obsolete or inaccurate in any material respect, deliver reasonably promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or reasonably promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(ii) Without limiting the generality of the foregoing:

(A)Each Lender that is a "United States person" (as defined in Section7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) on or before the date on which it becomes a party to this Agreement (or, in the case of (x)a Participant, on or before the date on which such

Participant purchases the related participation and (y)an assignee, on or before the effective date of such assignment), on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service FormW-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding. Each Lender that is not a "United States person" as defined in Section7701(a)(30) of the Code (a "**Foreign Lender**") shall, to the extent it is legally able to do so, deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) on or before the date on which it becomes a party to this Agreement (or, in the case of (x)a Participant, on or before the date on which such Participant purchases the related participation and (y)an assignee, on or before the effective date of such assignment), and from time to time thereafter when required by Law or upon the reasonable request of the Borrower or the Administrative Agent, two duly completed copies of whichever of the following is applicable:

(1)an executed original of Internal Revenue Service FormW-8BEN, W-8BEN-E, as applicable (with respect to eligibility for benefits under any income tax treaty), or successor and related applicable forms, as the case may be, certifying to such Foreign Lender's entitlement as of such date to an exemption from or reduction of United States withholding tax with respect to payments to be made under this Agreement,

(2) Internal Revenue Service Form W-8ECI (or any successor forms),

(3) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section881(c)or the Code, (x)a certificate, in substantially the form of ExhibitL (any such certificate a "United States Tax Compliance Certificate"), or any other form approved by the Administrative Agent and Borrower, to the effect that such Lender is not (A)a "bank" within the meaning of Section881(c)(3)(A)of the Code, (B)a "10 percent shareholder" of the Borrower within the meaning of Section881(c)(3)(B)of the Code or (C)a "controlled foreign corporation" described in Section881(c)(3)(C)of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Lender's conduct of a U.S. trade or business and (y)two duly completed copies of Internal Revenue Service FormW-8BEN or W-8BEN-E, as applicable (or any successor forms),

(4)to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation),Internal Revenue Service FormW-8IMY (or any successor forms) of the Lender, accompanied by Internal Revenue Service FormW-8ECI, W-8BEN or W-8BEN-E, as applicable (or any successor forms), United States Tax Compliance Certificate,Internal Revenue Service FormW-9, FormW-8IMY (or other successor forms) and/or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(5)any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

Further, each Foreign Lender agrees, (i)to the extent it is not precluded from doing so by a Change in Law and otherwise legally able to do so, to deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased), from time to time, an executed original of the applicable FormW-8 or successor and related applicable forms or certificates, on or before the date that any such form or certificate, as the case may be, expires or becomes obsolete or invalid in accordance with applicable U.S. laws and regulations, (ii) in the case of a Foreign Lender that delivers a United States Tax Compliance Certificate, to deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased), such statement on an annual basis reasonably promptly after the anniversary of the date on which such Foreign Lender became a party to this Agreement (or, in the case of a Participant, the date on which the Participant purchased the related participation), and (iii)to notify promptly the Borrower and the Administrative Agent (or, in the case of a Participant, the Lender from which the related participation shall have been purchased) if it is no longer able to deliver, or if it is required to withdraw or cancel, any form or certificate previously delivered by it pursuant to this Section 3.01(f).

(A)In addition, but without duplication of the covenant as to United States withholding tax contained in Section3.01(f)(i)and (ii) , any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction(s) in which the Borrower is organized, or any treaty to which any such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed original documentation prescribed by applicable law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate.

(B)If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b)or 1472(b)of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent asmay be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment.

Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender authorizes the Administrative Agent to deliver to the Borrower and to any successor Agent any documentation provided by the Lender to the Agent pursuant to this Section 3.01(f).

(g)The Administrative Agent shall provide the Borrower with two duly completed original copies of, if it is a United States person (as defined in Section7701(a)(30) of the Code),Internal Revenue Service FormW-9 certifying that it is exempt from U.S. federal backup withholding, and, if it is not a United States person, (1)Internal Revenue Service FormW-8ECI with respect to payments to be received by it as a beneficial owner and (2)Internal Revenue Service FormW-8IMY (together with required accompanying documentation) with respect to payments to be received by it on behalf of the Lenders, and shall update such forms periodically upon the reasonable request of the Borrower, and whenever a lapse in time or change in circumstances renders any such form or documentation expired, obsolete or inaccurate in any material respect, or promptly notify the Borrower in writing of its legal ineligibility to do so. Notwithstanding any other provision of this clause (g), the Administrative Agent shall not be required to deliver any form that such Administrative Agent is not legally eligible to deliver.

Section 3.02 Inability to Determine Rates.

(a)If, after the Closing Date, either the Administrative Agent or the Required Lenders reasonably determine that for any reason adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan denominated in any currency, or the Required Lenders (excluding for all purposes of this Section 3.02 only, the portion of the Total Outstandings and unused Commitments that are not available for Loans in such currency) determine that the Eurocurrency Rate for any requested Interest Period with respect to such proposed Eurocurrency Rate Loan does

not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the applicable London interbank Eurodollar, or other applicable market, for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in such currency shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b)Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurocurrency Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event or an Early Opt-in Election will become effective at 5:00 p.m.on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Lenders; *provided* that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. (c) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii)the implementation of any Benchmark Replacement, (iii)the effectiveness of any Benchmark Replacement Conforming Changes and (iv)the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent, the Borrower or Lenders pursuant to this Section3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.02.

(d) Upon the Borrower's receipt of notice of the commencement of a BenchmarkUnavailability Period, (i)any Committed Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Rate Borrowing shall be ineffective and (ii)if any Committed Loan Notice requests a Eurocurrency Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowing.

Section 3.03 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans.

(a)If any Lender determines that as a result of any Change in Law, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.03(a)any such increased costs or reduction in amount resulting from (i)Indemnified Taxes indemnifiable under Section 3.01, (ii)Excluded Taxes described in clauses (b) through (d) of the definition of Excluded Taxes or (iii)Excluded Taxes described in clause (a) of the definition of Excluded Taxes to the extent such Taxes are imposed on or measured by such Lender's net income or profits (or are franchise Taxes imposed in lieu thereof) or (iv)reserve requirements contemplated by Section 3.03(c)), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b)If any Lender determines that as a result of any Change in Law regarding capital adequacy or liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Applicable Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction within fifteen (15) days after receipt of such demand.

(c)The Borrower shall pay to each Lender, (i)as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrencyfunds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of demonstrable error), and (ii)as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error) which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days after receipt of such notice.

(d) Subject to Section 3.05(b), failure or delay on the part of any Lender to demand compensation pursuant to thisSection 3.03 shall not constitute a waiver of such Lender's right to demand such compensation.

(e) If any Lender requests compensation under this Section 3.03, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Applicable Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Applicable Lending Office(s)to suffer no material economic, legal or regulatory disadvantage; and provided, further, that nothing in this Section 3.03(e)shall affect or postpone any of the Secured Obligations of the Borrower or the rights of such Lender pursuant to Section 3.03(a), (b), (c) or (d).

Section 3.04 Funding Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan; or

(b)any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan (other than a Base Rate Loan) on the date or in the amount notified by the Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.04, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.

Section 3.05 Matters Applicable to All Requests for Compensation.

(a)Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to ithereunder which shall be conclusive in the absence of demonstrable error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b)With respect to any Lender's claim for compensation under Section 3.02, Section3.03 or Section 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.03, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.05(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c)If the obligation of any Lender to make or continue any Eurocurrency Rate Loan from one Interest Period to another, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.05(b)hereof, such Lender's Eurocurrency Rate Loans denominated in Dollars shall be automatically converted into Base Rate Loans on the last day(s)of the then current Interest Period(s)for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans denominated in Dollars have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii)all Loans denominated in Dollars that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the AdministrativeAgent) that the circumstances specified in Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans denominated in Dollars pursuant to thisSection3.05 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted to Eurocurrency Rate Loans, on the first day(s)of the next succeeding Interest Period(s)for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

Section 3.06 Replacement of Lenders under Certain Circumstances.

(a)If at any time (i)any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or Section3.03 as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.03, (ii)any Lender becomes a Defaulting Lender or (iii)any Lender becomes a Non-Consenting Lender, then the Borrower may, on prior written notice to the Administrative Agent and such Lender, replace suchLender by requiring such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement (or, with respect to clause (iii)above, all of its rights and obligations with respect to the Classof Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and provided, further, that (A)in the case of any such assignment resulting from a claim for compensation under Section 3.03 or payments required to be made pursuant toSection 3.01, such assignment will result in a reduction in such compensation or payments and (B)in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents.

(b)Any Lender being replaced pursuant to Section 3.06(a)above shall (i)execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations (*provided* that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register) and (ii)deliver Notes, if any, evidencing such Loans to the Borrower or Administrative Agent. Pursuant to such Assignment and Assumption, (A)the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans and participations in L/C Obligations, (B)all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with such assignment and assumption, any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 3.04 as a consequence of such assignment and, in the case of an assignment of Term Loans in connection with a Repricing Transaction, the premium, if any, that would have been payable by the Borrower on such date pursuant to Section 2.05(a)(iv)if such Lender's Term Loans subject to such assignment had been prepaid on such date shall have been paid by the Borrower to the assigning Lender and (C)upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c)Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer, or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d)In the event that (i)the Borrower or the Administrative Agent have requested that the Lenders (A)consent to an extension of the Maturity Date of any Class of Loans as permitted by Section 2.15, (B) consent to a departure or waiver of any provisions of the Loan Documents or (C) agree to any amendment thereto,

(ii)the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Classof the Loans and (iii)the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "Non-Consenting Lender."

Section3.07 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Secured Obligations hereunder and any assignment of rights by or replacement of a Lender or L/C Issuer.

(vii)the principal amount of any Disqualified Stock of Holdings or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(viii)Indebtedness permitted by this Section 7.03 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 7.03 permitting such Indebtedness;

(ix)for all purposes under this Agreement, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Sections 7.03(a) or (b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Borrower may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 7.03 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Borrower revokes an election of a Reserved Indebtedness Amount;

(x) [Reserved].

(xi)notwithstanding anything in this Section 7.03 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on a clause of Section 7.03(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(xii)the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d)Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 7.03.

(e)If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of Holdings as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 7.03, Holdings shall be in default of this Section 7.03).

(f) For purposes of determining compliance with any U.S. Dollar-denominated restriction on the incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided*, that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

(g)Notwithstanding any other provision of this Section 7.03, the maximum amount of Indebtedness that Holdings or a Restricted Subsidiary may Incur pursuant to this Section 7.03 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(h)Holdings shall not, and shall not permit any Guarantor to Incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Borrower or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Secured Obligations or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Borrower or such Guarantor, as the case may be.

Section 7.04 Merger and Consolidation:

(a)The Borrower will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless either:

(i) the Borrower is the surviving Person or

(ii) if the Borrower is not the surviving Person,

(A) the resulting, surviving or transferee Person (the "Successor Company") will be a Person organized or existing under the laws of the jurisdiction of the Borrower or the United States of America, any State of the United States or the District of Columbia or any territory thereof and the Successor Company (if not the Borrower) will expressly assume all the obligations of the Borrower hereunder;

(B) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(C) immediately after giving pro forma effect to such transaction, either (a) the applicable Successor Company would be able to incur at least an additional $1.00 of Indebtedness pursuant to Section 7.03(a), (b) the Fixed Charge Coverage Ratio of the Borrower and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect to such transaction or (c) the Consolidated Total Leverage Ratio of the Borrower and its Restricted Subsidiaries would not be higher than it was immediately prior to giving effect to such transaction; and

(D)the Administrative Agent shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act reasonably requested by the Lenders, including a beneficial ownership certificate;

(b) For purposes of this Section 7.04, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Borrower, which properties and assets, if held by the Borrower instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Borrower on a consolidated basis, shall be deemed to be a transfer of all or substantially all of the properties and assets of the Borrower.

(c) [Reserved].

(d) [Reserved].

(e)Notwithstanding any other provision of this Section 7.04, (i) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Borrower or a Guarantor, (ii) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (iii) Holdings and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(f)The foregoing provisions (other than the requirements of Section 7.04(b)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Borrower.

(g)No Guarantor may consolidate with or merge or amalgamate with or into, or convey, transfer or lease all or substantially all its assets, in one or a series of related transactions, to any Person, unless:

(i) the other Person is the Borrower or any Restricted Subsidiary that is Guarantor or becomes a Guarantor concurrently with the transaction; or

(ii) (A) either (x) the Borrower or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Secured Obligations, this Agreement and the Collateral Documents; and (B)immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; or

(iii)the transaction constitutes a sale, disposition (including by way of consolidation, merger or amalgamation) or transfer of the Guarantor or the sale, disposition, conveyance, transfer or lease of all or substantially all of the assets of the Guarantor (in each case other than to the Borrower or a Restricted Subsidiary) otherwise permitted by this Agreement.

(h)Notwithstanding any other provision of this Section 7.04, any Guarantor may (a) consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor or the Borrower, (b) consolidate, amalgamate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Guarantor, reincorporating the Guarantor in another jurisdiction, or changing the legal form of the Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, (d) liquidate or dissolve or change its legal form if the Borrower determines in good faith that such action is in the best interests of the Borrower and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 7.04, the Borrower may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

(i) [Reserved].

(j)Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 7.05 Limitation on Sales of Assets and Subsidiary Stock.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(i)Holdings or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by Holdings, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

amendment, waiver or modification, or (B) amends, waives or modifies Article XIV (Insurance Proceeds), Article XV (Condemnation), Article XVI (Events of Default), Article XVII (Leasehold Mortgagees), Article XXII (Transfers) or Article XXXVI (Organized Sale Process), in each case of this clause (B) in a manner adverse in any material respect to the interests of the Lenders, (ii) if, after giving effect to such amendment, waiver or other modification, the Borrower would not be in compliance with Section 7.09, determined on a pro forma basis, or (iii) in a manner that could reasonably be expected to have a Material Adverse Effect;

(m) Events of Default under Master Leases. (A) any "Event of Default" (as defined in either Master Lease) shall occur and be continuing under Section 16.1(a)(i), 16.1(a)(ii) (but only if arising from nonpayment of an "Additional Charge" (as defined in the Master Leases) in an aggregate amount in excess of $10 million) or 16.1(n) of the Master Leases, (B) the Landlord shall give Tenant notice of termination of such Master Lease following an "Event of Default" (as defined in the Master Leases) pursuant to Section 16.2 of the Master Lease or (C) the Landlord shall issue a "Termination Notice" pursuant to Section 17.1(d) of such Master Lease;

(n) Regulatory Authorization. Any Regulatory Authorization shall expire or terminate or be revoked or otherwise lost, if such expiration, termination, revocation or loss could reasonably be expected to have a Material Adverse Effect; or

(o) ERISA Event. An ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to have a Material Adverse Effect.

Notwithstanding anything to the contrary contained herein, any "Default" under this Section 8.01 will not constitute an "Event of Default" until the Loan Parties do not cure such "Default" within the time period (if any) specified in the applicable clauses of this Section 8.01 after receipt of any required notice provided for therein to the extent such clauses of Section 8.01 provide for such cure periods; *provided* that the Administrative Agent shall not be entitled to notify the Borrower of a Default under this Section 8.01 for actions taken and reported by the Borrower to the Administrative Agent and the Lenders pursuant to a notice provided by the Borrower to the Administrative Agent more than two years prior to such notice of Default and no Default or Event of Default can occur as a result thereof; *provided* that such two year limitation shall not apply if (i) the Administrative Agent has commenced any remedial action in respect of any such Event of Default or (ii) any Loan Party had actual knowledge of such Default or Event of Default and failed to notify to Administrative Agent as required hereby.

Section 8.02 Remedies Upon Event of Default.

(a) If any Event of Default occurs and is continuing, the Administrative Agent may, and shall, at the request of the Required Lenders, take any or all of the following actions (or, if a Financial Covenant Event of Default occurs and is continuing and prior to the expiration of the Term Loan Standstill Period, if the only Events of Default then having occurred and continuing are pursuant to a Financial Covenant Event of Default, at the request of the Required Revolving Credit Lenders under the Revolving Credit Facility only, and in such case only with respect to the Revolving Credit Commitments, Revolving Credit Loans, L/C Obligations, any Letters of Credit and L/C Credit Extensions):

(i)declare the commitment of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(ii)declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(iii) require that the Borrower Cash Collateralizes the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an Event of Default under Section 8.01(f), the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Exclusion of Immaterial Subsidiaries. Solely for the purpose of determining whether a Default has occurred under clause (f), (g) or (h) of Section 8.01, any reference in any such clause to any Restricted Subsidiary or Loan Party shall be deemed not to include any Subsidiary that is an Immaterial Subsidiary or at such time could, upon designation by the Borrower, become an Immaterial Subsidiary affected by any event or circumstances referred to in any such clause unless the Consolidated EBITDA of such Subsidiary together with the Consolidated EBITDA of all other Subsidiaries affected by such event or circumstance referred to in such clause, shall exceed 5.0% of the Consolidated EBITDA of Holdings and its Restricted Subsidiaries.

Section 8.04 Application of Funds. If the circumstances described in Section 2.12(g) have occurred, or after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), including in any bankruptcy or insolvency proceeding, any amounts received on account of the Secured Obligations (and proceeds of Collateral) shall be applied by the Administrative Agent, subject to (x) any Customary Intercreditor Agreement then in effect, (y) the terms of the First Lien Intercreditor Agreement and (z) Junior Lien Intercreditor Agreement, in each case, in the following order:

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to each Agent in its capacity as such;

Second, to payment of that portion of the Secured Obligations in respect of Priority Payment Obligations (other than Super Senior Incremental Term Obligations) constituting fees, indemnities and other amounts (other than principal, interest, and obligations under Secured Hedge Agreements and Secured Cash Management Obligations) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Secured Obligations in respect of Priority Payment Obligations (other than Super Senior Incremental Term Obligations) constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Revolving Credit Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Secured Obligations in respect of Priority Payment Obligations(other than Super Senior Incremental Term Obligations) constituting unpaid principal, Unreimbursed Amounts or face amounts of the Revolving Credit Loans, L/C Borrowings and Swap Termination

Value under Secured Hedge Agreements and Secured Cash Management Obligations and for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to payment of that portion of any Super Senior Incremental Term Loans constituting fees, indemnities and other amounts payable to the Lenders providing such Super Senior Incremental Term Loans (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Fifth payable to them;

Sixth, to payment of that portion of the Super Senior Incremental Term Loans constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Lenders providing such Super Senior Incremental Term Loans in proportion to the respective amounts described in this clause Sixth payable to them;

Seventh, to payment of that portion of the Secured Obligations (other than in respect of Priority Payment Obligations) constituting fees, indemnities and other amounts (other than principal, interest, and obligations under Secured Hedge Agreements and Secured Cash Management Obligations) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Seventh payable to them;

Eighth, to payment of that portion of the Secured Obligations (other than Priority Payment Obligations) constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Lenders in proportion to the respective amounts described in this clause Eighth payable to them;¶

Ninth, to payment of that portion of the Secured Obligations (other than Priority Payment Obligations) constituting unpaid principal, Unreimbursed Amounts or face amounts of the Revolving Credit Loans, L/C Borrowings and Swap Termination Value under Secured Hedge Agreements and Secured Cash Management Obligations and for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among the Secured Parties in proportion to the respective amounts described in this clause Ninth held by them;

Tenth, to the payment of all other Secured Obligations that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Secured Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant toclause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above and, if no Secured Obligations remain outstanding, to the Borrower.

Notwithstanding the foregoing, (a) amounts received from the Borrower or any Guarantor that is not a "Eligible Contract Participant" (as defined in the Commodity Exchange Act) shall not be applied to the obligations that are Excluded Swap Obligations (it being understood, that in the event that any amount is applied to Secured Obligations other than Excluded Swap Obligations as a result of this clause (a), to the extent permitted by applicable law, the Administrative Agent shall make such adjustments as it determines are appropriate to distributions pursuant to clause Fourth above from amounts received from "Eligible Contract Participants" to ensure, as nearly as possible, that the proportional aggregate recoveries with respect to obligations described in clause Fourth above by the holders of any Excluded Swap Obligations are the same as the proportional aggregate recoveries with respect to other obligations pursuant to clause Fourth above) and (b) Secured Cash Management Obligations and Obligations under Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank. Each Cash Management Bank and Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX hereof for itself and its Affiliates as if a "Lender" party hereto.

Section 8.05 Permitted Holders' Right to Cure.

(a)Notwithstanding anything to the contrary contained in Section 8.01(b), in the event that Holdings fails to comply with the requirement of the Financial Covenant as of the last day of the any Test Period, any of the Permitted Holders or Holdings shall have the right, during the period beginning at the start of any fiscal quarter in which Holdings determines that a breach of the Financial Covenant may occur, until the expiration of the tenth Business Day (the "Cure Period") after the date on which financial statements with respect to the applicable Test Period in which the Financial Covenant is being measured are required to be delivered pursuant to Section 6.01, to make a direct or indirect equity investment in Holdings in cash in the form of common Capital Stock (or other Qualified Capital Stock reasonably acceptable to the Administrative Agent), which proceeds shall be contributed to the Borrower (the "Cure Right"), and upon the receipt by the Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the "Cure Amount"), the Financial Covenant shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA for such Test Period in an amount equal to such Cure Amount; provided, that (x) such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Financial Covenant with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document (including for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) for the quarter with respect to which such Cure Right was exercised and (y) there shall be no reduction in Indebtedness in connection with any Cure Amounts for determining compliance with Section 7.09 and no Cure Amounts will reduce (or count towards) the Consolidated First Lien Secured Leverage Ratio, Consolidated Total Senior Secured Leverage Ratio or the Consolidated Total Leverage Ratio for purposes of any calculation thereof for the fiscal quarter with respect to which such Cure Right was exercised.

(b) If, after the exercise of the Cure Right and the recalculations pursuant to clause (a) above, the Borrower shall then be in compliance with the requirements of the Financial Covenant during such Test Period (including for purposes of Section 4.02), Holdings shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 8.01 that had occurred shall be deemed cured;provided, that (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four consecutive fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, and (iii) with respect to any exercise of the Cure Right, the Cure Amount shall not be given effect in an amount greater than the amount required to cause Holdings to be in compliance with the Financial Covenant.

(c) Notwithstanding anything herein to the contrary, prior to the expiration of the Cure Period (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Article VII on the basis of a breach of the Financial Covenant so as to enable Holdings to consummate its

Cure Rights as permitted under this Section 8.05(c) and (y) the Lenders shall not be required to make any Credit Extension unless and until Holdings has received the Cure Amount required to cause Holdings to be in compliance with the Financial Covenant.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a)Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of the Loan Documents and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, L/C Issuer (if applicable) and a potential Hedge Bank or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through Affiliates (including without limitation J.P. Morgan Europe Limited), agents, employees or attorneys-in-fact, such sub-agents as shall be deemed necessary by the Administrative Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 9.03 Liability of Agents. No Agent-Related Person shall (a) be liable to any Lender for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby, including their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. No Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), or in the absence of its own gross negligence or willful misconduct.

Section 9.04 Reliance by Agents.

(a)Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent and shall not incur any liability for relying thereon. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b)For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. Subject to the other provisions of this Article IX, the Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders (or, if a Financial Covenant Event of Default occurs and is continuing and prior to the expiration of the Term Loan Standstill Period, if the only Events of Default then having occurred and continuing are pursuant to a Financial Covenant Event of Default, the Required Revolving Credit Lenders under the Revolving Credit Facility only, and in such case only with respect to the Revolving Credit Commitments, Revolving Credit Loans, L/C Obligations, Letters of Credit and L/C Credit Extensions) in accordance with Article VIII; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it in its capacity as an Agent-Related Person; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, if any. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. JPMCB and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though JPMCB were not the Administrative Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, JPMCB or its Affiliates may receive information regarding any Loan Party or any Affiliate of a Loan Party (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, JPMCB shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" include JPMCB in its individual capacity.

Section 9.09 Successor Agents. The Administrative Agent may resign as the Administrative Agent and Collateral Agent in respect of this Agreement or one or more Facilities hereunder upon thirty (30) days' notice to the Borrower and the Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Lenders in respect of such Facilities). If the Administrative Agent resigns under this Agreement, the Required Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Required Facility Lenders in respect of such Facilities) shall appoint from among the Lenders a successor agent for the Lenders, which appointment of a successor agent shall require the consent of the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the resigning Administrative Agent may appoint, after consulting with the Borrower and the Lenders(or, in the case of a resignation in respect of one or more Facilities hereunder, the Required Facility Lenders in respect of such Facilities), a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and Collateral Agent and the term "Administrative Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be (and the term "Collateral Agent" shall mean such successor collateral agent and/or supplemental agent, as described in Section 9.01(c)), and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent and Collateral Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and Collateral Agent, the provisions of this Article IX and Section 10.04 and Section 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent and Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent and Collateral Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Lenders in respect of such Facilities) shall perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed). Upon the acceptance of any appointment as the Administrative Agent and Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to any mortgages, and such other security agreements, instruments or notices, as may be necessary or desirable, or as the Required Lenders (or, in the case of a resignation in respect of one or more Facilities

hereunder, the Required Facility Lenders in respect of such Facilities) may reasonably request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall, to the extent not previously discharged, be discharged from its duties and obligations under the Loan Documents.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a)to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.09 and Section 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due to the Administrative Agent under Section 2.09 and Section 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. The Lenders irrevocably agree:

(a)that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Secured Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable), the expiration or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized or back-stopped or as to which other arrangements reasonably satisfactory to the Administrative Agent and the applicable L/C Issuer have been made), (ii) at the time the property subject to such Lien is transferred as part of or in connection with any transfer permitted hereunder (including any Asset Disposition permitted hereunder) or under any other Loan Document to any Person other than any other Loan Party (*provided* that in the event of a transfer of assets from a Loan Party to another Loan Party organized in a different jurisdiction, the Collateral Agent shall, upon request of the Borrower or any other Loan Party, release such Lien if such transferee Loan Party takes all actions reasonably necessary to grant a Lien in such transferred assets to the Collateral Agent (to the extent required by the Collateral and Guarantee Requirement)), (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) or (d) below or (v) if the property subject to such Lien becomes Excluded Property;

(b)to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is a Permitted Lien under clauses (i) or (l) (in the case of clause (l), upon the reasonable request of the Borrower, to the extent required by the terms of the agreements governing such Permitted Lien) of the definition thereof.

(c)if any Subsidiary Guarantor ceases to be a Restricted Subsidiary, or becomes an Excluded Subsidiary, in each case as a result of a transaction permitted hereunder or designation permitted hereunder (as certified in writing delivered to the Administrative Agent by a Responsible Officer of the Borrower) (*provided* that the release of any Subsidiary Guarantor from its obligations under the Loan Documents solely as a result of such Subsidiary Guarantor becoming an Excluded Subsidiary of the type described in clause (j) or (l) of the definition thereof shall only be permitted if such Subsidiary Guarantor becomes such an Excluded Subsidiary pursuant to a transaction with a third party that is not otherwise an Affiliate of the Borrower and such transaction was not for the primary purpose of release the Guarantee of such Subsidiary Guarantor, and, in the case of an Excluded Subsidiary of the type described in clause (j) of the definition thereof, only if such Subsidiary Guarantor ceases to be a Restricted Subsidiary).

Notwithstanding anything contained herein to the contrary, upon request by the Administrative Agent at any time, the Required Lenders shall confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11; provided that the absence of such confirmation shall not affect in any way the validity of the automatic releases of security interest or Guaranty contemplated by this Agreement or the Administrative Agent's obligations to comply with the provisions of the immediately following sentence. In each case as specified in this Section 9.11, the Administrative Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request (i) to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents (including the filing of termination statements or the return of pledged collateral), or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11; *provided*, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent written request therefor and, to the extent requested by the Administrative Agent, a certificate of the Borrower to the effect that the release of such Guarantor or Collateral, as applicable, is in compliance with the Loan Documents. Each of the Lenders irrevocably authorizes the Administrative Agent to rely on any such certificate without independent investigation and release its interests in any Collateral or release any Guarantor from its obligations under the Loan Documents pursuant to this Section 9.11 (including, in each case of the foregoing, by filing applicable termination statements and/or returning pledged Collateral); it being acknowledged and agreed by each Secured Party that the Administrative Agent, in its capacity as such, shall have no liability with respect to relying on such certificate and taking actions to evidence such release.

Section 9.12 Other Agents; Arrangers and Managers. None of the Lenders, the Agents, the Lead Arrangers, the Documentation Agent or other

Persons identified on the facing page or signature pages of this Agreement as a "co-arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Appointment of Supplemental Administrative Agents.

(a)It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "Supplemental Administrative Agent" and, collectively, as "Supplemental Administrative Agents").

(b)In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 10.04 and Section 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c)Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.14 Withholding Tax. To the extent required by any applicable Law, the Administrative Agent may deduct or withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.14. The agreements in this Section 9.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, (1) the term "Lender" shall, for purposes of this Section 9.14, include any L/C Issuer and (2) this Section 9.14 shall not limit or expand the obligations of the Borrower or any Guarantor under Section 3.01 or any other provision of this Agreement.

Section 9.15 Secured Cash Management Obligations; Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Cash Management Obligations or Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.16 Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i)such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii)the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and the conditions of such exemption have been satisfied, with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii)(A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv)such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b)In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the Collateral or the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

ARTICLE X

Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(c)reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definition of Consolidated First Lien Secured Leverage Ratio or in the component definitions thereof shall not constitute a reduction in the rate of interest or fees; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d)change any provision of this Section 10.01 or the definitions of "Required Lenders," or "Required Revolving Credit Lenders" orSections 2.13 or 8.04 that would alter the pro rata sharing payments without the written consent of each Lender directly and adversely affected thereby;

(e)release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; *provided* that any transaction permitted under Section 7.04 or Section 7.05 shall not be subject to this clause (e) to the extent such transaction does not result in the release of all or substantially all of the Collateral;

(f)release all or substantially all of the Guarantees in any transaction or series of related transactions, without the written consent of each Lender; *provided* that any transaction permitted under Section 7.04 or Section 7.05 shall not be subject to this clause (f) to the extent such transaction does not result in the release of all or substantially all of the Guarantees;

(g)modify any of (i) the definitions of "Customary Intercreditor Agreement", "Initial Revolving Credit Facility Cap", "Pari Passu Indebtedness", "First Lien Intercreditor Agreement", "Junior Lien Intercreditor Agreement" or "Priority Payment Obligations" set forth in Section 1.01 (or any of the defined terms used in any such definitions solely as they relate to such definitions), (ii) the proviso to clause (ee) of the definition of "Permitted Liens" set forth in Section 1.01 or (iii) Section 2.05(b)(ii)(A), Section 2.05(b)(ii)(C), Section 2.12(g), Section 2.13, the proviso to Section 2.14(f), Section 4.02 (solely with respect to Credit Extensions pertaining to the Revolving Credit Facility) or Section 7.09, in each case, without the written consent of the Required Revolving Credit Lenders;

(h)modify any of Section 2.14(f), Section 8.04, Section 10.24 or any Intercreditor Agreement without the written consent of Required Revolving Credit Lenders and the Required Facility Lenders in respect of the Term Loans; or

and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of a L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) [reserved]; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; (v) any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders; (vi) the consent of the Required Revolving Credit Lenders (and no other Lenders) shall be necessary to amend or waive the terms and provisions of Sections 7.09, 8.01(b)(ii) and 8.05 (and related definitions as used in such Sections, but not as used in other Sections of this Agreement); (vii) the consent of the Required Revolving Credit Lenders and the Required Lenders shall be necessary to permit the Borrower to incur additional Indebtedness that is pari passu with or senior to the Revolving Credit Facility in right of payment and with respect to security; (viii) the consent of all adversely affected Revolving Credit Lenders shall be necessary to modify the order of payments pursuant to Section 8.04 to the extent such modification adversely impacts Priority Payment Obligations and (ix) the Closing Date Certificate and Schedule 6.12 may be updated with the consent of the Borrower and the Administrative Agent (not to be unreasonably withheld) following the Closing Date and on or prior to the Closing Date to reflect circumstances existing on the Closing Date. Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and

fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Credit Loans, the Incremental Term Loans, if any, and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and, if applicable, the Required Revolving Credit Lenders; provided that for the avoidance of doubt, the consent of the Required Revolving Credit Lenders shall be required with respect to any amendment that permits the Loan Parties to incur Indebtedness that ranks pari passu with or senior to the Revolving Credit Facility in right of security and payment.

Notwithstanding anything to the contrary contained in this Section 10.01, the terms and provisions and related timelines and procedures relating to the potential distributions to the Lenders making Initial Term Commitments set forth on Schedule 2.01(A)(II) and the role of the Disbursement Agent (including, but not limited to, the terms set forth in Section 2.04, Section 2.05(ii), Section 2.19 and Section 10.07) shall be subject to approval by the Bankruptcy Court and may be amended with the prior written consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and the Borrower (for the avoidance of doubt, without the need for the consent of any other Lender).

Notwithstanding anything to the contrary contained in this Section 10.01, any guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, inconsistencies, omissions, mistakes or defects (including to correct or cure incorrect cross references or similar inaccuracies), (iii) to effect administrative changes of a technical or immaterial nature or (iv) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents. Furthermore, with the consent of the Administrative Agent at the request of the Borrower (without the need to obtain any consent of any Lender), any Loan Document may be amended to cure ambiguities, inconsistencies, omissions, mistakes or defects (including to correct or cure incorrect cross references or similar inaccuracies).

Notwithstanding anything in this Section 10.01 to the contrary, (a) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary (i) to integrate any Incremental Facilities, Refinancing Revolving Credit Commitments, Refinancing Term Loans, Extended Term Loans or Extended Revolving Credit Commitments, (ii) to integrate or make administrative modifications with respect to borrowings and issuances of Letters of Credit, (iii) to integrate and terms or conditions from any Incremental Facility Amendment that are more restrictive than this Agreement in accordance with Section 2.14(d) and (iv) to make any amendments permitted by Section 1.03 and to give effect to any election to adopt IFRS and (b) without the consent of any Lender or L/C Issuer, the Loan Parties, the Administrative Agent or the Collateral Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into (x) any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties to give effect to, or protect any security interest for benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document or (y) any applicable intercreditor agreement contemplated by this Agreement, in each case with the holders of Indebtedness permitted by this Agreement to be secured by the Collateral. Without limitation of the foregoing, the Borrower may, without the consent of any Lenders, upon delivery to the Administrative Agent (i) increase the interest rates (including any interest rate margins or interest rate floors), fees and other amounts payable to any Class or Classes of Lenders hereunder, (ii) increase, expand and/or extend the call protection provisions and any "most favored nation" provisions benefiting any Class or Classes of Lenders hereunder (including, for the avoidance of doubt, the provisions of Section 2.05(a)(iv) and 2.14(b)(ii) hereof) and/or (iii) with the consent of the Administrative Agent, modify any other provision hereunder or under any other Loan Document in a manner, as determined by the Administrative Agent in its sole discretion, more favorable to the then-existing Lenders or Class or Classes of Lenders, in each case in connection with the issuance or incurrence of any Incremental Facilities or other Indebtedness permitted hereunder, where the terms of any such Incremental Facilities or other Indebtedness are more favorable to the lenders thereof than the corresponding terms applicable to other Loans or Commitments then existing hereunder, and it is intended that one or more then-existing Classes of Loans or Commitments under this Agreement share in the benefit of such more favorable terms in order to comply with the provisions hereof relating to the incurrence of such Incremental Facilities or other Indebtedness; *provided* that the Administrative Agent will have at least five Business Days (or such shorter period to which the Administrative Agent may consent in its reasonable discretion) after written notice from the Borrower to provide such consent and may, in its sole discretion, provide written notice to the Lenders regarding any such proposed amendment.

Notwithstanding anything to the contrary herein, in connection with any determination as to whether the Required Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders. For purposes of determining whether a Lender has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any of the Borrower or other Loan Parties or any instrument issued or guaranteed by any of the Borrower or other Loan Parties shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by any of the Borrower or other Loan Parties, collectively, shall represent less than 5.0% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Borrower or other Loan Parties (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Borrower or other Loan Parties other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by any of the Borrower or other Loan Parties, collectively, shall represent less than 5.0% of the components of such index. In connection with any such determination, each Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender as of the Closing Date) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Administrative Agent shall be entitled to rely on each such representation and deemed representation and shall have no duty to (x) inquire as to or investigate the accuracy of any such representation or deemed representation or (y) otherwise ascertain or monitor whether any Lender, Eligible Assignee or Participant or prospective Lender, Eligible Assignee or Participant is a Net Short Lender or make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions). Without limiting the foregoing, the Administrative Agent shall not (A) be responsible or have any liability for, or have any duty to ascertain, inquire into,

monitor or enforce, compliance with the provisions hereof relating to the Net Short Lenders or (B) have any liability with respect to or arising out of any assignment or participation of Loans to any Net Short Lender).

In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons (collectively, the " Agent Parties") have any liability to the Loan Parties, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, the Administrative Agent, any L/C Issuer may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and the L/C Issuers. In addition, each Lender agrees to notify the Administrative Agents from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or their securities for purposes of United States Federal or state securities laws.

(e) Reliance by Agents and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct.

(f) Notice to other Loan Parties. The Borrower agrees that notices to be given to any other Loan Party under this Agreement or any other Loan Document may be given to the Borrower in accordance with the provisions of this Section 10.02 with the same effect as if given to such other Loan Party in accordance with the terms hereunder or thereunder.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and

privileges provided by Law.

Section 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Lead Arranger for all reasonable and documented or invoiced out-of-pocket costs and expenses associated with the syndication of the Initial Term Loans and Revolving Credit Loans and the preparation, execution and delivery, administration, amendment, modification, waiver and/or enforcement of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), including all Attorney Costs of Davis Polk & Wardwell LLP (and any other counsel retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed)) and one local and foreign counsel in each relevant jurisdiction, and (b) to pay or reimburse the Administrative Agent, the Lead Arranger and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all costs and expenses incurred in connection with any workout or restructuring in respect of the Loans, all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and, in the case of legal fees, limited to all Attorney Costs of one counsel for all such Persons (and, in the case of an actual or perceived conflict of interest, where such Person affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Person)). The foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

Section 10.05 Indemnification by the Borrower. Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender, the Lead Arranger, and their respective Affiliates, directors, officers, employees, counsel, agents, advisors, and other representatives (collectively, the "Indemnitees") from and against any and all losses, liabilities, damages, claims, and reasonable and documented or invoiced out-of-pocket fees and expenses (including reasonable Attorney Costs of one counsel for all Indemnitees and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)) of any such Indemnitee arising out of or relating to any claim or any litigation or other proceeding (regardless of whether such Indemnitee is a party thereto and whether or not such proceedings are brought by the Borrower, its equity holders, its Affiliates, creditors or any other third person) that relates to the Transactions, including the financing contemplated hereby, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, under or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability related in any way to the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (all the foregoing, collectively, the "Indemnified Liabilities"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (w) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its controlled Affiliates or controlling Persons or any of the officers, directors, employees, agents, advisors or members of any of the foregoing, in each case who are involved in or aware of the Transactions (as determined by a court of competent jurisdiction in a final and non-appealable decision), (x) a material breach of the Loan Documents by such Indemnitee or one of its Affiliates (as determined by a court of competent jurisdiction in a final and non-appealable decision), or (y) disputes solely between and among such Indemnitees to the extent such disputes do not arise from any act or omission of the Borrower or any of its Affiliates (other than with respect to a claim against an Indemnitee acting in its capacity as an Agent or Lead Arranger or similar role under the Loan Documents unless such claim arose from the gross negligence, bad faith or willful misconduct of such Indemnitee). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Indemnitee nor any Loan Party shall have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); *provided* that nothing contained in this sentence shall limit the Borrower's indemnification obligations under the Loan Documents to the extent such special, punitive, indirect or consequential damages are included in any third-party claim in connection with which any Indemnitee is entitled to indemnification hereunder. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, managers, partners, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within ten (10) Business Days after demand therefor; *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes other than Taxes that represent liabilities, obligations, losses, damages, etc., with respect to a non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of a Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate.

Section 10.07 Successors and Assigns.

(a)The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that, except as otherwise provided herein (including without limitation as permitted under Section 7.04), neither Holdings nor any of its Subsidiaries may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent

provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A)the Borrower, *provided* that, no consent of the Borrower shall be required for an assignment (1) of any Term Loan to any other Lender, any Affiliate of a Lender or any Approved Fund, (2) of any Revolving Credit Loans or Revolving Credit Commitment to any other Revolving Lender, any Affiliate of a Revolving Lender or any Approved Fund of a Revolving Lender or, (3) of any Term Loan, Revolving Credit Loans or Revolving Credit Commitment, if an Event of Default under Section 8.01(a) or under Section 8.01(f) has occurred and is continuing, to any Assignee; *provided*, further, that such consent shall be deemed to have been given if the Borrower has not responded within 10 Business Days after notice by the Administrative Agent;

(B)the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to another Lender, an Affiliate of a Lender or an Approved Fund;

(C)each L/C Issuer at the time of such assignment, *provided* that no consent of such L/C Issuers shall be required for any assignment of a Term Loan; and

(D) in the case of any assignment of any of the Revolving Credit Facility; the consent of each L/C Issuer.

(ii) Assignments shall be subject to the following additional conditions:

(A)except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5.0 million (in the case of the Revolving Credit Facility) or $1.0 million (in the case of a Term Loan) unless the Borrower and the Administrative Agent otherwise consents, *provided* that (1) no such consent of the Borrower shall be required if an Event of Default under Section 8.01(a) or under Section 8.01(f) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any documentation required by Section 3.01(f);

(D)the Assignee shall not be a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person), a Disqualified Lender or, except to the extent permitted pursuant to Section 2.17 or Section 10.07(k), Holdings or any of its Subsidiaries;

(E) the Assignee shall not be a Defaulting Lender.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

The Disbursement Agent shall assign Initial Term Loans held by it for the benefit of the Claimant Assignees (as defined below) to each Unidentified Claimant that (x) is an Eligible Assignee and (y) provides to the Administrative Agent, on or prior to the Reversion Date, information necessary to facilitate the distribution to which it is entitled and as a result becomes entitled to receive such distribution (each, a "Claimant Assignee"), subject to the satisfaction of the following (which, in any event, shall be satisfied no later than later of (i) the Reversion Date or (ii) two months following the initial response from such Claimant Assignee to the Disbursement Agent's request for information (the date in this clause (ii) with respect to any Claimant Assignee, the " Response Deadline")): (x) the Disbursement Agent, the Borrower, the Claimant Assignee and the Administrative Agent shall have executed and delivered to the Administrative Agent an Assignment and Assumption acceptable to the Administrative Agent, which Assignment and Assumption shall set forth the principal amount of Initial Term Loans being assigned and the accrued interest thereon and shall require the Disbursement Agent to turn over all accrued and paid interest on the Initial Term Loans being assigned to the Claimant Assignee and (y) the Claimant Assignee shall have delivered to the Administrative Agent an Administrative Questionnaire (in which the Assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Affiliates or their respective securities) will be made available and who may receive such information in accordance with the Claimant Assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms required pursuant to Section 3.01(f). The Disbursement Agent shall provide written notice to the Administrative Agent promptly after being contacted by any Claimant Assignee, which written notice shall include the name of the Claimant Assignee, the Response Deadline for such Claimant Assignee and the Principal Amount of Initial Term Loans held by the Disbursement Agent for the benefit of such Claimant Assignee. Notwithstanding anything to the contrary herein, no Lender shall be a natural Person and no Lender may assign or transfer, by assignment, participation or otherwise, any of its rights or obligations hereunder to a natural Person. If any Unidentified Claimant is a natural Person and responds to a request from the Disbursement Agent for, or otherwise provides, necessary information to receive payment prior to the Reversion Date (a "Non-Permitted Claimant") and, as a result, would otherwise be entitled to receive Initial Term Loans held by the Disbursement Agent but for the fact that such Unidentified Claimant is a natural Person, then the Borrower shall (y) promptly provide written notice to the Administrative Agent (a " Non-Permitted Claimant Notice") specifying the name of the applicable Non-Permitted Claimant, the Principal Amount of Initial Term Loans that the Disbursement Agent holds for the benefit of such Non-Permitted Claimant, and the date on which the Borrower will pay or cause to be paid such Non-Permitted Claimant (such payment date, the "Non-Permitted Claimant Payment Date") and (z) on the Non-Permitted Claimant Payment Date, pay, or cause to be paid, to such Non-Permitted Claimant in cash an amount equal to the Principal Amount of Initial Term Loans (plus any accrued interest thereon to such date) that the Disbursement Agent holds for the benefit of such Non-Permitted Claimant pursuant to the Plan of Reorganization, at which time, and without any further action by the Administrative Agent or the Lenders, the Principal Amount of Initial Term Loans held by the Disbursement Agent for the benefit of the applicable Non-Permitted Claimant shall be automatically discharged, terminated and cancelled and the Administrative Agent shall update the Register to reflect such discharge, termination and cancellation.

(c)Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d) and receipt by the Administrative Agent from the parties to each assignment of a processing and recordation fee of $3,500 (*provided* that such processing and recordation fee shall not be applicable to the assignments made to Claimant Assignees pursuant to the paragraph above and *provided further* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender

under this Agreement (including, for the avoidance of doubt, any rights and obligations pursuant to Section 3.01), and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03, 3.04, 10.04 and 10.05with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note (if any), the Borrower (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e). For greater certainty, any assignment by a Lender pursuant to this Section 10.07 shall not in any way constitute or be deemed to constitute a novation, discharge, recession, extinguishment or substitution of the existing Indebtedness and any Indebtedness so assigned shall continue to be the same obligation and not a new obligations.

(d)The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) and currencies of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent demonstrable error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (but in the case of any Lender solely with respect to such Lender's outstanding Loans or Commitments) at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless recorded in the Register. The parties hereto agree and intend that the Secured Obligations shall be treated as being in "registered form" for the purposes of the Code (including Sections 163(f), 871(h)(2), 881(c)(2), and 4701 of the Code).

(e)Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or a Defaulting Lender) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 10.01(a), (b), (c), (d), (e) or (f) that directly affects such Participant. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.03 and 3.04 (through the applicable Lender), *provided* that each Participant shall be subject to the requirements and limitations of such Sections (including Sections 3.01(f) and (g) and Sections 3.05 and 3.06) (it being understood that the Participant shall deliver the forms described in Section 3.01(f) solely to the participating Lender, it being understood that copies of such forms may be required to be included (and, if so, will be included) as part of a non-U.S. Granting Lender's IRS Form W-8IMY provided to the Administrative Agent or the Borrower), to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant complies with Section 2.13 as though it were a Lender. Any Lender that sells participations shall maintain a register on which it enters the name and the address of each Participant and the principal and interest amounts of each Participant's participation interest in the Commitments and/or Loans (or other rights or obligations) held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent demonstrable error, and the Borrower and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation interest as the owner thereof for all purposes notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrower solely for purposes of applicable United States federal income tax law and undertakes no duty, responsibility or obligation to the Borrower (without limitation, in no event shall such Lender be a fiduciary of the Borrower for any purpose). No Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish in connection with a Tax audit that such commitment, loan, or other obligation is in registered form under Section 5f.103(c) of the United States Treasury Regulations or, if different, under Sections 871(h) or 881(c) of the Code.

(f)A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.03 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or except to the extent such entitlement to a greater payment results from a Change in Law after the Participant became a Participant.

(g)Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h)Notwithstanding anything to the contrary contained herein, any Lender (a " Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i)nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii)if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i)an SPC shall be entitled to the benefit of Sections 3.01, 3.03 and 3.04, subject to the requirements and limitations of such Sections (including Section 3.01(f) and (g)and Sections 3.05 and 3.06 (it being understood that the SPC shall deliver the forms described in Section 3.01(f) solely to the Granting Lender, it being understood that copies of such forms may be required to be included (and, if so, will be included) as part of a non-U.S. Lender's IRS Form W-8IMY provided to the Administrative Agent or the Borrower)), to the same extent as if such SPC were a Lender, but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.03 or 3.04) except to the extent any entitlement to greater amounts results from a Change in Law after the grant to the SPC occurred, (ii)no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and such liability shall remain with the Granting Lender, and (iii)the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i)with notice to, but without prior consent of the Borrower and the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii)disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC. Any Granting Lender shall maintain a register with respect to any grant described in this clause (h)on which it enters the name and the address of each SPC and the principal and interest amounts of each SPC's interest in the granted Commitments and/or Loans (or other rights or obligations with respect thereto), which shall be maintained in a manner similar to any Participant Register described in Section 10.07(e), mutatis mutandis.

(i)Notwithstanding anything to the contrary contained herein, (1)any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2)any Lender that is a Fund may create a security interest in all or any portion of the Loans

owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i)no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii)such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j)Notwithstanding anything to the contrary contained herein, any L/C Issuer may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as an L/C Issuer, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified, in consultation with the Borrower, a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, as applicable. In the event of any such resignation of an L/C Issuer, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer, as the case may be. If an L/C Issuer resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)).

(k)Any Lender may, so long as no proceeds of Revolving Credit Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings or any of its Restricted Subsidiaries through (x)Dutch auctions open to all Term Lenders in accordance with procedures of the type described in Section 2.17 or (y) notwithstanding Section 2.05(d) or Section 2.17 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided*, that, in connection with assignments pursuant to clause (y) above:

(i) if Holdings or any of its Restricted Subsidiaries (other than the Borrower) is the assignee, upon such assignment, transfer or contribution, Holdings or such Restricted Subsidiary shall automatically be deemed to have contributed the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower; and

(ii)if the assignee is the Borrower (including through contribution or transfers set forth in clause (i)above), (a)the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Term Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c)the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register, *provided* that this Section 10.07(k)(ii)shall not apply to any Term Loans held by the Borrower in its capacity as the Disbursement Agent pursuant to Section 2.19.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a)to its Affiliates and its and its Affiliates' directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b)to the extent requested by any Governmental Authority, to any pledgee referred to in Section 10.07(g); (c)to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d)to any other party to this Agreement; (e)subject to an agreement containing provisions substantially the same as those of this Section 10.08(or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(i), counterparty to a Swap Contract or Qualified Securitization Financing, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f)with the written consent of the Borrower; (g)to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h)to any Governmental Authority or examiner regulating any Lender; (i)to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); or (j)in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or its Affiliates or its Affiliates' directors, managers, officers, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their Subsidiaries or their business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08, including, without limitation, information delivered pursuant to Section 6.01, 6.02 or 6.03 hereof.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party that is a Foreign Subsidiary or a Domestic Foreign Holding Company. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

Section 10.10 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission. The words "execution," "signed," "signature," and words of like import in any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.11 Integration. This Agreement, together with the other Loan Documents and the Fee Letter, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.12 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. The provisions of Sections 10.14 and 10.15 shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 10.13 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.14 GOVERNING LAW, JURISDICTION, SERVICE OF PROCESS.

(a)THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b)EXCEPT AS SET FORTH IN THE FOLLOWING PARAGRAPH, ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (*PROVIDED* THAT IF NONE OF SUCH COURTS CAN AND WILL EXERCISE SUCH JURISDICTION, SUCH EXCLUSIVITY SHALL NOT APPLY), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION (I)FOR PURPOSES OF ENFORCING A JUDGMENT, (II)IN CONNECTION WITH EXERCISING REMEDIES AGAINST THE COLLATERAL IN A JURISDICTION IN WHICH SUCH COLLATERAL IS LOCATED, (III)IN CONNECTION WITH ANY PENDING BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDING IN SUCH JURISDICTION OR (IV)TO THE EXTENT THE COURTS REFERRED TO IN THE PREVIOUS PARAGRAPH DO NOT HAVE JURISDICTION OVER SUCH LEGAL ACTION OR PROCEEDING OR THE PARTIES OR PROPERTY SUBJECT THERETO.

Section 10.15 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.15WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.16 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and Holdings and the Administrative Agent shall have been notified by each Lender and L/C Issuer that each such Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.18 Lender Action. The Lenders and each other holder of an Obligation under a Loan Document shall act collectively through the Administrative Agent for any right or remedy against any Loan Party under any of the Loan Documents (other than set-off rights) in each case with respect to the Collateral or any other property of any Loan Party. Without limiting the delegation of authority to the Administrative Agent set forth herein, only the Required Lenders (or, if applicable, the Required Revolving Credit Facility Lenders) shall have the authority to direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under the other Loan Documents (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default or Event of Default) with respect to (i) the Loans and (ii) any Collateral, and (ii) any other property of any Loan Party. Any such rights and remedies arising under the Loan Documents shall not be exercised other than through the Administrative Agent. Each Lender agrees that it shall not, and hereby waives any right to, take or institute any actions or proceedings, judicial or otherwise, for any such right or remedy under any Loan Document against any Loan Party or any past, present, or future Subsidiary of any Loan Party concerning any Collateral, or any other property of any Loan Party or any past, present or future Loan Party other than through the Administrative Agent; provided, that, for the avoidance of doubt, this sentence may be enforced against any Secured Party by the Required Lenders, any Agent or the Borrower (or any of its Affiliates) and each Secured Party expressly acknowledge that this sentence shall be available as a defense of the Borrower (or any of its Affiliates) in any such action, proceeding or remedial procedure. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Section 10.19 USA PATRIOT Act . Each Lender hereby notifies the Borrower that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of the Borrower and the Guarantors and other information that will allow such Lender to identify the Borrower and the Guarantors in accordance with the USA PATRIOT Act.

Section 10.20 Obligations Absolute. To the fullest extent permitted by applicable Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c)any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d)any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 10.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and Holdings acknowledge and agrees, and acknowledges its Affiliates'understanding, that: (i)(A)the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lead Arranger are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent and the Lead Arranger, on the other hand, (B)each of the Borrower and Holdings have consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C)each of the Borrower and Holdings are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii)(A)the Administrative Agent, each Lender and the Lead Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B)neither the Administrative Agent, nor any Lender or the Lead Arranger has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii)the Administrative Agent, each Lender and the Lead Arranger and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and neither the Administrative Agent nor the Lead Arranger has any obligation to disclose any of such interests to the Borrower, Holdings, or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waive and release any claims that it may have against the Administrative Agent, each Lender and the Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.22 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by

(a)the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b)the effects of any Bail-in Action on any such liability, including, if applicable: (i)a reduction in full or in part or cancellation of any such liability; (ii)a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii)the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Obligations or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation

and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Section 10.24 Acknowledgment of Intercreditor Agreements. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Administrative Agent and the Collateral Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Junior Lien Intercreditor Agreement, any First Lien Intercreditor Agreement, or any other Customary Intercreditor Agreement, with the collateral agent or other representatives of the holders of Indebtedness that is to be secured by a Lien on the Collateral that is permitted (including as to priority) under this Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof (any of the foregoing, an "Specified Intercreditor Agreement"). The Lenders and the other Secured Parties irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are not prohibited and (y) any Specified Intercreditor Agreement entered into by the Administrative Agent and/or the Collateral Agent shall be binding on the Secured Parties, and each Lender and the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Specified Intercreditor Agreement. No Lender is nor shall it be deemed to be a fiduciary of any kind for any other Lender or any other Person. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 7.03 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

(a) Subject to Section 2.09, each Guarantor absolutely, irrevocably and unconditionally guarantees, jointly with the other Guarantors and severally, as a primary obligor and not merely as a surety, to the Collateral Agent, for the benefit of the Secured Parties, the due and punctual payment and performance of the Secured Obligations. Each of the Guarantors further agrees that, subject to Section 2.09, the Secured Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any such Secured Obligation. Each of the Guarantors waives presentment to, demand of payment from and protest to the Borrower or any other Guarantor of any of the Secured Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

(b)Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.01(b) for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.01(b), or otherwise under this Guaranty, voidable under applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.01(b) shall remain in full force and effect until the termination of this Guaranty in accordance with Section 4.13. Each Qualified ECP Guarantor intends that this Section 2.01(b) constitute, and this Section 2.01(b) shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 2.02. Guaranty of Payment. Each of the Guarantors further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Secured Obligations, or to any balance of any deposit account or credit on the books of the Collateral Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. No Limitations.

(a)Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.13 and the Guarantee Limitations and except as provided in the definition of "Secured Obligations" with respect to Excluded Swap Obligations, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense (other than a defense of payment in full in cash of all the Secured Obligations) or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Secured Obligations, or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Collateral Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release, non-perfection, impairment, exchange or substitution of any security held by the Collateral Agent or any other Secured Party for the Secured Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Secured Obligations; or (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash of all the Secured Obligations). Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Secured Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other Guarantors or obligors upon or in respect of the Secured Obligations, all without affecting the obligations of any Guarantor hereunder.

(b)To the fullest extent permitted by applicable Law, each Guarantor waives any defense based on or arising out of any defense of the Borrower or any other Guarantor or the unenforceability of the Secured Obligations, or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Guarantor, other than the occurrence of the Termination Date. The Collateral Agent and the other Secured Parties may in accordance with the terms of the Collateral Documents, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Secured Obligations, make any other accommodation with the Borrower or any other Guarantor or exercise any other right or remedy available to them against the Borrower or any other Guarantor, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Termination Date has occurred. To the fullest extent permitted by applicable Law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrower or any other Guarantor, as the case may be, or any security.

(c)Each Guarantor, and by its acceptance of this Agreement, the Collateral Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Agreement and the Secured Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the Secured Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Collateral Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the Secured Obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the Secured Obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(d)Each Guarantor acknowledges that it will receive indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in this Agreement are knowingly made in contemplation of such benefits.

SECTION 2.04. Reinstatement. Each of the Guarantors agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Secured Obligation, is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy, insolvency or reorganization of the Borrower, any other Guarantor or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Guarantor to pay any Secured Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the Secured Parties in cash the amount of such unpaid Obligation. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

SECTION 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Secured Obligations, and the nature, scope and extent

of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Collateral Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.07. Representations and Warranties. Each Guarantor hereby represents and warrants that this Agreement (i) has been duly executed and delivered by each Guarantor that is party hereto and (ii) constitutes a legal, valid and binding obligation of such Guarantor, enforceable against each Guarantor that is party hereto in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 2.08. No Setoff or Deductions; Taxes; Payments. Each Guarantor shall make all payments hereunder in accordance with Section 3.01 of the Credit Agreement. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Secured Obligations and termination of this Guaranty.

SECTION 2.09. Guarantee Limitations.

(a)The obligations of each Guarantor under its Guarantee shall be limited to an aggregate amount equal to the largest amount that would not render such Guarantee subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of applicable Law.

(b)The obligations of each Guarantor under its Guarantee shall be further limited by the limitations set forth for its applicable jurisdiction of organization in Schedule 1.01, as such schedule may be updated from time to time as set forth in the relevant Guaranty Supplement.

ARTICLE III

SUBROGATION AND SUBORDINATION

SECTION 3.01. Contribution and Subrogation. Each Guarantor (a "Contributing Party") agrees (subject to Section 3.02) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Secured Obligation (the "Claiming Party"), the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.14, the date of the Guaranty Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.01 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 3.02. Subordination.

(a)Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Section 3.01 and all other rights of indemnity, contribution or subrogation under applicable Law or otherwise shall be fully subordinated to the Secured Obligations until the occurrence of the Termination Date. No failure on the part of the Borrower or any Guarantor to make the payments required by Section 3.01 (or any other payments required under applicable Law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

(b)Each Guarantor hereby agrees that upon the occurrence and during the continuance of an Event of Default and after notice from the Collateral Agent, all Indebtedness owed by it to any Subsidiary of Holdings shall be fully subordinated to the Secured Obligations until the occurrence of the Termination Date.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendment.

(a)No failure or delay by the Collateral Agent, any other Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent, any other Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Collateral Agent, any other Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in similar or other circumstances.

(b)Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Guarantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

SECTION 4.03. Collateral Agent's Fees and Expenses, Indemnification.

(a)The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement as if such section was set out in full herein *mutatis mutandis*.

(b)Without limitation of its indemnification obligations under the other Loan Documents, each Guarantor agrees to indemnify the Collateral Agent and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement) in accordance with Section 10.05 of the Credit Agreement (as if such section was set out in full herein *mutatis mutandis*).

(c)Any such amounts payable as provided hereunder shall be additional Secured Obligations guaranteed hereby and secured by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan

Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within ten (10) days of written demand therefor setting forth such amounts in reasonable detail.

SECTION 4.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 4.05. Survival of Representations and Warranties. All representations and warranties made hereunder or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Collateral Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that the Collateral Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

SECTION 4.06. Counterparts; Effectiveness; Several Agreement.

(a)This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Collateral Agent may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission. The words "execution," "signed," "signature," and words of like import herein shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(b)This Agreement shall become effective as to any Guarantor when a counterpart hereof executed on behalf of such Guarantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Guarantor and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Guarantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Guarantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Guarantor and may be amended, modified, supplemented, waived or released with respect to any Guarantor without the approval of any other Guarantor and without affecting the obligations of any other Guarantor hereunder.

SECTION 4.07. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 4.08. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Guarantor, any such notice being waived by each Guarantor to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Guarantor against any and all Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent, Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, none of each Agent and its Affiliates, each Lender and its Affiliates and each L/C Issuer and its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Agent or its Affiliates, such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Guarantor which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect Subsidiary of the Borrower. Each Lender and L/C Issuer agrees promptly to notify the relevant Guarantor and the Collateral Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender and each L/C Issuer under this Section 4.08 are in addition to other rights and remedies (including other rights of setoff) that the Collateral Agent, such L/C Issuer and such Lender may have.

SECTION 4.09. Governing Law; Jurisdiction; Service of Process. Section 10.14 (*Governing Law, Jurisdiction, Service of Process*) of the Credit Agreement is hereby incorporated by reference, *mutatis mutandis.*

SECTION 4.10. WAIVER OF JURY TRIAL. Section 10.15 (*Waiver of Right to Trial by Jury*) of the Credit Agreement is hereby incorporated by reference, *mutatis mutandis.*

SECTION 4.11. Headings. Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Agreement.

SECTION 4.12. Security Interest Absolute. To the fullest extent permitted by applicable Law, all rights of the Collateral Agent hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, any other agreement or instrument, (c) any release or amendment or waiver of or consent under or departure from any guarantee guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Secured Obligations or this Agreement.

SECTION 4.13. Termination or Release.

(a) This Agreement and the Guarantees made herein shall automatically terminate with respect to all Secured Obligations upon the Termination Date.

(b) The Guarantees made hereunder shall automatically be released in accordance with Section 9.11 of the Credit Agreement.

(c)In connection with any termination or release pursuant to paragraph (a) or (b) of this Section 4.13, the Collateral Agent shall promptly (and each Lender irrevocably authorizes the Collateral Agent to), execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 4.13 shall be without recourse to or warranty by the Collateral Agent.

SECTION 4.14. Additional Guarantors. Any Person required to become party to this Agreement pursuant to Section 6.10 of the Credit Agreement may do so by executing and delivering a Guaranty Supplement and such Person shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Agreement.

SECTION 4.15. Excluded Swap Obligations Limitation. Notwithstanding anything in this Guaranty to the contrary, no Guarantor shall be required to make any payment pursuant to this Guaranty to any party, and the right of set-off provided in Section 4.08 shall not apply with respect to any Guarantor, in each case, with respect to Excluded Swap Obligations, if any, of such Guarantor.

TO THE GUARANTY

FORM OF

SUPPLEMENT NO. [__] (this "Guaranty Supplement"), dated as of [_____], to the Guaranty dated as of September 21, 2020, by and among WINDSTREAM HOLDINGS II, LLC, a Delaware limited liability company ("Holdings"), certain Subsidiaries of the Holdings from time to time party thereto and JPMORGAN CHASE BANK, N.A. ("JPMCB"), as Collateral Agent (as defined below).

A. Reference is made to (i) that certain Credit Agreement dated as of September 21, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Holdings, Windstream Services II, LLC, a Delaware limited liability company (the "Borrower"), JPMCB, as administrative agent (in such capacity, and together with its successors and permitted assigns, the "Administrative Agent"), collateral agent (in such capacity, and together with its successors and permitted assigns, the "Collateral Agent"), and the lenders from time to time party thereto (collectively, the "Lenders") and (ii) the Guaranty referred to therein (such Guaranty, as in effect on the date hereof and as it may hereafter be as amended, restated, amended and restated, supplemented or otherwise modified from time to time, together with this Guaranty Supplement, being the "Guaranty"). The capitalized terms defined in the Guaranty or in the Credit Agreement and not otherwise defined herein are used herein as therein defined.

B. The Guarantors have entered into the Guaranty in order to induce the Lenders to make Loans and the L/C Issuers to issue Letters of Credit and the Hedge Banks to enter into Secured Hedge Agreements and Cash Management Banks to enter into Secured Cash Management Obligations. Section 4.14 of the Guaranty provides that Persons required to become Guarantors under the Guaranty pursuant to Section 6.10 of the Credit Agreement may do so by execution and delivery of an instrument in the form of this Guaranty Supplement. The undersigned (the "New Guarantor") is executing this Guaranty Supplement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guaranty in order to induce the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into Secured Hedge Agreements from time to time and the Cash Management Banks to enter into agreements giving rise to Secured Cash Management Obligations from time to time.

Accordingly, the Collateral Agent and the New Guarantor agree as follows:

SECTION 1. Secured Obligations Under the Guaranty. In accordance with Section 4.14 of the Guaranty, the New Guarantor by its signature below becomes a Guarantor and, if applicable, a Qualified ECP Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Guarantor hereby agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor thereunder. Each reference to a "Guarantor" in the Guaranty shall be deemed to include the New Guarantor and each reference in any other Loan Document to a "Guarantor" or a "Loan Party" shall also be deemed to include the New Guarantor. The Guaranty is hereby incorporated herein by reference.

SECTION 2. Representations and Warranties. The New Guarantor represents and warrants to the Collateral Agent and the other Secured Parties that this Guaranty Supplement (i) has been duly authorized, executed and delivered by it and (ii) constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. Delivery by Facsimile; Electronic Transmission. Delivery of an executed counterpart of a signature page to this Guaranty Supplement by facsimile or other electronic transmission (including ".pdf" or ".tif" files) shall be effective as delivery of an original executed counterpart of this Guaranty Supplement.

SECTION 4. Governing Law. Section 10.14 (*Governing Law, Jurisdiction, Service of Process*) of the Credit Agreement is hereby incorporated by reference, *mutatis mutandis.*

SECTION 5. Affirmation. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

SECTION 6. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. Notice. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guaranty.

SECTION 8. Reimbursement. The New Guarantor agrees to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Guaranty Supplement, including the reasonable and documented fees, other charges and disbursements of counsel for the Collateral Agent in accordance with the terms of the Credit Agreement.

(f) [Reserved].

(g)When UCC financing statements describing the Collateral as "all personal property" or "all assets" have been filed in the offices specified for such Grantor in Schedule 7A (as supplemented by written notice to the Collateral Agent from time to time), the Transaction Liens will constitute a perfected security interests in the Collateral owned by such Grantor to the extent that a security interest therein may be perfected by filing pursuant to the UCC, prior to all Liens and rights of others therein except Permitted Liens. (i) create, preserve, perfect, confirm or validate the Transaction Liens on such Grantor's Collateral;

(ii) [reserved];

(iii)subject to the Intercreditor Agreements, enable the Collateral Agent and the other Secured Parties to obtain the full benefits of the Collateral Documents; or

(iv) enable the Collateral Agent to exercise and enforce any of its rights, powers and remedies with respect to any of such Grantor's Collateral.

provided, however, notwithstanding anything to the contrary herein or in any other Loan Document, no Grantor shall have any obligation to make any filings or take any other actions to record or perfect a security interest granted or purported to be granted by such Grantor to the Collateral Agent hereunder in any Intellectual Property constituting Collateral in a jurisdiction outside of the United States of America (including, for clarity, to reimburse Collateral Agent for any costs or expenses incurred in connection with taking any such actions).

To the extent permitted by applicable Law, such Grantor authorizes the Collateral Agent to file or record financing statements (including transmitting utility filings) and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Collateral Agent reasonably determines appropriate to perfect the security interests of the Collateral Agent under this Agreement. Such Grantor authorizes the Collateral Agent to use collateral descriptions such as "all personal property" or "all assets", in each case "whether now owned or hereafter acquired", words of similar import or any other description the Collateral Agent, in its sole discretion, so chooses in any such financing statements. Such Grantor agrees that a carbon, photographic, photostatic or other reproduction of this Agreement or of a financing statement is sufficient as a financing statement for filing or recording purposes. Such Grantor appoints the Collateral Agent its attorney-in-fact to execute and file all Intellectual Property Filings and other filings required or so requested for the foregoing purposes (in which case Collateral Agent shall provide such Grantor prompt written notice thereof), all acts of such attorney being hereby ratified and confirmed; and such power, being coupled with an interest, shall be irrevocable until all the Transaction Liens granted by such Grantor terminate pursuant to Section 18. The Borrower will pay the costs of, or incidental to, any Intellectual Property Filings and any recording or filing of any financing or continuation statements or other documents recorded or filed pursuant hereto.

(b)Such Grantor will furnish to the Collateral Agent prompt written notice of any change in (i)its legal name, (ii)its jurisdiction of organization or other location (determined as provided in UCC Section9-307) or the location of its chief executive office or principal place of business, (iii)its identity or form of organization or (iv)its federal Taxpayer Identification Number. No later than 20 Business Days (or such longer period as the Collateral Agent may reasonably agree) after any change referred to in the preceding sentence, such Grantor shall confirm to the Collateral Agent (and, as and when available, provide any information reasonably requested by the Collateral Agent) that all filings have been made under the UCC (or that such Grantor has provided to the Collateral Agent all information required or reasonably requested by the Collateral Agent in order for it to make such filings), and all other actions have been taken, that are required so that such change will not at any time adversely affect the validity, perfection or priority of any Transaction Lien on any of the Collateral.

(c)Such Grantor will, promptly upon request, provide to the Collateral Agent all information and evidence concerning such Grantor's Collateral that the Collateral Agent may reasonably request from time to time to enable it to enforce the provisions of the Collateral Documents.

Section 5. *Recordable Intellectual Property.* Each Grantor covenants as follows:

(a)As of the Closing Date (in the case of an Original Grantor) or on the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will have signed and delivered (in the case of an Original Grantor) or will sign and deliver (in the case of any other Grantor) to the Collateral Agent Intellectual Property Security Agreements with respect to all Recordable Intellectual Property included in the Collateral. Within 30 days after the end of each fiscal year of the Borrower thereafter, it will sign and deliver to the Collateral Agent an appropriate Intellectual Property Security Agreement covering any Recordable Intellectual Property included in the Collateral on such date that is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it. In each case, it will promptly make (or provide to the Collateral Agent all information required or reasonably requested by the Collateral Agent for it to make) all Intellectual Property Filings necessary to record the Transaction Liens on such Recordable Intellectual Property.

(b)Such Grantor will notify the Collateral Agent promptly if it knows that any application or registration relating to any Recordable Intellectual Property owned or licensed by it may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any adverse determination or development in, any proceeding in the United States Copyright Office, the United States Patent and Trademark Office or any court) regarding such Grantor's ownership of such Recordable Intellectual Property, its right to register or patent the same, or its right to keep and maintain the same, unless such Grantor determines, in such Grantor's reasonable business judgment, that such use or the pursuit or maintenance of such Recordable Intellectual Property is no longer necessary, useful or advisable in the conduct of such Grantor's business or in each case the loss thereof would not reasonably be expected to have a material impact on the overall value of all of the Collateral. If any of such Grantor's rights to any Recordable Intellectual Property are infringed, misappropriated or diluted by a third party and such infringement, misappropriation or dilution would reasonably be expected to have a material impact on the overall value of all of the Collateral, such Grantor will notify the Collateral Agent within 30 days after it learns thereof and will, unless such Grantor shall elect not to do so in its reasonable business judgment (including because it reasonably determines that such action would not be of sufficient value, economic or otherwise), promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and/or take such other actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Recordable Intellectual Property.

Thereafter, whenever such Grantor acquires any other certificate representing a Pledged Certificated Security, such Grantor will immediately deliver such certificate to the Collateral Agent as Collateral hereunder. The provisions of this subsection are subject to the limitation in Section 6(j) in the case of voting Equity Interests in a Foreign Subsidiary or Domestic Foreign Holding Company.

(b) *Uncertificated Securities*. Upon the occurrence and during the continuation of an Event of Default, promptly upon the request of the Collateral Agent, with respect to any Collateral in which any Grantor has any right, title or interest and that constitutes an Uncertificated Security, such Grantor will cause the issuer thereof either (i)to register the Collateral Agent as the registered owner of such security or (ii) to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such security originated by the Collateral Agent without further consent of such Grantor, such authenticated record to be in form and substance satisfactory to the Collateral Agent. No Grantor shall hold any capital stock of a Regulated Subsidiary in a Securities Account.

(f) [reserved].

(g) [reserved].

(h) [reserved].

(i) *Delivery of Pledged Certificates*. All Pledged Certificates, when delivered to the Collateral Agent, will be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent.

(j) *Foreign Subsidiaries.* A Grantor will not be obligated to comply with the provisions of this Sectionat any time with respect to any voting Equity Interest in a Foreign Subsidiary or Domestic Foreign Holding Company if and to the extent (but only to the extent) that such voting Equity Interest is excluded from the Transaction Liens at such time pursuant to the proviso at the end of Section 2(a) and/or the comparable provisions of one or more Security Agreement Supplements.

Section 7. *[Reserved]*.

Section 8. *Cash Collateral Accounts.*

(a)If and when required for purposes hereof, the Collateral Agent will establish with respect to each Grantor an account (its " **Cash Collateral Account**"), in the name and under the exclusive control of the Collateral Agent, into which all amounts owned by such Grantor that are to be deposited therein pursuant to the Loan Documents shall be deposited from time to time. Each Cash Collateral Account will be operated as provided in this Section and Section 9.

(b) The Collateral Agent shall deposit the following amounts, as and when received by it, in the Borrower's Cash Collateral Account:

(i) each amount required by Section 2.03(f) of the Credit Agreement to be deposited therein; and

(ii)each amount realized or otherwise received by the Collateral Agent with respect to assets of the Borrower upon any exercise of remedies pursuant to any Collateral Document.

(c)The Collateral Agent shall deposit in the Cash Collateral Account of each Grantor (other than the Borrower) each amount realized or otherwise received by the Collateral Agent with respect to assets of such Grantor upon any exercise of remedies pursuant to any Collateral Document.

(d) The Collateral Agent shall maintain such records and/or establish such sub-accounts as shall be required to enable it to identify the amounts held in each Cash Collateral Account from time to time pursuant to each clause of subsection (b) and subsection (c) above, as applicable.

(e)Notwithstanding anything herein to the contrary, any Cash Collateral Account established pursuant to Section2.03(f)of the Credit Agreement shall be governed by the terms and conditions of such section of the Credit Agreement.

Section 9. *Operation of Cash Collateral Accounts.*

(a)Funds held in any Cash Collateral Account may, until withdrawn, be invested and reinvested in such Cash Equivalents as the relevant Grantor shall determine in its sole discretion; *provided* that, if (i)an Event of Default of the type described in paragraph (a), (f)or (g)of Section8.01 of the Credit Agreement shall have occurred and be continuing, or (ii)any other Event of Default shall have occurred and be continuing and an Enforcement Notice is in effect, the Collateral Agent may select such Cash Equivalents.

Each Grantor will take any and all actions reasonably requested by the Collateral Agent to facilitate compliance with this Section. If the provisions of this Sectionare implemented, Section 6(b)shall not thereafter apply to any Pledged Security that is registered in the name of the Collateral Agent or its nominee. The Collateral Agent will promptly give to the Borrower and the relevant Grantor copies of any notices and other communications received by the Collateral Agent with respect to Pledged Securities registered in the name of the Collateral Agent or its nominee.

Section 11. *Right to Vote Securities.* (a)Unless an Event of Default shall have occurred and be continuing and the Collateral Agent shall have provided at least 3 Business Day's prior written notice to the Grantors that their rights under this Section11 are being suspended, each Grantor will have the right to vote and to give consents, ratifications and waivers with respect to any Pledged Security owned by it and the Financial Asset underlying any Pledged Security Entitlement owned by it, and

Unless an Event of Default shall have occurred and be continuing and the Collateral Agent shall have provided at least 3 Business Day's prior written notice to the Grantors that their rights under this Section11 are being suspended, the Collateral Agent will have no right to take any action which the owner of a Pledged Partnership Interest or Pledged LLC Interest is entitled to take with respect thereto, except the right to receive payments and other distributions to the extent provided herein.

(b)Subject to Section12(e), if an Event of Default shall have occurred and be continuing and the Collateral Agent shall have provided at least 3 Business Day's prior written notice to the Grantors that their rights under this Section11 are being suspended, the Collateral Agent will have the right to the extent permitted by Law (and, in the case of a Pledged Partnership Interest or Pledged LLC Interest, by the relevant partnership agreement, limited liability company agreement, operating agreement or other governing document) to vote, to give consents, ratifications and waivers and to take any other action with respect to the Pledged Investment Property, the other Pledged Equity Interests (if any) and the Financial Assets underlying the Pledged Security Entitlements, with the same force and effect as if the Collateral Agent were the absolute and sole owner thereof, and each Grantor will take all such action as the Collateral Agent may reasonably request from time to time to give effect to such right; *provided* that the Collateral Agent shall have the right but not the obligation, from time to time, during the continuation of an Event of Default, to permit the Grantors to exercise such rights.

(c) AFTER ANY AND ALL EVENTS OF DEFAULT HAVE BEEN CURED OR WAIVED, (I)EACH GRANTOR SHALL HAVE THE RIGHT TO EXERCISE THE VOTING, MANAGERIAL AND OTHER CONSENSUAL RIGHTS AND POWERS THAT IT WOULD OTHERWISE BE ENTITLED TO EXERCISE PURSUANT TO THE LOAN DOCUMENTS AND TO RECEIVE AND RETAIN THE PAYMENTS, PROCEEDS, DIVIDENDS, DISTRIBUTIONS, MONIES, COMPENSATION, PROPERTY, ASSETS,INSTRUMENTS OR RIGHTS THAT IT WOULD BE AUTHORIZED TO RECEIVE AND RETAIN PURSUANT TO THE LOAN DOCUMENTS; AND (II) PROMPTLY FOLLOWING ANY REQUEST THEREFOR FROM ANY GRANTOR AFTER SUCH CURE OR WAIVER, (A)THE COLLATERAL AGENT SHALL REPAY AND DELIVER TO EACH GRANTOR ALL CASH AND MONIES THAT SUCH GRANTOR IS ENTITLED TO RETAIN PURSUANT TO THE LOAN DOCUMENTS WHICH HAVE NOT BEEN APPLIED TO THE REPAYMENT OF THE SECURED OBLIGATIONS AND (B)AS APPLICABLE, THE COLLATERAL AGENT SHALL RESTORE THE RECORD OWNERSHIP OF ANY SUCH COLLATERAL TO EACH GRANTOR.

Section 12. *Remedies.* (a)If an Event of Default shall have occurred and be continuing and/or an Enforcement Notice is in effect, and the Collateral Agent has the right to enforce remedies pursuant to Section8.02 of the Credit Agreement, the Collateral Agent may exercise (or cause its sub-agents to exercise) any or all of the remedies available to it (or to such sub-agents) under the Collateral Documents (for the avoidance of doubt, subject to any notice requirement set forth in the Credit Agreement or the Collateral Documents).

(b) Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing and/or an Enforcement Notice is in effect and the Collateral Agent has the right to enforce remedies pursuant to Section8.02 of the Credit Agreement, the Collateral Agent may exercise on behalf of the Secured Parties all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to any Collateral and, in addition, the Collateral Agent may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of Law, withdraw all cash held in the Cash Collateral Accounts and apply such cash as provided in Section13 and, if there shall be no such cash or if such cash shall be insufficient to pay all the Secured Obligations in full, sell, lease, license or otherwise dispose of the Collateral or any part thereof. Notice of any such sale or other disposition shall be given to the relevant Grantor(s) as required by Section 15.

(i) the Collateral Agent may license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Pledged Recordable Intellectual Property for such term or terms, to the extent licensable, and/or sublicensable, on such conditions and in such manner as the Collateral Agent shall in its reasonable discretion determine; *provided* that such licenses or sublicenses do not conflict with or result in the termination of or give rise to any right of acceleration modification or cancellation under any existing license of which the Collateral Agent shall have received a copy;

(ii) the Collateral Agent may (without assuming any obligation or liability thereunder), at any time and from time to time, in its sole and reasonable discretion, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of any Grantor in, to and under any of its Pledged Recordable Intellectual Property and take or refrain from taking any action under any thereof, and each Grantor releases the Collateral Agent and each other Secured Party from liability for, and agrees to hold the Collateral Agent and each other Secured Party free and harmless from and against any claims and expenses arising out of, any lawful action so taken or omitted to be taken with respect thereto, except for claims and expenses arising from the Collateral Agent's or such Secured Party's gross negligence, bad faith or willful misconduct; and

(iii)upon request by the Collateral Agent (which shall not be construed as implying any limitation on its rights or powers), each Grantor will execute and deliver to the Collateral Agent a power of attorney, in form and substance reasonably satisfactory to the Collateral Agent, for the implementation of any sale, lease, license or other disposition of any of such Grantor's Pledged Recordable Intellectual Property or any action related thereto. In connection with any such disposition, but subject to any confidentiality restrictions imposed on such Grantor in any license or similar agreement, such Grantor will supply to the Collateral Agent its know-how and expertise relating to the relevant Recordable Intellectual Property or the products or services made or rendered in connection with such Recordable Intellectual Property, and its customer lists and other records relating to such Recordable Intellectual Property and to the distribution of said products or services.

(d)Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing, each Grantor will, if requested to do so by the Collateral Agent, promptly notify (and such Grantor authorizes the Collateral Agent so to notify) each account debtor in respect of any of its Accounts that such Accounts have been assigned to the Collateral Agent hereunder, and that any payments due or to become due in respect of such Accounts are to be made directly to the Collateral Agent or its designee.

(e) Notwithstanding any other provision hereof or of any other Collateral Document, any enforcement of the Transaction Liens with respect to the shares of capital stock of any Regulated Subsidiary or with respect to any Regulatory Authorization shall be effected in accordance with the Communications Act, any applicable state Law governing telecommunications, the terms of any Governmental Authorizations and any other applicable Laws, rulesand regulations. In particular, neither the Collateral Agent nor any other Secured Party shall enforce any of the Transaction Liens with respect to the shares of capital stock of any Regulated Subsidiary or with respect to any Regulatory Authorization if such enforcement would constitute or result in an assignment of such Regulatory Authorization or a change of control of such Regulated Subsidiary as to which the prior approval of such Governmental Authority is required (under then-current Law), unless such approval has been obtained; *provided* that if any approval of any Governmental Authority is required for the enforcement of any Transaction Lien by the Collateral Agent, promptly upon the relevant Grantor's receipt of notice thereof, such Grantor shall use its best efforts to obtain all such approvals.

Section 13. *Application of Proceeds. (a)* Subject to the Intercreditor Agreements, if an Event of Default shall have occurred and be continuing and/or an Enforcement Notice is in effect, the Collateral Agent shall, in its reasonable discretion, either hold as collateral for the Secured Obligations or at any time apply in whole or in part (i)any cash held in the Cash Collateral Accounts and (ii)the proceeds of any sale or other disposition of all or any part of the Collateral, as set forth in Section8.04 of the Credit Agreement; *provided* that Collateral owned by a Guarantor and any proceeds thereof shall be applied only to the extent permitted by the limitation in Section 2.09 of the Guaranty. The Collateral Agent may make such distributions hereunder in cash or in kind or, on a ratable basis, in any combination thereof.

(b)If at any time any portion of any monies collected or received by the Collateral Agent would, but for the provisions of this Section13(b), be payable pursuant to Section13(a)in respect of a Secured Obligation, the Collateral Agent shall not apply any monies to pay such Secured Obligation but instead shall request the holder thereof, at least 10 days before each proposed distribution hereunder, to notify the Collateral Agent as to the maximum amount of such Secured Obligation if then ascertainable (*e.g.*, in the case of a letter of credit, the maximum amount available for subsequent drawings thereunder). If the holder of such Secured Obligation does not notify the Collateral Agent of the maximum ascertainable amount thereof at least two Business Days before such distribution, such holder will not be entitled to share in such distribution. If such holder does so notify the Collateral Agent as to the maximum ascertainable amount thereof, the Collateral Agent will allocate to such holder a portion of the monies to be distributed in such distribution, calculated as if such Secured Obligation were outstanding in such maximum ascertainable amount. However, the Collateral Agent will not apply such portion of such monies to pay such Secured Obligation, but instead will hold such monies or invest such monies in Cash Equivalents. All such monies and Cash Equivalents and all proceeds thereof will constitute Collateral hereunder, but will be subject to distribution in accordance with this Section13(b)rather than Section 13(a). The Collateral Agent will hold all such monies and Cash Equivalents and the net proceeds thereof in trust and will apply the amount so held in trust as required by Section8.04 of the Credit Agreement. If (i)the holder of such Secured Obligation shall advise the Collateral Agent that no portion thereof remains in as a Secured Obligation and (ii)the Collateral Agent still holds any amount held in trust pursuant to this Section13(b)in respect of such Secured Obligation (after paying all amounts payable pursuant to the preceding sentence), such remaining amount will be applied by the Collateral Agent in the order of priorities set forth in Section 8.04 of the Credit Agreement.

(c)In making the payments and allocations required by this Section, the Collateral Agent may rely upon information supplied to it pursuant to Section 17(c). All distributions made by the Collateral Agent pursuant to this Sectionshall be final (except in the event of manifest error) and the Collateral Agent shall have no duty to inquire as to the application by any Secured Party of any amount distributed to it.

Section 14. *Fees and Expenses; Indemnification.* Each of the Grantors agrees that Sections 3.01, 10.04 and 10.05 of the Credit Agreement will apply,*mutatis mutandis*, with respect to the execution, delivery and performance of this Agreement and the other Collateral Documents (including in connection with any payments hereunder or thereunder), including without limitation any and all reasonable out-of-pocket expenses, including transfer taxes and reasonable fees and expenses of counsel and other experts, that the Collateral Agent may incur in connection with (x) the administration or enforcement of the Collateral Documents, including such expenses as are incurred to preserve the value of the Collateral or the validity, perfection, rank or value of any Transaction Lien, (y)the collection, sale or other disposition of any Collateral or (z) the exercise by the Collateral Agent of any of its rights or powers under the Collateral Documents.

Section 15. *Authority to Administer Collateral.* Each Grantor irrevocably appoints the Collateral Agent its true and lawful attorney, with full power of substitution, in the name of such Grantor, any Secured Party or otherwise, for the sole use and benefit of the Secured Parties, but at the Borrower's expense, to the extent permitted by Law to exercise, at any time and from time to time while an Event of Default shall have occurred and be continuing and/or an Enforcement Notice, and the Collateral Agent has the right to enforce remedies pursuant to Section8.02 of the Credit Agreement: is in effect, all or any of the following powers with respect to all or any of such Grantor's Collateral:

(a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof,

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,

(d) to extend the time of payment of any or all thereof and to make any allowance or other adjustment with reference thereto;

provided that, except in the case of Collateral that is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Collateral Agent will give the relevant Grantor at least ten days' prior written notice of the time and place of any public sale thereof or the time after which any private sale or other intended disposition thereof will be made. Any such notice shall (i)contain the information specified in UCC Section9-613, (ii)be Authenticated and (iii)be sent to the parties required to be notified pursuant to UCC Section9-611(c); *provided* that, if the Collateral Agent fails to comply with this sentence in any respect, its liability for such failure shall be limited to the liability (if any) imposed on it as a matter of Law under the UCC.

Section 16. *Limitation on Duty in Respect of Collateral.* Beyond the exercise of reasonable care in the custody and preservation thereof, the Collateral Agent will have no duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Collateral Agent in good faith, except to the extent that such liability arises from the Collateral Agent's gross negligence, bad faith or willful misconduct or from the Collateral Agent's breach of its obligations under this Agreement.

SECURITY AGREEMENT SUPPLEMENT

SECURITY AGREEMENT SUPPLEMENT dated as of _____, ____, between [*NAME OF LIEN GRANTOR*] (the "**Grantor**") and JPMORGAN CHASE BANK, N.A., as Collateral Agent (the "**Collateral Agent**").

WHEREAS, Windstream Services II, LLC (the "**Borrower**"), the Guarantors party thereto and JPMorgan Chase Bank, N.A., as Collateral Agent, are parties to that certain Security Agreement, dated as of [___] (as heretofore amended and/or supplemented, the "**Security Agreement**") under which the Borrower and the Guarantors secure certain of their respective obligations (the "**Secured Obligations**");

WHEREAS, [*Name of Grantor*] [desires to become] [is] a party to the Security Agreement as a Grantor thereunder; and

WHEREAS, terms defined in the Security Agreement (or whose definitions are incorporated by reference in Section 1 of the Security Agreement) and not otherwise defined herein have, as used herein, the respective meanings provided for therein;

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. *Grant of Transaction Liens.* (a) In order to secure its Secured Obligations, the Grantor grants to the Collateral Agent for the benefit of the Secured Parties a continuing security interest in all of its right, title and interest in the following property of the Grantor, whether now owned or existing or hereafter acquired or arising and regardless of where located (the "**New Collateral**"):

[*describe property being added to the Collateral*][2]

(b)With respect to each right to payment or performance included in the Collateral from time to time, the Transaction Lien granted therein includes a continuing security interest in (i) any Supporting Obligation that supports such payment or performance and (ii) any Lien that (x) secures such right to payment or performance or (y) secures any such Supporting Obligation.

(c) The foregoing Transaction Liens are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of the Grantor with respect to any of the New Collateral or any transaction in connection therewith or constitute a "change of control" with respect to any Person for purposes of the Communications Act of 1934, as amended, or any similar state Law.

---

[1] If the Grantor is the Borrower, delete this recital.

[2] If the Grantor is not already a party to the Security Agreement, clauses (i)through (xii)of, and the proviso to, Section2(a)of the Security Agreement (modified to replace references to "Original Grantor" with the Grantor) may be appropriate.

2. *Delivery of Collateral.* Concurrently with delivering this Security Agreement Supplement to the Collateral Agent, the Grantor is complying with the provisions of Section 6 of the Security Agreement with respect to Investment Property, in each case if and to the extent included in the New Collateral at such time.

3. *Party to Security Agreement.* Upon executing and delivering this Security Agreement Supplement to the Collateral Agent, the Grantor will become a party to the Security Agreement and will thereafter have all the rights and obligations of a Grantor thereunder and be bound by all the provisions thereof as fully as if the Grantor were one of the original parties thereto.[3] The Grantor authorizes the Collateral Agent to file or record financing statements (including transmitting utility filings) and other filing or recording documents or instruments with respect to the Collateral without the signature of the Grantor in such form and in such offices as the Collateral Agent determines appropriate to perfect the security interests of the Collateral Agent under this Security Agreement Supplement. The Grantor authorizes the Collateral Agent to use collateral descriptions such as "all personal property" or "all assets", in each case "whether now owned or hereafter acquired", words of similar import or any other description the Collateral Agent, in its sole discretion, so chooses in any such financing statements. The Grantor agrees that a carbon, photographic, photostatic or other reproduction of this Security Agreement Supplement or of a financing statement is sufficient as a financing statement for filing and recording purposes.

4. *Representations and Warranties*. (a) The Grantor is duly organized, validly existing and in good standing under the Laws of [jurisdiction of organization].

(a) [Reserved].

(b)The execution and delivery of this Security Agreement Supplement by the Grantor and the performance by it of its obligations under the Security Agreement as supplemented hereby are within its corporate or other powers, have been duly authorized by all necessary corporate or other action, require no action by or in respect of, or filing with, any governmental body, agency or official and do not contravene, or constitute a default under, any provision of applicable Law or regulation or of its organizational documents, or of any agreement, judgment, injunction, order, decree or other instrument binding upon it or result in the creation or imposition of any Lien (except a Transaction Lien) on any of its assets.

(c)The Security Agreement as supplemented hereby constitutes a valid and binding agreement of the Grantor, enforceable in accordance with its terms, except as limited by (i)applicable bankruptcy, insolvency, fraudulent conveyance or other similar Laws affecting creditors' rights generally and (ii)general principles of equity.

(d)Each of the representations and warranties set forth in Sections 3 through 10 of the Security Agreement is true as applied to the Grantor and the New Collateral. For purposes of the foregoing sentence, references in said Sections to a "Grantor" shall be deemed to refer to the Grantor, references to Schedules to the Security Agreement shall be deemed to refer to the corresponding Schedules to this Security Agreement Supplement, references to "Collateral" shall be deemed to refer to the New Collateral, and references to the "Closing Date" shall be deemed to refer to the date on which the Grantor signs and delivers this Security Agreement Supplement.

---

[3] Delete Section 3 if the Grantor is already a party to the Security Agreement.

5. *Governing Law and Waiver of Jury Trial*. Section10.14 (*Governing Law, Jurisdiction, Service of Process*) of the Credit Agreement and Section10.15 (*Waiver of Right to Trial by Jury*) of the Credit Agreement are hereby incorporated by reference,*mutatis mutandis*.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement Supplement to be duly executed by their respective authorized officers as of the day and year first above written.

(e) For the avoidance of doubt, any amounts to be distributed pursuant to this Section 2.01 shall be distributed by the applicable Collateral Agent to the following agents for further distribution to its related First Lien Secured Parties: (i) in the case of any amount representing payment with respect to a Priority Payment Lien Obligation, to the Credit Agreement Collateral Agent (until such time as the Credit Agreement Secured Obligations that constitute Priority Payment Lien Obligations are Discharged), (ii) in the case of any amount representing payment with respect to any other Credit Agreement Secured Obligation, to the Credit Agreement Collateral

Agent, (iii) in the case of any amount representing payment with respect to the Initial Additional First Lien Obligations, to the Initial Additional Collateral Agent, and (iv) in the case of any amount representing payment with respect to any Additional First Lien Obligation, to the applicable Additional First Lien Collateral Agent for the corresponding Additional First Lien Documents, in each case for application in accordance with the applicable Secured Credit Documents.

Section 2.02. *Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.*(a) With respect to any Shared Collateral, (i) only the Applicable Collateral Agent shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), and then only on the instructions of the Applicable Authorized Representative, (ii) the Applicable Collateral Agent shall not follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Authorized Representative (or any other First Lien Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other First Lien Secured Party (other than the Applicable Authorized Representative) shall, or shall instruct the Applicable Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any First Lien Security Document, applicable law or otherwise, it being agreed that only the Applicable Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable First Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral. Notwithstanding the equal priority of the Liens, the Applicable Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent, Applicable Authorized Representative or Controlling Secured Party or any other exercise by the Applicable Collateral Agent, Applicable Authorized Representative or Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Applicable Collateral Agent to do so. The foregoing shall not be construed to limit the rights and priorities of any First Lien Secured Party, Collateral Agent or Authorized Representative with respect to any collateral not constituting Shared Collateral.

(b)Each of the Authorized Representatives agrees that it will not accept any Lien on any collateral for the benefit of any Series of First Lien Obligations other than pursuant to the First Lien Security Documents (except (i) for funds deposited for the discharge or defeasance of any Additional First Lien Document and (ii) pursuant to Section 2.03(f) of the Credit Agreement (or any equivalent successor provision)), and by executing this Agreement (or a Joinder Agreement), each Authorized Representative and the Series of First Lien Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First Lien Security Documents applicable to it.

Section 2.03. *No Interference; Payment Over.* (a) Each of the First Lien Secured Parties agrees that (i) it will not (and hereby waives any right to) challenge, question or contest, or support any other Person in challenging, questioning or contesting, in any proceeding (including any Insolvency or Liquidation Proceeding) (x) the perfection, priority, validity, attachment or enforceability of any Lien held by or on behalf of any of the First Lien Secured Parties in all or any part of the Shared Collateral, (y) the validity or enforceability of any First Lien Obligations of any Series or any First Lien Security Document or (z) the validity or enforceability of the priorities, rights or duties established by, or any other provision of, this Agreement; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by any Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct any Collateral Agent or any other First Lien Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by any Collateral Agent or any other First Lien Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against any Collateral Agent or any other First Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and no Collateral Agent, nor any Applicable Authorized Representative or any other First Lien Secured Party shall be liable for any action taken or omitted to be taken by such Collateral Agent, such Applicable Authorized Representative or other First Lien Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; *provided* that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent, any Authorized Representative or any other First Lien Secured Party to enforce this Agreement.

(b)Each First Lien Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral or shall realize any proceeds or any other payment as contemplated by Section 2.01(b)(ii) hereof, pursuant to or on account of any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement or in contravention of this Agreement), at any time prior to the Discharge of each Series of the First Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other First Lien Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed in accordance with the provisions of Section 2.01 hereof.

Section 2.04. *Automatic Release of Liens; Amendments to First Lien Security Documents.*(a) If, at any time the Applicable Collateral Agent, acting in accordance with this Agreement and the applicable Secured Credit Documents, forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each Collateral Agent for the benefit of each Series of First Lien Secured Parties upon such Shared Collateral will automatically be released and discharged upon final conclusion of any such foreclosure proceeding or exercise of remedies as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01 hereof.

(b) [reserved].

(c) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral or amendment to any First Lien Security Document provided for in this Section.

Section 2.05. *Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.*(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its Subsidiaries.

(b) If the Borrower and/or any other Grantor shall become subject to a case (a "**Bankruptcy Case**") under the Bankruptcy Code and shall, as debtor(s)-in possession, move for approval of financing ("**DIP Financing**") to be provided by one or more lenders (the "**DIP Lenders**") under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each First Lien Secured Party agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same ("**DIP Financing Liens**") or to any use of cash collateral that constitutes Shared Collateral, unless the Applicable Authorized Representative, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared

Collateral for the benefit of the Controlling Secured Parties, or such DIP Financing is senior to the Priority Payment Lien Obligations with respect to a payment waterfall, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral, or its priority in the payment waterfall, in each case, on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First Lien Secured Parties constituting DIP Financing Liens) or the payment priority of the Priority Payment Lien Obligations are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First Lien Obligations of the Controlling Secured Parties, or such DIP Financing ranks *pari passu* in right of payment with the Priority Payment Lien Obligations, in each case, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein (including with respect to the payment priority set forth in Section 2.01 as between the Payment Priority Lien Obligations and the Non-Priority First Lien Obligations), in each case so long as (A) the First Lien Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-a-vis all the other First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-a-vis the First Lien Secured Parties as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to Section 2.01 of this Agreement, and (D) if any First Lien Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01 of this Agreement; *provided* that the First Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First Lien Secured Parties of such Series or its Authorized Representative that shall not constitute Shared Collateral; and *provided, further*, that the First Lien Secured Parties receiving adequate protection shall not object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

(c) Notwithstanding anything herein to the contrary, so long as the Discharge of Priority Payment Lien Obligations has not occurred, no Non-Priority First Lien Secured Party shall (i) propose, support or enter into any DIP Financing without the prior written consent of the Required Revolving Credit Lenders (as defined in the Credit Agreement) (or equivalent successor term) or (ii) raise any objection whatsoever to any DIP Financing to be provided by any Revolving Credit Lender (as defined in the Credit Agreement) (or equivalent successor term).

(d) So long as the Discharge of Priority Payment Lien Obligations has not occurred each Authorized Representative, for itself and on behalf of each Non-Priority First Lien Secured Party it represents, agrees that it will not (and no Non-Priority First Lien Secured Party will direct the Applicable Authorized Representative to) object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) and if requested, will consent (and each Non-Priority First Lien Secured Party will direct the Applicable Authorized Representative to consent on behalf of the Non-Priority First Lien Secured Parties) to a sale or other Disposition, a motion to sell or Dispose or the bidding procedure for such sale or Disposition of any Shared Collateral (or any portion thereof) under section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code (including any credit bidding under section 363(k) of the Bankruptcy Code), if the Priority Payment Secured Parties shall have consented to such sale or Disposition, such motion to sell or Dispose or such bidding procedures for such sale or Disposition of such Shared Collateral.

(e) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a Plan of Reorganization or similar dispositive restructuring plan, both on account of Priority Payment Lien Obligations and on account of Non-Priority First Lien Obligations, then, to the extent the debt obligations distributed on account of the Priority Payment Lien Obligations and on account of the Non-Priority First Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(f)In furtherance of the provisions of this Agreement, no Non-Priority First Lien Secured Party shall (directly or indirectly, in the capacity of a secured or unsecured creditor) propose, support, vote in favor of, or otherwise agree to any Non-Conforming Plan of Reorganization.

Section 2.06. *Reinstatement.* In the event that any of the First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under Title 11 of the United Stated Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article 2 shall be fully applicable thereto until all such First Lien Obligations shall again have been paid in full in cash.

Section 2.07. *Insurance.* As between the First Lien Secured Parties, the Applicable Collateral Agent, acting at the direction of the Applicable Authorized Representative, shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

Section 2.08. *Refinancings.* The First Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the refinancing transaction under any Secured Credit Document) of any First Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; *provided* that the Authorized Representative and the Collateral Agent acting on behalf of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

Section 2.09. *Collateral Agent as Gratuitous Bailee for Perfection.* (a) The Applicable Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other First Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09. Pending delivery to the Applicable Collateral Agent, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other First Lien Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b)The duties or responsibilities of the Applicable Collateral Agent and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other First Lien Secured Party for purposes of perfecting the Lien held by such First Lien Secured Parties therein.

Section 2.10. *Transfer of Pledged Collateral and Control.* Prior to the Discharge of Credit Agreement Secured Obligations, any collateral access agreement, any issuer control agreement or any deposit account, security account or other control agreement, as required by the terms of any First Lien Security Document, shall be in

favor of the Credit Agreement Collateral Agent. The Credit Agreement Collateral Agent hereby agrees that upon the Discharge of Credit Agreement Secured Obligations, to the extent permitted by applicable law, upon the written request of the Major Non-Controlling Authorized Representative (with all costs and expenses in connection therewith to be for the account of the Major Non-Controlling Authorized Representative and to be paid by the Grantors):

(a) the Credit Agreement Collateral Agent shall, without recourse or warranty, take commercially reasonable steps to transfer the possession and control of any Possessory Collateral then in its possession or control, to the Applicable Collateral Agent, except in the event and to the extent (i) such Collateral is sold, liquidated, or otherwise disposed of by any of the Credit Agreement Secured Parties or by a Grantor as provided herein in full or partial satisfaction of any of the Credit Agreement Secured Obligations or (ii) it is otherwise required by any order of any court or other governmental authority or applicable law; and

(b) in connection with the terms of any deposit account, security account or other control agreement, collateral access agreement or issuer control agreement, the Credit Agreement Collateral Agent shall notify the other parties thereto that its rights thereunder have been assigned to the Applicable Collateral Agent (to the extent such assignment is not prohibited by the terms of such agreement) and shall confirm to such parties that the Applicable Collateral Agent is thereafter the "Agent" or "Secured Party" (or other comparable term) as such term is used in any such agreement and is otherwise entitled to the rights of the secured party under such agreement.

Section 2.11. *Classification of Claims*. The Borrower, each other Grantor, the Administrative Agent, the Credit Agreement Collateral Agent (on behalf of each Credit Agreement Secured Party) and each Additional First Lien Collateral Agent (on behalf of each Additional First Lien Secured Party) acknowledges and intends that the grants of Liens pursuant to the Secured Credit Documents pertaining to the Priority Payment Obligations, on the one hand, and the Secured Credit Documents pertaining to each other Series of First Lien Obligations, on the other hand, constitute separate and distinct grants of Liens, and because of, among other things, their differing priority in right of recovery on the Shared Collateral with respect to the Proceeds of the Shared Collateral and otherwise under Section 2.01, each of the Priority Payment Lien Obligations, on the one hand, and the Non-Priority First Lien Obligations, on the other hand, are fundamentally different from one another and must be separately classified in any Plan of Reorganization or similar dispositive restructuring plan proposed or confirmed (or approved) in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of any of the Priority Payment Secured Parties, on the one hand, and the Non-Priority First Lien Secured Parties, on the other hand, constitute claims in the same class (rather than separate classes of secured claims), then each Non-Priority First Lien Secured Party hereby acknowledges and agrees (i) to vote to reject such Plan of Reorganization or similar dispositive restructuring plan unless the Priority Payment Secured Parties holding greater than half in number and two-thirds in amount of the Priority Payment Lien Obligations agree to accept such plan or such plan provides for the Discharge of Priority Payment Lien Obligations upon consummation thereof and (ii) that all distributions from the Shared Collateral shall be made as if there were separate classes of Priority Payment Lien Obligations and Non-Priority First Lien Obligations against the Grantors, with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the other secured parties), the Priority Payment Secured Parties, shall be entitled to receive, in addition to amounts distributed to them in respect of principal, prepetition interest and other claims, Post-Petition Interest, before any distribution is made in respect of the Non-Priority First Lien Obligations (or any claims, including in respect of post-petition interest, fees or expenses, related thereto) from, or with respect to, such Shared Collateral or otherwise pursuant to any Plan of Reorganization, with each Non-Priority First Lien Secured Party hereby acknowledging and agreeing to turn over to the Priority Payment Secured Parties amounts otherwise received or receivable by them from, or with respect to, such Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing their aggregate recoveries. The Administrative Agent (as Authorized Representative on behalf of all Priority Payment Secured Parties) and each other Authorized Representative (on behalf of all Non-Priority First Lien Secured Parties it represents) each hereby agrees it shall not object to or contest (or support any other party in objection or contesting) a Plan of Reorganization or other dispositive restructuring plan on the grounds that the Priority Payment Lien Obligations and the Non-Priority First Lien Obligations are classified separately.

Section 2.12. *Non-Priority First Lien Secured Party Purchase Right.* Without prejudice to the enforcement of the Priority Payment Secured Parties' remedies, the Priority Payment Secured Parties agree that at any time following (a) acceleration of the Priority Payment Lien Obligations in accordance with the terms of the applicable Secured Credit Document or (b) the commencement of a proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against any Grantor (each, a "**Purchase Event**"), one or more of the Non-Priority First Lien Secured Parties may request within 30 days after the first date on which a Purchase Event occurs, and the Priority Payment Secured Parties hereby offer the Non-Priority First Lien Secured Parties the option, to purchase all, but not less than all, of the aggregate amount of Priority Payment Lien Obligations outstanding at the time of purchase at (a) in the case of Priority Payment Lien Obligations other than Priority Payment Lien Obligations arising under Secured Hedge Agreements (as defined in the Credit Agreement) (or equivalent term), Secured Cash Management Agreements (as defined in the Credit Agreement) (or equivalent term) or in connection with undrawn letters of credit or bank guarantees, par (including any premium set forth in the Credit Agreement or other applicable Secured Credit Document, interest and fees), (b) in the case of Priority Payment Lien Obligations arising under a Secured Hedge Agreement, an amount equal to the greater of (i) all amounts payable by any Grantor under the terms of such Secured Hedge Agreement in the event of a termination of such Secured Hedge Agreement and (ii) the Swap Termination Value (as defined in the Credit Agreement) (or equivalent term), and (c) in the case of Priority Payment Lien Obligations arising under a Secured Cash Management Agreement, an amount equal to all amounts payable by any Grantor under the terms of such Secured Cash Management Agreement in the event of a termination of such Secured Cash Management Agreement, in each case, without warranty or representation or recourse (except for representations and warranties required to be made by assigning lenders pursuant to an Assignment and Assumption (as defined in the Credit Agreement)). In the case of any Priority Payment Lien Obligations in respect of letters of credit and bank guarantees (including reimbursement obligations in connection therewith), simultaneous with the purchase of the other Priority Payment Lien Obligations, the purchasing Non-Priority First Lien Secured Parties shall provide Priority Payment Secured Parties who issued such letters of credit or such bank guarantees cash collateral in such amounts (not to exceed 103% thereof) as such Priority Payment Secured Parties determine is reasonably necessary to secure such Priority Payment Secured Parties in connection with any outstanding and undrawn letters of credit and bank guarantees. If such right is exercised, the parties shall endeavor to close promptly thereafter but in any event within 10 Business Days of the request. If one or more of the Non- Priority First Lien Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the Authorized Representative for the Credit Agreement Secured Parties and the Authorized Representative for the applicable Non-Priority First Lien Secured Parties. If none of the Non-Priority First Lien Secured Parties exercise such right within 30 days after the first date on which a Purchase Event occurs, the Priority Payment Secured Parties shall have no further obligations pursuant to this Section 2.12 for such Purchase Event and may take any further actions in their sole discretion in accordance with the applicable Secured Credit Documents and this Agreement.

ARTICLE 3
Existence And Amounts OF Liens AND Obligations

Section 3.01. *Determinations with Respect to Amounts of Liens and Obligations. Whenever the Applicable Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Applicable Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon an officer's certificate of the Borrower. The Applicable Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First Lien Secured Party or any other person as a result of such*

determination.

ARTICLE 4
THE APPLICABLE AUTHORIZED REPRESENTATIVE AND THE APPLICABLE COLLATERAL AGENT

Section 4.01. *Appointment and Authority.*

(a) Each of the First Lien Secured Parties hereby irrevocably appoints the Applicable Authorized Representative and the Applicable Collateral Agent to act on its behalf hereunder and authorizes each of them to take such actions on its behalf and to exercise such powers as are delegated to them by the terms hereof or of the applicable Secured Credit Documents, including for purposes of enforcing any and all Liens on Collateral granted by any Grantor to secure any of the First Lien Obligations, together with such powers and discretion as are reasonably incidental thereto.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Applicable Authorized Representative and the Applicable Collateral Agent shall be entitled, for the benefit of the First Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First Lien Security Documents, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the First Lien Obligations held by them. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other First Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the First Lien Secured Parties waives any claim it may now or hereafter have against the Applicable Collateral Agent or the Authorized Representative of any other Series of First Lien Obligations or any other First Lien Secured Party of any other Series arising out of (i) any actions which the Applicable Collateral Agent, any Authorized Representative or any First Lien Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with this Agreement or the First Lien Security Documents or any other agreement related thereto or to the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations, (ii) any election by any Authorized Representative or any holders of First Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by, the Borrower or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, no Collateral Agent or Authorized Representative shall accept any Shared Collateral in full or partial satisfaction of any First Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First Lien Obligations for whom such Collateral constitutes Shared Collateral.

(c) Each Authorized Representative and each Collateral Agent acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Annex II by an additional Senior Class Debt Representative, the relevant Additional First Lien Collateral Agent, the Applicable Collateral Agent and each Grantor in accordance with Section 5.13, the Applicable Collateral Agent will continue to act in its capacity as Applicable Collateral Agent in respect of the then existing Authorized Representatives and such additional Authorized Representative.

(d) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on the Applicable Collateral Agent or the Applicable Authorized Representative to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct the Applicable Collateral Agent or the Applicable Authorized Representative, except that the Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01 hereof.

Section 4.02. *Rights as a First Lien Secured Party.* (a) The Person serving as the Applicable Collateral Agent hereunder shall have the same rights and powers in its capacity as a First Lien Secured Party under any Series of First Lien Obligations that it holds as any other First Lien Secured Party of such Series and may exercise the same as though it were not the Applicable Collateral Agent, and the term "First Lien Secured Party" or "First Lien Secured Parties" or (as applicable) "Credit Agreement Secured Party", "Credit Agreement Secured Parties", "Additional First Lien Secured Party" or "Additional First Lien Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Applicable Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Applicable Collateral Agent hereunder and without any duty to account therefor to any other First Lien Secured Party.

Section 4.03. *Exculpatory Provisions.* The Applicable Collateral Agent and the Applicable Authorized Representative shall not have any duties or obligations except those expressly set forth herein and in the applicable First Lien Security Documents. Without limiting the generality of the foregoing, the Applicable Collateral Agent and the Applicable Authorized Representative:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether an "Event of Default" has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the applicable First Lien Security Documents that the Applicable Collateral Agent is required to exercise as directed in writing by the Applicable Authorized Representative; *provided* that such Person shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Person to liability, or that is contrary to this Agreement, any applicable First Lien Security Document or applicable law;

(c) shall not, except as expressly set forth herein and in the applicable First Lien Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by such Person or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) in the case of the Applicable Collateral Agent, with the consent or at the request of the Applicable Authorized Representative or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a court of competent jurisdiction in a final and nonappealable judgment or (iii) in reliance on a certificate of a Responsible Officer of the Borrower stating that such action is permitted

by the terms of this Agreement. The Applicable Collateral Agent and the Applicable Authorized Representative shall be deemed not to have knowledge of any Event of Default under any Series of First Lien Obligations unless and until written notice describing such Event of Default is received by such Person from the Borrower; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other First Lien Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First Lien Security Documents, (v) the value or the sufficiency of any Collateral for any Series of First Lien Obligations, or (vi) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to such Collateral Agent or Authorized Representative.

Section 4.04. *Reliance.* Each of the Applicable Collateral Agent and the Applicable Authorized Representative shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Applicable Collateral Agent and the Applicable Authorized Representative also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each of the Applicable Collateral Agent and the Applicable Authorized Representative may consult with legal counsel (who may be counsel for the Borrower or any of its Subsidiaries), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 4.05. *Delegation of Duties.* Each of the Applicable Collateral Agent and the Applicable Authorized Representative may perform any and all of its duties and exercise its rights and powers hereunder or under any applicable First Lien Security Document by or through one or more sub-agents appointed by such Person. Each of the Applicable Collateral Agent and the Applicable Authorized Representative and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties (as defined in the Credit Agreement). The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Applicable Collateral Agent and the Applicable Authorized Representative and any such sub-agent.

Section 4.06. *Instructions of the Priority Payment Secured Parties.* So long as any Priority Payment Lien Obligations are outstanding, the Administrative Agent, the Authorized Representative for the Credit Agreement Secured Obligations and the Credit Agreement Collateral Agent shall, in each case, act under this Agreement only upon the written direction of the Required Revolving Credit Lenders (as defined in the credit Agreement).

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. Section 5.02. *Waivers; Amendment; Joinder Agreements.* (a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of the Borrower or any other Grantor, with the consent of the Borrower).

(c) Notwithstanding the foregoing, without the consent of any First Lien Secured Party, any Authorized Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 of this Agreement and upon such execution and delivery, such Authorized Representative and Collateral Agent and the Additional First Lien Secured Parties and Additional First Lien Obligations of the Series for which each such Authorized Representative and Collateral Agent is acting shall be subject to the terms hereof and the terms of the other First Lien Security Documents applicable thereto.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or First Lien Secured Party, the Applicable Collateral Agent may, at the expense of the Grantors, effect amendments and modifications to this Agreement to the extent necessary to reflect the incurrence of any Additional First Lien Obligations in compliance with the Credit Agreement and each Additional First Lien Document.

Section 5.03. *Parties in Interest.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First Lien Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

Section 5.04. *Survival of Agreement.* All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 5.05. *Counterparts.* This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 5.06. *Severability.* Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 5.07. *Governing Law; Jurisdiction.* This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

Section 5.08. *Submission to Jurisdiction Waivers; Consent to Service of Process.* Each Collateral Agent and each Authorized Representative, on behalf of itself and the First Lien Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding arising out of or relating to this Agreement and the First Lien Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the United States District Court for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any First Lien Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any First Lien Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent permitted by law, any right it may have to claim or recover in any legal action or proceeding referred to in this

Section 5.08 any indirect, consequential or punitive damages (as opposed to direct or actual damages).

Section 5.09. *Waiver of Jury Trial.* EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 5.10. *Headings.* Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 5.11. *Conflicts.* In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other First Lien Security Documents or Additional First Lien Documents the provisions of this Agreement shall control.

Section 5.12. *Provisions Solely to Define Relative Rights.* The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Secured Parties in relation to one another. None of the Borrower, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (*provided* that nothing in this Agreement (other than Sections 2.04, 2.05, 2.08, 2.09, 2.11, 2.12 or Article 5) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement or any Additional First Lien Documents), and none of the Borrower or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09, 2.11, 2.12 or Article 5). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First Lien Obligations as and when the same shall become due and payable in accordance with their terms.

(ii) the Borrower shall have delivered to the Applicable Collateral Agent true and complete copies of each of the Additional First Lien Documents relating to such Senior Class Debt, certified as being true, correct and complete by a Responsible Officer of the Borrower;

(iii) all filings, recordations and/or amendments or supplements to the First Lien Security Documents necessary or desirable in the reasonable judgment of the Applicable Collateral Agent to confirm and perfect the Liens securing the relevant obligations relating to such Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Applicable Collateral Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Applicable Collateral Agent); and

(a)So long as the Discharge of First-Priority Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) no Second-Priority Representative or any Second-Priority Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff) with respect to any Common Collateral in respect of any applicable Second-Priority Obligations, institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Common Collateral by the First-Priority Collateral Agent or any First-Priority Secured Party in respect of the First-Priority Obligations, the exercise of any right by the First-Priority Collateral Agent or any First-Priority Secured Party (or any agent or sub-agent on their behalf) in respect of the First-Priority Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any Second-Priority Representative or any Second-Priority Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party, of any rights and remedies relating to the Common Collateral under the First-Priority Documents or otherwise in respect of First-Priority Obligations, or (z) object to the forbearance by the First-Priority Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Common Collateral in respect of First-Priority Obligations and (ii) except as otherwise provided herein, the First-Priority Collateral Agent and the First-Priority Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Common Collateral without any consultation with or the consent of any Second-Priority Representative or any Second-Priority Secured Party; *provided*, *however*, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, each Second-Priority Representative may file a claim or statement of interest with respect to the applicable Second-Priority Obligations and (B) each Second-Priority Representative may take any action (not adverse to the prior Liens on the Common Collateral securing the First-Priority Obligations, or the rights of the First-Priority Collateral Agent or the First-Priority Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Common Collateral. In exercising rights and remedies with respect to the First-Priority Collateral, the First-Priority Collateral Agent and the First-Priority Secured Parties may enforce the provisions of the First-Priority Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. (c) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, agrees that no Second-Priority Representative or Second-Priority Secured Party will take any action that would hinder any exercise of remedies undertaken by the First-Priority Collateral Agent or the First-Priority Secured Parties with respect to the Common Collateral under the First-Priority Documents, including any sale, lease, exchange, transfer or other disposition of the Common Collateral, whether by foreclosure or otherwise, and (ii) each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, hereby waives any and all rights it or any Second-Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the First-Priority Collateral Agent or the First-Priority Secured Parties seek to enforce or collect the First-Priority Obligations or the Liens granted in any of the First-Priority Collateral, regardless of whether any action or failure to act by or on behalf of the First-Priority Collateral Agent or First-Priority Secured Parties is adverse to the interests of the Second-Priority Secured Parties.

(d) Each Second-Priority Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Second-Priority Document shall be deemed to restrict in any way the rights and remedies of the First-Priority Collateral Agent or the First-Priority Secured Parties with respect to the First-Priority Collateral as set forth in this Agreement and the First-Priority Documents.

(e) Subject to the proviso in clause (ii) of Section 3.01(a) and the following Section 3.01(f), until the Discharge of the First-Priority Obligations, the First-Priority Collateral Agent shall have the exclusive right to exercise any right or remedy with respect to the Common Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto.

(f) Notwithstanding the provisions of Section 3.01 above but subject in all cases to Section 4.02, the Second-Priority Collateral Agent may enforce any of its rights and exercise any of its remedies (subject to the limitations set forth in this clause (f) with respect to such actions) with respect to the Second Priority Collateral after a period of 180 consecutive days has elapsed since the date on which the Second-Priority Collateral Agent has delivered to the First-Priority Collateral Agent written notice of the acceleration or non-payment at the final stated maturity of the Indebtedness then outstanding under any Second Priority Documents (the "**Standstill Period**"); *provided, however*, that (i) notwithstanding the expiration of the Standstill Period or anything herein to the contrary, in no event shall the Second-Priority Collateral Agent or any other Second-Priority Secured Party enforce or exercise any rights or remedies with respect to any Common Collateral if the First-Priority Collateral Agent or any other First-Priority Secured Party shall have commenced, and shall be diligently pursuing (or shall have sought or requested relief from or modification of the automatic stay or any other stay in any insolvency or liquidation proceeding to enable the commencement and pursuit thereof) the enforcement or

exercise of any rights or remedies with respect to all or a material portion of such Collateral (prompt written notice thereof to be given to the Second-Priority Collateral Agent by the applicable First-Priority Representative) and (ii) after the expiration of the Standstill Period, so long as no First-Priority Representative has commenced any action to enforce the Liens securing the First-Priority Obligations on all or any material portion of the Collateral, the Second-Priority Secured Parties (or the Second-Priority Collateral Agent on their behalf) may, subject to the provisions of Article 7, enforce the Liens securing the Second-Priority Obligations with respect to all or any portion of the Common Collateral to the extent permitted hereunder. If the Second-Priority Collateral Agent or any other Second-Priority Secured Party exercises any rights or remedies with respect to the Collateral in accordance with the immediately preceding sentence of this paragraph and thereafter the First-Priority Collateral Agent or any other First-Priority Secured Party commences (or attempts to commence or give notice of its intent to commence) the exercise of any of its rights or remedies with respect to the Collateral (including seeking relief from the automatic stay or any other stay in any proceeding under Bankruptcy Law), the Standstill Period shall recommence and the Second-Priority Collateral Agent and each other Second-Priority Secured Party shall rescind any such rights or remedies already exercised with respect to the Common Collateral.

Section 3.02. *Cooperation*. Subject to the proviso in clause (ii) of Section 3.01(a), each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, agrees that, unless and until the Discharge of First-Priority Obligations has occurred, it will not commence, or join with any Person (other than the First-Priority Secured Parties and the First-Priority Collateral Agent upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Common Collateral under any of the applicable Second-Priority Documents or otherwise in respect of the applicable Second-Priority Obligations.

Section 3.03. *Second-Priority Collateral Agent and Second-Priority Secured Parties Waiver*. The Second-Priority Collateral Agent and the Second-Priority Secured Parties hereby waive any claim they may now or hereafter have against the First-Priority Collateral Agent or any First-Priority Secured Parties arising out of (i) any actions which the First-Priority Collateral Agent (or any of its representatives) takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Common Collateral, actions with respect to the foreclosure upon, disposition, release or depreciation of, or failure to realize upon, any of the Common Collateral and actions with respect to the collection of any claim for all or any part of the Obligations from any account debtor, guarantor or any other party) in accordance with any relevant First-Priority Collateral Documents or any other agreement related thereto, or to the collection of the Obligations or the valuation, use, protection or release of any security for the Obligations, (ii) any election by the First-Priority Collateral Agent (or any of its agents), in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code, or (iii) subject to Article 6, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code by, Holdings, the Company or any of its Subsidiaries, as debtor-in-possession.

Each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, hereby (i) agrees that the First-Priority Secured Parties' damages from the actions of the Second-Priority Representatives or any Second-Priority Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the First-Priority Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the First-Priority Collateral Agent, any First-Priority Representative or any other First-Priority Secured Party.

If any Second-Priority Representative or any Second-Priority Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the First-Priority Collateral Agent in accordance with the terms of *Section* 4.02.

Section 5.03. *Amendments to Second-Priority Documents*.

(a)So long as the Discharge of the First-Priority Obligations has not occurred, without the prior written consent of the First-Priority Collateral Agent, no Second-Priority Document may be amended, restated, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second-Priority Document, would (1) require any scheduled payment of principal (including pursuant to a sinking fund obligation) prior to the maturity date thereof or accelerate any date upon which a scheduled payment of principal or interest is due, in each case with respect to any indebtedness outstanding thereunder, (2) shorten the maturity date applicable to any indebtedness incurred thereunder, (3) add or modify (or have the effect of a modification of) any mandatory prepayment or mandatory redemption provision or redemption at the option of the holders thereof in a manner that is more favorable to the holders of the applicable indebtedness, (3) reduce the capacity to incur First-Priority Obligations to an amount less than the aggregate principal amount of indebtedness (including revolving commitments) under the First-Priority Documents on the day of any such amendment, restatement, supplement, modification or Refinancing, (4) restrict the ability of the Grantors to grant liens consistent with the terms of the First-Priority Documents or (5) be prohibited by or inconsistent with any of the terms of this Agreement or any other First-Priority Document. Unless otherwise agreed to by the First-Priority Collateral Agent, each Grantor agrees that each applicable Second-Priority Collateral Document shall include language substantially the same as the following paragraph (or language to similar effect approved by the First-Priority Collateral Agent, such approval not to be unreasonably withheld):

> "Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [insert the relevant Second-Priority Representative] for the benefit of the [Second-Priority Secured Parties] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted to (a) [JPMorgan Chase Bank, N.A.], as collateral agent (and its permitted successors), pursuant to the Security Agreement dated as of September 21, 2020 (as amended, restated, supplemented or otherwise modified from time to time), by and among Windstream Services II, LLC, the guarantors party thereto and JPMorgan Chase Bank, N.A., as collateral agent, (b) Wilmington Trust, National Association, as collateral agent (and its permitted successors), pursuant to the Security Agreement dated as of September 21, 2020 (as amended, restated, supplemented or otherwise modified from time to time) by and among Windstream Services II, LLC, the guarantors party thereto and Wilmington Trust, National Association, as collateral agent or (c) any agent or trustee for any Other First-Priority Secured Parties and (ii) the exercise of any right or remedy by the [insert the relevant Second-Priority Representative] hereunder or the application of proceeds (including insurance proceeds and condemnation proceeds) of any Common Collateral is subject to the limitations and provisions of the Junior Lien Intercreditor Agreement dated as of September 21, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the "**Junior**

Lien Intercreditor Agreement"), by and among [JPMorgan Chase Bank, N.A.], in its capacity as the First Lien Collateral Agent and First Lien Administrative Agent, [Wilmington Trust, National Association], as Initial Other First-Priority Collateral Agent, and [_____], in its capacity as the Second Lien Collateral Agent. In the event of any conflict between the terms of the Junior Lien Intercreditor Agreement and the terms of this Agreement, the terms of the Junior Lien Intercreditor Agreement shall govern."

(b)In the event that the First-Priority Collateral Agent or the First-Priority Secured Parties enter into any amendment, waiver or consent in respect of or replace any of the First-Priority Collateral Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First-Priority Collateral Document or changing in any manner the rights of the First-Priority Collateral Agent, the First-Priority Secured Parties, the Company or any other Grantor thereunder (including the release of any Liens in First-Priority Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Second-Priority Collateral Document without the consent of any Second-Priority Representative or any Second-Priority Secured Party and without any action by any Second-Priority Representative, Second-Priority Secured Party, the Company or any other Grantor; *provided*, *however*, that (x) no such amendment, waiver or consent shall have the effect of removing assets subject to the Lien of any Second Priority Collateral Document, except to the extent that a release of such Lien is provided for in Section 5.01 hereof, (y) no such amendment, waiver or consent shall impose additional material obligations on or impair the rights, privileges and immunities of any Second Priority Representative or Second Priority Collateral Agent without such person's written consent and (z) written notice of such amendment, waiver or consent shall have been given to each Second-Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c)Notwithstanding the foregoing, without the consent of any Secured Party, any First-Priority Representative and any Second-Priority Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with and compliance with Section 8.21 of this Agreement and, upon such execution and delivery, such First-Priority Representative, the First-Priority Secured Parties and the First-Priority Obligations and/or such Second-Priority Representative, the Second-Priority Secured Parties and the Second-Priority Obligations, as applicable, shall be subject to the terms hereof.

Section 5.04. *Rights As Unsecured Creditors.* Notwithstanding anything to the contrary in this Agreement, the Second-Priority Representatives and the Second-Priority Secured Parties may exercise rights and remedies as an unsecured creditor against Holdings, the Company or any Subsidiary of the Company that has guaranteed the Second-Priority Obligations in accordance with the terms of the applicable Second-Priority Documents and applicable law, so long as such rights and remedies do not violate (or are otherwise not prohibited by) this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second-Priority Representative or any Second-Priority Secured Party of the required payments of interest and principal so long as such receipt is not the direct or indirect result of the exercise by any Second-Priority Representative or any Second-Priority Secured Party of rights or remedies as a secured creditor in respect of Common Collateral or enforcement in contravention of this Agreement of any Lien in respect of Second-Priority Obligations held by any of them. In the event any Second-Priority Representative or any Second-Priority Secured Party becomes a judgment lien creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second-Priority Obligations, such judgment lien shall be subordinated to the Liens securing First-Priority Obligations on the same basis as the other Liens securing the Second-Priority Obligations are so subordinated to such Liens securing First-Priority Obligations under this Agreement. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the First-Priority Collateral Agent or the First-Priority Secured Parties may have with respect to the First-Priority Collateral.

Section 5.05. *First-Priority Collateral Agent as Gratuitous Bailee/Agent for Perfection.*

(a) The First-Priority Collateral Agent agrees to hold the Pledged Collateral that is part of the Common Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and/or gratuitous agent for the benefit of each Second-Priority Representative and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the Second-Priority Collateral Documents, subject to the terms and conditions of this **Section** 5.05.

(b) The First-Priority Collateral Agent agrees to hold the Deposit Account Collateral (if any) that is part of the Common Collateral and controlled by the First-Priority Collateral Agent as gratuitous bailee and/or gratuitous agent for the benefit of each Second-Priority Representative and any assignee solely for the purpose of perfecting the security interest granted in such Deposit Account Collateral pursuant to the Second-Priority Collateral Documents, subject to the terms and conditions of this **Section** 5.05.

(c) In the event that the First-Priority Collateral Agent (or its agent or bailees) has Lien filings against intellectual property that is part of the Common Collateral that are necessary for the perfection of Liens in such Common Collateral, the First-Priority Collateral Agent agrees to hold such Liens as gratuitous bailee and/or gratuitous agent for the benefit of each Second-Priority Representative and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the Second-Priority Collateral Documents, subject to the terms and conditions of this **Section** 5.05.

(d) Except as otherwise specifically provided herein (including Sections **3.01** and **4.01**), until the Discharge of First-Priority Obligations has occurred, the First-Priority Collateral Agent shall be entitled to deal with the Pledged Collateral in accordance with the terms of the First-Priority Documents as if the Liens under the Second-Priority Collateral Documents did not exist. The rights of the Second-Priority Representatives and the Second-Priority Secured Parties with respect to such Pledged Collateral shall at all times be subject to the terms of this Agreement.

(e)The First-Priority Collateral Agent shall have no obligation whatsoever to any Second-Priority Representative or any Second-Priority Secured Party to assure that the Pledged Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this **Section** 5.05. The duties or responsibilities of the First-Priority Collateral Agent under this **Section** 5.05 shall be limited solely to holding the Pledged Collateral as gratuitous bailee and/or gratuitous agent for the benefit of each Second-Priority Representative for purposes of perfecting the Lien held by the Second-Priority Secured Parties.

(f) The First-Priority Collateral Agent shall not have by reason of the Second-Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of any Second-Priority Representative or any Second-Priority Secured Party and the Second-Priority Representatives and the Second-Priority Secured Parties hereby waive and release the First-Priority Collateral Agent from all claims and liabilities arising pursuant to the First-Priority Collateral Agent's role under this **Section** 5.05, as gratuitous bailee and/or gratuitous agent with respect to the Common Collateral.

(g)Upon the Discharge of First-Priority Obligations, the First-Priority Collateral Agent shall deliver to the Second-Priority Collateral Agent, at the Company's reasonable expense, to the extent that it is legally permitted to do so, the Pledged Collateral (if any) and the Deposit Account Collateral (if any) that is part of the Common Collateral together with any necessary endorsements (or otherwise allow the Second-Priority Collateral Agent to obtain control of such Pledged Collateral

and Deposit Account Collateral) or as a court of competent jurisdiction may otherwise direct. The Company shall take such further action as is required to effectuate the transfer contemplated hereby (or, in the case of the Deposit Account Collateral, use commercially reasonable efforts to effectuate the transfer contemplated hereby) and shall indemnify the First-Priority Collateral Agent for any loss or damage suffered by the First-Priority Collateral Agent as a result of such transfer except for any loss or damage suffered by the First-Priority Collateral Agent as a result of its own willful misconduct or gross negligence. The First-Priority Collateral Agent has no obligation to follow instructions from any Second-Priority Representative in contravention of this Agreement.

(h) Neither the First-Priority Collateral Agent nor the First-Priority Secured Parties shall be required to marshal any present or future collateral security for the Company's or its Subsidiaries' obligations to the First-Priority Collateral Agent or the First-Priority Secured Parties under the First-Priority Documents or the First-Priority Collateral Documents or any assurance of payment in respect thereof or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

(i)The agreement of the First-Priority Collateral Agent to act as gratuitous bailee and/or gratuitous agent pursuant to this **Section** 5.05 is intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), 9-104(a)(2) and 9-313(c) of the UCC.

Section 5.06. *Second-Priority Collateral Agent as Gratuitous Bailee/Agent for Perfection*.

(a) Upon the Discharge of First-Priority Obligations, the Second-Priority Collateral Agent agrees to hold the Pledged Collateral that is part of the Common Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and/or gratuitous agent for the benefit of the other Second-Priority Representatives and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the applicable Second-Priority Collateral Document, subject to the terms and conditions of this **Section** 5.06.

(b) Upon the Discharge of First-Priority Obligations, the Second-Priority Collateral Agent agrees to hold the Deposit Account Collateral (if any) that is part of the Common Collateral and controlled by the Second-Priority Collateral Agent as gratuitous bailee and/or gratuitous agent for the benefit of other Second-Priority Representatives and any assignee solely for the purpose of perfecting the security interest granted in such Deposit Account Collateral pursuant to the applicable Second-Priority Collateral Document, subject to the terms and conditions of this **Section** 5.06.

(c) In the event that the Second-Priority Collateral Agent (or its agent or bailees) has Lien filings against intellectual property that is part of the Common Collateral that are necessary for the perfection of Liens in such Common Collateral, upon the Discharge of First-Priority Obligations, the Second-Priority Collateral Agent agrees to hold such Liens as gratuitous bailee and/or gratuitous agent for the benefit of other Second-Priority Representatives and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the applicable Second-Priority Collateral Document, subject to the terms and conditions of this **Section** 5.06.

(d)The Second-Priority Collateral Agent, in its capacity as gratuitous bailee and/or gratuitous agent, shall have no obligation whatsoever to the other Second-Priority Representatives to assure that the Pledged Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this **Section** 5.06. The duties or responsibilities of the Second-Priority Collateral Agent under this **Section** 5.06 upon the Discharge of First-Priority Obligations shall be limited solely to holding the Pledged Collateral as gratuitous bailee and/or gratuitous agent for the benefit of other Second-Priority Representatives for purposes of perfecting the Lien held by the applicable Second-Priority Secured Parties.

(e)The Second-Priority Collateral Agent shall not have by reason of the Second-Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of the other Second-Priority Representatives (or the Second-Priority Secured Parties for which such other Second-Priority Representatives are agent) and the other Second-Priority Representatives hereby waive and release the Second-Priority Collateral Agent from all claims and liabilities arising pursuant to the Second-Priority Collateral Agent's role under this **Section** 5.06, as gratuitous bailee and/or gratuitous agent with respect to the Common Collateral.

(f) In the event that the Second-Priority Collateral Agent shall cease to be so designated the Second-Priority Collateral Agent pursuant to the definition of such term, the then Second-Priority Collateral Agent shall deliver to the successor Second-Priority Collateral Agent (at the Company's expense), to the extent that it is legally permitted to do so, the Pledged Collateral (if any) and the Deposit Account Collateral (if any) together with any necessary endorsements (or otherwise allow the successor Second-Priority Collateral Agent to obtain control of such Pledged Collateral and Deposit Account Collateral) or as a court of competent jurisdiction may otherwise direct, and such successor Second-Priority Collateral Agent shall perform all duties of the Second-Priority Collateral Agent as set forth herein. The Company shall take such further action as is required to effectuate the transfer contemplated hereby (or, in the case of the Deposit Account Collateral, use commercially reasonable efforts to effectuate the transfer contemplated hereby) and shall indemnify the Second-Priority Collateral Agent for any loss or damage suffered by the Second-Priority Collateral Agent as a result of such transfer except for any loss or damage suffered by the Second-Priority Collateral Agent as a result of its own willful misconduct or gross negligence. The Second-Priority Collateral Agent has no obligation to follow instructions from the successor Second-Priority Collateral Agent in contravention of this Agreement

(g)The agreement of the Second-Priority Collateral Agent to act as gratuitous bailee and/or gratuitous agent pursuant to this **Section** 5.06 is intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), 9-104(a)(2) and 9-313(c) of the UCC.

Section 5.07. *When Discharge of First-Priority Obligations Deemed to Not Have Occurred*. If, at any time after the Discharge of First-Priority Obligations has occurred, the Company incurs and designates any other First-Priority Obligations, or the Company or any Grantor enters into any Refinancing of any First-Priority Document evidencing a First-Priority Obligation, which Refinancing is permitted hereby and by the terms of the Second-Priority Documents, then such Discharge of First-Priority Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of First-Priority Obligations), and the obligations under such Refinancing of the First-Priority Document shall automatically be treated as First-Priority Obligations for all purposes of this Agreement, and the applicable agreement governing such Other First-Priority Obligations shall automatically be treated as a First-Priority Document (and, upon designation by the Company thereof, the "**First Lien Credit Agreement**" hereunder) for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein and the granting by the First-Priority Collateral Agent of amendments, waivers and consents hereunder. Upon receipt of notice of such designation or Refinancing (including the identity of the new First-Priority Collateral Agent), each Second-Priority Representative shall promptly (i) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new First-Priority Collateral Agent shall reasonably request in writing in order to provide the new First-Priority Representative the rights of the First-Priority Collateral Agent contemplated hereby and (ii) to the extent then held by any Second-Priority Representative, deliver to the First-Priority Collateral Agent the Pledged Collateral that is Common Collateral together with any necessary endorsements (or otherwise allow such First-Priority Collateral Agent to obtain possession or control of such Pledged Collateral).

Section 5.08. *No Release Upon Discharge of First-Priority Obligations*. Notwithstanding any other provisions contained in this Agreement, if a Discharge of First-Priority Obligations occurs, the second-priority Liens on the Second-Priority Collateral securing the Second-Priority Obligations will not be released, except to the extent such Second-Priority Collateral or any portion thereof was disposed of in order to repay the First-Priority Obligations secured by such Second-Priority Collateral

(including as contemplated under *Section* 6.09 below) or otherwise as permitted under the First-Priority Documents and the Second-Priority Documents, as applicable.

Section 5.09. *Purchase Option.* Without prejudice to the enforcement of the First-Priority Secured Parties' remedies, the First-Priority Secured Parties agree that following (a) the acceleration of the First-Priority Obligations in accordance with the terms of all First-Priority Documents or (b) the commencement of an Insolvency or Liquidation Proceeding (each, a "**Purchase Event**"), within thirty (30) days of the Purchase Event, one or more of the Second-Priority Secured Parties may request, and the First-Priority Secured Parties hereby offer the Second-Priority Secured Parties the option, to purchase all, but not less than all, of the aggregate amount of outstanding First-Priority Obligations outstanding at the time of purchase at par, plus any premium that would be applicable upon prepayment of the First-Priority Obligations and including all accrued and unpaid interest and fees and expenses as of the date of closing of such purchase, in accordance with the relevant First-Priority Documents, without warranty or representation or recourse (except for customary representations and warranties required to be made by assigning lenders pursuant to any assignment agreement required under any of the First Lien Documents, Initial Other First-Priority Documents, and Other First-Priority Documents). In connection with such purchase, all issued and undrawn letters of credit constituting First-Priority Obligations shall be cancelled, replaced or cash collateralized in an amount not less than 103% of the face amount thereof by the purchasing Second-Priority Secured Parties, or the purchasing Second-Priority Secured Parties shall have provided other similar credit support satisfactory to each relevant issuer; provided that at such time as all such letters of credit have been cancelled, expired or been fully drawn, as the case may be, and after all applications described above have been made, any excess cash collateral deposited as described above shall be returned to the respective purchasers. If such right is exercised, the parties shall endeavor to close promptly thereafter but in any event within ten (10) Business Days of the request. If one or more of the Second-Priority Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the applicable selling First-Priority Secured Parties and the purchasing Second-Priority Secured Parties. If none of the Second-Priority Secured Parties exercise such right within the time periods set forth above, the First-Priority Secured Parties shall have no further obligations pursuant to this Section 5.09 for such Purchase Event and may take any further actions in their sole discretion in accordance with the First-Priority Documents and this Agreement. The Borrower and each First-Priority Representative hereby consents to any assignment pursuant to this Section 5.09 to the extent it has a consent or similar approval right under the assignment provisions of the relevant First-Priority Documents.

ARTICLE 6

Insolvency or Liquidation Proceedings.

Section 6.01. *Financing Issues.*

(a)If the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the First-Priority Collateral Agent shall desire to permit (or not object to) the use of cash collateral or to permit (or not object to) the Company or any other Grantor to obtain financing under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision in any Bankruptcy Law ("**DIP Financing**"), then each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, agrees that it will raise no (i) objection to (and will not otherwise contest or join with or support any third party opposing, objecting to or contesting) such use of cash collateral or DIP Financing and will not request adequate protection or any other relief in connection therewith (except to the extent expressly permitted by the proviso in clause (ii) of Section 3.01(a) and **Section** 6.03) and, to the extent the Liens securing the First-Priority Obligations under the First-Priority Documents are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed to have subordinated) its Liens on the Common Collateral to (x) such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second-Priority Obligations are so subordinated to Liens securing First-Priority Obligations under this Agreement, subject to clause (b) of this Section 6.01, (y) any "carve-out" or administrative charge for professional and United States trustee fees agreed to by the First-Priority Representatives and (z) all adequate protection liens granted to the First-Priority Secured Parties with respect to any Common Collateral, (ii) objection to (and will not otherwise contest or join with or support any third party opposing, objecting to or contesting) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of First-Priority Obligations made by the First-Priority Collateral Agent or any holder of First-Priority Obligations, (iii) objection to (and will not otherwise contest or join with or support any third party opposing, objecting to or contesting) any lawful exercise by any holder of First-Priority Obligations of the right to credit bid First-Priority Obligations at any sale in foreclosure of First-Priority Collateral, (iv) objection to (and will not otherwise contest or join with or support any third party opposing, objecting to or contesting) any other request for judicial relief made in any court by any holder of First-Priority Obligations relating to the lawful enforcement of any Lien on First-Priority Collateral or (v) objection to (and will not otherwise contest or join with or support any third party opposing, objecting to or contesting) any order relating to a sale of assets of any Grantor for which the First-Priority Collateral Agent has consented that provides, to the extent the sale is to be free and clear of Liens, that the Liens securing the First-Priority Obligations and the Second-Priority Obligations will attach to the proceeds of the sale (to the extent such proceeds are not applied to repay the First-Priority Obligations) on the same basis of priority as the Liens securing the First-Priority Collateral rank to the Liens securing the Second-Priority Collateral in accordance with this Agreement.

(b)Notwithstanding the foregoing, the provisions of clause (i) of Section 6.01(a) shall only be applicable as to the Second-Priority Secured Parties with respect to any use of cash collateral or DIP Financing to the extent that: (i) the Second-Priority Representatives retain their Liens with respect to the Common Collateral that existed as of the date of the commencement of the applicable Insolvency or Liquidation Proceeding (including proceeds thereof arising after the commencement of such Insolvency or Liquidation Proceeding (to the extent such proceeds are not applied to repay the First-Priority Obligations)) and (ii) such DIP Financing is secured by Liens equal or senior to Liens securing First Lien Obligations.

(c)Until the Discharge of First-Priority Obligations has occurred, each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, agrees that none of them shall assert a claim under section 507(b) of the Bankruptcy Code.

Section 6.02. *Relief from the Automatic Stay.* Until the Discharge of First-Priority Obligations has occurred, each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in respect of the Common Collateral, without the prior written consent of the First-Priority Collateral Agent.

Section 6.03. *Adequate Protection.* Each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, agrees that none of them shall object or contest (or support any other Person objecting to or contesting) (a) any request by the First-Priority Collateral Agent or the First-Priority Secured Parties for adequate protection, (b) any objection by the First-Priority Collateral Agent or the First-Priority Secured Parties to any motion, relief, action or proceeding based on the First-Priority Collateral Agent's or the First-Priority Secured Parties' claiming a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts of the First-Priority Collateral Agent, any First-Priority Representative or any other First-Priority Secured Party under Section 506(b) or 506(c) of Title 11 of the United States Code or any similar provisions of any other Bankruptcy Law. Notwithstanding the foregoing, in any Insolvency or Liquidation Proceeding, (i) if the First-Priority Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or Section 364 of Title 11 of the United States Code or any similar Bankruptcy Law, then each Second-Priority Representative, on behalf of

itself and any applicable Second-Priority Secured Party, may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing the First-Priority Obligations and such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second-Priority Obligations are so subordinated to the Liens securing First-Priority Obligations under this Agreement and (ii) in the event any Second-Priority Representative, on behalf of itself or any applicable Second-Priority Secured Party, seeks or requests adequate protection and such adequate protection is granted in the form of additional collateral, then such Second-Priority Representative, on behalf of itself or each such Second-Priority Secured Party, agrees that the First-Priority Representatives shall also be granted a senior Lien on such additional collateral as security for the applicable First-Priority Obligations and any such DIP Financing and that any Lien on such additional collateral securing the Second-Priority Obligations shall be subordinated to the Liens on such collateral securing the First-Priority Obligations and any such DIP Financing (and all Obligations relating thereto) and any other Liens granted to the First-Priority Secured Parties as adequate protection on the same basis as the other Liens securing the Second-Priority Obligations are so subordinated to such Liens securing First-Priority Obligations under this Agreement.

Section 6.04. *Preference Issues*. If any First-Priority Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the Company or any other Grantor (or any trustee, receiver or similar person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a "**Recovery**"), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the First-Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the First-Priority Secured Parties shall remain entitled to the benefits of this Agreement until a Discharge of First-Priority Obligations with respect to all such recovered amounts and shall have all rights hereunder until such time. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

Section 6.05. *Application*. This Agreement shall be applicable prior to and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee for such Person and such Person as debtor in possession. The relative rights as to the Common Collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition, subject to any court order approving the financing of, or use of cash collateral by, any Grantor.

Section 6.06. *506(c) Claims*. Until the Discharge of First-Priority Obligations has occurred, each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, will not assert or enforce any claim under Section 506(c) of the United States Bankruptcy Code senior to or on a parity with the Liens securing the First-Priority Obligations for costs or expenses of preserving or disposing of any Common Collateral.

Section 6.07. *Separate Grants of Security and Separate Classifications; Plans of Reorganization.*

(a)Each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, acknowledges and agrees that (i) the grants of Liens pursuant to the First-Priority Collateral Documents and the Second-Priority Collateral Documents constitute two separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Common Collateral, the Second-Priority Obligations are fundamentally different from the First-Priority Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First-Priority Secured Parties and the Second-Priority Secured Parties in respect of the Common Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Common Collateral (with the effect being that, to the extent that the aggregate value of the Common Collateral is sufficient (for this purpose ignoring all claims held by the Second-Priority Secured Parties), the First-Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees and expenses (whether or not allowed or allowable) before any distribution is made in respect of the Second-Priority Obligations, with each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party, hereby acknowledging and agreeing to turn over to the First-Priority Collateral Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second-Priority Secured Parties.

(b)Each Second-Priority Representative, for itself and on behalf of each applicable Second-Priority Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall not propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement other than with the prior written consent of the First-Priority Collateral Agent, unless such plan (i) satisfies the First-Priority Obligations in full in cash (other than any letters of credit issued thereunder which shall have been terminated or cash collateralized in accordance with the provisions of the applicable First-Priority Collateral Document) upon the consummation thereof or (ii) is proposed or supported by the number of First Priority Secured Parties required under Section 1126(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

Section 6.08. *Section 1111(b)(2) Waiver* . Each Second-Priority Representative, for itself and on behalf of the other Second-Priority Secured Parties, waives any claim it may hereafter have against any First-Priority Secured Party arising out of the election by any First-Priority Secured Party of the application to the claims of any First-Priority Secured Party of Section 1111(b)(2) of the Bankruptcy Code, and/or out of any sale, use or lease, cash collateral or DIP Financing arrangement or out of any grant of a security interest in connection with the Common Collateral in any Insolvency or Liquidation Proceeding.

Section 6.09. *Asset Sales.* Each Second-Priority Representative agrees, for and on behalf of itself and the applicable Second-Priority Secured Parties represented thereby, that it (i) will not oppose any sale consented to by the First-Priority Collateral Agent or any First-Priority Representative of any Common Collateral pursuant to Section 363(f) of the Bankruptcy Code (or any similar provision under the law applicable to any Insolvency or Liquidation Proceeding), so long as the Second-Priority Representative, for the benefit of the Second Priority Secured Parties, shall retain a Lien on the proceeds of such sale (to the extent such proceeds of such sale are not applied to repay the First-Priority Obligations or otherwise in accordance with this Agreement) and (ii) shall not have any right to credit bid in any disposition of Common Collateral in accordance with Sections 363(k) or 1129(b)(2)(A)(ii) of the Bankruptcy Code or otherwise, unless such credit bid contemplates the payment in full in cash of all First Priority Obligations on the closing of such disposition.

Section 6.10. *Reorganization Securities; Voting*. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a Plan of Reorganization or similar dispositive restructuring plan, on account of both the First-Priority Obligations and the Second-Priority Obligations, then, to the extent the debt obligations distributed on account of the First-Priority Obligations and on account of the Second-Priority Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

Section 6.11. *Post-Petition Interest.* Each Second-Priority Secured Party shall not oppose or seek to challenge any claim by any First-Priority Secured Party for allowance in any Insolvency or Liquidation Proceeding of First-Priority Obligations consisting of claims for post-petition interest, fees, costs, expenses, and/or other

charges, under Section 506(b) of the Bankruptcy Code (or any similar provision of any other Bankruptcy Law) or otherwise, to the extent of the value of the Lien of the First-Priority Representative on behalf of the First-Priority Secured Parties on the First-Priority Collateral (for this purpose ignoring all claims and Liens held by the Second-Priority Secured Parties on the Common Collateral).

ARTICLE 7

Reliance; Waivers; Etc

Section 7.01. *Reliance.* Other than any reliance on the terms of this Agreement, each First-Priority Representative, on behalf of itself and each applicable First-Priority Secured Party (other than the First Lien Administrative Agent and the First Lien Collateral Agent), acknowledges that it and the applicable First-Priority Secured Parties (other than the First Lien Administrative Agent and the First Lien Collateral Agent) have, independently and without reliance on the Second-Priority Collateral Agent or any Second-Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the applicable First-Priority Documents, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decision in taking or not taking any action under the applicable First-Priority Documents or this Agreement. Each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party (other than the Second Lien [Trustee][Administrative Agent], the Second Lien Collateral Agent and any trustee or collateral agent acting as an Other Second-Priority Representative), acknowledges that it and the applicable Second-Priority Secured Parties (other than the Second Lien [Trustee][Administrative Agent] and the Second Lien Collateral Agent and any trustee or collateral agent acting as an Other Second-Priority Representative) have, independently and without reliance on the First-Priority Collateral Agent or any First-Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the applicable Second-Priority Documents, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decision in taking or not taking any action under the applicable Second-Priority Documents or this Agreement.

Section 7.02. *No Warranties or Liability*. Each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, acknowledges and agrees that neither the First-Priority Collateral Agent nor any First-Priority Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the First-Priority Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. Neither the First-Priority Collateral Agent nor any First-Priority Secured Party shall have any duty to any Second-Priority Representative or any Second-Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Company or any Subsidiary thereof (including the Second-Priority Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Junior Lien Intercreditor Agreement, the First-Priority Collateral Agent, the First-Priority Secured Parties, the Second-Priority Representatives and the Second-Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Second-Priority Obligations, the First-Priority Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) the Company's or any other Grantor's title to or right to transfer any of the Common Collateral or (c) any other matter except as expressly set forth in this Agreement.

Section 7.03. *Obligations Unconditional.* All rights, interests, agreements and obligations of the First-Priority Collateral Agent and the First-Priority Secured Parties, and the Second-Priority Representatives and the Second-Priority Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First-Priority Documents or any Second-Priority Documents;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First-Priority Obligations or Second-Priority Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the First Lien Credit Agreement or any other First-Priority Document or of the terms of the Second Lien [Indenture][Credit Agreement] or any other Second-Priority Document;

(c) any exchange of any security interest in any Common Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First-Priority Obligations or Second-Priority Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Company or any other Grantor in respect of the First-Priority Obligations, or of any Second-Priority Representative or any Second-Priority Secured Party in respect of this Agreement.

ARTICLE 8

Miscellaneous

Section 8.01. *Conflicts*. Subject to *Section* 8.19, in the event of any conflict between the terms of this Agreement and the terms of any First-Priority Document or any Second-Priority Document, the terms of this Agreement shall govern. Notwithstanding any other term or provision set forth in this Agreement, nothing herein shall require the First-Priority Collateral Agent, the Initial Other First-Priority Collateral Agent or any of the First-Priority Secured Parties to take any action that would violate any applicable laws.

Section 8.02. *Continuing Nature of this Agreement; Severability.* Subject to *Section* 5.07 and *Section* 6.04, this Agreement shall continue to be effective until the Discharge of First-Priority Obligations shall have occurred. This is a continuing agreement of lien subordination and the First-Priority Secured Parties may continue, at any time and without notice to each Second-Priority Representative or any Second-Priority Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting First-Priority Obligations in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding, any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 8.03. *Amendments; Waivers*. No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each Second-Priority Representative (or its authorized agent), each First-Priority Representative (or its authorized agent) and,

in the case of any amendment that increases the obligations, or otherwise adversely affects any right, of the Company hereunder, the Company, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding anything in this *Section* 8.03 to the contrary, this Agreement may be amended from time to time at the request of the Company, at the Company's expense, and without the consent of any First-Priority Representative, any Second-Priority Representative, any First-Priority Secured Party or any Second-Priority Secured Party or any other Person then party thereto, but in each case subject to Section 8.21, to (i) add other parties holding Other First-Priority Obligations (or any agent or trustee therefor) and Other Second-Priority Obligations (or any agent or trustee therefor) in each case to the extent such Obligations are not prohibited by any First-Priority Document or any Second-Priority Document, (ii) in the case of Other Second-Priority Obligations, (a) establish that the Lien on the Common Collateral securing such Other Second-Priority Obligations shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any First-Priority Obligations and shall share in the benefits of the Common Collateral equally and ratably with or junior to all Liens on the Common Collateral securing any Second-Priority Obligations (subject to the terms of the applicable Second-Priority Documents and the First Lien Intercreditor Agreement), and (b) provide to the holders of such Other Second-Priority Obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the First-Priority Collateral Agent) as are provided to the holders of Second-Priority Obligations under this Agreement (subject to the terms of the applicable Second-Priority Documents), (iii) in the case of Other First-Priority Obligations, (a) establish that the Lien on the Common Collateral securing such Other First-Priority Obligations shall be superior in all respects to all Liens on the Common Collateral securing any Second-Priority Obligations and shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any First-Priority Obligations (subject to the terms of the applicable First-Priority Documents), and (b) provide to the holders of such Other First-Priority Obligations (or any agent or trustee thereof) the comparable rights and benefits as are provided to the holders of First-Priority Obligations under this Agreement (subject to the terms of the applicable First-Priority Documents), in each case so long as such modifications are not prohibited by any First-Priority Document or any Second-Priority Document and (iv) give effect to any Refinancing of any Obligations. In furtherance thereof, the Company may designate hereunder in writing obligations as a First Lien Credit Agreement (and any Person operating in such capacity thereunder as a First Lien Administrative Agent or First Lien Collateral Agent), a Second Lien Document (and any Person operating in such capacity thereunder as a Second Lien Collateral Agent), Other First-Priority Obligations (and any Person operating in such capacity thereunder as an Other First Lien Representative) or Other Second-Priority Obligations (and any Person operating in such capacity thereunder as an Other Second-Priority Representative), and may specify that any such obligations constitute a Refinancing of any existing series of Obligations, if the incurrence of such obligations and related Liens (including the priority thereof) is not prohibited under each of the Financing Documents and this Agreement. Any such additional party and each First-Priority Representative and Second-Priority Representative shall be entitled to rely on the determination of an officer of the Company that such modifications are not prohibited by any First-Priority Document or any Second-Priority Document if such determination is set forth in an officer's certificate delivered to such party, the First-Priority Collateral Agent and each Second-Priority Representative. At the request (and sole expense) of the Company, without the consent of any First-Priority Secured Party or Second-Priority Secured Party, each of the First-Priority Collateral Agent, the Second-Priority Collateral Agent and each other First-Priority Representative and Second-Priority Representative shall execute and deliver an acknowledgment and confirmation of such permitted modifications and/or enter into an amendment, a restatement or a supplement of this Agreement to facilitate such permitted modifications (it being understood that such actions shall not be required for the effectiveness of any such modifications).

Section 8.04. *Information Concerning Financial Condition of the Company and the Subsidiaries.* The First-Priority Collateral Agent, the First-Priority Secured Parties, each Second-Priority Representative and the Second-Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of Holdings, the Company and the Subsidiaries of the Company and all endorsers and/or guarantors of the Second-Priority Obligations or the First-Priority Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Second-Priority Obligations or the First-Priority Obligations; provided that nothing in this Section 8.04 shall impose a duty on any Second-Priority Representative to keep itself informed beyond that which may be required by its applicable Second-Priority Documents. The First-Priority Collateral Agent, the First-Priority Secured Parties, each Second-Priority Representative and the Second-Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the First-Priority Collateral Agent, any First-Priority Secured Party, any Second-Priority Representative or any Second-Priority Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation (w) to make, and the First-Priority Collateral Agent, the First-Priority Secured Parties, the Second-Priority Representatives and the Second-Priority Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

Section 8.05. *Subrogation*. Each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of First-Priority Obligations has occurred.

Section 8.06. *Application of Payments*. Except as otherwise provided herein, all payments received by the First-Priority Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the First-Priority Obligations as the First-Priority Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the First-Priority Documents and the First Lien Intercreditor Agreement. Except as otherwise provided herein, each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, assents to any such extension or postponement of the time of payment of the First-Priority Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the First-Priority Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

Section 8.07. *Consent to Jurisdiction; Waivers.* The parties hereto irrevocably and unconditionally agree that any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any party hereto, or any affiliate of thereof, in any way relating to this Agreement or the transactions relating hereto, shall be tried and litigated only in the courts of the State of New York sitting in Borough of Manhattan, and in the United States District Court of the Southern District of New York, and any appellate court from any thereof. The parties hereto irrevocably and unconditionally submit to the exclusive jurisdiction of any state or federal court located in the Borough of Manhattan, New York, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and consent that all service of process may be made by registered mail directed to such party as provided in *Section* 8.08 for such party. Service so made shall be deemed to be completed three days after the same shall be posted as aforesaid. The parties hereto waive any objection to any action instituted hereunder in any such court based on forum non conveniens, and any objection to the venue of any action instituted hereunder in any such court. EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR ACTION OF ANY PARTY HERETO IN CONNECTION WITH THE SUBJECT MATTER HEREOF.

Section 8.08. *Notices*. All notices to the First-Priority Secured Parties and the Second-Priority Secured Parties permitted or required under this Agreement may be sent to the First-Priority Collateral Agent, the Second-Priority Collateral Agent, or any other First-Priority Representative or Second-Priority Representative as provided in the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement], the relevant First-Priority Document or the relevant Second-Priority Document, as applicable. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. Each First-Priority Representative hereby agrees to promptly notify each Second-Priority Representative upon payment in full in cash of all indebtedness under the applicable First-Priority Documents (except for contingent indemnities and cost and

reimbursement obligations to the extent no claim therefor has been made).

Section 8.09. *Further Assurances.* Each of the Second-Priority Representatives, on behalf of itself and each applicable Second-Priority Secured Party, and each of the First-Priority Representatives, on behalf of itself and each applicable First-Priority Secured Party, agrees that each of them shall take such further action and shall execute and deliver to the First-Priority Collateral Agent and the First-Priority Secured Parties such additional documents and instruments (in recordable form, if requested) as the First-Priority Collateral Agent or the First-Priority Secured Parties may reasonably request (and at the Company's expense) to effectuate the terms of and the lien priorities contemplated by this Agreement.

Section 8.10. *Governing Law*. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 8.11. *Binding on Successors and Assigns*. This Agreement shall be binding upon the First-Priority Collateral Agent, the other First-Priority Representatives, the First-Priority Secured Parties, the Second-Priority Representatives, the Second-Priority Secured Parties, Holdings, the Company, the Company's Subsidiaries party hereto and their respective permitted successors and assigns.

Section 8.12. *Specific Performance*. The First-Priority Collateral Agent may demand specific performance of this Agreement. Each Second-Priority Representative, on behalf of itself and each applicable Second-Priority Secured Party, hereby irrevocably (x) waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the First-Priority Collateral Agent and (y) agrees that, in connection with the forgoing, the First-Priority Collateral Agent may seek an affirmative injunction to enforce the Agreement without a requirement to post a bond in connection therewith.

Section 8.13. *Section Titles*. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of this Agreement.

Section 8.14. *Counterparts*. This Agreement may be executed in one or more counterparts, including by means of facsimile or in portable document format (pdf), each of which shall be an original and all of which shall together constitute one and the same document.

Section 8.15. *Authorization*. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. Each First-Priority Representative represents and warrants that this Agreement is binding upon the applicable First-Priority Secured Parties for which such First-Priority Representative is acting. Each Second-Priority Representative represents and warrants that this Agreement is binding upon the applicable Second-Priority Secured Parties for which such Second-Priority Representative is acting.

Section 8.16. *No Third Party Beneficiaries; Successors and Assigns*. This Agreement and the rights and benefits hereof shall inure to the benefit of, and be binding upon, each of the parties hereto and their respective successors and assigns and shall inure to the benefit of each of, and be binding upon, the holders of First-Priority Obligations and Second-Priority Obligations. No other Person shall have or be entitled to assert rights or benefits hereunder.

Section 8.17. *Effectiveness***.** This Agreement shall become effective when executed and delivered by the parties hereto. This Agreement shall be effective both before and after the commencement of any Insolvency or Liquidation Proceeding. All references to the Company or any other Grantor shall include the Company or any other Grantor as debtor and debtor-in-possession and any receiver or trustee for the Company or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding.

Section 8.18. *First-Priority Representatives and Second-Priority Representatives.* It is understood and agreed that (a) [JPMorgan] is entering into this Agreement in its capacity as First Lien Collateral Agent under the First Lien Collateral Agreement, and the provisions of Article IX of the First Lien Credit Agreement applicable to the First Lien Collateral Agent thereunder shall also apply to it as First-Priority Collateral Agent and First Lien Collateral Agent hereunder, (b) [Wilmington Trust, National Association] is entering into this Agreement in its capacity as "Notes Collateral Agent" under the Initial First Lien Indenture, and the provisions of Section 12.7 of the Initial First Lien Indenture applicable to the Initial Other First-Priority Collateral Agent thereunder shall also apply to it as Initial Other First-Priority Representative and Initial Other First-Priority Collateral Agent hereunder, (c) [_____] is entering into this Agreement in its capacity as Second Lien Collateral Agent under the Second Lien [Indenture][Credit Agreement], and the provisions of Section [trustee/agent as representative of holders of obligations] of the Second Lien [Indenture][Credit Agreement] applicable to the Second Lien Collateral Agent thereunder shall also apply to it as Second-Priority Collateral Agent and Second Lien Collateral Agent hereunder and (d) each Other Second-Priority Representative and Other Second-Priority Collateral Agent is entering into this Agreement in its respective capacities under its respective Other Second-Priority Documents, and the corresponding provisions of such Other Second-Priority Documents applicable to such Other Second-Priority Representative and such Other Second-Priority Collateral Agent shall also apply to it as Other Second-Priority Representative and Other Second-Priority Collateral Agent hereunder.

Section 8.19. *Relative Rights*. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Sections*5.01* and *5.03*(b)), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of the First Lien Credit Agreement, the Second Lien [Indenture] [Credit Agreement] or any other First-Priority Document or Second-Priority Document entered into in connection with the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement] or any other First-Priority Document or Second-Priority Document or permit Holdings, the Company or any Subsidiary of the Company to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement] or any other First-Priority Document or Second-Priority Document entered into in connection with the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement] or any other First-Priority Document or Second-Priority Document, (b) change the relative priorities of the First-Priority Obligations or the Liens granted under the First-Priority Documents on the Common Collateral (or any other assets) as among the First-Priority Secured Parties, (c) otherwise change the relative rights of the First-Priority Secured Parties in respect of the Common Collateral as among such First-Priority Secured Parties as set forth in the First Lien Intercreditor Agreement and the First-Priority Documents or (d) obligate Holdings, the Company or any Subsidiary of the Company to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement] or any other First-Priority Document or Second-Priority Document entered into in connection with the First Lien Credit Agreement, the Second Lien [Indenture][Credit Agreement] or any other First-Priority Document or Second-Priority Document.

Section 8.20. *Second-Priority Collateral Agent.* The Second-Priority Collateral Agent is executing and delivering this Agreement solely in its capacity as such and pursuant to directions set forth in the Second Lien [Indenture][Credit Agreement]; and in so doing, the Second-Priority Collateral Agent shall not be responsible for the terms or sufficiency of this Agreement for any purpose. The Second-Priority Collateral Agent shall not have duties or obligations under or pursuant to this Agreement other than such duties expressly set forth in this Agreement as duties on its part to be performed or observed. In entering into this Agreement, or in taking (or forbearing from) any action under or pursuant to this Agreement, the Second-Priority Collateral Agent shall have and be protected by all of the rights, immunities, indemnities and other protections granted to it under the Second Lien [Indenture][Credit Agreement] and, as applicable, the Second Lien Collateral Agreement.

Section 8.21. *Joinder Requirements.* The Company may designate additional obligations as Other First-Priority Obligations or Other Second-Priority Obligations pursuant to this *Section* 8.21 if (x) the incurrence of such obligations is not prohibited by any First-Priority Document or Second-Priority Document then in effect and (y) the Company shall have delivered an officer's certificate to each First-Priority Representative and each Second-Priority Representative certifying the same. If not so prohibited, the Company shall (i) notify each First-Priority Representative and each Second-Priority Representative in writing of such designation and (ii) cause the applicable new First-Priority Representative or Second-Priority Representative to execute and deliver to each other First-Priority Representative and Second-Priority Representative, a Joinder Agreement substantially in the form of Exhibit A or Exhibit B, as applicable, hereto.

Section 8.22. *Intercreditor Agreements.*

(a) Each party hereto agrees that the First-Priority Secured Parties (as among themselves) and the Second-Priority Secured Parties (as among themselves) may each enter into intercreditor agreements (or similar arrangements, including, in the case of the First-Priority Secured Parties, the First Lien Intercreditor Agreement) with the applicable First-Priority Representatives or Second-Priority Representatives, as the case may be, governing the rights, benefits and privileges as among the First-Priority Secured Parties or as among the Second-Priority Secured Parties, as the case may be, in respect of any or all of the Common Collateral, this Agreement and the other First-Priority Collateral Documents or the other Second-Priority Collateral Documents, as the case may be, including as to application of proceeds of any Common Collateral, voting rights, control of any Common Collateral and waivers with respect to any Common Collateral, in each case so long as the terms thereof do not violate or conflict with the provisions of this Agreement or the other First-Priority Collateral Documents or Second-Priority Collateral Documents, as the case may be. In any event, if a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other First-Priority Collateral Document or Second-Priority Collateral Document, and the provisions of this Agreement and the other First-Priority Collateral Documents and Second-Priority Collateral Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms thereof, including to give effect to any intercreditor agreement (or similar arrangement)).

(b) In addition, in the event that Holdings, the Company or any Subsidiary thereof incurs any Obligations secured by a Lien on any Common Collateral that is junior to Liens thereon securing any First-Priority Obligations or Second-Priority Obligations, as the case may be, and such Obligations are not designated by the Company as Second-Priority Obligations, then the First-Priority Collateral Agent and/or Second-Priority Collateral Agent shall upon the request of the Company enter into an intercreditor agreement with the agent or trustee for the creditors with respect to such secured Obligations to reflect the relative Lien priorities of such parties with respect to the relevant portion of the Common Collateral and governing the relative rights, benefits and privileges as among such parties in respect of such Common Collateral, including as to application of the proceeds of such Common Collateral, voting rights, control of such Common Collateral and waivers with respect to such Common Collateral, in each case, so long as such secured Obligations are not prohibited by, and the terms of such intercreditor agreement do not violate or conflict with, the provisions of this Agreement or any of the First-Priority Documents or Second-Priority Documents, as the case may be. If any such intercreditor agreement (or similar arrangement) is entered into, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any First-Priority Documents, and the provisions of this Agreement, the First-Priority Documents and the Second-Priority Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the respective terms thereof, including to give effect to any intercreditor agreement (or similar arrangement)).

Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with GAAP (as determined in good faith by a Responsible Officer of the Borrower) (it being agreed that the reconciliation between GAAP and IFRS used in such determination shall be made available to Lenders) as if such change had not occurred.

Section 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding- up if there is no nearest number).

Section 1.08 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 7.01, 7.03 and 7.06 with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Lien, Indebtedness or Investment is incurred; provided, that for the avoidance of doubt, the foregoing provisions of this Section 1.08 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred at any time under such Sections.

(b) For purposes of determining compliance under 7.05 and 7.06, any amount in a currency other than Dollars will be converted to Dollars in a

manner consistent with that used in calculating net income in Holdings' annual financial statements delivered pursuant to Section 6.01(a); provided, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness.

(c) For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the Exchange Rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided, that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.09 Certain Calculations and Tests.

(a) When calculating the availability under any basket or ratio under this Agreement or compliance with any provision of this Agreement in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Borrower (the Borrower's election to exercise such option, an "LCT Election"), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Agreement shall be deemed to be the date (the "LCT Test Date") either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a "Rule 2.7 announcement" of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (an "LCT Public Offer") in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and any related pro forma adjustments, Holdings or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued, assumed or incurred at the LCT Test Date or at any time thereafter); *provided*, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Borrower may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate as reasonably determined by the Borrower.

For the avoidance of doubt, if the Borrower has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of Holdings or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

(b) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based exceptions, thresholds and baskets, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket under the same covenant (other than a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, Consolidated Total Senior Secured Leverage Ratio or Consolidated Total Leverage Ratio) on the same date. Each item of Indebtedness that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, Consolidated Total Senior Secured Leverage Ratio or Consolidated Total Leverage Ratio test.

(c) Notwithstanding anything to the contrary herein, (i) in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on a Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, Consolidated Total Senior Secured Leverage Ratio or Consolidated Total Leverage Ratio, such ratio(s) shall be calculated without regard to the incurrence of any Revolving Credit Loan or Letter of Credit Incurred or issued, as applicable, immediately prior to or in connection therewith; and (ii) any calculation or measure that is determined with reference to Holdings' financial statements (including Consolidated EBITDA, Consolidated Interest Expense, Consolidated Net Income, Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, Consolidated Total Senior Secured Leverage Ratio and Consolidated Total Leverage Ratio) may be determined with reference to the financial statements of a Parent Entity delivered in accordance with the requirements set forth in the penultimate paragraph of Section 6.01.

(d) For purposes of making the computations referred to above, any Investments, acquisitions, dispositions, mergers, consolidations, operational changes, business expansions and disposed or discontinued operations that have been made by Holdings or any of its Restricted Subsidiaries, during the reference period or subsequent to the reference period and on or prior to or simultaneously with the date of such computation shall be calculated on a pro forma basis assuming that all such

Investments, acquisitions, dispositions, mergers, consolidations, operational changes, business expansions and disposed or discontinued operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into Holdings or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, operational change, business expansion or disposed or discontinued operation that would have required adjustment pursuant to this definition, then the applicable computations shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the applicable reference period.

(e) For purposes of this Agreement, whenever pro forma effect is to be given to a transaction (including the Transactions), the pro forma calculations shall be made in good faith by a responsible financial or chief accounting officer of Holdings (and may include, for the avoidance of doubt, cost savings, operating expense reductions and synergies resulting from such transaction which is being given pro forma effect. If any Indebtedness bears a floating rate of interest and is being given pro forma effect), the interest on such Indebtedness shall be calculated as if the rate in effect on the date such Indebtedness was incurred had been the applicable rate for the reference period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of Holdings to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computations referred to in the preceding paragraphs, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the reference period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, ~~a eurocurrency interbank offered rate, or~~ or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

Section 1.10 Interest Rates; ~~Eurocurrency~~Benchmark Notification. The interest rate on ~~Eurocurrency Rate Loans is determined by reference to the Eurocurrency Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Rate Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate~~a Loan denominated in Dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event ~~or an Early Opt-In Election~~, Section 3.02 provides a mechanism for determining an alternative rate of interest. The ~~Administrative Agent will promptly notify the applicable parties as and when required by Section 3.02, of any change to the reference rate upon which the interest rate on Eurocurrency Rate Loans is based. Except as otherwise provided in this Agreement, the~~ Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to ~~the London interbank offered rate or other rates in the definition of "Eurocurrency Rate"~~any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof ~~(including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 3.02, whether upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 3.02~~, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the ~~Eurocurrency Rate~~existing interest rate being replaced or have the same volume or liquidity as did ~~the London interbank offered~~any existing interest rate prior to its discontinuance or unavailability~~other than, in each case, to the extent of the Administrative Agent's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable decision). Nothing in this Section shall constitute a representation or warranty by Holdings or any of its Restricted Subsidiaries nor can it constitute the basis of any Default or Event of Default.~~. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 1.11 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its equity interests at such time.

ARTICLE II

The Commitments and Credit Extensions

Section 2.01 The Loans.

(a) The Initial Term Loans.

(i) Subject to the terms and conditions set forth herein, each Lender with an Initial Term Commitment as set forth on Schedule 2.01(A)(I) severally agrees to make to the Borrower a single loan denominated in Dollars in a principal amount equal to such Lender's Initial Term Commitment on the Closing Date.

(ii) Subject to the terms and conditions set forth herein, each Lender with an Initial Term Commitment as set forth on Schedule 2.01(A)(II) is deemed to have (i) made to the Borrower a single loan denominated in Dollars in a principal amount equal to such Lender's Initial Term Commitment on the Closing Date and (ii) executed and delivered, on the Closing Date, this Agreement, regardless of whether such Lender has executed and delivered a signature page hereto to the Borrower on the Closing Date.

(iii) Initial Term Loans made pursuant to Section 2.01(a)(i) and Section 2.01(a)(ii) on the Closing Date shall be deemed to constitute one Class of Loans for all purposes hereunder. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Initial Term Loans may be Base Rate Loans or ~~Eurocurrency Rate~~Term Benchmark Loans, as further provided herein.

(b) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make (or cause its Applicable Lending Office to make) Revolving Credit Loans from time to time during the applicable Availability Period in Dollars in an aggregate principal

amount that will not result in such Lender's Revolving Credit Exposure exceeding such Lender's Revolving Credit Commitment. Each Revolving Credit Borrowing shall be funded by the Revolving Credit Lenders on a ratable basis among all Classes of Revolving Credit Commitments then in effect based on the Applicable Percentages of the Revolving Credit Lenders (treating all such Revolving Credit Commitments as one Class for purposes of this Section 2.01(b)). Within the limits of each Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Credit Loans may be Base Rate Loans or ~~Eurocurrency Rate~~Term Benchmark Loans, as further provided herein.

(c) The 2022 Super Senior Incremental Term Loans. Subject to the terms and conditions set forth herein and Amendment No. 2, each 2022 Super Senior Incremental Term Lender (as defined in Amendment No. 2) with a 2022 Super Senior Incremental Term Commitment (as defined in Amendment No. 2) severally agrees to make to the Borrower a single loan denominated in Dollars in a principal amount equal to such 2022 Super Senior Incremental Term Lender's 2022 Super Senior Incremental Term Commitment on the Amendment No.2 Effective Date. Amounts borrowed under this Section 2.01(c) and repaid or prepaid may not be reborrowed. The Loans made pursuant to this Section 2.01(c) may be Base Rate Loans or Term Benchmark Loans, as further provided herein, and shall constitute a separate Class of Term Loans for all purposes of the Loan Documents.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Loans from one Type to the other, and each continuation of ~~Eurocurrency Rate~~Term Benchmark Loans shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent substantially in the form attached hereto as Exhibit A (a) with respect to Revolving Credit Loans or Term Loans denominated in Dollars, (i) in the case of a ~~Eurocurrency Rate~~Term Benchmark Loan, not later than 1:00 p.m., Local Time, three (3) Business Days before the date of the proposed Borrowing (or, in the case of Initial Term Loans to be borrowed on the Closing Date, one (1) Business Day before the proposed Borrowing), or (ii) in the case of a Base Rate Loan, not later than 11:00 a.m., Local Time, on same day of the proposed Borrowing and (b) with respect to Revolving Credit Loans or Term Loans denominated in any currency other than Dollars, not later than 1:00 p.m., Local Time, three (3) Business Days before the date of the proposed Borrowing. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by hand delivery, telecopy or electronic transmission to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of ~~Eurocurrency Rate~~Term Benchmark Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof. Except as provided in Section 2.03(c), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower are requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of Loans from one Type to the other, or a continuation of ~~Eurocurrency Rate~~Term Benchmark Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the Class~~, currency~~ and principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(b). If ~~no currency is specified with respect to any Eurocurrency Rate Revolving Credit Borrowing, then~~ the Borrower ~~shall be deemed to have selected Dollars. If the Borrower~~ fails to specify a Type of Loan in a Committed Loan Notice or fail to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as, or converted to Base Rate Loans. Any such automatic conversion or continuation shall be effective as of the last day of the Interest Period then in effect with respect to the applicable ~~Eurocurrency Rate~~Term Benchmark Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of ~~Eurocurrency Rate~~ Term Benchmark Loans in any such Committed Loan Notice, but fail to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. For the avoidance of doubt, the Borrower and Lenders acknowledge and agree that any conversion or continuation of an existing Loan shall be deemed to be a continuation of that Loan with a converted interest rate methodology and not a new Loan.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Appropriate Lender of the amount of its Applicable Percentage of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Appropriate Lender of the details of any automatic conversion or continuation described in Section 2.02(a). Each Revolving Credit Borrowing shall be funded by the Revolving Credit Lenders on a ratable basis among all Classes of Revolving Credit Commitments then in effect based on the Applicable Percentages of the Revolving Credit Lenders (treating all such Revolving Credit Commitments as one Class for purposes of this Section 2.02(b)). In the case of each Borrowing, each Appropriate Lender shall make (or cause its Applicable Lending Office to make) the amount of its Loan available to the Administrative Agent by wire transfer in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m., Local Time on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower designated in the Committed Loan Notice in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower maintained with the Administrative Agent and designated by the Borrower in the Committed Loan Notice with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; *provided* that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied first, to the payment in full of any such L/C Borrowings, and second, to the Borrower as provided above.

(c) Except as otherwise provided herein, a ~~Eurocurrency Rate~~ Term Benchmark Loan may be continued or converted only on the last day of an Interest Period for such ~~Eurocurrency Rate~~Term Benchmark Loan unless the Borrower pay the amount due, if any, under Section 3.04 in connection therewith. If an Event of Default has occurred and is continuing and, the Administrative Agent, at the request of the Required Lenders (or, solely with respect to the Revolving Credit Facility, at the request of the Required Revolving Credit Facility Lenders), so notifies the Borrower, then so long as such Event of Default is continuing: (i) no Loans may be converted to or continued as ~~Eurocurrency Rate~~Term Benchmark Loans, (ii) no outstanding Loans may be continued for an Interest Period of more than one month's duration and (iii) unless repaid, each ~~Eurocurrency Rate~~Term Benchmark Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the ~~interest rate~~Adjusted Term SOFR Rate applicable to any Interest Period for ~~Eurocurrency Rate~~Term Benchmark Loans upon determination of such ~~interest rate~~ Adjusted Term SOFR Rate. The determination of the ~~Eurocurrency~~Adjusted Term SOFR Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) Anything in clauses (a) to (d) above to the contrary notwithstanding, after giving effect to all Term Borrowings and Revolving Credit Borrowings, all conversions of Term Loans and Revolving Credit Loans from one Type to the other, and all continuations of Term Loans and Revolving Credit Loans as the same Type, there shall not be more than fifteen (15) Interest Periods in effect at any time for all Borrowings of ~~Eurocurrency Rate~~Term Benchmark Loans.

~~(f) Notwithstanding the foregoing or anything in this Agreement to the contrary, the Term Loans shall at all times be Eurocurrency Rate Loans prior to the Closing Date and may not be converted to Base Rate Loans until the Closing Date has occurred.~~

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitments.

(i) Subject to the terms and conditions set forth herein, (1) each L/C Issuer agrees, in reliance upon the agreements of the Revolving Credit Lenders set forth in this Section 2.03, (x) from time to time on any Business Day during the Availability Period for the Revolving Credit Facility, to issue Letters of Credit denominated in Dollars for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower) and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (y) to honor drafts under the Letters of Credit and (2) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and, except in the case of the following clause (w), no Lender shall be obligated to participate in any Letter of Credit if immediately after giving effect to such L/C Credit Extension, (w) the aggregate L/C Exposure in respect of Letters of Credit issued by such L/C Issuer would exceed such L/C Issuer's L/C Issuer Sublimit, (x) the aggregate L/C Exposure would exceed the Letter of Credit Sublimit or (y) the Revolving Credit Exposure of any Lender would exceed such Lender's Revolving Credit Commitment. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit (and, in the case ofclauses (B) and (C), shall not issue any Letter of Credit) if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless the relevant L/C Issuer has approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless the relevant L/C Issuer has approved such expiry date (it being understood that the participations of the Revolving Credit Lenders in any undrawn Letter of Credit shall in any event terminate on the Letter of Credit Expiration Date);

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer;

(E) the Letter of Credit is to be denominated in a currency other than Dollars unless otherwise agreed by the applicable L/C Issuer and the Administrative Agent;

(F) the Letter of Credit is in an initial amount less than the Dollar Equivalent of $100,000;

(G) the face amount of such Letter of Credit (together with all other Letters of Credit issued by such L/C Issuer and outstanding at such time) shall exceed the L/C Issuer Sublimit applicable to such L/C Issuer; or

(H) the Letter of credit is a commercial letter of credit.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Letter of Credit Reporting. On a monthly basis, each L/C Issuer shall deliver to the Administrative Agent a complete list of outstanding Letters of Credit issued by such L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Extension Letters of Credit

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower hand delivered or telecopied (or transmitted by electronic communication, if arrangements for doing so have been approved by the L/C Issuer) to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 1:00 p.m., Local Time, at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount and currency thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (g) such other matters as the relevant L/C Issuer may reasonably request. If requested by the L/C Issuer, the Borrower also shall submit a letter of credit application on the L/C Issuer's standard form in connection with any request for a Letter of Credit. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, acquire from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Applicable Percentage times the amount of such Letter of Credit.

(iii) With respect to standby Letters of Credit only, if the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone, followed promptly in writing, or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or any Revolving Credit Lender, as applicable, or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer, will, within period stipulated by terms and conditions of the Letter of Credit, examine the relevant drawing document. After such examination the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. On the Business Day immediately following the Business Day on which the Borrower shall have received notice of any payment by an L/C Issuer under a Letter of Credit (or, if the Borrower shall have received such notice later than 1:00 p.m. on any Business Day, on the second succeeding Business Day) (such date of payment, an "Honor Date"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars in an amount equal to the Dollar Equivalent of such drawing using the Exchange Rate in relation to Dollars in effect on the Honor Date. If the Borrower fails to so reimburse such L/C Issuer on the Honor Date (or if any such reimbursement payment is required to be refunded to the Borrower for any reason), then, in the case of each L/C Borrowing, the Administrative Agent shall promptly notify the applicable L/C Issuer and each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing in Dollars (the "Unreimbursed Amount"), and the amount of such Appropriate Lender's Applicable Percentage thereof. In the event that the Borrower does not reimburse the L/C Issuer on the Business Day following the date it receives notice of the Honor Date (or, if the Borrower shall have received such notice later than 1:00 p.m. on any Business Day, on the second succeeding Business Day), the Borrower shall be deemed to have requested a Revolving Credit Borrowing denominated in Dollars of Base Rate Loans to be disbursed on such date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Revolving Credit Commitments, and subject to the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing;*provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. For the avoidance of doubt, if any drawing occurs under a Letter of Credit and such drawing is not reimbursed on the same day, such drawing shall, without duplication, accrue interest at the rate applicable to Base Rate Loans under the Revolving Credit Facility until the date of reimbursement.

(ii) Each Revolving Credit Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant toSection 2.03(c)(i) make funds available to the Administrative Agent in Dollars for the account of the relevant L/C Issuer at the Administrative Agent's Office for payments in an amount equal to its Applicable Percentage of any Unreimbursed Amount in respect of a Letter of Credit not later than 1:00 p.m., New York City time, on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03, each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in Dollars in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to thisSection 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Revolving Credit Lender's Applicable Percentage of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, a Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans (but not L/C Advances) pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2. 03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent demonstrable error.

(vii) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to each Revolving Credit Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(viii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate.

(d) Obligations Absolute. The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Secured Obligations of any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(e) Role of L/C Issuers. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders or the Required Revolving Credit Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent- Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (iii) of this Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower caused by such L/C Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction or such L/C Issuer's willful or grossly negligent failure as determined by a court of competent jurisdiction to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(f) Cash Collateral. (i) If any Event of Default occurs and is continuing and the Administrative Agent or the Required Revolving Credit Lenders or Required Lenders, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02(a)(iii) or (ii) an Event of Default set forth under Section 8.01(f) (with respect to the Borrower) or (g) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount plus any accrued or unpaid fees thereon determined as of the date such Cash Collateral is provided). For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Revolving Credit Lenders, as collateral for the L/C Obligations, cash or deposit account balances in the relevant currencies in an amount equal to the L/C Exposure (determined as of the date of such Event of Default) ("Cash Collateral") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Interest or profits, if any, on such investments shall accumulate in such account. Cash Collateral shall be maintained in accounts satisfactory to the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Credit Lenders and may be invested in readily available Cash Equivalents at its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the L/C Exposure, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts specified by the Administrative Agent, an amount equal to the excess of (a) such L/C Exposure over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the L/C Exposure plus costs incidental thereto and so long as no other Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. If such Event of Default is cured or waived and no other Event of Default is then occurring and continuing, the amount of any Cash Collateral (including any accrued interest thereon) shall be refunded to the Borrower.

(g) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent in Dollars for the account of each Revolving Credit Lender in accordance with its Applicable Percentage, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the product of (i) Applicable Rate for Letter of Credit fees and (ii) the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit. Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(h) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee (a "Fronting Fee") in Dollars with respect to each Letter of Credit issued by it equal to 0.125% per annum of the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(i) Conflict with Letter of Credit Application. Notwithstanding anything else to the contrary in any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(j) Addition of an L/C Issuer. A Revolving Credit Lender (or any of its Subsidiaries or affiliates) may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional L/C Issuer.

(k) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(1) Existing Letters of Credit. Each Existing Letter of Credit shall be deemed a Letter of credit issued hereunder for the account of the Borrower for all purposes under this Agreement without need for any further action by the Borrower or any other Person, and shall be to and governed by the terms and conditions of this Agreement. On the Closing Date, each existing Letter of Credit, to the extent outstanding, shall automatically and without further action by the parties thereto be deemed converted to Letters of Credit issued pursuant to Section 2.03 for the account of the Borrower and subject to the provisions hereof.

(m) Replacement of L/C Issuer. Any L/C Issuer may be replaced with another Revolving Credit Lender (or an Affiliate of a Revolving Credit Lender) at any time by written agreement among the Borrower, the Administrative Agent, the Required Revolving Credit Lenders, and the successor L/C Issuer. The Administrative Agent shall notify the Revolving Credit Lenders of any such replacement of such L/C Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced L/C Issuer. From and after the effective date of any such replacement, (i) the successor L/C Issuer shall have all the rights and obligations of the applicable L/C Issuer under this Agreement with respect to Letters of Credit to be issued thereafter, and (ii) references herein to the term "L/C Issuer" shall be deemed to refer to such successor or to any previous L/C Issuer, or to such successor L/C Issuer and all previous L/C Issuers, as the context shall require. After the replacement of an L/C Issuer hereunder, the replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

(n) Reallocation of Risk Participations. Upon the applicable Maturity Date or termination of any Class of Revolving Credit Commitments, the risk participations of the Revolving Credit Lenders holding Revolving Credit Commitments then in effect shall be reallocated amongst them according to their Applicable Percentages (treating all such Revolving Credit Commitments as one Class for purposes of this Section 2.03(n)). To the extent the Revolving Credit Exposure exceeds the Revolving Credit Commitments, the Borrower shall, at its option, Cash Collateralize such excess in accordance with the terms of Section 2.03(f), *mutatis mutandis*, or repay Revolving Credit Loans in an amount as is necessary to reallocate the L/C Exposure pursuant to this clause (n)

Section 2.04 Undeliverable Distributions.

(a) If, on or prior to June 26, 2021 (the "Reversion Date"), a Claimant Assignee has failed to comply with its obligations hereunder to provide a completed Administrative Questionnaire and any applicable tax forms required pursuant to Section 3.01(f) with respect to itself, then, without any further action by the Administrative Agent or any Lender, on the Reversion Date each such Claimant Assignee's Initial Term Loans deemed made pursuant to Section 2.01 shall be deemed unclaimed property or interests in property pursuant to Section 347(b) of the Bankruptcy Code and shall revert to the Borrower and be automatically discharged, terminated and canceled (and the Administrative Agent shall update the Register to reflect such discharge, termination and cancellation).

(b) If, on the Reversion Date (or, if later with respect to any Unidentified Claimant that has become a Claimant Assignee on or prior to the Reversion Date, the Response Deadline), the Disbursement Agent holds Initial Term Loans for the benefit of any Unidentified Claimant, such Initial Term Loans shall be deemed unclaimed property or interests in property pursuant to Section 347(b) of the Bankruptcy Code and shall revert to the Borrower and be automatically discharged, terminated and canceled (and the Administrative Agent shall update the Register to reflect such discharge, termination and cancelation). For the avoidance of doubt, the Disbursement Agent shall cease to be a Lender and a party to this Agreement on and from the earlier of (x) the later of (A) the Reversion Date and (B) the date on which the last Claimant Assignee completes the documentation required under Section 10.07(b) and (y) the latest Response Deadline for any Unidentified Claimant that shall have become a Claimant Assignee identified prior to the Reversion Date (if any), which date shall be no later than two months following the Reversion Date. On or promptly following the Reversion Date, the Disbursement Agent shall notify the Administrative Agent of the principal amount of Initial Term Loans held by the Disbursement Agent for the benefit of Unidentified Claimants which are subject to discharge, termination and cancelation on the Reversion Date pursuant to this Section 2.04(b).

Section 2.05 Prepayments.

(a) Optional Prepayments.

(i) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Borrowing of any Class in whole or in part without premium or penalty (except as set forth in Section 2.05(a)(iv)); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00 p.m., New York City time (A) three (3) Business Days prior to any date of prepayment of ~~Eurocurrency Rate~~Term Benchmark Loans (or, in the case of a ~~Eurocurrency Rate~~Term Benchmark Loan denominated in any currency other than Dollars, not later than 1:00 p.m., Local Time, three (3) Business Days before any date of prepayment) and (B) on the date of prepayment of Base Rate Loans and (2) any prepayment of ~~Eurocurrency Rate~~Term Benchmark Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof, in each case, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a ~~Eurocurrency Rate~~Term Benchmark Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.04. Notwithstanding the foregoing, prepayments of any Revolving Credit Borrowings shall be applied pro rata to all Classes of Revolving Credit Loans then in effect based on the Applicable Percentages of the Revolving Credit Lenders (treating all Revolving Credit Commitments as one Class for purposes of this Section 2.05(a)(i)).

Each such notice shall specify the date and amount of such prepayment and the Non-Permitted Claimant being prepaid along with the amount each lender is being prepaid. The Administrative Agent will promptly notify the Disbursement Agent of its receipt of each such notice, and of the date of such prepayment. Any prepayment of a ~~Eurocurrency Rate~~Term Benchmark Loan shall be accompanied by all accrued interest thereon to such date, together with any additional amounts required pursuant to Section 3.04. (b) Mandatory Prepayments.

(i) [Reserved].

(ii) (A) Subject to Section 2.05(b)(ii)(B), and any Customary Intercreditor Agreement, if following the Closing Date (x) Holdings, the Borrower or any Restricted Subsidiary consummates any non- ordinary course sale, transfer or other disposition of property or assets permitted by Section 7.05(a)(ii) and clauses (7) ~~though~~through (29) of the definition of Asset Disposition, or (y) any Casualty Event occurs, which in the aggregate results in the realization or receipt by Holdings, the Borrower or such Restricted Subsidiary of Net Available Cash in excess of the greater of $100.0 million and 10.0% of LTM EBITDA in the case of each of, a single Asset Disposition or Casualty Event or series of related Asset Dispositions or Casualty Events, the Borrower shall make a prepayment, in accordance with Section 2.05(b)(ii)(C), of an aggregate principal amount of Term Loans equal to the Applicable Asset Sale Percentage of such Net Available Cash (the " Applicable Proceeds") realized or received; *provided* that no such prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) (I) with respect to such portion of such Net Available Cash that the Borrower intends to reinvest in accordance with Section 2.05(b)(ii)(B), (II) until the aggregate amount of Net Available Cash is reinvested in accordance with Section 2.05(b)(ii)(B) within the time periods set forth therein or (III) with respect to such portion of such Net Available Cash that is used to repay Other Applicable Indebtedness as permitted under Section 2.05(b)(ii)(C).

(B) With respect to any Net Available Cash realized or received with respect to any Asset Disposition (other than any Asset Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest (including capital expenditures) an amount equal to all or any portion of such Net Available Cash (i) in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary) or (ii) in any one or more businesses (provided that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition, with any such investment made by way of a capital or other lease valued at the present value of the minimum amount of payments under such lease (as reasonably determined by the Borrower) within (x) twelve (12) months following receipt of such Net Available Cash or (y) if Holdings, the Borrower or its Restricted Subsidiaries enter into a legally binding commitment to reinvest such Net Available Cash within twelve (12) months following receipt thereof, one hundred eighty (180) days after the twelve (12) month period that follows receipt of such Net Available Cash; *provided* that if any Net Available Cash is not so reinvested by the deadline specified in clause (x) or (y) above, as applicable, or if any such Net Available Cash are no longer intended to

be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, an amount equal to the Applicable Asset Sale Percentage of any such Net Available Cash shall be applied, in accordance with Section 2.05(b)(ii)(C), to the prepayment of the Term Loans as set forth in this Section 2.05.

(C) On each occasion that the Borrower must make a prepayment of the Term Loans pursuant to this Section 2.05(b)(ii), the Borrower shall, within five (5) Business Days after the date of realization or receipt of such Net Available Cash in the minimum amount specified above (or, in the case of prepayments required pursuant to Section 2.05(b)(ii)(B), within five (5) Business Days of the deadline specified in clause (x) or (y) thereof, as applicable, or of the date the Borrower reasonably determines that such Net Available Cash is no longer intended to be or cannot be so reinvested, as the case may be), make a prepayment, in accordance with Section 2.05(b)(v) below, of the principal amount of Term Loans in an amount equal to the Applicable Asset Sale Percentage of such Net Available Cash realized or received; provided, further, that with respect to any prepayment required by Section 2.05(b)(ii)(A), the Borrower may use a portion of such Net Available Cash to prepay or repurchase Indebtedness secured by the Collateral on a *pari passu* basis with the Liens securing the Secured Obligations subject to the priorities applicable to the Priority Payment Obligations (the "Other Applicable Indebtedness") to the extent required pursuant to the terms of the documentation governing such Other Applicable Indebtedness, in which case, the amount of prepayment required to be made with respect to such Net Available Cash pursuant to this Section 2.05(b)(ii)(C) shall be deemed to be the amount equal to the product of (x) the amount of such Net Available Cash required to be repaid by (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans required to be prepaid pursuant to this Section 2.05(b)(ii)(C) and the denominator of which is the sum of the outstanding principal amount of such Other Applicable Indebtedness required to be prepaid pursuant to the terms of the documents governing such Other Applicable Indebtedness and the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (for the avoidance of doubt, amounts described in this clause (y) in the calculation of such fraction shall be deemed to refer to then outstanding principal amount of such Indebtedness subject to such prepayment requirement, prior to giving effect to any reduction in the amount thereof as the result of such prepayment).

(iii) If, following the Closing Date, Holdings or any Restricted Subsidiary incurs or issues any (A) Refinancing Term Loans, (B) Refinancing Indebtedness with respect to Indebtedness permitted pursuant to Section 7.03(b)(i) or (C) Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Term Loans equal to 100.0% of all Net Available Cash received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Available Cash. If the Borrower obtains any Refinancing Revolving Credit Commitments, the Borrower shall, concurrently with the receipt thereof, terminate Revolving Credit Commitments in an equivalent amount pursuant to Section 2.06.

(iv) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied on a pro rata basis to each Class of Term Loans and within each Class of Term Loans, first, to the installments thereof pro rata in direct order of maturity for the next four scheduled payments pursuant to Section 2.07(a) following the applicable prepayment event and, second, to the remaining installments thereof pro rata; *provided* that any mandatory prepayment pursuant to Section 2.05 shall be applied on a pro rata basis to each Class of Initial Term Loans and, except to the extent a lesser prepayment is required pursuant to the applicable Incremental Facility Amendment or Extension Offer with respect to any applicable Class of Incremental Term Loans or Extended Term Loans, any Incremental Term Loans and Extended Term Loans. Each such prepayment of any Class of Term Loans shall be paid to the Lenders in accordance with their respective Applicable Percentages subject to clause (v) of this Section 2.05(b).

(v) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i), (ii), and (iii) of this Section 2.05(b) prior to 1:00 p.m. at least one (1) Business Day prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Applicable Percentage of the prepayment with respect to any Class of Term Loans. Each Appropriate Lender may reject all or a portion of its Applicable Percentage of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clauses (i) or (ii) of this Section 2.05(b) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Borrower no later than 5:00 p.m. three (3) Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory prepayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans. Any Declined Proceeds shall be retained by the Borrower ("Retained Declined Proceeds").

(vi) Notwithstanding any other provision of this Section 2.05(b), (i) to the extent that any or all of the Net Available Cash of any Asset Disposition by a Restricted Subsidiary otherwise giving rise to a prepayment pursuant to Section 2.05(b)(ii) (a " Restricted Disposition") or the Net Available Cash of any Casualty Event of a Restricted Subsidiary (a "Restricted Casualty Event") would be prohibited or delayed by applicable local law from being distributed or otherwise transferred to the Borrower, the realization or receipt of the portion of such Net Available Cash so affected will not be taken into account in measuring the Borrower's obligation to repay Term Loans at the times provided in Section 2.05(b)(i), or the Borrower shall not be required to make a prepayment at the time provided in Section 2.05(b)(ii), as the case may be, for so long, but only so long, as the applicable local law will not permit such distribution or transfer (the Borrower hereby agreeing to cause the applicable Restricted Subsidiary to promptly take all commercially reasonable actions available under the applicable local law to permit such repatriation), and once distribution or transfer of any of such affected Net Available Cash is permitted under the applicable local law, the amount of such Net Available Cash permitted to be distributed or transferred (net of additional taxes payable or reserved against as a result thereof) will be promptly (and in any event not later than three (3) Business Days after such distribution or transfer is permitted) taken into account in measuring the Borrower's obligation to repay the Term Loans pursuant to this Section 2.05(b) to the extent provided herein, (ii) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Available Cash of any Restricted Disposition or any Restricted Casualty Event would have (x) a material adverse tax consequence (taking into account any foreign tax credit or benefit received in connection with such repatriation) or (y) would be material constituent document restrictions (as a result of minority ownership by third parties) and other material agreements (so long as any prohibition is not created in contemplation of such prepayment), the amount of the Net Available Cash so affected shall not be taken into account in measuring the Borrower's obligation to repay Term Loans pursuant to this Section 2.05(b). Notwithstanding the foregoing, (x) Holdings and its Restricted Subsidiaries will undertake to use commercially reasonable efforts for one year to overcome or eliminate any such restrictions (subject to the considerations above and as determined in the Borrower's reasonable business judgment) to make the relevant prepayment and (y) any prepayments required after application of the above provision shall be net of any costs, expenses or Taxes (other than any Taxes already taken into account in the definition of Net Available Cash) incurred by the Borrower or any of its Affiliates and arising as a result of compliance with immediately preceding clause (x).

(vii) If for any reason the aggregate Revolving Credit Exposures of all Lenders at any time exceeds the aggregate Revolving Credit Commitments then in effect (including, for the avoidance of doubt, as a result of currency fluctuations or the termination of such Revolving Credit Commitments on the Maturity Date with respect thereto), the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(vii) unless after the prepayment in full of the Revolving Credit Loans, the aggregate Revolving Credit Exposures exceed the aggregate Revolving Credit Commitments.

(c) Interest, Funding Losses, Etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon in the currency in which such Loan is denominated, together with, in the case of any such prepayment of a ~~Eurocurrency Rate~~Term Benchmark Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such ~~Eurocurrency Rate~~Tem Benchmark Loan pursuant to Section 3.04.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of ~~Eurocurrency Rate~~Term Benchmark Loans is required to be made under this Section 2.05, prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such ~~Eurocurrency Rate~~Term Benchmark Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit with the Administrative Agent in the currency in which such Loan is denominated the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Such deposit shall constitute cash collateral for the ~~Eurocurrency Rate~~Term Benchmark Loans to be so prepaid, *provided* that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.05.

(d) Discounted Voluntary Prepayments.

(i) Notwithstanding anything to the contrary set forth in this Agreement (including Section 2.13) or any other Loan Document, the Borrower shall have the right at any time and from time to time to prepay one or more Classes of Term Loans to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the procedures described in this Section 2.05(d), *provided* that (A) no proceeds from Revolving Credit Loans shall be used to consummate any such Discounted Voluntary Prepayment, (B) any Discounted Voluntary Prepayment shall be offered to all Term Lenders of such Class on a pro rata basis, (C) [reserved] and (D) the Borrower shall deliver to the Administrative Agent, together with each Discounted Prepayment Option Notice, a certificate of a Responsible Officer of the Borrower (1) stating that no Event of Default under Section 8.01(a) or under Section 8.01(f) or (g) (in each case, with respect to the Borrower) has occurred and is continuing or would result from the Discounted Voluntary Prepayment, (2) stating that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.05(d) has been satisfied and (3) specifying the aggregate principal amount of Term Loans of any Class offered to be prepaid pursuant to such Discounted Voluntary Prepayment.

(ii) To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Administrative Agent substantially in the form of Exhibit H hereto (each, a "Discounted Prepayment Option Notice") that the Borrower desires to prepay Term Loans of one or more specified Classes in an aggregate principal amount specified therein by the Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Loans as specified below. The Proposed Discounted Prepayment Amount of any Loans shall not be less than $5.0 million. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment (A) the Proposed Discounted Prepayment Amount for Loans to be prepaid, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of the Loans to be prepaid (the "Discount Range"), and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment, which shall be at least five Business Days from and including the date of the Discounted Prepayment Option Notice (the "Acceptance Date").

(iii) Upon receipt of a Discounted Prepayment Option Notice, the Administrative Agent shall promptly notify each applicable Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit I hereto (each, a "Lender Participation Notice") to the Administrative Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20.0% would accept a purchase price of 80.0% of the par value of the Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of the Term Loans to be prepaid held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount ("Offered Loans"). Based on the Acceptable Discounts and principal amounts of the Term Loans to be prepaid specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the Borrower, shall determine the applicable discount for such Term Loans to be prepaid (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to Section 2.05(d)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the Outstanding Amount of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); *provided, however*, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans to be prepaid whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iv) The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans to be prepaid (or the respective portions thereof) offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("Qualifying Loans") at the Applicable Discount, *provided* that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(v)Each Discounted Voluntary Prepayment shall be made within five (5)Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 3.04), upon irrevocable notice substantially in the form of Exhibit J hereto (each a "Discounted Voluntary Prepayment Notice"), delivered to the Administrative Agent no later than 1:00 p.m., New York City time, three (3)Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid. The par principal amount of each Discounted Voluntary Prepayment of a Term Loan shall be applied ratably to reduce the remaining installments of such Classof Term Loans (as applicable).

(vi)To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.05(d)(ii)above) established by the Administrative Agent and the Borrower, each acting reasonably.

(vii)Prior to the delivery of a Discounted Voluntary Prepayment Notice, (A)upon written notice to the Administrative Agent, the Borrower may withdraw or modify its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and

(B)no Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice unless the terms of such proposed Discounted Voluntary Prepayment have been modified by the Borrower after the date of such Lender Participation Notice.

(viii) Nothing in this Section 2.05(d) shall require the Borrower to undertake any Discounted Voluntary Prepayment.

Section 2.06 Termination or Reduction of Commitments.

The Borrower may at any time, without premium or penalty, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class; provided, that (i)any such notice shall be received by the Administrative Agent three (3)Business Days prior to the date of termination or reduction, (ii)any such partial reduction shall be in an aggregate amount that is an integral multiple of $1.0 million and not less than $1.0 million and (iii)the Borrower shall not terminate or reduce any Classof Revolving Credit Commitments if, after giving effect to any concurrent repayment of the Revolving Credit Loans of such Class, the aggregate Revolving Credit Exposure of all Lenders in respect of the Revolving Credit Facility (excluding the portion of such Classof Revolving Credit Exposures attributable to outstanding Letters of Credit if and to the extent that the Borrower has made arrangements satisfactory to the Administrative Agent and the applicable L/C Issuer with respect to such Letters of Credit and such L/C Issuer has released the Revolving Credit Lenders from their participation obligations with respect to such Letters of Credit) would exceed the aggregate Revolving Credit Commitments. ~~The amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit unless, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility, in which case such sublimit shall be automatically reduced by the amount of such excess.~~ Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing, which refinancing shall not be consummated or otherwise shall be delayed.

All Commitment Fees accrued until the Closing Date of any termination of the Revolving Credit Commitments shall be paid on the Closing Date of such termination. ~~The amount of any~~ reduction of any Classof Revolving Credit Commitments shall not be applied to the Letter of Credit Sublimit unless, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility, in which case such sublimit shall be automatically reduced by the amount of such excess.

(c)Interest on each Loan shall be due and payable in the currency in which such Loan is denominated in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(g) and (h):

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender under the Revolving Credit Facility a commitment fee in Dollars (the "Commitment Fee") at a per annum rate equal to the Applicable Rate on the actual daily amount by which the Revolving Credit Commitment of such Revolving Credit Lender exceeds the Revolving Credit Exposure of such Lender. The Commitment Fee for the Revolving Credit Facility shall accrue at all times from the Closing Date until the applicable Maturity Date for the applicable Classof Revolving Credit Commitments under the Revolving Credit Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, Septemberand December, commencing with the second such date to occur after the Closing Date, and on the applicable Maturity Date for the applicable Class of Revolving Credit Commitments under the Revolving Credit Facility.

(b) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees.

(a)All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which such Loan is made, and shall not accrue on such Loan, or any portion thereof, for the day on which such Loan or such portion is paid; *provided* that any such Loan that is repaid on the same day on which it is made shall, subject to Section2.12(a), bear interest for one (1)day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) For the purposes of this Agreement, whenever interest is to be calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the *Interest Act* (Canada) is such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis of such determination.

(c)The parties acknowledge and agree that all calculations of interest under the Loan Documents are to be made on the basis of the nominal interest rate described herein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest. The parties acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

(d)Notwithstanding any provision herein to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the Criminal Code (Canada)) payable by a Loan Party under any Loan Document exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such Loan Document in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake of such Loan Party, the Administrative Agent and the applicable Lender or Lenders and the amount of such payment or collection will be refunded to such Loan Party only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws and only to the extent such laws are applicable. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term commencing on the Closing Date and ending on the Maturity Date and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent will be prima facie evidence for the purposes of such determination.

(e)Notwithstanding anything to the contrary contained in the Agreement if the amount of interest paid by a Loan Party to the Lenders is reduced through the application of Section 2.10(d) and, if, as a result of any restatement or other adjustment to the financial statements of such Loan Party (including any adjustment to unaudited financial statements as a result of subsequent audited financial statements) or for any other reason, the Loan Parties or the Administrative Agent determines that the basis upon which such amounts and such interest were reduced as aforesaid was inaccurate and, as a result of such occurrence the Applicable Rates or any fees for any period were lower than would otherwise be the case as a result of the application of Section 2.10(d), then the Loan Parties shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the Lenders, promptly on demand by the Administrative Agent an amount equal to the excess of the amount of interest and fees that should have been paid by the Loan Parties for such period had the same not been reduced through the application of Section 2.10(d) over the amount of interest and fees actually paid by the Loan Parties for such period.

Section 2.11 Evidence of Indebtedness.

(a)The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by one or more entries in the Register. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Secured Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall be conclusive in the absence of demonstrable error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender or its registered assigns, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b)In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the Register and the accounts and records of any Lender in respect of such matters, the Register shall be conclusive in the absence of demonstrable error.

Section 2.12 Payments Generally.

(a)All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office and in immediately available funds not later than 2:00 p.m., Local Time, on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m., Local Time, shall (in the sole discretion of the Administrative Agent) be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. All payments under each Loan Document of principal or interest in respect of any Loan (or of any breakage indemnity in respect of any Loan) shall be made in

the currency of such Loan, and, except as otherwise expressly set forth in any Loan Document, all other payments under each Loan Document shall be made in Dollars.

(b)If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of ~~Eurocurrency Rate~~Term Benchmark Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c)Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in immediately available funds, then:

(i) if the Borrower failed to make such payment, then the applicable Lender agrees to pay to the Administrative Agent forthwith on demand the portion of such assumed payment that was made available to such Lender in immediately available funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in immediately available funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry ruleson interbank compensation, it being understood that nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in immediately available funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "Compensation Period") at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry ruleson interbank compensation. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at the interest rate applicable to such Loan. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under thisSection 2.12(c) shall be conclusive, absent demonstrable error.

(d)If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e)The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f)Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g)Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.04. If the Administrative Agent receives funds for application to the Secured Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Applicable Percentage of the sum of (a)the Outstanding Amount of all Loans outstanding at such time and (b)the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Secured Obligations then owing to such Lender, but provided that the priorities applicable to the Priority Payment Obligations shall be respected.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or its participations in L/C Obligations, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a)notify the Administrative Agent of such fact, and (b)purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that (x)if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i)the amount of such paying Lender's required repayment to (ii)the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon and (y) the provisions of this Section 2.13 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Obligations to any assignee or participant. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of demonstrable error) of participations purchased under this Section 2.13

and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Secured Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Secured Obligations purchased.

Section 2.14 Incremental Credit Extensions.

(a)Subject to Section2.14(f), (including the priorities applicable to the Priority Payment Obligations), at any time and from time to time, subject to the terms and conditions set forth herein, the Borrower or any Subsidiary Guarantor may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request to increase the amount of any Classof Initial Term Loans or add one or more additional tranches of term loans (any such Initial Term Loans or additional tranche of term loans, the "Incremental Term Loans") and/or one or more increases in the Revolving Credit Commitments (a "Revolving Credit Commitment Increase") and/or the establishment of one or more new revolving credit commitments (an "Additional Revolving Credit Commitment" and, together any Revolving Credit Commitment Increases, the "Incremental Revolving Credit Commitments"; together with the Incremental Term Loans, the "Incremental Facilities"). Notwithstanding anything to contrary herein, the aggregate Dollar Equivalent amount of all Incremental Facilities (other than Refinancing Term Loans and Refinancing Revolving Credit Commitments) (determined at the time of incurrence), together with the aggregate principal amount of all Permitted Alternative Incremental Facilities Debt, shall not exceed the sum of (i)the greater of (x)$250.0 million and (y)25.0% of LTM EBITDA (such amount the "Unrestricted Incremental Amount") plus (ii)the amount of any voluntary prepayments, repurchases, redemptions or other retirements of the Term Loans and any other Indebtedness (in the case of such other Indebtedness, to the extent such Indebtedness is (y)secured on a *pari passu* basis with respect to security with the Obligations, (x)secured on a junior lien basis with the Obligations or (z)unsecured, and so long as it was not, in the case of clause (x)or (z), originally incurred under the Incremental Incurrence Test), payments made pursuant to Section 3.06(a)and voluntary permanent reductions of the Revolving Credit Commitments effected after the Closing Date (including pursuant to debt buy-backs made by Holdings or any Restricted Subsidiary pursuant to "Dutch Auction" procedures and open market purchases permitted hereunder, in an amount equal to the discounted amount actually paid in respect thereof, but excluding (A)any prepayment with the proceeds of substantially concurrent borrowings of new Loans hereunder, (B) any reduction of Revolving Credit Commitments in connection with a substantially concurrent issuance of new revolving commitments hereunder and (C) prepayments with the proceeds of substantially concurrent incurrence of other long term Indebtedness (other than borrowings under the Revolving Credit Facility and other revolving Indebtedness, in each case without a substantially concurrent permanent commitment reduction)) (this clause (ii), the "Voluntary Prepayment Amount") plus (iii) unlimited additional Incremental Facilities and Permitted Alternative Incremental Facilities Debt so long as, after giving pro forma effect thereto and after giving effect to any Permitted Investment consummated in connection therewith and all other appropriate pro forma adjustments (but excluding the cash proceeds of any such Incremental Facilities and without giving effect to any amount incurred simultaneously under (x)the Unrestricted Incremental Amount or the Voluntary Prepayment Amount or (y)the Revolving Credit Facility), (A)if such Incremental Facility is secured by a Lien on the Collateral that is *pari passu* with the Liens securing the Initial Term Loans, the Consolidated First Lien Secured Leverage Ratio for the most recently ended Test Period does not exceed 2.25:1.00, (B) if such Incremental Facility is secured by a Lien on the Collateral that is junior to the Liens securing the Initial Term Loans, is secured by assets not constituting Collateral or is unsecured, the Consolidated Total Leverage Ratio for the most recently ended Test Period does not exceed 3.50:1.00; provided that Incremental Facilities may be incurred pursuant to this clause (iii)prior to utilization of the Unrestricted Incremental Amount and the Voluntary Prepayment Amount and assuming for purposes of such calculation that the full committed amount of any new Incremental Revolving Credit Commitments and/or any Permitted Alternative Incremental Facilities Debt constituting a revolving credit commitment then being incurred shall be treated as outstanding Indebtedness (this clause (iii), the "Incremental Incurrence Test"). Each Incremental Facility shall be in an integral multiple of $ 1.0 million and be in an aggregate principal amount that is not less than $ 5.0 million in case of Incremental Term Loans or $ 5.0 million in case of Incremental Revolving Credit Commitments, *provided* that such amount may be less than the applicable minimum amount if such amount represents all the remaining availability hereunder as set forth above.

(b)Any Incremental Term Loans (other than Refinancing Term Loans) (i)for purposes of mandatory prepayments, shall be treated substantially the same as (and in any event no more favorably than) the Term Loans, (ii)shall have interest rate margins (including "MFN" protection), (subject to clauses (iii)and (iv)), amortization schedule and other terms as determined by the Borrower and the Lenders thereunder (*provided* that, if the Effective Yield of any Incremental Term Loans that are MFN Qualifying Term Loans exceeds the Effective Yield of the Initial Term Loans immediately prior to the effectiveness of the applicable Incremental Facility Amendment by more than 0.50% per annum, the Applicable Rate and/or, as set forth below, the interest rate floor relating to such Initial Term Loans shall be adjusted such that the Effective Yield of such Initial Term Loans is equal to the Effective Yield of such Incremental Term Loans minus 0.50% per annum, it being understood and agreed that the relative rate differentials in any pricing grid specified in the Applicable Rate shall continue to be maintained (the foregoing, including all qualifications and exceptions thereto, collectively, the "MFN Adjustment"); provided, further, that any increase in Effective Yield with respect to the Initial Term Loans due to the application of an interest rate floor to any Incremental Term Loan greater than the interest rate floor applicable to the applicable Initial Term Loans shall be effected solely through an increase in the interest rate floor applicable to such Initial Term Loans), (iii)any Incremental Term Loan shall not have a final maturity date earlier than the Maturity Date applicable to the Initial Term Loans, (iv)any Incremental Term Loan shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Initial Term Loans, (v) shall not be guaranteed by any person other than the Loan Parties and, to the extent secured, shall not be secured by any assets other than the Collateral and (vi)shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Incremental Term Loans (*provided*, that, to the extent any more restrictive term is added for the benefit of any Incremental Term Loans, such term (except to the extent only applicable after the Maturity Date of the Initial Term Loans) shall also be added for the benefit of the Term Loans (it being understood that (1)no consent of the Administrative Agent and/or any Lender shall be required in connection with adding such term and (2)to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans)); *provided* that the requirements in clauses (iii)and (iv)of this clause (b)shall not apply to any Inside Maturity Debt.

(c) Any Incremental Revolving Credit Commitments (other than Refinancing Revolving Credit Commitments) (i) for purposes of mandatory prepayments, shall be treated substantially the same as (and in any event no more favorably than) the Revolving Credit Commitments, (ii) shall have interest rate margins and (subject to clauses (iii) and (iv)) amortization schedule as determined by the Borrower and the lenders thereunder (provided that (A) in the case of a Revolving Credit Commitment Increase, the maturity date of such Revolving Credit Commitment Increase shall be the same as the Maturity Date applicable to the Revolving Credit Commitments, such Revolving Credit Commitment Increase shall require no scheduled amortization or mandatory commitment reduction prior to the final Maturity Date applicable to the Revolving Credit Commitments and the Revolving Credit Commitment Increase shall be on the exact same terms and pursuant to the exact same documentation applicable to the Revolving Credit Commitments and (B) in the case of an Additional Revolving Credit Commitment, the maturity date of such Additional Revolving Credit Commitment shall be no earlier than the Maturity Date applicable to the Revolving Credit Commitments and such Additional Revolving Credit Commitment shall require no scheduled amortization or mandatory commitment reduction prior to the final Maturity Date of the Revolving Credit Commitments), (iii) any Incremental Revolving Credit Commitments shall not have a final maturity date earlier than the Maturity Date applicable to the Revolving Credit Commitments, (iv) any Incremental Revolving Credit Commitments shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Revolving Credit Commitments and (v) shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Incremental Revolving Credit Commitments.

(d)Each notice from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans and/or Incremental Revolving Credit Commitments. Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Term Loans or Incremental Revolving Credit Commitments shall be reasonably satisfactory to the Borrower and the Administrative Agent (*provided*, the Administrative Agent's consent shall only be required if such consent would be required pursuant to Section 10.07 and such consent shall not be unreasonably withheld or

delayed) (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and, if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, such Additional Lender, the Administrative Agent and, in the case of any Incremental Revolving Credit Commitments and each L/C Issuer; *provided*, the Administrative Agent's and/or L/C Issuer's consent shall only be required if such consent would be required pursuant to Section 10.07 and such consent shall not be unreasonably withheld or delayed or otherwise pursuant to Section 10.01. For the avoidance of doubt, no L/C Issuer is required to act as such for any Additional Revolving Credit Commitments unless they so consent. No Incremental Facility Amendment shall require the consent of any Lenders other than the Additional Lenders with respect to such Incremental Facility Amendment. No Lender shall be obligated to provide any Incremental Term Loans or Incremental Revolving Credit Commitments, unless it so agrees. Commitments in respect of any Incremental Term Loans or Incremental Revolving Credit Commitments may become Commitments under this Agreement. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.14. The effectiveness of any Incremental Facility Amendment shall, unless otherwise agreed to by the Additional Lenders, be subject to the satisfaction on the date thereof (each, an "Incremental Facility Closing Date") of each of the conditions set forth in Section 4.02 (it being understood that (x)all references to "the date of such Credit Extension" in Section4.02 shall be deemed to refer to the Incremental Facility Closing Date and (y) if the proceeds of such Incremental Facility are to be used, in whole or in part, (1) to finance a Permitted Investment, (A) the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Facility Closing Date shall be the Specified Representations and (B)no Specified Default shall have occurred and Section 4.02(b)shall not apply or (2)to finance a Limited Condition Transaction, (A)the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Facility Closing Date shall be the Specified Representations and (B) Section 4.02(b)shall not apply). The proceeds of any Incremental Term Loans will be used only for general corporate purposes (including, without limitation, other Investments not prohibited hereunder and Restricted Payments). Upon each increase in the Revolving Credit Commitments pursuant to this Section 2.14, each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Credit Commitment (each, an "Incremental Revolving Lender") in respect of such increase, and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Credit Lender (including each such Incremental Revolving Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment. Additionally, if any Revolving Credit Loans are outstanding at the time any Incremental Revolving Credit Commitments are established, the Revolving Credit Lenders immediately after effectiveness of such Incremental Revolving Credit Commitments shall purchase and assign at par such amounts of the Revolving Credit Loans outstanding at such time as the Administrative Agent may require such that each Revolving Credit Lender holds its Applicable Percentage of all Revolving Credit Loans outstanding immediately after giving effect to all such assignments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(e)Any portion of any Incremental Facility incurred other than under the Incremental Incurrence Test may be reclassified at any time, as the Borrower may elect from time to time, as incurred under the Incremental Incurrence Test if the Borrower meets the applicable ratio under the Incremental Incurrence Test at such time on a pro forma basis for such reclassification at any time subsequent to the incurrence of such Incremental Facility (or would have met such ratio, in which case, such reclassification shall be deemed to have automatically occurred if not elected by the Borrower).

(f) (x)Unless the Required Revolving Credit Lenders and the Required Lenders consent to a greater amount, after giving effect to any Incremental Facilities, the aggregate principal amount of Priority Payment Obligations (assuming the Revolving Credit Facility and any Incremental Revolving Credit Commitments that are Priority Payment Obligations have been fully-drawn) shall not exceed $750.0 million (the "Initial Revolving Credit Facility Cap") and (y)unless the Required Revolving Credit Lenders consent, the Borrower may not incur any Incremental Revolving Credit Commitments other than a Revolving Credit Commitment Increase. Notwithstanding anything herein to the contrary and without the consent of the Required Revolving Lenders or any other Lender (but subject to the applicable requirements of this Section 2.14), at the Borrower's sole option, it may incur any unused portion of the Initial Revolving Credit Facility Cap in the form of an Incremental Term Loans that are secured by a Lien on the Collateral that is *pari passu* with the Liens securing the Initial Term Loans but that are junior in right of payment (as set forth in Section8.04) to the Revolving Credit Facility and senior in right of payment to the Initial Term Loans (the " Super Senior Incremental Term Loans"); provided that (1)any Super Senior Incremental Term Loan shall not have a final maturity date earlier than the Maturity Date applicable to the Revolving Credit Facility, (2)any Super Senior Incremental Term Loans shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Revolving Credit Facility and (3)shall be on terms and conditions and pursuant to documentation to be determined between the Borrower and the Lenders providing such Super Senior Incremental Term Loans (provided, that, the covenants contained in such Super Senior Incremental Term Loans shall be no more favorable (taken as a whole) to the Lenders providing the Super Senior Incremental Term Loans than the covenants contained in the Revolving Credit Facility (except to the extent only applicable after the Maturity Date of the Revolving Credit Facility and unless such more restrictive covenant is also added for the benefit of the Revolving Credit Facility (it being understood that no consent of the Administrative Agent and/or any Lender shall be required in connection with adding such term))); *provided* that the requirements in clauses (1)and (2) of this clause (f) shall not apply to any Inside Maturity Debt.

Section 2.15 Extensions of Term Loans and Revolving Credit Commitments.

(a)Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an " Extension Offer") made from time to time by the Borrower to all Lenders of any Classof Term Loans or any Classof Revolving Credit Commitments, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Credit Commitments of the applicable Class) and on the same terms to each such Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans and/or Revolving Credit Commitments of the applicable Class and otherwise modify the terms of such Term Loans and/or Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans and/or Revolving Credit Commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Lender's Term Loans) (each, an "Extension," and each group of Term Loans or Revolving Credit Commitments, as applicable, in each case as so extended, as well as the original Term Loans and the original Revolving Credit Commitments (in each case not so extended), being a separate Classof Term Loans from the Classof Term Loans from which they were converted, and any Extended Revolving Credit Commitments (as defined below) shall constitute a separate Classof Revolving Credit Commitments from the Classof Revolving Credit Commitments from which they were converted, it being understood that an Extension may be in the form of an increase in the amount of any other then outstanding Classof Term Loans or Revolving Credit Commitments otherwise satisfying the criteria set forth below), so long as the following terms are satisfied: (i)except as to interest rates, fees and final maturity (which shall be determined by the Borrower and set forth in the relevant Extension Offer), the Revolving Credit Commitment of any Revolving Credit Lender that agrees to an extension with respect to such Revolving Credit Commitment extended pursuant to an Extension (an "Extended Revolving Credit Commitment"), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms as the original Classof Revolving Credit Commitments (and related outstandings); *provided* that at no time shall there be Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments and any original Revolving Credit Commitments) which have more than three different maturity dates, (ii)except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined between the Borrower and set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an extension with respect to such Term Loans extended pursuant to any Extension ("Extended Term Loans") shall have the same terms as the Classof Term Loans subject to such Extension Offer, (iii)the final maturity date of any Extended Term Loans shall be no earlier than the then latest maturity date hereunder and the amortization schedule applicable to Term Loans pursuant to Section 2.07(a)for periods prior to the Maturity Date for Initial Term Loans may not be increased, (iv)the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby, (v)any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer, (vi)if the aggregate principal amount of the Classof Term Loans (calculated on the face amount thereof) or Revolving Credit Commitments, as the case may be, in respect of which Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments of such

Class, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Commitments of such Class, as the case may be, of such Term Lenders or Revolving Credit Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Credit Lenders, as the case may be, have accepted such Extension Offer, (vii)all documentation in respect of such Extension shall be consistent with the foregoing, (viii)any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix)the Minimum Tranche Amount shall be satisfied unless waived by the Administrative Agent. No Lender shall be obligated to extend its Term Loans or Revolving Credit Commitments unless it so agrees.

(b)With respect to all Extensions consummated by the Borrower pursuant to this Section 2.15, (i)such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05 and (ii)no Extension Offer is required to be in any minimum amount or any minimum increment, *provided* that (x)the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Term Loans or Revolving Credit Commitments (as applicable) of any or all applicable Classes be tendered, (y)no Classof Extended Term Loans shall be in a Dollar Equivalent amount of less than $15.0 million and (z) no Class of Extended Revolving Credit Commitments shall be in a Dollar Equivalent amount of less than $ 5.0 million (each amount in clause (y) and (z)above, the " Minimum Tranche Amount"), unless such Minimum Tranche Amount is waived by the Administrative Agent. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section2.15 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on the such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.05, 2.12 and 2.13) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.15.

(c)No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A)the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Credit Commitments (or a portion thereof) and (B)with respect to any Extension of any Class of Revolving Credit Commitments, the consent of the relevant L/C Issuer (if such L/C Issuer is being requested to issue letters of credit with respect to the Classof Extended Revolving Credit Commitments). All Extended Term Loans, Extended Revolving Credit Commitments and all obligations in respect thereof shall be Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new Classes in respect of Revolving Credit Commitments or Term Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.15.

(d)In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5)Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.15.

Section 2.16 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitment Fee shall cease to accrue on any of the Revolving Credit Commitments of such Defaulting Lender pursuant toSection 2.09(a);

(b) the Commitment, Outstanding Amount of Term Loans and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, the Required Lenders or the Required Revolving Credit Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.01); *provided* that any waiver, amendment or modification of a type described in clause (a), (b)or (c)of the first proviso in Section10.01 that would apply to the Commitments or Secured Obligations owing to such DefaultingLender shall require the consent of such Defaulting Lender with respect to the effectiveness of such waiver, amendment or modification with respect to the Commitments or Secured Obligations owing to such Defaulting Lender;

(c) if any L/C Exposure exists at the time a Lender under the Revolving Credit Facility becomes a Defaulting Lender then:

(i) all or any part of the L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's L/C Exposure does not exceed the total of all non-Defaulting Lenders' Commitments;

(ii) if the reallocation described in clause (i)above cannot, or can only partially, be effected, the Borrower shall within three (3)Business Days following notice by the Administrative Agent Cash Collateralize for the benefit of the L/C Issuer only the Borrower's obligations corresponding to such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i)above) in accordance with the procedures set forth in Section 2.03(f) for so long as such L/C Exposure is outstanding;

(iii) if the Borrower Cash Collateralizes any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii)above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.03(h)with respect to such Defaulting Lender's L/C Exposure during the period such Defaulting Lender's L/C Exposure is Cash Collateralized;

(iv) if the L/C Exposures of the non-Defaulting Lenders are increased pursuant toclause (i)above, then the fees payable to the Lenders pursuant to Sections 2.09(a) and 2.03(h) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor Cash Collateralized pursuant toclause (i) or (ii)above, then, without prejudice to any rights or remedies of the L/C Issuer or any other Lender hereunder, all letter of credit fees payable under Section 2.03(h)with respect to such portion of such Defaulting Lender's L/C Exposure shall be payable to the L/C Issuer until and to the extent that such L/C Exposure is reallocated and/or Cash Collateralized; and

(d) so long as such Lender is a Defaulting Lender under the Revolving Credit Facility, the L/C Issuer shall not be required to issue, amend or increase any Letter of Credit, unless it has received assurances satisfactory to it that non-Defaulting Lenders will cover the related exposure and/or cash collateral will be provided by the Borrower in accordance with Section 2.16(c), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.16(c)(i) (and such Defaulting Lender shall not participate therein).

In the event that the Administrative Agent, the Borrower and the L/C Issuer each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Exposures of the Revolving Credit Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Revolving Credit Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Credit Loans in accordance with its Applicable Percentage.

Section 2.17 Permitted Debt Exchanges.

(a)Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a " Permitted Debt Exchange Offer") made from time to time by the Borrower to all Term Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i)a "qualified institutional buyer" (as defined in Rule144A under the Securities Act), (ii)an institutional "accredited investor" (as defined in Rule501 under the Securities Act) or (iii)not a "U.S. person" (as defined in Rule902 under the Securities Act)) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) (such Indebtedness, "Permitted Debt Exchange Notes" and each such exchange, a "Permitted Debt Exchange"), so long as the following conditions are satisfied:

(i) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Term Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i)a "qualified institutional buyer" (as defined in Rule144A under the Securities Act), (ii)an institutional "accredited investor" (as defined in Rule501 under the Securities Act) or (iii)not a "U.S. person" (as defined in Rule902 under the Securities Act)) of each applicable Classbased on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii) the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except by an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Debt Exchange;

(iii) the stated final maturity of such Permitted Debt Exchange Notes is not earlier than the Latest Maturity Date for the Classor Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such latest maturity date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Debt Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Debt Exchange Notes are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition) prior to the Latest Maturity Date for the Classor Classes of Term Loans being exchanged, *provided* that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Debt Exchange Notes shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v) no Restricted Subsidiary is a borrower or guarantor with respect to such Indebtedness unless such Restricted Subsidiary is or substantially concurrently becomes a Loan Party;

(vi) if such Permitted Debt Exchange Notes are secured, such Permitted Debt Exchange Notes are secured on a pari passu basis or junior priority basis to the Secured Obligations and (A)such Permitted Debt Exchange Notes are not secured by any assets not securing the Secured Obligations unless such assets substantially concurrently secure the Secured Obligations and (B)the beneficiaries thereof (or an agent on their behalf) shall have entered into a Customary Intercreditor Agreement with the Administrative Agent;

(vii) the terms and conditions of such Permitted Debt Exchange Notes (excluding pricing and optional prepayment or redemption terms or covenants or other provisions applicable only to periods after the Maturity Date of the Classor Classes of Term Loans being exchanged) reflect market terms and conditions at the time of incurrence or issuance as reasonably determined by the Borrower in good faith;

(viii) all Term Loans exchanged under each applicable Classby the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Debt Exchange, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange);

(ix) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Classtendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower

and the Administrative Agent; and

(xi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Commitments exchanged pursuant to any Permitted Debt Exchange Offer.

(b)With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, such Permitted Debt Exchange Offer shall be made for not less than $15.0 million in aggregate principal amount of Term Loans, *provided* that subject to the foregoing the Borrower may at its election specify (A)as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B)as a condition (a " Maximum Tender Condition") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Sections 2.05, 2.06 and 2.13 do not apply to the Permitted Debt Exchange and the other transactions contemplated by this Section 2.17 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.17.

(c)In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five (5)Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.17; *provided* that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five (5)Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than three (3)Business Days prior to the proposed date of effectiveness for such Permitted Debt Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(d)The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (i) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (ii)each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

Section 2.18 Refinancing Facilities.

(a)At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender (to the extent agreed to by such Lender or Additional Lender in its sole discretion), Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans, Revolving Credit Loans and/or Revolving Credit Commitments then outstanding under this Agreement (which will be deemed to include any then outstanding Incremental Term Loans under any Incremental Facilities or any Incremental Revolving Credit Commitments then outstanding under this Agreement (or any Revolving Credit Loans outstanding pursuant thereto)) or any then outstanding Refinancing Term Loans or any then outstanding Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments, respectively, in each case, pursuant to a Refinancing Amendment, together with any applicable Customary Intercreditor Agreement or other customary subordination agreement; *provided*, that such Credit Agreement Refinancing Indebtedness (i)will, to the extent secured, rank *pari passu* or junior in right of payment and of security with the other Loans and Commitments hereunder (but for the avoidance of doubt, such Credit Agreement Refinancing Indebtedness may be unsecured), (ii)will, to the extent permitted by the definition of "Credit Agreement Refinancing Indebtedness," have such pricing, interest rate margins (including "MFN" provisions), rate floors, discounts, fees, premiums and prepayment or redemption provisions and terms as may be agreed by the Borrower and the Lenders or Additional Lenders with respect thereto, (iii)will, to the extent in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments, participate in the payment, borrowing, participation and commitment reduction provisions herein on a *pro rata* basis with any then outstanding Revolving Credit Loans and Revolving Credit Commitments, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than a *pro rata* basis as compared to any other Class with a later maturity date than such Class and (iv) will, to the extent in the form of Refinancing Revolving Credit Loans or Refinancing Revolving Credit Commitments and unless the Required Revolving Credit Lenders shall have consented thereto, have terms and conditions (other than interest rate margins and commitment fees) identical to those applicable to the Revolving Credit Commitments and Revolving Credit Loans being refinanced. The effectiveness of any Refinancing Amendment shall be subject to, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of reaffirmation agreements and board resolutions, officers' certificates and legal opinions consistent with those delivered on the Closing Date. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Refinancing Term Loans, Refinancing Revolving Credit Loans or Refinancing Revolving Credit Loan Commitments, as applicable) and any Indebtedness being replaced or refinanced with such Credit Agreement Refinancing Indebtedness shall be deemed permanently reduced and satisfied in all respects. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, to effect the provisions of this Section.

(b) This Section 2.18 shall supersede any provisions of Section 10.01 to the contrary.

Section 2.19 Disbursement Agent. The Disbursement Agent shall hold Initial Term Loans in an amount equal to the Unidentified Claimant Term Loan Amount for the benefit of the Unidentified Claimants until the earlier of (x)the Reversion Date, at which time all remaining Initial Term Loans held by the Disbursement Agent shall be cancelled, terminated and discharged pursuant to Section2.04(b)and (y)the date on which all of the Disbursement Agent's rights and obligations hereunder are assigned to Claimant Assignees and/or discharged, terminated and cancelled, in each case, in accordance with the last paragraph of Section 10.07(b). In connection with any vote, consent or other instruction that the Disbursement Agent shall be entitled to deliver with respect to the Initial Term Loans it holds for the benefit of the Unidentified Claimants, the Disbursement Agent shall vote such Initial Term Loans (or shall give instructions with respect to such Initial Term Loans) in the same proportion as the other Loans entitled to vote or give such instruction have voted or given such instruction. For the avoidance of doubt, Windstream Services ~~II~~, LLC shall be deemed to be acting in its capacity as Disbursement Agent and Initial Lender with respect to the relevant provisions in this Agreement relating to Unidentified Claimants, and not in its capacity as the Borrower; provided that, acting in such capacity as Disbursement Agent shall not otherwise affect its rights and obligations under this Agreement in its capacity as Borrower, except as expressly set forth herein.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a)Except as required by applicable law, any and all payments by or with respect to any obligation of the Borrower (the term Borrower under this Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes; *provided* that if any applicable law (as determined in the good faith discretion of the applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent and such Tax is an Indemnified Tax, then (i)the sum payable by the Borrower or applicable Guarantor shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 3.01 any Recipient receives an amount equal to the sum it would have received had no such deductions or withholdings been made), (ii)the applicable withholding agent shall make such deductions and withholdings, and (iii)the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, and without duplication of any amounts payable pursuant to Section3.01(a), the Borrower agrees to pay, or at the option of the Administrative Agent timely reimburse it for, all Other Taxes.

(b) Without duplication of any amounts payable pursuant to Section 3.01(a), the Borrower agrees to indemnify each Agent and each Lender, within 10 Business Days after written demand therefor, for (i)the full amount of any Indemnified Taxes (including any Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by such Agent and such Lender and (ii)any reasonable out-of-pocket expenses arising therefrom or with respect thereto, in each case, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; *provided* however that the Borrower shall not be required to indemnify any Agent or Lender pursuant to this Section3.01(b)for any interest, penalties or expenses to the extent resulting from such Agent's or such Lender's failure to notify the Borrower of such possible indemnification claim within 180 days after such Agent or such Lender, as applicable, receives written notice from the applicable Governmental Authority of the specific Tax assessment or deficiency claim giving rise to such indemnification claim. A copy of a receipt or any other document evidencing payment delivered to the Borrower by a Recipient, or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error. If any Lender or Agent determines, in its reasonable discretion, that it has received a refund in respect of any Indemnified Taxes as to which indemnification or additional amounts have been paid to it by a Borrower or any Guarantor pursuant to this Section 3.01, it shall reasonably promptly pay an amount equal to such refund after it is determined that such refund pertains to Indemnified Taxes (but only to the extent of indemnity payments made, or additional amounts paid, by a Borrower or any Guarantor under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund plus any interest included in such refund by the relevant taxing authority attributable thereto) to the Borrower, net of all reasonable out-of-pocket expenses of the Lender or Agent, as the case may be and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); *provided* that the Borrower or the Guarantor, upon the request of the Lender or Agent, as the case may be, agrees promptly to return an amount equal to such refund (plus any applicable interest, additions to Tax or penalties) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Notwithstanding anything to the contrary in this paragraph (b), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (b)the payment of which would place the indemnified party in a less favorable net after- Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing herein contained shall oblige any Lender or Agent to claim any Tax refund or to make available its Tax returns or disclose any information relating to its Tax affairs or any computations in respect thereof.

(c)As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 3.01, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (b) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions), at Borrower's expense, to designate another Applicable Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the judgment of such Lender, cause such Lender and its Applicable Lending Office(s)to suffer no material economic, Taxes, legal or regulatory disadvantage, and provided further that nothing in this Section 3.01(e) shall affect or postpone any of the Secured Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (c).

(e)Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i)any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii)any Taxes attributable to such Lender's failure to comply with the provisions of Section10.07(e)relating to the maintenance of a Participant Register and (iii)any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any documentation specifically referenced below) expired, obsolete or inaccurate in any material respect, deliver reasonably promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or reasonably promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(A)Each Lender that is a "United States person" (as defined in Section7701(a)(30) of the Code) shall deliver to the Borrower and the

Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) on or before the date on which it becomes a party to this Agreement (or, in the case of (x)a Participant, on or before the date on which such Participant purchases the related participation and (y) an assignee, on or before the effective date of such assignment), on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service FormW-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding. Each Lender that is not a "United States person" as defined in Section7701(a)(30) of the Code (a "**Foreign Lender**") shall, to the extent it is legally able to do so, deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) on or before the date on which it becomes a party to this Agreement (or, in the case of (x)a Participant, on or before the date on which such Participant purchases the related participation and (y)an assignee, on or before the effective date of such assignment), and from time to time thereafter when required by Law or upon the reasonable request of the Borrower or the Administrative Agent, two duly completed copies of whichever of the following is applicable:

(1) an executed original of Internal Revenue Service FormW-8BEN, W-8BEN-E, as applicable (with respect to eligibility for benefits under any income tax treaty), or successor and related applicable forms, as the case may be, certifying to such Foreign Lender's entitlement as of such date to an exemption from or reduction of United States withholding tax with respect to payments to be made under this Agreement,

(4) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation),Internal Revenue Service FormW-8IMY (or any successor forms) of the Lender, accompanied by Internal Revenue Service FormW-8ECI, W-8BEN or W-8BEN-E, as applicable (or any successor forms), United States Tax Compliance Certificate,Internal Revenue Service FormW-9, FormW-8IMY (or other successor forms) and/or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(5) any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

Further, each Foreign Lender agrees, (i) to the extent it is not precluded from doing so by a Change in Law and otherwise legally able to do so, to deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased), from time to time, an executed original of the applicable Form W-8 or successor and related applicable forms or certificates, on or before the date that any such form or certificate, as the case may be, expires or becomes obsolete or invalid in accordance with applicable U.S. laws and regulations, (ii) in the case of a Foreign Lender that delivers a United States Tax Compliance Certificate, to deliver to the Borrower and the Administrative Agent, and if applicable, the assigning Lender (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased), such statement on an annual basis reasonably promptly after the anniversary of the date on which such Foreign Lender became a party to this Agreement (or, in the case of a Participant, the date on which the Participant purchased the related participation), and (iii) to notify promptly the Borrower and the Administrative Agent (or, in the case of a Participant, the Lender from which the related participation shall have been purchased) if it is no longer able to deliver, or if it is required to withdraw or cancel, any form or certificate previously delivered by it pursuant to this Section 3.01(f).

(A)In addition, but without duplication of the covenant as to United States withholding tax contained in Section 3.01(f)(i)and (ii) , any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction(s)in which the Borrower is organized, or any treaty to which any such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed original documentation prescribed by applicable law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate.

(B) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b)or 1472(b)of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section1471(b)(3)(C)(i)of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment.

Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender authorizes the Administrative Agent to deliver to the Borrower and to any successor Agent any documentation provided by the Lender to the Agent pursuant to this Section 3.01(f).

(g)The Administrative Agent shall provide the Borrower with two duly completed original copies of, if it is a United States person (as defined in Section7701(a)(30) of the Code),Internal Revenue Service FormW- 9 certifying that it is exempt from U.S. federal backup withholding, and, if it is not a United States person, (1)Internal Revenue Service FormW-8ECI with respect to payments to be received by it as a beneficial owner and (2)Internal Revenue Service FormW-8IMY (together with required accompanying documentation) with respect to payments to be received by it on behalf of the Lenders, and shall update such forms periodically upon the reasonable request of the Borrower, and whenever a lapse in time or change in circumstances renders any such form or documentation expired, obsolete or inaccurate in any material respect, or promptly notify the Borrower in writing of its legal ineligibility to do so. Notwithstanding any other provision of this clause (g), the Administrative Agent shall not be required to deliver any form that such Administrative Agent is not legally eligible to deliver.

Section 3.02 Inability to Determine Rates.

~~(a) If, after the Closing Date, either the Administrative Agent or the Required Lenders reasonably determine that for any reason adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan denominated in~~

any currency, or the Required Lenders (excluding for all purposes of this Section 3.02 only, the portion of the Total Outstandings and unused Commitments that are not available for Loans in such currency) determine that the Eurocurrency Rate for any requested Interest Period with respect to such proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the applicable London interbank Eurodollar, or other applicable market, for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in such currency shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that (A)prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period or (B)at any time, Adjusted Daily Simple SOFR will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark, if the Borrower delivers a new Committed Loan Notice or a notice of conversion or continuation, that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Term Benchmark Borrowing or a Committed Loan Notice that requests a Term Benchmark Revolving Borrowing, such notice shall instead be deemed to be an Committed Loan Notice or a notice of conversion or continuation, as applicable, for a Base Rate Borrowing; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted.

(b)Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence ofif a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurocurrency Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event or an Early Opt-in Election will become effective at 5:00 p.m. and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then- current Benchmark, then (x)if a Benchmark Replacement is determined in accordance with clause (1)of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y)if a Benchmark Replacement is determined in accordance with clause (2)of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m.(New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower,date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendmentBenchmark Replacement from Lenders comprising the Required Lenders; *provided* that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. No replacement of Eurocurrency Rate with a Benchmark Replacement will occur priorof each affected Class.

to the applicable Benchmark Transition Start Date. In connection with the implementation of a Benchmark Replacement(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document,any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(ed) The Administrative Agent will promptly notify the Borrower and the Lenders of (i)any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii)the implementation of any Benchmark Replacement, (iii)the effectiveness of any Benchmark Replacement Conforming Changes and, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f)below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent, the Borrower or or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party heretoto this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document,at any time (including in connection with the implementation of a Benchmark Replacement), (i)if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A)any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretionor (B)the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii)if a tenor that was removed pursuant to clause (i)above either (A)is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B)is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(df)Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i)any Committed Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Rate Borrowing shall be ineffective and (ii)if any Committed Loan Notice requests a Eurocurrency Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowingthe Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing into a request for a Borrowing of or conversion to a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then- current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the

Administrative Agent to, and shall constitute, a Base Rate Loan.

Section 3.03 Increased Cost and Reduced Return; Capital Adequacy; Reserves on ~~Eurocurrency Rate~~Term Benchmark Loans.

(a)If any Lender determines that as a result of any Change in Law, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.03(a) any such increased costs or reduction in amount resulting from (i)Indemnified Taxes indemnifiable under Section 3.01, (ii)Excluded Taxes described in clauses (b) through (d)of the definition of Excluded Taxes or (iii)Excluded Taxes described in clause (a)of the definition of Excluded Taxes to the extent such Taxes are imposed on or measured by such Lender's net income or profits (or are franchise Taxes imposed in lieu thereof) or (iv)reserve requirements contemplated by Section 3.03(c)), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b)If any Lender determines that as a result of any Change in Law regarding capital adequacy or liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Applicable Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction within fifteen (15) days after receipt of such demand.

(c)The Borrower shall pay to each Lender, ~~(i)as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrency funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of demonstrable error), and (ii)~~ as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the ~~Eurocurrency Rate~~Term Benchmark Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error) which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days after receipt of such notice.

(d)Subject to Section 3.05(b), failure or delay on the part of any Lender to demand compensation pursuant to thisSection 3.03 shall not constitute a waiver of such Lender's right to demand such compensation.

(e)If any Lender requests compensation under this Section 3.03, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Applicable Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Applicable Lending Office(s)to suffer no material economic, legal or regulatory disadvantage; and provided, further, that nothing in this Section 3.03(e)shall affect or postpone any of the Secured Obligations of the Borrower or the rights of such Lender pursuant to Section 3.03(a), (b), (c) or (d).

Section 3.04 Funding Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a)any continuation, conversion, payment or prepayment of any ~~Eurocurrency Rate~~Term Benchmark Loan on a day other than the last day of the Interest Period for such Loan; or

(b)any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan (other than a Base Rate Loan) on the date or in the amount notified by the Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

~~For purposes of calculating amounts payable by the Borrower to the Lenders under thisSection 3.04, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.~~

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Sectionshall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 3.05 Matters Applicable to All Requests for Compensation.

(a)Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of demonstrable error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b)With respect to any Lender's claim for compensation under Section 3.02, Section3.03 or Section 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.03, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue ~~Eurocurrency Rate~~Term Benchmark Loans from one Interest Period to another, or to convert Base Rate Loans into ~~Eurocurrency Rate~~Term Benchmark Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.05(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c)If the obligation of any Lender to make or continue any ~~Eurocurrency Rate~~Term Benchmark Loan from one Interest Period to another, or to convert Base Rate Loans into ~~Eurocurrency Rate~~Term Benchmark Loans shall be suspended pursuant to Section 3.05(b)hereof, such Lender's ~~Eurocurrency Rate~~Term Benchmark Loans denominated in Dollars shall be automatically converted into Base Rate Loans on the last day(s)of the then current Interest Period(s)for such ~~Eurocurrency Rate~~Term Benchmark Loans (or, in the case of an immediate conversion required bySection 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to such conversion no longer exist:

(i)to the extent that such Lender's ~~Eurocurrency Rate~~Term Benchmark Loans denominated in Dollars have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's ~~Eurocurrency Rate~~Term Benchmark Loans shall be applied instead to its Base Rate Loans; and

(ii)all Loans denominated in Dollars that would otherwise be made or continued from one Interest Period to another by such Lender as ~~Eurocurrency Rate~~Term Benchmark Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into ~~Eurocurrency Rate~~Term Benchmark Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to the conversion of such Lender's ~~Eurocurrency Rate~~Term Benchmark Loans denominated in Dollars pursuant to this Section 3.05 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when ~~Eurocurrency Rate~~Term Benchmark Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted to ~~Eurocurrency Rate~~Term Benchmark Loans, on the first day(s)of the next succeeding Interest Period(s)for such outstanding ~~Eurocurrency Rate~~Term Benchmark Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding ~~Eurocurrency Rate~~Term Benchmark Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

Section 3.06 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i)any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or Section3.03 as a result of any condition described in such Sections or any Lender ceases to make ~~Eurocurrency Rate~~Term Benchmark Loans as a result of any condition described in Section 3.02 or Section 3.03, (ii)any Lender becomes a Defaulting Lender or (iii)any Lender becomes a Non-Consenting Lender, then the Borrower may, on prior written notice to the Administrative Agent and such Lender, replace such Lender by requiring such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b)(with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement (or, with respect to clause (iii)above, all of its rights and obligations with respect to the Classof Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and provided, further, that (A)in the case of any such assignment resulting from a claim for compensation under Section3.03 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments and (B)in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents.

(b)Any Lender being replaced pursuant to Section 3.06(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations (*provided* that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register) and (ii) deliver Notes, if any, evidencing such Loans to the Borrower or Administrative Agent. Pursuant to such Assignment and Assumption,(A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans and participations in L/C Obligations, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with such assignment and assumption, any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 3.04 as a consequence of such assignment and, in the case of an assignment of Term Loans in connection with a Repricing Transaction, the premium, if any, that would have been payable by the Borrower on such date pursuant to Section 2.05(a)(iv) if such Lender's Term Loans subject to such assignment had been prepaid on such date shall have been paid by the Borrower to the assigning Lender and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c)Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back- up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer, or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d)In the event that (i) the Borrower or the Administrative Agent have requested that the Lenders (A) consent to an extension of the Maturity Date of any Class of Loans as permitted by Section 2.15, (B) consent to a departure or waiver of any provisions of the Loan Documents or (C) agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "Non-Consenting Lender."

(i) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 7.03(a) and (b), the Borrower, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 7.03(a) or in one of the clauses of Section 7.03(b);

(ii) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been Incurred pursuant to any type of Indebtedness described in Sections 7.03(a) and (b) so long as such Indebtedness is permitted to be Incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 7.03(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of Section 7.03(a) from and after the first date on which Holdings or the Restricted Subsidiaries could have incurred such Indebtedness under Section 7.03(a) without reliance on such clause);

(iii) (x) all Indebtedness under this Agreement shall be deemed to have been incurred under Section 7.03(b)(i) and such Indebtedness shall at all times be deemed incurred under such clause and shall not be reclassified and (y) all other Priority Payment Obligations shall be deemed to have been incurred under Section 7.03(b)(ii) and such Indebtedness shall at all times be deemed incurred under such clause and shall not be reclassified;

(iv)in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

(v)Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(vi) [Reserved];

(vii) the principal amount of any Disqualified Stock of Holdings or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(viii) Indebtedness permitted by this Section 7.03 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 7.03 permitting such Indebtedness;

(ix) for all purposes under this Agreement, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Sections 7.03(a) or (b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Borrower may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section7.3 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Senior Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Agreement, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Borrower revokes an election of a Reserved Indebtedness Amount;

(x) [Reserved].

(xi) notwithstanding anything in this Section 7.03 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on a clause of Section 7.03(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(xii) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 7.03.

(e) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of Holdings as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 7.03, Holdings shall be in default of this Section 7.03).

(f) For purposes of determining compliance with any U.S. Dollar-denominated restriction on the incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided*, that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. Dollar-denominated restriction shall be deemed not to have been exceeded so long

as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses(including original issue discount, upfront fees or similar fees) in connection with such refinancing.

(g) Notwithstanding any other provision of this Section 7.03, the maximum amount of Indebtedness that Holdings or a Restricted Subsidiary may Incur pursuant to this Section 7.03 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(h) Holdings shall not, and shall not permit any Guarantor to Incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Borrower or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Secured Obligations or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Borrower or such Guarantor, as the case may be.

Section 7.04 Merger and Consolidation:

(B) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(c) [Reserved].

(d) [Reserved].

(e)Notwithstanding any other provision of this Section 7.04, (i) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Borrower or a Guarantor, (ii) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (iii) Holdings and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(g)No Guarantor may consolidate with or merge or amalgamate with or into, or convey, transfer or lease all or substantially all its assets, in one or a series of related transactions, to any Person, unless:

(ii) (A) either (x) the Borrower or a Guarantor is the continuing Person or (y)the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Secured Obligations, this Agreement and the Collateral Documents; and (B) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; or

(iii) the transaction constitutes a sale, disposition (including by way of consolidation, merger or amalgamation) or transfer of the Guarantor or the sale, disposition, conveyance, transfer or lease of all or substantially all of the assets of the Guarantor (in each case other than to the Borrower or a Restricted Subsidiary) otherwise permitted by this Agreement.

Notwithstanding anything to the contrary in this Section 7.04, the Borrower may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of the Loan Documents and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(b)Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c)The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, L/C Issuer (if applicable) and a potential Hedge Bank or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub- agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through Affiliates (including without limitation J.P. Morgan Europe Limited), agents, employees or attorneys-in- fact, such sub-agents as shall be deemed necessary by the Administrative Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 9.03 Liability of Agents. No Agent-Related Person shall (a) be liable to any Lender for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby, includingtheir respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. No Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), or in the absence of its own gross negligence or willful misconduct.

Section 9.04 Reliance by Agents.

(a)Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation,

notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent and shall not incur any liability for relying thereon. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. Subject to the other provisions of this Article IX, the Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders (or, if a Financial Covenant Event of Default occurs and is continuing and prior to the expiration of the Term Loan Standstill Period, if the only Events of Default then having occurred and continuing are pursuant to a Financial Covenant Event of Default, the Required Revolving Credit Lenders under the Revolving Credit Facility only, and in such case only with respect to the Revolving Credit Commitments, Revolving Credit Loans, L/C Obligations, Letters of Credit and L/C Credit Extensions) in accordance with Article VIII; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent- Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent- Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it in its capacity as an Agent-Related Person; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, if any. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. JPMCB and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though JPMCB were not the Administrative Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, JPMCB or its Affiliates may receive information regarding any Loan Party or any Affiliate of a Loan Party (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, JPMCB shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" include JPMCB in its individual capacity.

Section 9.09 Successor Agents. The Administrative Agent may resign as the Administrative Agent and Collateral Agent in respect of this Agreement or one or more Facilities hereunder upon thirty (30) days' notice to the Borrower and the Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Lenders in respect of such Facilities). If the Administrative Agent resigns under this Agreement, the Required Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Required Facility Lenders in respect of such Facilities) shall appoint from among the Lenders a successor agent for the Lenders, which appointment of a successor agent shall require the consent of the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the resigning Administrative Agent may appoint, after consulting with the Borrower and the Lenders(or, in the case of a

resignation in respect of one or more Facilities hereunder, the Required Facility Lenders in respect of such Facilities), a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and Collateral Agent and the term "Administrative Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be (and the term "Collateral Agent" shall mean such successor collateral agent and/or supplemental agent, as described in Section 9.01(c)), and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent and Collateral Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and Collateral Agent, the provisions of this Article IX and Section 10.04 and Section 10.05shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent and Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent and Collateral Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Lenders in respect of such Facilities) shall perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed). Upon the acceptance of any appointment as the Administrative Agent and Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to any mortgages, and such other security agreements, instruments or notices, as may be necessary or desirable, or as the Required Lenders (or, in the case of a resignation in respect of one or more Facilities hereunder, the Required Facility Lenders in respect of such Facilities) may reasonably request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall, to the extent not previously discharged, be discharged from its duties and obligations under the Loan Documents.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.09 and Section 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due to the Administrative Agent under Section 2.09 and Section 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. The Lenders irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Secured Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable), the expiration or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized or back-stopped or as to which other arrangements reasonably satisfactory to the Administrative Agent and the applicable L/C Issuer have been made), (ii) at the time the property subject to such Lien is transferred as part of or in connection with any transfer permitted hereunder (including any Asset Disposition permitted hereunder) or under any other Loan Document to any Person other than any other Loan Party (*provided* that in the event of a transfer of assets from a Loan Party to another Loan Party organized in a different jurisdiction, the Collateral Agent shall, upon request of the Borrower or any other Loan Party, release such Lien if such transferee Loan Party takes all actions reasonably necessary to grant a Lien in such transferred assets to the Collateral Agent (to the extent required by the Collateral and Guarantee Requirement)), (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) or (d) below or (v) if the property subject to such Lien becomes Excluded Property;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is a Permitted Lien under clauses (i) or (l) (in the case of clause (l), upon the reasonable request of the Borrower, to the extent required by the terms of the agreements governing such Permitted Lien) of the definition thereof.

(c) if any Subsidiary Guarantor ceases to be a Restricted Subsidiary, or becomes an Excluded Subsidiary, in each case as a result of a transaction permitted hereunder or designation permitted hereunder (as certified in writing delivered to the Administrative Agent by a Responsible Officer of the Borrower) (*provided* that the release of any Subsidiary Guarantor from its obligations under the Loan Documents solely as a result of such Subsidiary Guarantor becoming an Excluded Subsidiary of the type described in clause (j) or (l) of the definition thereof shall only be permitted if such Subsidiary Guarantor becomes such an Excluded Subsidiary pursuant to a transaction with a third party that is not otherwise an Affiliate of the Borrower and such transaction was not for the primary purpose of release the Guarantee of such Subsidiary Guarantor, and, in the case of an Excluded Subsidiary of the type described in clause (j) of the definition thereof, only if such Subsidiary Guarantor ceases to be a Restricted Subsidiary).

Notwithstanding anything contained herein to the contrary, upon request by the Administrative Agent at any time, the Required Lenders shall confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11; provided that the absence of such confirmation shall not affect in any way the validity of the automatic releases of security interest or Guaranty contemplated by this Agreement or the Administrative Agent's obligations to comply with the provisions of the immediately following sentence. In each case as specified in this Section 9.11, the Administrative Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request (i) to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents (including the filing of termination statements or

the return of pledged collateral), or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11; *provided*, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent written request therefor and, to the extent requested by the Administrative Agent, a certificate of the Borrower to the effect that the release of such Guarantor or Collateral, as applicable, is in compliance with the Loan Documents. Each of the Lenders irrevocably authorizes the Administrative Agent to rely on any such certificate without independent investigation and release its interests in any Collateral or release any Guarantor from its obligations under the Loan Documents pursuant to this Section 9.11 (including, in each case of the foregoing, by filing applicable termination statements and/or returning pledged Collateral); it being acknowledged and agreed by each Secured Party that the Administrative Agent, in its capacity as such, shall have no liability with respect to relying on such certificate and taking actions to evidence such release.

Section 9.12 Other Agents; Arrangers and Managers. None of the Lenders, the Agents, the Lead Arrangers, the Documentation Agent or other Persons identified on the facing page or signature pages of this Agreement as a "co-arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub- agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "Supplemental Administrative Agent" and, collectively, as "Supplemental Administrative Agents").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 10.04 and Section 10.05that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.14 Withholding Tax. To the extent required by any applicable Law, the Administrative Agent may deduct or withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.14. The agreements in this Section 9.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, (1) the term "Lender" shall, for purposes of this Section 9.14, include any L/C Issuer and (2) this Section 9.14 shall not limit or expand the obligations of the Borrower or any Guarantor under Section 3.01 or any other provision of this Agreement.

Section 9.15 Secured Cash Management Obligations; Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Cash Management Obligations or Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.16 Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and

the conditions of such exemption have been satisfied, with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the Collateral or the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

A notice of the Administrative Agent to any Lender under this Section 9.18(i) shall be conclusive, absent manifest error.

(ii) Each Lender and each L/C Issuer hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

Each party's obligations under this Section 9.18 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Credit Loans, the Incremental Term Loans, if any, and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and, if applicable, the Required Revolving Credit Lenders; provided that for the avoidance of doubt, the consent of the Required Revolving Credit Lenders shall be required with respect to any amendment that permits the Loan Parties to incur Indebtedness that ranks pari passu with or senior to the Revolving Credit Facility in right of security and payment.

Notwithstanding anything to the contrary contained in this Section 10.01, the terms and provisions and related timelines and procedures relating to the potential distributions to the Lenders making Initial Term Commitments set forth on Schedule 2.01(A)(II) and the role of the Disbursement Agent (including, but not limited to, the terms set forth in Section 2.04, Section 2.05(ii), Section 2.19 and Section 10.07) shall be subject to approval by the Bankruptcy Court and may be amended with the prior written consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and the Borrower (for the avoidance of doubt, without the need for the consent of any other Lender).

Notwithstanding anything to the contrary contained in this Section 10.01, any guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, inconsistencies, omissions, mistakes or defects (including to correct or cure incorrect cross references or similar inaccuracies), (iii) to effect administrative changes of a technical or immaterial nature or (iv) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents. Furthermore, with the consent of the Administrative Agent at the request of the Borrower (without the need to obtain any consent of any Lender), any Loan Document may be amended to cure ambiguities, inconsistencies, omissions, mistakes or defects (including to correct or cure incorrect cross references or similar inaccuracies).

Notwithstanding anything in this Section 10.01 to the contrary, (a) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary (i) to integrate any Incremental Facilities, Refinancing Revolving Credit Commitments, Refinancing Term Loans, Extended Term Loans or Extended Revolving Credit Commitments, (ii) to integrate or make administrative modifications with respect to borrowings and issuances of Letters of Credit, (iii) to integrate and terms or conditions from any Incremental Facility Amendment that are more restrictive than this Agreement in accordance with Section 2.14(d) and (iv) to make any amendments permitted by Section 1.03 and to give effect to any election to adopt IFRS and (b) without the consent of any Lender or L/C Issuer, the Loan Parties, the Administrative Agent or the Collateral Agent may (in their respective sole discretion, or shall, to the extent

required by any Loan Document) enter into (x) any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties to give effect to, or protect any security interest for benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document or (y) any applicable intercreditor agreement contemplated by this Agreement, in each case with the holders of Indebtedness permitted by this Agreement to be secured by the Collateral. Without limitation of the foregoing, the Borrower may, without the consent of any Lenders, upon delivery to the Administrative Agent (i) increase the interest rates (including any interest rate margins or interest rate floors), fees and other amounts payable to any Class or Classes of Lenders hereunder, (ii) increase, expand and/or extend the call protection provisions and any "most favored nation" provisions benefiting any Class or Classes of Lenders hereunder (including, for the avoidance of doubt, the provisions of Section 2.05(a)(iv) and 2.14(b)(ii) hereof) and/or (iii) with the consent of the Administrative Agent, modify any other provision hereunder or under any other Loan Document in a manner, as determined by the Administrative Agent in its sole discretion, more favorable to the then- existing Lenders or Class or Classes of Lenders, in each case in connection with the issuance or incurrence of any Incremental Facilities or other Indebtedness permitted hereunder, where the terms of any such Incremental Facilities or other Indebtedness are more favorable to the lenders thereof than the corresponding terms applicable to other Loans or Commitments then existing hereunder, and it is intended that one or more then- existing Classes of Loans or Commitments under this Agreement share in the benefit of such more favorable terms in order to comply with the provisions hereof relating to the incurrence of such Incremental Facilities or other Indebtedness; *provided* that the Administrative Agent will have at least five Business Days (or such shorter period to which the Administrative Agent may consent in its reasonable discretion) after written notice from the Borrower to provide such consent and may, in its sole discretion, provide written notice to the Lenders regarding any such proposed amendment.

Notwithstanding anything to the contrary herein, in connection with any determination as to whether the Required Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders. For purposes of determining whether a Lender has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any of the Borrower or other Loan Parties or any instrument issued or guaranteed by any of the Borrower or other Loan Parties shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by any of the Borrower or other Loan Parties, collectively, shall represent less than 5.0% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the " ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Borrower or other Loan Parties (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Borrower or other Loan Parties other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Loan Parties and any instrument issued or guaranteed by any of the Borrower or other Loan Parties, collectively, shall represent less than 5.0% of the components of such index. In connection with any such determination, each Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender as of the Closing Date) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Administrative Agent shall be entitled to rely on each such representation and deemed representation and shall have no duty to (x) inquire as to or investigate the accuracy of any such representation or deemed representation or (y) otherwise ascertain or monitor whether any Lender, Eligible Assignee or Participant or prospective Lender, Eligible Assignee or Participant is a Net Short Lender or make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions). Without limiting the foregoing, the Administrative Agent shall not (A) be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to the Net Short Lenders or (B) have any liability with respect to or arising out of any assignment or participation of Loans to any Net Short Lender).

In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e- mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons (collectively, the " Agent Parties") have any liability to the Loan Parties, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, the Administrative Agent, any L/C Issuer may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and the L/C Issuers. In addition, each Lender agrees to notify the Administrative Agents from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or their securities for purposes of United States Federal or state securities laws.

(e) Reliance by Agents and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct.

(f) Notice to other Loan Parties. The Borrower agrees that notices to be given to any other Loan Party under this Agreement or any other Loan Document may be given to the Borrower in accordance with the provisions of this Section 10.02 with the same effect as if given to such other Loan Party in accordance with the terms hereunder or thereunder.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Lead Arranger for all reasonable and documented or invoiced out-of-pocket costs and expenses associated with the syndication of the Initial Term Loans and Revolving Credit Loans and the preparation, execution and delivery, administration, amendment, modification, waiver and/or enforcement of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), including all Attorney Costs of Davis Polk & Wardwell LLP (and any other counsel retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed)) and one local and foreign counsel in each relevant jurisdiction, and (b) to pay or reimburse the Administrative Agent, the Lead Arranger and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all costs and expenses incurred in connection with any workout or restructuring in respect of the Loans, all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and, in the case of legal fees, limited to all Attorney Costs of one counsel for all such Persons (and, in the case of an actual or perceived conflict of interest, where such Person affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Person)). The foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

Section 10.05 Indemnification by the Borrower. Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender, the Lead Arranger, and their respective Affiliates, directors, officers, employees, counsel, agents,

advisors, and other representatives (collectively, the "Indemnitees") from and against any and all losses, liabilities, damages, claims, and reasonable and documented or invoiced out-of-pocket fees and expenses (including reasonable Attorney Costs of one counsel for all Indemnitees and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)) of any such Indemnitee arising out of or relating to any claim or any litigation or other proceeding (regardless of whether such Indemnitee is a party thereto and whether or not such proceedings are brought by the Borrower, its equity holders, its Affiliates, creditors or any other third person) that relates to the Transactions, including the financing contemplated hereby, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, under or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability related in any way to the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (all the foregoing, collectively, the "Indemnified Liabilities"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (w) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its controlled Affiliates or controlling Persons or any of the officers, directors, employees, agents, advisors or members of any of the foregoing, in each case who are involved in or aware of the Transactions (as determined by a court of competent jurisdiction in a final and non- appealable decision), (x) a material breach of the Loan Documents by such Indemnitee or one of its Affiliates (as determined by a court of competent jurisdiction in a final and non- appealable decision), or (y) disputes solely between and among such Indemnitees to the extent such disputes do not arise from any act or omission of the Borrower or any of its Affiliates (other than with respect to a claim against an Indemnitee acting in its capacity as an Agent or Lead Arranger or similar role under the Loan Documents unless such claim arose from the gross negligence, bad faith or willful misconduct of such Indemnitee). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Indemnitee nor any Loan Party shall have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); *provided* that nothing contained in this sentence shall limit the Borrower's indemnification obligations under the Loan Documents to the extent such special, punitive, indirect or consequential damages are included in any third- party claim in connection with which any Indemnitee is entitled to indemnification hereunder. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, managers, partners, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within ten (10) Business Days after demand therefor; *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes other than Taxes that represent liabilities, obligations, losses, damages, etc., with respect to a non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of a Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that, except as otherwise provided herein (including without limitation as permitted under Section 7.04), neither Holdings nor any of its Subsidiaries may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower, *provided* that, no consent of the Borrower shall be required for an assignment (1) of any Term Loan to any other Lender, any Affiliate of a Lender or any Approved Fund, (2) of any Revolving Credit Loans or Revolving Credit Commitment to any other Revolving Lender, any Affiliate of a Revolving Lender or any Approved Fund of a Revolving Lender or, (3) of any Term Loan, Revolving Credit Loans or Revolving Credit Commitment, if an Event of Default under Section 8.01(a) or under Section 8.01(f) has occurred and is continuing, to any Assignee; *provided*, further, that such consent shall be deemed to have been given if the Borrower has not responded within 10 Business Days after notice by the Administrative Agent;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to another Lender, an Affiliate of a Lender or an Approved Fund;

(C) each L/C Issuer at the time of such assignment, *provided* that no consent of such L/C Issuers shall be required for any assignment of a Term Loan; and

(D) in the case of any assignment of any of the Revolving Credit Facility; the consent of each L/C Issuer.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $ 5.0 million (in the case of the Revolving Credit Facility) or $1.0 million (in the case of a Term Loan) unless the Borrower and the Administrative Agent otherwise consents, *provided* that (1) no such consent of the Borrower shall be required if an Event of Default under Section 8.01(a) or under Section 8.01(f) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any documentation required by Section 3.01(f);

(D) the Assignee shall not be a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person), a Disqualified Lender or, except to the extent permitted pursuant to Section 2.17 or Section 10.07(k), Holdings or any of its Subsidiaries;

(E) the Assignee shall not be a Defaulting Lender.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

The Disbursement Agent shall assign Initial Term Loans held by it for the benefit of the Claimant Assignees (as defined below) to each Unidentified Claimant that (x) is an Eligible Assignee and (y) provides to the Administrative Agent, on or prior to the Reversion Date, information necessary to facilitate the distribution to which it is entitled and as a result becomes entitled to receive such distribution (each, a "Claimant Assignee"), subject to the satisfaction of the following (which, in any event, shall be satisfied no later than later of (i) the Reversion Date or (ii) two months following the initial response from such Claimant Assignee to the Disbursement Agent's request for information (the date in this clause (ii) with respect to any Claimant Assignee, the " Response Deadline")): (x) the Disbursement Agent, the Borrower, the Claimant Assignee and the Administrative Agent shall have executed and delivered to the Administrative Agent an Assignment and Assumption acceptable to the Administrative Agent, which Assignment and Assumption shall set forth the principal amount of Initial Term Loans being assigned and the accrued interest thereon and shall require the Disbursement Agent to turn over all accrued and paid interest on the Initial Term Loans being assigned to the Claimant Assignee and (y) the Claimant Assignee shall have delivered to the Administrative Agent an Administrative Questionnaire (in which the Assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Affiliates or their respective securities) will be made available and who may receive such information in accordance with the Claimant Assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms required pursuant to Section 3.01(f). The Disbursement Agent shall provide written notice to the Administrative Agent promptly after being contacted by any Claimant Assignee, which written notice shall include the name of the Claimant Assignee, the Response Deadline for such Claimant Assignee and the Principal Amount of Initial Term Loans held by the Disbursement Agent for the benefit of such Claimant Assignee. Notwithstanding anything to the contrary herein, no Lender shall be a natural Person and no Lender may assign or transfer, by assignment, participation or otherwise, any of its rights or obligations hereunder to a natural Person. If any Unidentified Claimant is a natural Person and responds to a request from the Disbursement Agent for, or otherwise provides, necessary information to receive payment prior to the Reversion Date (a "Non-Permitted Claimant") and, as a result, would otherwise be entitled to receive Initial Term Loans held by the Disbursement Agent but for the fact that such Unidentified Claimant is a natural Person, then the Borrower shall (y) promptly provide written notice to the Administrative Agent (a " Non-Permitted Claimant Notice") specifying the name of the applicable Non- Permitted Claimant, the Principal Amount of Initial Term Loans that the Disbursement Agent holds for the benefit of such Non-Permitted Claimant, and the date on which the Borrower will pay or cause to be paid such Non-Permitted Claimant (such payment date, the "Non-Permitted Claimant Payment Date") and (z) on the Non-Permitted Claimant Payment Date, pay, or cause to be paid, to such Non- Permitted Claimant in cash an amount equal to the Principal Amount of Initial Term Loans (plus any accrued interest thereon to such date) that the Disbursement Agent holds for the benefit of such Non-Permitted Claimant pursuant to the Plan of Reorganization, at which time, and without any further action by the Administrative Agent or the Lenders, the Principal Amount of Initial Term Loans held by the Disbursement Agent for the benefit of the applicable Non-Permitted Claimant shall be automatically discharged, terminated and cancelled and the Administrative Agent shall update the Register to reflect such discharge, termination and cancellation.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d) and receipt by the Administrative Agent from the parties to each assignment of a processing and recordation fee of $3,500 (*provided* that such processing and recordation fee shall not be applicable to the assignments made to Claimant Assignees pursuant to the paragraph above and *provided further* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement (including, for the avoidance of doubt, any rights and obligations pursuant to Section 3.01), and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03, 3.04, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note (if any), the Borrower (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e). For greater certainty, any assignment by a Lender pursuant to this Section 10.07 shall not in any way constitute or be deemed to constitute a novation, discharge, recession, extinguishment or substitution of the existing Indebtedness and any Indebtedness so assigned shall continue to be the same obligation and not a new obligations.

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) and currencies of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent demonstrable error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (but in the case of any Lender solely with respect to such Lender's outstanding Loans or Commitments) at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless recorded in the Register. The parties hereto agree and intend that the Secured Obligations shall be treated as being in "registered form" for the purposes of the Code (including Sections 163(f), 871(h)(2), 881(c)(2), and 4701 of the Code).

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or a Defaulting Lender) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 10.01(a), (b), (c), (d), (e) or (f) that directly affects such Participant. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.03 and 3.04 (through the applicable Lender), *provided* that each Participant shall be subject to the requirements and limitations of such Sections (including Sections 3.01(f) and (g) and Sections 3.05 and 3.06) (it being understood that the Participant shall deliver the forms described in Section 3.01(f) solely to the participating Lender, it being understood that copies of such forms may be required to be included (and, if so, will be included) as part of a non- U.S. Granting Lender's IRS Form W-8IMY provided to the Administrative Agent or the Borrower), to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant complies with Section 2.13 as though it were a Lender. Any Lender that sells participations shall maintain a register on which it enters the name and the address of each Participant and the principal and interest amounts of each Participant's participation interest in the Commitments and/or Loans (or other rights or obligations) held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent demonstrable error, and the Borrower and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation interest as the owner thereof for all purposes notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrower solely for purposes of applicable United States federal income tax law and undertakes no duty, responsibility or obligation to the Borrower (without limitation, in no event shall such Lender be a fiduciary of the Borrower for any purpose). No Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish in connection with a Tax audit that such commitment, loan, or other obligation is in registered form under Section 5f.103(c) of the United States Treasury Regulations or, if different, under Sections 871(h) or 881(c) of the Code.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.03 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or except to the extent such entitlement to a greater payment results from a Change in Law after the Participant became a Participant.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.03 and 3.04, subject to the requirements and limitations of such Sections (including Section 3.01(f) and (g) and Sections 3.05 and 3.06 (it being understood that the SPC shall deliver the forms described in Section 3.01(f) solely to the Granting Lender, it being understood that copies of such forms may be required to be included (and, if so, will be included) as part of a non-U.S. Lender's IRS Form W- 8IMY provided to the Administrative Agent or the Borrower)), to the same extent as if such SPC were a Lender, but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.03 or 3.04) except to the extent any entitlement to greater amounts results from a Change in Law after the grant to the SPC occurred, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and such liability shall remain with the Granting Lender, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non- public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC. Any Granting Lender shall maintain a register with respect to any grant described in this clause (h) on which it enters the name and the address of each SPC and the principal and interest amounts of each SPC's interest in the granted Commitments and/or Loans (or other rights or obligations with respect thereto), which shall be maintained in a manner similar to any Participant Register described in Section 10.07(e), mutatis mutandis.

(i) Notwithstanding anything to the contrary contained herein, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as an L/C Issuer, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified, in consultation with the Borrower, a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, as applicable. In the event of any such resignation of an L/C Issuer, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer, as the case may be. If an L/C Issuer resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)).

(k) Any Lender may, so long as no proceeds of Revolving Credit Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings or any of its Restricted Subsidiaries through (x) Dutch

auctions open to all Term Lenders in accordance with procedures of the type described in Section 2.17 or (y) notwithstanding Section 2.05(d) or Section 2.17 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided*, that, in connection with assignments pursuant to clause (y) above:

(i) if Holdings or any of its Restricted Subsidiaries (other than the Borrower) is the assignee, upon such assignment, transfer or contribution, Holdings or such Restricted Subsidiary shall automatically be deemed to have contributed the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower; and

(ii) if the assignee is the Borrower (including through contribution or transfers set forth in clause (i) above), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Term Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register, *provided* that this Section 10.07(k)(ii) shall not apply to any Term Loans held by the Borrower in its capacity as the Disbursement Agent pursuant to Section 2.19.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority, to any pledgee referred to in Section 10.07(g); (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(i), counterparty to a Swap Contract or Qualified Securitization Financing, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h) to any Governmental Authority or examiner regulating any Lender; (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); or (j) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or its Affiliates or its Affiliates' directors, managers, officers, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their Subsidiaries or their business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08, including, without limitation, information delivered pursuant to Section 6.01, 6.02 or 6.03 hereof.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party that is a Foreign Subsidiary or a Domestic Foreign Holding Company. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

Section 10.10 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission. The words "execution," "signed," "signature," and words of like import in any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.11 Integration. This Agreement, together with the other Loan Documents and the Fee Letter, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.12 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. The provisions of Sections 10.14 and 10.15 shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 10.13 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.14 GOVERNING LAW, JURISDICTION, SERVICE OF PROCESS.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) EXCEPT AS SET FORTH IN THE FOLLOWING PARAGRAPH, ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (*PROVIDED* THAT IF NONE OF SUCH COURTS CAN AND WILL EXERCISE SUCH JURISDICTION, SUCH EXCLUSIVITY SHALL NOT APPLY), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION (I) FOR PURPOSES OF ENFORCING A JUDGMENT, (II) IN CONNECTION WITH EXERCISING REMEDIES AGAINST THE COLLATERAL IN A JURISDICTION IN WHICH SUCH COLLATERAL IS LOCATED, (III) IN CONNECTION WITH ANY PENDING BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDING IN SUCH JURISDICTION OR (IV) TO THE EXTENT THE COURTS REFERRED TO IN THE PREVIOUS PARAGRAPH DO NOT HAVE JURISDICTION OVER SUCH LEGAL ACTION OR PROCEEDING OR THE PARTIES OR PROPERTY SUBJECT THERETO.

Section 10.15 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.15 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.16 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and Holdings and the Administrative Agent shall have been notified by each Lender and L/C Issuer that each such Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.18 Lender Action. The Lenders and each other holder of an Obligation under a Loan Document shall act collectively through the Administrative Agent for any right or remedy against any Loan Party under any of the Loan Documents (other than set-off rights) in each case with respect to the Collateral or any other property of any Loan Party. Without limiting the delegation of authority to the Administrative Agent set forth herein, only the Required Lenders (or, if applicable, the Required Revolving Credit Facility Lenders) shall have the authority to direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under the other Loan Documents (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default or Event of Default) with respect to (i) the Loans and (ii) any Collateral, and (ii) any other property of any Loan Party. Any such rights and remedies arising under the Loan Documents shall not be exercised other than through the Administrative Agent. Each Lender agrees that it shall not, and hereby waives any right to, take or institute any actions or proceedings, judicial or otherwise, for any such right or remedy under any Loan Document against any Loan Party or any past, present, or future Subsidiary of any Loan Party concerning any Collateral, or any other property of any Loan Party or any past, present or future Loan Party other than through the Administrative Agent; provided, that, for the avoidance of doubt, this sentence may be enforced against any Secured Party by the Required Lenders, any Agent or the Borrower (or any of its Affiliates) and each Secured Party expressly acknowledge that this sentence shall be available as a defense of the Borrower (or any of its Affiliates) in any such action, proceeding or remedial procedure. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Section 10.19 USA PATRIOT Act . Each Lender hereby notifies the Borrower that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of the Borrower and

the Guarantors and other information that will allow such Lender to identify the Borrower and the Guarantors in accordance with the USA PATRIOT Act.

Section 10.20 Obligations Absolute. To the fullest extent permitted by applicable Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 10.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and Holdings acknowledge and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lead Arranger are arm's- length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent and the Lead Arranger, on the other hand, (B) each of the Borrower and Holdings have consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each Lender and the Lead Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, nor any Lender or the Lead Arranger has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, each Lender and the Lead Arranger and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and neither the Administrative Agent nor the Lead Arranger has any obligation to disclose any of such interests to the Borrower, Holdings, or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waive and release any claims that it may have against the Administrative Agent, each Lender and the Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.22 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Obligations or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC, a " Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the " U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Section 10.24 Acknowledgment of Intercreditor Agreements. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Administrative Agent and the Collateral Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Junior Lien Intercreditor Agreement, any First Lien Intercreditor Agreement, or any other Customary Intercreditor Agreement, with the collateral agent or other representatives of the holders of Indebtedness that is to be secured by a Lien on the Collateral that is permitted (including as to priority) under this Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof (any of the foregoing, an "Specified Intercreditor Agreement"). The Lenders and the other Secured Parties irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are not prohibited and (y) any Specified Intercreditor Agreement entered into by the Administrative Agent and/or the Collateral Agent shall be binding on the Secured Parties, and each Lender and the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Specified Intercreditor Agreement. No Lender is nor shall it be deemed to be a fiduciary of any

kind for any other Lender or any other Person. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 7.03 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

Section 10.25 Payment Waterfall Acknowledgment. Each 2022 Super Senior Incremental Term Lender, on behalf of itself and its successors and assigns, acknowledges and agrees to the payment priorities set forth in Section 8.04 of the Credit Agreement and that, as between the Priority Payment Obligations with respect to the Revolving Credit Facility, Secured Cash Management Obligations and Secured Hedge Agreements, on one hand, and the Priority Payment Obligations with respect to the Super Senior Term Loan Obligations, on the other hand, such payment priorities shall supersede anything to the contrary set forth in Section 2.01 of the First Lien Intercreditor Agreement, including, for the avoidance of doubt, that Priority Payment Obligations (other than Super Senior Incremental Term Obligations) shall receive amounts and proceeds of Collateral ahead of Priority Payment Obligations consisting of Super Senior Incremental Term Obligations.
