Senior Notes due 2029

On February 2, 2021, Uniti Group LP, Uniti Group Finance 2019 Inc. and CSL Capital, LLC (together, the “Issuers”), each a subsidiary of Uniti Group Inc. (the “Company” and, together with the Issuers, “us” or “we”), completed a private offering of \$1,110,000,000 aggregate principal amount of the Issuers’ 6.500% Senior Notes due 2029 (the “New Notes”). The Issuers used the net proceeds from the offering to fund the purchase of the amount of Tender Notes (as defined below) accepted for purchase pursuant to the Tender Offer (as defined below).

The New Notes were issued at an issue price of 100% of their principal amount pursuant to an Indenture, dated as of February 2, 2021 (the “Indenture”), among the Issuers, the guarantors named therein (collectively, the “Guarantors”) and Deutsche Bank Trust Company Americas, as trustee (the “Trustee”). The New Notes mature on February 15, 2029 and bear interest at a rate of 6.500% per year. Interest on the New Notes is payable on February 15 and August 15 of each year, beginning on August 15, 2021.

The Issuers may redeem the New Notes, in whole or in part, at any time prior to February 15, 2024 at a redemption price equal to 100% of the principal amount of the New Notes redeemed plus accrued and unpaid interest on the New Notes, if any, to, but not including the redemption date, plus an applicable “make whole” premium described in the Indenture. Thereafter, the Issuers may redeem the New Notes in whole or in part, at the redemption prices set forth in the Indenture. In addition, at any time on or prior to February 15, 2024, up to 40% of the aggregate principal amount of the New Notes may be redeemed with the net cash proceeds of certain equity offerings, at a redemption price of 106.500% of the principal amount, plus accrued and unpaid interest, if any, to, but excluding, the redemption date; provided that at least 60% of aggregate principal amount of the originally issued New Notes remains outstanding. Further, if certain changes of control of Uniti Group LP occur, holders of the New Notes will have the right to require the Issuers to offer to repurchase their New Notes at 101% of their principal amount plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

The New Notes are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Company and by each of Uniti Group LP’s existing and future domestic restricted subsidiaries (other than the Issuers) that guarantees indebtedness under the Company’s senior secured credit facilities. In addition, the Issuers will use commercially reasonable efforts to obtain necessary regulatory approval to allow certain non-guarantor subsidiaries of the Company to guarantee the New Notes, including by making filings to obtain such approval within 60 days of the issuance of the New Notes. The guarantees are subject to release under specified circumstances, including certain circumstances in which such guarantees may be automatically released without the consent of the holders of the New Notes.

The New Notes and the related guarantees are the Issuers’ and the Guarantors’ senior unsecured obligations and rank equal in right of payment with all of the Issuers’ and the Guarantors’ existing and future senior unsecured indebtedness. The New Notes and related guarantees are effectively subordinated to all of the Issuers’ and Guarantors’ secured indebtedness (including the senior secured credit facilities and secured notes) to the extent of the value of the assets securing such indebtedness and are structurally subordinated to all existing and future liabilities (including trade payables) of the Issuers’ subsidiaries that do not guarantee the New Notes.

The Indenture contains customary high yield covenants limiting the ability of Uniti Group LP and its restricted subsidiaries to: incur or guarantee additional indebtedness; incur or guarantee secured indebtedness; pay dividends or distributions on, or redeem or repurchase, capital stock; make certain investments or other restricted payments; sell assets; enter into transactions with affiliates; merge or consolidate or sell all or substantially all of their assets; and create restrictions on the ability of the Issuers and their restricted subsidiaries to pay dividends or other amounts to the Issuers. These covenants are subject to a number of important and significant limitations, qualifications and exceptions. The Indenture also contains customary events of default.

The foregoing description is qualified in its entirety by reference to the Indenture and the form of New Note included therein, which are filed herewith as Exhibits 4.1 and 4.2, respectively, and incorporated herein by reference.

Supplemental Indenture in Connection with Tender Offer and Consent Solicitation

On February 2, 2021, the Issuers and the Trustee entered into the Fifteenth Supplemental Indenture (the “Fifteenth Supplemental Indenture”) to the indenture, dated as of April 24, 2015, among the Issuers, the guarantors from time to time party thereto and the Trustee (as amended and supplemented from time to time, the “Tender Notes Indenture”) in connection with the early settlement election exercised by the Issuers in connection with the previously announced cash tender offer (the “Tender Offer”) to purchase any and all of the Issuers’ Tender Notes and the related consent solicitations (the “Consent Solicitation” and, together with the Tender Offer, the “Tender Offer and Consent Solicitation”) in accordance with the terms and conditions thereof. The Fifteenth Supplemental Indenture amends the Tender Notes Indenture to, among other things, eliminate substantially all of the restrictive covenants and certain events of default (collectively, the “Amendments”); which Amendments became operative when the relevant consideration was paid pursuant to the terms of the Tender Offer and Consent Solicitation.

The foregoing description is qualified in its entirety by reference to the Fifteenth Supplemental Indenture, which is filed herewith as Exhibit 4.3 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under the heading “Senior Notes due 2029” in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

Tender Offer and Consent Solicitation

On February 2, 2021, in connection with the Tender Offer, the Issuers accepted for purchase, and paid for, \$1,050,928,000 in aggregate principal amount of the Issuers’ 8.25% Senior Notes due 2023 the (“Tender Notes”) validly tendered and not validly withdrawn prior to 5:00 p.m., New York City time, on February 1, 2021 (the “Early Tender Date”). In connection therewith, the requisite number of consents from the holders of the Tender Notes to adopt the Amendments to the Tender Notes Indenture were delivered pursuant to the Tender Offer and Consent Solicitation. The Tender Offer and Consent Solicitation are being made pursuant to an Offer to Purchase and Consent Solicitation Statement dated January 19, 2021 (the “Statement”), which more fully sets forth the terms and conditions of the Tender Offer and Consent Solicitation. The Tender Offer will expire at 11:59 p.m., New York City time, on February 16, 2021 (as such time and date may be extended, earlier expired or terminated). This Current Report on Form 8-K is not an offer to purchase, solicitation of an offer to sell or a solicitation of consents with respect to any securities. The Tender Offer and Consent Solicitation is made only by, and pursuant to the terms of, the Statement, and the information in this Current Report on Form 8-K is qualified by reference thereto. We are not making any recommendation in connection with the Tender Offer and Consent Solicitation.

Press Release

On February 2, 2021, we issued a press release announcing completion of the offering of the New Notes and the early settlement of the Tender Offer and Consent Solicitation. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1 hereto and incorporated herein by reference.

In the event that the Company or any of its Restricted Subsidiaries (i) incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the period for which the Consolidated Net Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Net Leverage Ratio is made (the **“Consolidated Net Leverage Ratio Calculation Date”**), then the Consolidated Net Leverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred on the last day of the applicable four-quarter period; provided, however, that, for purposes of any pro forma calculation of the Consolidated Net Leverage Ratio on any determination date pursuant to the Consolidated Net Leverage Ratio test set forth in Section 4.09(a), the pro forma calculation shall not give effect to any Indebtedness incurred or Disqualified Stock or Preferred Stock issued on such determination date pursuant to Section 4.09(b) provided, further, however, that any such Indebtedness incurred or Disqualified Stock or Preferred Stock issued on such determination date shall be included in subsequent calculations to the extent that such Indebtedness, Disqualified Stock or Preferred Stock is then outstanding.

reference period and on or prior to or simultaneously with the Consolidated Net Leverage Ratio Calculation Date shall be calculated on a pro forma basis in accordance with GAAP (except as set forth in the last sentence of the following paragraph) assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations and consolidations had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation and consolidation (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom, subject to any limitations set forth in clause (1)(i) of the definition thereof, to the extent applicable), in each case with respect to a business (as such term is used in Regulation S-X Rule 11-01), a company, a segment, an operating division or unit or line of business that would have required adjustment pursuant to this definition, then the Consolidated Net Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger and consolidation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such *pro forma* calculation may include adjustments appropriate (which, for the avoidance of doubt, need not be in compliance with Regulation S-X), in the reasonable determination of the Company as set forth in an Officer's Certificate, to reflect reasonably identifiable and factually supportable operating expense reductions and other operating improvements or synergies reasonably expected to result from any action taken or expected to be taken within 12 months after the date of any acquisition, amalgamation or merger; *provided*, that no such amounts shall be included pursuant to this paragraph to the extent duplicative of any amounts that are otherwise added back in computing EBITDA with respect to such period.

(b) When calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Sales), in each case, at the option of the Company (the Company’s election to exercise such option, an “**LCT Election**”), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “**LCT Test Date**”) either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a “Rule 2.7 announcement” of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (an “**LCT Public Offer**”) in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the

incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Sale) and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued, assumed or incurred at the LCT Test Date or at any time thereafter); provided, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Company may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, and (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Sales).

For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or Total Assets of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a

provision of this Indenture that does not require compliance with a financial ratio or financial test (including any Secured Net Leverage Ratio test and/or any Consolidated Net Leverage Ratio test) (any such amounts, the “**Fixed Amounts**”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or financial test (including any Secured Net Leverage Ratio test and/or any Consolidated Net Leverage Ratio test) (any such amounts, the “**Incurrence-Based Amounts**”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts (and thereafter, incurrence of the portion of such amount under the Fixed Amount shall be included in such calculation).

SECTION 1.05. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Issuers. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee and the Issuers, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee or the Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuers may, in the circumstances permitted by the Trust Indenture Act, set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or

permitted to be given or taken by Holders. Unless otherwise specified, if not set by the Issuers prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation.

(f) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including DTC, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and DTC may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such depository's standing instructions and customary practices.

(h) The Issuers may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by DTC entitled under the procedures of such depository to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

ARTICLE 2

THE NOTES

SECTION 2.01. Form and Dating; Terms. (a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of the Trustee's authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes

issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee as Custodian, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee as Custodian, and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. Upon the expiry of the Restricted Period, beneficial interests in each Regulation S Temporary Global Note shall be exchanged for beneficial interests in a Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with the authentication of a Regulation S Permanent Global Note, the Trustee shall cancel the corresponding Regulation S Temporary Global Note. The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited subject to Section 4.09 hereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuers pursuant to an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.14. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Issuers without notice to or consent of the Holders

and shall be consolidated with and form a single series with the other Notes (including any Initial Notes or other Additional Notes) and shall have the same terms as to status, redemption or otherwise as such Notes; *provided* that (1) the Issuers shall comply with Section 4.09 hereof and (2) Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number unless they are fungible with the Initial Notes for U.S. federal income tax purposes. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

(e) Euroclear and Clearstream Procedures Applicable. The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Notes that are held by Participants through Euroclear or Clearstream.

SECTION 2.02. Execution and Authentication. At least one Officer of each Issuer shall execute the Notes by manual or electronic signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, as the case may be, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuer Order (an “**Authentication Order**”), authenticate and deliver the Initial Notes by manual or electronic signature. In addition, at any time, from time to time, the Trustee shall upon receipt of an Authentication Order authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued hereunder.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

SECTION 2.03. Registrar and Paying Agent. The Issuers shall maintain (i) an office or agency in the United States of America where Notes may be presented for registration of transfer or for exchange (“**Registrar**”) and (ii) an office or agency in the United States of America where Notes may be presented for payment (the “**Paying Agent**”). The Registrar shall maintain a register reflecting ownership of the Notes outstanding from time to time (“**Note Register**”) and shall make payments on and facilitate transfer of Notes on behalf of the Issuers. The Issuers may appoint one or more

co-registrars and one or more additional paying agents. The term “**Registrar**” includes any co-registrar. The term “**Paying Agent**” includes any additional paying agents. The Issuers initially appoint the Trustee as (i) Registrar and Paying Agent and (ii) the Custodian with respect to the Global Notes. The Issuers may change the Paying Agents or the Registrars without prior notice to the Holders. The Issuers shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as a Paying Agent or a Registrar. All Agents (except when the Trustee is acting as the Agent) appointed under this Indenture shall be appointed pursuant to agency agreements among the Issuers, the Trustee and the Agent, as applicable.

The Issuers initially appoint The Depository Trust Company (“**DTC**”) to act as Depository with respect to the Global Notes.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuers shall require the Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuers or one of their respective Subsidiaries) shall have no further liability for the money. If an Issuer or one of their respective Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Issuers shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes and the Issuers shall otherwise comply with Trust Indenture Act Section 312(a).

SECTION 2.06. Transfer and Exchange. (a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to another nominee of the Depository or to a successor thereto or a nominee of such successor. A beneficial interest in a Global Note shall be exchangeable for a Definitive Note if (A) the Depository notifies the Issuers that it is unwilling or unable to continue as Depository for such Global Note, (B) the Depository has ceased to be a clearing agency registered under the Exchange Act and, in each case of (A) or (B) above, a successor Depository is not appointed by the Issuers within 90 days of such notice or (C) in the case of any Global Note, there shall have

occurred and be continuing an Event of Default with respect to such Global Note and the Depository has requested the issuance of Definitive Notes. Upon the occurrence of any of the preceding events in (A), (B) or (C) above, Definitive Notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository (in accordance with its customary procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the preceding events in (A) or (B) above and pursuant to (c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06; provided, however, beneficial interests in a Global Note may be transferred and exchanged as provided in (b) or (c) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes pursuant to this clause (b). Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this (i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in

accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in subclauses (A) (1) and (B) (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in a Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to (h) hereof.

(iii) **Transfer of Beneficial Interests to Another Restricted Global Note.** A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) hereof and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; or

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(iv) **Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.** A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, if the exchange or transfer complies with the requirements of (ii) hereof and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to this Section 2.06(b)(iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this Section 2.06(b)(iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Restricted Global Note Prohibited. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, beneficial interests in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes. Beneficial interests in Global Notes shall be exchanged for Definitive Notes only pursuant to this clause (c).

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in clause (A) or (B) of Section 2.06(a) hereof, subject to satisfaction of the conditions set forth in Section 2.06(b)(ii) and receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder substantially in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to the Company or any of its Restricted Subsidiaries, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(c) thereof, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to (g) hereof, and the Issuers shall execute and the Trustee shall authenticate and mail to the Person designated in the instructions a Definitive Note in the applicable principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall mail such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.06(c)(i)(A) and (C) hereof, a beneficial interest in a Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act.

(iii) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only upon the occurrence of any of the events

in clause (A) or (B) of Section 2.06(a) and satisfaction of the conditions set forth in Section 2.06(b)(ii) hereof and if the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iv) Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes. If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon the occurrence of any of the events in clause (A) or (B) of Section 2.06(a) hereof and satisfaction of the conditions set forth in Section 2.06(b)(ii) hereof, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to clause (g) of this Section 2.06, and the Issuers shall execute and the Trustee shall authenticate and mail to the Person designated in the instructions a Definitive Note in the applicable principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(iv) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from or through the Depository and the Participant or Indirect Participant. The Trustee shall mail such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(iv) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests. Restricted Definitive Notes shall be exchanged for beneficial interests in Restricted Global Notes only pursuant to this clause (d).

(i) Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange

such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

- (A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;
- (B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;
- (C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (2) thereof;
- (D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(a) thereof;
- (E) if such Restricted Definitive Note is being transferred to the Company or any of its Restricted Subsidiaries, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(b) thereof; or
- (F) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(c) thereof, the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the applicable Restricted Global Note, in the case of clause (B) above, the applicable 144A Global Note, and in the case of clause (C) above, the applicable Regulation S Global Note.

Notwithstanding the foregoing, exchanges of the Definitive Notes by the Initial Purchasers on the date of this Indenture for beneficial interests in one or more Restricted Global Notes shall not require the delivery of the certifications referred to in clauses (A) through (F) above.

(ii) Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted

Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(B) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to clause (ii) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Definitive Notes shall be exchanged for Definitive Notes only pursuant to this clause (e). Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly

endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e):

(i) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to a QIB in accordance with Rule 144A, then the transferor must deliver a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; or

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications required by item (3) thereof, if applicable.

(ii) Restricted Definitive Notes to Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(B) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect

such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(ii) The Registrar and the Trustee may require a Holder to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes.

(iii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but Holders shall pay all taxes due on transfer (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.04 hereof).

(iv) Neither the Registrar nor the Issuers shall be required to register the transfer of or exchange any Note selected for redemption.

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) The Issuers shall not be required (A) to issue, register the transfer of or exchange any Note for a period of 15 days before the transmission of a notice of redemption of Notes to be redeemed, (B) to transfer or exchange any Note selected for redemption, (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date or (D) to register the transfer of or to exchange any Notes selected for redemption or tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

(vii) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(viii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuers designated pursuant to Section 4.02 hereof, the Issuers shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(ix) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuers shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02 hereof.

(x) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted electronically.

(xi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xii) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

SECTION 2.07. Replacement Notes. If any mutilated Note is surrendered to the Trustee, the Registrar or the Issuers and the Trustee receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses (including the expenses of the Trustee) in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those

delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because either of the Issuers or an Affiliate of either of the Issuers holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of cancelled Notes (subject to the record retention requirement of the Exchange Act) in accordance with its customary procedures. Certification of the cancellation of all cancelled Notes shall be delivered to the Issuers upon their written request. The Issuers may not issue new Notes

to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuers default in a payment of interest on the Notes, they shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders of Notes on a subsequent special record date (except that a special record date shall not be required with respect to payments made within an applicable grace period), in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuers shall deposit with the Trustee, an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee, for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Issuers shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten (10) days prior to the related payment date for such defaulted interest. The Issuers shall notify the Trustee of such special record date promptly, and in any event at least 20 days before such special record date. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee, in the name and at the expense of the Issuers) shall transmit or cause to be transmitted to each Holder a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid. The Trustee will have no duty whatsoever to determine whether any defaulted interest is payable or the amount thereof.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuers in issuing the Notes may use CUSIP or ISIN numbers, as applicable (if then generally in use), and, if so, the Trustee shall use CUSIP or ISIN numbers, as applicable, in notices of redemption as a convenience to Holders; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers, as applicable. Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number, if any, as any existing Notes unless such Additional Notes are fungible with such existing Notes for U.S. federal income tax purposes.

ARTICLE 3

REDEMPTION

SECTION 3.01. Notices to Trustee. If the Issuers elect to redeem Notes pursuant to Section 3.07 hereof, they shall furnish to the Trustee, at least five (5) Business Days before notice of redemption is transmitted or caused to be transmitted to the applicable Holders pursuant to Section 3.03, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

SECTION 3.02. Selection of Notes to Be Redeemed or Purchased. If the Issuers are redeeming or repurchasing less than all of the Notes at any time, the Trustee shall select the Notes to be redeemed or purchased (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed, (b) on a *pro rata* basis to the extent practicable or (c) by lot or such other similar method in accordance with the procedures of DTC; *provided* that no Notes of \$2,000 or less shall be redeemed or repurchased in part. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; no Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 3.03. Notice of Purchase or Redemption. Subject to Section 3.09 hereof, the Issuers shall transmit or cause to be transmitted notices of purchase or redemption at least 10 days but not more than 60 days before the purchase or Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address, except that redemption notices may be transmitted more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 hereof.

The notice shall identify the Notes (including the CUSIP or ISIN number) to be purchased or redeemed and shall state:

- (a) the purchase or Redemption Date;

(b) the purchase or redemption price;

(c) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that has been or is to be purchased or redeemed and that, after the Redemption Date upon surrender of such Note, the Issuers will issue a new Note or Notes in principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, and subject to any conditions specified in such notice, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for purchase or redemption are being redeemed;

(h) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, as applicable, if any, listed in such notice or printed on the Notes; and

(i) any condition to such redemption.

Notice of redemption may, at the Issuers' option and discretion, be subject to one or more conditions precedent. If any such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed. The Issuers shall provide notice to the Trustee of the satisfaction of the conditions precedent.

At the Issuers' request, the Trustee shall give the notice of purchase or redemption in the Issuers' names and at their expense; *provided* that the Issuers shall have delivered to the Trustee, at least 5 Business Days before notice of redemption is required to be transmitted or caused to be transmitted to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is transmitted in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price (subject to satisfaction of any conditions specified in the applicable

notice). The notice, if transmitted in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. (New York City time) on the redemption or purchase date, the Issuers shall deposit with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Paying Agent shall promptly return to the Issuers any money deposited with the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest shall cease to accrue on the Notes, or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed or Purchased in Part. Upon surrender of a Note that is redeemed or purchased in part, the Issuers shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same indebtedness to the extent not redeemed or purchased; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07. Optional Redemption. The Notes may be redeemed, at any time in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Notes set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest, if any, to the Redemption Date.

SECTION 3.08. Mandatory Redemption. The issuers shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Offers to Repurchase by Application of Excess Proceeds. (a) In the event that, pursuant to Section 4.10 hereof, the Issuers shall be required to commence an Asset Sale Offer, they shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Issuers shall apply all Excess Proceeds (the “**Offer Amount**”) to the purchase of Notes and, if required by the terms of any *Pari Passu* Indebtedness, such *Pari Passu* Indebtedness (on a *pro rata* basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and *Pari Passu* Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuers shall transmit a notice to each of the Holders, with a copy to the Trustee and Agents. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and, if required by the terms of any *Pari Passu* Indebtedness, holders of such *Pari Passu* Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

- (i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer shall remain open;
- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receive, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes and *Pari Passu* Indebtedness surrendered by the Holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and the Issuers or the agent for such *Pari Passu* Indebtedness shall select such *Pari Passu* Indebtedness to be purchased (a) if the Notes or such *Pari Passu* Indebtedness are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes or such *Pari Passu* Indebtedness, as applicable, are listed, (b) on a *pro rata* basis based on the amount (determined as set forth above) of the Notes and such *Pari Passu* Indebtedness tendered or (c) by lot or such similar method in accordance with the procedures of DTC; *provided* that no notes of \$2,000 or less shall be repurchased in part; and

upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased; *provided*, that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess of \$2,000. ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Notes. The Issuers shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary, holds as of 11:00 a.m. (New York City time) on the due date money deposited by the Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. The Issuers shall maintain the office or agency required under Section 2.03 (which may be an office of the Trustee or an Affiliate of the Trustee) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; provided that, no office of the Trustee shall be an office or agency of the Issuers for the purposes of service of legal process on any Issuer or any Guarantor.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such

purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency required under Section 2.03. The Issuers shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

SECTION 4.03. Reports and Other Information. Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Company shall file with the SEC (and make available (without exhibits), without cost, to (i) Holders of the Notes, upon their request, and (ii) the Trustee, within 15 days after it files such reports and information with the SEC, to the extent not publicly available on the SEC's EDGAR system or the Company's public website, *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether such filing or posting or any other filing or posting described below has occurred) from and after the Issue Date,

(i) within the time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(ii) within the time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-Q by a non-accelerated filer, for each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form; and

(iii) within the time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 8-K, after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form;

in each case, in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Company shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Company shall post such reports on the Company's public website within 15 days after the time they would have been required to file such information with the SEC, if they were subject to Sections 13 or 15(d) of the Exchange Act; *provided, further*, that the Company shall not be obligated to include in such reports the separate financial statements required by Rule 3--10 or 3-16 of Regulation S-X. For the avoidance of doubt, to the extent any such information is not so filed or furnished, as applicable, within the time periods specified

above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; provided that such cure shall not otherwise affect the rights of the Holders described under Section 6.01 if Holders of at least 30% in principal amount of the then total outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure.

In the event that any direct or indirect parent company of the Company becomes a Guarantor of the Notes, the Company shall have satisfied its obligations under this Section 4.03 by furnishing information relating to such parent company; *provided* that, in the case of financial information, the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a standalone basis, on the other hand.

If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by this Section 4.03 shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Company’s Unrestricted Subsidiaries.

In addition, to the extent not satisfied by the foregoing, for so long as any Notes are outstanding the Company shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuers’ compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer’s Certificates).

SECTION 4.04. Compliance Certificate. (a) The Issuers shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, a certificate from, with respect to each Issuer, the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and the Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in default in the

performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred and is continuing, describing all such Defaults of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto).

(b) The Issuers shall, within ten (10) Business Days after becoming aware of any Default, deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such Default and what action the Issuers propose to take with respect thereto.

SECTION 4.05. Taxes. The Company shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate negotiations or proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06. Stay, Extension and Usury Laws. The Issuers and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments. (a) (1) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(I) declare or pay any dividend or make any payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation other than:

(A) dividends or distributions payable by the Company in Equity Interests (other than Disqualified Stock) of the Company;
or

(B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(II) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or, to the extent held by a Person other than

the Company or a Restricted Subsidiary, CSL National, including in connection with any merger or consolidation;

(III) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness other than the payment, redemption, repurchase, defeasance, acquisition or retirement of:

(A) Indebtedness permitted under clause (vii) of Section 4.09(b); or

(B) Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition; or

(IV) make any Restricted Investment

(all such payments and other actions set forth in clauses (I) through (IV) above being collectively referred to as “**Restricted Payments**”), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a *pro forma* basis, the Company could incur \$1.00 of additional Indebtedness pursuant to the Consolidated Net Leverage Ratio test set forth in Section 4.09(a) hereof; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries (and not rescinded or refunded) after the Existing Notes Issue Date (including Restricted Payments permitted by clause (2) of this Section 4.07(a) and by clauses (1) and (8) of Section 4.07(b) hereof, but excluding all other Restricted Payments permitted by (b) hereof), is less than the sum of (without duplication):

(i) 95% of the aggregate amount of Funds From Operations (or, if Funds From Operations is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on April 1, 2015 to the end of the Company’s most recently completed fiscal quarter for which internal financial statements are available at the time of such Restricted Payment; plus

(ii) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Company, of marketable

securities or other property received by the Company since immediately after the Existing Notes Issue Date from the issue or sale of:

(a) Equity Interests of the Company or, in connection with “UP-REIT” acquisitions, Equity Interests of CSL National, but excluding cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received from the sale of Equity Interests to members of management, directors or consultants of the Company after the Existing Notes Issue Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (iv) of (a) hereof; and

(b) Indebtedness or Disqualified Stock of the Company or a Restricted Subsidiary that has been converted into or exchanged for Equity Interests of the Company;

provided, however, that this clause (ii) shall not include the proceeds from (x) Refunding Capital Stock (as defined below), (y) Equity Interests, Indebtedness or Disqualified Stock of the Company or CSL National sold to a Restricted Subsidiary or the Company or (z) Disqualified Stock or Indebtedness that has been converted or exchanged into Disqualified Stock; *plus*

(iii) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property contributed to the capital of the Company or, in connection with “UP-REIT” acquisitions, of CSL National following the Existing Notes Issue Date (other than by a Restricted Subsidiary or the Company); *plus*

(iv) to the extent that any Restricted Investment that was made after the Existing Notes Issue Date is sold for cash or otherwise liquidated or repaid for cash, the lesser of (A) the cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (B) the initial amount of such Restricted Investment (in either case except to the extent any such amount has already been included in the calculation of Funds from Operations); *plus*

(v) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after the Existing Notes Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary (as determined by the Company in good faith) at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary other than an Unrestricted Subsidiary to the extent the Investment in such Unrestricted Subsidiary constituted a Permitted Investment; *plus*

(vi) \$50.0 million.

(2) Notwithstanding the foregoing, the Company may declare or pay any dividend or make any distribution on or in respect of shares of the Company's Capital Stock, in each case constituting a Restricted Payment, to holders of such Capital Stock to the extent that the Company believes in good faith that it or Parent (or any other parent of the Company from time to time (together, with Parent, a "**REIT Parent**")), qualifies as a "real estate investment trust" under Section 856 of the Code (or any successor provision) (a "**REIT**") and that the declaration or payment of a dividend or making of a distribution in such amount is necessary to maintain the status of the Company or REIT Parent as a REIT for any taxable year (including by permitting REIT Parent to make a distribution in such amount as is necessary to maintain its status as a REIT for any taxable year), with such dividend to be paid or distribution to be made as and when determined by the Company, whether during or after the end of the relevant taxable year or to avoid the imposition of any excise or income tax; *provided, however*, that at the time of, and after giving effect to, any such dividend or distribution, no Event of Default of the type described in clauses (i), (ii) (without giving effect to the grace period set forth therein) or (vi) or (vii) of Section 6.01(a) hereof shall have occurred and be continuing or would occur as a consequence thereof and the Obligations in respect of the Notes shall not otherwise have been accelerated.

(b) Section 4.07(a) shall not prohibit:

(1) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or the giving of such irrevocable notice, as applicable, if at the date of declaration or the giving of such notice such payment would have complied with the provisions of this Indenture;

(2) any Restricted Payment made in exchange for, or out of the proceeds of the substantially concurrent issuance or sale (other than to a Restricted Subsidiary or to an employee stock ownership plan or any trust established by the Company) of, Equity Interests of the Company (other than Disqualified Stock) (collectively, the "**Refunding Capital Stock**");

(3) the purchase, redemption, defeasance, repurchase or other acquisition or retirement of Subordinated Indebtedness of an Issuer or a Guarantor made by exchange for, or out of the proceeds of the substantially concurrent incurrence of, new Indebtedness of an Issuer or a Guarantor, as the case may be, which is incurred in compliance with Section 4.09 hereof so long as:

(a) the principal amount (or accreted value, if applicable) of such new Indebtedness does not exceed the principal amount of (or accreted value, if applicable), plus any accrued and unpaid interest on, the Subordinated Indebtedness being so purchased, redeemed, defeased, repurchased, acquired or retired for value, plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated

Indebtedness being so purchased, redeemed, defeased, repurchased, acquired or retired and any fees and expenses incurred in connection with the issuance of such new Indebtedness;

(b) such new Indebtedness is subordinated to the Notes or the applicable Guarantee at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, defeased, repurchased, acquired or retired for value;

(c) such new Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Indebtedness being so purchased, exchanged, redeemed, defeased, repurchased, acquired or retired; and

(d) such new Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so purchased, exchanged, redeemed, defeased, repurchased, acquired or retired;

(4) a Restricted Payment to pay for the repurchase, retirement or other acquisition or retirement for value of Equity Interests (other than Disqualified Stock) of the Company held by any future, present or former member of management, employee, officer, director or consultant of the Company or any of its Subsidiaries pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement, or any stock subscription or shareholder agreement; *provided, however*, that the aggregate Restricted Payments made under this clause (4) do not exceed in any calendar year \$20.0 million (with unused amounts in any calendar year beginning with 2015 being carried over to succeeding calendar years, subject to a maximum of \$40.0 million in any calendar year); *provided further* that such amount in any calendar year may be increased by an amount not to exceed:

(a) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Company to members of management, directors or consultants of the Company or any of its Subsidiaries that occurs after the Existing Notes Issue Date, to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (3) of Section 4.07(a) hereof; plus

(b) the cash proceeds of key man life insurance policies received by the Company or any of its Restricted Subsidiaries after the Existing Notes Issue Date; less

(c) the amount of any Restricted Payments previously made with the cash proceeds described in clauses (a) and (b) of this clause (4); and *provided further* that cancellation of Indebtedness owing to the Company or any Restricted Subsidiary from members of management of the Company or any of the Company's Restricted Subsidiaries in connection with a repurchase of Equity Interests of the Company will not be deemed to constitute a Restricted Payment for purposes of this Section 4.07 or any other provision of this Indenture;

(5) repurchases of Equity Interests deemed to occur (i) upon exercise of stock options, stock appreciation rights or warrants if such Equity Interests represent a portion of the exercise price of such options, stock appreciation rights or warrants or (ii) for purposes of satisfying any required tax withholding obligation upon the exercise or vesting of a grant or award that was granted or awarded to an employee;

(6) other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (6) not to exceed the greater of (x) \$100.0 million and (y) 2.00% of Total Assets determined at the time of payment;

(7) any Restricted Payment made in connection with the Transactions as described in the Existing Notes Offering Memorandum;

(8) the repurchase, redemption, defeasance or other acquisition or retirement for value of any Subordinated Indebtedness or Preferred Stock pursuant to the provisions similar to those described under Section 4.10 and Section 4.14 hereof; *provided* that prior to any such repurchase, redemption, defeasance or other acquisition or retirement for value, all Notes tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(9) the repurchase, redemption or other acquisition for value of Equity Interests of the Company deemed to occur in connection with paying cash in lieu of fractional shares of such Equity Interests in connection with a share dividend, distribution, share split, reverse share split, merger, consolidation, amalgamation or other business combination of the Company or its Subsidiaries, in each case, permitted under this Indenture;

(10) the distribution, by dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Company or a Restricted Subsidiary by, Unrestricted Subsidiaries (other than Unrestricted Subsidiaries, the primary assets of which are cash and/or Cash Equivalents);

(11) [reserved];

(12) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any Restricted Subsidiary or Preferred Stock of any Restricted Subsidiaries issued or incurred in accordance with the covenant described under Section 4.09 hereof;

(13) payments of cash, or dividends, distributions or advances by the Company or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(14) mandatory redemptions or repurchases of Disqualified Stock the issuance of which itself constituted a Restricted Payment or Permitted Investment otherwise permissible hereunder;

(15) the repurchase, redemption or other acquisition for value of Equity Interests pursuant to the Employee Matters Agreement;

(16) dividends, loans, advances or distributions, directly or indirectly, to any Parent Entity or other payments by the Company or any Restricted Subsidiary in amounts equal to (without duplication): (a) the amounts required for any Parent Entity to make payments pursuant to any tax sharing agreement or to pay any Parent Entity Expenses and (b) amounts constituting or to be used for purposes of making payments to the extent specified in clauses (3), (6), (8) and (13) of Section 4.10(b); and (c) up to \$5 million per calendar year; and

(17) investments or other Restricted Payments in an aggregate amount not to exceed an amount equal to the sum of Declined Excess Proceeds;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (6), (8) or (10), no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment or Investment (or portion thereof) meets the criteria of more than one of the categories of Permitted Payments described in clauses (1) through (17) of paragraph (b) above, or is permitted pursuant to this Section 4.07 and/or one or more of the clauses contained in the definition of "Permitted Investment," the Company will be entitled to divide or classify such Restricted Payment or Investment (or portion thereof) on the date of its payment or later divide, classify or reclassify in whole or in part in its sole discretion (based on circumstances existing on the date of such division, classification or reclassification) such Restricted Payment or Investment (or portion thereof) in any manner that complies with this Section 4.07, including as an

Investment pursuant to one or more of the clauses contained in the definition of “Permitted Investment.”

(d) In connection with any commitment, definitive agreement or similar event relating to an Investment, the Company or applicable Restricted Subsidiary may designate such Investment as having occurred on the date of the commitment, definitive agreement or similar event relating thereto (such date, the “**Election Date**”) if, after giving pro forma effect to such Investment and all related transactions in connection therewith and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to make such Investment on the relevant Election Date in compliance with this Indenture, and any related subsequent actual making of such Investment will be deemed for all purposes under this Indenture to have been made on such Election Date, including for purposes of calculating any ratio, compliance with any test, usage of any baskets hereunder (if applicable) and EBITDA and for purposes of determining whether there exists any Default or Event of Default (and all such calculations on and after the Election Date until the termination, expiration, passing, rescission, retraction or rescindment of such commitment, definitive agreement or similar event shall be made on a pro forma basis giving effect thereto and all related transactions in connection therewith).

(e) If the Company or a Restricted Subsidiary makes a Restricted Payment which at the time of the making of such Restricted Payment would in the good faith determination of the Company be permitted under the provisions of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments made in good faith to the Company’s financial statements affecting Consolidated Net Income or EBITDA of the Company for any period that result in such Restricted Payment not being permitted under this Section 4.07 as recomputed on the basis of such adjusted financial statements.

(f) As of the Issue Date, all of the Company’s Subsidiaries are Restricted Subsidiaries. The Company shall not permit any Restricted Subsidiary to become an Unrestricted Subsidiary except pursuant to Section 4.18. For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Company and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be an Investment in an amount determined as set forth in the definition of “**Investments**.” Such designation shall be permitted only if an Investment in such amount would be permitted at such time, whether as a Restricted Payment or a Permitted Investment, and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the covenants set forth in this Indenture.

(g) The amount of all Restricted Payments (other than cash) will be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this covenant will be determined by the

Board of Directors of the Company or senior management thereof whose good faith determination will be conclusive.

SECTION 4.08. Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(i) (A) pay dividends or make any other distributions to the Company or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or

(B) pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(ii) make loans or advances to the Company or any of its Restricted Subsidiaries; or

(iii) sell, lease or transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

(b) The restrictions in Section 4.08(a) hereof shall not apply to encumbrances or restrictions existing under or by reason of:

(i) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to any Transaction Agreement, or pursuant to the Senior Credit Facilities and the related documentation and related Hedging Obligations;

(ii) (1) this Indenture, the Notes and the Guarantees, (2) the indentures governing the Secured Notes, the Secured Notes and the guarantees thereof, including any future guarantees, (3) the indentures governing the Unsecured Notes, the Unsecured Notes and the guarantees thereof, including any future guarantees, and (4) any agreement governing Indebtedness permitted to be incurred pursuant to the covenant described under Section 4.09 herein; *provided*, that the provisions relating to restrictions of the type described in clauses (i) through (iii) of Section 4.08(a) hereof contained in such agreement, taken as a whole, are (y) not materially more restrictive, taken as a whole, as determined in good faith by the Company, than the provisions contained in the Senior Credit Facilities (including, for the avoidance of doubt, any amendments, supplements, modifications, restatements or refinancings thereof), or in this Indenture or in the indentures governing the Existing Notes, as applicable, in each case as in effect when initially executed or (z) shall not, in the good faith judgment of the Company, affect the ability of the Company to make anticipated payments of principal, premium, if any, interest or any other payments on the Notes;

- (iii) purchase money obligations and Capitalized Lease Obligations that impose restrictions of the nature discussed in clause (iii) of Section 4.08(a) hereof on the property so acquired or leased;
- (iv) applicable law or any applicable rule, regulation, license, permit or order;

(b) The provisions of Section 4.09(a) hereof shall not apply to:

(i) the incurrence of Indebtedness under Credit Facilities (including the 2025 Secured Notes) by the Company or any of its Restricted Subsidiaries and the issuance and creation of letters of credit and bankers’ acceptances thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof); *provided, however*, that immediately after giving effect to any such incurrence, the then outstanding aggregate principal amount of all Indebtedness under this clause (i) does not exceed at any one time the greater of (x) \$3,375 million and (y) an aggregate principal amount of Secured Indebtedness that at the time of incurrence does not cause the Consolidated Secured Net Leverage Ratio to exceed 4.00 to 1.00;

constituting a Permitted Lien) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (vii);

(A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refinanced,

(B) to the extent such Refinancing Indebtedness refinances (i) Indebtedness subordinated or *pari passu* to the Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated or *pari passu*, as the case may be, to the Notes or the Guarantee at least to the same extent as the Indebtedness being refinanced or (ii) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively, and

(iii) Indebtedness, Disqualified Stock or Preferred Stock of the Company or a Restricted Subsidiary that refinances Indebtedness, Disqualified Stock or Preferred Stock of an Unrestricted Subsidiary; and *provided further* that subclause (A) of this clause (xii) will not apply to any refinancing of Indebtedness under the Senior Credit Facilities;

(xiii) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Company or a Restricted Subsidiary incurred to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into or consolidated with the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided* that after giving effect to such acquisition, merger or consolidation, either:

(a) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Net Leverage Ratio test set forth in Section 4.09(a) hereof, or

(b) the Consolidated Net Leverage Ratio is less than or equal to the Consolidated Net Leverage Ratio immediately prior to such acquisition, merger or consolidation;

(xiv) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or other cash management services in the ordinary course of business, *provided* that such Indebtedness is extinguished within ten (10) Business Days of notice of its incurrence;

(xv) Indebtedness of the Company or any of its Restricted Subsidiaries supported by a letter of credit, in a principal amount not in excess of the stated amount of such letter of credit;

(xvi) (a) any guarantee by the Company or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of this Indenture, or

(b) any guarantee by a Restricted Subsidiary (or co-issuances by an Issuer) of Indebtedness of the Company; *provided* that such guarantee is incurred in accordance with Section 4.15 hereof;

(xvii) Indebtedness of Non-Guarantor Subsidiaries in an aggregate principal amount, which when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (xvii) and under Section 4.09(a) hereof, together with any Refinancing Indebtedness in respect thereof incurred pursuant to clause (xii), does not exceed the greater of (x) \$300.0 million and (y) 50% of LTM EBITDA, measured at the time of incurrence, at any one time outstanding;

(xviii) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements in each case, incurred in the ordinary course of business;

(xix) Indebtedness of the Company or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business;

(xx) the issuance of Equity Interests (other than Disqualified Stock) in CSL National in connection with "UP-REIT" acquisitions that do not constitute a Change of Control;

(xxi) Indebtedness consisting of Indebtedness issued by the Company or any of its Restricted Subsidiaries to current or former officers, directors and employees thereof, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Company to the extent described in clause (4) of Section 4.07(b) hereof; and

(xxii) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred

pursuant to this clause and then outstanding, will not exceed 100% of the net cash proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock or otherwise contributed to the equity (in each case, other than through the issuance of Disqualified Stock, Designated Preferred Stock or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date, and any Refinancing Indebtedness in respect thereof; provided, however, that (i) any such net cash proceeds that are so received or contributed shall not increase the amount available for making Restricted Payments to the extent the Company and its Restricted Subsidiaries Incur Indebtedness in reliance thereon and (ii) any net cash proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this clause to the extent such net cash proceeds or cash have been applied to make Restricted Payments.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxii) of Section 4.09(b) hereof or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company, in its sole discretion, will divide and/or classify on the date of incurrence and may later redivide and/or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses of Section 4.09(b) or in Section 4.09(a); *provided* that all Indebtedness outstanding under the Senior Credit Facilities and the 2025 Secured Notes on the Issue Date will be treated as incurred on the Issue Date under clause (i) of Section 4.09(b) and will not later be reclassified.

(d) For all purposes under this Indenture, including for purposes of calculating the Consolidated Secured Net Leverage Ratio or the Consolidated Net Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 4.09(a) or Section 4.09(b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens" or otherwise, the Company may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "**Reserved Indebtedness Amount**"), as being incurred as of such election date, and, if such Consolidated Secured Net Leverage Ratio, the Consolidated Net Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 4.09 or the definition of "Permitted Liens," as applicable, whether or not the Consolidated Secured Net Leverage Ratio, the Consolidated Net Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances

thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); *provided that* for purposes of subsequent calculations of the Consolidated Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Company revokes an election of a Reserved Indebtedness Amount.

(e) Notwithstanding anything in this Section 4.09 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on any of clauses (i) through (xxii) of Section 4.09(b) measured by reference to a percentage of Total Assets or LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of Total Assets or LTM EBITDA restriction to be exceeded if calculated based on the percentage of Total Assets or LTM EBITDA on the date of such refinancing, such percentage of Total Assets or LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

(f) Accrual of interest, the accretion of accreted value and the payment of interest in the form of additional indebtedness with the same terms, the payment of dividends in the form of additional shares of Disqualified Stock or Preferred Stock, as applicable, of the same class, and accretion of original issue discount or liquidation preference will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided that* the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.09.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever is lower), in the case of revolving credit debt; *provided that* if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. For the avoidance of doubt and notwithstanding any other provision of this Section 4.09, the

maximum amount of Indebtedness that may be incurred pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

(h) The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

(i) The Company will not, and will not permit any other Issuer or any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Company, such other Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company, such Issuer or such Guarantor, as the case may be.

(j) For the purposes of this Indenture, Indebtedness that is unsecured is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, and Indebtedness is not deemed to be subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral.

SECTION 4.10. Asset Sales. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(i) The Company or any such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets sold or otherwise disposed of; and (ii) except in the case of a Permitted Asset Swap or the disposition of any property the disposition of which is necessary for the Company to qualify, or to maintain its qualification, as, a REIT for U.S. federal income tax purposes, in each case, in the Company's good faith determination, at least 75% of the consideration therefor received by the Company or any such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(A) any liabilities (as shown on the Company's most recent consolidated balance sheet or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's consolidated balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary (other than Contingent Obligations and liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any

such assets (or are otherwise extinguished by the transferee in connection with the transactions relating to such Asset Sale) or are acquired and extinguished by the Company or such Restricted Subsidiary and, in each case, for which the Company, and all such Restricted Subsidiaries shall have no further obligation with respect thereto,

(B) any notes or other obligations or securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Sale,

(C) any Designated Non-cash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value (as determined in good faith by the Company), taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding (but, to the extent that any such Designated Non-cash Consideration is sold or otherwise liquidated for cash, minus the lesser of (a) the amount of the cash received (less the cost of disposition, if any) and (b) the initial amount of such Designated Non-cash Consideration) not to exceed the greater of (x) \$350.0 million and (y) 7.50% of Total Assets, with the fair market value (as determined in good faith by the Company) of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value, and

(D) any Capital Stock or assets described in clauses (A) and (D) of Section 4.10(b)(ii) hereof shall be deemed to be cash for purposes of this provision and for no other purpose.

(b) Within 450 days after the receipt of any Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale,

(i) to permanently reduce:

(A) Obligations under the Senior Credit Facilities and to correspondingly reduce commitments with respect thereto;

(B) Obligations under *Pari Passu* Indebtedness that is secured by a Lien, including the Secured Notes, which Lien is permitted by this Indenture, and to correspondingly reduce commitments with respect thereto;

(C) Obligations under the Notes or any other *Pari Passu* Indebtedness of an Issuer or a Guarantor (and to correspondingly reduce commitments with respect thereto, if applicable); *provided* that if such Net

Proceeds are applied to other *Pari Passu* Indebtedness (other than any *Pari Passu* Indebtedness described in clause (A) or (B) above) then the Issuers shall (i) equally and ratably reduce Obligations under the Notes (x) as provided under Section 3.07 or (y) through open market purchases or (ii) make an offer (in accordance with Section 4.10(c) hereof) to all Holders of Notes to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the principal amount of Notes that would otherwise be redeemed under clause (i), or

(D) Indebtedness of a Non-Guarantor Subsidiary, other than Indebtedness owed to the Company or another Restricted Subsidiary; or (ii) to make (A) an Investment in any one or more businesses; *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Company or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (B) acquire properties (other than Capital Stock), (C) make capital expenditures or (D) acquire other assets (other than Capital Stock) that, in the case of each of (A), (B), (C) and (D) are either (x) used or useful in a Similar Business or (y) replace the businesses, properties and/or assets that are the subject of such Asset Sale; *provided* that, in the case of clause (ii) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Company, or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “**Acceptable Commitment**”); *provided further* that if any Acceptable Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds; or (iii) any combination of the foregoing.

(c) Any Net Proceeds from an Asset Sale that are not invested or applied as provided and within the time period set forth in Section 4.10(b) will be deemed to constitute “**Excess Proceeds**.” When the aggregate amount of Excess Proceeds exceeds \$75.0 million, the Company or any Restricted Subsidiary shall make an offer to all Holders of Notes and, if required by the terms of any *Pari Passu* Indebtedness, to the holders of such *Pari Passu* Indebtedness (an “**Asset Sale Offer**”) to purchase the maximum aggregate principal amount of the Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and such *Pari Passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any (or, in respect of such *Pari Passu* Indebtedness, such lesser price, if any, as may be provided for or permitted by the terms of such *Pari Passu* Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture.

(d) The Issuers shall commence an Asset Sale Offer with respect to Excess Proceeds within fifteen (15) Business Days after the date that Excess Proceeds exceed \$75.0 million by electronically delivering or mailing the notice required pursuant to the terms of this Indenture, with a copy to the Trustee.

(e) To the extent that the aggregate principal amount of Notes and such *Pari Passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds (the “**Declined Excess Proceeds**”) for general corporate purposes, subject to Section 4.10(f) below and the other covenants contained in this Indenture. If the aggregate amount (determined as above) of Notes and the *Pari Passu* Indebtedness surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Issuers or the agent for such *Pari Passu* Indebtedness shall select such *Pari Passu* Indebtedness to be purchased (i) if the Notes or such *Pari Passu* Indebtedness are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes or such *Pari Passu* Indebtedness, as applicable, are listed, (ii) on a *pro rata* basis based on the amount (determined as set forth above) of the Notes and such *Pari Passu* Indebtedness tendered or (iii) by lot or such similar method in accordance with the procedures of DTC; *provided* that no Notes of \$2,000 or less shall be repurchased in part. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(f) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(g) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

SECTION 4.11. Transactions with Affiliates. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an “**Affiliate Transaction**”) involving aggregate payments or consideration in excess of \$50.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, as determined in good faith by the Company or senior management thereof, to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company

or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(ii) any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75.0 million is approved by the majority of the Board of Directors of the Company.

(b) Section 4.11 hereof shall not apply to the following:

(i) transactions between or among the Company and any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of, or in connection with, such transaction, so long as neither such entity nor the selling entity was an Affiliate of the Company or any Restricted Subsidiary prior to such transaction);

(ii) Restricted Payments permitted by Section 4.07 hereof and Permitted Investments;

(iii) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements and agreements provided on behalf of, or entered into with, current or former officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(iv) any agreement as in effect as of the Issue Date or any amendment, supplement, modification, extension or renewal thereto (so long as such amendments, supplements, modifications, extensions or renewals are not disadvantageous in any material respect to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date, as determined in good faith by the Board of Directors of the Company or the senior management thereof) and any transaction contemplated thereby as determined in good faith by the Company;

(v) the Transactions and the payment of all fees and expenses related to the Transactions;

(vi) transactions with customers (excluding leases), clients, suppliers, or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party as determined by the Board of Directors of the Company or the senior management thereof;

(vii) the issuance or transfer of Equity Interests (other than Disqualified Stock) of the Company and the granting and performance of any registration rights with respect thereto;

(viii) payments or loans (or cancellation of loans) to current or former employees, officers, directors or consultants of the Company or any of its Restricted Subsidiaries and employment agreements, benefit plans, equity plans, stock option and stock ownership plans and other similar arrangements with such employees, officers, directors or consultants which, in each case, are approved by the Company in good faith;

(ix) transactions with joint ventures or similar arrangements for the purchase or sale of goods, equipment and services entered into in the ordinary course of business;

(x) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivered to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.11(a);

(xi) the issuances of securities or other payments, loans (or cancellation of loans) awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, benefit plans, equity plans, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Company in good faith;

(xii) any contribution to the capital of the Company (other than in consideration of Disqualified Stock);

(xiii) the provision to Unrestricted Subsidiaries of cash management, accounting and other overhead services in the ordinary course of business undertaken in good faith and not for the purpose of circumventing any covenant set forth in this Indenture;

(xiv) transactions with a Person (other than an Unrestricted Subsidiary) that is an Affiliate of the Company solely because the Company, directly or indirectly, owns Equity Interests in, or controls, such Person; and

(xv) transactions with Affiliates solely in their capacity as holders of Indebtedness or Equity Interests where such Affiliate receives the same consideration or is treated the same as non-Affiliates in such transaction.

SECTION 4.12. Liens. The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee or on any asset or property of the Company or any Restricted Subsidiary, unless:

(a) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(b) in all other cases, the Notes or the Guarantees are equally and ratably secured.

The foregoing shall not apply to (A) Liens equally and ratably securing the Notes and the related Guarantees, (B) Liens securing the Secured Notes outstanding on the Issue Date and the related guarantees, (C) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit facility relating thereto, that was incurred pursuant to clause (i) of Section 4.09(b) hereof, and (D) Liens securing *Pari Passu* Indebtedness permitted to be Incurred pursuant to Section 4.09 hereof; *provided*, that at the time of any incurrence of such *Pari Passu* Indebtedness and after giving *pro forma* effect thereto (and the application of the net proceeds therefrom) under this clause (D), the Consolidated Secured Net Leverage Ratio shall not be greater than 4.00 to 1.00.

Any Lien created for the benefit of the Holders of the Notes pursuant to this Section 4.12 shall be deemed automatically and unconditionally released and discharged, without any action on the part of the Trustee or the Holders, upon the release and discharge of the applicable Lien described in clauses (a) and (b) of this Section 4.12.

For purposes of this Section 4.12, with respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 4.13. Existence. Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence, and the existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the existence of any of its Restricted Subsidiaries, if (a) the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, or (b) the failure to preserve such right, license or franchise, or such existence, is not adverse in any material respect to the Holders of the Notes.

SECTION 4.14. Offer to Repurchase Upon Change of Control. (a) If a Change of Control Repurchase Event occurs after the Issue Date, unless the Issuers have previously or concurrently transmitted a redemption notice with respect to all the outstanding Notes as described under Section 3.07 hereof, the Issuers shall make an offer to purchase all of the Notes pursuant to the offer described below (the “**Change of Control Offer**”) at a price in cash (the “**Change of Control Payment**”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Repurchase Event, unless the Issuers have previously or concurrently transmitted a redemption notice with respect to all the outstanding Notes as pursuant to Section 3.07 hereof, the Issuers shall send notice of such Change of Control Offer, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, with the following information:

- (i) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuers;
- (ii) the purchase price and the purchase date, which will, subject to clause (vii) of this Section 4.14(a), be no earlier than 30 days nor later than 60 days from the date such notice is transmitted (the “**Change of Control Payment Date**”);
- (iii) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (iv) that unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (v) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuers to purchase such Notes, *provided* that the paying agent receives, not later than the close of business on the 30th day following the date of the Change of Control Repurchase Event notice, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;
- (vi) that if the Holders tender less than all of the Notes, the Holders of the remaining Notes will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof;

(vii) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control, and if applicable, shall state that, in the Issuers' discretion, the Change of Control Payment Date may be delayed until such time as the Change of Control shall occur, or that such redemption may not occur and such notice may be rescinded in the event that the Issuers shall determine that such condition will not be satisfied by the Change of Control Payment Date or by the Change of Control Payment Date as so delayed; and

(viii) the other instructions, as determined by the Issuers, consistent with this Section 4.14, that a Holder must follow.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Issuers will, to the extent permitted by law,

(i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer,

(ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(iii) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

(c) The Issuers shall not be required to make a Change of Control Offer following a Change of Control Repurchase Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption has been given pursuant to this Indenture with respect to all of the outstanding Notes pursuant to Section 3.07, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) Notes repurchased by the Issuers pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled at the option of the Issuers. Notes purchased by a third party pursuant to Section 4.14(c) will have the status of Notes issued and outstanding unless transferred to the Issuers.

(e) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. The Company shall not permit any Restricted Subsidiary that is not an Issuer or a Guarantor to guarantee the payment of any Indebtedness under the Senior Credit Facilities after the Issue Date, unless:

(a) such Restricted Subsidiary within 20 business days executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary;

(b) the Company shall within 20 business days deliver to the Trustee an Officer's Certificate and Opinion of Counsel reasonably satisfactory to the Trustee; provided that this Section 4.15 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary shall not be required to comply with the 20 business day periods described in this Section 4.15.

SECTION 4.16. Suspension of Certain Covenants. (a) During any period of time that: (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "**Covenant Suspension Event**"), the Company and its Restricted Subsidiaries shall not be subject to Section 4.07 hereof, Section 4.08 hereof, Section 4.09 hereof, Section 4.10 hereof, Section 4.11 hereof, Section 4.15 hereof (but only with respect to any Person that is required to become a Guarantor after the date of the commencement of the applicable Suspension Period as defined in clause (b) of this Section 4.16), Section 4.17 hereof and clause (iv) of Section 5.01(a) hereof (the "**Suspended Covenants**").

(b) If on any subsequent date (the "**Reversion Date**") one or both of the Rating Agencies withdraws its Investment Grade Rating or downgrades the rating assigned to the Notes below an Investment Grade Rating, the Company and the Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants with respect to future events. The period of time beginning on the day of a Covenant

Suspension Event and ending on a Reversion Date is referred to herein as a “**Suspension Period**”.

(c) On each Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.09(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.07 will be made as though Section 4.07 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period shall reduce the amount available to be made as Restricted Payments under Section 4.07(a). No Default or Event of Default shall be deemed to have occurred on the Reversion Date as a result of any actions taken by the Company or its Restricted Subsidiaries during the Suspension Period. Notwithstanding the foregoing, during the Suspension Period the Company shall not designate any of its Restricted Subsidiaries to be Unrestricted Subsidiaries unless the Company would have been permitted to designate such Subsidiary as an Unrestricted Subsidiary if a Suspension Period had not been in effect for any period, and, following the Reversion Date, such designation shall be deemed to have created an Investment or Restricted Payment pursuant to Section 4.07(b) at the time of such designation. For purposes of Section 4.10, on the Reversion Date, the unutilized Excess Proceeds amount shall be reset to zero.

(d) The Company shall deliver promptly to the Trustee an Officer’s Certificate notifying it of the occurrence of any Covenant Suspension Event or Reversion Date under this Section 4.16; *provided*, however, that the Trustee shall have no obligation to ascertain or verify the occurrence of any Covenant Suspension Event or Reversion Date.

SECTION 4.17. Limitations on Business Activities. The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any business other than Similar Businesses, except as would not be material to the Company and its Restricted Subsidiaries, taken as a whole.

SECTION 4.18. Designation of Restricted and Unrestricted Subsidiaries. (a) The Board of Directors of the Company may designate any Restricted Subsidiary of the Company (other than any Issuer) to be an Unrestricted Subsidiary; *provided* that:

(i) any guarantee by the Company or any Restricted Subsidiary of any Indebtedness of the Subsidiary being so designated will be deemed to be an incurrence of Indebtedness by the Company or such Restricted Subsidiary (or both, if applicable) at the time of such designation, and such incurrence of Indebtedness would be permitted under Section 4.09 hereof;

(ii) the aggregate fair market value (as determined in good faith by the Company) of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary being so designated (including any guarantee by the Company or any Restricted Subsidiary thereof of any

Indebtedness of such Subsidiary) will be deemed to be an Investment made as of the time of such designation and that such Investment would be permitted under Section 4.07 hereof;

(iii) the Subsidiary being so designated:

(A) has not guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Company or any of its Restricted Subsidiaries, except (i) to the extent such guarantee or credit support would be released upon such designation or (ii) a pledge of the Equity Interests of the Unrestricted Subsidiary that is the obligor thereunder; and

(B) is a Person with respect to which neither the Company nor any of its Restricted Subsidiaries has any direct or indirect obligation (i) to subscribe for additional Equity Interests or (ii) to maintain or preserve such Person's financial condition or to cause such Person to achieve any specified levels of operating results (except to the extent permitted under Section 4.07 hereof); and

(iv) no Default or Event of Default would be in existence following such designation.

(b) Any designation of a Restricted Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee the Board Resolution giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by this Indenture. If, at any time, any Unrestricted Subsidiary would fail to meet any of the preceding requirements described in clause (iii) of Section 4.18(a), it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness, Investments, or Liens on the property, of such Subsidiary will be deemed to be incurred or made by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness, Investments or Liens are not permitted to be incurred or made as of such date under this Indenture, the Company will be in default under this Indenture.

(c) The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided that:*

(i) such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness (including any Obligations that are non-recourse) of such Unrestricted Subsidiary and such designation will only be permitted if such Indebtedness is permitted under Section 4.09 hereof; and

(ii) no Default or Event of Default would be in existence following such designation.

(iv) immediately after giving *pro forma* effect to such transaction and any related financing transactions (including the use of proceeds therefrom), as if such transactions had occurred at the beginning of the applicable four-quarter period,

(B) the Consolidated Net Leverage Ratio for the Company (or its Successor Company, as applicable) and its Restricted Subsidiaries would be less than or equal to such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction; and

(v) the Company shall have delivered to the Trustee an Officer’s Certificate stating that such consolidation, merger or transfer is permitted by this Indenture.

The Successor Company will succeed to, and be substituted for, such Issuer, as applicable, under this Indenture, the Guarantees and the Notes, as applicable, and, except in the case of a lease, such Issuer will automatically be released and discharged from its obligations under this Indenture and the Notes. Notwithstanding clauses (iii) and (iv) of Section 5.01(a) hereof,

(1) any Restricted Subsidiary (other than one of the Issuers) may consolidate with, merge into or wind up into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to the Company or any Subsidiary; and

(2) any Issuer may merge with an Affiliate of the Company solely for the purpose of reorganizing such Issuer in a state or commonwealth of the United States, the District of Columbia or any territory thereof or for the sole purpose of forming or collapsing a holding company structure in a manner not prohibited by this Indenture.

(b) Subject to Section 10.06, no Guarantor will, and the Company will not permit any such Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a Person organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state or commonwealth thereof, the District of Columbia or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the “**Successor Person**”);

(B) the Successor Person, if other than such Guarantor or another Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture and such Guarantor’s related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee; and

(C) immediately after such transaction, no Default exists; or

(ii) the disposition complies with Section 4.10 hereof.

In the case of clause Section 5.01(b)(i) above, the Successor Person will succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor’s Guarantee and, except in the case of a lease, such Guarantor will automatically be released and discharged from its obligations under this Indenture and such Guarantor’s Guarantee. Notwithstanding the foregoing, any Guarantor may merge into or transfer all or part of its properties and assets to another Guarantor or an Issuer.

(c) Upon any direct or indirect sale, exchange or transfer (by merger, consolidation or otherwise) of (i) the Capital Stock of any Issuer other than the Company or CSL Capital, after which the applicable Issuer is no longer a Restricted Subsidiary, or (ii) all or substantially all the assets of such Issuer which sale, exchange or transfer is permitted under this Indenture, such Issuer will be released from its obligations under this Indenture and the Notes.

SECTION 5.02. Successor Person Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of any Issuer in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or with which such Issuer is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to such Issuer shall refer instead to the successor to such Issuer, and may exercise every right and power of an Issuer, as applicable, under this Indenture with the same effect as if such successor Person had been named as an Issuer herein, and such predecessor Issuer will be automatically released and discharged from its obligations under this Indenture and the Notes; *provided* that such predecessor Issuer shall not be relieved from its obligations under this Indenture and the Notes in the case of a lease.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. (a) An “**Event of Default**” wherever used herein, means any one of the following events with respect to the Notes:

- (i) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on such Notes;
- (ii) default for 30 days or more in the payment when due of interest on or with respect to such Notes;
- (iii) failure by the Company or any Restricted Subsidiary for 90 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in principal amount of such Notes then outstanding to comply with any of its other obligations, covenants or agreements (other than a default referred to in clause (i) or (ii) of this Section 6.01(a)) contained in this Indenture or such Notes; *provided* that in the case of a failure to comply with Section 4.03 hereof, such period of continuance of such default or breach shall be 180 days after written notice described in this clause (iii) has been given;
- (iv) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Company or any of its Restricted

Subsidiaries, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$75.0 million or more;

(v) failure by the Company or any Significant Subsidiary to pay final judgments (to the extent such judgments are not paid or covered by insurance) aggregating in excess of \$75.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is not covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(vi) the Company or any Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy law;

(C) consents to the appointment of a receiver, liquidator, assignee, trustee or other similar official of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors;

or

(E) fails generally to pay its debts as they become due.

(vii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against any Issuer or any Significant Subsidiary in a proceeding in which any Issuer or any Significant Subsidiary is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, liquidator, assignee, trustee or other similar official of any Issuer or any Significant Subsidiary or for all or substantially all of the property of any Issuer or any Significant Subsidiary; or

(C) orders the liquidation of any Issuer or any Significant Subsidiary; and the order or decree remains unstayed and in effect for 60 consecutive days; or (viii) the Guarantee of any Significant Subsidiary shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of such Guarantor that is a Significant Subsidiary, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, in each case other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

(b) In the event of any Event of Default specified in clause (iv) of Section 6.01(a), such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(i) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or

(ii) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(iii) the default that is the basis for such Event of Default has been cured.

(c) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the “**Initial Default**”) occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default will also be cured without any further action.

(d) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.03 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by Section 4.03 hereof or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

SECTION 6.02. Acceleration. (a) If any Event of Default (other than an Event of Default specified in clause (vi) or (vii) of Section 6.01(a) hereof with respect to the Company) occurs and is continuing with respect to the Notes, the Trustee or the Holders of at least 30% in principal amount of the then total outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding anything to the contrary set forth above, a notice of Default may not be given with respect to any action taken, and reported publicly or to holders, more than two years prior to such notice of Default.

Upon the effectiveness of such declaration, such principal and interest with respect to the Notes shall be due and payable immediately. The Trustee shall have no obligation to accelerate the Notes if it in good faith determines that acceleration is not in the best interest of the Holders of the Notes.

(b) Notwithstanding the foregoing, in the case of an Event of Default arising under clause (vi) or (vii) of Section 6.01(a) hereof with respect to the Company, all outstanding Notes shall be due and payable without further action or notice.

(c) Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a “**Noteholder Direction**”) provided by any one or more Holders (each a “**Directing Holder**”) must be accompanied by a written representation from each such Holder to each Issuer and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a “**Position Representation**”), which representation, in the case of a Noteholder Direction relating to a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Issuers with such other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Holder’s Position Representation within five Business Days of request therefor (a “**Verification Covenant**”). The Trustee shall have no duty whatsoever to provide this information to the Issuers or to obtain this information for the Issuers. In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee. If, following the delivery of a Noteholder Direction, but prior to the acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder providing such Noteholder Direction was, at any relevant time, in breach of its Position Representation and provides to the Trustee evidence that the Issuers have filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to

acceleration of the Notes, the Issuers provide to the Trustee an Officer's Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred; provided, however, this shall not invalidate any indemnity or security provided by the Directing Holders to the Trustee which obligations shall continue to survive.

(d) The Issuers hereby waive any and all claims, in law and/or in equity, against the Trustee, and agree not to commence any legal proceeding against the Trustee in respect of, and agrees that the Trustee will not be liable for any action that the Trustee takes in accordance with this Section, or arising out of or in connection with following instructions or taking actions in accordance with a Noteholder Direction. The Issuers hereby confirm that any and all other actions that the Trustee takes or omits to take under this Section and all fees, costs expenses of the Trustee and its agents and counsel arising hereunder and in connection herewith shall be covered by the Issuers indemnifications under Section 7.07 of the Indenture.

SECTION 6.03. Other Remedies. Subject to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available contractual remedy under this Indenture to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Defaults. Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under this Indenture, except a continuing Default in the payment of interest on, premium, if any, or the principal of, any Note held by a non-consenting Holder; and rescind any acceleration and its consequences with respect to the Notes (except if such recession would conflict with any judgment of a court of competent jurisdiction). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the total outstanding Notes may direct in writing the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture or of exercising any trust or power conferred on the Trustee under this Indenture. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such use by a Holder unduly prejudices the rights of any other Holders) or that would involve the Trustee in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it against all loss, liability and expense caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder has previously given the Trustee written notice that an Event of Default is continuing with respect to such Notes;
- (b) Holders of at least 30% in principal amount of the total outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (c) Holders of Notes have offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (e) Holders of a majority in principal amount at maturity of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such use prejudices the rights of any other Holders or obtains priority or preference over such other Holders).

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the contractual right set forth in this Indenture of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be amended without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a)(i) or (ii) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against

the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation of the Trustee and the reasonable and documented out-of-pocket expenses, disbursements and advances of the Trustee, its agents and counsel, in each case as set forth in Section 7.07 hereof.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuers, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation and the reasonable and documented out-of-pocket

expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee or any Agent collects any money pursuant to this Article 6, it shall pay out the money in the following order:

- (a) First to the Trustee, the Agents, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or any Agent and the costs and expenses of collection;
- (b) Second to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (c) Third to the Issuers or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred (and has not been cured), the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of gross negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculation or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own gross negligent action, its own gross negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) Subject to this Article 7, whether or not an Event of Default has occurred and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holder or Holders of the Notes unless such Holder or Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee. (a) The Trustee may conclusively rely upon any notice or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificates or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of the Issuers.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or

powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, attorney, attorney-in-fact, custodian and other Person employed to act hereunder.

(j) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(k) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of an Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee as provided in Section 7.02(g) hereof, the Trustee shall send to Holders of Notes a notice of the

Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers determines that withholding notice is in the interest of the Holders of the Notes.

SECTION 7.06. [Reserved]

SECTION 7.07. Compensation and Indemnity. The Issuers shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee promptly upon request for all reasonable and documented out-of-pocket disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable and documented out-of-pocket compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers and the Guarantors, jointly and severally, shall indemnify, defend and protect the Trustee for, and hold the Trustee harmless from and against, any and all loss, damage, claims, liability or expense (including taxes (other than taxes based upon, or measured by or determined by the income of the Trustee) and reasonable and documented out-of-pocket attorneys' fees and expenses and court costs) incurred by it (as evidenced in an invoice from the Trustee) in connection with the acceptance or administration of this trust and the performance of its duties hereunder or in connection with enforcing this Indenture against the Issuers or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuers or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder. The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers or the Guarantors of their obligations hereunder. The Issuers shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuers' expense in the defense. The Trustee may have separate counsel and the Issuers shall pay the fees and expenses of such counsel; *provided, however*, that the Issuers shall not be required to pay such fees and expenses if it assumes the Trustee's defense with counsel reasonably acceptable to the Trustee and, in the Trustee's judgment, there is no conflict of interest between the Issuers and the Trustee in connection with such defense. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence as determined by a final, non-appealable judgment of a court of competent jurisdiction.

The obligations of the Issuers under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuers and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(vi) or (vii) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of Trust Indenture Act Section 313(b)(2) to the extent applicable.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee upon 30 days' prior notice to the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a receiver, custodian or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers. If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuers' expense), the Issuers or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the

retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall transmit a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Securities of any series in the name of the predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

SECTION 7.10. Eligibility; Disqualification, etc. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Issuers. The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuers may, at their option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees of the Notes and to have cured all then existing Events of Default with respect to the Notes on the date the conditions set forth below are satisfied ("**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuers shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, to have satisfied all their other obligations under the Notes and this Indenture including that of the Guarantors and to have cured all then existing Events of Default with respect to the Notes (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to this Indenture;
- (b) the Issuers' obligations with respect to such Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuers' obligations in connection therewith; and
- (d) the provisions of this Section 8.02.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03,

4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.13 (other than the existence of the Issuers (subject to Section 5.01 hereof)), 4.15, 4.17 and Section 4.18 hereof, and clause (iv) of Section 5.01(a) and 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (“**Covenant Defeasance**”), and the Notes shall thereafter be deemed not “**outstanding**” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “**outstanding**” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers or any Guarantor, as applicable, may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and the Notes shall be unaffected thereby. In addition, upon the Issuers’ exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(iii), 6.01(a)(iv), 6.01(a)(v), 6.01(a)(vi) (solely with respect to Restricted Subsidiaries (other than an Issuer) that are Significant Subsidiaries), 6.01(a)(vii) (solely with respect to Restricted Subsidiaries (other than an Issuer) that are Significant Subsidiaries) and 6.01(a)(viii) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of such Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on such Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal amount, premium, if any, or interest on such Notes and the Issuers must specify whether such Notes are being defeased to maturity or to a particular Redemption Date;

(b) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(i) the Issuers have received from, or there has been published

by, the United States Internal Revenue Service a ruling, or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon, such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the beneficial owners of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit with respect to such Notes;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor is bound (other than that resulting from borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(f) the Issuers shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(g) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions. Subject to the provisions of Section 8.06

hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 hereof shall be held in trust and applied by the Trustee in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as Paying Agent), the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

SECTION 8.06. Repayment to Issuers. Anything in this Article 8 or Article 11 to the contrary notwithstanding, each of the Trustee and each Paying Agent shall promptly deliver or pay to the Issuers upon request any money or Government Securities held by it in accordance with this Article 8 or Article 11 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance, Covenant Defeasance or discharge in accordance with Article 11 hereof.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be paid to the Issuers on their request or (if then held by the Issuers) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or any Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or the Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or Section 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03 hereof, as the case may be; *provided* that, if the Issuers make any payment of principal of, premium or interest on any Note following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or the Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02 hereof, the Issuers, any Guarantor (with respect to a Guarantee or this Indenture) and the Trustee may amend or supplement this Indenture and any Guarantee or the Notes without the consent of any Holder:

- (a) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (b) to provide for uncertificated Notes in addition to or in place of certificated Notes or to provide for the issuance of Additional Notes;
- (c) to comply with Section 5.01 hereof;
- (d) to provide the assumption of any Issuer's or any Guarantor's obligations to the Holders;
- (e) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (f) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon any Issuer or any Guarantor;
- (g) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof;
- (i) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;
- (j) to add a Guarantor under this Indenture or to secure the Obligations hereunder;
- (k) to conform the text of this Indenture, Guarantees or the Notes to any provision of the "**Description of the Notes**" section of the Offering Memorandum as described in an Officer's Certificate; or
- (l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however,* that (i) compliance with this Indenture as so amended would

not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

SECTION 9.02. With Consent of Holders of Notes. Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture, any Guarantee and the Notes with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding, (including consents obtained in connection with a purchase of, or tender offer or exchange offer for Notes), and, subject to Section 6.04 and Section 6.07 hereof, any existing Default or Event of Default (other than a continuing Default in the payment of interest on, premium, if any, or the principal of, the Note, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes issued hereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Sections 2.08 and 2.09 hereof shall determine which of the Notes are considered to be “outstanding” for the purposes of this Section 9.02.

The consent of the Holders of Notes under this Section 9.02 is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall deliver electronically or mail to the Holders of the Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver may not, with respect to Notes held by a non-consenting Holder:

- (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal amount of or change the fixed final maturity of any Note or alter or waive the provisions with respect to the redemption of Notes (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a

covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all Holders;

- (e) make any Note payable in money other than that stated therein;
- (f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;
- (g) make any change in these amendment and waiver provisions as it relates to Notes;
- (h) impair the contractual right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes (which, for the avoidance of doubt, shall not prohibit amendments to or waivers from Section 4.14 or Section 4.10 at any time prior to the occurrence of the relevant Change of Control or Asset Sale);
- (i) make any change to or modify the ranking of the Notes that would adversely affect the Holders in any material respect; or
- (j) except as expressly permitted by this Indenture, modify the terms of the Guarantees of any Significant Subsidiary in any manner adverse to the Holders of the Notes.

SECTION 9.03. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the earlier of the date the waiver, supplement or amendment becomes effective and the date on which the Trustee receives an Officer's Certificate from the Issuers certifying that the requisite principal amount of Notes have consented. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite principal amount of Notes has been obtained.

SECTION 9.04. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.05. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In executing any amendment, supplement or waiver, the Trustee (subject to Section 7.01 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 12.03 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture, that all conditions precedent thereto have been met or waived, and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions. No Opinion of Counsel will be required by the immediately preceding sentence for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

SECTION 9.06. Compliance with Trust Indenture Act. From the date on which this Indenture is qualified under the Trust Indenture Act, every amendment, waiver or supplement to this Indenture or the Notes shall comply with the Trust Indenture Act as then in effect.

ARTICLE 10

GUARANTEES

SECTION 10.01. Guarantee. Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder or thereunder: (a) the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuers under this Indenture and the Notes, whether for payment of principal of or interest on the Notes, expenses, indemnification or otherwise, on the terms set forth in this Indenture; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the

Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor also agrees to pay any and all reasonable and documented out-of-pocket costs and expenses (including reasonable and documented out-of-pocket attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. Any Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuers for liquidation, reorganization, should the Issuers become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuers' assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must

otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a voidable preference, fraudulent transfer or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law.

SECTION 10.03. Execution and Delivery. To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture (or a supplement thereto) shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 hereof, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15

hereof and this Article 10, to the extent applicable by executing a Supplemental Indenture in the form of Exhibit D).

SECTION 10.04. Subrogation. Each Guarantor shall be subrogated to all rights of Holders of Notes against the Issuers in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; *provided* that, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all obligations of the Issuers under this Indenture and the Notes shall have been paid in full.

SECTION 10.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06. Release of Guarantees. A Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Issuers or the Trustee is required for the release of such Guarantor's Guarantee upon:

- (a) (i) any direct or indirect sale, exchange or transfer (by merger, consolidation or otherwise) of (i) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary, or (ii) all or substantially all the assets of such Guarantor which sale, exchange or transfer is made in a manner not in violation of the applicable provisions of this Indenture;
 - (ii) the release or discharge of the guarantee by such Guarantor of the Senior Credit Facilities or the guarantee which resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee or a discharge or release in connection with the termination of the Senior Credit Facilities;
 - (iii) the proper designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary; or
 - (iv) the Issuers exercising their Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 hereof or the Issuers' obligations under this Indenture being discharged in accordance with Article 11; and
- (b) the Issuers delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with; or
 - (c) the consent of Holders of a majority in aggregate principal amount of the outstanding Notes.

The Parent Guarantee may be released at any time upon request of Parent (it being understood that if the Parent Guarantee is released, the Issuers will not be permitted to rely on Parent's reports to comply with Section 4.03).

Upon delivery by the Company to the Trustee of an Officer's Certificate and an Opinion of Counsel to the effect that any of the foregoing conditions has occurred, the Trustee shall evidence such release by a supplemental indenture or other instrument which may be executed by the Trustee without the consent of any Holder.

SECTION 10.07. Obligation to Seek Regulatory Approval for Additional Guarantees. With respect to any Subsidiaries of the Company that do not initially Guarantee the Notes on the Issue Date due to regulatory approval being required for such Subsidiaries to incur or guarantee debt (the "**Regulated Subsidiaries**" and each a "**Regulated Subsidiary**"), within 60 days following the Issue Date, the Company will (or will cause its applicable Subsidiaries to) file to obtain regulatory approval for such Subsidiaries to Guarantee the Notes and the Company will (or will cause its applicable Subsidiaries to) use commercially reasonable efforts to obtain such approval. If the Company or its applicable Subsidiaries obtain such approval (without any conditions that the Company determines in good faith constitute an undue burden on it), then, within 30 days thereafter, the Company will cause each such Regulated Subsidiary for which such regulatory approval was obtained to Guarantee the Notes. For the avoidance of doubt, there will be no Default or Event of Default if the Company or any applicable Subsidiary files for and uses commercially reasonable efforts to obtain regulatory approval to Guarantee the Notes but is unable to obtain such approval at all or without such conditions.

ARTICLE 11

SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to the Notes, when either:

- (a) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or
- (b) (i) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption and redeemed within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and any Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be

sufficient without consideration of any reinvestment of interest, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay and discharge the entire indebtedness of Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(ii) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(iii) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (2) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive.

SECTION 11.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer or Guarantor acting as the Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, any Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof until such time as the Trustee or any Paying Agent is permitted to apply all such money or Government Securities in accordance with Section 11.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against Government Securities deposited pursuant to Section 11.01 hereof or the principal and interest received in respect thereof other than

any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

SECTION 12.08. Waiver of Jury Trial. When the Trustee acts on any Executed Documentation sent by electronic transmission, the Trustee will not be responsible or liable for any losses, costs or expenses arising directly or indirectly from its reliance upon and compliance with such Executed Documentation, notwithstanding that such Executed Documentation (a) may not be an authorized or authentic communication of the party involved or in the form such party sent or intended to send (whether due to fraud, distortion or otherwise) or (b) may conflict with, or be inconsistent with, a subsequent written instruction or communication; it being understood and agreed that the Trustee shall conclusively presume that Executed Documentation that purports to have been sent by an authorized officer of a Person has been sent by an authorized officer of such Person. 5. OPTIONAL REDEMPTION.

(a) Except as described below under clauses 5(b), 5(c) and 5(e) hereof, the Issuers will not be entitled to redeem the Notes at their option prior to February 15, 2024.

(b) At any time prior to February 15, 2024, the Issuers may redeem all or a part of the Notes upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of the Redemption Date, and, without duplication, accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Prior to February 15, 2024, the Issuers may, at their option, upon notice as described in Section 3.03 of the Indenture, on one or more occasions, redeem up to 40% of the aggregate principal amount of Notes issued by them at a redemption price equal to 106.500% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 60% of the aggregate principal amount of Notes originally issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (for the avoidance of doubt, after giving effect to any prior or contemporaneous redemption or other cancellation of the Notes); *provided further* that each such redemption occurs within 120 days of the date of closing of each such Equity Offering. (f) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

Also, the Issuers are not required to issue, transfer or exchange any Notes for a period of 15 days before the transmission of a notice of redemption of Notes to be redeemed.

11. **PERSONS DEEMED OWNERS.** The registered Holder of a Note may be treated as its owner for all purposes.

12. **AMENDMENT, SUPPLEMENT AND WAIVER.** The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

13. **DEFAULTS AND REMEDIES.** The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in principal amount of the then outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately, subject to each limitation set forth in the Indenture. Notwithstanding the

foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required within ten (10) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuers propose to take with respect thereto.

14. AUTHENTICATION. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual or electronic signature of the Trustee.

15. GOVERNING LAW. THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES.

16. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

Press Release

Release Date: February 2, 2021

Uniti Group Inc. Announces Completion of Notes Offering and Early Settlement of Consent Solicitation and Cash Tender Offer for Any and All of its Outstanding 8.25% Senior Notes Due 2023

LITTLE ROCK, Ark. – Uniti Group Inc. (the “Company” or “Uniti”) (Nasdaq: UNIT) today announced the successful completion of its previously announced private offering of \$1.11 billion aggregate principal amount of 6.50% senior notes due 2029 (the “New Notes”) by its subsidiaries, Uniti Group LP, Uniti Group Finance 2019 Inc. and CSL Capital, LLC (collectively, the “Issuers” and, together with the Company, “us” or “we”) and the early settlement election exercised by the Issuers of their previously announced cash tender offer (the “Offer”) to purchase any and all of the Issuers’ outstanding 8.25% Senior Notes due 2023 (the “Existing Notes”) and the related solicitation of consents (the “Consent Solicitation”) to certain proposed amendments to the indenture governing the Existing Notes (the “Existing Notes Indenture”) to eliminate substantially all of the restrictive covenants and certain events of default (the “Proposed Amendments”). The Offer is being made pursuant to an Offer to Purchase and Consent Solicitation Statement dated January 19, 2021 (as amended as of the date hereof, the “Statement”), which more fully sets out the terms of the Offer and Consent Solicitation.

The Issuers today accepted for purchase, and paid for, \$1,050,928,000 aggregate principal amount of Existing Notes that were validly tendered (and not validly withdrawn) at or prior to 5:00 p.m. New York City time, on February 1, 2021 (the “Early Tender Date”). Holders of Existing Notes that have been accepted for purchase in connection with the Early Tender Date received the applicable total consideration of \$1,016.70, which includes an early tender premium of \$30.00 per \$1,000 principal amount of the Existing Notes accepted for purchase. Holders of Notes accepted for purchase pursuant to the Offer also received accrued and unpaid interest on the Existing Notes from the last interest payment date to, but not including, the date hereof. The Issuers used the net proceeds from the sale of the New Notes to fund the purchase of Existing Notes accepted for purchase pursuant to the Offer.

Pursuant to the Consent Solicitation, the Issuers obtained the Requisite Consents, which allows the Issuers to amend the Existing Notes Indenture. The Issuers and trustee to the Existing Notes Indenture have today executed a supplemental indenture to the Existing Notes Indenture to implement the Proposed Amendments.

The Financing Condition (as defined in the Statement) was satisfied upon the Issuers’ successful completion today of its private offering of the New Notes. The Offer expires on the Expiration Date, which is currently expected to occur at 11:59 p.m., New York City time, on February 16, 2021, unless extended, earlier expired or terminated by us in our sole discretion, and, in the case of extension of the Expiration Date, will be such date to which the Expiration Date is extended. Holders who tender Existing Notes after the Early Tender Date will receive the tender offer consideration of \$986.70 per \$1,000 principal amount of the Existing Notes but will not receive the early tender premium. Tenders of Existing Notes submitted after the Expiration Date will not be valid.

In connection with the Offer and Consent Solicitation, Citigroup Global Markets Inc. is acting as the dealer manager for the Offer and solicitation agent for the Consent Solicitation (collectively, the "Dealer Manager and Solicitation Agent"). Global Bondholder Services Corporation is serving as the information and tender agent (the "Information and Tender Agent"). Requests for assistance or copies of the Statement or any other documents related to the Offer and Consent Solicitation may be directed to the Information and Tender Agent at (866) 924-2200 or contact@gbsc-usa.com. Questions or requests for assistance in relation to the Offer and Consent Solicitation may be directed to the Dealer Manager and Solicitation Agent at (212) 723-6106 (collect) or (800) 558-3745 (toll-free).

The Offer is not being made to Holders of Existing Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the securities laws or blue sky laws require the Offer to be made by a licensed broker or dealer, the Offer will be deemed to be made on behalf of the Issuers by the Dealer Manager and Solicitation Agent, or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

This press release does not constitute an offer to purchase securities or a solicitation of an offer to sell any securities or an offer to sell or the solicitation of an offer to purchase any new securities, nor does it constitute an offer or solicitation in any jurisdiction in which such offer or solicitation is unlawful. Capitalized terms used in this press release but not otherwise defined herein have the meanings assigned to them in the Statement.

None of the Company, the Issuers, the Information and Tender Agent, the Dealer Manager and Solicitation Agent or the trustee (nor any of their respective directors, officers, employees or affiliates) makes any recommendation as to whether Holders should tender their Existing Notes pursuant to the Offer or consent pursuant to the Consent Solicitation, and no one has been authorized by any of them to make such a recommendation. Holders must make their own decisions as to whether to tender their Existing Notes or consent to the Proposed Amendments, and, if so, the principal amount of Existing Notes in respect of which to take such actions.

Although we believe that the assumptions underlying the forward-looking statements are reasonable, we can give no assurance that our expectations will be attained. Factors which could materially alter our expectations include, but are not limited to, the future prospects of Windstream Holdings, Inc. (together with Windstream Holdings II, LLC, its successor in interest, and its subsidiaries, "Windstream"); changes in the accounting treatment of our settlement with Windstream; our ability to delever and achieve the 'covenant reversion date' under our secured notes due 2025, which would permit us to pay additional dividends to shareholders; the ability and willingness of our customers to meet and/or perform their obligations under any contractual arrangements entered into with us, including master lease arrangements; the ability of our customers to comply with laws, rules and regulations in the operation of the assets we lease to them; the ability and willingness of our customers to renew their leases with us upon their expiration, and the ability to reposition our properties on the same or better terms in the event of nonrenewal or in the event we replace an existing tenant; the adverse impact of litigation affecting us or our customers; our ability to renew, extend or obtain contracts with significant customers (including customers of the businesses we acquire); the availability of and our ability to identify suitable acquisition opportunities and our ability to acquire and lease the respective properties on favorable terms; the risk that we fail to fully realize the potential benefits of acquisitions or have difficulty integrating acquired companies; our ability to generate sufficient cash flows to service our outstanding indebtedness; our ability to access debt and equity capital markets (including to fund required payments pursuant to our settlement with Windstream); the impact on our business or the business of our customers as a result of credit rating downgrades and fluctuating interest rates; our ability to retain our key management personnel; our ability to qualify or maintain our status as a real estate investment trust ("REIT"); changes in the U.S. tax law and other state, federal or local laws, whether or not specific to REITs; covenants in our debt agreements that may limit our operational flexibility; our expectations regarding the effect of the COVID-19 pandemic on our results of operations and financial condition; other risks inherent in the communications industry and in the ownership of communications distribution systems, including potential liability relating to environmental matters and illiquidity of real estate investments; and additional factors described in our reports filed with the U.S. Securities and Exchange Commission.

Uniti expressly disclaims any obligation to release publicly any updates or revisions to any of the forward-looking statements set forth in this press release to reflect any change in its expectations or any change in events, conditions or circumstances on which any statement is based.
