NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

NOTICE IS HEREBY GIVEN that the Annual Meeting of Stockholders (the "Annual Meeting") of Uniti Group Inc., a Maryland corporation (the "Company"), will be held on Thursday, May 26, 2022, at 8:00 a.m. (Eastern time). The Annual Meeting will be completely virtual, which means stockholders will be able to attend the Annual Meeting, vote and submit questions during the live webcast of the Annual Meeting by visiting www.virtualshareholdermeeting.com/UNIT2022.

Items of Business

At the Annual Meeting, holders of our common stock will be asked to consider and vote upon the following proposals, all of which are discussed in greater detail in the accompanying proxy statement:

1. To elect the six director nominees named in the attached proxy statement to serve until the 2023 annual meeting of stockholders and until successors are duly elected or until the earliest of their removal, resignation or death;
2. To approve, on an advisory basis, the compensation of the Company's named executive officers;
3. To approve, on an advisory basis, the frequency of future votes to approve the compensation of the Company's named executive officers;
4. To ratify the appointment of KPMG LLP as the Company's independent registered public accountant for the year ending December 31, 2022; and
5. To transact such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

Only stockholders of record at the close of business on March 25, 2022, the record date for the Annual Meeting, will be entitled to vote at the Annual Meeting and any adjournments or postponements thereof.

We are pleased to take advantage of the rules of the U.S. Securities and Exchange Commission that allow companies to furnish their proxy materials over the Internet. As a result, beginning on April 14, 2022, we began mailing a Notice of Internet Availability of Proxy Materials to our stockholders rather than a full paper set of the proxy materials. The Notice of Internet Availability of Proxy Materials contains instructions on how to access our proxy materials over the Internet, as well as instructions on how stockholders may obtain a paper copy of our proxy materials.

To make it easier for you to vote, both Internet and telephone voting are available. The instructions on the Notice of Internet Availability of Proxy Materials or, if you received a paper copy of the proxy materials, the proxy card, each describe how to use these convenient services.

Your vote is important to us and to our business. Whether or not you plan to participate in the Annual Meeting, we encourage you to read the accompanying proxy statement and submit your proxy or voting instructions as soon as possible.

By Order of the Board of Directors,

Daniel L. Heard
Executive Vice President — General Counsel and
Secretary

Little Rock, Arkansas
April 14, 2022

Corporate Governance Highlights (see page 6)

Uniti is committed to strong corporate governance practices and policies, which promote both the long-term interests of our stockholders and the accountability of the Board of Directors and management. The following table summarizes certain of our corporate governance practices and policies:

✓ Annual election of directors	✓ Active stockholder engagement
✓ Majority voting and resignation policy for director elections	✓ Prohibit hedging and unapproved pledging of our common stock
✓ Independent directors regularly meet without management present	✓ Board is 83% independent (CEO is only management director) and includes two female directors (40% of independent directors)
✓ Board regularly assesses its performance through board and committee self-evaluations	✓ No poison pill
✓ Independent Chairman	✓ Robust stock ownership guidelines

We value an open and active dialogue with our stockholders and we believe that regular communication with our stockholders is vital to our long-term success. We strive to foster strong stockholder relationships that lead to a mutual understanding of issues and approaches. During 2021, members of our management team met and communicated with many of our stockholders to ensure that we fully understand our stockholders' concerns with respect to governance and other matters.

The following table contains information about the six candidates who have been nominated for election to the Board of Directors of Uniti. Each nominee is currently a director of Uniti.

2021 Executive Compensation (see page 21)

Compensation decisions regarding executive compensation are made by the Compensation Committee. The Compensation Committee believes that a sensibly structured, incentive-aligning compensation program is critical to the creation of long-term stockholder value. The following table summarizes certain highlights of our compensation practices:

What We Do:

What We Don't Do:

 Align pay with performance by linking a substantial portion of compensation to the achievement of predefined performance metrics	 Do NOT provide tax gross-ups in any circumstance
 Retain an independent compensation consultant	 Do NOT provide excessive perquisites for executives
 Require compliance with stock ownership guidelines for executives and non-employee directors	 Do NOT provide guaranteed bonuses
 Include double-trigger change-in-control provisions in equity awards	 Do NOT provide discount stock options or stock appreciation rights
 Place caps on incentive award opportunities and conduct annual risk assessment	 Do NOT pay dividends on performance-based restricted stock units prior to vesting
 Maintain a clawback policy	 Do NOT add back to our equity compensation plan reserves any shares tendered as payment for shares withheld for taxes

At the 2021 annual meeting of stockholders, approximately 98% of votes cast in the annual “say-on-pay” vote were in favor of the compensation of the Company’s named executive officers (“NEOs”). In light of this strong support, the Compensation Committee decided to maintain the core design of our compensation program for 2022.

PROXY STATEMENT

This proxy statement (this “Proxy Statement”) is being furnished to stockholders beginning on April 14, 2022 in connection with the solicitation of proxies by Uniti Group Inc. (“Uniti,” “the Company,” “we,” “our” and “us”) to be used at its 2022 annual meeting of stockholders (the “Annual Meeting”) to be held on May 26, 2022 at 8:00 a.m. (Eastern time), and at any postponement or adjournment thereof.

We are excited to once again offer our stockholders a completely “virtual” Annual Meeting. We believe a virtual Annual Meeting provides our stockholders expanded access to participate in the meeting, improves communication between stockholders and management and results in cost savings for the Company and our stockholders. Hosting a virtual meeting enables increased stockholder attendance and participation, because more stockholders can attend and participate in the Annual Meeting, including the ability to vote and ask questions, from almost any location around the world. In addition, hosting a virtual Annual Meeting this year will assist us in protecting the health and well-being of our stockholders, directors and employees in light of the ongoing COVID-19 pandemic. You will be able to attend the Annual Meeting as well as vote and submit your questions during the live webcast of the meeting by visiting www.virtualshareholdermeeting.com/UNIT2022 and entering the control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card or in the instructions that accompanied your proxy materials. **Because the Annual Meeting is entirely virtual and being webcast live over the Internet, stockholders will not be able to attend the Annual Meeting in person.**

Please read this Proxy Statement carefully and then vote your shares promptly by telephone, by Internet or by signing, dating and returning your proxy card.

QUESTIONS AND ANSWERS ABOUT OUR ANNUAL MEETING

Q: What is included in the proxy materials?

A: The Internet version of the proxy materials includes:

- This Proxy Statement for the Annual Meeting; and
- Our 2021 annual report to stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2021, as amended (the “Annual Report”).

If you received a printed copy of these materials by mail, the proxy materials also include a proxy card or a voting instruction form for the Annual Meeting.

Q: What items of business will be conducted at the Annual Meeting?

A: The following matters will be presented for stockholder consideration and voting at the Annual Meeting:

- The election of six nominees to serve as directors of the Company until the 2023 annual meeting of stockholders and until successors are duly elected or until the earliest of their removal, resignation or death (Proposal No. 1);
- An advisory vote to approve the compensation of the Company’s NEOs (Proposal No. 2);
- An advisory vote approving the frequency at which future advisory votes on executive compensation — like Proposal No. 2 above — should be conducted (Proposal No. 3); and
- The ratification of the appointment of KPMG LLP (“KPMG”) as our independent public accounting firm for the year ending December 31, 2022 (Proposal No. 4).

Q: How does the Board of Directors recommend that I vote?

A: The Board recommends you vote:

- **“FOR”** the election of each of the six nominees to serve as directors of the Company (Proposal No. 1);
- **“FOR”** approval of the resolution regarding compensation of the Company’s NEOs (Proposal No. 2);
- in favor of holding future advisory votes to approve the compensation of the Company’s NEOs **“EVERY YEAR”** (Proposal No. 3); and
- **“FOR”** the ratification of the appointment of KPMG as our independent public accounting firm for the year ending December 31, 2022 (Proposal No. 4).

Q: Who is entitled to vote at the Annual Meeting?

A: Each share of Uniti common stock is entitled to one vote on each proposal presented at the Annual Meeting. Holders of record of our common stock at the close of business on March 25, 2022 (the “Record Date” for the Annual Meeting) are entitled to receive notice of the Annual Meeting and to vote their shares of common stock held on that date at the Annual Meeting or any postponements or adjournments of the Annual Meeting. On the Record Date, 236,938,105 shares of common stock of Uniti were outstanding.

Q: How can I attend and participate in the Annual Meeting?

A: Stockholders may attend and participate in the Annual Meeting online by visiting www.virtualshareholdermeeting.com/UNIT2022. The Annual Meeting will begin promptly at 8:00 a.m. (Eastern time). We encourage you to access the Annual Meeting prior to the start time. Online check-in will begin at 7:45 a.m. (Eastern time), and you should allow ample time for the check-in procedures.

While all Uniti stockholders will be permitted to attend the Annual Meeting, only stockholders of record and beneficial owners as of the close of business on the Record Date, March 25, 2022, may vote and ask questions during the Annual Meeting. Stockholders logging into the Annual Meeting with their control number will receive the same rights and opportunities to participate in the Annual Meeting as they would if the Annual Meeting was an in-person meeting, including the ability to vote or ask questions throughout the Annual Meeting. In order to vote or submit a question during the meeting, you will need to follow the instructions posted at www.virtualshareholdermeeting.com/UNIT2022 and will also need the control number included on your Notice of Internet Availability of Proxy Materials or proxy card.

At the end of the meeting, we will allot time for a question and answer session during which we intend to answer questions submitted during the Annual Meeting that are pertinent to the business conducted at the Annual Meeting. We will prioritize questions that relate to the proposals considered at the Annual Meeting, and questions on similar topics may be combined and answered together. Stockholders logging into the Annual Meeting with their control number will be able to ask questions at any time during the Annual Meeting. If you would like to submit a question, you must type the question in the dialog box provided at www.virtualshareholdermeeting.com/UNIT2022 during the Annual Meeting.

Broadridge Financial Solutions, Inc. is hosting the Annual Meeting and, on the date of the Annual Meeting, will be available via telephone at 844-986-0822 (US) or 303-562-9302 (International) to answer your questions regarding how to attend and participate in the Annual Meeting virtually via the Internet.

Q: What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

A: ***Stockholder of record.***

If your shares are registered directly in your name with our transfer agent, EQ Shareowner Services, you are considered the stockholder of record with respect to those shares, and we sent a Notice of Internet Availability of Proxy Materials or a printed set of the proxy materials, together with a proxy card, directly to you.

Beneficial owner of shares held in street name.

If your shares are held in an account at a broker, bank or other nominee, then you are the beneficial owner of those shares held in “street name,” and a Notice of Internet Availability of Proxy Materials or a printed set of the proxy materials, together with a voting instruction form, was forwarded to you by your broker, bank or other nominee who is considered the stockholder of record with respect to those shares. As a beneficial owner, you have the right to instruct your broker, bank or other nominee on how to vote the shares held in your account by following the instructions in the Notice of Internet Availability of Proxy Materials or on the voting instruction form you received.

Q: How can I vote my shares?

A: The process for voting your shares depends on how your shares are held. Generally, as discussed

above, you may hold shares as a “record holder” (that is, in your own name) or in “street name” (that is, through a nominee, such as a broker or bank). As explained above, if you hold shares in “street name,” you are considered to be the “beneficial owner” of those shares.

Voting by record holders. If you are a record holder, you may vote by proxy prior to the Annual Meeting or you may vote during the Annual Meeting by joining the live webcast and following the instructions at www.virtualshareholdermeeting.com/UNIT2022. If you are a record holder and would like to vote your shares by proxy prior to the Annual Meeting, you have three ways to vote:

go to the website www.proxyvote.com and follow the instructions at that website;

call 1-800-690-6903 and follow the instructions provided on the call; or

if you received a proxy card in the mail, complete, sign, date and mail the proxy card in the return envelope provided to you.

Please note that telephone and Internet proxy voting will close at 11:59 p.m. (Eastern time) on May 25, 2022. If you received a proxy card in the mail and wish to vote by completing and returning the proxy card via mail, please note that your completed proxy card must be received before the polls close for voting at the Annual Meeting.

Voting by beneficial owners of shares held in “street name.” If your shares are held in the name of a broker, bank or other nominee (that is, your shares are held in “street name”), you should receive separate instructions from your broker, bank or other nominee describing how to vote.

Q: What constitutes a quorum?

A: The presence at the Annual Meeting, virtually or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum. If a quorum is established, each holder of common stock will be entitled to one vote on each matter to be voted on at the Annual Meeting for each issued and outstanding share of common stock owned on the Record Date. Proxies received but marked as abstentions and broker “non-votes” will be included in the calculation of the number of votes considered to be present at the Annual Meeting and will be counted for quorum purposes. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

Q: How many votes are needed to approve each proposal?

A: The stockholder vote required to approve each proposal is set forth below:

Proposals	Required Approval
1. Election of directors	Majority of Votes Cast for Each Nominee
2. Advisory vote to approve executive compensation	Majority of Votes Cast
3. Advisory vote on the frequency of future advisory votes to approve executive compensation	Majority of Votes Cast
4. Ratification of auditors	Majority of Votes Cast

Director Resignation Policy. In accordance with our bylaws with respect to an uncontested election of directors, a director nominee must receive more votes cast “for” than “against” his or her

election in order to be elected to the Board. Pursuant to our bylaws and Corporate Governance Guidelines, each director promptly following his or her failure to receive a majority of votes cast for his or her election is required to tender a contingent, irrevocable resignation. If this occurs, the Governance Committee will consider such resignation and make a recommendation to the Board regarding whether to accept or reject such resignation. The Board will act on the Governance Committee's recommendation within 90 days of the date the election results are certified and publicly disclose its decision.

Advisory Vote to Approve Executive Compensation. As noted above, approval of the compensation of our NEOs (Proposal No. 2) and approval of a frequency for future stockholder advisory votes to approve executive compensation (Proposal No. 3) require the affirmative vote of a majority of votes cast. These proposals, however, are merely advisory and are not binding on the Company, the Board or its Compensation Committee. Despite the fact these are non-binding, the Board and the Compensation Committee will take the voting results under advisement when making future decisions regarding the Company's executive compensation program and the frequency at which advisory votes to approve executive compensation will be conducted. With respect to Proposal No. 3, if a frequency option does not receive majority support, the option receiving the greatest number of votes will be considered the frequency recommended by the Company's stockholders.

Q: How are proxies voted?

A: All shares represented by valid proxies received prior to the Annual Meeting will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the stockholder's instructions.

Q: What happens if I do not give specific voting instructions?

A: Stockholders of record.

If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions or you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board, then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial owners of shares held in street name.

If you are a beneficial owner of shares held in street name and do not join and vote at the Annual Meeting or provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on such matter with respect to your shares. This is generally referred to as a "broker non-vote."

Q: Which ballot measures are considered "routine" or "non-routine"?

A: The ratification of KPMG as our independent registered public accounting firm for the year ending December 31, 2022 (Proposal No. 4) is considered a routine matter under applicable rules, and no broker non-votes will occur in connection with Proposal No. 4. All other matters to be voted on at the Annual Meeting are considered non-routine matters under applicable rules, and therefore broker non-votes may exist in connection with these proposals.

Q: How are abstentions and broker non-votes counted?

A: Abstentions and broker non-votes will be counted to determine whether there is a quorum present at the Annual Meeting. With respect to each of the proposals presented in this Proxy Statement, abstentions and broker non-votes will not be considered votes cast for voting purposes and will have no effect on such proposals. The effect of abstentions and broker non-votes on each of the proposals presented in this Proxy Statement is as follows:

Proposals	Abstentions	Broker Non-Votes
1. Election of directors	No Effect	No Effect
2. Advisory vote to approve executive compensation	No Effect	No Effect
3. Advisory vote on the frequency of future advisory votes to approve executive compensation	No Effect	No Effect
4. Ratification of auditors	No Effect	Not Applicable

Q: Can I change my vote after I have voted?

A: Yes. You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. After you submit your proxy, you may change your vote via the Internet or by telephone (in which case only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted), by signing and returning a new proxy card or voting instruction form with a later date, or by attending the Annual Meeting and voting. However, your virtual attendance at the Annual Meeting will not automatically revoke your proxy unless you properly vote during the Annual Meeting or specifically request that your prior proxy be revoked by delivering written notice to Uniti's Secretary prior to the Annual Meeting at 2101 Riverfront Drive, Suite A, Little Rock, Arkansas 72202.

Q: What does it mean if I receive more than one proxy card or voting instruction form?

A: If your shares are registered differently, or if they are held in more than one account, you will receive more than one proxy card or voting instruction form. Please follow the instructions on each proxy card or voting instruction form to ensure that all of your shares are voted. Please sign each proxy card exactly as your name appears on the card. For joint accounts, each owner must sign the proxy card. When signing as executor, administrator, attorney, trustee, guardian, etc., please print your full title on the proxy card.

Q: Where can I find the voting results of the Annual Meeting?

A: Uniti will announce preliminary voting results at the Annual Meeting and disclose final results in a Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (the "SEC") within four business days after the Annual Meeting.

BOARD AND BOARD COMMITTEE MATTERS

Our governing documents provide that the Board of Directors must consist of not less than two nor more than nine directors. The number of directors who serve on the Board is currently set at six and may be fixed from time to time by the Board in the manner provided in the Company’s bylaws. The current members of the Board are Jennifer S. Banner, Scott G. Bruce, Francis X. (“Skip”) Frantz (Chairman), Kenneth A. Gunderman, Carmen Perez-Carlton and David L. Solomon. Biographical information regarding each of the current directors is available below under “Proposal No. 1 — Election of Directors.”

Director Independence

The Board has affirmatively determined that all of our directors except Mr. Gunderman qualify as independent directors under applicable Nasdaq listing standards and SEC rules. In making this determination, the Board reviewed each of the director’s relationships, if any, with Uniti and determined that there are no relationships that would impair any director’s ability to exercise independent judgment in carrying out his or her responsibilities as a director.

Meetings of the Board of Directors

During 2021, the Board met seven times and acted by unanimous written consent eight times. All of the directors attended at least 75% of the meetings of the Board and Board committees on which they served during the periods in which they served. Directors are expected to attend each annual meeting of stockholders, and all of the directors then serving on the Board (with the exception of Ms. Perez-Carlton) joined the 2021 annual meeting of stockholders.

Committees of the Board of Directors

The Board has three standing committees: the Audit Committee, the Compensation Committee and the Governance Committee. Each committee has a written charter that is available on our website at www.uniti.com under the “About Us — Corporate Governance” tab (information on the Company’s website is not incorporated by reference herein) and is comprised entirely of directors whom the Board has determined are independent under applicable Nasdaq listing standards and SEC rules. A brief description of the function of each committee is set forth below. Currently the members of each committee are as follows:

Board Member	Committee Memberships		
	Audit	Compensation	Governance
Jennifer S. Banner		—	
Scott G. Bruce			—
Francis X. (“Skip”) Frantz	—		
Kenneth A. Gunderman	—	—	—
Carmen Perez-Carlton		—	
David L. Solomon			—
Number Of Meetings Held In Fiscal 2021	5	5	4

 Member  Chairperson

Audit Committee

Our Audit Committee consists of Ms. Perez-Carlton (Chair), Ms. Banner and Messrs. Bruce and Solomon. Ms. Banner served as chair of the Audit Committee until February 28, 2022. The Board has determined that each member of the Audit Committee is an “audit committee financial expert,” as defined by the rules of the SEC. The primary duties of the Audit Committee include, among other things: (i) overseeing both the external and internal audit processes; (ii) establishing procedures for the receipt of complaints regarding accounting, internal accounting controls or auditing matters; (iii) overseeing and interacting with our independent auditors regarding the auditor’s engagement and/or dismissal, duties, compensation, qualifications and performance; (iv) reviewing and discussing with our independent auditors the scope of audits and our accounting principles, policies and practices; (v) reviewing and discussing our financial statements with our independent auditors and management; (vi) monitoring the ongoing review of the Company’s systems of disclosure controls and procedures and internal control over financial reporting; and (vii) reviewing and approving (or disapproving) related-party transactions.

Compensation Committee

Our Compensation Committee consists of Messrs. Bruce (Chair), Frantz and Solomon. Mr. Solomon served as the chair of the Compensation Committee until February 2021. The Compensation Committee assists the Board in fulfilling its oversight responsibility related to the compensation programs, plans and awards for Uniti’s directors and executive officers. For more information regarding the Compensation Committee, see “Compensation Discussion & Analysis” below in this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee serving during 2021 had any relationship requiring disclosure under the section titled “Relationships and Certain Related Transactions” in this Proxy Statement. During 2021, none of our executive officers served on the compensation committee (or its equivalent) or board of directors of another entity whose executive officer served on either the Compensation Committee or the Board of Directors.

Governance Committee

Our Governance Committee consists of Mr. Frantz (Chair), Ms. Banner and Ms. Perez-Carlton. The Governance Committee’s primary duties include, among other things: (i) establishing and reviewing the criteria for the skills and characteristics required of Board members; (ii) identifying individuals qualified to become directors consistent with the Governance Committee’s membership criteria; (iii) recommending director nominees to the Board for election at each annual meeting of stockholders and to fill vacancies; (iv) reviewing Uniti’s Corporate Governance Guidelines; (v) assisting the Chairman of the Board with an annual evaluation of the Board and its committees; and (vi) annually, in consultation with the Chairman of the Board and our Chief Executive Officer, reviewing management succession plans.

The Governance Committee identifies potential Board candidates through various methods, including recommendations from directors, management and stockholders, and has the sole authority to retain, compensate and terminate search firms to be used to identify director candidates. The Governance Committee periodically reviews, in consultation with our President and Chief Executive Officer, the appropriate skills and characteristics required of Board members in the context of the composition and needs of the Board from time to time. In reviewing potential candidates, the Governance Committee considers applicable Board and Board committee independence requirements imposed by Uniti’s Corporate Governance Guidelines, Nasdaq listing standards and applicable law. The Governance Committee actively seeks candidates with an inquisitive and objective perspective, practical wisdom and mature judgment, who possess high personal and professional ethics, character, integrity and values and who will be committed to representing the long-term interests of the Company’s stockholders. Among the various criteria for selection as a Board member are the level of a potential candidate’s relevant career experience, training and experience at the policy-making level in business, leadership and communication skills, and willingness to devote sufficient time and effort to Board duties. The Governance Committee also seeks

candidates who demonstrate a willingness to evaluate management’s performance objectively and who have no activities or interests that could conflict with their responsibilities to Uniti.

The Governance Committee will consider director candidates recommended by stockholders. To qualify for such consideration, stockholder recommendations must be submitted to the Governance Committee at the address provided below in the section of this Proxy Statement titled “Stockholder Communications with the Board of Directors” and received by the Company’s Secretary no later than 120 calendar days prior to the first anniversary of the mailing date of the proxy statement for the preceding year’s annual meeting. The Governance Committee does not have a specific policy regarding the consideration of stockholder recommendations for director candidates because the Governance Committee intends to evaluate stockholder recommendations in the same manner as it evaluates director candidates recommended by other sources.

Board Leadership Structure

The roles of the Chairman of the Board of Directors and Chief Executive Officer are performed by separate individuals. The Board of Directors believes this leadership structure improves the ability of the Board of Directors to exercise its oversight role over management and ensures a significant role for independent directors in the leadership of Uniti. Having an independent Chairman also strengthens Uniti’s corporate governance structure by allowing the Chairman to convene executive sessions with independent directors.

Executive Sessions

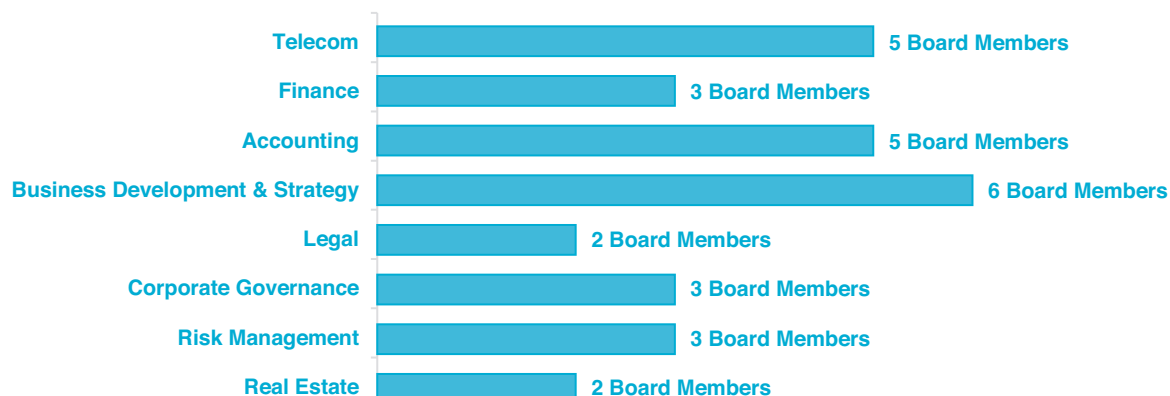

Uniti’s Corporate Governance Guidelines specify that the independent directors of the Board of Directors must meet at regularly scheduled executive sessions without management and that the Chairman of the Board of Directors shall preside at executive sessions of independent directors. During 2021, executive sessions of the independent directors generally occurred at the end of each regular meeting of the Board.

Board Size and Diversity

As set forth in Uniti’s Corporate Governance Guidelines, the Board believes that the Board of Directors should be comprised of four to seven members depending upon the relevant circumstances prevailing from time to time. Six directors currently serve on the Board.

We believe the Board is most effective when it embodies a diverse range of views, backgrounds and experience. Diversity is considered in the broadest sense, including, among other attributes, age, leadership, experience, skills, perspectives, gender, ethnicity and geography. While the Governance Committee does not have a formal policy on diversity with regard to consideration of director nominees, the Governance Committee considers diversity in its selection of nominees and proactively seeks diverse director candidates to ensure a representation of varied perspectives and experience in the boardroom.

We presently have two female directors which, given the small size of the Board, represents 33% of our full Board and 40% of our non-employee directors. Our current Board members’ ages range from 51 to 68. In addition, our current Board members represent a broad range of skills and experience:

Based on the foregoing, the Governance Committee concluded that our current Board members represent a broad range of viewpoints, backgrounds and relevant expertise that aligns with Uniti's long-term strategy.

The table below provides certain highlights of the composition of the Board members and nominees as of April 14, 2022. Each of the categories listed in the below table has the meaning as it is used in Nasdaq Rule 5605(f).

Corporate Social Responsibility

For more details on our corporate citizenship and sustainability efforts, please see our annual 2021 ESG Report which is available on our website, www.uniti.com, under the "About Us — Corporate Responsibility" tab (information on the Company's website is not incorporated by reference herein).

Board and Committee Self-Evaluations

As set forth in Uniti's Corporate Governance Guidelines, the Board and its committees conduct annual self-evaluations to determine whether they are functioning effectively. Each self-evaluation is coordinated by the chairperson of the Board or committee, as applicable, in executive sessions during the last regular meeting of the year. The Board believes that this self-evaluation process is fundamental in supporting continued improvement through thoughtful and comprehensive discussions.

Risk Oversight

The Board maintains an active role, including at the committee level, in overseeing management of the Company's various risk exposures. While the Board is ultimately responsible for overall risk oversight for the Company, certain of the Board's committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee oversees the Company's enterprise risk management and periodically reviews with management and the Company's auditors major financial and auditing risks. Additionally, the Audit Committee oversees the Company's risks related to cybersecurity and data privacy matters and, for that purpose, regularly receives reports from management regarding those risks and countermeasures being undertaken or considered by the Company. The Compensation Committee oversees risks relating to the design and implementation of the Company's compensation policies and procedures.

The Board's discharge of its risk oversight role has not specifically affected its leadership structure discussed above. Rather, in establishing the current leadership structure, risk oversight was one factor among many considered. The Board will regularly review its leadership structure and evaluate whether it, and the Board as a whole, is functioning effectively. If in the future the Board believes that a change in its leadership structure is required to, or potentially could, improve the Board's risk oversight role, it may make any change it deems appropriate.

Code of Business Conduct and Ethics & Whistleblower Policy

Our Code of Business Conduct and Ethics & Whistleblower Policy confirms our commitment to conduct our affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics and seeks to identify and mitigate conflicts of interest between our directors, officers and employees, on the one hand, and Uniti on the other hand. The Code of Business Conduct and Ethics & Whistleblower Policy applies to ensure compliance with stock exchange requirements and to ensure accountability at a senior management level for that compliance. We intend that the spirit, as well as the letter, of the Code of Business Conduct and Ethics & Whistleblower Policy be followed by all of our directors, officers, employees and subsidiaries. This is communicated to each new officer, director and employee. Any waiver of our Code of Business Conduct and Ethics & Whistleblower Policy with respect to our executive officers and directors may only be authorized by the Board of Directors. Our Code of Business Conduct and Ethics & Whistleblower Policy is available on our website, www.uniti.com, under the "About Us — Corporate Governance" tab (information on the Company's website is not incorporated by reference herein).

Hedging Policy

All employees, officers and directors of the Company are prohibited from engaging in any transaction in derivative securities that reflects speculation about the price of Company securities (i.e., exchange traded options, whether puts or calls) or any transaction in Company securities that may place their financial interests against the financial interests of the Company. For instance, employees, officers and directors may not sell Company securities "short," which would allow them to profit from a decline in the price of the Company stock.

Director Compensation

In November 2020, the Compensation Committee modified the non-employee director compensation program. Starting in 2021, the non-employee director compensation program consisted of: (i) an annual cash retainer of \$100,000; (ii) a one-time, at-election restricted stock grant of \$100,000 that vests ratably in equal installments over four years; (iii) an annual restricted stock grant of \$150,000 subject to one-year vesting; (iv) an additional annual cash retainer of \$150,000 for the Chair of the Board of Directors; (v) annual restricted stock grants of \$25,000, \$20,000 and \$15,000 for the Chairs of the Audit, Compensation and Governance Committees, respectively, each subject to one-year vesting; and (vi) annual restricted stock grants of \$12,500, \$10,000 and \$7,500 for non-chair members of the Audit, Compensation and Governance Committees, respectively, each subject to one-year vesting. The number of time-based restricted shares granted to the non-employee directors during 2021 was based on the average closing price of our common stock as reported on Nasdaq for the 20 trading days prior to the grant date.

The following table shows the compensation paid to our non-employee directors during 2021:

<u>Name</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Stock Awards \$(1)</u>	<u>All Other Compensation (\$)</u>	<u>Total (\$)</u>

Compensation Philosophy

Our current compensation program includes annual base salaries, annual short-term cash incentive opportunities, and long-term equity awards. Our executive compensation program is intended to support the following objectives:

- align pay with performance through the use of variable incentives (84%, 76.5% and 70.6% variable for CEO, former CFO and General Counsel, respectively, in our 2021 annual compensation program);
- reinforce key business objectives in support of long-term value creation;
- align management’s interests with the long-term interests of our stockholders;
- provide compensation and incentives at or near the 50th percentile of market data provided by our compensation consultant; and
- discourage unnecessary risk taking.

To further these objectives, we adhere to the following compensation and corporate governance practices:

What We Do:

What We Don’t Do:

✓	Align pay with performance by linking a substantial portion of compensation to the achievement of predefined performance metrics	✗	Do NOT provide tax gross-ups in any circumstance
✓	Retain an independent compensation consultant	✗	Do NOT provide excessive perquisites for executives
✓	Require compliance with stock ownership guidelines for executives and non-employee directors	✗	Do NOT provide guaranteed bonuses
✓	Include double-trigger change-in-control provisions in equity awards	✗	Do NOT provide discount stock options or stock appreciation rights
✓	Place caps on incentive award opportunities and conduct an annual risk assessment	✗	Do NOT pay dividends on performance-based restricted stock units prior to vesting

How We Structured the 2021 Compensation Program

Compensation Committee. Our Compensation Committee is currently comprised of Messrs. Bruce (Chair), Solomon and Frantz. Mr. Solomon served as Chair of the Compensation Committee until February 2021. Our Board of Directors has determined that each member of the Compensation Committee is an independent director under Nasdaq listing standards and a “non-employee director” for purposes of Section 16 of the Securities Exchange Act of 1934.

The Compensation Committee oversees and administers our compensation programs, plans and awards for Uniti’s directors and executive officers and is primarily responsible for reviewing and approving (or recommending to the Board of Directors for approval) our compensation policies and the compensation paid to our executive officers. The Compensation Committee’s responsibilities are set forth in its written charter that is available on our website at www.uniti.com under the “About Us — Corporate Governance” tab.

With respect to our 2021 compensation program, the Compensation Committee reviewed and approved the compensation opportunities for Messrs. Gunderman, Wallace and Heard with input from its independent compensation consultant, Pearl Meyer & Partners, LLC (“Pearl Meyer”). In approving such compensation, the Compensation Committee focused on a number of metrics to evaluate our performance, in addition to elements of strategic performance, as discussed below. The Compensation Committee also consulted with Pearl Meyer in connection with Mr. Bullington’s appointment as interim CFO and subsequent appointment as CFO on a non-interim basis.

Management. Our CEO provides performance context and recommendations based on the analysis supplied by Pearl Meyer regarding the compensation arrangements for the NEOs, other than himself. While the Compensation Committee values the judgment and input from the CEO, and considers his recommendations, the Compensation Committee ultimately retains sole discretion to approve the compensation packages for each executive officer.

Independent Consultant. The Compensation Committee has the authority to retain and terminate any compensation consultant, legal counsel or other adviser as it determines appropriate to assist it in the performance of its responsibilities and to approve such consultant’s fees and other retention terms. It is the policy of the Compensation Committee that the compensation consultant should not perform any services for us other than services as a consultant to the Compensation Committee.

The Compensation Committee engaged Pearl Meyer to assist in the review and design of our 2021 executive compensation program after considering its experience in assisting both telecommunications companies and other REITs in designing competitive, well-balanced compensation programs that align the interests of management and stockholders. Pearl Meyer assisted the Compensation Committee in reviewing the Company’s existing short- and long-term compensation programs and structuring awards under such programs, provided data on current compensation “best practices” and trends in the REIT industry, and assisted with a review of the Company’s peer group for use in structuring our 2021 executive compensation program. A description of the process and rationale utilized for selecting our 2021 peer group is described below.

Pearl Meyer reports directly to the Compensation Committee and regularly participates in committee meetings. Prior to engagement, the Compensation Committee reviewed the independence of Pearl Meyer pursuant to the applicable SEC rules and concluded no conflict of interest exists that would preclude Pearl Meyer from serving as an independent advisor to the Compensation Committee.

Competitive Market Analysis; Formulation of Peer Group. In designing our 2021 executive compensation program, the Compensation Committee, with the assistance of Pearl Meyer and senior management, gathered and reviewed information about the compensation program and processes of other publicly traded REITs (the “Peer Group”). In selecting the Peer Group, the Compensation Committee and Pearl Meyer considered many factors, focusing particularly on REITs with comparable revenues and enterprise values to Uniti and net-lease REITs that focus on unique market segments or niches and/or

employ a similar business model to Uniti. Management assisted Pearl Meyer and the Compensation Committee in the process by providing additional REIT-industry insight. Applying these criteria, Pearl Meyer recommended, and the Compensation Committee approved, inclusion of the following companies in the Peer Group:

Peer Group for Evaluating Fiscal 2021 Executive Compensation

Alexandria Real Estate Equities, Inc.	Omega Healthcare Investors Inc.
Digital Realty Trust Inc.	Realty Income Corporation
EPR Properties	Retail Properties of America, Inc.
Gaming and Leisure Properties, Inc.	SBA Communications Corporation
Medical Properties Trust Inc.	Spirit Realty Capital, Inc.
National Retail Properties, Inc.	W. P. Carey Inc.

The Compensation Committee decided to maintain the peer group for 2021 (unchanged from 2020) given it still represents our competitive market for talent and to revisit appropriateness in 2022.

To provide additional perspective, the Compensation Committee also reviews, with the assistance of Pearl Meyer, pay levels for comparable positions within the broader REIT industry, as reported in the NAREIT Compensation Survey. Peer Group compensation data and data for size-appropriate companies collected from the NAREIT survey were blended to create composite market values for each position (the “Market Data”). In determining appropriate pay opportunities for our NEOs, the Compensation Committee also considers a variety of other factors in addition to the Market Data, such as each executive’s qualifications, responsibilities, past performance and expected future contributions.

2021 Target Total Direct Compensation. In designing our 2021 executive compensation program, the Compensation Committee reviewed each NEO’s base salary, annual target cash incentives and annual target long-term incentives (which we refer to as “Target Total Direct Compensation”) against the Market Data, targeting such compensation at or near the 50th percentile. Mr. Bullington’s Target Total Direct Compensation was not reviewed against the Market Data for 2021, but the Compensation Committee consulted with Pearl Meyer in connection with Mr. Bullington’s appointment as interim CFO and subsequent appointment as CFO on a non-interim basis. His compensation as an interim CFO was based on market trends for internal, interim CFO appointments. His compensation package as CFO on a non-interim basis was designed with a goal of approximating his compensation starting in 2022 consistent with the Company’s compensation philosophy.

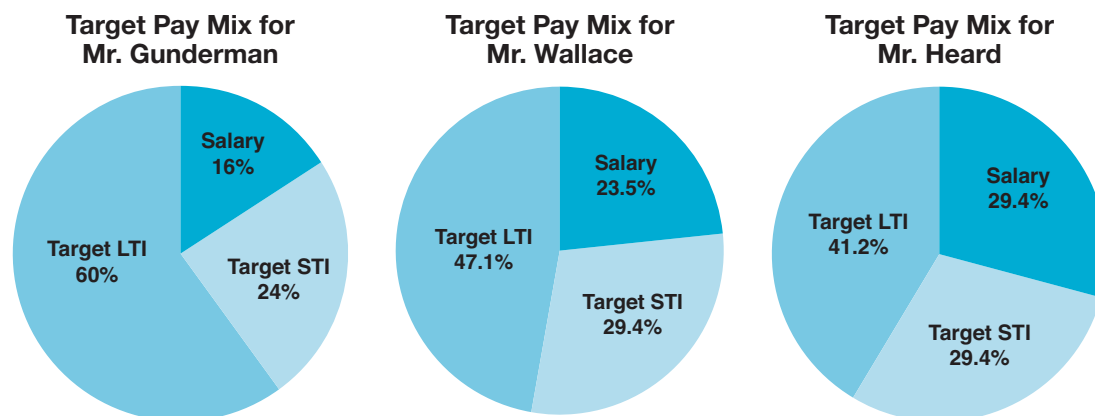

The Target Total Direct Compensation of Messrs. Gunderman, Heard and Wallace in 2021 were as follows:

Name	Target Total Direct Compensation
Kenneth A. Gunderman	\$4,531,250
Daniel L. Heard	\$1,360,000
Mark A. Wallace	\$2,018,750

Target Total Direct Compensation set forth above for Messrs. Gunderman, Wallace and Heard approximated the median of the Market Data on both an individual role basis as well as for the entire NEO group.

Compensation Mix. Because of the ability of executive officers to directly influence the overall performance of the Company, and consistent with our philosophy of linking pay to performance, it is our goal to allocate a significant portion of compensation paid to our executive officers to performance-based, short- and long-term incentive programs. In addition, as an executive officer’s responsibility and ability to affect financial results of the Company increase, base salary will become a smaller component of total

compensation and long-term, equity-based compensation will become a larger component of total compensation, further aligning the executive officer's interests with those of the Company and its stockholders. The following charts illustrate the mix of Target Total Direct Compensation for Messrs. Gunderman, Wallace and Heard based on compensation opportunities provided in fiscal year 2021.

Variable pay represents 84% of Target Total Direct Compensation for Mr. Gunderman, 76.5% for Mr. Wallace and 70.6% for Mr. Heard.

Results of Stockholder Advisory Vote on Executive Compensation. At the 2021 annual meeting of stockholders, we held our annual “say-on-pay” vote pursuant to which stockholders were given the opportunity to approve the compensation of the Company’s NEOs. Approximately 98% of votes cast on the proposal were in favor of our executive compensation. In light of this strong support, the Compensation Committee decided to maintain the core design of our compensation program for 2021. The Compensation Committee plans to evaluate and consider the outcome of each annual advisory vote on executive compensation, in addition to various other factors, when making future compensation decisions.

Elements of 2021 Compensation

The Company’s executive compensation program consists of:

- annual base salary;
- annual performance incentive payments; and
- equity-based compensation.

Annual Base Salaries. Base salaries for the NEOs were initially established in connection with their hiring based on the executive’s position, responsibilities, personal expertise and experience, internal pay equity, and the Market Data. The Compensation Committee views base salary as the fixed compensation necessary to attract and retain qualified executives and to provide a reasonable base level of compensation for the executives’ ongoing performance throughout the year. Annual base salaries are a key component of an NEO’s total compensation as both short- and long-term incentive payments are calculated as a multiple of base salary. The executive officers’ base salaries are subject to annual review and adjustment to ensure that an NEO’s Target Total Direct Compensation is at or near the 50th percentile of the Market Data. As an executive’s responsibilities and ability to affect the financial results of the Company increase, base salary becomes a smaller component of total compensation and long-term, equity-based compensation becomes a larger component, further aligning the executive’s interests with those of our stockholders.

The following table sets forth the base salaries for the NEOs for 2020 and 2021. As illustrated, the Compensation Committee elected to make no base salary adjustments in 2021 for those executive officers that were NEOs in 2020.

Name	2020 Base Salary	2021 Base Salary
Kenneth A. Gunderman	\$725,000	\$725,000
Paul Bullington	N/A	\$440,000
Daniel L. Heard	\$400,000	\$400,000
Mark A. Wallace	\$475,000	\$475,000

Interim CFO Stipend. As discussed below in the section titled “Chief Financial Officer Transition,” Mr. Bullington received a monthly stipend of \$15,000 during his term as interim CFO and Treasurer. Mr. Bullington received \$52,306 of stipend payments in 2021, which are reported in the Salary column of the Summary Compensation Table.

Short-Term Incentives. The Company maintains the Uniti Group Inc. Annual Short-Term Incentive Plan (the “Plan”), which permits the Compensation Committee to award and pay cash bonuses to officers, employees and consultants of the Company or any of its subsidiaries or affiliates. The Plan is designed to motivate, attract and retain qualified officers, consultants and other key employees and to promote the alignment of such persons’ interests with those of the Company’s stockholders. The Plan provides the Compensation Committee authority to construe and interpret the Plan, make rules and regulations relating to the administration of the Plan, designate eligible persons to receive awards, establish the terms and conditions of the awards, select performance criteria and goals for awards and determine if and to what extent such goals have been satisfied and make all other determinations necessary or advisable for the administration of the Plan.

2021 Cash Incentive Opportunities. In February 2021, the Compensation Committee approved award opportunities under the Plan for our executive officers, payable upon the attainment of certain company-wide performance goals during 2021 (the “2021 STIP”). The following table sets forth the target cash incentive opportunities for the NEOs under the 2021 STIP:

Name	Target Cash Incentive⁽¹⁾	
	% of Base Salary	Amount
Kenneth A. Gunderman	150%	\$1,087,500
Paul Bullington	100%	\$ 143,000 ⁽²⁾
Daniel L. Heard	100%	\$ 400,000
Mark A. Wallace	125%	\$ 593,750

(1) No payout is earned under the 2021 STIP for below-threshold performance. The threshold and maximum incentive opportunities for each NEO under the 2021 STIP (expressed as a percentage of base salary) are as follows:

	Threshold	Maximum
Kenneth A. Gunderman	75%	225%
Paul Bullington	50%	150%
Daniel L. Heard	50%	150%
Mark A. Wallace	75%	175%

(2) Mr. Bullington succeeded to the company-wide performance goals previously approved for Mr. Wallace under the 2021 STIP, with any payout prorated based on Mr. Bullington’s tenure as CFO. This amount reflects the prorated portion of his target cash incentive opportunity.

The Compensation Committee set the award opportunities for Messrs. Gunderman, Wallace and Heard with the goal of maintaining Target Total Direct Compensation at the median of the Market Data. Mr. Gunderman’s award opportunities are greater than the other NEOs in light of his role and responsibility as CEO and his greater ability to affect financial results of the Company relative to the other NEOs. As previously discussed, Mr. Bullington’s Target Total Direct Compensation for fiscal year 2021 was not reviewed against the Market Data for 2021.

Awards under the 2021 STIP were based on company-wide financial performance measures as discussed in greater detail below. The Compensation Committee selected the specific financial measures because they are each consistent with Uniti’s overall strategy and are among the most important and closely followed measures of our performance by the investing community and our stockholders. Each NEO has threshold, target and maximum cash incentive opportunities that are aligned with threshold, target and maximum performance outcomes, with linear interpolation between the specified levels. The Compensation Committee utilized the following quantitative measures of Company financial performance in the 2021 STIP:

Performance Measure	Weighting	Description
Consolidated AFFO	25%	Represents consolidated funds from operations, adjusted to exclude the impact of certain non-cash revenues and expenses, capital markets and merger and acquisition transactions and similar items, for the year ended December 31, 2021 as publicly reported. A reconciliation of Consolidated AFFO to net income is included in Appendix A to this Proxy Statement.
Capital Expenditures	15%	Represents non-Growth Capital Improvement net capital expenditures measured on an accrual basis based on pre-approved costs as part of annual operating plan (i.e., contractual, maintenance, special projects, etc.), excluding projects subsequently approved but not in the annual operating plan.
Consolidated Bookings	15%	New monthly recurring revenue bookings across all product lines.
Consolidated Installations	15%	New monthly recurring revenue from new service installations, excluding bandwidth upgrades.
Consolidated SG&A	30%	Represents selling, general, and administrative expenses across entire company, excluding stock-based compensation expense.

The table below sets forth the performance goal levels, as well as actual results, for each performance measure described above:

Performance Measures	Threshold	Target	Maximum	Actual Results⁽¹⁾
Consolidated AFFO	\$407.5M	\$413.9M	\$419.5M	\$430.3M
Capital Expenditures	\$150.0M	\$139.9M	\$130.0M	\$150.5M ⁽²⁾
Consolidated Bookings	\$2.5M	\$2.9M	\$3.3M	\$3.4M
Consolidated Installations	\$2.4M	\$2.7M	\$3.0M	\$2.3M ⁽³⁾
Consolidated SG&A	\$102.0M	\$97.5M	\$93.0M	\$87.3M

- (1) In connection with certifying the performance results under the 2021 STIP, the Compensation Committee exercised discretion to adjust the actual results of Capital Expenditures and Consolidated Installations for all 2021 STIP participants (including the NEOs) other than CEO.
- (2) The results for Capital Expenditures was adjusted by \$.5M to bring performance in line with the

threshold performance goal for Capital Expenditures. This adjustment was made to account for approximately \$8.8M of success-based capital expenditures not included in the 2021 annual operating plan for projects that were expected to be completed in 2022 but were accelerated and completed in 2021.

- (3) The results for Consolidated Installations was adjusted by \$.4M to bring performance in line with the target performance goal for Consolidated Installations. This adjustment was made to account for (i) installations previously scheduled for 2021 that were delayed by customers for reasons outside of management’s control and (ii) installations previously scheduled for 2022 that were completed in 2021.

2021 Payouts. For 2021, each NEO earned a performance-based cash award based on the weighted achievement of corporate financial measures. As reflected in the table above, the Company exceeded the maximum performance goal for Consolidated AFFO, was less than the threshold performance goal for Capital Expenditures for the CEO (but met threshold for all other 2021 STIP participants), exceeded the maximum performance goals for Consolidated Bookings, was less than the threshold performance goals for Consolidated Installations for the CEO (but met target for all other 2021 STIP participants), and exceeded the maximum performance goal for Consolidated SG&A.

Based on such performance, the following table shows the actual payouts to the NEOs under the 2021 STIP:

Name	Actual Payout	% of Target Cash Incentive Opportunity
Kenneth A. Gunderman	\$1,141,875	105%
Paul Bullington	\$ 182,365	128%
Daniel L. Heard	\$ 510,112	128%

Mr. Bullington’s actual payout reflects a prorated amount based on his tenure as CFO beginning on September 9, 2021. Mr. Wallace’s was not paid out under the 2021 STIP because his employment with Uniti was terminated effective as of September 13, 2021.

Other Bullington Compensation. As discussed below in the section titled “Chief Financial Officer Transition,” in connection with his appointment as interim CFO and Treasurer, Mr. Bullington was eligible to receive a discretionary cash bonus of up to \$10,000 per month based on performance and the term of his interim appointment, subject to Compensation Committee approval. In February 2022, the Compensation Committee approved a discretionary cash bonus payout to Mr. Bullington of \$40,000 in recognition of his service as interim CFO and Treasurer, which is reported in the Bonus column of the Summary Compensation Table.

Prior to his appointment to serve as the CFO on a non-interim basis, Mr. Bullington was eligible to receive a performance bonus (target of 70% of his then-current base salary) in connection with his role as Senior Vice President of Strategic Operations of Uniti Fiber, payable upon the attainment of certain performance goals during 2021. Upon his appointment to serve as CFO on a non-interim basis, the Compensation Committee determined to pro-rate Mr. Bullington’s prior award for based on his tenure as SVP, Strategic Operations of Uniti Fiber. Based on actual performance, Mr. Bullington received a pro-rated amount of his prior incentive award equal to \$103,161 which is reported in the All other Compensation column of the Summary Compensation Table.

Equity-Based Compensation. The Uniti Group Inc. 2015 Equity Incentive Plan, as amended and restated effective March 28, 2018 (the “Long-Term Incentive Plan”), permits us to make grants of equity awards to our employees, including our executive officers. We make equity grants to our executive officers as part of our annual compensation program to align their long-term interests with that of our stockholders and to maintain the competitiveness of our total compensation package. As noted later in this CD&A, our NEOs are subject to robust stock ownership guidelines to reinforce a focus on long-term shareholder

value creation. It is the Compensation Committee’s policy to review and grant all annual equity compensation awards to directors, executive officers, and all other eligible employees at its first regularly scheduled meeting of each year, which it expects to occur in February of each year, with each such grant based on the average closing price of our common stock as reported on Nasdaq for the 20 trading days prior to the grant date.

During 2021, we granted time-based restricted stock and performance-based restricted stock units (PBRsUs) to our executive officers. Holders of time-based restricted stock are entitled to dividends when paid by the Company and PBRsUs accrue a dividend equivalent that is paid in cash when and solely to the extent that the underlying PBRsUs vest. The Compensation Committee believes restricted stock and PBRsUs are a more meaningful tool for compensating our executive officers as compared to stock options because the value of our stock, as is the case with other REITs, is principally determined by its dividend yield relative to market interest rates rather than by its potential for capital appreciation. Because the incentive value of stock options is tied to future appreciation in stock price and because the high dividend rate of REIT stocks tends to diminish the potential future appreciation in the price of such stocks, the Compensation Committee believes stock options may not provide appropriate incentives for management. The Compensation Committee also views restricted stock and PBRsUs as being more effective in managing equity plan dilution.

During 2021, we made equity grants to Messrs. Gunderman, Wallace and Heard, of which (i) 50% was in the form of PBRsUs that are eligible for vesting in February 24, 2024 if we meet specified relative total shareholder return (“TSR”) performance goals, as further described below, and (ii) 50% was in the form of time-based restricted stock that vests in three equal installments on February 24 of each year, beginning on February 24, 2022. The target value of the equity awards granted to our NEOs in 2021 was as follows:

Name	Target Value of Restricted Shares and PBRsUs (\$)
Kenneth A. Gunderman	\$2,718,750
Mark A. Wallace	\$ 950,000
Daniel L. Heard	\$ 560,000

For fiscal year 2021, Mr. Bullington did not participate in the annual equity compensation program for Uniti’s other NEOs due to his mid-year appointment as CFO, but he did participate in Uniti’s annual equity compensation program for other employees. The grant date fair value of equity awards granted to Mr. Bullington equaled \$170,389.

The actual amount of the PBRsUs granted in 2021 that may be earned and become vested will be between 0% and 200% of the target amount, depending on our achievement of relative TSR over a three-year period from February 24, 2021 to February 24, 2024. In measuring our relative TSR, 50% will be weighted to our performance against the Peer Group, and 50% will be weighted to our performance against a select group of other publicly traded telecommunications companies (the “Telecom Peer Group”), in each case measured by percentile ranking. Specifically, the metrics for the three-year performance cycle ending February 24, 2024 are:

Performance Criteria	Weight	Below Threshold	Threshold	Target	Maximum
TSR position within the Peer Group	50%	<33 rd percentile	33 rd percentile	50 th percentile	>75 th percentile
TSR position within the Telecom Peer Group ⁽¹⁾	50%	<33 rd percentile	33 rd percentile	50 th percentile	>75 th percentile
Payout Opportunity		0% of Target	50% of Target	100% of Target	200% of Target

(1) The Telecom Peer Group is comprised of the following companies: American Tower Corporation, ATN International, Inc., Lumen Technologies, Consolidated Communications Holdings, Inc., Crown Castle International Corp., Frontier Communication Corporation, and Landmark Infrastructure Partners LP. The Telecom Peer Group is identical to the publicly traded

telecommunications company peer group used for equity grants in 2020, except that Windstream Holdings, Inc. and Zayo Group Holdings, Inc. were both removed because they are no longer publicly-traded companies.

Threshold, target and maximum performance result in the executive officers earning 50%, 100% or 200% of the target number of PBRsUs associated with each component, with linear interpolation between specified levels. No performance shares are earned for below-threshold performance, and payout is capped at 200% of target even if performance exceeds the maximum goal.

The number of time-based restricted shares and PBRsUs granted during 2021 were both based on the average closing price of our common stock as reported on Nasdaq for the 20 trading days prior to the grant date. Under SEC rules, for purposes of this Proxy Statement we are required to value these awards using different calculations in the compensation tables following this CD&A. For ease of reference, the table below reconciles the values of these awards from the amount reported in this CD&A to the amounts reported in the compensation tables.

Name	Award Amount (at target level)	Grant Date Fair Value (as reported in the Summary Compensation Table)
Kenneth A. Gunderman	\$2,718,750	\$3,137,527
Mark A. Wallace ⁽¹⁾	\$ 950,000	\$1,096,334
Daniel L. Heard	\$ 560,000	\$ 646,259

(1) Mr. Wallace's employment with Uniti was terminated effective as of September 13, 2021, and he was not paid out under the Long-Term Incentive Plan for fiscal year 2021.

While the Short-Term Incentive Plan is designed to incentivize our executive officers to achieve specific near-term financial and operational performance goals, the Long-Term Incentive Plan's incentive opportunity is designed to focus our executive officers on long-term performance by linking a substantial portion of an NEO's compensation to the long-term stability and success of our Company. The Compensation Committee believes that the equity awards granted in 2021 appropriately align the long-term interests of our executive officers with that of our stockholders. The Compensation Committee further believes that equity compensation is a critical tool in attracting and retaining qualified executives who we believe are integral to our success.

Other Benefit Plans. Similar to all of our employees, executive officers are entitled to receive health, welfare, and life insurance and 401(k) retirement benefits from Uniti, and are entitled to participate in the Uniti Group Inc. Employee Stock Purchase Plan. The Company also maintains the Uniti Group Inc. Deferred Compensation Plan, a non-qualified deferred compensation plan that offers participants the ability to defer compensation above the IRS qualified plan limits. Amounts deferred under the plan accrue interest at the lesser of the Company's weighted average cost of capital or the then current yield on the United States 10 year Treasury Note. As of December 31, 2021, the applicable rate under the plan was 1.514%. The Compensation Committee adopted such plan as part of its effort to provide a competitive total compensation package.

Severance and Change-in-Control Provisions. Our executive officers have entered into agreements or are otherwise eligible to participate in broad-based company severance policies that provide for severance benefits upon qualifying termination of employment, including enhanced severance if the termination occurs in connection with a change in control. These agreements and policies are described below under "Agreements with our Named Executive Officers." We believe the arrangements are reasonable and were an important part of the recruitment and expected long-term retention of our executive management team.

Chief Financial Officer Transition. On May 20, 2021, the Company announced that Mr. Wallace would be taking a leave of absence for an undetermined duration. In connection with Mr. Wallace's leave of absence, Mr. Bullington was appointed to serve as interim CFO and Treasurer. In connection with his

interim appointment, Mr. Bullington's base compensation opportunities and benefits in effect at the time of his appointment remained unchanged, but he received a monthly stipend of \$15,000 during the term of his appointment and was eligible to receive a discretionary cash bonus of up to \$10,000 per month based on performance and the term of his interim appointment.

Mr. Bullington was appointed to serve as the CFO on a non-interim basis effective September 9, 2021, and Mr. Wallace's employment with Uniti was terminated effective as of September 13, 2021. In connection with his appointment on a non-interim basis, Mr. Bullington received an increase in his annual base salary to \$440,000 per year and became eligible to participate in the 2021 STIP with threshold, target and maximum award opportunities of 50%, 100% and 150% of his new base salary payable upon the attainment of the company-wide performance goals (including applicable weighting) previously approved for Mr. Wallace, with any payout prorated based on Mr. Bullington's tenure as CFO. Beginning in 2022, Mr. Bullington is eligible to participate in the annual equity compensation program for Uniti's NEOs, with an initial target equity grant valued at up to 150% of his base salary (or such higher amount as may be determined by the Compensation Committee).

In connection with the termination of his employment, Mr. Wallace was provided with certain compensation and benefits, including, any earned but unpaid compensation through the date of his termination, severance payments equal to one and a half times the sum of his base salary and the average of the short-term cash incentive plan bonuses paid to him during the last three completed fiscal years and his health, vision and dental insurance benefits for eighteen months. These severance payments were made subject to Mr. Wallace's execution of a waiver and release and continued compliance with certain covenants set forth therein, including one-year post-termination non-disclosure, non-compete and non-interference covenants. In addition, 92,168 time-based restricted shares held by Mr. Wallace immediately vested pursuant to the Long-Term Incentive Plan and the applicable grant agreements thereunder, and our Board of Directors approved the acceleration and immediate vesting, based on actual performance as of August 31, 2021, of 119,193 of Mr. Wallace's PBRsUs (and the payment of \$125,170.98 in dividend equivalents related thereto), representing a prorated number of PBRsUs held by Mr. Wallace based on the number of days Mr. Wallace was employed by the Company between the date of grant of each outstanding PBRsUs and his termination date.

Clawback Policy. We maintain a clawback policy (the "Clawback Policy") that may require an executive officer to repay or forfeit certain compensation in the event that our financial statements become subject to restatement and the Audit Committee determines (i) that fraud caused or significantly contributed to the need for the restatement, regardless of whether the executive officer engaged in such conduct, (ii) that the compensation was based on the achievement of financial results that were the subject of the restatement and would have been lower had the financial results been properly reported and (iii) that it is in the best interests of us and our stockholders for the executive officer to repay or forfeit the compensation. The Clawback Policy applies to annual or short-term incentive compensation, performance-based equity grants, and other performance-based compensation, in each case granted or awarded during the three fiscal years preceding the restatement, and any other compensation as the Audit Committee of our Board of Directors may designate as subject to the Clawback Policy. We will periodically review our clawback policy and amend it as necessary to comply with any future mandates from the SEC.

Risk Considerations in our Overall Compensation Program

The Compensation Committee has assessed the risks that could arise from our compensation policies for all employees, including employees who are not officers, and has concluded that such policies are not reasonably likely to have a material adverse effect on us. To the extent that our compensation programs create a potential misalignment of risk incentives, the Compensation Committee believes that it has adequate compensating controls to mitigate against the potential impact of any such misalignment. These compensating controls include robust stock ownership guidelines, the Clawback Policy, capped incentive award opportunities, a three-year vesting cycle for equity-based compensation and oversight by the Compensation Committee.

Stock Ownership Guidelines

We believe that share ownership by our directors and senior officers helps to align their interests with our stockholders' interests. We have adopted minimum stock ownership guidelines applicable to our directors and executive officers. Directors who are not executive officers are expected to maintain beneficial ownership of shares of our common stock valued at \$500,000. Our executive officers are expected to maintain beneficial ownership of shares of our common stock with a value equal to the following:

Officer	Ownership Level
Chief Executive Officer	five times base salary
Other Officers	three times base salary

Directors and executive officers have a transition period of five and four years, respectively, from their initial election (or from the first annual meeting of stockholders following their election) to meet the applicable ownership guidelines and, thereafter, one year (measured from the date of each annual meeting) to meet any increased ownership requirements resulting from changes in stock price, annual retainer, annual base salary, or applicable ownership levels occurring since the initial deadline. During the transition period and until the director or officer satisfies the specified ownership levels, the guidelines require that each officer and director retain 100% of the shares received, net of tax payment obligations, upon the vesting of any stock or equity awards granted to such director or officer. For the purposes of the guidelines, stock options and unvested shares or units of restricted stock are not considered to be owned.

The table below sets forth the applicable ownership guideline amount for each of our directors standing for election at the Annual Meeting and executive officers and the number of shares of common stock that each such officer or director is deemed to own under the guidelines as of March 25, 2022.

Name	Guideline Share Amount	Shares Owned
Jennifer S. Banner	20,947	72,278
Scott G. Bruce	20,687	94,796
Paul Bullington	—	34,855
Francis X. ("Skip") Frantz	20,947	228,263
Kenneth A. Gunderman	344,582	478,075
Daniel L. Heard	43,988	90,651
Carmen Perez-Carlton	62,814	42,226
David L. Solomon	20,947	72,090

The applicable ownership guideline amount reflected in the table above for Ms. Banner and Messrs. Frantz, Heard and Solomon are calculated in accordance with the stock ownership guidelines based upon the closing price on the date of the 2016 annual meeting of stockholders, \$23.87. On the date of the 2021 annual meeting of stockholders, the applicable ownership guideline amount for Mr. Gunderman was recalculated based on his then-current salary and the closing price on such date, \$10.52. The applicable ownership guideline amount for Mr. Heard was previously scheduled to be recalculated on the date of the 2021 annual meeting of stockholders, but the Compensation Committee has determined to delay recalculation until the date of the Annual Meeting. The applicable ownership guideline amounts for Ms. Banner and Messrs. Frantz and Solomon will also be recalculated as of the date of the Annual Meeting. The applicable ownership guideline amount reflected in the table above for Mr. Bruce is calculated in accordance with the stock ownership guidelines based upon the closing price on the date of the 2017 annual meeting of stockholders, \$24.17. The applicable ownership guideline amount reflected in the table above for Ms. Perez-Carlton is calculated in accordance with the stock ownership guidelines based upon the closing price on the date of the 2020 annual meeting of stockholders, \$7.96. Ms. Perez-Carlton will have until the 2025 annual meeting of stockholders to meet the applicable ownership guidelines.

Pursuant to the stock ownership guidelines, the applicable ownership guidelines for a newly appointed director or executive officer is determined at the first stockholder meeting following his or her appointment. Accordingly, the applicable ownership guidelines for Mr. Bullington will be decided at the Annual Meeting, and he will have until the 2027 annual meeting of stockholders to meet the applicable ownership guidelines.

- (1) The amounts included in this column reflect the aggregate grant date fair value calculated in accordance with FASB ASC Topic 718 for restricted stock and performance-based restricted stock unit (PBR SU) awards granted during 2021. The fair values in this column reflect the expected future cash flows of dividends and therefore dividends on unvested shares are not separately disclosed. The assumptions used in the calculation of the amounts shown are included in Note 13 to our audited consolidated financial statements, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021. Additional information regarding the Long-Term Incentive Plan is discussed in further detail in the Compensation Discussion & Analysis under the heading “Elements of 2021 Compensation — Equity-Based Compensation.”

The grant date fair values of PBR SUs are based upon the probable levels of achievement of the performance goals related to those awards. The resulting number of PBR SUs that vest, if any, depends on whether we achieve the specified level of performance with respect to the performance measures tied to these awards. The grant date fair values of PBR SUs are reported in the table above at target payout, representing the probable outcome of performance conditions as calculated at the time of grant, which is less than the maximum possible payout. The table below shows the grant date fair values of the PBR SUs granted to each NEO during fiscal year 2021 at the probable payout and the maximum payout that would result if the highest levels of performance goals are achieved.

Name	Grant Date Fair Value of PBR SUs (Probable Payout) (\$)	Grant Date Value of PBR SUs (Maximum Payout) (\$)
Kenneth A. Gunderman	1,841,498	2,592,057
Paul Bullington	0	0
Daniel L. Heard	379,307	533,904
Mark A. Wallace	643,468	905,733

- (2) The amounts in this column reflect the cash incentive awards earned for 2021 pursuant to the 2021 STIP. The 2021 STIP payouts are discussed in further detail in the Compensation Discussion & Analysis under the heading “Elements of 2021 Compensation — Short-Term Incentives.”
- (3) The amounts reflected in this column represent the sum of all other compensation received by the NEOs and are comprised of (i) company matching contributions under Uniti's 401(k) plan for Messrs. Gunderman, Bullington, Heard and Wallace of \$11,600, \$11,600, \$11,600 and \$10,565,

respectively, (ii) imputed income for value over \$50,000 of life insurance coverage provided by Uniti, (iii) cell phone allowances for all NEOs except Mr. Bullington, (iv) Mr. Bullington's prorated bonus (\$103,161) related to Mr. Bullington's tenure as Senior Vice President for Strategic Operations of Uniti Fiber, which is discussed in the Compensation Discussion & Analysis under the heading "Elements of 2021 Compensation — Short Term-Incentives — Other Bullington Compensation" and (v) compensation and benefits paid to Mr. Wallace as a result of the termination of his employment as discussed in further detail in footnotes below.

- (4) During his term as interim CFO and Treasurer, Mr. Bullington received a monthly stipend of \$15,000. This amount includes \$312,511 of base salary and \$52,306 of stipend payments.
- (5) This amount includes compensation and benefits paid during 2021 as a result of the termination of Mr. Wallace's employment, including severance payments (\$509,022), accelerated equity (\$2,860,182, including dividend equivalents paid on accelerated PBRsUs), and health, vision and dental insurance benefits (\$3,697), all of which are more fully discussed in the Compensation Discussion & Analysis under the heading "Elements of 2021 Compensation — Chief Financial Officer Transition." The remainder of Mr. Wallace's severance payments and health, vision and dental insurance benefits will be paid in 2022 and 2023, as applicable.

Pay Ratio Disclosure. In 2021, the total compensation of our CEO was \$5,029,407, and the total compensation of our median employee was \$88,158. The total compensation of our CEO was approximately 57 times that of the median employee. For purposes of calculating the pay ratio disclosure, our CEO's annual total compensation was determined to be \$5,029,407, which represents the sum of Mr. Gunderman's annual total compensation as reflected in the Summary Compensation Table plus the employer portion of his health insurance premiums of \$10,963.

We have chosen to identify a new median employee for purposes of calculating and disclosing our 2021 pay ratio. We identified the new median employee using actual W-2 compensation of all employees who were employed as of December 31, 2021, including full-time, part-time, seasonal and temporary employees (other than our CEO). Our total number of employees as of December 31, 2021 was 760. After identifying the median employee, we calculated the annual total compensation for the median employee using the same methodology we used for calculating our CEO's annual total compensation for purposes of calculating the pay ratio disclosure as discussed above.

- (1) The amounts reported in these columns represent potential performance-based cash bonuses that each NEO could have earned based upon the Company's achievement of certain quantitative performance criteria set forth in the 2021 STIP. For further discussion regarding these quantitative metrics, see the information regarding the 2021 STIP under the heading "Elements of 2021 Compensation — Short-Term Incentives." Based on the Company's 2021 performance, the Compensation Committee awarded performance-based cash bonus payouts under the 2021 STIP to Messrs. Gunderman, Bullington and Heard at 105%, 128% and 128% of their target cash payout levels, respectively, which amounts are included in the "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table above. In connection with the termination of his employment on September 13, 2021, the performance-based cash bonus potentially payable to Mr. Wallace under the 2021 STIP was forfeited.
- (2) The amounts reported in these columns represent potential share payouts with respect to PBRUSU awards under the Long-Term Incentive Plan made in connection with the 2021 annual equity grant program. PBRUSU awards will vest, if at all, at the end of the three-year performance period based on the Company's achievement of metrics related to relative TSR over a three-year period ending February 24, 2024. Threshold, target or maximum performance will result in the NEOs earning 50%, 100% or 200% of the target number of the PBRUSUs, respectively. In connection with the termination of Mr. Wallace's employment on September 13, 2021, the Board approved the acceleration and immediate vesting, based on actual performance as of August 31, 2021, of a prorated number of PBRUSUs (and the payment of dividend equivalents related thereto) based on the number of days Mr. Wallace was employed by the Company between the date of grant of each outstanding PBRUSU and his termination date subject to his execution of the waiver and release.
- (3) The amounts reported in this column represent time-based restricted stock awards under the Long-Term Incentive Plan made in connection with the 2021 annual equity grant program. The reported restricted stock grants will vest in three equal installments on February 24 of each year, beginning on February 24, 2022, subject to continued employment at each vesting date. Mr. Bullington did not participate in the Long-Term Incentive Plan made in connection with the 2021 annual equity grant program for the other NEOs due to his mid-year appointment as CFO. Instead, Mr. Bullington did participate in Uniti's annual equity compensation program for other employees, and the amount in this column represents the equity awards granted to Mr. Bullington under that program.

- (4) The amounts reported in this column reflect the aggregate grant date fair value calculated in accordance with FASB ASC Topic 718 for restricted stock and PBRSU awards granted during 2021 pursuant to the Long-Term Incentive Plan. The fair values in this column reflect the expected future cash flows of dividends and therefore dividends on unvested shares are not separately disclosed. The assumptions used in the calculation of the amounts shown are included in Note 13 to our audited consolidated financial statements, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021. Additional information regarding the Long-Term Incentive Plan is discussed in further detail in the Compensation Discussion & Analysis under the heading “Elements of 2021 Compensation — Equity-Based Compensation.”

- (2) In connection with the termination of his employment on September 13, 2021, all outstanding awards held by Mr. Wallace were either accelerated and immediately vested or forfeited and therefore he had no outstanding equity awards at December 31, 2021.
- (3) The following table sets forth the vesting schedule of the shares reported in this column for each NEO (rounded to the nearest whole number), which shares are subject to time-based vesting only and do not require the achievement of any corporate or individual performance targets to vest:

- (4) This value was determined by multiplying the number of unvested shares or units by the closing price of our common stock as reported on Nasdaq on December 31, 2021, which was \$14.01.
- (5) These amounts represent outstanding and unvested awards of PBRsUs (at max) granted in 2019 scheduled to vest, if at all, based on the Company's achievement of metrics related to relative TSR over a three-year period ending April 4, 2022. In measuring our relative TSR, 50% is weighted to our performance against the Peer Group, and 50% is weighted to our performance against

the Telecom Peer Group, in each case measured by percentile ranking. As a result of actual performance, all of the shares reported vested.

- (6) These amounts represent outstanding and unvested awards of PBRsUs (at max) granted in 2020 scheduled to vest, if at all, based on the Company's achievement of metrics related to relative TSR over a three-year period ending March 4, 2023. In measuring our relative TSR, 50% is weighted to our performance against the Peer Group, and 50% is weighted to our performance against the Telecom Peer Group, in each case measured by percentile ranking.
- (7) These amounts represent outstanding and unvested awards of PBRsUs (at target) granted in 2021 scheduled to vest, if at all, based on the Company's achievement of metrics related to relative TSR over a three-year period ending February 24, 2024. In measuring our relative TSR, 50% is weighted to our performance against the Peer Group, and 50% is weighted to our performance against the Telecom Peer Group, in each case measured by percentile ranking, as further discussed in the Compensation Discussion & Analysis under the heading "Elements of 2021 Compensation — Equity-Based Compensation."

- (2) There were no “above-market earnings” for 2021 and therefore none of these amounts were included in the Summary Compensation Table.

The Uniti Group Inc. Deferred Compensation Plan (the “Plan”) permits eligible employees, including the Company’s NEOs, to defer payment of up to 75% of their base salary and 90% of their annual bonuses and other cash compensation. Each participant’s account is credited annually with interest at a rate equal to the lesser of (i) the Company’s Weighted Average Cost of Debt (as defined in the Plan) or (ii) the then current yield on the United States 10-year Treasury Note. A participant’s interest in Company contributions will vest 100% after three years of service, or, if earlier, upon the employee’s death or disability, upon a Change in Control (as defined in the Plan) or upon the Plan’s termination.

Agreements with Our Named Executive Officers

Employment Agreement with Kenneth A. Gunderman

On December 14, 2018, we entered into an employment agreement with Mr. Gunderman (the "Employment Agreement") pursuant to which he will continue to serve as our President and Chief Executive Officer and as a member of our Board of Directors. The Employment Agreement replaced Mr. Gunderman's previous employment agreement, the initial term of which expired on December 31, 2018. The initial term of the Employment Agreement ran through December 31, 2021. It automatically renewed for fiscal year 2022, and it will automatically renew for successive one-year intervals after 2022 unless either party gives the other at least 90 days' notice. The Employment Agreement provides Mr. Gunderman a base salary of no less than \$725,000 per year (subject to periodic review and increase) and provides further that he will be eligible to participate in any annual cash incentive plans as may be then implemented with a target bonus equal to 150% of his then base salary. The target bonus may be increased to 200% of his then base salary at the discretion of the Compensation Committee.

The Employment Agreement provides that should Mr. Gunderman's employment be terminated for any reason, then we will pay to Mr. Gunderman his base salary and any accrued vacation pay through the date of termination and any amount payable under any incentive compensation plan with respect to the measuring period ending immediately prior to the measuring period during which the termination occurs, in each case to the extent not already paid. Additionally, the Employment Agreement provides that in the event:

- Mr. Gunderman is terminated due to death or disability, we will pay to Mr. Gunderman or his heirs an amount equal to one times his annual base salary;
- we terminate Mr. Gunderman without "cause" or he resigns for "good reason" (as both terms are defined in the Employment Agreement), then we will pay to Mr. Gunderman the following amounts: (i) a lump-sum severance benefit equal to two and a half times the sum of his annual base salary and the average of the annual bonus payments paid to Mr. Gunderman under an annual compensation plan during the three years preceding the year in which the termination occurs; and (ii) a lump-sum cash amount equivalent to the cost of two years' health and dental insurance continuation for him and his family; and
- we terminate Mr. Gunderman without cause or he resigns for good reason, in each case within one year of a "change in control" (as defined in the Employment Agreement), then we will pay to Mr. Gunderman, in a lump sum, the following amounts: (i) a pro-rata annual bonus for the year of termination at target; (ii) a severance benefit equal to two and a half times the sum of (x) the higher of his annual base salary in effect prior to the change in control or his annual base salary in effect prior to his termination and (y) the average of the annual bonus payments paid to Mr. Gunderman under an annual compensation plan during the three years preceding the year in which the termination occurs; and (iii) an amount equivalent to the cost of two years' health and dental insurance continuation for him and his family.

No severance payable following a change in control is subject to gross-up for golden parachute excise taxes, and the severance payable to Mr. Gunderman will be reduced to the amount that is not subject to such taxes if doing so would result in a greater after-tax payment to him. In the event Mr. Gunderman is terminated without cause or resigns for good reason, including within one year of a change in control, the severance payable to Mr. Gunderman will be subject to his execution of a release of claims. The Employment Agreement also imposes one-year post termination non-competition/non-solicitation obligations in the event of Mr. Gunderman's termination for cause or following a change in control and two-year post termination non-competition/non-solicitation obligations in the event of all other termination scenarios contemplated by the Employment Agreement.

Severance Agreement with Daniel L. Heard

On December 30, 2020, we entered into a severance agreement with Mr. Heard (the “Severance Agreement”), the terms of which continue until the earliest of (i) prior to a change in control, the date of termination determined in accordance with the Severance Agreement or December 31, 2022, or (ii) after a change in control, the Company’s performance of its obligations under the Severance Agreement if a payment trigger has occurred or the expiration of the period for a payment trigger to occur if such expiration occurs after December 31, 2022.

The Severance Agreement provides that should Mr. Heard’s employment be terminated by the Company for “cause” or by him without “good reason” (as both terms are defined in the Severance Agreement), we must pay to Mr. Heard his base salary and any accrued vacation pay through the date of termination. Additionally, should Mr. Heard’s employment be terminated due to his death or disability, we must pay to Mr. Heard or his estate the following: (i) his base salary and any accrued vacation pay through the date of termination; (ii) any incentive compensation allocated to, accrued to, earned by or awarded to Mr. Heard for a completed performance period preceding the date of termination, to the extent not already paid; and (iii) an amount equal to Mr. Heard’s annual base salary in effect on the date of termination.

The Severance Agreement also provides that should Mr. Heard’s employment be terminated by the Company without cause or by Mr. Heard for good reason and such termination does not occur at the same time or within one year following a change in control of the Company, we must pay to Mr. Heard, in lieu of any other post-termination benefits, the following:

- his base salary and any accrued vacation pay through the date of termination;
- any incentive compensation that has been earned by or awarded to Mr. Heard for a completed performance period preceding the date of termination, to the extent not already paid;
- an amount equal to one and a half times the sum of (x) his then current annual base salary and (y) the average of the bonus payments paid to Mr. Heard during the three years (or shorter period, as applicable) preceding the year in which the date of termination occurs; and
- his health, vision and dental insurance benefits for twelve months.

Finally, should Mr. Heard’s employment be terminated by the Company without cause or by Mr. Heard with good reason and such termination occurs at the same time as or within one year following a change in control of the Company, The Severance Agreement obligates the Company to pay or provide to Mr. Heard the following:

- his base salary and any accrued vacation pay through the date of termination;
- any incentive compensation that has been earned by or awarded to Mr. Heard for a completed performance period preceding the date of termination, to the extent not already paid;
- a pro-rated portion of Mr. Heard’s then-current target incentive compensation, reduced by any amount paid for the fiscal year during which the date of termination occurs;
- an amount equal to two times the sum of (x) his annual base salary in effect immediately prior to the change in control or payment trigger, whichever is higher and (y) the average of the bonus payments paid to Mr. Heard during the three years (or shorter period, as applicable) preceding the year in which the date of termination occurs;
- his health, vision and dental insurance benefits for twenty-four months; and
- certain outplacement services.

We will pay or provide the foregoing in the manner set forth in the Severance Agreement.

In the event that certain payments or benefits under the Severance Agreement would be subject to an excise tax under Section 4999 of the Internal Revenue Code, as amended, then such payments or benefits may be reduced in the manner set forth in the Severance Agreement.

We are only obligated to pay or provide, or continue to pay or provide, benefits for termination by the Company without cause or by Mr. Heard for good reason prior to a change in control or certain benefits following a change in control to the extent that Mr. Heard executes a waiver and release in the form set forth in the Severance Agreement and otherwise remains in compliance with certain covenants set forth therein. The Severance Agreement includes one year post-termination non-disclosure, non-compete and non-interference covenants.

Severance Agreement with Mark A. Wallace

On December 30, 2020, we entered into a severance agreement with Mr. Wallace, the terms of which were identical to the Severance Agreement described above. Mr. Wallace's employment was terminated effective as of September 13, 2021, and Mr. Wallace was provided the severance payments discussed in the Compensation Discussion & Analysis under the heading "Elements of 2021 Compensation — Chief Financial Officer Transition."

Uniti Group Inc. Severance Policy

Mr. Bullington has not entered into a severance agreement with the Company and instead is subject to the Company's broad-based, tiered severance policy (the "Company Severance Policy") that provides eligible employees with certain post-employment severance payments. Pursuant to the Company Severance Policy, upon a termination without "cause" (as defined by the Company Severance Policy), Mr. Bullington will be entitled to a lump-sum severance amount equal to his annual base salary. In addition, pursuant to the Severance Policy, the company may, in its sole and absolute discretion, pay a pro-rated portion of either Mr. Bullington's target incentive bonus or actual incentive bonus based on actual achievement.

Potential Payments upon Termination or Change in Control

As discussed in the section above titled "Agreements with Our Named Executive Officers," we are required to pay or provide certain compensation and benefits to each of the NEOs in the event of certain terminations of employment or a change in control of the Company.

In addition to such compensation and benefits, each NEO's outstanding equity awards are subject to accelerated vesting in the event the NEO is terminated. In the event that an NEO is terminated without "cause" (as defined in the Long-Term Incentive Plan), terminates his employment for "good reason" (as defined in the Long-Term Incentive Plan) or dies or becomes permanently disabled (as determined by the Compensation Committee), all unvested restricted stock will vest in full. In addition, a pro-rated portion of unvested restricted stock held by an NEO would vest based on the date of termination in the event that the NEO experiences a Company-approved retirement (as determined in the sole discretion of the Compensation Committee). A pro-rated portion of unvested PBRsUs based on an NEO's date of termination would remain eligible to vest subject to achievement of the relevant performance criteria in the event the NEO is terminated without "cause" (as defined in the Long-Term Incentive Plan), terminates his employment for "good reason" (as defined in the Long-Term Incentive Plan), dies or becomes permanently disabled (as determined by the Compensation Committee), or experiences a Company-approved retirement (as determined in the sole discretion of the Compensation Committee). In the event that an NEO is terminated without cause or terminates his employment for good reason within one year of a "change in control" of Uniti (as defined in the Long-Term Incentive Plan), all PBRsUs will vest in full.

The following tables describe estimated amounts of compensation and benefits that could be payable to each NEO upon certain terminations or a change in control. All amounts assume the NEOs terminated employment as of December 31, 2021. The actual amounts that would be paid to each NEO upon termination of employment or a change in control can only be determined at the time the actual triggering event occurs. The estimated amounts of compensation and benefits described below are in addition to the benefits the NEOs would be entitled to receive upon termination of employment generally under the retirement plan described in the section above titled “Other Benefit Plans.” This section identifies and quantifies the extent to which those retirement benefits are enhanced or accelerated upon the triggering events described below.

The actual amount of compensation and benefits paid to Mr. Wallace as a result of the termination of his employment is described in the Compensation Discussion & Analysis under the heading “Elements of 2021 Compensation — Chief Financial Officer Transition” and, to the extent paid in 2021, reported in the Summary Compensation Table.

PROPOSAL NO. 2

Advisory Vote to Approve Compensation of the Company's Named Executive Officers

In accordance with Section 14A of the Securities Exchange Act of 1934 (the "Exchange Act"), the Company requests that our stockholders cast a non-binding, advisory vote to approve the compensation of the Company's NEOs identified in the section titled "Executive Compensation" set forth above in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our NEOs' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we ask our stockholders to vote "**FOR**" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders hereby approve the compensation of the Company's NEOs, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion & Analysis, the Summary Compensation Table and the other related tables and disclosures."

Details concerning how we implement our compensation philosophy and structure our compensation programs to meet the objectives of our compensation program are provided in the section titled "Compensation Discussion & Analysis" set forth above in this Proxy Statement. In particular, we discuss how we design performance-based compensation programs and set compensation targets and other objectives to maintain a close correlation between executive pay and Company performance.

This vote is merely advisory and will not be binding upon the Company, the Board or the Compensation Committee, nor will it create or imply any change in the fiduciary duties of the Board or the Compensation Committee. The Compensation Committee will, however, take into account the outcome of the vote when considering future executive compensation decisions. The Board values constructive dialogue on executive compensation and other significant governance topics with the Company's stockholders and encourages all stockholders to vote their shares on this important matter.

The Company's current policy is to provide stockholders with an opportunity to approve the compensation of the Company's NEOs each year at the annual meeting of stockholders. Accordingly, the next such vote is expected to occur at the 2023 Annual Meeting of Stockholders.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "**FOR**" PROPOSAL NO. 2.

PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED "**FOR**" PROPOSAL NO. 2 UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE.

PROPOSAL NO. 3

Advisory Vote on Frequency of Future Advisory Votes on Executive Compensation

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company requests that our stockholders cast a non-binding, advisory vote regarding the frequency with which we should include in future annual proxy statements a stockholder advisory vote to approve the compensation of our NEOs, similar to Proposal No. 2 above. By voting on this proposal, stockholders may indicate whether they would prefer that the Company provide for such a stockholder advisory vote at future annual meetings every year, every two years or every three years. Stockholders were last asked to vote on the frequency of such votes at the 2016 Annual Meeting of Stockholders. Consistent with the Board of Directors' recommendation at that meeting, the Company's stockholders recommended that we hold annual advisory votes to approve executive compensation, which we have done since 2016.

After careful consideration, the Board determined that providing a stockholder advisory vote to approve the compensation of our NEOs every year is the most appropriate alternative for the Company at this time. In formulating its recommendation, the Board determined that an annual advisory vote on NEO compensation will allow stockholders to provide their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement on a more timely and consistent basis than if the vote were held less frequently. Additionally, an annual advisory vote on executive compensation is consistent with our policy of seeking regular dialogue with our stockholders on corporate governance matters and our executive compensation philosophy, policies and practices.

Stockholders of the Company will have the opportunity to specify one of four choices for this proposal: (1) every year, (2) every two years, (3) every three years or (4) abstain. Stockholders are not voting to approve or disapprove of the Board of Directors' recommendation. Rather, stockholders are being asked to express their preference regarding the frequency of future advisory votes on executive compensation. If none of the frequency options receives majority support, the option receiving the greatest number of votes cast will be considered the frequency recommended by the Company's stockholders.

While we intend to carefully consider the voting results of this proposal, this vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors.

The next required advisory vote on the frequency of future advisory votes to approve the compensation of our Named Executive Officers (like this Proposal No. 3) will occur no later than our 2028 Annual Meeting of Stockholders.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR A FREQUENCY OF "**EVERY YEAR**" WITH RESPECT TO PROPOSAL NO. 3.

PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED FOR A FREQUENCY OF "**EVERY YEAR**" ON PROPOSAL NO. 3 UNLESS STOCKHOLDERS SPECIFY A CONTRARY CHOICE.

PROPOSAL NO. 4

Ratification of Selection of Independent Registered Public Accounting Firm

The Audit Committee is directly responsible for the appointment, compensation, retention, oversight and replacement of Uniti's independent registered public accountant. The Audit Committee has selected KPMG LLP ("KPMG") to serve as Uniti's independent registered public accounting firm for the fiscal year ending December 31, 2022. Stockholders are being asked to ratify the selection of KPMG at the Annual Meeting. Representatives of KPMG are expected to attend the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and are expected to be available to respond to appropriate questions.

In connection with its responsibility for the appointment and oversight of Uniti's independent registered public accountant, the Audit Committee annually reviews the qualifications, performance and independence of the independent registered public accountant and determines whether to re-engage it or consider other audit firms. The Audit Committee also reviews the performance of the independent registered public accountant's lead engagement partner and engagement team and confirms compliance with all applicable lead engagement partner rotation requirements. The Audit Committee intends to be involved in the selection process of each new lead engagement partner.

In performing its annual review of Uniti's independent registered public accountant, the Audit Committee considers, among other things, the quality and efficiency of the independent registered public accountant's performance on Uniti's audit, its familiarity with our operations, businesses, accounting policies and practices, and internal control over financial reporting, its capability and expertise, the quality and candor of communications and discussions with the independent registered public accountant, its ability to remain independent (including engaging in dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor), external data relating to audit quality and performance (including its most recent PCAOB Inspection Report and its internal and peer review reports of its adherence to quality practices and procedures), and the appropriateness of fees charged.

Change in Independent Registered Public Accounting Firm. PricewaterhouseCoopers LLP ("PwC") served as our independent registered public accounting firm for the fiscal year ended December 31, 2019. On March 16, 2020, the Audit Committee dismissed PwC as the Company's independent registered public accounting firm.

PwC's audit report as of and for the years ended December 31, 2019 and 2018 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle, except that PwC's reports for the years ended December 31, 2019 and 2018 included an explanatory paragraph indicating that there was substantial doubt about the Company's ability to continue as a going concern.

During the years ended December 31, 2019 and 2018 and the subsequent interim period through March 16, 2020, there were (i) no "disagreements" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K) between the Company and PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the subject matter of the disagreement in its reports on the financial statements for such years, and (ii) no "reportable events" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K), except as disclosed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019, the Company identified a material weakness in its internal control over financial reporting related to the identification and valuation of certain assets in the application of the acquisition method of accounting for asset acquisitions, including the determination of appropriate useful lives for certain assets. Specifically, our controls over the development and application of inputs, assumptions and calculations used in fair value measurements were not designed and operating effectively at an appropriate level of precision.

On March 16, 2020, following the conclusion of a process managed by the Company's Audit Committee, the Audit Committee approved the appointment of KPMG as the Company's independent registered public accounting firm beginning with the year ending December 31, 2020. During the Company's years ending December 31, 2019 and 2018 and through March 16, 2020, neither the Company, nor anyone on its behalf, consulted KPMG regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was the subject of a "disagreement" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K) or "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

In accordance with Instruction 2 to Item 304 of Regulation S-K, the Company furnished PwC and KPMG a copy of the disclosures required by Item 304(a) of Regulation S-K prior to the time this Proxy Statement was filed with the SEC. In the event that PwC or KPMG believed the disclosures were incorrect or incomplete, each was permitted to express its views in a brief statement to be included in this Proxy Statement. Neither submitted such a statement.

Based on the reviews and considerations referred to above, the Board of Directors and the Audit Committee believe that the retention of KPMG to serve as Uniti's independent registered public accountant for 2022 is in the best interests of Uniti and its stockholders. If the stockholders fail to ratify the appointment of KPMG as Uniti's independent registered public accountant, the Board of Directors will reconsider the appointment. However, even if the selection is ratified, the Audit Committee, in its sole discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Uniti and its stockholders.

Accounting Fees and Services. Aggregate fees paid to KPMG for professional services rendered during the years ended December 31, 2021 and December 31, 2020, respectively, were:

	<u>2021</u>	<u>2020</u>
Audit Fees (a)	\$2,958,599	\$4,532,691
Audit-Related Fees (b)	—	\$ 70,219
Tax Fees	—	\$ 48,451
All Other Fees (c)	—	—
Total	\$2,958,599	\$4,651,361

- (a) Audit fees include fees for the annual audit and quarterly reviews of the consolidated financial statements as well as consents in respect to SEC filings.
- (b) Audited-related fees include fees for assurance and related services that are reasonably related to the performance of the audit or review of the registrant's financial statements, and accounting and financial reporting consultations.

The Audit Committee has the sole authority to pre-approve all audit engagement fees and terms as well as all non-audit engagements with KPMG. In 2021 and 2020, all of the above services (provided by KPMG) were pre-approved by the Audit Committee in accordance with this pre-approval policy and none were approved pursuant to the *de minimis* exception provided in Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "**FOR**" PROPOSAL NO. 4.

PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED "**FOR**" PROPOSAL NO. 4 UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE.

Relationships and Certain Related Transactions

Our Relationship with Windstream

On April 24, 2015, Uniti was separated and spun-off from Windstream and, in connection therewith, Windstream contributed certain telecommunications network assets, including certain of its fiber and copper networks, to Uniti. The current Chief Financial Officer of Windstream (Bob Gunderman) is the brother of our President and Chief Executive Officer (Kenneth Gunderman).

In connection with the spin-off and while we were still controlled by Windstream, Uniti entered into a long-term triple-net master lease with Windstream (the “Master Lease”) to lease back the telecommunications network assets now owned by Uniti.

On February 25, 2019, Windstream filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court for the Southern District of New York. On July 25, 2019, in connection with Windstream’s bankruptcy, Windstream Holdings and Windstream Services, LLC (“Windstream Services”) filed a complaint with the U.S. Bankruptcy Court for the Southern District of New York in an adversary proceeding against Uniti and certain of its affiliates, alleging, among other things, that the Master Lease should be recharacterized as a financing arrangement, that certain rent payments and tenant capital improvements made by Windstream under the Master Lease constitute constructive fraudulent transfers, that the Master Lease is a lease of personal property and that Uniti breached certain of its obligations under the Master Lease.

On September 21, 2020, Windstream emerged from bankruptcy. In connection with Windstream’s emergence from bankruptcy, Uniti entered into several agreements and consummated the transactions, each as described below, to implement its settlement of the above-mentioned litigation (the “Settlement”) with Windstream pursuant to the settlement agreement (the “Settlement Agreement”) dated as of May 12, 2020 between Uniti and Windstream. The Settlement resolves any and all claims and causes of action that have been or may be asserted in the future by Uniti and Windstream regarding the Spin-off and related sale-leaseback transaction, including all litigation brought against Uniti by Windstream and certain of its creditors during Windstream’s bankruptcy proceedings. The release from claims applies to any Windstream successor and is binding going forward, including in any future Windstream bankruptcy.

Pursuant to the Settlement Agreement, Uniti is obligated to make \$490.1 million in cash payments to Windstream in equal installments over 20 consecutive quarters beginning the first month after Windstream's emergence (of which Uniti has made five payments as of March 31, 2022 totaling \$215.4 million). In addition, on October 14, 2021, Uniti prepaid four installments for a total of \$92.9 million.

On September 18, 2020, in connection with Windstream's emergence from bankruptcy and the implementation of our settlement with Windstream, Uniti and Windstream bifurcated the Master Lease and entered into two structurally similar master leases (the "Windstream Leases") that each expire on April 30, 2030. During 2021, Uniti recorded approximately \$730.5 million in cash rent and non-cash revenue under the Windstream Leases. The annual rent to be paid by Windstream during 2022 will be approximately \$668.9 million.

Pursuant to the Windstream Leases, Windstream (or any successor tenant under a Windstream Lease) has the right to cause Uniti to reimburse up to an aggregate \$1.75 billion for certain growth capital improvements in long-term fiber and related assets made by Windstream (or the applicable tenant under the Windstream Lease) to certain ILEC and CLEC properties (the "Growth Capital Improvements"). Uniti's reimbursement commitment for Growth Capital Improvements does not require Uniti to reimburse Windstream for maintenance or repair expenditures (except for costs incurred for fiber replacements to the CLEC MLA leased property, up to \$70 million during the term), and each such reimbursement is subject to underwriting standards. Uniti's total annual reimbursement commitments for the Growth Capital Improvements under both Windstream Leases (and under separate equipment loan facilities) are limited to \$125 million in 2020; \$225 million per year in 2021 through 2024; \$175 million per year in 2025 and 2026; and \$125 million per year in 2027 through 2029. If the cost incurred by Windstream (or the successor tenant under a Windstream Lease) for Growth Capital Improvements in any calendar year exceeds the annual limit for such calendar year, Windstream (or such tenant, as the case may be) may submit such excess costs for reimbursement in any subsequent year and such excess costs shall be funded from the annual commitment amounts in such subsequent period. In addition, to the extent that reimbursements for Growth Capital Improvements funded in any calendar year during the term is less than the annual limit for such calendar year, the unfunded amount in any calendar year will carry-over and may be added to the annual limits for subsequent calendar years, subject to an annual limit of \$250 million in any calendar year, except that, during calendar year 2021, Uniti's combined total obligation to fund Growth Capital Improvements may exceed \$250 million to the extent of any unfunded excess amounts from calendar year 2020. As of March 31, 2022, Uniti had reimbursed Windstream for \$354.4 million in growth capital improvements pursuant to the Windstream Leases.

Starting on the first anniversary of each installment of reimbursement for a Growth Capital Improvement, the rent payable by Windstream under the applicable Windstream Lease will increase by an amount equal to 8.0% (the "Rent Rate") of such installment of reimbursement. The Rent Rate will thereafter increase to 100.5% of the prior Rent Rate on each anniversary of each reimbursement. In the event that the tenant's interest in either Windstream Lease is transferred by Windstream under the terms thereof (unless transferred to the same transferee), or if Uniti transfers its interests as landlord under either Windstream Lease (unless to the same transferee), the reimbursement rights and obligations will be allocated between the ILEC MLA and the CLEC MLA by Windstream, provided that the maximum that may be allocated to the CLEC MLA following such transfer is \$20 million per year. If Uniti fails to reimburse any Growth Capital Improvement reimbursement payment or equipment loan funding request as and when it is required to do so under the terms of the Windstream Leases, and such failure continues for thirty (30) days, then such unreimbursed amounts may be applied as an offset against the rent owed by Windstream under the Windstream Leases (and such amounts will thereafter be treated as if Uniti had reimbursed them).

The rent for the first year of each renewal term will be an amount agreed to by us and Windstream. While the agreement requires that the renewal rent be "Fair Market Rent," if we are unable to agree, the renewal Fair Market Rent will be determined by an independent appraisal process. Commencing with the second year of each renewal term, the renewal rent will increase at an escalation rate of 0.5%.

In addition, Uniti and Windstream have entered into separate ILEC and CLEC Equipment Loan and Security Agreements (collectively "Equipment Loan Agreement") in which Uniti will provide up to \$125 million

(limited to \$25 million in any calendar year) of the \$1.75 billion of Growth Capital Improvements commitments discussed above in the form of loans for Windstream to purchase equipment related to network upgrades or to be used in connection with the Windstream Leases. Interest on these loans will accrue at 8% from the date of the borrowing. All equipment financed through the Equipment Loan Agreement is the sole property of Windstream; however, Uniti will receive a first-lien security interest in the equipment purchased with the loans. No such loans were made to Windstream during 2021.

On September 9, 2020, and in furtherance of the Settlement Agreement, Uniti entered into stock purchase agreements with certain first lien creditors of Windstream, pursuant to which on September 18, 2020 Uniti sold an aggregate of 38,633,470 shares of Uniti common stock, par value \$0.0001 per share, at \$6.33 per share, which represents the closing price of Uniti common stock on the date when an agreement in principle of the basic outline of the Settlement was first reached. Uniti used the proceeds from the sale of the stock as a portion of the consideration paid to Windstream in connection with the closing of the asset purchase agreement describe below.

On September 18, 2020, and in furtherance of the Settlement Agreement, Uniti and Windstream closed an asset purchase agreement, pursuant to which (a) Uniti paid to Windstream approximately \$284.6 million and (b) Windstream granted or transferred to Uniti (i) exclusive rights to use 1.8 million fiber strand miles leased by Windstream under the CLEC MLA, which fiber strands are either unutilized or utilized under certain dark fiber indefeasible rights of use (“IRUs”) that were simultaneously transferred to Uniti, (ii) fiber assets (and underlying rights) consisting of 0.4 million fiber strand miles (covering 4,000 route miles) owned by Windstream, and (iii) dark fiber IRUs relating to (x) the fiber strand miles granted to Uniti under the CLEC MLA (and described in clause (i)) and (y) the fiber assets (and underlying rights) for the 0.4 million fiber strand miles conveyed to Uniti (and described in clause (ii)). In addition, upon the transfer of the Windstream owned fiber assets (described in clause (ii) above), Uniti granted to Windstream a 20-year IRU for certain strands included in the transferred fiber assets.

Procedures for Approval of Related-Party Transactions

The Board of Directors adopted a written policy regarding the review and approval of any related-party transaction required to be disclosed under SEC rules. The Audit Committee of the Board of Directors is responsible for the review and approval of transactions covered by the policy. As provided in the policy and the Audit Committee’s charter, no related-party transaction will be approved unless it is (a) deemed commercially reasonable, fair and in, or not inconsistent with, the best interest of Uniti; and (b) determined to have terms comparable to those that could be obtained in an arm’s-length transaction with an unrelated third party.

Except as noted above, there were no commercial transactions between related parties and Uniti that required disclosure in this Proxy Statement.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires Uniti’s directors and executive officers, and persons who own more than 10% of Uniti’s common stock, to file reports of ownership and changes in ownership with the SEC. Except as set forth in “Security Ownership of Certain Beneficial Owners and Management” above, the Company currently knows of no person who owns 10% or more of our common stock that was required to file Section 16 reports.

Based solely upon a review of copies of reports filed electronically with the Commission during 2021 and written representations from our directors and executive officers that no other reports were required with respect to the year ended December 31, 2021, we believe that all Section 16(a) filing requirements applicable to our directors and executive officers were met during the last fiscal year, except Mr. Gunderman had one late Form 4 for a tax withholding event that occurred on December 9, 2021.

Annual Report/Householding

Some banks, brokers and other nominee record stockholders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one set of these documents

may have been sent to multiple stockholders at a shared address unless contrary instructions have been received by the Company from one or more of the stockholders.

If you would like to revoke your consent to householding and in the future receive your own set of proxy materials, you may be able to do so by contacting Broadridge Household Department by mail at 51 Mercedes Way, Edgewood, NY 11717, or by calling 1-866-540-7095, and providing your name, the name of each of your brokerage firms or banks where your shares are held, and your account numbers. If this option is not available to you, please contact your custodian bank or broker directly. The revocation of a consent to householding will be effective 30 days following its receipt. You may also have an opportunity to opt in or opt out of householding by following the instructions on your voting instruction form or by contacting your bank or broker. Any stockholder who wants to receive separate copies of our proxy statement and annual report in the future, or any stockholder who is receiving multiple copies and would like to receive only one copy per household, should contact his, her or its bank, broker or other nominee record stockholder.

If you would like to receive an extra copy of the Annual Report or this Proxy Statement, we will send a copy to you by mail upon request to Uniti Investor Relations, 2101 Riverfront Drive, Suite A, Little Rock, Arkansas 72202 or by calling (501) 850-0820. Each document is also available in digital form for download or review in the “Investors — Annual Reports” section of our website at www.uniti.com.

Other Matters

The management and the Board of Directors of Uniti do not know of any other matters that may come before the meeting. If any other matters properly come before the meeting, however, it is the intention of the persons named in the accompanying form of proxy to vote the proxy in accordance with their judgment on those matters. Discretionary authority to vote on other matters is included in the proxy.

Uniti will bear the cost of solicitation of proxies. In addition to the use of the mail, proxies may be solicited by officers, directors and employees of Uniti, personally or by telephone or electronic means. In the event the management of Uniti deems it advisable, Uniti may engage the services of an independent proxy solicitation firm to aid in the solicitation of proxies.

The material referred to in this Proxy Statement under the captions “Hedging Policy,” “Audit Committee Report” and “Compensation Committee Report on Executive Compensation” shall not be deemed soliciting material or otherwise deemed filed and shall not be deemed to be incorporated by any general statement of incorporation by reference in any filings made under the Securities Act of 1933 or the Exchange Act.

By Order of the Board of Directors,

Daniel L. Heard
Executive Vice President — General Counsel
and Secretary
