Item 1.01 Entry into a Material Definitive Agreement

On January 30, 2026, Kinetic ABS Issuer LLC (the “Issuer”), an indirect, bankruptcy-remote subsidiary of Uniti Group Inc. (the “Company”), completed a private offering of \$960,100,000 aggregate principal amount of secured fiber network revenue term notes, consisting of \$677,710,000 5.219% Series 2026-1, Class A-2 term notes, \$112,960,000 5.561% Series 2026-1, Class B term notes and \$169,430,000 7.653% Series 2026-1, Class C term notes (collectively, the “Term Notes”), each with an anticipated repayment date (the “Term ARD”) in February of 2031.

The Term Notes were issued at an issue price of 100% of their respective principal amounts pursuant to an indenture, dated as of January 30, 2026 (the “Base Indenture”), as supplemented by a Series 2026-1 Supplement thereto, dated as of January 30, 2026 (the “Series 2026-1 Supplement”), in each case by and among the Issuer, Kinetic ABS AR LLC (“Kinetic AR”), Kinetic ABS GA LLC (“Kinetic GA”), Kinetic ABS KY LLC (“Kinetic KY”), Kinetic ABS OH LLC (“Kinetic OH”), Kinetic ABS TX LLC (together with Kinetic AR, Kinetic GA, Kinetic KY and Kinetic OH, the “Asset Entities” and, together with the Issuer, the “Obligors”), and Wilmington Trust, National Association, as indenture trustee (the “Indenture Trustee”). Copies of the Base Indenture and the Series 2026-1 Supplement are attached hereto as Exhibits 4.1 and 4.2, respectively.

In connection with the issuance of the Term Notes, the Base Indenture, as supplemented by the Series 2026-1 Supplement, also provides for up to \$150,000,000 of Series 2026-1, Class A-1-V variable funding notes (the “Class A-1 Variable Funding Notes”) to be issued by the Issuer. Drawings and the other terms related to the Class A-1 Variable Funding Notes are governed by the Base Indenture, as supplemented by the Series 2026-1 Supplement, and a Class A-1-V Note Purchase Agreement, dated as of January 30, 2026 (the “VFN Purchase Agreement”), among the Obligors, Uniti Kinetic Fiber LLC, as manager of the securitization program (the “Manager”), certain committed note purchasers, conduit investors and funding agents, and Barclays Bank PLC, as the administrative agent. Subject to the future satisfaction of certain conditions described in the VFN Purchase Agreement, the committed note purchasers party thereto will provide commitments to fund the Class A-1 Variable Funding Notes from time to time (and issue certain letters of credit) on a revolving basis until the anticipated repayment date for the Class A-1 Variable Funding Notes (or, if earlier, the date on which the commitments thereunder are automatically terminated or permanently reduced to \$0). The initial anticipated repayment date for the Class A-1 Variable Funding Notes (the “VFN ARD” and together with the Term ARD, collectively, the “ARD”) is February 2029 and may be extended at the option of the Issuer for two additional one-year periods, in each case subject to the satisfaction of certain conditions described in the VFN Purchase Agreement.

In connection with the issuance of the Term Notes and the Class A-1 Variable Funding Notes, the Base Indenture, as supplemented by the Series 2026-1 Supplement, also provides for up to \$14,017,876 of Series 2026-1, Class A-1-L liquidity funding notes (the “Class A-1 Liquidity Funding Notes” and, together with the Term Notes and the Class A-1 Variable Funding Notes, collectively, the “Series 2026-1 Notes”) to be issued by the Issuer, solely to support the securitization program’s liquidity reserve and to cover specified payment shortfalls.

The issuance of the Series 2026-1 Notes represents the Company’s inaugural issuance of fiber network revenue notes for the Company’s fiber-to-the-home securitization program. The securitization program involves certain fiber network assets and certain residential customer contracts in the States of Texas, Arkansas, Kentucky, Ohio and Georgia that were sold to the Obligors at closing. As of the closing of the transactions on January 30, 2026, the Issuer has \$960,100,000 aggregate principal amount of revenue term notes outstanding, \$0 principal amount of variable funding notes outstanding and \$0 principal amount of liquidity funding notes outstanding.

The Base Indenture allows the Issuer to issue additional series of notes subject to certain conditions set forth therein, and the Base Indenture, together with the Series 2026-1 Supplement, and any other series supplements to the Base Indenture from time to time, is referred to herein as the “Indenture.”

The Company intends to use the net proceeds from the offering for general corporate purposes, which may include success-based capital expenditures and/or repayment of outstanding debt.

Terms of the Series 2026-1 Notes

While the Series 2026-1 Notes are outstanding, scheduled payments of interest are required to be made on the 25th of each calendar month, commencing on March 25, 2026. Except as with respect to the Class A-1 Liquidity Funding Notes, no principal payments will be due on the Series 2026-1 Notes prior to the applicable ARD, unless certain rapid amortization or acceleration triggers are activated (and/or, in the case of the Series 2026-1 Variable Funding Notes, the occurrence and continuance of an event of default). Principal of the Class A-1 Liquidity Funding Notes, to the extent outstanding, will be due on each payment date in accordance with the securitization program's priority of payments.

The legal final maturity date of each class of the Series 2026-1 Notes is in February 2056. If the Issuer has not repaid or refinanced the Term Notes prior to the relevant ARD, additional interest will accrue thereon in an amount equal to the greater of (i) 5.00% per annum and (ii) the amount, if any, by which the sum of the following exceeds the interest rate for such Series 2026-1 Note: (A) the yield to maturity (adjusted to a "mortgage-equivalent basis" pursuant to the standards and practices of the Securities Industry and Financial Markets Association) on the relevant ARD for such Series 2026-1 Note of the United States treasury security having a remaining term closest to 10 years plus (B) 5.00% plus (C) the post-ARD note spread applicable to such Series 2026-1 Notes. If the Issuer has not repaid or refinanced the Class A-1 Variable Funding Notes prior to the relevant ARD, additional interest will accrue thereon in an amount equal to 5.00% per annum.

The applicable interest rate for advances made under the Class A-1 Variable Funding Notes will generally be either a base rate or SOFR rate, determined at the option of the Issuer in accordance with the VFN Purchase Agreement (or an alternative rate determined in the manner provided in the VFN Purchase Agreement), plus 1.75% per annum. To the extent that a draw is funded or maintained by a conduit investor through the issuance of commercial paper, such draw shall bear interest at the CP funding rate (i.e., the cost of funds) to the conduit investor plus 1.75% per annum in the manner provided in the VFN Purchase Agreement.

Collateral and Guarantee

The Series 2026-1 Notes are obligations only of the Obligors pursuant to the Indenture. Pursuant to the Indenture and the related transaction documents, the Series 2026-1 Notes are guaranteed by each Asset Entity and the Issuer's direct parent company (the "Holdco Guarantor"), and such guarantees and the Series 2026-1 Notes are secured by security interests in the equity interests in the Issuer and substantially all of the assets of the Issuer and the other Obligors, which assets are primarily the fiber network assets and related residential customer contracts in the States of Texas, Arkansas, Kentucky, Ohio and Georgia that have been sold or contributed to the Asset Entities by the non-securitization subsidiaries of the Company and the revenue collections and other proceeds thereof. Neither the Company nor any subsidiary of the Company, other than the Obligors and the Holdco Guarantor (all of which are unrestricted subsidiaries under the Company's other debt agreements), will guarantee or in any way be liable for the obligations of the Obligors under the Indenture or the Series 2026-1 Notes, and neither the Holdco Guarantor, the Issuer nor any of the other Obligors shall guarantee or in any way be liable for the obligations of the Company or its subsidiaries under the Company's other debt agreements.

Covenants and Restrictions

The Series 2026-1 Notes are subject to a series of customary covenants and restrictions. These covenants and restrictions include (i) that the Issuer maintains a liquidity reserve account to be used to make required payments in respect of the Series 2026-1 Notes, (ii) provisions relating to optional and mandatory prepayments, including specified make-whole payments in the case of certain optional prepayments of the Term Notes prior to the monthly payment date in February 2029, and (iii) covenants relating to recordkeeping, access to information and similar matters. As provided in the Indenture, the Term Notes and the Class A-1 Variable Funding Notes are also subject to rapid amortization in the event of a failure to maintain a stated debt service coverage ratio. A rapid amortization may be cured if the debt service coverage ratio exceeds a certain threshold for a certain period of time, upon which cure, regular amortization, if any, will resume. The Series 2026-1 Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the Series 2026-1 Notes, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties, failure of security interests to be effective and certain judgments.

The foregoing summaries of the Indenture, the Series 2026-1 Notes, and the VFN Purchase Agreement do not purport to be complete and are subject to, and qualified in their entirety by reference to, the complete copies of the Base Indenture, the Series 2026-1 Supplement, and the VFN Purchase Agreement, which are filed as Exhibits 4.1, 4.2 and 10.1 hereto, respectively.

The transfer, sale, pledge or other disposition of any Class of a Series of Class A-1 Notes shall be subject to the terms of the Series Supplement for such Series and the applicable Class A-1 Note Purchase Agreement.

If a transfer of any interest in a Rule 144A Global Note is to be made without registration under the Securities Act (other than in connection with the initial issuance of the Book-Entry Notes), then the Holder shall be required to represent to the Issuer, the Note Registrar and the Indenture Trustee that it is a Qualified Institutional Buyer and is acquiring a Rule 144A Global Note (or interest therein) for its own account (and not for the account of others) or as a fiduciary or agent for others (which others are Qualified Institutional Buyers). Except as provided in the following two paragraphs, no interest in a Rule 144A Global Note for any Class of Book-Entry Notes shall be transferred to any Person who takes delivery other than in the form of an interest in such Rule 144A Global Note.

Notwithstanding the preceding paragraph, any interest in a Rule 144A Global Note for a Class of Book-Entry Notes (other than a Rule 144A Global Note that is a Tax Restricted Note) may be transferred to any Person who takes delivery in the form of a beneficial interest in a Regulation S Global Note for such Class of Notes upon delivery to the Note Registrar of such written orders and instructions as are required under the Applicable Procedures of the Depository, Clearstream and Euroclear to direct the Indenture Trustee to debit the account of a DTC Participant by a denomination of interests in such Rule 144A Global Note, and credit the account of a DTC Participant by a denomination of interests in such Regulation S Global Note, that is equal to the denomination of beneficial interests in the Class of Notes to be transferred. Upon delivery to the Note Registrar of such orders and instructions, the Indenture Trustee, subject to and in accordance with the Applicable Procedures of the Depository, shall reduce the denomination of the Rule 144A Global Note in respect of the applicable Class of Notes and increase the denomination of the Regulation S Global Note for such Class by the denomination of the beneficial interest in such Class specified in such orders and instructions.

Also notwithstanding the foregoing, any interest in a Rule 144A Global Note with respect to any Class of Book-Entry Notes may be transferred by any Note Owner holding such interest to any Institutional Accredited Investor (other than a Qualified Institutional Buyer) that takes delivery in the form of an IAI Global Note of the same Class as such Rule 144A Global Note upon delivery to the Note Registrar and the Indenture Trustee of (i) an Opinion of Counsel, certifications and/or other information satisfactory to the Issuer and (ii) such written orders and

instructions as are required under the Applicable Procedures of the Depository to direct the Indenture Trustee to debit the account of a DTC Participant by the denomination of the transferred interests in such Rule 144A Global Note. Upon delivery to the Note Registrar of an Opinion of Counsel, certifications and/or other information satisfactory to the Issuer, the Indenture Trustee, subject to and in accordance with the Applicable Procedures of the Depository, shall reduce the denomination of the subject Rule 144A Global Note by the denomination of the transferred interests in such Rule 144A Global Note and increase the denomination of the IAI Global Note for such Class by the denomination of the beneficial interest in such Class specified in such orders and instructions.

If a transfer of any interest in a Definitive Term Note is to be made to a Rule 144A Global Note without registration under the Securities Act, then the new Holder shall be required to represent to the Issuer and the Indenture Trustee that it is a Qualified Institutional Buyer and is acquiring a Rule 144A Global Note (or interest therein) for its own account (and not for the account of others) or as a fiduciary or agent for others (which others are Qualified Institutional Buyers).

Any interest in a Definitive Term Note with respect to any Class (other than a Definitive Term Note that is a Tax Restricted Note) may be transferred to any Person who takes delivery in the form of a beneficial interest in a Regulation S Global Note for such Class of Notes upon delivery to the Note Registrar of such written orders and instructions as are required under the Applicable Procedures of the Depository, Clearstream and Euroclear to direct the Indenture Trustee to credit the account of a DTC Participant by a denomination of interests in such Regulation S Global Note, that is equal to the denomination of beneficial interests in the Class of Definitive Term Notes to be transferred. In addition, prior to any such transfer, the prospective Transferee must furnish a written certification substantially in the form set forth in Exhibit B-1 certifying that such Transferee is not a U.S. Person (as defined under Regulation S). Upon delivery to the Note Registrar of such orders and instructions, the Indenture Trustee, subject to and in accordance with the Applicable Procedures of the Depository, shall increase the denomination of the Regulation S Global Note for such Class by the denomination of the beneficial interest in such Class specified in such orders and instructions.

Any interest in a Definitive Term Note with respect to any Class may be transferred to any Institutional Accredited Investor (other than a Qualified Institutional Buyer) that takes delivery in the form of a beneficial interest in an IAI Global Note of the same Class upon delivery to the Note Registrar and the Indenture Trustee of (i) an Opinion of Counsel, certifications and/or other information satisfactory to the Issuer and (ii) such written orders and instructions as are required under the Applicable Procedures of the Depository to direct the Indenture Trustee. Upon delivery to the Note Registrar of an Opinion of Counsel, certifications and/or other information satisfactory to the Issuer, the Indenture Trustee, subject to and in accordance with the Applicable Procedures of the Depository, shall increase the denomination of the IAI Global Note for such Class by the denomination of the beneficial interest in such Class specified in such orders and instructions.

In the event of (and as a condition to) any transfer of a Definitive Term Note in accordance with the prior three paragraphs, such Definitive Term Note shall be surrendered to the Indenture Trustee for cancellation.

Except as provided in the next paragraph, no beneficial interest in a Regulation S Global Note for any Class of Book-Entry Notes shall be transferred to any Person who takes delivery other than in the form of a beneficial interest in such Regulation S Global Note. On or prior to the Release Date, a Note Owner desiring to effect any such Transfer shall be required to obtain from such Note Owner's prospective Transferee a written certification substantially in the form set forth in Exhibit B-1 certifying that such Transferee is not a U.S. Person (as defined under Regulation S). On or prior to the Release Date, beneficial interests in the Regulation S Global Note for each Class of Book-Entry Notes may be held only through Euroclear or Clearstream. The Regulation S Global Note for each Class of Book-Entry Notes shall be deposited with the Indenture Trustee as custodian for the Depository and registered in the name of Cede & Co. as nominee of the Depository.

Notwithstanding the preceding paragraph, after the Release Date, any interest in a Regulation S Global Note for a Class of Book-Entry Notes may be transferred to any Person who takes delivery in the form of a beneficial interest in the Rule 144A Global Note or an IAI Global Note for such Class of Notes upon delivery to the Note Registrar of such written orders and instructions as are required under the Applicable Procedures of the Depository, Clearstream and Euroclear to direct the Indenture Trustee to debit the account of a DTC Participant by a denomination of interests in such Regulation S Global Note, and credit the account of a DTC Participant by a denomination of interests in such Rule 144A Global Note or IAI Global Note, that is equal to the denomination of beneficial interests in the Class of Notes to be transferred. Upon delivery to the Note Registrar of such orders and instructions, the Indenture Trustee, subject to and in accordance with the Applicable Procedures of the Depository, shall reduce the denomination of the Regulation S Global Note in respect of the applicable Class of Notes and increase the denomination of the Rule 144A Global Notes or IAI Global Notes, as applicable, for such Class by the denomination of the beneficial interest in such Class specified in such orders and instructions.

None of the Issuer, the Indenture Trustee nor the Note Registrar shall be obligated to register or qualify any Class of Notes under the Securities Act or any other securities law or to take any action not otherwise required under this Base Indenture to permit the transfer of any Note or interest therein without registration or qualification. Any Noteholder or Note Owner desiring to effect a transfer, sale, pledge or other disposition of any Note or interest therein shall, and does hereby agree to, indemnify the Obligors, the Holdco Guarantor, the Initial Purchasers, the Indenture Trustee, the Manager, the Servicer, the Back-Up Manager and the Note Registrar against any liability that may result if such transfer, sale, pledge or other disposition is not exempt from the registration or qualification requirements of the Securities Act and any applicable state securities laws or is not made in accordance with such federal and state laws.

(c) No transfer of any Note or any interest therein shall be made to any Plan or to any Person who is directly or indirectly acquiring such Note on behalf of, as fiduciary of, as trustee of, or with the assets of, a Plan, except in each such case, in accordance with the following provisions of this Section 2.02(c). Any attempted or purported transfer of a Note in violation of this Section 2.02(c) will be null and void and vest no rights in any purported Transferee.

The Note Registrar shall not register the transfer of a Note that constitutes a Definitive Note or the transfer of an interest in a Book-Entry Note that following such purported transfer will constitute a Definitive Note unless the Note Registrar has received from the prospective Transferee a certification that either (i) if it is acquiring a Note other than a Tax Restricted Note, then either (A) such prospective Transferee is not a Plan or any person who is acquiring or holding such Note or any interest therein on behalf of, as fiduciary of, as trustee of, or with assets of, any Plan or (B) such acquisition and holding by such Transferee of such Note or any interest therein will not result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a similar violation of any applicable Similar Law or (ii) if it is acquiring Tax Restricted Notes, then either (A) it is neither a Plan nor a person who is purchasing such Notes or any interest therein on behalf of, as fiduciary of, as trustee of, or with assets of, any Plan or (B) it is a Plan not subject to Title I of ERISA or Section 4975 of the Code and its purchase and holding of such Notes or any interest therein will not result in a violation of any applicable Similar Laws.

It is hereby acknowledged that either of the forms of certification attached hereto as Exhibits B-2 and B-3 is acceptable for purposes of the preceding sentence. If a transfer of any interest in a Note is to be made and is permitted without delivering to the Note Registrar a certification as provided in this Section 2.02(c), the prospective Transferee of such Note, by its acquisition of such Note (or an interest therein), shall be deemed to have represented and warranted that either (i) if it is acquiring a Note other than a Tax Restricted Note, then either (A) such prospective Transferee is not a Plan or any person who is acquiring or holding such Note or any interest therein on behalf of, as fiduciary of, as trustee of, or with the assets of, any Plan or (B) such acquisition and holding by such Transferee of such Note or any interest therein will not result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a similar violation of any applicable Similar Law or (ii) if it is acquiring a Tax Restricted Note, then either (A) it is neither a Plan nor a person who is purchasing such Tax Restricted Note or any interest therein on behalf of, as fiduciary of, as trustee of, or with assets of, any Plan or (B) it is a Plan not subject to Title I of ERISA or Section 4975 of the Code and its purchase and holding of such Tax Restricted Note or any interest therein will not result in a violation of any applicable Similar Laws.

The Note Registrar shall not register the transfer of a Class C Note that constitutes a Definitive Note or the transfer of an interest in a Book-Entry Class C Note that following such purported transfer will constitute a Definitive Note unless the Note Registrar has received from the prospective Transferee a certification that (A) such prospective Transferee is not, and is not investing on behalf of any, (i) Benefit Plan Investor or (ii) Plan Investor subject to any U.S. or non-U.S. federal, state, local or other laws or regulations that would provide that the assets of the Issuer could be deemed to include the assets of such Plan Investor and (B) if it is, or is investing on behalf of a Plan Investor, its purchase and holding of the Note or any interest therein will not result in a violation of any applicable Other Plan Laws. It is hereby acknowledged that either of the forms of certification attached hereto as Exhibits B-2 and B-3 is acceptable for purposes of the preceding sentence.

If a transfer of any interest in a Class C Note is to be made and is permitted without delivering to the Note Registrar a certification as provided in this Section 2.02(c), the prospective

Transferee of such Class A Note or Class B Note, by its acquisition of such Note (or an interest therein), shall be deemed to have represented and warranted that (A) such prospective Transferee is not, and is not investing on behalf of any, (i) Benefit Plan Investor or (ii) Plan Investor subject to any U.S. or non-U.S. federal, state, local or other laws or regulations that would provide that the assets of the Issuer could be deemed to include the assets of such Plan Investor and (B) if it is, or is investing on behalf of a Plan Investor, its purchase and holding of the Note or any interest therein will not result in a violation of any applicable Other Plan Laws.

(d) If a Person is acquiring a Note as a fiduciary or agent for one or more accounts, such Person shall be required to deliver to the Note Registrar a certification to the effect that, and such other evidence as may be reasonably required by the Note Registrar to confirm that, it has (i) sole investment discretion with respect to each such account and (ii) full power to make the applicable foregoing acknowledgments, representations, warranties, certifications or agreements with respect to each such account as set forth in subsections (b), (c), (d) or (k), as appropriate, of this Section 2.02.

(e) Subject to the preceding provisions of this Section 2.02, upon surrender for registration of transfer of any Note at the offices of the Note Registrar maintained for such purpose (or as set forth in any Series Supplement with respect to the transfer and registration or de-registration of any Uncertificated Note), one or more new Notes of authorized denominations of the same Class and Series evidencing a like aggregate Percentage Interest (except in the case of Uncertificated Notes) shall be executed, authenticated and delivered, in the name of the designated transferee or transferees, in accordance with Section 2.01(b)(ii).

(f) At the option of any Noteholder, its Notes may be exchanged for other Notes of authorized denominations of the same Class and Series evidencing a like aggregate Percentage Interest, upon surrender (or de-registration) of the Notes to be exchanged at the offices of the Note Registrar maintained for such purpose. Whenever any Notes are so surrendered for exchange (or de-registration), the Notes which the Noteholder making the exchange is entitled to receive shall be executed, authenticated and delivered (or registered in the case of Uncertificated Notes) in accordance with Section 2.01(b)(ii).

(g) Every Note (other than Uncertificated Notes) presented or surrendered for transfer or exchange (or de-registration) shall (if so required by the Note Registrar) be duly endorsed by the Noteholder thereof or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar duly executed by the Noteholder thereof or its attorney duly authorized in writing.

(h) No service charge shall be imposed for any transfer or exchange (or de-registration) of Notes, but the Indenture Trustee or the Note Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange (or de-registration) of Notes.

(i) All Notes surrendered for transfer and exchange (other than Uncertificated Notes) shall be physically canceled by the Note Registrar, and the Note Registrar shall dispose of such canceled Notes in accordance with its standard procedures.

(j) The Note Registrar shall provide to each of the other parties hereto, upon reasonable written request and at the expense of the requesting party, an updated copy of the Note Register.

(k) Each purchaser and Transferee of Tax Restricted Notes will have made all representations, on its own behalf and on behalf of any Beneficial Owner for which it is purchasing or acquiring Tax Restricted Notes, specified in the applicable Series Supplement.

Notwithstanding anything herein to the contrary, no transfer of any beneficial interest in any Tax Restricted Note of a Series shall be permitted (i) if such transfer would result in there being collectively more than the number of Persons specified in the applicable Series Supplement that may be beneficial holders and beneficial owners of Tax Restricted Notes or (ii) to a Benefit Plan Investor or Similar Law Plan, and each Transferee of a Tax Restricted Note shall be deemed to represent and covenant that it is not (a) a Benefit Plan Investor, (b) a Similar Law Plan or (c) a person who is directly or indirectly purchasing or holding such Transfer Restricted Notes or any interest therein on behalf of, as a fiduciary of, a trustee of, or with the assets of, any Benefit Plan Investor or Similar Law Plan. Any purported sales or Transfers of any beneficial interest in a Tax Restricted Note to a Transferee which does not comply with the requirements of this paragraph shall be null and void *ab initio*.

(l) Neither the Indenture Trustee nor the Note Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Base Indenture or under applicable law with respect to the transfer of any Note (and registration or de-registration of any Uncertificated Note) or the transfer of any interest in any Book-Entry Note other than to require delivery of the certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Base Indenture, and to examine the same to determine substantial compliance on their face to the express requirements of this Base Indenture. In connection with the transfer of any Note or the transfer of any interest in any Book-Entry Note pursuant to this Base Indenture, the Indenture Trustee and the Note Registrar shall be under no duty to inquire into the validity, legality and due authorization of such transfer pursuant to this Base Indenture.

Section 2.03. Book-Entry Notes.

(a) Each Class and Series of Term Notes shall (other than any Definitive Term Notes) initially be issued as one or more Term Notes registered in the name of the Depositary or its nominee and, except as provided in Section 2.03(c), transfer of such Term Notes may not be registered by the Note Registrar unless such transfer is to a successor Depositary that agrees to hold such Term Notes for the respective Note Owners with Ownership Interests therein. Such Note Owners shall hold and, subject to Sections 2.02(b), 2.02(c) and 2.02(k), transfer their respective ownership interests in and to such Notes through the book-entry facilities of the Depositary and, except as provided in Section 2.03(c), shall not be entitled to Definitive Term Notes in respect of such ownership interests. Term Notes of each Class and Series of Notes initially sold in reliance on Rule 144A shall be represented by the Rule 144A Global Note for such Class and Series, which shall be deposited with the DTC Custodian for the Depositary and registered in the name of Cede & Co. as nominee of the Depositary. Term Notes of each Class and Series of Notes initially sold in offshore transactions in reliance on Regulation S shall be

represented by the Regulation S Global Note for such Class and Series, which shall be deposited with the Indenture Trustee as custodian for the Depository. All transfers by Note Owners of their respective ownership interests in the Book-Entry Notes shall be made in accordance with the procedures established by the DTC Participant or brokerage firm representing each such Note Owner. Each DTC Participant shall only transfer the ownership interests in the Book-Entry Notes of Note Owners it represents or of brokerage firms for which it acts as agent in accordance with the Depository's normal procedures.

(b) The Issuer, the Servicer, the Indenture Trustee and the Note Registrar shall for all purposes, including the making of payments due on the Book-Entry Notes, deal with the Depository as the authorized representative of the Note Owners with respect to such Notes for the purposes of exercising the rights of Noteholders hereunder. The rights of Note Owners with respect to the Book-Entry Notes shall be limited to those established by law and agreements between such Note Owners and the DTC Participants and indirect participating brokerage firms representing such Note Owners. Multiple requests and directions from, and votes of, the Depository as holder of the Book-Entry Notes with respect to any particular matter shall not be deemed inconsistent if they are made with respect to different Note Owners. The Indenture Trustee may establish a reasonable record date in connection with solicitations of consents from or voting by Noteholders and shall give notice to the Depository of such record date.

(c) Notes initially issued in the form of Book-Entry Notes will thereafter be issued as Definitive Notes or Uncertificated Notes to applicable Note Owners or their nominees, rather than to DTC or its nominee, only if the Issuer advises the Indenture Trustee in writing that DTC is no longer willing or able to properly discharge its responsibilities as Depository with respect to such Notes and the Issuer is unable to locate a qualified successor. Upon the occurrence of the event described in the preceding sentence, the Indenture Trustee will be required to notify, in accordance with DTC's procedures, all DTC Participants (as identified in a listing of DTC Participant accounts to which each Class and Series of Book-Entry Notes is credited) through DTC of the availability of such Definitive Notes. Upon surrender to the Note Registrar of any Class of Book-Entry Notes (or any portion of any Class thereof) by the Depository, accompanied by re-registration instructions from the Depository for registration of transfer, the Indenture Trustee or other designated party shall be required to cause the issuance of Definitive Notes in respect of such Class (or portion thereof) and Series to be executed and authenticated in accordance with Section 2.01(b)(ii) and delivered to the Note Owners identified in such instructions. None of the Issuer, the Servicer, the Indenture Trustee or the Note Registrar shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes for purposes of evidencing ownership of any Book-Entry Notes, the registered holders of such Definitive Notes shall be recognized as Noteholders hereunder and, accordingly, shall be entitled directly to receive payments on, to exercise voting rights with respect to, and to transfer and exchange such Definitive Notes, subject to the conditions and restrictions contained in Section 2.02.

(d) None of the Obligors, the Holdco Guarantor, the Manager, the Indenture Trustee, the Servicer, the Back-Up Manager, the Note Registrar or the Initial Purchasers will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective direct

or indirect Participants of their respective obligations under the rules and procedures governing their operations.

Section 2.04. Mutilated, Destroyed, Lost or Stolen Notes. If (i) any mutilated but clearly identifiable Note is surrendered to the Note Registrar, or the Note Registrar receives evidence to its satisfaction of the destruction, loss, mutilation beyond clear identification or theft of any Note, and (ii) there is delivered to the Indenture Trustee and the Note Registrar such security or indemnity as may be reasonably required by them to hold each of them harmless, then, in the absence of actual written notice to the Indenture Trustee or the Note Registrar, as applicable, that such Note has been acquired by a bona fide purchaser, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Class and Series and of like Percentage Interest shall be executed, authenticated and delivered in accordance with Section 2.01(b)(ii) (or registered in accordance with Section 2.01(a), in the case of an Uncertificated Note). Upon the issuance of any new Note under this Section 2.04, the Indenture Trustee and the Note Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the reasonable fees and expenses of the Indenture Trustee and the Note Registrar) connected therewith. Any replacement Note issued (or registered in the case of Uncertificated Notes) pursuant to this Section 2.04 shall constitute complete and indefeasible evidence of ownership of such Note, as if originally issued, whether or not the lost, stolen or destroyed Note shall be found at any time.

Section 2.05. Persons Deemed Owners. Prior to due presentment for registration of transfer of any Notes (or any other transfer and de-registration of Uncertificated Notes), the Issuer, the Manager, the Servicer, the Indenture Trustee, the Note Registrar and any agent of any of them shall treat the Person in whose name such Note is registered as the owner of such Note for the purpose of receiving payments pursuant to Article V and for all other purposes whatsoever, and none of the Issuer, the Manager, the Servicer, the Indenture Trustee, the Note Registrar or any agent of any of them shall be affected by any notice to the contrary.

Section 2.06. Certification by Note Owners.

(a) Each Note Owner is hereby deemed, by virtue of its acquisition of an ownership interest in the Book-Entry Notes, to agree to comply with the transfer requirements of Section 2.02(c) and, if applicable, Section 2.02(k).

(b) To the extent that under the terms of this Base Indenture it is necessary to determine whether any Person is a Note Owner, the Indenture Trustee and the Servicer may conclusively rely on a certificate of such Person in such form as shall be reasonably acceptable to the Indenture Trustee or the Servicer, as applicable, which specifies the Class, Series and principal balance of the Book-Entry Note beneficially owned; *provided, however*, that neither the Indenture Trustee, the Servicer, nor the Note Registrar shall knowingly recognize such Person as a Note Owner if such Person, to the Knowledge of a Responsible Officer of the Indenture Trustee, the Servicer or the Note Registrar, as the case may be, acquired its ownership interest in a Book-Entry Note in violation of Section 2.02(c) or Section 2.02(k), or if such Person's certification that it is a Note Owner is in direct conflict with information actually known by, or made known in writing to, a Responsible Officer the Indenture Trustee, the Servicer or the Note Registrar, with respect to the identity of a Note Owner. The Indenture Trustee and the Note Registrar shall afford any Person

providing information with respect to its Note ownership of any Book-Entry Note an opportunity to resolve any discrepancies between the information provided and any other information available to the Indenture Trustee or the Note Registrar, as the case may be. If any request would require the Indenture Trustee or the Note Registrar, as the case may be, or the Servicer to determine the beneficial owner of any Note, the Indenture Trustee or the Note Registrar, as applicable, or the Servicer, as applicable, may condition its making such a determination on the payment by the applicable Person of any and all costs and expenses incurred or reasonably anticipated to be incurred by the Indenture Trustee, the Note Registrar, or the Servicer, as applicable, in connection with such request or determination.

Section 2.07. Notes Issuable in Series.

Each Class of Notes of the Issuer shall be issued in one or more Series. Each Class of a Series shall be issued pursuant to a Series Supplement (it being understood that a single Series Supplement may provide for more than one Class or Series). Each Series Supplement shall include with respect to the related Class and Series:

- (i) the title of such Series (which shall distinguish such Series from other Series) and whether each Class of such Series will be Variable Funding Notes, Term Notes or Liquidity Funding Notes;
- (ii) (a) with respect to each Class of Term Notes, the initial outstanding principal balance thereof and (b) with respect to each class of Class A-1 Notes, the maximum committed amount thereof.
- (iii) with respect to each Class of Term Notes, the Targeted Amortization Amounts, if any, and the date or dates on which such Targeted Amortization Amounts are payable;
- (iv) the related Note Rate(s);
- (v) whether such Class and/or Series has a Prefunding Period, and, if so, the funded amount of the related Prefunding Account, the applicable Classes of such Series that the Prefunding Account relates to, the expiration date of the related Prefunding Period, and the funded amount of the related Yield Maintenance Reserve Account applicable to such Series for purposes of Section 4.03;
- (vi) the definition of Rating Agency Confirmation with respect to such Class and/or Series, if different from the definition herein, and the Rating Agency or Rating Agencies for such Series;
- (vii) whether the Notes of each Class of such Series are Uncertificated Notes, Book-Entry Notes or Definitive Notes;
- (viii) if such Class and/or Series includes Tax Restricted Notes, the maximum number of beneficial holders of Tax Restricted Notes of such Class and/or Series;

- (ix) the related Anticipated Repayment Date(s);
- (x) the related Closing Date;
- (xi) the related Initial Purchasers (if any);
- (xii) the related initial Payment Date;
- (xiii) the related Post-ARD Note Spread(s);
- (xiv) with respect to each Class of Term Notes, the definition of Prepayment Consideration, if different from the definition herein, and the related Prepayment Consideration Period(s);
- (xv) the related Rated Final Payment Date; and
- (xvi) any other terms of such Class and/or Series (which terms shall not be inconsistent with the provisions of this Base Indenture except as specifically authorized herein or to the extent that such Series Supplement also constitutes an Indenture Supplement to this Base Indenture pursuant to Article XIII).

The Notes of a Series may have more than one settlement or issue date. The Notes of each Series will be assigned to one or more Classes and, with respect to any Series of Additional Notes issued after the Series 2026-1 Closing Date, shall satisfy the requirements of Section 2.12(c) as of the date of issuance.

The Issuer agrees that it will not designate, for any Series and Class of Notes that are Tax Restricted Notes, a maximum number of beneficial holders for such Series and Class of Tax Restricted Notes that would cause the aggregate maximum number of beneficial holders and beneficial owners for all Series and Classes of Tax Restricted Notes then Outstanding, collectively with the aggregate number of beneficial holders of any other interests in the Issuer that are or may be treated as equity of the Issuer for U.S. federal income purposes, as determined for purposes of Treasury regulation 1.7704-1(h), to exceed 90.

Section 2.08. Principal Payments. Prior to the Anticipated Repayment Date for any Class of Notes of a Series, unless prior thereto any principal amount with respect to such Notes of such Class of such Series becomes due and payable pursuant to clause (vi), (ix), (x), (xi) or (xiv) of the Priority of Payments, no principal shall be required to be paid with respect to such Class of such Series. The Class Principal Balance of each Class of Notes, to the extent not earlier paid, shall be due and payable in its entirety on the Rated Final Payment Date for such Class.

Section 2.09. Certain Prepayments and Prepayment Consideration.

(a) Optional Prepayments. The Issuer may, at their option, prepay the Notes in whole or in part on any Business Day; *provided* that (i) the Issuer shall have provided written notice of such prepayment to the Indenture Trustee, the Paying Agent, the Back-Up Manager and Servicer no later than five Business Days (or such shorter notice period as set forth in the Class A-

1 Note Purchase Agreement for any Series of Class A-1 Notes) prior to the date of such prepayment and (ii) such prepayment is accompanied by all accrued and unpaid interest on the principal amount of such Notes being prepaid through the date of such prepayment (along with any applicable Prepayment Consideration); provided that, in connection with an optional prepayment in full of all Notes, the Indenture Trustee, the Back-Up Manager and the Servicer shall be paid all unpaid fees, expenses and indemnities to the extent due and payable to the Indenture Trustee, the Back-Up Manager and the Servicer, as applicable; provided further that optional partial prepayments (other than to the extent made with funds on deposit in the Cash Trap Reserve Account) (i) may be directed by the Issuer to be applied solely to Notes of a particular Series and (ii) are applied to the Classes of such selected Series of Notes in direct order of alphanumerical designation, except that no prepayment is required to be applied to any Class A-1 Notes unless (x) the commitment with respect to such Class A-1 Notes is not revolving or (y) such Class A-1 Notes are in a Post-ARD Period, and provided further that in connection with an optional prepayment in full of all Notes, the Indenture Trustee, the Back-Up Manager, the Verification Agent and the Servicer will be paid all fees, expenses and indemnities to the extent due and payable to the Indenture Trustee, the Back-Up Manager, the Verification Agent and the Servicer.

On the date of any optional prepayment of Term Notes in connection with which Prepayment Consideration is payable, the Indenture Trustee or the Paying Agent, as applicable, in either case at the prior written direction of the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer), shall pay such Prepayment Consideration received in respect of any Class and Series of Term Notes to the Holders of such Term Notes *pro rata* based on the amount of principal prepaid on each such Term Note. Such optional prepayment shall be subject in all respects to the applicable requirements of the Depository in connection with any prepayment and neither the Indenture Trustee nor the Paying Agent shall have any responsibility or liability for the failure or delay of any such optional prepayments due to (i) lack of compliance (other than, subject to timely receipt of any information or documents required for its compliance, by the Indenture Trustee or the Paying Agent, as applicable) with the applicable requirements of or any other policies and procedures of the Depository or (ii) any other act or omission of the Depository.

In connection with each disposition of a Fiber Network Asset or Customer Agreement pursuant to Section 7.29, if and to the extent required thereunder, the Issuer shall prepay the Term Notes in an amount equal to the applicable Release Price for the related Fiber Network Assets pursuant to clause (vi) of the Priority of Payments, and pay all amounts necessary to satisfy the Disposition Conditions.

(b) Mandatory Prepayments from Prefunding Accounts. On the first Payment Date following the end of the Prefunding Period with respect to a Series of Notes, if any funds remain in the Prefunding Account for such Series of Term Notes, the Indenture Trustee will, solely pursuant to written direction of the Manager, use the funds remaining on deposit therein to repay a portion of the principal amount of the applicable Classes of Term Notes of such Series of Term Notes as set forth in the Series Supplement for such Series; *provided* that, if on such date a Cash Sweep Period or Rapid Amortization Period is then in effect or an Event of Default has occurred and is continuing, such funds will be used (i) *first* to repay the principal amount of the applicable Classes of Term Notes of such Series of Notes as set forth in the Series Supplement for such Series and (ii) *second* to repay the other Term Notes in direct order of alphanumerical designation.

(c) Prepayment Consideration. Except as otherwise provided in this Section 2.09(c) or in a Series Supplement for any Series of Term Notes, Prepayment Consideration shall be payable in connection with (i) any optional prepayment of any Class of Term Notes and (ii) any prepayments of any Class of Term Notes made in connection with a Release Price Disposition, in each case of clauses (i) and (ii), that are made during the applicable Prepayment Consideration Period.

For the avoidance of doubt, except as provided in the Series Supplement with respect to a Series of Term Notes, Prepayment Consideration is not payable in connection with (i) any prepayments made pursuant to clauses (xi) and (xiv) of the Priority of Payments during a Rapid Amortization Period or pursuant to clause (ix) of the Priority of Payments while a Cash Sweep Period is in effect; (ii) any prepayments made following an acceleration of the maturity of the Notes following the occurrence and during the continuation of an Event of Default; (iii) any prepayments made from unreinvested Insurance Proceeds pursuant to Section 7.06; (iv) any prepayments made from funds on deposit in the Cash Trap Reserve Account; (v) any cancellation of repurchased Outstanding Notes; or (vi) any prepayment after the related Prepayment Consideration Period. No Prepayment Consideration shall be payable in connection with prepayments of any Series of Class A-1 Notes. Any due and unpaid Prepayment Consideration shall be paid in accordance with the Priority of Payments. Prepayment Consideration that is not paid when due because funds are not available to make such payment pursuant to the Priority of Payments shall not bear interest.

(d) Commencing on the Payment Date specified in a Series Supplement for any Series of Term Notes, and subject to the availability of funds for such purpose, a portion of the principal of the Notes of such Series will be payable on each Payment Date in an amount equal to the Monthly Amortization Amount for such Term Notes and such Payment Date if the Series Supplement for such Series specifies that the Monthly Amortization Amount shall apply to such Term Notes. Failure on the part of the Issuer to pay the entire Monthly Amortization Amount for such Term Notes on any Payment Date, other than the Rated Final Payment Date, will not constitute an Event of Default or otherwise provide to the Noteholders (or the Indenture Trustee on behalf of the Noteholders) any additional rights or remedies.

Section 2.10. Post-ARD Additional Interest. Additional interest (“Post-ARD Additional Interest”) shall accrue in respect of a Class of Notes of a Series (other than any Liquidity Funding Notes) during the Post-ARD Period for such Class of Notes on the Class Principal Balance of each Note of such Class at a per annum rate (each, a “Post-ARD Additional Interest Rate”) equal to (x) in the case of a Series of Variable Funding Notes, the rate set forth in the related Series Supplement or Variable Funding Note Purchase Agreement and (y) in the case of a Series of Term Notes, the rate determined by the Manager to be the greater of (i) 5.0% per annum and (ii) the amount, if any, by which the sum of the following exceeds the Note Rate for such Note: (A) the yield to maturity (adjusted to a “mortgage equivalent basis” pursuant to the standards and practices of the Securities Industry and Financial Markets Association) on the Anticipated Repayment Date for such Note of the United States Treasury Security having a remaining term closest to ten (10) years plus (B) 5.0% per annum, plus (C) the Post-ARD Note Spread applicable to such Note. The Manager shall provide written notice to the Indenture Trustee of the Post-ARD Additional Interest

Rate. In no event shall the Indenture Trustee be obligated to recalculate or verify the Post-ARD Additional Interest Rate.

Post-ARD Additional Interest accrued for a particular Class and Series of Notes shall not be payable until the aggregate Class Principal Balance of (x) all Variable Funding Notes, to the extent issued and outstanding and (y) all Notes that are then in a Post-ARD Period has been reduced to zero. Prior to such time, Post-ARD Additional Interest shall be deferred and added to any Post-ARD Additional Interest previously deferred and remaining unpaid (the “Deferred Post-ARD Additional Interest”). Deferred Post-ARD Additional Interest and Post-ARD Additional Interest shall not bear interest.

Section 2.11. Defeasance.

(a) Indenture Defeasance. At any time, the Obligors may obtain the release from all covenants of this Base Indenture by delivering funds and/or Government Securities that provide for payments on each Payment Date which replicate the required payments (including any Targeted Amortization Amounts) due under the Transaction Documents with respect to all of the Notes then Outstanding, including the Indenture Trustee Fee and any other amounts due and owing to the Indenture Trustee, the Verification Agent Fees, Servicing Fees, Other Servicing Fees and any other amounts due and owing to the Servicer, the Verification Agent, rating agency fees and any other amounts due and owing to any Rating Agency, Workout Fees, the Back-Up Manager Fee and any other amounts due and owing to the Back-Up Manager, if any, through the first Payment Date for all such Notes on which such Notes could be prepaid without payment of any Prepayment Consideration (including payment in full of the principal of such Notes on such Payment Date) (such payments in respect of all such Notes then Outstanding, collectively, the “Scheduled Defeasance Payments”); *provided* that (i) the Issuer shall pay or deliver on the date of such defeasance (the “Defeasance Date”) (a) all interest accrued and unpaid on such Notes to but not including the Defeasance Date, (b) all other sums then due under each Class of Notes and all other Transaction Documents executed in connection therewith, including any costs incurred in connection with such defeasance, and (c) funds and/or Government Securities providing for payments equal to the relevant Scheduled Defeasance Payments; and (ii) a notice shall have been delivered to the Rating Agencies. In addition, the Issuer shall deliver to the Indenture Trustee (1) a security agreement granting the Indenture Trustee on behalf of the Secured Parties a first priority perfected security interest in the funds and Government Securities so delivered by the Issuer, (2) an Opinion of Counsel as to the enforceability and perfection of such security interest and (3) a confirmation by an Independent certified public accounting firm that the funds and Government Securities so delivered are sufficient to pay all relevant Scheduled Defeasance Payments. The Issuer, pursuant to the security agreement described above, shall authorize and direct that the payments received from the Government Securities shall be made directly to the Indenture Trustee and applied to satisfy the obligations of the Issuer under the Notes of such Series and the other Transaction Documents.

(b) Series or Class Defeasance. Subject to the terms of each applicable Series Supplement, at any time, the Obligors may obtain the release from all covenants of this Base Indenture in respect of a particular Series or Class of Notes (the “Defeased Notes”) by delivering funds and/or Government Securities that provide for Scheduled Defeasance Payments solely with

respect to such Defeased Notes; *provided* that (i) the Issuer shall pay or deliver on the Defeasance Date (a) all interest accrued and unpaid on such Defeased Notes to but not including the Defeasance Date, (b) all other sums then due under each Class of Defeased Notes and all other Transaction Documents executed in connection therewith, including any costs incurred in connection with such defeasance, and (c) funds and/or Government Securities providing for payments equal to the Scheduled Defeasance Payments solely with respect to each class of Defeased Notes; and (ii) a notice shall have been delivered to the Rating Agencies. In addition, the Issuer shall deliver to the Indenture Trustee (1) a security agreement granting the Indenture Trustee on behalf of the Secured Parties in respect of the applicable Defeased Notes a first priority perfected security interest in the funds and Government Securities so delivered by the Issuer, (2) an Opinion of Counsel as to the enforceability and perfection of such security interest and (3) a confirmation by an Independent certified public accounting firm that the funds and Government Securities so delivered are sufficient to pay all Scheduled Defeasance Payments solely with respect to the relevant Defeased Notes; *provided further* that (i) if, after giving effect to the deposit, any other Series or Class of Notes is Outstanding, the Issuer delivers to the Indenture Trustee an Officer's Certificate of the Issuer stating that (x) the defeasance was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding other creditors, and (y) such defeasance will not result in a breach or violation of, or constitute a default under, the Indenture or any other Transaction Documents, (ii) the Rating Agency Confirmation is received with respect to each Series of Notes Outstanding, if any, other than the Defeased Notes and (iii) the Indenture Trustee shall have received an Officer's Certificate and Opinion of Counsel described in Section 15.01. The Issuer, pursuant to the security agreement described above, shall authorize and direct that the payments received from the Government Securities shall be made directly to the Indenture Trustee and applied to satisfy the obligations of the Issuer with respect to the applicable Defeased Notes under the Transaction Documents.

(c) If the Asset Entities will continue to own any material assets other than the Government Securities and funds delivered in connection with the defeasance of Defeased Notes, the Issuer or Co-Issuer, as applicable, shall establish or designate a special-purpose bankruptcy-remote successor entity acceptable to the Indenture Trustee (acting at the prior written direction of the Servicer), with respect to which a substantive non-consolidation Opinion of Counsel reasonably satisfactory to the Indenture Trustee (and any such Opinion of Counsel consistent with the prior non-consolidation Opinion of Counsel most recently delivered to the Indenture Trustee will be deemed to be reasonably satisfactory to the Indenture Trustee) has been delivered to the Indenture Trustee and to transfer to that entity the pledged Government Securities and funds. The new entity shall assume the obligations of the Issuer and/or Co-Issuer, as applicable, under the Notes being defeased and the other Transaction Documents and the Obligors and the Holdco Guarantor shall be relieved of their obligations in respect thereof under the Transaction Documents. The Issuer and/or Co-Issuer, as the case may be, shall pay Ten Dollars (\$10) to such new entity as consideration for assuming such obligations.

(d) If the Issuer satisfy the requirements of Section 2.11(a) to defease the Notes and delivers to the Indenture Trustee an Officer's Certificate of the Issuer and an Opinion of Counsel in compliance with Section 15.01, the Indenture Trustee shall promptly execute, acknowledge and deliver to the Obligors a release of the Collateral under the applicable Transaction Documents in recordable form to the extent applicable for such release; *provided* that

the Obligors shall, at their sole expense, prepare any and all documents and instruments necessary to effect such release, all of which shall be subject to the reasonable approval of the Indenture Trustee, and the Obligors shall pay all costs reasonably incurred by the Indenture Trustee (including reasonable attorneys' fees and disbursements) in connection with the review, execution and delivery of the documents and instruments necessary to effect such release.

(e) All monies deposited with the Indenture Trustee pursuant to this Section 2.11 with respect to any or all Series of Notes shall be held in trust and applied by the Indenture Trustee, in accordance with the provisions of the Notes of such Series and this Base Indenture, to the payment through the Paying Agent to the Holders of the particular Notes of such Series for the payment of which such monies have been deposited with the Indenture Trustee, of all sums due and to become due thereon for the principal balance of such Notes and interest but such monies need not be segregated from other funds except to the extent required in this Base Indenture or required by law.

Section 2.12. Additional Contributed Markets; Retained Collections Contributions; Additional Notes.

(a) Additional Contributed Markets. From time to time the Manager may, but is not required to, designate additional geographic areas as Contributed Markets and contribute related Fiber Network Assets and the related Customer Agreements and Customer Receivables (including any Additional Asset Entity Fiber Network, collectively, the "Additional Fiber Network Assets"), as additional Collateral for the Notes, in each case subject to and in accordance with the Operation Standards; *provided* that, in connection with each such addition the following conditions, as certified in an Officer's Certificate to the Servicer and the Indenture Trustee by the Manager, are satisfied immediately after giving effect thereto as of the applicable Additional Fiber Network Acquisition Date:

- (i) if any of the related Additional Fiber Network Assets is an Additional Asset Entity Fiber Network, the related Additional Asset Entity executes and delivers to the Indenture Trustee a Joinder Agreement (provided that the Indenture Trustee and the Servicer have no obligation to review such agreement);
- (ii) either (1) with respect to any fiscal year, the Manager's reasonable estimate of the Aggregate Annualized Net Cash Flow of the fiber networks that are proposed to become Additional Fiber Networks in such new Contributed Markets (together with such estimates for all other fiber networks that are proposed to become Additional Fiber Networks by contribution in such fiscal year, in each case as of the date of such contribution) is less than 5% of the Aggregate Annualized Net Cash Flow for all Collateral (including the proposed additional Fiber Networks), or (2) a Rating Agency Confirmation is received with respect to such contribution;
- (iii) the Indenture Trustee and the Servicer have received Opinions of Counsel consistent with the Opinions of Counsel delivered on the most recently occurring Closing Date as they may reasonably request;

- (iv) if the Notes are Specially Serviced Notes, the Servicer consents thereto; and
- (v) the Manager delivers an updated schedule reflecting such new Contributed Markets and Additional Fiber Networks to the Indenture Trustee, each Rating Agency, the Servicer and the Back-Up Manager.

(b) Retained Collections Contributions. Any Obligor may designate (x) cash capital contributions made to such Obligor at any time by the Manager or an affiliate of the Manager and/or (y) any amount allocated under clause (xxi) of the Priority of Payments on any Payment Date that is retained by the Obligors and, in each case, deposited into the Liquidity Reserve Account, as a “Retained Collections Contribution”; *provided* that a cash capital contribution shall not be deemed to be a Retained Collections Contribution if, as of the related deposit date into the Liquidity Reserve Account, (x) the aggregate Retained Collections Contributions during the immediately preceding twelve-month period would exceed the greater of (A) 7.5% of Annualized Net Cash Flow as of the last day of the immediately preceding calendar month and (B) \$8,500,000 million or (y) the aggregate Retained Collections Contributions since the Series 2026-1 Closing Date would exceed the greater of (A) 15% of Annualized Net Cash Flow as of the last day of the immediately preceding calendar month and (B) \$17,000,000 million. Any Retained Collections Contribution made following a Collection Period, but on or before the related Payment Date may, at the Issuer’s discretion as designated in the applicable Manager Report, be included in Aggregate Annualized Net Cash Flow as of the related Determination Date. Any Retained Collections Contributions will be part of Aggregate Annualized Net Cash Flow for one year from the related deposit date. Any Retained Collections Contribution will be required to be retained in the Liquidity Reserve Account until the earlier of (i) one year after its related deposit date, and (ii) such Retained Collections Contribution being required to be used to satisfy any Liquidity Reserve Draw Amount. Upon the satisfaction of the preceding clause (i), the Obligors (or the Manager on their behalf) may direct the Indenture Trustee in writing to release the related Retained Collections Contributions from the Liquidity Reserve Account and deposit such amount to the Collection Account on the following Payment Date for application in accordance with the Priority of Payments on such Payment Date pursuant to the related Manager Report. For the avoidance of doubt, Retained Collections Contributions will not be annualized.

(c) Additional Notes. The Issuer may at any time and from time to time issue additional Notes (“Additional Notes”) pursuant to a Series Supplement in one or more Classes each of which will rank *pari passu* with each Class of Notes Outstanding bearing the same alphanumerical Class designation (regardless of Series or date of issuance), if any, and may have other characteristics different than the other Outstanding Notes. If any Notes (other than Additional Notes) will remain outstanding after the issuance of such Additional Notes (such Notes, “Continuing Notes”), the following conditions will be required to be satisfied to issue such Additional Notes, as certified in an Officer’s Certificate to the Servicer and the Indenture Trustee (with a copy to the Back-Up Manager) by the Manager:

- (A) if any Series of Variable Funding Notes will be Continuing Notes, the Rated Final Payment Date of the Additional Notes will be later than the Rated Final Payment Date for such Series of Variable Funding Notes,

- (B) the Senior DSCR is equal to or greater than 2.00x, as calculated on a *pro forma* basis after giving effect to such issuance (and any concurrent acquisition of any Additional Fiber Network Assets, Additional Asset Entity Fiber Network Assets and other Collateral and any concurrent repayment of Notes),
- (C) the Class A Leverage Ratio, as calculated on a *pro forma* basis after giving effect to such issuance (and any concurrent acquisition of any additional Fiber Network Assets, Additional Asset Entity Fiber Network Assets or other Collateral and any concurrent repayment of Notes), is less than or equal to 6.50x; *provided*, that such threshold may be increased at the request of the Issuer upon obtaining the consent of the Noteholders representing more than 50% of the Class Principal Balance of the Class A Notes,
- (D) Rating Agency Confirmation with respect to each Class of Continuing Notes is obtained, and
- (E) the Issuer receives an Opinion of Counsel (which opinion may contain similar assumptions and qualifications as are contained in the Opinion of Counsel with respect to the tax treatment of the Notes delivered on the most recent prior Closing Date) to the effect that the issuance of such Additional Notes will not, for United States federal income tax purposes, (x) cause the Issuer to be taxable as other than a partnership that is not a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes within the meaning of Section 7704 of the Code or a disregarded entity at the date of issuance or (y) cause any of the Continuing Notes that are characterized as indebtedness to be characterized as other than indebtedness.

Further, the Issuer may, but is not obligated to, issue Additional Notes of an existing Series and Class, subject to the issuance conditions for Additional Notes set forth above in this Section 2.12(c); *provided* that any execution of Notes or registration of Uncertificated Notes with respect to an increase in the Class A-1-V Notes Maximum Principal Amount with respect to any existing Series of Variable Funding Notes or with respect to an increase in the Class A-1-L Notes Maximum Principal Amount with respect to any existing Series of Liquidity Funding Notes, as applicable, shall only be subject to the satisfaction of the conditions set forth in clauses (A) and (B) of this Section 2.12(c).

Section 2.13. Appointment of the Verification Agent.

(a) As of the Series 2026-1 Closing Date, the Issuer appointed the Indenture Trustee as verification agent (in such capacity, the “Verification Agent”) who, as of the Series 2026-1 Closing Date, will continue to review, recalculate and confirm certain calculations contained in the Manager Report. The Issuer may appoint one or more additional verification agents after the Series 2026-1 Closing Date. The term “Verification Agent” shall include any additional verification agent. The Issuer may change the Verification Agent without prior notice

to any Noteholder. The Issuer shall notify the Indenture Trustee in writing of the name and address of any Verification Agent not a party to this Base Indenture. The Indenture Trustee is initially the sole Verification Agent as of the Series 2026-1 Closing Date.

(b) The Controlling Class Representative may replace any existing Verification Agent that has resigned or otherwise ceased to serve as Verification Agent, with a successor verification agent that is reasonably acceptable to the Indenture Trustee (acting at the direction of the Noteholders). The Controlling Class Representative shall so designate a Person (the “Designated Verification Agent”) to serve as successor verification agent by the delivery to the Indenture Trustee, the proposed successor verification agent and the existing Verification Agent of a written notice stating such designation. The Indenture Trustee shall, promptly after receiving any such notice, deliver to the Rating Agencies an executed Notice and Acknowledgment in the form of Exhibit G. The Designated Verification Agent shall become the Verification Agent on the date as of which the Indenture Trustee shall have received: (i) Rating Agency Confirmation with respect to each Series; (ii) an Acknowledgment of Proposed Verification Agent in the form of Exhibit H, executed by the Designated Verification Agent; and (iii) an opinion of counsel (which shall not be an expense of the Indenture Trustee) substantially to the effect that (A) the designation of the Designated Verification Agent to serve as Verification Agent is in compliance with this Section 2.13, (B) the Designated Verification Agent is validly existing and in good standing under the laws of the jurisdiction of its organization, (C) the Acknowledgment of Proposed Verification Agent has been duly authorized, executed and delivered by the Designated Verification Agent and (D) upon the execution and delivery of the Acknowledgment of Proposed Verification Agent, the Designated Verification Agent shall be bound by the terms of this Base Indenture and, subject to customary bankruptcy and insolvency exceptions and customary equity exceptions, that this Base Indenture shall be enforceable against the Designated Verification Agent in accordance with its terms. Any existing Verification Agent shall be deemed to have been terminated simultaneously with the Designated Verification Agent’s becoming the Verification Agent hereunder; provided that the terminated Verification Agent shall be entitled to receive, in connection with, and upon the effective date of, its termination, payment out of the Collection Account of all of its accrued and unpaid Verification Agent Fee earned pursuant to Section 11.05 and reimbursement of any outstanding Additional Securitization Expenses previously made or incurred by the terminated Verification Agent and any other amounts which the terminated Verification Agent is entitled to receive and which remain unpaid or unreimbursed; provided, further that the terminated Verification Agent shall continue to be entitled to receive all other amounts accrued or owing to it under this Agreement or under any of the other Transaction Documents on or prior to the effective date of such termination. Such terminated Verification Agent shall cooperate with the Indenture Trustee and the replacement Verification Agent in effecting the transfer of the terminated Verification Agent’s responsibilities and rights hereunder to its successor. The reasonable out-of-pocket costs and expenses of any such transfer shall in no event be paid by the Indenture Trustee or the Verification Agent, and instead shall be paid by the Controlling Class Representative or the holders (or, if applicable, the Note Owners) of the Class of Notes that directed the Controlling Class Representative to remove the terminated Verification Agent, as such parties may agree; provided that no such transfer shall become effective until such reasonable out-of-pocket costs and expenses have been paid in full by the Controlling Class Representative or the holders (or, if applicable, the Note Owners) of the Class of Notes that directed the Controlling Class Representative to remove the terminated Verification Agent.

ARTICLE III
ESTABLISHMENT OF ACCOUNTS AND CASH MANAGEMENT

Section 3.01. Establishment of Collection Account, Prefunding Accounts, Insurance Proceeds Account and Reserve Accounts.

(a) On or prior to the Series 2026-1 Closing Date, an Eligible Account shall be established by the Issuer, in the name of the Indenture Trustee, for the benefit of the Secured Parties to serve as the collection account (such account, and any account replacing the same in accordance with this Base Indenture and the Cash Management Agreement, the "Collection Account"; and the depository institution in which the Collection Account is maintained, the "Collection Account Bank"). The Collection Account Bank shall initially be the Indenture Trustee and shall be entitled to all rights, protections, privileges and immunities afforded to the Indenture Trustee under the Transaction Documents as if they were each expressly set forth herein for the benefit of the Collection Account Bank, *mutatis mutandis*.

(b) On or before the Closing Date for any Series of Notes for which a Prefunding Account is established, an Eligible Account shall be established by the Issuer, in the Indenture Trustee's name for the benefit of the Secured Parties, to serve as the Prefunding Account for such Series of Notes (the depository institution in which such Prefunding Account is maintained, the "Prefunding Account Bank"). The Prefunding Account Bank shall initially be the Indenture Trustee and shall be entitled to all rights, protections, privileges and immunities afforded to the Indenture Trustee under the Transaction Documents as if they were each expressly set forth herein for the benefit of the Prefunding Account Bank, *mutatis mutandis*.

(c) On or prior to the Series 2026-1 Closing Date, the Reserve Accounts and the Insurance Proceeds Accounts shall be established by the Issuer, in the name of the Indenture Trustee for the benefit of the Secured Parties. The Collection Account, the Prefunding Accounts, the Insurance Proceeds Account and the Reserve Accounts shall be non-interest bearing segregated trust accounts under the sole dominion and control of the Indenture Trustee (which dominion and control may be exercised by the Servicer as provided by the express terms of this Base Indenture or any other Transaction Document, or other designee of the Indenture Trustee); and except as expressly provided hereunder, in any Series Supplement, or in the Cash Management Agreement, the Obligors shall not have the right to control or direct the investment or payment of funds therein. The Obligors shall change any financial institution in which any Account is maintained if such Account is no longer an Eligible Account, subject to the immediately preceding sentence.

(d) The Issuer shall pay, in accordance with the Priority of Payments, all reasonable out-of-pocket costs and expenses incurred by the Indenture Trustee in connection with the transactions and other matters contemplated by this Section 3.01, including the Indenture Trustee's reasonable attorneys' fees and expenses, and all reasonable fees and expenses of the Collection Account Bank and Prefunding Account Bank, including their reasonable attorneys' fees and expenses.

Section 3.02. Deposits to the Control Accounts and the Collection Account; Excluded Amounts.

(a) Deposits to Control Accounts and the Collection Account. On and after the Series 2026-1 Closing Date, Residential Customers party to Customer Agreements with the Asset Entities will be directed to pay all fees and other amounts due to the Asset Entities on or after the Series 2026-1 Closing Date directly into a Control Account.

The Obligors and the Manager may (and in the case of clause (ii) below, shall) withdraw available amounts on deposit in the Control Accounts to make the following payments and deposits:

- (i) as and when necessary, to pay to the applicable payee any Excluded Amounts; and
- (ii) subject to the terms of the Cash Management Agreement, within two (2) Business Days of identification thereof into such Control Accounts, all Retained Collections then on deposit in such Control Account to the Collection Account.

Notwithstanding anything herein to the contrary, any Retained Collections required under the Transaction Documents to be deposited into the Insurance Proceeds Account shall not be required to be deposited into the Collection Account until such time, if any, as they are released into the Collection Account as set forth in Section 7.06(b).

The Indenture Trustee shall not be responsible for monitoring the Control Accounts or Collection Account and all fees, expenses and indemnity amounts payable to any entity that is holding such Control Account or the Collection Account shall, with respect to such account, be treated as costs and expenses borne by the Obligors and paid as Additional Securitization Expenses pursuant to the Priority of Payments.

Notwithstanding anything to the contrary in this Agreement, any Collections received from Customers in the forms of checks or other physical means of payment shall be deemed to be received upon the deposit of the related funds in the applicable Account.

(b) Excluded Amounts. Excluded Amounts will not be required to be transferred into the Collection Account, will not constitute Collateral regardless of whether such amounts are deposited into any Account, and will therefore not be available to pay interest on and principal of the Notes; provided, that (i) cash capital contributions as set forth in clause (b) of the definition of Excluded Amounts may be applied in the manner designated by the Manager (including to be transferred into the Collection Account or to pay interest on and principal of the Notes) and (ii) any Excluded Amounts inadvertently held in the Collection Account may be used for the purposes described in the definition of Excluded Amounts.

In the event that the Manager, acting on behalf of the Obligors, directs the Indenture Trustee in writing to withdraw from the applicable Account (or directs the Indenture Trustee to draw upon any Liquidity Reserve Letter of Credit) and distribute to the Manager amounts on deposit in the Liquidity Reserve Account (or available under any Liquidity Reserve Letter of Credit) in order for the Manager to pay, without duplication, any due and unpaid Reserved Fixed Costs, then, upon receipt of any such written direction from the Manager (each, including as may be set forth in the applicable Manager Report, a "Direction Letter"), to

be provided at least two (2) Business Days prior to payment (or such shorter period of time as may be acceptable to the Indenture Trustee in its sole discretion, the Indenture Trustee shall disburse such amounts specified in, and in accordance with, such Direction Letter (including to the Manager who shall, if applicable, cause the payment of such amounts to the applicable recipients thereof).

Section 3.03. Special Withdrawals from the Collection Account. During a Rapid Amortization Period or if an Event of Default has occurred and is continuing, the Indenture Trustee shall, from time to time and solely in accordance with a Direction Letter (or, when the Notes become Specially Serviced Notes, solely with the written direction of the Servicer), without regard to the limitations described under Section 5.01, make withdrawals from the Collection Account to pay or reimburse the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee for any amounts then due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee, respectively, under the Transaction Documents. To the extent that the Indenture Trustee makes any withdrawals to make payments of amounts in the manner described in this paragraph, such amounts shall not be paid on any subsequent Payment Date pursuant to the Priority of Payments.

Section 3.04. Application of Funds in the Collection Account. Funds in the Collection Account shall be allocated on each Payment Date in accordance with Section 5.01.

Section 3.05. [Reserved].

Section 3.06. Application of Funds after Event of Default. If the maturity of the Notes is accelerated following the occurrence and continuation of an Event of Default, then, notwithstanding anything to the contrary in this Article III, the Indenture Trustee, at the written request of the Servicer, in addition to all other rights and remedies available to it, may use funds on deposit in the Collection Account or the Reserve Accounts (or any portion thereof) and all other cash reserves held by or on behalf of the Indenture Trustee for the payment of all or any portion of the Obligations; *provided*, that such application of funds shall not cure or be deemed to cure any default; *provided, further*, that any payments with regard to any application of any such amounts will be made in accordance with the Priority of Payments. Neither the Indenture Trustee nor the Servicer is obligated to apply, or to cause the application of, all or any portion of the funds in the Reserve Accounts during the continuance of an Event of Default to payment of the Notes or in any specific order of priority except as set forth in the immediately preceding sentence (*provided*, that the funds in any Yield Maintenance Reserve Account will only be applied to payments with respect to the related Classes of Notes as set forth in the applicable Series Supplement). If the maturity of the Notes has been accelerated following the occurrence and continuation of an Event of Default, the funds in each Prefunding Account shall be used in accordance with Section 2.09(b). The provisions of this Section are subject to the provisions of Section 10.01 and Section 11.01(a).

**ARTICLE IV
RESERVES**

Section 4.01. Security Interest in Reserves; Other Matters Pertaining to Reserves.

(a) The Obligors hereby grant to the Indenture Trustee on behalf of the Secured Parties a security interest in and to all of the Obligors' right, title and interest in and to the Account Collateral, including the Reserves, as security for payment and performance of all of the Obligations hereunder and under the other Transaction Documents, in accordance with the terms of Section 14.01.

Section 4.02. Return of Reserves; Funding at Closings.

(a) Return of Reserves to Obligors. After repayment of all of the Obligations (other than contingent Obligations for which no demand of payment has been made), all funds held as Reserves will be promptly returned to, or as directed by, the Issuer on behalf of the Obligors. All Permitted Investments will mature or be liquidated at par no later than one Business Day prior to each Payment Date or otherwise when such funds are required to be distributed pursuant to Section 5.01. Each of the Collection Account Bank and the Prefunding Account Bank shall not in any way be held liable by reason of any insufficiency in any of the Collection Account, the Prefunding Account, or any Reserve Account resulting from any loss on any Permitted Investment included therein, except for losses attributable to the Collection Account Bank's or the Prefunding Account Bank's failure to make payments on such Permitted Investments issued by the Collection Account Bank or the Prefunding Account Bank, as applicable, in its commercial capacity as principal obligor and not as trustee, in accordance with their terms.

(b) Funding at Closings. Any required deposits into the Reserve Accounts or applicable Prefunding Account, as the case may be, on any Closing Date may occur by deduction from the amount of proceeds of the issuance of the Notes on such Closing Date that otherwise would be disbursed to the Issuer, followed by deposit of the same into the applicable Reserve Account or Prefunding Account in accordance with the Cash Management Agreement or the applicable Series Supplement on such Closing Date. Notwithstanding such deductions, such Notes shall be deemed for all purposes to be issued in full on such Closing Date.

Section 4.03. Yield Maintenance Reserve Accounts(a). On any Closing Date for a Series of Notes for which a Prefunding Account is established, the Issuer shall deposit with the Collection Account Bank for credit to the related Yield Maintenance Reserve Account the amount (if any) specified in the related Series Supplement. On each Payment Date, in accordance with the Manager's written direction and the related Series Supplement, the Indenture Trustee shall withdraw amounts from each Yield Maintenance Reserve Account for distribution in accordance with such Series Supplement; *provided* that, if on such date a Cash Sweep Period or Rapid Amortization Period is then in effect or an Event of Default has occurred and is continuing, such funds will be used (i) *first* to repay the principal amount of the applicable Classes of Term Notes of such Series of Notes as set forth in the Series Supplement for such Series and (ii) *second* to repay the other Term Notes in direct order of alphanumeric designation.

Section 4.04. Cash Trap Reserve Account.

(a) From and after the date that it is determined that a Cash Trap Period has commenced (as set forth in the Manager Report) and for so long as such Cash Trap Period continues to exist the Cash Trapping Percentage of the funds available to be paid pursuant to clause (viii) of the Priority of Payments shall be deposited into the Cash Trap Reserve Account.

(b) If a Cash Trap Period ceases to exist and none of a Cash Sweep Period, Rapid Amortization Period nor a Post-ARD Period is then in effect and no acceleration of the maturity of the Notes has occurred following the occurrence and continuation of an Event of Default, any funds then on deposit in the Cash Trap Reserve Account shall be deposited into the Collection Account for distribution on the immediately following Payment Date pursuant to the Priority of Payments.

(c) If a Cash Trap Period ceases to exist as a result of a Cash Sweep Period commencing, then the product of the Cash Sweep Percentage as of the first Payment Date during such Cash Sweep Period and the amount of funds on deposit in the Cash Trap Reserve Account shall be paid to the Holders of the Notes (other than any Liquidity Funding Notes) in respect of principal on such first Payment Date in direct order of alphanumerical designation *pro rata* among Holders of Notes within each Class of the same alphanumerical designation.

(d) On the first Payment Date to occur after (x) the commencement of a Rapid Amortization Period or (y) the acceleration of the maturity of the Notes following the occurrence and continuation of an Event of Default, the Indenture Trustee shall apply all the funds on deposit in the Cash Trap Reserve Account on such Payment Date pursuant to written direction of the Issuer, (or the Manager on its behalf) (i) to reimburse the Indenture Trustee, the Verification Agent, the Back-Up Manager and the Servicer for any amounts then due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee hereunder or under the other Transaction Documents (including unpaid Additional Securitization Expenses, and all unpaid fees, expenses, and indemnifications due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee hereunder and under the other Transaction Documents), and then (ii) to pay to the Holders of the Notes the amounts due in respect of the Notes as provided pursuant to clauses (x), (xi) and (xiv) of the Priority of Payments, as applicable.

(e) On any Payment Date, upon written direction by the Issuer (or the Manager on its behalf), the Indenture Trustee shall apply all the funds on deposit in the Cash Trap Reserve Account on such Payment Date (a) to reimburse the Indenture Trustee, the Verification Agent, the Back-Up Manager and the Servicer for any amounts then due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee under the Transaction Documents, and then (b) to pay to the Holders of each Class of Notes in direct order of alphanumerical designation in respect of principal, *pro rata* among Holders of the Notes within each Class of the same alphanumerical designation.

(f) On the first Payment Date to occur on or after the commencement of a Post-ARD Period (in circumstances where there is no Rapid Amortization Period and no acceleration of the maturity of the Notes following the occurrence and continuation of an Event of Default), the Indenture Trustee shall apply all funds on deposit in the Cash Trap Reserve Account on such

Payment Date pursuant to written direction of the Manager, acting on behalf of the Issuer, (i) to reimburse the Indenture Trustee, the Back-Up Manager, the Verification Agent and the Servicer for any amounts then due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee hereunder or under the other Transaction Documents (including unpaid Additional Securitization Expenses, and all unpaid fees, expenses, and indemnifications due to the Servicer, the Back-Up Manager, the Verification Agent and the Indenture Trustee hereunder and under the other Transaction Documents), and then (ii) to pay to the Holders of Notes subject to a Post-ARD Period (and to holders of all Class A-1 Notes, regardless of Series) the amounts provided pursuant to clauses (xii), (xv) and (xvi) of the Priority of Payments.

Section 4.05. Liquidity Reserve Account; Liquidity Reserve Letters of Credit.

(a) The Indenture Trustee, pursuant to the related Manager Report, shall deposit into the Liquidity Reserve Account on each Payment Date any amounts necessary to make the amount on deposit therein (without taking into consideration the amount of any Retained Collections Contributions on deposit therein on such Payment Date) equal to the Required Liquidity Reserve Amount as of such Payment Date, in each case to the extent of available funds in the Collection Account for such purpose under the Priority of Payments on such Payment Date.

(b) If on any Payment Date the amounts on deposit in the Liquidity Reserve Account (without taking into consideration the amount of any Retained Collections Contributions on deposit therein on such date) exceed the Required Liquidity Reserve Amount, the Obligor (or the Manager on their behalf) will direct the Indenture Trustee in writing to transfer such excess amount then on deposit in the Liquidity Reserve Account (a "Liquidity Reserve Release Amount") to the Collection Account for distribution in accordance with the Priority of Payments on such Payment Date.

(c) If, on the date that is five (5) Business Days prior to the expiration of any Liquidity Reserve Letter of Credit, such Liquidity Reserve Letter of Credit has not been replaced or renewed and is not scheduled to renew automatically pursuant to its terms, and the Issuer has not otherwise deposited funds into the Liquidity Reserve Account in an amount equal to the amount by which the Required Liquidity Amount exceeds the sum of (i) the amounts on deposit in the Liquidity Reserve Account on such date (without taking into consideration the amount of any Retained Collections Contributions on deposit therein on such date), plus (ii) the pro forma available amount of each Liquidity Reserve Letter of Credit that has been issued and is outstanding as of such date (excluding, for these purposes, the amount available to be drawn under such Liquidity Reserve Letters of Credit that will expire within such five (5) Business Day period), plus (iii) the aggregate outstanding amount of commitments available to fund Liquidity Funding Notes as of such date (such excess amount (if any), the "Liquidity Reserve Deficiency Amount"), then, at the option of the Issuer, the Indenture Trustee, upon written direction from the Issuer, shall (i) submit a notice of drawing under such Liquidity Reserve Letter of Credit, with a copy to the Servicer and the Issuer, and (ii) use the proceeds thereof to fund a deposit into the Liquidity Reserve Account in an amount sufficient to satisfy the Liquidity Reserve Deficiency Amount on such date.

(d) If, on any day when a Liquidity Reserve Letter of Credit is outstanding and a Rapid Amortization Period or an Event of Default has occurred and is continuing, then, no later

than the Business Day following the occurrence of such Rapid Amortization Period or Event of Default, to the extent the Required Liquidity Amount on such date exceeds the amounts on deposit in the Liquidity Reserve Account on such date (for these purposes, (x) without taking into consideration the amount of any Retained Collections Contributions on deposit therein as of such date and (y) calculated as if such Liquidity Reserve Letter(s) of Credit had not been issued and outstanding as of such date), the Indenture Trustee on behalf of and solely at the written direction of the Issuer, or the Servicer, on behalf of and solely at the written direction of the Issuer shall (i) submit a notice of drawing under such Liquidity Reserve Letter(s) of Credit, with a copy to the Indenture Trustee or the Servicer, as applicable, and the Issuer, and (ii) use the proceeds of such drawing to fund the Liquidity Reserve Account in an amount equal to such excess.

(e) If, on any day a Liquidity Reserve Letter of Credit is outstanding, such Liquidity Reserve Letter of Credit becomes an Ineligible Liquidity Reserve Letter of Credit, then no later than the fifth (5th) Business Day after such day, at the option of the Issuer, either (i) the Issuer shall fund a deposit into the Liquidity Reserve Account an amount sufficient to satisfy the Liquidity Reserve Deficiency Amount on such date (excluding, for these purposes, the amount available to be drawn under such Liquidity Reserve Letters of Credit that becomes an Ineligible Liquidity Reserve Letter of Credit), (ii) the Indenture Trustee shall, solely at the written direction from the Issuer or the Servicer on behalf of the Indenture Trustee and solely at the written direction of the Issuer, (x) submit a notice of drawing under such Liquidity Reserve Letter of Credit, with a copy to the Servicer and the Issuer, and (y) use the proceeds thereof to fund a deposit into the Liquidity Reserve Account in an amount sufficient to satisfy the Liquidity Reserve Deficiency Amount on such date (excluding, for these purposes, the amount available to be drawn under such Liquidity Reserve Letters of Credit that becomes an Ineligible Liquidity Reserve Letter of Credit) and/or (iii) the Issuer shall obtain one or more replacement Liquidity Reserve Letters of Credit (that is not an Ineligible Liquidity Reserve Letter of Credit) on substantially the same terms as each such Liquidity Reserve Letter of Credit being replaced.

(f) Each Liquidity Reserve Letter of Credit (a) shall name each of the Servicer and the Indenture Trustee, for the benefit of the Noteholders and the other Secured Parties, as the beneficiaries thereof; (b) shall allow the Indenture Trustee or the Servicer on the Indenture Trustee's behalf to submit a notice of drawing in respect of such Liquidity Reserve Letter of Credit whenever amounts would otherwise be required to be withdrawn from the Liquidity Reserve Account pursuant to this Base Indenture; (c) shall have an expiration date of no later than ten (10) Business Days prior to the termination date of the letter of credit commitment under the related agreement pursuant to which such Liquidity Reserve Letter of Credit was issued except as otherwise agreed by the applicable Letter of Credit Provider; and (d) shall indicate by its terms that the proceeds in respect of drawings under such Liquidity Reserve Letter of Credit will be paid directly into the Liquidity Reserve Account.

(g) [Reserved].

(h) In the event that a Liquidity Reserve Letter of Credit has been issued in full or partial satisfaction of the Required Liquidity Amount, the Issuer shall be entitled to submit an amendment to such Liquidity Reserve Letter of Credit and/or the excess amount of the related Liquidity Reserve Letter of Credit may be reduced by delivering a replacement or amended

Liquidity Reserve Letter of Credit to the Indenture Trustee or the Servicer, as applicable, reflecting such reduced amount. If the existing Liquidity Reserve Letter of Credit is so amended, the Indenture Trustee and the Servicer shall be entitled to execute or acknowledge such amendment based solely on the written confirmation from the Manager (in the form of an Officer's Certificate) acting in accordance with the Operation Standards that no deficit in the Required Liquidity Amount will exist on the immediately following Payment Date (after the allocation of all amounts on such Payment Date pursuant to the Priority of Payments). The Indenture Trustee or the Servicer, as applicable, will (without the consent of any Noteholder, the Controlling Class Representative or any other Secured Party) deliver to the Eligible L/C Provider any replaced Liquidity Reserve Letter of Credit for termination simultaneously with the receipt by the Indenture Trustee or the Servicer, as applicable, of the related replacement Liquidity Reserve Letter of Credit, upon the Indenture Trustee's or the Servicer's, as applicable, receipt of the written confirmation from the Manager (in the form of an Officer's Certificate) acting in accordance with the Operation Standards that no deficit in the Required Liquidity Amount will exist on the immediately following Payment Date (after the allocation of all amounts on such Payment Date pursuant to the Priority of Payments).

(i) [Reserved].

(j) In accordance with Section 3.02(b), the Manager, acting on behalf of the Obligors, will direct the Indenture Trustee in a Direction Letter, to be provided at least two (2) Business Days prior to payment (or such shorter period of time as may be acceptable to the Indenture Trustee in its sole discretion) to distribute to the Manager amounts on deposit in the, to distribute to the Manager amounts on deposit in the Liquidity Reserve Account (or direct the Indenture Trustee to distribute amounts available under any Liquidity Reserve Letter of Credit) in order for the Manager to pay any due and unpaid Fiber Network Operating Expenses.

(k) If the Liquidity Reserve Draw Amount, as set forth in the Manager Report delivered on the Reporting Date immediately preceding any Payment Date, is greater than zero, (a) on such Payment Date, the Indenture Trustee shall, solely in accordance with a related Issuer direction, withdraw from the Liquidity Reserve Account an aggregate amount equal to the lesser of (x) the Liquidity Reserve Draw Amount and (y) the amount on deposit in the Liquidity Reserve Account, and (b) on such Payment Date, solely in accordance with a related Issuer direction, to the extent that the amount set forth in clause (a) is less than the Liquidity Reserve Draw Amount set forth in such Manager Report, the Indenture Trustee shall draw on any Liquidity Reserve Letters of Credit in an amount equal to such shortfall, and, in each case, shall deposit such amounts into the Collection Account. If, after giving effect to the foregoing, the amounts withdrawable from the Liquidity Reserve Account are insufficient to fund the entirety of such Liquidity Reserve Draw Amount, the Issuer expects that proceeds of a Liquidity Funding Advance will have been made available to it to fund the remaining amount of such Liquidity Reserve Draw Amount, subject to the terms and conditions of the applicable Liquidity Funding Note Purchase Agreement.

(c) Each payment with respect to a Book-Entry Note shall be paid by the Indenture Trustee pursuant to written direction to the Depository, as Holder thereof, and the Depository shall be responsible for crediting the amount of such payment to the accounts of its DTC Participants in accordance with its normal procedures. Each DTC Participant shall be responsible for making such payment to the related Note Owners that it represents and to each indirect participating brokerage firm for which it acts as agent. Each such indirect participating brokerage firm shall be responsible for disbursing funds to the related Note Owners that it represents. None of the parties hereto shall have any responsibility therefor except as otherwise

(d) The rights of the Noteholders to receive payments from the proceeds of the Collateral in respect of their Notes, and all rights and interests of the Noteholders in and to such payments, shall be as set forth in this Base Indenture. Neither the Holders of any Class of Notes nor any party hereto shall in any way be responsible or liable to the Holders of any other Class of Notes in respect of amounts previously paid on the Notes in accordance with this Base Indenture.

(e) Except as otherwise provided herein, if a Responsible Officer of the Indenture Trustee receives written notice that the final payment with respect to any Series and Class of Notes will be made on the next Payment Date, the Indenture Trustee shall, as promptly as possible thereafter, make available to each Holder of a Definitive Note of such Series and Class of Notes of record on such date a notice to the effect that:

(i) the Indenture Trustee expects that the final payment with respect to such Series and Class of Notes will be made on such Payment Date but only upon presentation and surrender of such Definitive Notes at the office of the Note Registrar or at such other location therein specified, and

(ii) no interest shall accrue on such Notes from and after the end of the Interest Accrual Period for such Payment Date.

Any funds not paid to any Holder or Holders of Definitive Notes of such Series and Class on such Payment Date because of the failure of such Holder or Holders to tender their Definitive Notes shall, on such date, be set aside and credited to, and shall be held uninvested in trust for, the account or accounts of the appropriate non-tendering Holder or Holders. If any Definitive Notes as to which notice has been given pursuant to this [Section 5.01\(e\)](#) shall not have been surrendered for cancellation within six months after the time specified in such notice, the Indenture Trustee shall mail a second notice to the remaining non-tendering Noteholders to surrender their Definitive Notes for cancellation in order to receive the final payment with respect thereto. If within one (1) year after the second notice all such Definitive Notes shall not have been surrendered for cancellation, then the remaining amount due shall be discharged from the trust under this Base Indenture and the Indenture Trustee shall return the remaining amount due and payable on such Definitive Notes to, or at the direction of, the Issuer upon receipt of an Issuer Request, and each Holder of the Definitive Notes due such remaining amount, as an unsecured general creditor, shall look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease. The costs and expenses of holding such funds in trust and of contacting such Noteholders following the first anniversary of the delivery of such second notice to the non-tendering Noteholders shall be paid out of such funds. No interest shall accrue or be payable to any former Holder on any amount held in trust pursuant to this paragraph.

(f) Notwithstanding any other provision of this Base Indenture, the Indenture Trustee shall comply with all withholding requirements respecting payments to Noteholders of interest or original issue discount ("OID") that the Indenture Trustee reasonably believes are applicable under the Code or any similar provision of state, local or foreign law. The consent of

Noteholders shall not be required for such withholding. If the Indenture Trustee does withhold any amount from payments or advances of interest or OID to any Noteholder pursuant to any applicable withholding requirements, the Indenture Trustee shall indicate the amount withheld to such Noteholder. Any amounts so withheld shall be deemed to have been paid to such Noteholder for all purposes of this Base Indenture.

Section 5.02. Payments of Principal.

(a) Any Monthly Amortization Amount for a Series of Notes will be payable as provided in the related Series Supplement.

(b) Commencing on the first Payment Date to occur on or after an acceleration of the maturity of the Notes following the occurrence and during the continuance of an Event of Default, all the Available Funds pursuant to Section 5.01(a)(x) shall be applied to repay the Class Principal Balance of each outstanding Class of Notes as provided therein.

(c) On the first Payment Date to occur after a Cash Sweep Period commenced and is continuing, the product of the Cash Sweep Percentage as of such Payment Date and the remaining Available Funds pursuant to Section 5.01(a)(ix) will be applied to repay the Class Principal Balance of each outstanding Class of Notes as provided therein.

(d) Commencing on the first Payment Date to occur on or after the occurrence and during the continuance of a Rapid Amortization Period, the Available Funds pursuant to Sections 5.01(a)(xi) or 5.01(a)(xiv), as applicable, shall be applied to repay the Class Principal Balance of each outstanding Class of Notes as provided therein.

(e) Commencing on the first Payment Date to occur on or after the occurrence and during the continuance of an ARD Period with respect to any Classes of Notes in a Series, (x) the Available Funds pursuant to Section 5.01(a)(xii) will be applied to pay (i) *first*, the Class Principal Balance of all Variable Funding Notes regardless of Series, and (ii) *second*, the aggregate Class Principal Balance of the Class A-2 Notes and Class B Notes of any Series with respect to which the ARD Period has commenced in order of alphanumeric designation and (y) the Available Funds pursuant to Section 5.01(a)(xv) will be applied to pay the Class Principal Balance of the Class C Notes of any Series with respect to which the ARD Period has commenced.

(f) If any funds remain on deposit in a Prefunding Account at the end of the applicable Prefunding Period, the amount of such funds will be withdrawn and applied to prepay the applicable Series of Notes on the next Payment Date pursuant to Section 2.09(b).

Section 5.03. Payments of Interest. On each Payment Date, Accrued Note Interest (other than Post-ARD Additional Interest) then due on all Classes of Notes will be paid from Available Amounts in accordance with Sections 5.01(a)(iii), 5.01(a)(iv), and 5.01(a)(xiii), respectively. Payments in respect of these amounts shall be allocated among the Classes of Notes in direct order of alphanumeric designation and shall be allocated within a Class to the Holder of each Note of that Class *pro rata* based on the amount of Accrued Note Interest accrued on such Note.

Section 5.04. No Gross Up. The Issuer shall not be obligated to pay any additional amounts to the Holders or the holders of beneficial interests in the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges. The Indenture Trustee shall be entitled to deduct FATCA Withholding Tax and shall have no obligation to gross-up any payment hereunder or to pay any additional amount as a result of such FATCA Withholding Tax. Nothing in the immediately preceding sentence shall be construed as obligating the Obligor to make any “gross up” payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted. Each Noteholder or Note Owner, by its acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, agrees to provide and, upon request, shall provide to the Indenture Trustee, Paying Agent and/or the Issuer (or other person responsible for withholding of taxes) the Noteholder Tax Identification Information. Further, each Noteholder and Note Owner is deemed to understand, acknowledge and agree that the Indenture Trustee, Paying Agent and Issuer have the right to withhold on payments with respect to a Note (without any corresponding gross-up) where an applicable party fails to comply with the requirements set forth in the preceding sentence or the Indenture Trustee, Paying Agent or Issuer is otherwise required to so withhold under applicable law. Notwithstanding any other provisions herein, the term ‘applicable law’ for purposes of this Section 5.02 includes U.S. federal tax law and FATCA.

The execution, delivery and performance by it of the Transaction Documents to which it is a party and the consummation of the transactions contemplated thereby do not and will not: (1) contravene (x) any provision of its applicable Organizational Documents, (y) any provision of law applicable to it (except where such violation will not cause a Material Adverse Effect) or (z) any order, judgment or decree of any Governmental Authority binding on it or any of its property (except where such violation will not cause a Material Adverse Effect); (2) result in a breach of or constitute (with due notice or lapse of time or both) a default under any Contractual Obligation binding upon it or its property (except where such breach or default will not cause a Material Adverse Effect); or (3) result in or require the creation or imposition of any material Lien (other than the Lien of the Transaction Documents and other Permitted Encumbrances) upon its assets.

(b) Consents. The execution and delivery by it of the Transaction Documents to which it is a party, and the consummation of the transactions contemplated thereby do not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or any other Person which has not been obtained or made and is in full force and effect, other than (i) any of the foregoing the failure to have made or obtained which will not cause a Material Adverse Effect and (ii) any registrations, consents, approvals required pursuant to the Transaction Documents.

(c) Binding Obligations. This Base Indenture and each of the other Transaction Documents to which such Obligor is a party, when executed and delivered by such Obligor, is the legally valid and binding obligation of such Obligor, enforceable against it in accordance with its respective terms, subject to bankruptcy, insolvency, moratorium, reorganization and other similar laws affecting creditors' rights.

Section 6.03. Financial Statements. All Financial Statements which have been furnished by or on behalf of the Obligors to the Indenture Trustee pursuant to this Base Indenture present fairly in all material respects the financial condition of the Persons covered thereby as of the dates covered by such Financial Statements.

Section 6.04. Indebtedness and Contingent Obligations. The Obligors have no outstanding Indebtedness or Contingent Obligations other than the Obligations and the Permitted Indebtedness.

Section 6.05. Fiber Network Assets.

Each of the Asset Entities has an interest in the Fiber Network Assets and the access rights granted pursuant to the Fiber Network Underlying Rights Agreements, held by it, free and clear of all Liens except for Permitted Encumbrances. The financing statements under the UCC will, upon filing (i) create perfected security interests in and to, and perfected collateral assignments of, all personal property in connection therewith (including the Customer Agreements and Customer Receivables (other than any Customer Agreement which, by its terms, does not allow for such a security interest to be granted)), and (ii) create perfected security interests in all fixtures, in each case to the extent that such liens and security interests may be perfected by filing a financing statement under the UCC, subject only to Permitted Encumbrances. There are (i) no proceedings in condemnation or eminent domain affecting any of the Fiber Network Assets, and

to the Knowledge of the Asset Entities, none is threatened, that in either case would individually or in the aggregate cause a Material Adverse Effect, and (ii) no mechanic's, materialman's or other similar liens or claims which have been filed for work, labor or materials affecting the Fiber Network Assets the effect of which is reasonably likely to have a Material Adverse Effect. The Permitted Encumbrances, in the aggregate, do not (w) materially interfere with the benefits of the security intended to be provided by the UCC financing statements and this Base Indenture, (x) materially and adversely affect the value of the Fiber Networks taken as a whole, (y) materially impair the use or operations of the Fiber Networks or (z) materially impair the Obligors' ability to pay their respective obligations in a timely manner. For the avoidance of doubt, no Obligor shall be required, and no Secured Party shall be authorized, to take any steps to perfect any security interest in the Fiber Network Assets by filing or recording any mortgages.

Section 6.06. Customer Agreements; Other Agreements.

(a) Material Agreements. The Obligors have delivered to the Indenture Trustee a list of all Material Agreements affecting the operation and management of the Fiber Networks as in effect on the applicable Closing Date, and such Material Agreements have not been modified or amended, except pursuant to amendments or modifications made available to the Indenture Trustee. Except for the rights of the Manager pursuant to the Management Agreement (and its sub-managers thereunder), no Person has any right or obligation to manage any of the Fiber Networks on behalf of the Asset Entities or to receive compensation in connection with such management. No Person (other than the Manager and its sub-managers) has any right or obligation to enter into customer contracts, or solicit customers, for the Fiber Networks, or to receive compensation in connection with such contracts.

(b) Customer Agreements. To the Issuer and the Asset Entities' Knowledge, (i) the Customer Agreements are in full force and effect and (ii) the Asset Entities have not given any notice of default to any Residential Customer under any Customer Agreement which remains uncured, except to the extent that the failure of the representations set forth in items (i) and (ii) is not reasonably likely to have a Material Adverse Effect.

(c) Management Agreement. The Issuer has delivered to the Indenture Trustee a true and complete copy of the Management Agreement as in effect on such date, and such Management Agreement has not been modified or amended, except pursuant to amendments or modifications delivered to the Indenture Trustee. The Management Agreement is in full force and effect and no default by any of the parties thereto exists thereunder.

Section 6.07. Litigation; Adverse Facts. There are no judgments outstanding against the Obligors, or affecting any of the Fiber Networks or any property of the Obligors, nor to the Obligors' Knowledge is there any action, charge, claim, demand, suit, proceeding, petition, governmental investigation or arbitration now pending or threatened against the Obligors or any of the Fiber Networks that could, in the aggregate, reasonably be expected to result in a Material Adverse Effect.

Section 6.08. Payment of Taxes. All material federal, state, provincial, territorial and local tax returns and reports of the Issuer and each Asset Entity required to be filed have been timely filed (or each such Person has timely filed for an extension and the applicable extension has

not expired), and all taxes, assessments, fees and other governmental charges (including any payments in lieu of taxes) upon such Persons and upon their respective properties, assets, income, profits, businesses and franchises which are due and payable have been timely paid except to the extent the same are being contested in accordance with Section 7.04(b) or except to the extent the effect of the failure to file such tax returns and reports or to pay such taxes, assessments, fees and other governmental charges could not reasonably be expected to result in a Material Adverse Effect.

Section 6.09. Performance of Agreements. To the Issuer's Knowledge, neither the Issuer nor the Asset Entities are in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Contractual Obligation of any such Persons which could, in the aggregate, reasonably be expected to have a Material Adverse Effect, and no condition exists that, with the giving of notice or the lapse of time or both, would constitute such a default which could, in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 6.10. Investment Company Act. The Obligors are not required to register as "investment companies" under the Investment Company Act.

Section 6.11. Employee Benefit Plans. The Obligors do not maintain or contribute to, or have any obligation (including any Contingent Obligation) under, any Employee Benefit Plans.

Section 6.12. Solvency. The Obligors (a) have not entered into any Transaction Document with the actual intent to hinder, delay, or defraud any creditor and (b) have received reasonably equivalent value in exchange for their obligations under the Transaction Documents. After giving effect to the issuance of the Notes (and the use of proceeds thereof), the fair saleable value of the Obligors' assets taken as a whole exceeds and will, immediately following the issuance of any Notes, exceed the Obligors' total liabilities, including subordinated, unliquidated, disputed or Contingent Obligations. The fair saleable value of the Obligors' assets taken as a whole are and will, immediately following the issuance of any Notes (and the use of proceeds thereof), be greater than the Obligors' probable liabilities, including the maximum amount of their Contingent Obligations on their debts as such debts become absolute and matured. The Obligors' assets taken as a whole do not and, immediately following the issuance of any Notes (and the use of proceeds thereof) will not, constitute unreasonably small capital to carry out their businesses as conducted or as proposed to be conducted. The Obligors do not intend to, and do not believe that they will, incur Indebtedness and liabilities (including Contingent Obligations and other commitments) beyond their ability to pay such Indebtedness and liabilities as they mature (taking into account the timing and amounts of cash to be received by the Obligors and the amounts to be payable on or in respect of obligations of the Obligors).

Section 6.13. Use of Proceeds and Margin Security. No portion of the proceeds from the issuance of the Notes shall be used by the Issuer or any Person in any manner that would cause the borrowing or the application of such proceeds to violate Regulation T, Regulation U or Regulation X or any other regulation of the Board of Governors of the Federal Reserve System.

Section 6.14. Insurance. Set forth on Schedule 6.14 is a description of all Insurance Policies for the Asset Entities that are in effect as of such date. Such Insurance Policies

conform to the requirements of Section 7.05. No notice of cancellation has been received with respect to such policies, and, to each Asset Entity's Knowledge, the Asset Entities are in compliance with all material conditions contained in such policies.

Section 6.15. Investments; Ownership of the Obligors. The Obligors have no (i) direct or indirect Equity Interest in any other Person (other than in the Asset Entities), or (ii) direct or indirect loan or advance or capital contribution to any other Person, including all indebtedness owed by that other Person (other than in the Asset Entities). Schedule 6.15 correctly sets forth the ownership interests of the Issuer and each of the Asset Entities and each of their respective subsidiaries as of such date.

Section 6.16. Environmental Compliance. Except to the extent the effect of the following representations not being true would not reasonably be expected to have a Material Adverse Effect: the Fiber Networks are in compliance with all applicable Environmental Laws; no notice of violation of such Environmental Laws has been issued by any Governmental Authority which has not been resolved; no action has been taken by the Asset Entities that would cause the Fiber Networks not to be in compliance with all applicable Environmental Laws pertaining to Hazardous Materials; and no Hazardous Materials are present at the Fiber Networks, except in quantities that do not violate applicable Environmental Laws.

Section 6.17. JPM Account Control Agreement. Each Control Account included within the Cash Concentration Service (as defined in the JPM Account Control Agreement) is established with JPM in the name of the Issuer or the Asset Entities and is subject to the JPM Account Control Agreement and the lien of the Indenture Trustee on behalf of the Secured Parties.

ARTICLE VII COVENANTS

Each of the Obligors, jointly and severally, covenants and agrees that until payment in full of the Obligations, it shall, and in the case of the Issuer shall cause the applicable Asset Entities to, perform and comply with all covenants in this Article VII applicable to such Person.

Section 7.01. Payment of Principal and Interest. Subject to Section 15.18 and Section 15.21, the Issuer shall duly and timely pay the principal and interest on the Notes of each Series in accordance with the terms of the Notes and this Base Indenture and the related Series Supplement and, in the case of Class A-1 Notes, the applicable Class A-1 Note Purchase Agreement. Amounts properly withheld under the Code by any Person from a payment to any Noteholder of interest or principal shall be considered as having been paid by the Issuer to such Noteholder for all purposes of this Base Indenture and the related Series Supplement.

Section 7.02. Financial Statements and Other Reports.

(a) Financial Statements.

(i) Quarterly Reporting on Uniti Group. So long as Uniti Group owns the Manager, within sixty (60) days after the end of each of the first three fiscal quarters in

each fiscal year (beginning with fiscal quarter ending March 31, 2026), the Issuer shall furnish to the Indenture Trustee, the Servicer, the Back-Up Manager, Fitch at globalcrosssectorsf@fitchratings.com (so long as Fitch is a Rating Agency for any Series of Notes) and KBRA at absurveillance@kbra.com (so long as KRBA is a Rating Agency for any Series of Notes) a copy of the unaudited quarterly consolidated financial statements of Uniti Group for such fiscal quarter, without notes, prepared in accordance with GAAP.

(iv) Annual Reporting on the Issuer. Within one hundred fifty (150) days after the end of each fiscal year (beginning with fiscal year ending December 31, 2026), the Issuer shall furnish to the Indenture Trustee, the Servicer, the Back-Up Manager, Fitch at globalcrosssectorsf@fitchratings.com (so long as Fitch is a Rating Agency for any Series of Notes) and KBRA at absurveillance@kbra.com (so long as KRBA is a Rating Agency for any Series of Notes) a copy of the audited annual consolidated financial statements of the Issuer for such fiscal year, prepared in accordance with GAAP, accompanied by a report by an independent certified public accounting firm of national standing.

(v) Manager Report. On or before 4:30p.m. (New York City time) on the third Business Day prior to each Payment Date (the “Reporting Date”), the Issuer shall furnish, or cause the Manager to furnish, to the Indenture Trustee, the Servicer, the Back-Up Manager, the Verification Agent, Fitch at globalcrosssectorsf@fitchratings.com (so long as Fitch is a Rating Agency for any Series of Notes) and KBRA at absurveillance@kbra.com (so long as KRBA is a Rating Agency for any Series of Notes) a report substantially in the form provided in the Management Agreement specifying, among other matters, the allocations of Retained Collections on the immediately following Payment Date (the “Manager Report”); *provided* that at any time a Liquidity Reserve Letter of Credit is outstanding, the Issuer shall furnish, or cause the Manager to furnish, a Manager Report to the parties specified in this clause no later than one Business Day prior to the

date the applicable Eligible L/C Provider requires notice for the applicable Liquidity Reserve Letter of Credit to be drawn in accordance with Section 4.05(j).

(vi) Additional Reporting. In addition to the foregoing, the Issuer shall promptly provide to the Indenture Trustee, the Servicer, the Back-Up Manager and the Rating Agencies such further documents and information concerning its operation of a Fiber Network and the financial affairs of the Obligor as the Indenture Trustee, the Servicer, the Back-Up Manager and Rating Agencies shall from time-to-time reasonably request upon prior written notice to the Issuer.

(vii) GAAP. The Issuer will maintain systems of accounting established and administered in accordance with sound business practices and sufficient in all respects to permit preparation of Financial Statements in conformity with GAAP.

(viii) Certifications of Financial Statements and Other Documents. Together with the financial statements provided pursuant to Sections 7.02(a)(i) through (iv), the Issuer or Uniti Group (or Manager, if Uniti Group ceases to own the Manager), as applicable, shall also furnish to the Indenture Trustee and the Servicer (with a copy to the Back-Up Manager), a certification upon which the Indenture Trustee, the Back-Up Manager and the Servicer may conclusively rely with no obligation to verify or confirm and with no liability therefor, executed by an Executive Officer of the Issuer or Uniti Group (or Manager, if Uniti Group ceases to own the Manager), as applicable, stating that to such officer's Knowledge after due inquiry such financial statements fairly present the financial condition and results of operations of the Issuer or Uniti Group (or Manager, if Uniti Group ceases to own the Manager), as applicable, on a consolidated basis for the period(s) covered thereby (except for the absence of footnotes with respect to the quarterly financial statements). In addition, where this Base Indenture requires a "Compliance Certificate", the Person required to submit the same shall deliver a certificate duly executed on behalf of such Person by an Executive Officer of the applicable Obligor, upon which the Indenture Trustee, the Back-Up Manager and the Servicer may conclusively rely with no obligation to verify or confirm and with no liability therefor, stating that, to such Executive Officer's Knowledge after due inquiry, there does not exist any Default or Event of Default, or if any of the foregoing exists, specifying the same in detail.

(ix) Fiscal Year. Neither of the Issuer nor any other Obligor shall change its fiscal year end from December 31 of each calendar year.

(x) SEC Filings. The Issuer will be deemed to have furnished the reports referred to in Section 7.02(a)(i) through (iv) above if Uniti Group or any parent entity of the Issuer has filed reports containing substantially such information (or any such information of a parent entity pursuant to the next succeeding sentence) with the U.S. Securities and Exchange Commission. Notwithstanding the foregoing, the Issuer may satisfy their obligations under Section 7.02(a)(i) through (iv) by furnishing financial information relating to any parent entity of the Issuer.

(b) Material Notices.

(i) The Issuer shall promptly deliver, or cause to be delivered, to the Servicer, the Indenture Trustee, the Back-Up Manager and the Rating Agencies, copies of all notices given or received with respect to a default under any term or condition related to any Permitted Indebtedness of any Obligor which default is reasonably likely to result in a Material Adverse Effect, and shall notify the Indenture Trustee, the Back-Up Manager and the Servicer in writing within five (5) Business Days after it obtains Knowledge of any material event of default with respect to any such Permitted Indebtedness.

(ii) The Issuer shall promptly deliver to the Indenture Trustee, the Back-Up Manager, the Servicer and the Rating Agencies copies of any and all notices of a material default or breach which is reasonably expected to result in a termination of any Material Agreement; *provided* that after and during the continuance of a Rapid Amortization Period or an Event of Default the Issuer shall promptly deliver to the Indenture Trustee, the Back-Up Manager and the Servicer copies of any and all notices of a material default or breach which is reasonably expected to result in a termination of any material contract or agreement.

(iii) The Issuer shall promptly deliver to the Servicer, the Back-Up Manager and the Rating Agencies copies of any and all notices received by any Obligor under the terms of the Shared Access and Services Agreement.

(c) Events of Default, etc. Promptly upon the Issuer obtaining Knowledge of any of the following events or conditions, the Issuer shall deliver to the Servicer, the Back-Up Manager, the Indenture Trustee (upon which each may conclusively rely with no obligation to verify or confirm and with no liability therefor) and the Rating Agencies a certificate executed on its behalf by an Executive Officer specifying the nature and period of existence of such condition or event and what action the Issuer or the affected Asset Entity or any Affiliate thereof has taken, is taking and proposes to take with respect thereto: (i) any condition or event that constitutes a Default or an Event of Default; (ii) the occurrence of any event that is reasonably likely to have a Material Adverse Effect; or (iii) any actual or alleged material breach or default or assertion of (or written threat to assert) remedies under the Management Agreement.

(d) Litigation. Promptly upon the Issuer obtaining Knowledge of (1) the institution of any action, suit, proceeding, governmental investigation or arbitration against an Obligor or any of the Fiber Networks not previously disclosed in writing to the Indenture Trustee and the Servicer and which is not covered by insurance or (2) any material development in any action, suit, proceeding, governmental investigation or arbitration at any time pending against or affecting an Obligor or any of the Fiber Networks and which is not covered by insurance, which, in each case of clauses (1) and (2), would be reasonably likely to have a Material Adverse Effect, the Issuer shall give notice thereof to the Indenture Trustee, the Back-Up Manager and the Servicer and, upon request from the Servicer, shall provide such other information as may be reasonably available to it to enable the Servicer and its counsel to evaluate such matter.

(e) Other Information. With reasonable promptness following written request therefor, the Issuer shall deliver such other information with respect to the operation of the Fiber Networks and the financial affairs of the Obligors as from time to time may be reasonably requested by the Indenture Trustee, the Back-Up Manager, the Servicer or the Rating Agencies.

Section 7.03. Existence; Qualification. The Issuer shall, and shall cause each Asset Entity owned by it to, at all times preserve and keep in full force and effect (i) its existence as a corporation, partnership, limited liability company or trust, as applicable, and (ii) all rights, franchises, licenses and permits material to its business, including its qualification to do business in each state where it is required by law to so qualify, except to the extent that the failure of any of the foregoing would not reasonably be expected have a Material Adverse Effect; *provided* that nothing contained in this Section 7.03 shall restrict the merger, consolidation or amalgamation of an Asset Entity with another Obligor or any transaction permitted by Section 7.19.

Section 7.04. Payment of Impositions and Claims.

(a) Except for those matters being contested pursuant to clause (b) below, the Issuer shall pay, and shall cause the Asset Entities owned by it to promptly pay, (i) all Impositions; (ii) all claims (including claims for labor, services, materials and supplies) for sums that have become due and payable and that by law have or may become a Lien (other than Permitted Encumbrances) upon any of its properties or assets (hereinafter referred to as the "Claims"); and (iii) all federal, state, provincial, territorial and local income taxes, sales taxes, excise taxes and all other taxes and assessments of the Issuer and the applicable Asset Entities on their businesses, income, profits, franchises or assets (except, in each case of clauses (i) through (iii), to the extent that the failure to pay any of the foregoing would not reasonably be expected have a Material Adverse Effect), in each instance before any material penalty or fine is incurred with respect thereto.

(b) The Asset Entities shall not be required to pay, discharge or remove any Imposition or Claim relating to a Fiber Network that it is otherwise obligated to pay, discharge or remove such Imposition or Claim so long as the Asset Entities or the Issuer contest in good faith such Imposition, Claim or the validity, applicability or amount thereof by an appropriate legal proceeding which operates to prevent the collection of such amounts and the sale of the applicable Fiber Network or any portion thereof, so long as: (i) no Event of Default shall have occurred and be continuing, (ii) prior to the date on which such Imposition or Claim would otherwise have become delinquent, the Issuer shall have caused the Asset Entities to have given the Indenture Trustee and the Servicer prior written notice of their intent to contest said Imposition or Claim and shall have deposited with the Indenture Trustee (or with a court of competent jurisdiction or other appropriate body if necessary) such additional amounts as are necessary to keep on deposit at all times, an amount by way of cash, equal to (after giving effect to any Reserves then held by the Indenture Trustee for the item then subject to contest) at least 125% of the total of (x) the balance of such Imposition or Claim then remaining unpaid, and (y) all interest, penalties, costs and charges accrued or accumulated thereon; (iii) no risk of sale, forfeiture or loss or material impairment of any interest in the applicable Fiber Network or any part thereof arises, in the Servicer's reasonable judgment (at any time the Notes are Specially Serviced Notes) or in the Manager's reasonable judgment (at any time the Notes are not Specially Serviced Notes), during the pendency of such contest; (iv) such contest does not, in the reasonable determination of the Manager or (at any time the Notes are Specially Serviced Notes) the Servicer, have a Material Adverse Effect; and (v) such contest is based on bona fide, material, and reasonable claims or defenses. Any such contest shall be prosecuted with due diligence, and the Issuer shall, or shall cause the applicable Asset Entity to, promptly pay the amount of such Imposition or Claim as finally determined, together with all

interest and penalties payable in connection therewith (it being understood that the Issuer shall have the right to direct the Indenture Trustee in writing to use the amount deposited with the Indenture Trustee under Section 7.04(b)(ii) for the payment thereof). The Indenture Trustee (at the direction of the Manager (at any time the Notes are not Specially Serviced Notes) and at the written direction of the Servicer (at any time the Notes are Specially Serviced Notes)) shall have full power and authority to apply any amount deposited with the Indenture Trustee to the payment of any unpaid Imposition or Claim to prevent the sale or forfeiture of the applicable Fiber Network for non-payment thereof, if the Servicer (in consultation with the Manager (if applicable)) reasonably believes that such sale or forfeiture is threatened.

(c) In connection with any determination made by the Servicer pursuant to this Section 7.04, the Servicer shall be entitled to request and conclusively rely on any determination made by the Manager or a certificate or opinion from an independent certified public accountant or other expert and the Servicer shall have no liability for making any such determination solely on the basis of any such determinations made by the Manager or such certificates or opinion requested and received by it and failing to make such determination in the absence of its receipt of such determination of the Manager and such certificates or opinions.

Section 7.05. Maintenance of Insurance. Subject to availability on a commercially reasonable basis, the Issuer, Manager or Uniti Group shall continuously maintain on behalf of the Obligor the following described policies of insurance with respect to the Obligor's business without cost to the Indenture Trustee or the Servicer (the "Insurance Policies"):

(i) Commercial general liability insurance, including coverage for death, bodily injury, property damage, premises and operations, and contractual liability, with limits of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate for any policy year; and

(ii) An umbrella/excess liability policy with a limit of not less than \$10,000,000 per occurrence/claim, which policy shall include such additional coverages and insured risks which are acceptable to the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer).

All Insurance Policies shall be in content (including endorsements or exclusions, if any), form, and amounts, and issued by companies, reasonably satisfactory to the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer) from time to time and, to the extent permissible, shall name the Indenture Trustee not in its individual capacity but solely in its capacity as Indenture Trustee on behalf of the Secured Parties and its successors and assignees as their interests may appear as an "additional insured" (and, if applicable, "loss payee") for each of the policies under this Section 7.05 and shall contain a waiver of subrogation clause reasonably acceptable to the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer).

All Insurance Policies shall provide, to the extent permissible, that the coverage shall not be materially reduced by Manager, Uniti Group or any Obligor without ten (10) days' advance written notice to the Indenture Trustee and the Servicer and shall provide that no proceeds, if any, with respect to claims arising out of physical damage to the Fiber Network Assets shall be paid

thereunder to a Person other than the Obligors and the Indenture Trustee, as loss payee, without ten (10) days' advance written notice to the Indenture Trustee and the Servicer.

The Issuer may obtain any insurance required by this Section 7.05 through blanket policies; *provided* that such blanket policies shall afford the Indenture Trustee the same protections under this Section 7.05. If a blanket policy is issued, a certified copy of said policy shall be furnished to the Indenture Trustee, together with a certificate indicating that the Indenture Trustee is an additional insured (and, if applicable, loss payee) under such policy in the designated amount. Upon request, any policy delivered to the Indenture Trustee shall be posted to the Indenture Trustee's website.

(a) The Issuer shall deliver a copy of all Insurance Policies to the Indenture Trustee (if requested by a Noteholder in writing) and the Servicer (if requested) and, in case of Insurance Policies about to expire, the Issuer shall deliver a copy of replacement policies satisfying the requirements hereof to the Indenture Trustee (if requested by a Noteholder in writing) or the Servicer (if requested) within thirty (30) Business Days following the date of expiration; *provided, however*, that within seven (7) Business Day following the date of expiration, the Issuer shall provide the Indenture Trustee (if requested) or the Servicer (if requested) with an insurance certificate executed by the insurer or its authorized agent evidencing that the insurance required hereunder is being maintained under such policy, which certificate shall be acceptable to the Indenture Trustee (if requested by a Noteholder in writing) or the Servicer (if requested) on an interim basis until a copy of the policy is available. Upon request, any policy delivered to the Indenture Trustee shall be posted to the Indenture Trustee's website.

An insurance company shall not be satisfactory unless such insurance company (a) is licensed or authorized to issue insurance in the state, territory or province where the applicable Fiber Network is located and (b) has a rating (x) by (i) S&P Global Ratings, (ii) Moody's or (iii) Fitch of "BBB+" (or its equivalent) or better or (y) by A.M. Best Rating Services, Inc. of "A-" (or its equivalent) or better; *provided* that if the rating of any such insurer is withdrawn or downgraded below "A-" (or its equivalent) by any applicable rating agency, then such insurer must have a rating by Fitch of "BBB" or "F2" or better; *provided further* that, at any time that the Notes are rated by Fitch, such insurer must have a rating by Fitch of "BBB" or "F2" or better. Notwithstanding the foregoing, a carrier which does not meet the foregoing ratings requirement shall nevertheless be deemed acceptable hereunder if both (i) such carrier is reasonably acceptable to the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer) and (ii) the Issuer shall obtain and deliver to the Manager (or, at any time that the Notes are Specially Serviced Notes, the Servicer) a Rating Agency Confirmation with respect to such carrier.

The Issuer shall furnish the Indenture Trustee (if requested) and the Servicer (if requested) receipts for the payment of premiums on such Insurance Policies or other evidence of such payment reasonably satisfactory to the Servicer.

If applicable, losses shall be payable to the Indenture Trustee pursuant to a standard loss payable clause in its favor; *provided* that the parties hereto acknowledge that coverage will not continue in effect if the applicable insurance carrier(s) are not notified of changes in ownership or substantial increase in risk prior to the loss in accordance with the policy. For purposes of

determining whether the required insurance coverage is being maintained hereunder, each of the Indenture Trustee and Servicer shall be entitled to rely solely on a certification thereof furnished to it by the Issuer or the Manager, without any obligation to investigate the accuracy or completeness of any information set forth therein and shall have no liability with respect thereto. The Insurance Policies shall not contain any deductible (excluding self-insured retention amounts) in excess of \$100,000. For the avoidance of doubt, in no event shall the Indenture Trustee have any duty to monitor the Issuer's compliance with or to review any documents delivered in connection with this Section 7.05.

Section 7.06. Operation and Maintenance of the Fiber Networks.

(a) The Issuer shall cause each Asset Entity owned by it to maintain or cause to be maintained in good repair, working order and condition all material property necessary for use in the business of such Asset Entity, including the applicable Fiber Networks, and to make or cause to be made all appropriate repairs, renewals and replacements thereof except to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. All work required or permitted under this Base Indenture shall be performed in a workmanlike manner and in compliance with all applicable laws except to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(b) In the event of condemnation, casualty or loss with respect to the Fiber Network Assets or other property of any Asset Entity at any Fiber Network, the Issuer shall give prompt written notice, and in any event within three (3) Business Days of obtaining Knowledge thereof, of any such condemnation, casualty or loss exceeding \$1,000,000 to the insurance carrier (if applicable), to the Indenture Trustee, the Back-Up Manager and the Servicer.

In the event of condemnation, casualty or loss with respect to the Fiber Network Assets or other property of the Asset Entities at any of the Fiber Networks, all Insurance Proceeds in connection therewith in excess of \$1,000,000 shall be deposited into the Insurance Proceeds Account and made available to the Asset Entities to repair and restore the Fiber Networks at least substantially to the Pre-Existing Condition (a "Restoration") or reimburse the Asset Entities for amounts previously spent to Restore the Fiber Networks if: (i) no Event of Default then exists; (ii) unless the applicable Restoration has already occurred, the Servicer reasonably determines that there will be sufficient funds to complete the Restoration of the Fiber Network Assets or other property of the Asset Entities at the Fiber Networks to at least substantially the condition it was in immediately prior to such event (excluding replacement of obsolete assets which are not required in connection with operating the applicable Fiber Network) (the "Pre-Existing Condition") and in compliance with applicable laws and to timely make all payments due under the Transaction Documents during the Restoration of the affected Fiber Network Assets or other property of the Asset Entity at the Fiber Network; and (iii) unless the applicable Restoration has already occurred, the Servicer determines that the Restoration of the affected Fiber Network Assets or other property of the Asset Entities at the Fiber Network will be completed no later than three months prior to the latest Anticipated Repayment Date of any Notes then outstanding. If any of the foregoing clauses (i) through (iii) are not satisfied (which for purposes of clauses (ii) and (iii) will be deemed not satisfied upon delivery by the Servicer to the Issuer and the Indenture Trustee of written notice of its determination that such conditions are not satisfied), an Additional Principal Payment Amount

in the amount of the related Insurance Proceeds, after deducting any amounts due to the Servicer and the Indenture Trustee, shall be made on the immediately succeeding Payment Date, and the Indenture Trustee shall transfer the related Insurance Proceeds to the Collection Account on such Payment Date for distribution pursuant to the Priority of Payments.

Notwithstanding the foregoing to the contrary, the Issuer, in its reasonable discretion, and within thirty (30) days of receipt of such Insurance Proceeds into the Insurance Proceeds Account, if any, may elect by a notice to the Servicer and Indenture Trustee not to restore or replace the Fiber Network Assets or other property of the Asset Entities at the Fiber Network, in which event all related Insurance Proceeds held in the Insurance Proceeds Account, after reimbursing any amounts due to the Servicer, the Verification Agent and the Indenture Trustee, shall be applied as an Additional Principal Payment Amount on the Payment Date immediately following such election, and the Indenture Trustee shall transfer the related Insurance Proceeds to the Collection Account on such Payment Date for distribution pursuant to the Priority of Payments.

The Issuer hereby authorizes and empowers (without obligation) the Servicer as attorney-in-fact for the Asset Entities (jointly with the Manager unless an Event of Default has occurred and is continuing), or any of them, with respect to Insurance Proceeds in excess of \$1,000,000 to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive Insurance Proceeds (to be held in the Insurance Proceeds Account in accordance with the preceding paragraphs of this Section 7.06(b)), and to deduct therefrom the Indenture Trustee's and the Servicer's reasonable expenses incurred in the collection of such proceeds; *provided, however*, that nothing contained in this Section 7.06 shall require the Indenture Trustee or the Servicer to incur any expense or take any action hereunder.

In connection with any determination required to be made by the Servicer pursuant to this Section 7.06, the Servicer shall be entitled to request and conclusively rely on any determination made by the Manager or a certificate or opinion from an independent certified public accountant or other expert appointed in connection with its determination described herein, including its determination to direct the Indenture Trustee with respect to such application of Insurance Proceeds and the Servicer shall have no liability for either (i) making any such determination solely on the basis of any such determinations made by the Manager or such certificates or opinions requested and received by it or (ii) failing to make such determination in the absence of its receipt of such determination of the Manager and such certificates or opinions. Any determination required to be made by the Servicer pursuant to this Section 7.06(b) shall be based on, and subject to prior receipt from the Issuer of, an Independent Certificate from a third-party expert obtained by, and at the cost of, the Issuer.

(c) The Indenture Trustee shall not be obligated to disburse Insurance Proceeds more frequently than once every calendar month or without written direction from the Servicer or Issuer. If Insurance Proceeds are applied as an Additional Principal Payment Amount, such application shall not extend or postpone the due dates of any monthly payments due under the Notes or otherwise under the Transaction Documents, or change the amounts of such payments. If the Indenture Trustee acquires ownership of any Collateral, the Indenture Trustee shall have all

of the right, title and interest of the applicable Asset Entity in and to any Insurance Proceeds and unearned premiums on insurance policies relating to such Collateral.

(d) In no event shall the Indenture Trustee be obligated to make disbursements of Insurance Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Issuer, less a retainage equal to the greater of (x) the actual retainage required pursuant to the applicable contract, or (y) 10% of such costs incurred until the Restoration has been completed. The retainage shall in no event be less than the amount actually held back by the Asset Entities from contractors, subcontractors and materialmen engaged in the Restoration. The retainage shall not be released until the Restoration has been completed in accordance with the provisions of this Section 7.06 and that all approvals necessary for the use of the Fiber Network have been obtained from all appropriate Governmental Authorities, and the Issuer delivers to the Servicer final lien waivers and such other evidence reasonably satisfactory to the Servicer that the costs of the Restoration have been paid in full or will be paid in full out of the retainage.

Section 7.07. Inspection; Investigation. The Issuer shall permit, and shall cause each Asset Entity owned by it to permit, any authorized representatives designated by the Indenture Trustee or the Servicer to visit and inspect during normal business hours its Fiber Networks and its business, including its financial and accounting records, and to make copies and take extracts therefrom, to cause such records to be audited by independent public accountants and to discuss its affairs, finances and business with its officers and independent public accountants (with such party's representative(s) present), at such reasonable times during normal business hours and as often as may be reasonably requested; *provided* that same is (x) conducted in such a manner as to not unreasonably interfere with the Manager's or such Obligor's business and (y) only to the extent permitted under the relevant Fiber Network Underlying Rights Agreement. The Issuer shall permit, and shall cause each Asset Entity to permit, any authorized representatives designated by the Indenture Trustee and the Servicer to conduct site investigations of the Fiber Networks as may be reasonably requested with respect to environmental matters; *provided, however*, that no subsurface investigations or other investigations that would reasonably be deemed to be intrusive shall be conducted without the prior written consent of the Issuer, such consent not to be unreasonably withheld and shall be to the extent permitted under the relevant Fiber Network Underlying Rights Agreement. Unless an Event of Default has occurred and is continuing or the Notes are Specially Serviced Notes, the Indenture Trustee and the Servicer shall provide advance written notice of at least three (3) Business Days prior to visiting or inspecting any Fiber Network or the Issuer's office.

Section 7.08. Compliance with Laws and Obligations. The Issuer shall, and shall cause each Asset Entity owned by it to, (A) comply with the requirements of all present and future applicable laws, rules, regulations and orders of any Governmental Authority in all jurisdictions in which it conducts business, other than those laws, rules, regulations and orders the noncompliance with which collectively could not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect, (B) maintain all licenses and permits now held or hereafter acquired by any Obligor, the loss, suspension, or revocation of which, or failure to renew, in the aggregate could reasonably be expected to have a Material Adverse Effect and (C) perform, observe, comply and fulfill all of its material obligations, covenants and conditions contained in

any Contractual Obligation except to the extent the failure to so observe, comply or fulfill such could not reasonably be expected to have a Material Adverse Effect.

Section 7.09. Further Assurances.

The Issuer shall, and shall cause each Asset Entity owned by it to, from time to time, execute or deliver such documents, instruments, agreements, financing statements, and perform such acts as necessary to ensure that the security interests in the Collateral remain perfected with the priority contemplated thereby and, as the Indenture Trustee or the Servicer at any time may reasonably request to evidence, to preserve or to protect the Assets and Collateral at any time securing or intended to secure the Obligations or to better and more effectively carry out the purposes of this Base Indenture and the other Transaction Documents. The Obligor shall file or cause to be filed all documents (including all financing statements) required to be filed by the terms of this Base Indenture and any applicable Series Supplement in accordance with and within the time periods provided for in this Base Indenture and in each applicable Series Supplement. In furtherance of the foregoing, the Obligor shall use commercially reasonable efforts to ensure that UCC-3 termination statements are filed as soon as practicable following the Series 2026-1 Closing Date with respect to all UCC-1 financing statements filed with respect to Indebtedness previously secured by any portion of the Collateral that was paid off or defeased on the Series 2026-1 Closing Date.

Notwithstanding the foregoing, the Obligor shall not be required to take any action to perfect the Indenture Trustee's security interest, other than the filing of the financing statements in the jurisdictions of organization of each of the Obligor, as well as the filing of "transmitting utility" financing statements in the applicable filing office of the state in which the applicable Collateral is located. No mortgage, deed of trust or similar filings shall be required in respect of the Notes or the Collateral.

Section 7.10. Performance of Agreements. The Issuer shall, and shall cause each Asset Entity to, duly and timely perform, observe and comply in all material respects with all of the terms, provisions, conditions, covenants and agreements on its part to be performed, observed and complied with (i) hereunder and under the other Transaction Documents to which it is a party, (ii) under all Material Agreements and (iii) all other agreements (including Fiber Network Underlying Rights Agreements) entered into or assumed by such Person in connection with the Fiber Networks, and will not suffer or permit any material default or any event of default (giving effect to any applicable notice requirements and cure periods) to exist under any of the foregoing, except where the failure to perform, observe or comply with any agreement referred to in clause (ii) or (iii) of this Section 7.10 would not reasonably be expected to have a Material Adverse Effect. No Obligor shall consent to any amendment, waiver or termination of, or with respect to, any Transaction Document (or any agreement which requires consent of any Obligor to amend under the terms of any Transaction Document) without consent of the Indenture Trustee if so required by Section 13.01.

Section 7.11. Provision of Material Agreements. The Obligor, at the written request of the Indenture Trustee, acting at the written direction of the Servicer, shall furnish the Indenture Trustee or Servicer, as applicable, with a list of all Material Agreements affecting the operation and management of the Fiber Networks.

Section 7.12. Management Agreement.

(a) The Issuer shall, and shall cause the Asset Entities owned by it to, (i) perform and observe all of the material terms, covenants and conditions of the Management Agreement on the part of each Asset Entity to be performed and observed, and (ii) promptly notify the Indenture Trustee, the Back-Up Manager and the Servicer of any notice to any of the Asset Entities of any material default under the Management Agreement of which it has Knowledge. If any Asset Entity shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of such Asset Entity to be performed or observed, then, without limiting the Indenture Trustee's other rights or remedies under this Base Indenture or the other Transaction Documents, and without waiving or releasing such Asset Entity from any of its obligations hereunder or under the Management Agreement, the Issuer grants the Indenture Trustee or the Servicer on its behalf the right, upon prior written notice to such Asset Entity, to pay any sums and to perform any act as may be reasonably appropriate to cause such material conditions of the Management Agreement on the part of such Asset Entity to be performed or observed; *provided* that neither the Indenture Trustee nor the Servicer will be under any obligation to pay such sums or perform such acts.

(b) The Issuer shall not permit the Asset Entities owned by it to surrender, terminate, cancel, or modify (other than non-material changes), the Management Agreement, or enter into any other management agreement with any new manager, or consent to the assignment by the Manager of its interest under the Management Agreement, in each case without delivery of a Rating Agency Confirmation and written consent of the Servicer; *provided*, that Rating Agency Confirmation shall not be required in connection with the appointment of a Successor Manager if the Successor Manager is a Non-Securitization Entity.

(c) The Indenture Trustee, the Verification Agent, the Back-Up Manager and the Servicer are each permitted to utilize and in good faith rely upon the advice of the Manager (or to utilize other agents or attorneys), at the cost of the Manager or the Issuer, as an Additional Securitization Expense, in performing its obligations under this Base Indenture and the other Transaction Documents, including Fiber Network management, operation, and maintenance; Fiber Network Asset dispositions and releases; any Restoration or Remedial Work; and confirmation of compliance by the Issuer with the provisions hereunder and under the other Transaction Documents and none of the Indenture Trustee, the Verification Agent, the Back-Up Manager or the Servicer shall have any liability with respect thereto.

Section 7.13. Maintenance of Office or Agency by Issuer.

(a) The Issuer shall maintain an office, agency or address where Notes (or evidence of ownership of Uncertificated Notes) may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Issuer in respect of the Notes, this Base Indenture and any Series Supplement may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and any change in the location, of such office, agency or address; *provided, however*, that if the Issuer does not furnish the Indenture Trustee with an address in the City of New York where Notes may be presented or surrendered for payment, such presentations, surrenders, notices, and demands may be made or served at the Corporate Trust Office, and the Issuer hereby appoints

the Indenture Trustee to receive all such presentations, surrenders, notices, and demands on behalf of it other than services of process. The Issuer hereby appoints the Corporate Trust Office as its agency for such purposes.

(b) The Issuer may also from time to time designate one or more other offices or agencies where Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 7.14. Misdirected Retained Collections. On and after the Series 2026-1 Closing Date, the Obligors agree to deposit all Retained Collections due to the Asset Entities in respect of the Fiber Network Assets that are paid by a Residential Customer into an account other than a Control Account or that are otherwise received but not deposited directly into a Control Account, in all cases within two Business Days following identification by the Obligors, to a Control Account or the Collection Account.

Section 7.15. Estoppel Certificates.

(a) Within ten Business Days following a written request by the Indenture Trustee or the Servicer, the Issuer shall provide to the Indenture Trustee and the Servicer a duly acknowledged written statement (upon which the Indenture Trustee and the Servicer may conclusively rely with no obligation to verify or confirm and with no liability therefor) confirming (i) the amount of the Note Principal Balance of the Notes, (ii) the terms of payment and maturity date of the Notes, (iii) the date to which interest has been paid, (iv) whether any offsets or defenses exist against the Obligations, and if any such offsets or defenses are alleged to exist, the nature thereof shall be set forth in detail and (v) that this Base Indenture, the Notes and the other Transaction Documents are legal, valid and binding obligations of the Issuer and each Asset Entity (as applicable) and have not been modified or amended except in accordance with the provisions thereof.

(b) Within ten Business Days following a written request by the Issuer, the Indenture Trustee shall provide to the Issuer a duly acknowledged written statement setting forth the amount of the Outstanding principal balance of the Notes, the date to which interest has been paid, and whether the Indenture Trustee has provided the Issuer, on behalf of itself and the Asset Entities, with written notice of any Event of Default. Compliance by the Indenture Trustee with the requirements of this Section shall be for informational purposes only and shall not be deemed to be a waiver of any rights or remedies of the Indenture Trustee hereunder or under any other Transaction Document.

Section 7.16. Indebtedness. The Issuer shall not, and shall not permit the Asset Entities owned by it to, create, incur, assume, guarantee, or otherwise become or remain directly or indirectly liable with respect to any Indebtedness except for the following (collectively, "Permitted Indebtedness"):

(a) The Obligations; and

(b) (i) Unsecured trade payables not evidenced by a note and arising out of purchases of goods or services in the ordinary course of business, (ii) Indebtedness incurred in the financing of equipment or other personal property used in connection with any Fiber Network in the ordinary course of business, (iii) reimbursement obligations to the Manager and (iv) obligations incurred or created in the ordinary course of business in respect of (a) performance of statutory, regulatory or licensing obligations, surety or appeal bonds, performance bonds, bids or tenders, letters of credit, workers' compensation, unemployment insurance and other social security legislation and liability to insurance carriers under insurance or self-insurance arrangements or (b) construction or other work on or operation of the Fiber Networks or under the Fiber Network Underlying Rights Agreements; *provided, however*, that (A) none of such trade payables or other Indebtedness is secured by a lien on the Collateral or Assets of the Asset Entities other than a Permitted Encumbrance, (B) each such trade payable is payable not later than 60 days after the original invoice date and is not overdue by more than 30 days and (C) the aggregate amount of all Indebtedness referred to in this Section 7.16(b) does not, at any time, exceed an amount equal to 3% of the aggregate Initial Class Principal Balance of all Classes of then-Outstanding Notes in the aggregate for all the Asset Entities.

Section 7.17. No Liens. None of the Issuer or the Asset Entities shall create, incur, assume or permit to exist any Lien on or with respect to the Fiber Networks or any other Collateral except Permitted Encumbrances.

Section 7.18. Contingent Obligations. Other than Permitted Indebtedness, the Issuer shall not, and shall not permit the Asset Entities owned by it to, create or become or be liable with respect to any material Contingent Obligation.

Section 7.19. Restriction on Fundamental Changes. Except as otherwise expressly permitted in this Base Indenture, the Issuer shall not, and shall not permit the Asset Entities owned by it to, (i) amend, modify or waive any term or provision of their respective articles of incorporation, by-laws, articles of organization, limited liability company agreements or other organizational documents so as to violate or permit the violation of the provisions of Article VIII, unless required by law; or (ii) liquidate, wind-up or dissolve such Asset Entity; *provided* that nothing contained in this Section 7.19 shall restrict the merger, consolidation or amalgamation of one Asset Entity into another Obligor so long as the surviving entity is an Obligor.

Section 7.20. Bankruptcy, Receivers, Similar Matters. An Obligor shall not apply for, consent to, aid, solicit, support, or otherwise act, cooperate or collude to cause the appointment of or taking possession by, a receiver, trustee or other custodian for all or a substantial part of the assets of any other Obligor. As used in this Base Indenture, an "Involuntary Obligor Bankruptcy," shall mean any involuntary case under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law now or hereafter in effect, in which any Obligor is a debtor or any portion of the Assets is property of the estate therein. An Obligor shall not file a petition for, consent to the filing of a petition for, aid, solicit, support, or otherwise act, cooperate or collude to cause the filing of a petition for an Involuntary Obligor Bankruptcy. In any Involuntary Obligor Bankruptcy, the other Obligors shall not, without the prior written consent of the Indenture Trustee (acting at the written direction of the Servicer) and the Servicer, consent to the entry of any order, file any motion, or support any motion (irrespective of the subject of the motion), and such Obligors

shall not file or support any plan of reorganization. In any Involuntary Obligor Bankruptcy, the other Obligor shall do all things reasonably requested by the Indenture Trustee and the Servicer to assist the Indenture Trustee and the Servicer in obtaining such relief as the Indenture Trustee and the Servicer shall seek, and shall in all events vote as directed by the Indenture Trustee (acting solely at the written direction of the Servicer). Without limitation of the foregoing, each such Obligor shall do all things reasonably requested by the Indenture Trustee (acting solely at the written direction of the Servicer) to support any motion for relief from stay or plan of reorganization proposed or supported by the Indenture Trustee (acting solely at the written direction of the Servicer).

Section 7.21. ERISA.

(a) No ERISA Plans. The Issuer shall not, and shall not permit any Asset Entity owned by it to, establish any Employee Benefit Plan or Multiemployer Plan, or commence making contributions to (or become obligated to make contributions to) any Employee Benefit Plan or Multiemployer Plan.

(b) Compliance with ERISA. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the Issuer shall not, and shall not permit the Asset Entities owned by it to: (i) engage in any non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code; or (ii) except as may be necessary to comply with applicable laws, establish or amend any Employee Benefit Plan, which establishment or amendment could result in liability to the Obligor or increase the benefits obligation of the Obligor (including on behalf of any ERISA Affiliate thereof); *provided* that if the Issuer is in default of this covenant under subsection (i), the Issuer shall be deemed not to be in default if such default results solely because (x) any portion of the Notes have been, or will be, funded with plan assets of any Plan and (y) the purchase or holding of such portion of the Notes by such Plan or the operation of the Issuer or the Asset Entities constitutes owned by it or results in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of applicable Similar Law.

Section 7.22. Money for Payments to be Held in Trust.

(a) The Paying Agent is hereby authorized to pay the principal of and interest on any Notes (as well as any other Obligation hereunder and under any other Transaction Document) on behalf of the Issuer and shall have an office or agency in Wilmington, Delaware, where Notes may be presented or surrendered for payment and where notices, designations or requests in respect for payments with respect to the Notes and any other Obligations due hereunder and under any other Transaction Document may be served. The Issuer hereby appoints the Indenture Trustee as the initial Paying Agent for amounts due on the Notes of each Series and the other Obligations.

(b) On each Payment Date (or such other dates as may be required or permitted hereunder) the Paying Agent shall cause all payments of amounts due and payable with respect to any Notes and other Obligations that are to be made from amounts in the Collection Account to be made on behalf of the Issuer by the Paying Agent in accordance with the Priority of Payments and the related Manager Report.

(c) Subject to applicable laws with respect to escheatment of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Note and remaining unclaimed for two years after such amount has become due and payable shall be discharged from such trust and be paid to or at the direction of the Issuer on an Issuer Request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease. The Indenture Trustee shall also adopt and employ, at the expense and direction of the Issuer, any other reasonable means of notification of such repayment (including mailing notice of such repayment to Holders whose right to or interest in monies due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

Section 7.23. Fiber Network Underlying Rights Agreements.

(a) Modification. Except as provided in this Section 7.23, the Issuer shall not, and shall not permit the Asset Entities owned by it to, agree to any modification or amendment of any material substantive or economic terms of, or, subject to the terms herein, terminate or surrender any Fiber Network Underlying Rights Agreement, in each case without the prior written consent of the Manager (or, at any time the Notes are Specially Serviced Notes, the Servicer), which consent shall not be unreasonably withheld, conditioned or delayed. Any such attempted or purported material modification, amendment, or any surrender, termination, sale or assignment of any Fiber Network Underlying Rights Agreement without the Manager's (or, at any time that the Notes are Specially Serviced Notes, the Servicer's) prior written consent shall be null and void and of no force or effect. Notwithstanding the foregoing to the contrary, without the consent of the Indenture Trustee, the Asset Entities shall be permitted, upon written direction of the Manager (or, at any time the Notes are Specially Serviced Notes, the Servicer), to:

(i) Extend, shorten, expand or otherwise modify the terms of each Fiber Network Underlying Rights Agreement on commercially reasonable substantive and economic terms; or

(ii) Terminate, modify or sell (including by way of assignment) any Fiber Network Underlying Rights Agreement which the Issuer or Co-Issuer, as applicable, reasonably deems necessary or advantageous in accordance with prudent business practices subject to the provisions of Section 7.10.

(b) Renewal of Fiber Network Underlying Rights Agreements. The Issuer shall cause each Asset Entity owned by it to exercise any option to renew or extend any Fiber Network Underlying Rights Agreement; *provided* that an Asset Entity may elect not to exercise any such option if, and to the same extent that, such Asset Entity would be entitled to terminate, sell, assign or otherwise modify such Fiber Network Underlying Rights Agreement pursuant to Section 7.23(a). If an Asset Entity does not intend to exercise such option with respect to a material Fiber Network Underlying Rights Agreement, the Issuer shall give the Servicer prompt written notice thereof.

(c) Notice of Default. If any Asset Entity shall have Knowledge or receive any formal written notice that any Fiber Network Underlying Rights Default has occurred, the effect of which, in such Asset Entity's reasonable opinion, is likely to result in the termination of the applicable Fiber Network Underlying Rights Agreement, then the Issuer shall, within three Business Days of receipt of such notice, notify the Indenture Trustee, the Back-Up Manager and the Servicer in writing of the same and deliver to the Indenture Trustee, the Back-Up Manager and the Servicer a true and complete copy of each such notice. Further, the Issuer shall provide such documents and information as the Indenture Trustee, the Back-Up Manager and the Servicer shall reasonably request concerning such Fiber Network Underlying Rights Default.

(d) The Servicer's Right to Cure. Each Obligor agrees that if any Fiber Network Underlying Rights Default shall occur and be continuing, or if any property owner, utility or municipal authority or other counterparty to a Fiber Network Underlying Rights Agreement asserts in writing that a Fiber Network Underlying Rights Default has occurred (whether or not such Obligor questions or denies such assertion), then, subject to (i) the terms and conditions of the applicable Fiber Network Underlying Rights Agreement, and (ii) the Asset Entities' right to terminate, sell or assign the applicable Fiber Network Underlying Rights Agreement in accordance with Section 7.23(a), the Servicer, upon five Business Days' prior written notice to the Issuer, unless the Servicer reasonably determines that a shorter period (or no period) of notice is necessary to protect the Indenture Trustee's interest in such Fiber Network Underlying Rights Agreement, may (but shall not be obligated to, regardless of the Servicing Standard (if the Notes are not then Specially Serviced Notes) and consistent with the Servicing Standard (if the Notes are then Specially Serviced Notes)) take any action that the Servicer deems reasonably necessary, including (i) performance or attempted performance of the applicable Asset Entity's obligations under such Fiber Network Underlying Rights Agreement, (ii) curing or attempting to cure any actual or purported Fiber Network Underlying Rights Default, (iii) mitigating or attempting to mitigate any damages or consequences of the same and (iv) accessing the applicable Fiber Network Asset for any or all of such purposes. Upon the Indenture Trustee's or the Servicer's reasonable request, the Issuer shall submit satisfactory evidence of payment or performance of any of its obligations under the applicable Fiber Network Underlying Rights Agreement. The Servicer may pay and expend such sums of money as the Servicer in its sole discretion deems necessary or desirable for any such purpose, and the Issuer shall pay to the Servicer, within five Business Days of the written demand of the Servicer, all such sums so paid or expended by the Servicer.

Section 7.24. Rule 144A Information. For so long as any of the Notes are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer agrees to provide to any Noteholder or Note Owner, and to any prospective purchaser of Notes designated by such Noteholder or Note Owner upon the request of such Noteholder or Note Owner or prospective purchaser, any information required to be provided to such holder, owner or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Act.

Section 7.25. [Reserved].

Section 7.26. Maintenance of Books and Records. The Issuer shall, and shall cause the Asset Entities owned by it to, maintain and implement administrative and operating

procedures reasonably necessary in the performance of their obligations hereunder and the Issuer shall, and shall cause the Asset Entities owned by it to, keep and maintain at all times, or cause to be kept and maintained at all times, all documents, books, records, accounts and other information reasonably necessary or advisable for the performance of their obligations hereunder to the extent required under applicable law.

Section 7.27. Continuation of Ratings. To the extent permitted by applicable laws, rules or regulations, the Issuer shall, and shall cause the Asset Entities owned by it to, (i) provide the Rating Agencies with information, to the extent reasonably obtainable by the Issuer or the Asset Entities, and take all reasonable action necessary to enable the Rating Agencies to monitor the credit ratings of the Notes and (ii) pay such ongoing fees of the Rating Agencies as they may reasonably request to monitor their respective ratings of the Notes.

Section 7.28. The Indenture Trustee's, Back-Up Manager's and Servicer's Expenses. The Issuer shall pay, on written demand by the Indenture Trustee, the Back-Up Manager or the Servicer, all reasonable out-of-pocket expenses, charges, costs and fees (including reasonable attorneys' fees and expenses) and indemnities in connection with the negotiation, documentation, closing, administration, servicing, enforcement, interpretation, and collection of the Notes and the Transaction Documents, and in the preservation and protection of the Indenture Trustee's rights hereunder and thereunder. Without limitation the Issuer shall pay all costs and expenses, including reasonable attorneys' fees, incurred by the Indenture Trustee, Back-Up Manager and the Servicer in any case or proceeding under the Bankruptcy Code (or any law succeeding or replacing any of the same) involving the Obligor, the Manager (as long as the Manager is an affiliate of the Obligor) or the Holdco Guarantor. In addition, the Issuer shall pay all expenses, charges, costs, fees and liabilities incurred in connection with enforcing any right to payment, reimbursement and/or indemnity hereunder.

Section 7.29. Disposition of Fiber Networks and Fiber Network Assets.

(a) The Issuer and the Asset Entities shall not dispose or otherwise transfer Fiber Network Assets, except as expressly permitted in this Section 7.29.

(b) The Issuer or any Asset Entity may dispose of Fiber Network Assets or other Asset Entities at any time to one or more persons (including Affiliates of the Asset Entities); provided that, unless a disposition is an Excepted Disposition (each such disposition that is not an Excepted Disposition, a "Release Price Disposition"), the Disposition Conditions are satisfied as certified to the Indenture Trustee and the Servicer (with a copy to the Back-Up Manager) by the Issuer or any such Asset Entity, as applicable (upon which certifications the Indenture Trustee, the Back-Up Manager and the Servicer are entitled to conclusively rely with no obligation to verify or confirm the contents thereof and with no liability thereof). In connection with any Release Price Disposition, the Issuer shall, as an Additional Principal Payment Amount, prepay the Notes in direct order of alphanumeric designation, in an amount equal to the applicable Release Price for the related disposed property.

(c) "Disposition Conditions" shall mean, with respect to any Release Price Disposition:

- (i) no Event of Default or Rapid Amortization Period has occurred and is continuing,
- (ii) the *pro forma* Senior DSCR after giving effect to such disposition and any concurrent repayment of the Notes (including the payment of the Release Price on the following Payment Date) is greater than or equal to 2.00x,
- (iii) the *pro forma* Leverage Ratio after giving effect to such disposition does not exceed the Leverage Ratio prior to such disposition,
- (iv) if the Notes are Specially Serviced Notes, the Servicer consents thereto,
- (iv) the Servicer, the Indenture Trustee and the Back-Up Manager will be paid all unpaid Additional Securitization Expenses and all other unpaid fees, expenses and indemnities to the extent then due and payable to the Servicer, the Back-Up Manager and the Indenture Trustee, as applicable, under the Transaction Documents, and
- (v) written notice is provided to each Rating Agency, and, if the aggregate Allocated Note Amount of all Fiber Networks disposed of since the Series 2026-1 Closing Date in Release Price Dispositions, after taking into account the proposed disposition, is greater than 10% of the aggregate Initial Class Principal Balances of all Classes of then-outstanding Notes, a Rating Agency Confirmation is obtained (provided that after a Rating Agency Confirmation is obtained, the Asset Entities may dispose of Fiber Networks in Release Price Dispositions having aggregate Allocated Note Amounts equal to an additional 10% of the aggregate Initial Class Principal Balances of all Classes of then outstanding Notes prior to being required to obtain an additional Rating Agency Confirmation).

The Disposition Conditions may be amended with Rating Agency Confirmation, including in connection with the issuance of an additional Series of Notes.

(d) In connection with any disposition permitted by this Section 7.29, the Manager shall (i) deliver an Officer's Certificate to the Servicer, the Back-Up Manager and the Indenture Trustee to the effect that any applicable conditions to such disposition have been (or will concurrently therewith be) satisfied and (ii) direct the Indenture Trustee in writing to release any security interests associated with any disposed Fiber Network Assets, upon which the Indenture Trustee, the Back-Up Manager and the Servicer shall be permitted to fully rely, and the Indenture Trustee shall thereupon take such actions as directed to release any security interests in the Collateral associated with the disposed Fiber Network Assets as the Issuer may reasonably request in writing with no obligation to verify or confirm the contents of such Officer's Certificate or directions and with no liability therefor.

(e) The Obligors will be permitted to make dispositions of real property interests owned by the Obligors that are not Fiber Network Assets without regard to the provisions applicable to dispositions set forth in this Section 7.29.

(f) For purposes of this Section 7.29, the Issuer, in lieu of disposing individual Fiber Network Assets, may dispose of all, but not less than all, of the Equity Interests of an Asset Entity; *provided* that for purposes of this Section 7.29, the designation of all of the Fiber Networks owned by such Asset Entity otherwise would satisfy the requirements of this Section 7.29, and the Issuer complies with the provisions thereof as if it had disposed of such Fiber Network Assets individually.

Section 7.30. Environmental Remediation. Each Asset Entity agrees with respect to any Fiber Network owned by it to commence, within such period as required by applicable law, after written demand by the Indenture Trustee (acting solely at the written direction of the Majority of Noteholders) or the Servicer (solely after a Responsible Officer of the Servicer has received written notice that such Remedial Work with respect to any Fiber Network is required by applicable Environmental Law) and diligently prosecute to completion such Remedial Work (it being understood that such Asset Entity is not obligated to perform any such Remedial Work that a Site Owner or a Residential Customer is contractually obligated to perform). If an Asset Entity fails to timely commence and diligently pursue to completion any such Remedial Work with respect to any Specially Serviced Fiber Network, the Servicer may (but will not be obligated to), upon 45 days prior notice to the Issuer of its intention to do so, cause such Remedial Work to be performed. The Obligors agree to pay and reimburse the Servicer as Additional Securitization Expenses for all expenses reasonably incurred by the Servicer in connection with (a) monitoring, reviewing or performing such Remedial Work, (b) investigating potential environmental claims against the Asset Entities or (c) participating in any legal or administrative proceeding against the Asset Entities or their assets under applicable environmental law. In connection with any Remedial Work with respect to any Fiber Network that is projected to cost in excess of \$1,000,000, the applicable Asset Entity agrees to cause such Remedial Work to be performed by licensed contractors.

Section 7.31. Limitation on Certain Issuances and Transfers. The Issuer shall not issue any Series of Tax Restricted Notes, permit the issuance or transfer of any Equity Interests of the Issuer or permit the issuance or transfer of any other interest in the Issuer that may be treated as equity of the Issuer if after giving effect thereto the sum of (a) the aggregate maximum number of beneficial holders and beneficial owners for all Series and Classes of Tax Restricted Notes (including the Tax Restricted Notes to be issued), (b) the number of beneficial holders of Equity Interests of the Issuer and (c) the number of beneficial holders of other interests that may be treated as equity of the Issuer (all as determined for purposes of Treasury regulation 1.7704-1(h)), would exceed 90.

Section 7.32. Tax Status. The Issuer shall, and shall cause the Holdco Guarantor and the Asset Entities to, as of the Closing Date (in the case of the Issuer, the Holdco Guarantor and the Closing Date Asset Entities) or as of the date of its joinder to this Base Indenture (in the case of any Additional Asset Entity), be treated as a disregarded entity within the meaning of U.S. Treasury regulations Section 301.7701-2(c)(2), and the Issuer shall not, and shall not permit the Holdco Guarantor or the applicable Asset Entities to, be classified as an association taxable as a

corporation or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes.

Section 7.33. Sub-Servicers.

The Issuer shall assist and cooperate with the Servicer to obtain Rating Agency Confirmation in respect of any Sub-Servicing Agreement (as defined in the Servicing Agreement).

Section 7.34. Substitution of Contributed Markets.

Unless a Post-ARD Period is in effect, the Asset Entities may at any time substitute new Contributed Markets and all the related Fiber Network Assets and Customer Agreements for all or a portion of the existing Contributed Markets and all the related Fiber Network Assets and Customer Agreements; provided that (A) Rating Agency Confirmation is received with respect to such substitution and (B) as certified in writing to the Servicer and the Indenture Trustee (with a copy to the Back-Up Manager) by the Manager, (i) the Allocated Note Amounts of the replaced Fiber Network Assets during any calendar year (other than those replaced to cure a default) do not in the aggregate exceed 5% of the aggregate Class Principal Balance of all Classes of Notes (with any unused portion of such limit being permitted to be carried over into subsequent years subject to a carryover limit of 25%) and (ii) after giving effect to such substitution, the DSCR is no less than the DSCR immediately prior to such substitution. In connection with any such substitution that is subject to the foregoing clauses (A) and (B), the Indenture Trustee and the Servicer shall receive opinions of counsel (consistent with the opinions of counsel delivered on the Series 2026-1 Closing Date) as they may reasonably request.

Section 7.35. JPM Account Control Agreement. The Issuer and the Asset Entities shall not include any Account within the Cash Concentration Service (as defined in the JPM Account Control Agreement) unless such Account is a Control Account established with JPM in the name of the Issuer or the Asset Entities subject to the JPM Account Control Agreement and the lien of the Indenture Trustee on behalf of the Secured Parties.

ARTICLE VIII
SINGLE-PURPOSE, BANKRUPTCY-REMOTE REPRESENTATIONS,
WARRANTIES AND COVENANTS

Section 8.01. Applicable to the Issuer and the Asset Entities. Each of the Obligor hereby represents, warrants and covenants that since its formation or, with respect to each Additional Asset Entity, as of the date such Additional Asset Entity becomes party to this Base Indenture, and until the Termination Date:

(a) except for properties, or interests therein, which such Obligor has sold and for which such Obligor has no continuing obligations or liabilities, will not own any assets other than (i) with respect to each Asset Entity, the direct or indirect ownership interests in any Additional Asset Entities, the Fiber Network Assets, the Customer Agreements, other property interests and Related Property (including, for the avoidance of doubt, any such assets contributed to such Asset Entity after the Series 2026-1 Closing Date) (the "Underlying Interests") and (ii)

with respect to the Issuer, direct or indirect ownership interests in the Asset Entities and Related Property or such incidental assets as are necessary to enable it to discharge its obligations with respect to the Asset Entities (the "Asset Entity Interests");

(b) will not engage in any business, directly or indirectly, other than the ownership, management and operation of the Underlying Interests or the Asset Entity Interests, as applicable;

(c) will not enter into any contract or agreement with any Related Party except in the ordinary course of business and upon terms and conditions that would be available on an arm's-length basis with third parties other than a Related Party (it being understood and agreed that the Management Agreement and the other Transaction Documents comply with this covenant);

(d) has not incurred any Indebtedness that remains Outstanding as of the date such Obligor first became a party to the Transaction Documents and will not incur any Indebtedness, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than, in each case, Permitted Indebtedness;

(e) has not made any loans or advances to any Person (other than among the Obligors) that remain Outstanding as of the date such Obligor first became a party to the Transaction Documents and will not make any loan or advance to any Person (including any of its Affiliates) other than another Obligor, and has not acquired and will not acquire obligations or securities of any Related Party, in each case, except as expressly permitted by the Transaction Documents;

(f) is and intends to remain solvent and, except as expressly contemplated by the Transaction Documents, to pay its own liabilities, indebtedness, and obligations of any kind from its own separate assets as the same shall become due, and intends to maintain adequate capital for its obligations in light of its contemplated business operations; *provided, however*, that the foregoing shall not require any member of an Obligor to make additional capital contributions or provide other financial support to such Obligor;

(g) will do all things necessary to preserve its existence and will not, nor will any Related Party or other Obligor, amend, modify or otherwise change such Obligor's articles of incorporation, by-laws, articles of organization, operating agreement or other organizational documents in any manner with respect to the matters set forth in this Article VIII except as otherwise permitted under such organizational documents;

(h) shall continuously maintain its qualifications to do business in all jurisdictions necessary to carry on its business, except where the failure to so qualify would not reasonably be expected to have a Material Adverse Effect;

(i) will conduct and operate its business as presently contemplated with respect to the ownership of the Underlying Interests or the Asset Entity Interests, as applicable;

(j) will maintain books and records and bank accounts (other than bank accounts established hereunder, established by the Manager pursuant to the Management Agreement or, prior to the date such Obligor first became a party to the Transaction Documents, bank accounts established in connection with other financing transactions) separate from those of its Related Parties and any other Person (other than the Obligor and the Holdco Guarantors) and will maintain consolidated financial statements of the Issuer and its subsidiaries that are separate from the Related Parties (it being understood that the Obligor's assets may also be included in consolidated financial statements of Related Parties; *provided* that (i) appropriate notation shall be made on such consolidated financial statements to indicate the separateness of the Obligor from such Related Parties and to indicate that the Obligor's assets and credit are not available to satisfy the debts and other obligations of such Related Parties or any other Person (other than the Obligor and the Holdco Guarantors) and (ii) such assets shall also be included in the Issuer's own separate consolidated financial statements to be delivered pursuant to Section 7.02(a));

(k) will hold itself out to the public as a legal entity separate and distinct from its Related Parties and any other Person (other than the Obligor and the Holdco Guarantor), and not as a department or division of any Person (other than the other Obligor and the Holdco Guarantor) and will correct any known misunderstandings regarding its existence as a separate legal entity;

(l) has not required and will not require any employees to conduct its business operations; *provided, however*, that any expenses related to the conduct of its business operations have been paid and will be paid solely from its own funds (or by the Manager pursuant to the terms set forth herein and in the Management Agreement);

(m) will allocate, fairly and reasonably any shared expenses with Related Parties (including shared office space);

(n) will file all such separate tax returns with respect to an Obligor that are required under applicable law, to the extent it is (i) not part of a consolidated group filing a consolidated return or returns or (ii) not treated as a division, for tax purposes, of another taxpayer or otherwise disregarded for tax purposes, and pay any taxes so required to be paid under applicable law; *provided* that, in the event that such Obligor is included within a consolidated tax return of its parent or any other Affiliate, the existence of the Obligor and the ownership of the assets of the Obligor shall be disclosed in such consolidated tax return;

(o) intends to maintain adequate capital for its obligations in light of its contemplated business operations; *provided, however*, that the foregoing shall not require its respective Member to make additional capital contributions to such Obligor;

(p) will not seek, acquiesce in, or suffer or permit, its liquidation, dissolution or winding up, in whole or in part;

(q) except as otherwise permitted in the Transaction Documents, will not enter into any transaction of merger, consolidation, amalgamation, sell all or substantially all of its assets or acquire by purchase or otherwise all or substantially all of the business or assets (unless in the

case of an asset acquisition, all such assets consist of Fiber Network Assets, Customer Agreements and Related Property) of or any stock or beneficial ownership of, any Person;

(r) will not commingle or permit to be commingled, its funds or other assets with those of any other Person (other than, with respect to the Obligors, each other Obligor, or as may be held by the Manager, as agent, for each Asset Entity pursuant to the terms of the Management Agreement or as expressly permitted by any Transaction Document);

(s) will maintain its assets in such a manner that it is not unreasonably costly or unreasonably difficult to segregate, ascertain or identify its individual assets from those of any Related Party;

(t) will not hold itself out to have guaranteed or otherwise be responsible for the debts or obligations of any other Person (other than any obligations (x) of another Obligor, including the Obligations, (y) that are no longer outstanding on the later of the Series 2026-1 Closing Date or the date on which an applicable Asset Entity becomes party to this Base Indenture or (z) as otherwise expressly contemplated by the Transaction Documents);

(u) has not guaranteed or otherwise become liable in connection with any obligation of any other Person (other than the other Obligors) that remains outstanding, and will not guarantee or otherwise become liable on or in connection with any obligation (other than the Obligations) of any other Person (other than the other Obligors) that remains outstanding;

(v) will not pledge its assets to secure obligations of any other Person (other than the other Obligors);

(w) except for funds deposited into the Accounts in accordance with the Transaction Documents and as otherwise contemplated by the Transaction Documents, shall not hold title to its assets other than in its name or in the name of another Obligor;

(x) shall take, or refrain from taking, as the case may be, all other actions that are necessary to be taken or not to be taken in order to (x) ensure that the assumptions and factual recitations set forth in the Specified Bankruptcy Opinion Provisions remain true and correct in all material respects with respect to it and (y) comply in all material respects with those procedures described in such provisions which are applicable to it;

(y) will continue to conduct its business solely in its own name;

(z) will continue to observe all limited liability company or other applicable corporate formalities; and

(aa) since the date such Obligor first became a party to the Transaction Documents, has not formed, acquired or held any subsidiary (other than another Obligor) and will not form, acquire or hold any subsidiary (other than another Obligor).

Section 8.02. Applicable to the Issuer. In addition to its respective obligations under Section 8.01, and without limiting the provisions of Section 7.20, the Issuer hereby

represents, warrants and covenants as of the Series 2026-1 Closing Date and until the Termination Date:

(a) shall not, and shall not in its capacity as the sole member of any applicable Asset Entity, permit such Asset Entity to, without the prior unanimous written consent of the board of managers or similar body of the Issuer or such Asset Entity, as applicable, including the independent managers of such board, institute proceedings for any of themselves to be adjudicated bankrupt or insolvent; consent to the institution of bankruptcy or insolvency proceedings against themselves; file a voluntary bankruptcy petition or any other petition seeking, or consent to, reorganization or relief under any applicable federal or state law relating to bankruptcy; seek or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) for themselves or a substantial part of their property; make or consent to any assignment for the benefit of creditors; or admit in writing their inability to pay their debts generally as they become due; and

(b) has and at all times shall maintain, and shall cause each applicable Asset Entity of which it is the sole member to maintain, at least two (2) independent managers, who shall be selected by its Member.

ARTICLE IX SATISFACTION AND DISCHARGE

Section 9.01. Satisfaction and Discharge of Base Indenture. This Base Indenture shall cease to be of further effect with respect to any Notes of a particular Series or all Notes, as applicable, except as to (i) rights of registration of transfer and exchange (or de-registration and/or registration of Uncertificated Notes), (ii) substitution of mutilated, destroyed, lost or wrongfully taken Notes of a particular Series, and (iii) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 11.02 and the obligations of the Indenture Trustee under Section 9.02), and the Indenture Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments, to be prepared by the Issuer or its counsel, acknowledging satisfaction and discharge of this Base Indenture with respect to the Notes of a particular Series or all Notes, as applicable, when:

(A) all such Notes theretofore authenticated and delivered (or with respect to Uncertificated Notes, registered) (other than such Notes that have been mutilated, destroyed, lost or wrongfully taken and that have been replaced or paid as provided in Section 2.04) have been delivered to the Indenture Trustee for cancellation (or de-registration);

(B) the Issuer has paid or caused to be paid all Obligations in respect of such Notes and other sums due and payable under the Transaction Documents by the Issuer; and

(C) the Issuer has delivered to the Indenture Trustee an Officer's Certificate, an Opinion of Counsel and (if required by the Indenture Trustee in its sole discretion with no liability therefor) an Independent Certificate from a firm of

certified public accountants, each meeting the applicable requirements of Section 15.01 and, subject to Section 15.02, each stating that all conditions precedent provided for in this Base Indenture relating to the satisfaction and discharge of this Base Indenture with respect to such Notes have been complied with.

Section 9.02. Reserved.

Section 9.03. Repayment of Monies Held by Paying Agent. With respect to each Series, in connection with the satisfaction and discharge of this Base Indenture, all monies then held by any Paying Agent other than the Indenture Trustee under the provisions of this Base Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 7.22 and thereupon such Paying Agent shall be released from all further liability with respect to such monies.

ARTICLE X EVENTS OF DEFAULT; REMEDIES

Section 10.01. Events of Default. Subject to the standard of care set forth in Section 11.01(a), which standard may require the Indenture Trustee to act, any rights or remedies granted to the Indenture Trustee under this Article X or elsewhere in this Base Indenture and the other Transaction Documents, upon the occurrence of an Event of Default, are hereby expressly delegated to and assumed by the Servicer, who shall act on behalf of the Indenture Trustee with respect to all enforcement matters relating to any such Event of Default, including the right to institute and prosecute any Proceeding on behalf of the Indenture Trustee and the Noteholders and other Secured Parties and direct the application of monies held by the Indenture Trustee (to the extent the Indenture Trustee has the discretion hereunder to apply such monies as it deems necessary or appropriate); *provided, however*, that such delegation of authority shall not apply to any matters relating to the Controlling Class Representative set forth in Section 10.05; *provided, further*, that the Servicer shall have the benefit of the Indenture Trustee's exculpation rights and protections under this Base Indenture (including Article X) in connection with such performance (in addition to such exculpation rights and protections afforded to it under the Servicing Agreement. "Event of Default"), wherever used in this Base Indenture or in any Indenture Supplement shall mean the occurrence or existence of any one or more of the following:

(a) Principal and Interest. Failure of the Issuer to pay interest, principal or Prepayment Consideration due on the Notes on any Payment Date (or, in the case of a failure to pay any such amounts when due resulting solely from an administrative error by the Indenture Trustee, such default continues for a period of two (2) Business Days after a Responsible Officer of the Indenture Trustee has Knowledge of such administrative error), it being understood that the failure of the Issuer (1) to pay Accrued Note Interest on the Class C Notes on any Payment Date on which a Rapid Amortization Period or a Post-ARD Period with respect to any Outstanding Class of Notes is in effect for which funds are not available in accordance with clause (xiii) of the Priority of Payments, (2) after a Rapid Amortization Period that was previously in effect and is no longer continuing, to pay unpaid Accrued Note Interest on the Class C Notes which accrued during such Rapid Amortization Period and for which funds are not available in accordance with clause (iii) of the Priority of Payments, until the first Payment Date occurring after such Accrued Note

Interest on the Class C Notes which accrued during such ended Rapid Amortization Period has been paid in full, (3) to pay Post-ARD Additional Interest or Deferred Post-ARD Additional Interest on any Payment Date for which funds are not available in accordance with clause (xvi) of the Priority of Payments, (4) to pay Prepayment Consideration on any Payment Date for which funds are not available in accordance with clauses (vi) or (xvii) of the Priority of Payments or (5) other than on the related Rated Final Payment Date, to pay any principal amounts on any Payment Date for which funds are not available in accordance with the Priority of Payments, in each case, shall not constitute an Event of Default;

(b) Other Defaults Under Base Indenture. Any default in (i) the observance or performance of any covenant or agreement of the Obligors contained in this Base Indenture or (ii) any breach of any representation or warranty contained in this Base Indenture, which default or breach is reasonably likely to cause a Material Adverse Effect and which continues unremedied for a period of 30 days after (x) receipt by any Obligor of written notice from the Indenture Trustee (to the extent a Responsible Officer of the Indenture Trustee has received written notice thereof) (with a copy to the Servicer and the Back-Up Manager) or the Servicer (with a copy to the Indenture Trustee and Back-Up Manager) of such default requiring such default to be remedied or (y) the Manager obtains Knowledge of any such default or breach; provided, that if (i) the default or breach is reasonably susceptible of cure but not within such period of 30 days, (ii) the Obligors have commenced the cure within such 30-day period and have pursued such cure diligently, and (iii) the Obligors deliver to the Indenture Trustee and the Servicer evidence reasonably satisfactory to the Servicer of the foregoing, then such period shall be extended for so long as is reasonably necessary for the Obligors in the exercise of due diligence to cure such default or breach, but in no event beyond 90 days after such 30-day period; *provided* that the Obligors diligently and continuously pursue such cure;

(c) Involuntary Bankruptcy; Appointment of Receiver, etc. (i) A court enters a decree or order for relief with respect to any of the Obligors or the Holdco Guarantor in an Involuntary Bankruptcy, which decree or order is not stayed or other similar relief is not granted under any applicable law unless dismissed within 90 days; (ii) the occurrence and continuance of any of the following events for 90 days unless dismissed or discharged within such time: (x) an involuntary case under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law now or hereafter in effect, is commenced, in which any of the Obligors or the Holdco Guarantor is a debtor or any substantial portion of the Fiber Networks is property of the estate therein, (y) a decree or order of a court for the appointment of a receiver, liquidator, sequestrator, trustee, custodian or other official having similar powers over any of the Obligors or the Holdco Guarantor, over all or a substantial part of its or their property, is entered, or (z) an interim receiver, trustee or other custodian is appointed without the consent of any of the Holdco Guarantor or any of its direct or indirect subsidiaries, as applicable, for all or a substantial part of the property of such Person;

(d) Voluntary Bankruptcy; Appointment of Receiver, etc. (i) An order for relief is entered with respect to any of the Obligors or the Holdco Guarantor, or any of the Obligors or the Holdco Guarantor commences a voluntary case under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case or to the conversion of an involuntary case to

a voluntary case under any such law or consents to the appointment of or taking possession by a receiver, trustee, custodian or other official having similar powers for any of the Obligor or the Holdco Guarantor, for all or a substantial part of the property of any of the Obligor or the Holdco Guarantor; (ii) any of the Obligor or the Holdco Guarantor makes any assignment for the benefit of creditors; or (iii) the board of directors or other governing body of any of the Obligor or the Holdco Guarantor adopts any resolution or otherwise authorizes action to approve any of the actions referred to in this Section 10.01(d);

(e) Other Bankruptcy Events. Other than as described in either of Sections 10.01(c) or 10.01(d), all or any material portion of the Collateral becomes property of the estate or subject to the automatic stay in any case or proceeding under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law now or hereafter in effect (provided that if the same occurs in the context of an involuntary proceeding, it shall not constitute an Event of Default if it is dismissed or discharged within 90 days following its occurrence);

(f) Other Monetary Default. Any payment default by the Obligor or the Holdco Guarantor under any Transaction Document, other than this Base Indenture, which payment default continues beyond the applicable cure period set forth in the corresponding Transaction Document, or if no cure period is set forth in such Transaction Document, such default continues unremedied for a period of five Business Days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Issuer by the Indenture Trustee (to the extent a Responsible Officer of the Indenture Trustee has received written notice or has Knowledge thereof), the Back-Up Manager, the Servicer (with a copy to the Indenture Trustee) or the Noteholders;

(g) Non-Monetary Defaults Under Transaction Documents. Any default in the observance or performance of or compliance with any non-payment covenant or agreement on the part of the Issuer, any Asset Entity or the Holdco Guarantor contained in any Transaction Document other than this Base Indenture, or any breach of any representation or warranty, or breach of any certification or other statement, contained in any Transaction Document, other than this Base Indenture, which default or breach is reasonably likely to cause a Material Adverse Effect and continues unremedied for a period of 30 days after the date on which written notice of such default or breach, requiring the same to be remedied, shall have been given to the Issuer, as applicable, by the Indenture Trustee (to the extent a Responsible Officer of the Indenture Trustee has received written notice or has Knowledge thereof), the Back-Up Manager, the Servicer or the Noteholders; provided, that, if such default or breach is reasonably susceptible of cure, but not within such 30-day period, then the defaulting or breaching party shall be permitted an additional 90 days to cure such default or breach; provided that, the defaulting or breaching party diligently and continuously pursues such cure; or

(h) Transfer Restrictions. The Holdco Guarantor shall cease to own, directly or indirectly 100% of the limited liability company or other ownership interests in the Issuer (other than any ownership interests held solely and expressly for risk retention purposes), or the Issuer shall cease to own, directly or indirectly, 100% of the limited liability company, partnership or other ownership interests in each Asset Entity (other than as expressly permitted in this Base Indenture).

If more than one of the foregoing paragraphs shall describe the same condition or event, then the Indenture Trustee will, solely at the written direction of a Majority of Noteholders, have the right to select which paragraph or paragraphs shall apply. In any such case, the Indenture Trustee shall have the right to (but not the obligation to and shall have no liability for or for failing to) designate the paragraph or paragraphs which provide for non-written notice (or for no notice) or for a shorter time to cure (or for no time to cure), as applicable.

Section 10.02. Acceleration and Remedies. Upon the occurrence and during the continuance of any Event of Default, the Indenture Trustee shall, solely at the written direction of a Majority of Noteholders, accelerate the maturity of the Notes by declaring all of the Notes immediately due and payable, by written notice to the Issuer and the Back-Up Manager. Upon any such declaration, or automatically upon the occurrence of an Event of Default of the types specified in clauses 10.01(c) through 10.01(e), the aggregate Outstanding Class principal balances of all Classes of Notes together with accrued and unpaid interest thereon through the date of acceleration and all other Obligations shall become immediately due and payable, subject to the provisions of Section 15.18.

(a) At any time after a declaration of acceleration of maturity or an automatic acceleration of maturity has been made and before a judgment or decree for payment of the amount due has been obtained by the Indenture Trustee as hereinafter provided in this Section 10.02, a Majority of Noteholders may, with written notice to the Issuer, the Back-Up Manager and the Indenture Trustee, rescind and annul such declaration and its consequences; *provided, however*, such rescission or annulment shall be effective only if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(A) all payments of the principal of and interest on all Notes and all other Obligations that would then be due hereunder or upon such Notes if the Event of Default giving rise to such acceleration had not occurred;

(B) all sums paid or advanced by the Indenture Trustee, the Back-Up Manager and the Servicer hereunder and under the Transaction Documents and the reasonable compensation, expenses, disbursements, indemnities and advances of the Indenture Trustee, the Back-Up Manager and the Servicer and its agents and counsel and other amounts due and owing to the Indenture Trustee pursuant to Section 11.05 and to the Servicer and the Back-Up Manager under the Transaction Documents; and

(ii) all Events of Default, other than the nonpayment of the principal and interest of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 10.15.

(b) Upon the occurrence and during the continuance of an Event of Default of which a Responsible Officer of the Indenture Trustee has Knowledge, all or any one or more of the rights, powers, privileges and other remedies available to the Indenture Trustee against the Obligors (or the Holdco Guarantor) under this Base Indenture or any of the other Transaction

Documents, or at law or in equity, may be exercised by the Indenture Trustee (at the direction of a Majority of Noteholders) at any time and from time to time, whether or not all or any of the Obligations shall be declared due and payable, and whether or not the Indenture Trustee shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Transaction Documents with respect to the Fiber Networks, the Assets, the Customer Agreements or the other Collateral and the proceeds from any of the foregoing. Any such actions taken by the Indenture Trustee (at the direction of a Majority of Noteholders) shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Indenture Trustee (at the direction of a Majority of Noteholders) may determine, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Indenture Trustee permitted by law, equity or contract or as set forth herein or in the other Transaction Documents. Without limiting the generality of the foregoing, if an Event of Default is continuing (i) to the fullest extent permitted by law, the Indenture Trustee shall not be subject to any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to the Indenture Trustee shall remain in full force and effect until the Indenture Trustee (at the direction of a Majority of Noteholders) has exhausted all of its remedies against each Fiber Network, the Assets, the Customer Agreements and the other Collateral and the proceeds from any of the foregoing or the Obligations have been paid in full.

(c) Any amounts recovered with respect to the Collateral and the proceeds from any of the foregoing for the Notes and other Obligations after an Event of Default shall be applied by the Indenture Trustee, after payment of any fees, costs, indemnities and expenses incurred by or due and owing to the Indenture Trustee, the Verification Agent, the Servicer and the Back-Up Manager, in accordance with the Priority of Payments.

Notwithstanding anything contained herein to the contrary, in no event shall the Indenture Trustee be liable or responsible for the supervision of or for the acts or omissions of the Servicer taken or omitted to be taken in connection with this Article X.

Section 10.03. Performance by the Indenture Trustee or the Servicer. Upon the occurrence and during the continuation of an Event of Default, if any of the Asset Entities, the Issuer, the Guarantor or the Manager shall fail to perform, or cause to be performed, any material covenant, duty or agreement contained in any of the Transaction Documents (subject to applicable notice and cure periods), the Indenture Trustee may, and shall, at the direction of a Majority of Noteholders, and the Servicer may, but shall have no obligation to, perform such covenant, duty or agreement on behalf of such Asset Entity, the Issuer, the Guarantor or the Manager, including making protective advances on behalf of any Asset Entities, or, in its sole discretion, causing the obligations of the Obligors to be satisfied with the proceeds of any Reserves. In such event, the Issuer shall, at the request of the Indenture Trustee or the Servicer, as applicable, promptly pay to the Indenture Trustee or the Servicer, as applicable, or reimburse, as applicable, any of the Reserves and any actual amount reasonably expended or disbursed by the Indenture Trustee or the Servicer in such performance or attempted performance, together with interest thereon (including reimbursement of any applicable Reserves), from the date of such expenditure or disbursement, until paid. Any amounts advanced or expended by the Indenture Trustee or the Servicer in its sole discretion to perform or attempt to perform any such matter shall be added to and included within

the Obligations and shall be secured by all of the Collateral securing the Notes. Notwithstanding the foregoing, it is expressly agreed that neither the Indenture Trustee nor the Servicer shall have any liability or responsibility for the performance of any obligation of the Asset Entities, the Issuer, the Guarantor or the Manager under this Base Indenture or any other Transaction Document, and it is further expressly agreed that no such performance by the Indenture Trustee or the Servicer shall cure any Event of Default hereunder.

Section 10.04. Evidence of Compliance. Promptly following request by the Indenture Trustee (at the written direction of a Majority of Noteholders), the Issuer shall, or shall cause the Asset Entities, the Holdco Guarantor or the Manager to, provide such documents and instruments as shall be reasonably satisfactory to the Indenture Trustee (at the written direction of a Majority of Noteholders) to evidence compliance with any material provision of the Transaction Documents applicable to such entities.

Section 10.05. Controlling Class Representative.

(a) The Majority Controlling Class Holders shall be entitled to select a representative (the “Controlling Class Representative”) having the rights and powers specified in the Servicing Agreement and this Base Indenture (including those specified in Section 10.06) or to replace an existing Controlling Class Representative. Upon (i) the receipt by the Indenture Trustee of written requests for the selection of a Controlling Class Representative from the Majority Controlling Class Holders, (ii) the resignation or removal of the Person acting as Controlling Class Representative or (iii) a Responsible Officer of the Indenture Trustee receiving written notice that the Controlling Class has changed, the Indenture Trustee shall promptly notify the Issuer, the Servicer, the Back-Up Manager and the Noteholders (and, in the case of Book-Entry Notes, to the extent a Responsible Officer of the Indenture Trustee has Knowledge of the identity of Note Owners or Note Owners are identified thereto by the Depository, at the expense of such Note Owners if the Depository charges a fee for such identification, such Note Owners) of the Controlling Class that they may select a Controlling Class Representative. Such notice shall set forth the process set forth herein for selecting a Controlling Class Representative. No appointment of any Person as a Controlling Class Representative shall be effective until such Person provides the Indenture Trustee with written confirmation of its acceptance of such appointment, written confirmation that it will keep confidential all information received by it as Controlling Class Representative hereunder or otherwise with respect to the Notes, the Assets or the Servicing Agreement, an address and facsimile number for the delivery of notices and other correspondence and a list of officers or employees of such Person with whom the parties to the Servicing Agreement may deal (including their names, titles, work addresses and email addresses). Unless no other Notes are Outstanding, no Affiliate of the Issuer may act as, or vote its Notes in the selection of, the Controlling Class Representative. By its acceptance of a Note, each Noteholder is deemed to have confirmed its understanding that the Controlling Class Representative or one or more members of the Controlling Class may take or refrain from taking actions that favor the interests of the Controlling Class over the other Noteholders, and that the Controlling Class Representative or one or more members of the Controlling Class may have special relationships and interests that conflict with the interests of such other Noteholders and will be deemed to have agreed to take no action against the Controlling Class Representative or any such other member as a result of such a special relationship or conflict. The Indenture Trustee will provide notice of any

election, resignation or removal of the Controlling Class Representative of which a Responsible Officer has actual knowledge, or has received written notice, to the Servicer and the Back-Up Manager, which such parties shall be entitled to conclusively rely on.

(b) Within ten Business Days (or as soon thereafter as practicable if the Controlling Class consists of Book-Entry Notes) of any change in the identity of the Controlling Class Representative of which a Responsible Officer of the Indenture Trustee has Knowledge, the Indenture Trustee shall deliver to the Noteholders or Note Owners, as applicable, of the Controlling Class and the Servicer a notice setting forth the identity of the new Controlling Class Representative and a list of each Noteholder (or, in the case of Book-Entry Notes, to the extent a Responsible Officer of the Indenture Trustee has Knowledge or identified thereto by the Depository or the DTC Participants, each Note Owner) of the Controlling Class, including, in each case, names and addresses. With respect to such information, the Indenture Trustee shall be entitled to rely conclusively on information provided to it by the Noteholders (or, in the case of Book-Entry Notes, subject to Section 2.06, by the Depository or the Note Owners) of such Notes and the Servicer shall be entitled to rely on such information provided by the Indenture Trustee with respect to any obligation or right hereunder that the Servicer may have to deliver information or otherwise communicate with the Controlling Class Representative or any of the Noteholders (or, if applicable, Note Owners) of the Controlling Class. In addition to the foregoing, within two Business Days of the selection, resignation or removal of a Controlling Class Representative, the Indenture Trustee shall notify the parties to this Base Indenture, the Back-Up Manager and the Servicer of such event.

(c) A Controlling Class Representative may at any time resign as such by giving written notice to the Indenture Trustee, the Servicer, the Back-Up Manager and to each Noteholder (or, in the case of Book-Entry Notes, each Note Owner) of the Controlling Class. The Majority Controlling Class Holders shall be entitled to remove any existing Controlling Class Representative by giving written notice to the Indenture Trustee, the Servicer, the Back-Up Manager and to such existing Controlling Class Representative.

(d) Once a Controlling Class Representative has been selected pursuant to this Section 10.05, each of the parties to the Servicing Agreement and each Noteholder (or Note Owner, if applicable) of the Controlling Class shall be entitled to rely on such selection unless the Majority Controlling Class Holders or such Controlling Class Representative, as applicable, shall have notified the Indenture Trustee and each other party to the Servicing Agreement and each Noteholder (or, in the case of Book-Entry Notes, Note Owner) of the Controlling Class, in writing, of the resignation or removal of such Controlling Class Representative.

(e) In the event that no Controlling Class Representative has been appointed or identified to the Servicer, then the Servicer will have no duty to consult with, provide notice to, or seek the approval or consent of any such Controlling Class Representative, as the case may be, until such time as a Controlling Class Representative meeting the definition thereof is so appointed or identified; provided that, at any time that no Controlling Class Representative has been appointed or identified to the Servicer, to the extent the Servicer receives direction from the Majority Controlling Class Holders, and the Servicer has not previously taken any actions with respect to the subject of such direction, the Servicer shall take such direction (it being understood

that the Servicer shall not be liable for any actions taken or omitted by it prior to the receipt of such direction without the approval or consent of any Controlling Class Representative, even if such act or omission is contrary to any direction later provided to it by the Majority Controlling Class Holders).

(f) Any and all expenses of the Controlling Class Representative shall be borne by the Noteholders (or, if applicable, the Note Owners) of Notes of the Controlling Class, *pro rata* according to their respective Percentage Interests in such Class. Notwithstanding the foregoing, if a claim is made against the Controlling Class Representative by the Holdco Guarantor or an Obligor with respect to the Servicing Agreement or the Notes, the Controlling Class Representative shall immediately notify the Indenture Trustee and the Servicer in writing, whereupon (if the Servicer or the Indenture Trustee is also a named party to the same action and, in the sole judgment of the Servicer, (i) the Controlling Class Representative had acted in good faith, without gross negligence or willful misconduct, with regard to the particular matter at issue, and (ii) there is no potential for the Servicer or the Indenture Trustee to be an adverse party in such action as regards the Controlling Class Representative) the Servicer, shall, subject to the Servicing Agreement, assume the defense (with any costs incurred in connection therewith being deemed to be reimbursable Additional Securitization Expenses) of any such claim against the Controlling Class Representative. In the event the Servicer is required to act at the direction of the Majority Controlling Class Holders, if a Controlling Class Representative has not been elected pursuant to the provisions of any Transaction Document, the Servicer shall have no obligation to obtain any consent, direction or instruction of the Majority Controlling Class Holders.

Section 10.06. Certain Rights and Powers of the Controlling Class Representative.

(a) At any time that, following the occurrence and during the continuation of an Event of Default, the Servicer proposes to direct the Indenture Trustee to transfer the ownership of a Fiber Network or the ownership of the direct or indirect Equity Interests of any of the Obligors pursuant to the terms of the Transaction Documents, the Controlling Class Representative shall be entitled to advise the Servicer with respect to such transfer, and notwithstanding anything in any other Section of this Base Indenture to the contrary, but in all cases subject to Section 10.06(b), the Servicer shall not be permitted to take such action if the Controlling Class Representative has objected in writing to the Servicer within ten Business Days of having been notified thereof and having been provided with information with respect thereto reasonably requested no later than the fifth Business Day after notice thereof; *provided* that if such written objection has not been received by the Servicer within such ten Business Day period, then the Controlling Class Representative's approval shall be deemed to have been given.

If the Controlling Class Representative affirmatively approves or is deemed to have approved in writing such a request, the Servicer shall implement the action for which approval was sought. If the Controlling Class Representative disapproves of such a request within the ten Business Day period referred to in the preceding paragraph, the Servicer must (unless it withdraws the request) revise the request and deliver to the Controlling Class Representative a revised request promptly and in any event within 30 days after such disapproval. The Servicer shall be required to implement the action for which approval was most recently requested (unless such request was withdrawn by the Servicer) upon the earlier of (x) the failure of the Controlling Class

Representative to disapprove a request within ten Business Days after its receipt thereof and (y) (1) the passage of 60 days following the Servicer's delivery of its initial request to the Controlling Class Representative and (2) the determination by the Servicer in its reasonable good faith judgment that the failure to implement the most recently requested action would violate the Servicer's obligation to act in accordance with the Servicing Standard.

(b) Notwithstanding anything herein to the contrary, (i) the Servicer shall not have any right or obligation to consult with or to seek or obtain consent or approval from any Controlling Class Representative prior to acting, and provisions of the Servicing Agreement requiring such shall be of no effect, during the period prior to the initial selection of a Controlling Class Representative and, if any Controlling Class Representative resigns or is removed, during the period following such resignation or removal until a replacement is selected and (ii) no advice, direction or objection from or by the Controlling Class Representative, as contemplated by Section 10.06(a), may (A) require or cause the Servicer to violate applicable law, the terms of the Notes or Transaction Documents or any other Section of the Servicing Agreement, including the Servicer's obligation to act in accordance with the Servicing Standard, (B) expose the Servicer, the Back-Up Manager or the Indenture Trustee, or any of their respective Affiliates, officers, directors, members, managers, employees, agents or partners to any claim, suit or liability, or (C) materially expand the scope of the Servicer's responsibilities under the Servicing Agreement. In addition, the Controlling Class Representative may not prevent the Servicer from transferring the ownership of a Fiber Network or the ownership of any of the direct or indirect Equity Interests of any of the Obligors (including by way of foreclosure on the direct or indirect Equity Interests of the Obligors) if the Servicer determines in accordance with the Servicing Standard that such transfer would be in the best interest of the Noteholders (taken as a whole).

The Controlling Class Representative shall have no liability to the Noteholders for any action taken, or for refraining from the taking of any action, in good faith pursuant to the Servicing Agreement, or for errors in judgment; *provided, however*, that the Controlling Class Representative shall not be protected against any liability that would otherwise be imposed by reason of willful misconduct, gross negligence or reckless disregard of obligations or duties under the Servicing Agreement or the Back-Up Management Agreement. Each Noteholder and Note Owner acknowledges and agrees, by its acceptance of its Notes or interest therein, that the Controlling Class Representative may have special relationships and interests that conflict with those of Noteholders and Note Owners of one or more Classes of Notes, that the Controlling Class Representative may act solely in the interests of the Noteholders and Note Owners of the Controlling Class, that the Controlling Class Representative does not have any duties to the Noteholders and Note Owners of any Class of Notes other than the Controlling Class, that the Controlling Class Representative may take actions that favor the interests of the Noteholders and Note Owners of the Controlling Class over the interests of the Noteholders and Note Owners of one or more other Classes of Notes, that the Controlling Class Representative shall not be deemed to have been grossly negligent or reckless, or to have acted in bad faith or engaged in willful misconduct, by reason of its having acted solely in the interests of the Controlling Class and that the Controlling Class Representative shall have no liability whatsoever for having so acted, and no Noteholder may take any action whatsoever against the Controlling Class Representative for having so acted or against any director, officer, employee, agent or principal thereof for having so acted.

Section 10.07. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) Subject to the provisions of Section 10.02, upon acceleration of the maturity of the Notes, the Issuer shall pay to the Indenture Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on such Notes for the aggregate Outstanding Class principal balance of all Classes of Notes and accrued and unpaid interest thereon and, to the extent payment at such rate of interest shall be legally enforceable, interest upon overdue installments of interest at the rate borne by the relevant Notes and in addition thereto all other Obligations, including such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements, indemnities and advances of the Indenture Trustee, the Back-Up Manager, the Servicer and their agents and counsel and other amounts due and owing to the Indenture Trustee pursuant to Section 11.05 and the Back-Up Manager and the Servicer under the Transaction Documents.

(b) Subject to the provisions of Section 10.02 and Section 15.18, in case the Issuer shall fail forthwith to pay such amounts upon such demand, the Indenture Trustee (acting solely at the written direction of a Majority of Noteholders), in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or the other Obligor upon such Notes and collect in the manner provided by law out of the property of the Issuer or the other Obligor upon such Notes wherever situated, the monies adjudged or decreed to be payable.

(c) Subject to the provisions of Section 15.18, if an Event of Default occurs and is continuing, the Indenture Trustee may, as more particularly provided in Section 10.08, acting at the direction of a Majority of Noteholders, proceed to protect and enforce its rights and the rights of the Noteholders, by such appropriate Proceedings as the Indenture Trustee, solely at the written direction of a Majority of Noteholders, shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Base Indenture or any Series Supplement or in aid of the exercise of any power granted in this Base Indenture or any Series Supplement, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Base Indenture or any Series Supplement or by law.

(d) In case there shall be pending, relative to the Issuer or any other Obligor upon the Notes, proceedings under any applicable federal, state, provincial, territorial or foreign bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other Obligor, or in case of any other comparable judicial Proceedings relative to the Issuer or other Obligor upon the Notes, or to the property of the Issuer or such other Obligor, the Indenture Trustee, irrespective of whether the Outstanding Class principal balance shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee, acting solely at the written direction of a Majority of Noteholders, shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of the principal and interest owing and unpaid in respect of Notes, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation, expenses, disbursements, indemnities and advances of the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and all other amounts due and owing to the Indenture Trustee pursuant to Section 11.05 and all other amounts due and owing to the Servicer under the Servicing Agreement and the other Transaction Documents) and of the Noteholders allowed in such Proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf and at the written direction of the Noteholders in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to pay all amounts received with respect to the claims of the Noteholders and of the Indenture Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Noteholders allowed in any judicial proceedings relative to the Issuer and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Noteholders to make payments to the Indenture Trustee to be distributed in accordance with the Priority of Payments and the other provisions of the Indenture.

(e) Nothing contained in this Base Indenture or in any Series Supplement shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any such Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person and be a member of a creditors' or other similar committee.

(f) Subject to the provisions of Section 15.18, all rights of action and of asserting claims under this Base Indenture or in any Series Supplement, or under any of the Notes, may be enforced by the Indenture Trustee (or the Servicer on its behalf pursuant to Section 10.01), acting solely at the written direction of a Majority of Noteholders, without the possession of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any such action or Proceedings instituted by the Indenture Trustee or the Servicer, acting solely at the written direction of a Majority of Noteholders, may be brought in its own name and as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements, advances, amounts owed to and compensation of the Indenture Trustee, the Back-Up Manager and the Servicer, each predecessor Indenture Trustee, each predecessor Back-Up Manager and each predecessor Servicer and their respective agents and external legal counsels, shall be for the benefit of the Secured Parties.

(g) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Base Indenture or any Series Supplement to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Noteholders, and it shall not be necessary to make any Noteholder a party to any such Proceedings.

Section 10.08. Remedies. If an Event of Default shall have occurred and be continuing, the Indenture Trustee, acting solely at the written direction of a Majority of Noteholders, may do one or more of the following (subject to Section 10.02, Section 10.09, Section 14.01 and Section 15.18):

(i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Notes or under this Base Indenture, any Series Supplement or any other Transaction Document with respect thereto, whether by declaration or otherwise, enforce any judgment obtained and collect from the Issuer and any other Obligor upon such Notes, this Base Indenture, any Series Supplement or any other Transaction Document monies adjudged due;

(ii) institute Proceedings from time to time for the complete or partial foreclosure of this Base Indenture or any Series Supplement with respect to the Trust Estate;

(iii) exercise any and all rights and remedies of a secured party under applicable law of any relevant jurisdiction or in equity and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Noteholders;

(iv) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law;

(v) without notice to the Issuer, except as required by law and as otherwise provided in this Base Indenture, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Collateral against the Obligations or any part thereof; and

(vi) demand, collect, take possession of, receive, settle, compromise, adjust, sue for, foreclose or realize upon the Collateral (or any portion thereof) as the Indenture Trustee, acting at the direction of a Majority of Noteholders, may determine.

Section 10.09. Optional Preservation of the Trust Estate. If the Notes have been declared to be due and payable under Section 10.02 following an Event of Default, and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee shall, solely upon the written direction of Noteholders representing more than 50% of the Class Principal Balance of each Class of Notes adversely affected by such Event of Default, elect to maintain possession of the Trust Estate and apply proceeds as if there had been no declaration of acceleration. In determining whether to maintain possession of the Trust Estate, the Indenture Trustee, solely at the written direction of Noteholders representing more than 50% of the Class Principal Balance of each Class of Notes adversely affected by such Event of Default, shall, at the Issuer's expense,

obtain and shall be protected in relying upon an opinion of an Independent investment banking or accounting firm of international reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

Section 10.10. Limitation of Suits. Subject to the provisions of Section 15.18, no Noteholder shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Base Indenture or any Series Supplement or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Indenture Trustee and the Servicer of a continuing Event of Default;
- (b) Noteholders representing more than 25% of the aggregate Class Principal Balance of all Notes have made written request to the Indenture Trustee and the Servicer to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;
- (c) such Holder or Holders has offered to the Indenture Trustee and the Servicer indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;
- (d) the Indenture Trustee and the Servicer for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (e) no direction inconsistent with such written request has been given to the Indenture Trustee or the Servicer during such 60-day period by a Majority of Noteholders.

It is understood and intended that no one or more Noteholders shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Base Indenture or any Series Supplement to affect, disturb or prejudice the rights of any other Noteholders or to obtain or to seek to obtain priority or preference over any other Noteholders or to enforce any right under this Base Indenture or any Series Supplement, except in the manner provided in this Base Indenture.

In the event the Indenture Trustee or the Servicer shall receive conflicting or inconsistent requests, security and indemnity from two or more groups of Noteholders, each representing less than a Majority of Noteholders, no action shall be taken, notwithstanding any other provisions of this Base Indenture or any Series Supplement. Notwithstanding any provision of this Section 10.10, the Indenture Trustee shall not take any action or permit any action to be taken that is inconsistent with Section 15.18.

Section 10.11. Unconditional Rights of Noteholders to Receive Principal and Interest. Notwithstanding any other provisions in this Base Indenture or any Series Supplement, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note on or after the respective due dates thereof expressed in such Note or in this Base Indenture or any Series Supplement, and such contractual right shall not be impaired without the consent of such Holder.

Section 10.12. Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Base Indenture or any Series Supplement and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Noteholder, then thereafter all rights and remedies of the Indenture Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 10.13. Rights and Remedies Cumulative. Except as provided herein, no right or remedy conferred in this Base Indenture, in any Series Supplement or in any other Transaction Document upon or reserved to the Indenture Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder, in any Series Supplement or in any other Transaction Document or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, in any Series Supplement, or in any other Transaction Document or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 10.14. Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee, the Servicer or any Holder of any Note to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or any acquiescence therein. Every right and remedy given by this Article X or by law to the Indenture Trustee, the Servicer or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

Section 10.15. Waiver of Past Defaults. Noteholders representing more than 50% of the Class Principal Balance of each Class of Notes adversely affected thereby may waive any past Default or Event of Default and its consequences except (i) a Default (a) in the payment of principal or of interest on any of the Notes or (b) in respect of a covenant or provision hereof that cannot be amended, supplemented or modified without the consent of each Noteholder affected thereby as set forth in Section 13.02(i) through (viii) and (ii) before any such waiver may be effective, the Indenture Trustee, the Back-Up Manager and the Servicer must receive any reimbursement then due or payable in respect of any amounts then due to the Servicer, the Verification Agent, the Back-Up Manager and the Indenture Trustee hereunder or under the other Transaction Documents (including unpaid Additional Securitization Expenses, and all unpaid fees, expenses, and indemnification due to the Servicer, the Verification Agent, the Back-Up Manager and the Indenture Trustee hereunder and under the other Transaction Documents). Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Base Indenture or any Series Supplement; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 10.16. Undertaking for Costs. All parties to this Base Indenture or any Series Supplement agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the

enforcement of any right or remedy under this Base Indenture or any Series Supplement, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant (other than the Issuer) in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorney's fees, against any party litigant (other than the Issuer) in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant (other than the Issuer); but the provisions of this Section 10.16 shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Noteholder, or group of Noteholders, representing more than 10% of the aggregate Outstanding Class principal balance of all Classes of Notes or (c) any suit instituted by any Noteholder for the enforcement of the payment of the unpaid principal balance of any Note or interest on any Note on or after the respective due dates expressed in such Note and in this Base Indenture or any Series Supplement.

Section 10.17. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Base Indenture, any Series Supplement or any Transaction Document; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power granted in this Base Indenture to the Indenture Trustee or the Servicer by reliance on any such law, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 10.18. Action on Notes. The Indenture Trustee's right to seek and recover judgment on the Notes or under this Base Indenture, any Series Supplement or any Transaction Document shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Base Indenture, any Series Supplement or any Transaction Document. No rights or remedies of the Indenture Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the Assets of the Issuer.

Section 10.19. Waiver. The Issuer hereby expressly waives, to the fullest extent permitted by law, presentment, demand, protest or any notice of any kind in connection with this Base Indenture or the Collateral. The Issuer acknowledges and agrees that ten days prior written notice of the time and place of any public sale of the Collateral or any other intended disposition thereof shall be reasonable and sufficient notice to the Issuer within the meaning of the UCC (to the extent that the UCC is applicable).

ARTICLE XI THE INDENTURE TRUSTEE

Section 11.01. Duties of Indenture Trustee.

(a) The Indenture Trustee, prior to the occurrence of an Event of Default of which a Responsible Officer of the Indenture Trustee has Knowledge and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and

only such duties as are specifically set forth in this Base Indenture. If an Event of Default of which a Responsible Officer of the Indenture Trustee has Knowledge occurs and is continuing, the Indenture Trustee (or the Servicer on its behalf, if applicable) shall exercise such of the rights and powers vested in it by this Base Indenture, any Series Supplement and any other Transaction Document, and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of its own affairs. Any permissive right of the Indenture Trustee contained in this Base Indenture, any Series Supplement and any other Transaction Document shall not be construed as a duty. The Indenture Trustee shall be liable in accordance herewith only to the extent of the respective obligations specifically imposed upon and undertaken by the Indenture Trustee.

(b) Upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Indenture Trustee which are specifically required to be furnished pursuant to any provision of this Base Indenture, any Series Supplement and any other Transaction Document, the Indenture Trustee shall examine them to determine whether they conform on their face to the requirements of this Base Indenture, any Series Supplement or any other Transaction Document. If any such instrument is found not to conform on its face to the requirements of this Base Indenture, any Series Supplement, or any other Transaction Document in a material manner, the Indenture Trustee shall take such action as it deems appropriate to have the instrument corrected. The Indenture Trustee shall not be responsible or liable for the accuracy or content of any resolution, certificate, statement, opinion, report, document, order or other instrument furnished by the Issuer, the Holdco Guarantor, the Asset Entities, the Manager, the Servicer, any actual or prospective Noteholder or Note Owner or any Rating Agency, and accepted by the Indenture Trustee in good faith, pursuant to this Base Indenture, any Series Supplement or any other Transaction Document. Except as otherwise provided herein, the Indenture Trustee shall not be responsible for recomputing, recalculating or verifying any information provided by the Servicer or the Manager pertaining to any report, distribution statement or Officer's Certificate.

(c) No provision of this Base Indenture shall be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct; *provided, however*, that:

(i) Prior to the occurrence of an Event of Default of which a Responsible Officer of the Indenture Trustee has Knowledge, and after the curing or waiving of all Events of Default which may have occurred, the duties and obligations of the Indenture Trustee shall be determined solely by the express provisions of this Base Indenture, the Indenture Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Base Indenture or any Series Supplement and no implied duties, covenants or obligations shall be read into this Base Indenture or any other Transaction Document against the Indenture Trustee.

(ii) In the absence of bad faith on the part of the Indenture Trustee, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Indenture

Trustee and conforming to the requirements of this Base Indenture and any Series Supplement.

(iii) The Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Indenture Trustee unless it shall be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts.

(iv) The Indenture Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by the Indenture Trustee, in good faith in accordance with this Base Indenture or the direction of Noteholders representing at least 25% (or, as to any particular matter, any higher percentage as may be specifically provided for hereunder) of the aggregate Class Principal Balance of all Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Base Indenture.

(v) The Indenture Trustee shall not be required to take notice or be deemed to have notice or knowledge of any event, Event of Default, Servicer Termination Event, Special Services Event (as defined in the Servicing Agreement), whether any Restoration or Remedial Work is required or other information hereunder or under any other Transaction Document unless either (1) a Responsible Officer shall have Knowledge of such event, Event of Default, Servicer Termination Event or other information or (2) written notice of such event, Event of Default, Servicer Termination Event or other information referring to the Notes, this Base Indenture and any Series Supplement shall have been received by a Responsible Officer in accordance with the provisions of this Base Indenture and any Series Supplement. In the absence of receipt of such Knowledge or written notice, the Indenture Trustee may conclusively assume that no event, Event of Default or Servicer Termination Event shall have occurred and have no duty to otherwise determine whether such event, Event of Default, or Servicer Termination Event shall have occurred.

(vi) Subject to the other provisions of this Base Indenture, and without limiting the generality of this Section 11.01, the Indenture Trustee shall not have any duty, except as expressly provided in the Transaction Documents, (A) to cause any recording, filing, or depositing of this Base Indenture or any Series Supplement or any agreement referred to herein or therein or any financing statement or continuation statement evidencing a security interest, or to cause the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (B) to see to or cause the maintenance of any insurance, (C) to confirm or verify the truth, accuracy or contents of any reports, resolutions, certificates, statements, instruments, opinions, notices, requests, consents, orders, approvals or other documentation of the Issuer, the Holdco Guarantor, the Asset Entities, the Manager, the Servicer, any Noteholder or Note Owner or any Rating Agency, delivered to the Indenture Trustee pursuant to this Base Indenture reasonably believed by the Indenture Trustee to be genuine, absent manifest error, and to have been signed or presented by the proper party or parties (*provided, however*, the Indenture Trustee may,

upon direction of a Majority of Noteholders, make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and any Asset Entity personally or by agent or attorney), and (D) to see to the payment of any assessment or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Collateral other than from funds available in the Collection Account (*provided* that such assessment, charge, lien or encumbrance did not arise out of the Indenture Trustee's willful misconduct, bad faith or negligence). The Indenture Trustee shall not be responsible or liable for (i) the existence, genuineness, value or protection of any of the Collateral, (ii) for the legality, enforceability, effectiveness or sufficiency of the Transaction Documents, (iii) for the creation, perfection, continuation, priority sufficiency or protection of any of the liens, (iv) for any defect or deficiency as to any such matters, or (v) for monitoring the status of any lien or performance of any of the Collateral.

(vii) None of the provisions contained in this Base Indenture or any Series Supplement shall in any event require the Indenture Trustee to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer under the Servicing Agreement except during such time, if any, as the Indenture Trustee shall be successor to, and be vested with the rights, duties, powers and privileges of, the Servicer in accordance with the terms of this Base Indenture and the Servicing Agreement.

(viii) The rights, protections, immunities and indemnities given to the Indenture Trustee hereunder are extended to and shall be enforceable by Wilmington Trust, National Association, in each of its capacities hereunder, and to each agent, custodian and other Person employed to act on its behalf hereunder.

(ix) If the same Person is acting as Indenture Trustee, Verification Agent and Note Registrar, then any notices required to be given by such Person in one such capacity shall be deemed to have been timely given to itself in any other such capacity.

(d) The Indenture Trustee is hereby directed to execute and deliver any Transaction Document to which it is a party.

(e) The Indenture Trustee shall not be liable for interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Indenture Trustee need not be segregated from other funds except to the extent required by law, this Base Indenture or any Series Supplement.

(g) Every provision in this Base Indenture and any Series Supplement that in any way relates to the Indenture Trustee is subject to paragraphs (a) through (f) of this Section 11.01.

Section 11.02. Certain Matters Affecting the Indenture Trustee. Except as otherwise provided in Section 11.01:

(i) the Indenture Trustee may conclusively rely upon and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine, absent manifest error, and to have been signed or presented by the proper party or parties;

(ii) the Indenture Trustee may consult with counsel and any advice or opinion of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance therewith;

(iii) the Indenture Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Base Indenture or any Series Supplement or to make any investigation of matters arising hereunder or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Noteholders, unless such Noteholders shall have provided to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby; the Indenture Trustee shall not be required to expend or risk its own funds (except to pay overhead expenses, such as costs for office space, office equipment, supplies and related expenses, employee salaries and related expenses and similar internal costs and expenses) or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; *provided, however*, that nothing contained herein shall relieve the Indenture Trustee of the obligation, upon the occurrence of an Event of Default of which a Responsible Officer of the Indenture Trustee has Knowledge which has not been waived or cured, to exercise such of the rights and powers vested in it by this Base Indenture or any Series Supplement, and to use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of their own affairs;

(iv) the Indenture Trustee shall not be liable for any action reasonably taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Base Indenture or any Series Supplement;

(v) the Indenture Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by Holders of Notes representing at least 25% of the aggregate Class Principal Balance of all Notes; *provided, however*, that if the payment within a reasonable time to the Indenture Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Indenture Trustee, not reasonably assured to the Indenture Trustee by the security afforded to it by the terms of this Base Indenture, the Indenture Trustee may require an indemnity reasonably

satisfactory to the Indenture Trustee against such cost, expense or liability as a condition to taking any such action;

(vi) the Indenture Trustee may execute any of the trusts or powers vested in it by this Base Indenture or any Series Supplement and may perform any its duties hereunder, either directly or by or through agents, attorneys, nominees or custodians, and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, nominee or custodian appointed by the Indenture Trustee with due care; *provided* that the use of agents, attorneys, nominees or custodians shall not be deemed to relieve the Indenture Trustee of any of its duties and obligations hereunder (except as expressly set forth herein);

(vii) the Indenture Trustee shall not be responsible for any act or omission of any other party to the Transaction Documents or any related document (or any agent thereof) and the Indenture Trustee shall not be liable for any action or inaction of any other party to the Transaction Documents or any related document (or agent thereof) and may assume compliance by such parties with their obligations under the Transaction Documents or any related document, unless a Responsible Officer of the Indenture Trustee shall have received written notice to the contrary at the Corporate Trust Office of the Indenture Trustee;

(viii) the Indenture Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance with any restriction on transfer imposed under Article II under this Base Indenture or under applicable law with respect to any transfer of any Note or any interest therein, other than to request delivery of the certification(s) or Opinions of Counsel described in said Article applicable with respect to changes in registration or record ownership of Notes in the Note Register and to examine the same to determine substantial compliance with the express requirements of this Base Indenture; and the Indenture Trustee and the Note Registrar shall have no liability for transfers, including transfers made through the book-entry facilities of the Depository or between or among DTC Participants or Note Owners of the Notes, made in violation of applicable restrictions except for its failure to perform its express duties in connection with changes in registration or record ownership in the Note Register;

(ix) neither the Indenture Trustee nor any of its officers, directors, employees or agents shall be liable for any action taken or omitted under this Base Indenture or any Series Supplement hereto or in connection therewith except to the extent caused by the Indenture Trustee's negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review;

(x) the Indenture Trustee shall not be liable for any losses on investments except for losses resulting from the failure of the Indenture Trustee to make an investment in accordance with instructions given in accordance herewith;

(xi) in order to comply with laws, rules, regulation and executive orders in effect from time to time including those relating to the funding of terrorist activities and money laundering, the Indenture Trustee may be required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with

the Indenture Trustee, and accordingly, each of the parties hereto agrees to provide the Indenture Trustee upon its reasonable request from time to time such identifying information and documentation as may be reasonably available for such party in order to enable the Indenture Trustee to comply with the foregoing;

(xii) the rights, protections, immunities and indemnities afforded to the Indenture Trustee pursuant to this Base Indenture shall also be afforded to the Indenture Trustee under the other Transaction Documents;

(xiii) whenever in the administration of the provisions of this Base Indenture or any Series Supplement hereto the Indenture Trustee shall deem it necessary (in good faith) that a matter be proved or established as a matter of fact prior to taking or suffering any action or refraining from taking any action, the Indenture Trustee may require a certificate from an Executive Officer of the Issuer or an Opinion of Counsel from the party requesting that the Indenture Trustee act or refrain from acting. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or Opinion of Counsel;

(xiv) in no event shall the Indenture Trustee be liable for any failure or delay in the performance of its obligations under this Base Indenture or any related documents because of circumstances beyond the Indenture Trustee's control, including a failure, termination, or suspension of, or limitations or restrictions in respect of post-payable adjustments through, a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), epidemics, pandemics, civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Base Indenture or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Indenture Trustee's control whether or not of the same class or kind as specified in this Section 11.02(xiv); it being understood that the Indenture Trustee shall use commercially reasonable efforts to resume performance of its obligations hereunder as soon as practicable under the circumstances;

(xv) the Indenture Trustee shall not be required to expend or risk its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties, or the exercise of any of its rights or powers;

(xvi) delivery of any reports, information, notices, Officer's Certificates and documents to the Indenture Trustee provided for herein is for informational purposes only and the Indenture Trustee's receipt of such reports, information, notices, Officer's Certificates, documents and any publicly available information, shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable

from information contained therein, including any Securitization Entity's, Manager's or any other Person's compliance with any of its covenants under the Indenture, the Notes or any other Transaction Document, (x) other than written notice or directions to the Indenture Trustee expressly provided for in this Base Indenture or any other Transaction Document, or (y) unless the Indenture Trustee shall have an explicit duty to review such content;

(xvii) knowledge of the Indenture Trustee shall not be attributed or imputed to Wilmington Trust, National Association's other roles in the transaction and knowledge of the Paying Agent, Note Registrar or Verification Agent shall not be attributed or imputed to each other or to the Indenture Trustee (other than those where the roles are performed by the same group or division within Wilmington Trust, National Association or otherwise share the same Responsible Officers), or any affiliate, line of business, or other division of Wilmington Trust, National Association (and vice versa);

(xviii) notwithstanding anything to the contrary in the Indenture, the Indenture Trustee shall not be required to take any action that is not in accordance with applicable law; and

(xix) the Indenture Trustee shall have no liability or obligation with respect to the applicability (or otherwise) of any risk retention rules.

Section 11.03. Indenture Trustee's Disclaimer. The Indenture Trustee (i) shall not be responsible for, and makes no representation as to, the validity or adequacy of this Base Indenture, any Series Supplement, the Collateral or the Notes and (ii) shall not be accountable for the Issuer's use of the proceeds from the Notes, nor responsible for any statement of the Issuer in this Base Indenture, any Series Supplement or in any document issued in connection with the sale of the Notes or in the Notes other than the Indenture Trustee's certificate of authentication. The Indenture Trustee shall not be responsible for, and makes no representation or warranty as to, the validity, legality, enforceability, sufficiency or adequacy of the Indenture, the Notes or any related document, or as to the correctness of any statement contained in any thereof. The recitals contained herein and in the Notes shall be construed as the statements of the Issuer.

Section 11.04. Indenture Trustee May Own Notes. The Indenture Trustee (in its individual or any other capacity) or any of its respective Affiliates may become the owner or pledgee of Notes with (except as otherwise provided in the definition of "Noteholder") the same rights it would have if it were not the Indenture Trustee or one of its Affiliates, as the case may be.

Section 11.05. Fees and Expenses of Indenture Trustee and Verification Agent; Indemnification of the Indenture Trustee and Verification Agent.

(a) On each Payment Date, the Indenture Trustee shall withdraw from the Collection Account and pay to itself and the Verification Agent pursuant to clause (i) of the Priority of Payments the Indenture Trustee Fee and the Verification Agent Fee due on such Payment Date as compensation for all services rendered by the Indenture Trustee and the Verification Agent, as applicable, hereunder.

(b) The Indenture Trustee and the Verification Agent and any of their affiliates, directors, officers, employees or agents shall be entitled to be reimbursed for, and indemnified and held harmless out of the funds available therefor pursuant to clause (i) of the Priority of Payments from and against, any loss, liability, claim or expense (including reasonable costs and expenses of litigation, and of investigation, reasonable counsel's fees and expenses, damages, judgments and amounts paid in settlement) arising out of, or incurred in connection with, this Base Indenture, the Notes (unless, in the case of the Indenture Trustee, it incurs any such expense or liability in the capacity of successor Servicer, in which case such expense or liability will be reimbursable thereto in the same manner as it would be for any other Servicer in accordance with the Servicing Agreement), any other Transaction Document, any estoppel certificate, landlord consent, waiver or subordination and non-disturbance agreement and related real estate documents or any act or omission of the Indenture Trustee or the Verification Agent relating to the exercise and performance of any of the rights and duties of the Indenture Trustee or the Verification Agent, as applicable, hereunder and under any other Transaction Document, including in connection with any action, claim or suit brought to enforce the Indenture Trustee's or the Verification Agent's right to indemnification; *provided, however*, that none of the Indenture Trustee, the Verification Agent or any of the other above specified Persons shall be entitled to indemnification or reimbursement pursuant to this Section 11.05(b) for (1) any expense that constitutes allocable overhead, such as costs for office space, office equipment, supplies and related expenses, employee salaries and related expenses and similar internal costs and expenses, (2) any loss, liability, damage, claim or expense specifically required to be borne by the Indenture Trustee pursuant to this Base Indenture or (3) any loss, liability, damage, claim or expense incurred by reason of any breach on the part of the Indenture Trustee or the Verification Agent of any of their representations or warranties contained herein or any willful misconduct, bad faith or negligence on the part of the Indenture Trustee or the Verification Agent in the performance of their respective obligations and duties hereunder. Without limiting the foregoing, the Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Verification Agent and their respective Affiliates from and against any liability (including for taxes, penalties or interest asserted by any taxing jurisdiction) arising from any failure to withhold taxes from amounts payable in respect of payments from the Collection Account. The Indenture Trustee and the Verification Agent, as applicable, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Indenture Trustee or the Verification Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. To the extent the Indenture Trustee (or the Servicer on its behalf) renders services or incurs expenses after and during the continuation of an Event of Default specified in Section 10.01(c) or Section 10.01(d), the compensation for services and expenses incurred by it are intended to constitute expenses of administration under any applicable federal, state or foreign bankruptcy, insolvency or other similar law now or hereafter in effect. The Indenture Trustee (for itself and on behalf of the Servicer) shall have a lien on the Collateral, as governed by this Base Indenture, to secure the obligations of the Issuer under this Section 11.05.

(c) Notwithstanding anything in this Base Indenture to the contrary, in no event shall the Indenture Trustee be liable for special, indirect or consequential damages of any kind whatsoever (including lost profits), even if the Indenture Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(d) This Section 11.05 shall survive the discharge or termination of this Base Indenture or the resignation or removal of the Indenture Trustee as regards rights and obligations prior to such discharge, termination, resignation or removal.

Section 11.06. Eligibility Requirements for Indenture Trustee. The Indenture Trustee hereunder shall not be an Affiliate of the Servicer (unless the Indenture Trustee is a successor servicer) or any Asset Entity (unless the Indenture Trustee becomes an Affiliate through any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Transaction Documents) and shall at all times be a corporation, bank, trust company or association that: (i) is organized and doing business under the laws of the United States of America or any State thereof or the District of Columbia and authorized under such laws to exercise corporate trust powers; (ii) together with its corporate parent has a combined capital and surplus of at least \$100,000,000; and (iii) is subject to supervision or examination by federal or state authorities. If such corporation, bank, trust company or association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 11.06, the combined capital and surplus of such corporation, bank, trust company or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In addition: (i) the Indenture Trustee shall at all times meet the requirements of Section 26(a)(1) of the Investment Company Act; and (ii) the Indenture Trustee may not have any affiliations or act in any other capacity with respect to the transactions contemplated hereby that would cause U.S. Department of Labor Prohibited Transaction Exemption (“PTE”) 90-24 or PTE 93-31 (in each case as amended by PTE 2000-58 and PTE 2002-41) to be unavailable with respect to any Class of Notes that it would otherwise be available in respect of. Furthermore, the Indenture Trustee and/or its corporate parent shall at all times maintain (or shall have caused to have been appointed a fiscal agent that at all times maintains) a long-term issuer default rating of at least “BBB” from Fitch (as long as Fitch is a Rating Agency for any Series of Notes) or its equivalent from at least one NRSRO if Fitch is not a Rating Agency for any Series of Notes. The corporation, bank, trust company or association serving as Indenture Trustee may have normal banking and trust relationships with the Asset Entities, the Servicer and their respective Affiliates but, except to the extent permitted or required by the Servicing Agreement, shall not be an “Affiliate” (as such term is defined in Section III of PTE 2000-58) of the Servicer, any sub-servicer, any Initial Purchasers, the Issuer and the Asset Entities or any “Affiliate” (as such term is defined in Section III of PTE 2000-58) of any such Persons.

Section 11.07. Resignation and Removal of Indenture Trustee.

(a) The Indenture Trustee may at any time resign and be discharged from its obligations and duties created hereunder with respect to one or more or all Series of Notes by giving not less than thirty (30) days prior written notice thereof (or such shorter timeframe agreed to by the parties) to the other parties to this Base Indenture, the Servicer, the Back-Up Manager and all of the Noteholders. Upon receiving such notice of resignation, the Issuer shall use its commercially reasonable efforts to promptly appoint a successor indenture trustee meeting the eligibility requirements of Section 11.06 by written instrument, in duplicate, which instrument shall be delivered to the resigning Indenture Trustee and to the successor indenture trustee. A copy of such instrument shall be delivered to the other parties to this Base Indenture, the Servicer, the Back-Up Manager and to the Noteholders by the Issuer. If no successor indenture trustee shall

have been so appointed and have accepted appointment within thirty (30) days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction to appoint a successor indenture trustee.

(b) If at any time the Indenture Trustee shall cease to be eligible in accordance with the provisions of Section 11.06 and shall fail to resign after written request therefor by the Issuer or the Servicer, or if at any time the Indenture Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Indenture Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, or if the Indenture Trustee's continuing to act in such capacity would (as confirmed in writing to the Issuer by any Rating Agency) result in the qualification, downgrade or withdrawal of the rating then assigned to any Class of Notes rated by such Rating Agency (or the placing of such Class of Notes on negative credit watch or ratings outlook negative status in contemplation of any such action with respect thereto), then the Issuer, or the Noteholders representing more than 50% of the aggregate Class Principal Balance of all Notes (the "Majority of Noteholders"), will, upon 30 days' prior written notice, be authorized to remove the Indenture Trustee and appoint a successor indenture trustee by written instrument, in duplicate, which instrument shall be delivered to the Indenture Trustee so removed and to the successor indenture trustee. A copy of such instrument shall be delivered to the other parties to this Base Indenture, the Servicer, the Back-Up Manager and the Noteholders by the Issuer. If no successor indenture trustee has accepted an appointment within 30 days after such notice, the retiring Indenture Trustee may petition any court of competent jurisdiction to appoint a successor indenture trustee.

(c) The Majority of Noteholders may at any time upon 30 days advance written notice (with or without cause) remove the Indenture Trustee and appoint a successor indenture trustee by written instrument or instruments, in triplicate, signed by such holders or their attorneys-in-fact duly authorized, one complete set of which instruments shall be delivered to the Issuer, one complete set to the Indenture Trustee so removed, and one complete set to the successor indenture trustee so appointed. All expenses incurred by the Indenture Trustee in connection with its transfer of all documents relating to the Notes to a successor indenture trustee following the removal of the Indenture Trustee without cause pursuant to this Section 11.07(c) shall be reimbursed to the removed Indenture Trustee within 30 days of demand therefor, such reimbursement to be made by the Noteholders that terminated the Indenture Trustee; *provided, however*, that if such Noteholders do not reimburse the Indenture Trustee within such thirty (30) day period, such expenses shall be reimbursed as Additional Securitization Expenses. A copy of such instrument shall be delivered to the other parties to this Base Indenture, the Servicer, the Back-Up Manager and the remaining Noteholders by the successor indenture trustee so appointed.

(d) Any resignation or removal of the Indenture Trustee and appointment of a successor indenture trustee pursuant to any of the provisions of this Section 11.07 shall not become effective until acceptance of appointment by the successor indenture trustee as provided in Section 11.08.

Section 11.08. Successor Indenture Trustee.

(a) Any successor indenture trustee appointed as provided in Section 11.07 shall execute, acknowledge and deliver to the Issuer, the Servicer, the Back-Up Manager and its predecessor Indenture Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Indenture Trustee shall become effective and such successor indenture trustee, without any further act, deed or conveyance, shall become fully vested with all of the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as indenture trustee herein. The predecessor Indenture Trustee shall deliver to the successor indenture trustee all documents relating to the Notes held by it hereunder, and the Issuer, the Servicer and the predecessor Indenture Trustee shall execute and deliver such instruments and do such other things as may reasonably be required to more fully and certainly vest and confirm in the successor indenture trustee all such rights, powers, duties and obligations, and to enable the successor indenture trustee to perform its obligations hereunder.

(b) No successor indenture trustee shall accept appointment as provided in this Section 11.08 unless at the time of such acceptance such successor indenture trustee shall be eligible under the provisions of Section 11.06.

(c) Upon acceptance of appointment by a successor indenture trustee as provided in this Section 11.08, such successor indenture trustee shall mail notice of the succession of such indenture trustee hereunder to the Issuer, the Servicer, the Back-Up Manager and the Noteholders.

Section 11.09. Merger or Consolidation of Indenture Trustee. Any entity into which the Indenture Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Indenture Trustee shall be the successor of the Indenture Trustee hereunder, provided, such entity shall be eligible under the provisions of Section 11.06, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 11.10. Appointment of Co-Indenture Trustee or Separate Indenture Trustee.

(a) Notwithstanding any other provisions hereof, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any of the Notes or property securing the same may at the time be located, for enforcement actions and where a conflict of interest exists, the Indenture Trustee shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Indenture Trustee to act as co-indenture trustee or co-indenture trustees, jointly with the Indenture Trustee, or separate indenture trustee or separate indenture trustees, of the Notes, and to vest in such Person or Persons, in such capacity, such title to the Notes, or any part thereof, and, subject to the other provisions of this Section 11.10, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-indenture trustee or separate Indenture Trustee hereunder shall be deemed an agent of the Indenture Trustee or be required to meet the terms of eligibility as a successor indenture trustee under Section 11.06, and no notice to Holders of Notes of the

appointment of co-indenture trustee(s) or separate Indenture Trustee(s) shall be required under Section 11.08.

(b) In the case of any appointment of a co-indenture trustee or separate indenture trustee pursuant to this Section 11.10, all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate Indenture Trustee or co-indenture trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether as Indenture Trustee hereunder or when acting as successor servicer under the Servicing Agreement), the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed by such separate Indenture Trustee or co-indenture trustee solely at the written direction of the Indenture Trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then-separate Indenture Trustees and co-indenture trustees, as effectively as if given to each of them. Every instrument appointing any separate Indenture Trustee or co-indenture trustee shall refer to this Base Indenture and the conditions of this Article XI. Each separate Indenture Trustee and co-indenture trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all of the provisions of this Base Indenture and any Series Supplement, specifically including every provision of this Base Indenture and any Series Supplement relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may, at any time, constitute the Indenture Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Base Indenture or any Series Supplement on its behalf and in its name. The Indenture Trustee shall not be responsible or liable for any act, inaction or the appointment of any such trustee or co-trustee. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

(e) The appointment of a co-trustee or separate trustee under this Section 11.10 shall not relieve the Indenture Trustee of its duties and responsibilities hereunder.

Section 11.11. Access to Certain Information.

(a) The Indenture Trustee shall afford to the Issuer, the Initial Purchasers, the Servicer, the Controlling Class Representative, the Back-Up Manager and each Rating Agency and any banking or insurance regulatory authority that may exercise authority over any Noteholder or Note Owner, access to any documentation regarding the Notes it has in its possession. Such access shall be afforded without charge but only upon reasonable prior written request and during normal business hours at the Corporate Trust Office or digitally; *provided, however*, that any such examination permitted under this Section 11.11 will be conducted in a manner which does not

unreasonably interfere with the Indenture Trustee's normal operations or customer and employee relations.

(b) The Indenture Trustee shall maintain at its Corporate Trust Office and, upon reasonable prior written request and during normal business hours, shall make available, or cause to be made available, for review by the Issuer, the Back-Up Manager, the Rating Agencies, the Servicer and the Controlling Class Representative originals or copies of the following items (to the extent that such items were prepared by or delivered to the Indenture Trustee): (i) this Base Indenture, (ii) any Series Supplement, (iii) the Cash Management Agreement, (iv) the Servicing Agreement (and each sub-servicing agreement delivered to the Indenture Trustee since the Series 2026-1 Closing Date and any amendments and exhibits thereto), (v) the Management Agreement, (vi) the Holdco Guaranty, (vii) the Back-Up Management Agreement, (viii) any Shared Access and Services Agreement, (ix) the Pole Attachments Access Agreement, (x) the Access Agreement, (xi) any Offering Memorandum, (xii) all Manager Reports, (xiii) to the extent delivered to the Indenture Trustee, the consolidated financial statements of the Issuer and Uniti Group and (xiv) any other information in the possession of the Indenture Trustee that may be necessary to satisfy the requirements of subsection (d)(4)(i) of Rule 144A. The Indenture Trustee shall make available copies of any and all of the foregoing items to any of the Persons set forth in the previous sentence promptly following request therefor by such Person via the Indenture Trustee's internet website at www.wilmingtontrustconnect.com; *provided, however*, that except in the case of the Rating Agencies, the Indenture Trustee shall be permitted to require payment of a sum sufficient to cover the reasonable costs and expenses of providing such copies.

(c) Upon reasonable advance notice and at the expense of any Noteholder, Note Owner, Controlling Class Representative, Person identified to the Indenture Trustee as a prospective transferee of a Note or an interest therein or Rating Agency (a "Requesting Party"), the Indenture Trustee, subject to the succeeding paragraph, shall make available to such Requesting Party copies of (i) the Base Indenture and any Series Supplement; (ii) the Cash Management Agreement; (iii) the Servicing Agreement; (iv) the Management Agreement; (v) the Holdco Guaranty; (vi) all Manager Reports; and (vii) to the extent delivered to the Indenture Trustee, the most recent consolidated financial statements of the Issuer and Uniti Group; provided that the Requesting Party furnish to the Indenture Trustee a written certification substantially in the form attached hereto as Exhibit C-1, Exhibit C-2 or Exhibit D, as applicable, as to the effect that (x) in the case of a Noteholder, such Person or entity will keep such information confidential (except that any Noteholder may provide any such information obtained by it to any other person or entity that holds or is contemplating the purchase of any Note or interest therein; *provided* that such other person or entity confirms to such Noteholder in writing such ownership interest or prospective ownership interest and agrees to keep such information confidential); and (y) in the case of a Note Owner, such person or entity is a beneficial owner of Book-Entry Notes and will keep such information confidential (except that such Note Owner may provide such information to any other Person or entity that holds or is contemplating the purchase of any Note or interest therein; *provided* that such other person or entity confirms to such Note Owner in writing such ownership interest or prospective ownership interest and agrees to keep such information confidential).

(d) The Indenture Trustee shall make available to each Noteholder and to the Servicer the Manager Report delivered by the Manager as required under the terms of the Management Agreement and Section 7.02(a)(iv) hereof and the Indenture Trustee shall also make available to any Requesting Party the amounts on deposit in, and withdrawn from, the Prefunding Account for the related Collection Period, to the extent such information is delivered to the Indenture Trustee by the Manager. The Verification Agent shall review, recalculate and confirm certain calculations contained in the Manager Report including, interest due and payable on the relevant Payment Date, Senior DSCR, DSCR and the Leverage Ratio at the Class-level. The Verification Agent will conclusively rely on information provided to it by the Issuer and may request evidence of certifications prepared by the Issuer. The manner in which notices and other communications are conveyed by DTC to DTC Participants, and by DTC Participants to the Note Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. The Servicer and the Indenture Trustee are required to recognize as Noteholders only those persons in whose names the Notes are registered on the books and records of the Note Registrar.

(e) The Indenture Trustee shall not be liable for providing or disseminating information in accordance with the terms of this Base Indenture.

(f) The Verification Agent shall initially be the Indenture Trustee and shall be entitled to all rights, protections, privileges and immunities afforded to the Indenture Trustee under the Transaction Documents.

Section 11.12. Servicer to Act for Indenture Trustee. The Indenture Trustee hereby grants (without obligation) to the Servicer the power and authority to perform on its behalf the duties, rights and remedies granted to the Indenture Trustee under this Base Indenture and the other Transaction Documents to the extent such duties, rights and remedies relate to the servicing and administration of the Fiber Networks and related Collateral, and the Indenture Trustee shall have no responsibility or liability for the Servicer's exercise of such duties, rights and remedies; *provided* that such grant shall not obligate the Servicer to perform any such duties, rights and remedies (other than those that the Servicer has expressly agreed to perform pursuant to the Servicing Agreement).

ARTICLE XII NOTEHOLDERS' LISTS, REPORTS AND MEETINGS

Section 12.01. Issuer to Furnish Indenture Trustee Names and Addresses of Noteholders. Unless the Note Registrar and Indenture Trustee are the same entity, the Issuer shall cause the Note Registrar to furnish to the Indenture Trustee (a) not more than three Business Days prior to each Payment Date a list, in such form as the Indenture Trustee may reasonably require, of the names and addresses of the Holders of Definitive Notes as of such date and (b) at such other times as the Indenture Trustee may request in writing, within 30 days after receipt by the Issuer of any such request, a list of similar form and content as of a date not more than ten days prior to the time such list is furnished; *provided, however,* that the Issuer shall not be required to furnish such list so long as the Indenture Trustee is the Note Registrar.

Section 12.02. Preservation of Information. The Note Registrar shall preserve in as current a form as is reasonably practicable, the names and addresses of Holders of Definitive Notes received by the Note Registrar and the names and addresses of the Holders of Definitive Notes contained in the most recent list furnished to the Indenture Trustee as provided in Section 12.01. The Indenture Trustee may destroy any list furnished to it as provided in such Section 12.01 upon receipt of a new list so furnished.

Section 12.03. Voting by Noteholders.

(a) The Class A-1 Notes shall be deemed to be fully drawn for all voting purposes under this Base Indenture. Notes held by the Issuer or any of its Affiliates shall be deemed not to be Outstanding in determining any voting rights.

(b) Except as otherwise provided herein or in any Series Supplement, all resolutions of Noteholders shall be passed by a Majority of Noteholders. Book-Entry Notes shall be voted by the Depositary on behalf of the Beneficial Owners thereof in accordance with written instructions received in accordance with applicable DTC procedures.

Section 12.04. Communication by Noteholders with other Noteholders. Noteholders may communicate with other Noteholders with respect to their rights under this Base Indenture, any Series Supplement or the Notes. If any Noteholder makes written request to the Note Registrar, and such request states that such Noteholder desires to communicate with other Noteholders with respect to their rights under this Base Indenture or under the Notes and such request is accompanied by a copy of the communication that such Noteholder proposes to transmit, then the Note Registrar shall, within 30 days after the receipt of such request, afford the requesting Noteholder access during normal business hours to, or deliver to or otherwise make available to the requesting Noteholder a copy of, the most recent list of Noteholders held by the Note Registrar (which list shall be current as of a date no earlier than 30 days prior to the Note Registrar's receipt of such request). Every Noteholder, by receiving such access, acknowledges that neither the Note Registrar nor the Indenture Trustee will be held accountable in any way by reason of the disclosure of any information as to the names and addresses of any Noteholder regardless of the source from which such information was derived.

ARTICLE XIII INDENTURE SUPPLEMENTS

Section 13.01. Indenture Supplements without Consent of Noteholders. Without the consent of the Noteholders or the Servicer or any other Person, the Issuer and the Indenture Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more Indenture Supplements at the expense of the party requesting such Indenture Supplement, in form satisfactory to the Indenture Trustee for any of the following purposes:

- (i) (a) to correct or cure any typographical error, any ambiguity, omission, mistake, obvious error or inconsistency or (b) to cure, correct or supplement any defective or inconsistent provision in this Base Indenture, any Series Supplement or the Notes or any provision in this Base Indenture, any Series

Supplement or the Notes which is inconsistent with any Offering Memorandum;

- (ii) to convey, transfer, assign, mortgage, pledge or otherwise grant a security interest in any property to the Indenture Trustee on behalf of the Secured Parties;
- (iii) to modify this Base Indenture or any Series Supplement as required or made necessary by any change in applicable law or to comply with any requirements imposed by the Code;
- (iv) to add to the covenants of the Obligors or any other party for the benefit of the Secured Parties, or to surrender any right or power conferred upon the Obligors in this Base Indenture or any Series Supplement;
- (v) to add any additional Events of Default or any other terms that are favorable to the Noteholders;
- (vi) to issue a Series of Additional Notes in accordance with Section 2.12(c);
- (vii) to prevent the Issuer, any Obligor, the Noteholders or the Indenture Trustee from being subject to taxes (including withholding taxes), fees or assessments, or to reduce or eliminate any such taxes, fees or assessments;
- (viii) to evidence and provide for the acceptance of appointment by a successor indenture trustee;
- (ix) to modify or supplement the provisions of this Base Indenture to the extent necessary or desirable to enable the issuance of a Series of Class A-1 Notes and provide for other terms and provisions applicable to such Series of Class A-1 Notes;
- (x) to modify the provisions of this Base Indenture or any Series Supplement to allow for a Fiber Network acquisition account or prefunding account in connection with a future issuance of a Series of Notes;
- (xi) to modify the provisions of this Base Indenture or any Series Supplement to reflect any Third Party Control Party Amendment made to the Servicing Agreement;
- (xii) to modify the Priority of Payments to add clauses and/or modify clauses to allow for one or more Classes of Notes subordinated in priority to any Class C Notes;
- (xiii) to effect any Specified Amendment to the extent that a Rating Agency Confirmation is received with respect to such Specified Amendment, or
- (xiv) for any other purpose;

provided, however, that (A) the Indenture Trustee shall first have received a certificate of an Executive Officer of the Issuer to the effect that such Indenture Supplement does not (x) in the case of clauses (vi), (vii), (ix), (x), (xi), (xiii) and (xiv) above adversely affect in any material respect the interests of any Noteholder (as evidenced by a Rating Agency Confirmation), or (y) otherwise, diminish any rights, protections, indemnifications, immunities, protections or remedies or increase any liabilities, duties or obligations of the Servicer (unless the Servicer has consented thereto) or the Back-Up Manager (unless the Back-Up Manager has consented thereto) hereunder, under the Servicing Agreement, the Back-Up Management Agreement or any other Transaction Document, and (B) in connection with any Indenture Supplement for the purposes described in clauses (ii), (iii), (iv), (v), (vii), (ix), (x), (xi), (xii), (xiii) or (xiv) above, the Indenture Trustee shall have received an Opinion of Counsel (which opinion may contain similar assumptions and qualifications as are contained in any Opinion of Counsel with respect to the tax treatment of any Class of Notes delivered on the applicable Closing Date) to the effect that such amendment will not, for U.S. federal income tax purposes, (x) cause any of the Notes to not be properly characterized as debt or (y) cause the Issuer to be taxable as other than a partnership that is not a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes within the meaning of Section 7704 of the Code or a disregarded entity.

Notwithstanding the foregoing provisions of this Section 13.01, the Issuer must also have received the consent of the Back-Up Manager or the Servicer if the effect of any Indenture Supplement contemplated in the foregoing provisions of this Section 13.01 would be to diminish any rights, indemnifications, immunities, protections, or remedies or increase any liabilities, duties, or obligations of the Back-Up Manager or the Servicer under the Back-Up Management Agreement, the Servicing Agreement or any other Transaction Document. Any such Indenture Supplement requiring consent or approval shall be provided to the Back-Up Manager or the Servicer, as applicable, as soon as practicable, and the Back-Up Manager and the Servicer, as applicable, shall have a commercially reasonable amount of time to review prior to providing any such consent or approval.

In addition, without the consent of the Noteholders, the Indenture Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into any amendment (or provide its consent to any amendment) of any other Transaction Document (or any agreement which requires consent of any Obligor to amend under the terms of any Transaction Document) in accordance with the terms of such Transaction Document; *provided* that either (x) the Indenture Trustee shall first have received a certificate of an Executive Officer of the Issuer to the effect that such amendment will not adversely affect in any material respect the interests of any Noteholder (as evidenced by a Rating Agency Confirmation) or diminish any rights, protections, indemnifications, immunities or remedies or increase any liabilities, duties or obligations of the Servicer (unless the Servicer has consented thereto) hereunder, under the Servicing Agreement or any other Transaction Document or diminish any rights, indemnifications, immunities, protections, or remedies or increase any liabilities, duties or obligations of the Back-Up Manager (unless the Back-Up Manager has consented thereto) hereunder, under the Back-Up Management Agreement or any other Transaction Document or (y) the Indenture Trustee shall have received the consent of the Noteholders as and to the same extent such consent would be required for an Indenture Supplement pursuant to Section 13.02 and the consent of the Servicer if the effect of any such amendment would be to diminish any rights indemnifications, immunities, protections, or

remedies or increase any liabilities, duties or obligations of the Servicer under the Servicing Agreement or any other Transaction Document. Notwithstanding the foregoing provisions in this textual paragraph, the Issuer must also have received the consent of the Back-Up Manager or the Servicer if the effect of any amendment contemplated in this textual paragraph would be to diminish any rights, indemnifications, immunities, protections, or remedies or increase any liabilities, duties, or obligations of the Back-Up Manager or the Servicer, as applicable, under the Back-Up Management Agreement, the Servicing Agreement or any other Transaction Document. Any such amendment requiring consent or approval shall be provided to the Back-Up Manager or the Servicer, as applicable, as soon as practicable, and the Back-Up Manager and the Servicer, as applicable, shall have a commercially reasonable amount of time to review prior to providing any such consent or approval.

Promptly after the execution by the Issuer and the Indenture Trustee of any Indenture Supplement pursuant to this Section 13.01, the Indenture Trustee shall make available to the Holders of the Notes, the Back-Up Manager and the Servicer a copy of such Indenture Supplement. Any failure of the Indenture Trustee to make available such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Indenture Supplement.

Section 13.02. Indenture Supplements with Consent of Noteholders. The Issuer and the Indenture Trustee, when authorized by an Issuer Order, with a prior written consent of Noteholders representing more than 50% of the Class Principal Balance of each Class of Notes adversely affected thereby and without prior notice to any other Noteholder, also may enter into an Indenture Supplement to amend, supplement or modify this Base Indenture, any Series Supplement or the Notes or waive compliance by the Issuer with any provision of this Base Indenture, any Series Supplement or the Notes; *provided, however*, that no such amendment, modification, supplement or waiver (y) may, without the consent of the Back-Up Manager or the Servicer, such consent to be provided to the Issuer, diminish any rights, indemnifications, immunities, protections, or remedies or increase any liabilities, duties, or obligations of the Back-Up Manager or the Servicer hereunder or under the Back-Up Management Agreement, the Servicing Agreement or any other Transaction Document or (z) may, without the consent of the Holder of each Note (including, notwithstanding anything to the contrary contained herein, the Holder of any Note that is the Issuer or any of their respective Affiliates) adversely affected thereby (including any tax consequences) and with respect to clause (viii) below, without the consent of the Servicer and/or the Back-Up Manager, as applicable:

- (i) change an Anticipated Repayment Date, a Rated Final Payment Date or any scheduled Payment Date applicable to the Series;
- (ii) reduce the amounts required to be paid on the Notes on any Payment Date, any Anticipated Repayment Date or any Rated Final Payment Date;
- (iii) change the place of payments on the Notes on any Payment Date, any Anticipated Repayment Date or any Rated Final Payment Date;
- (iv) change the coin or currency in which the principal of any Note or interest thereon is payable;

- (v) impair the right of a Noteholder to institute suit for the enforcement of any payment on or with respect to any Note on or after the maturity thereof;
- (vi) reduce the percentage of the outstanding principal balance of any of the Notes, the consent of whose Holders is required for such amendment or eliminate the requirement that affected Noteholders consent to any amendment;
- (vii) change any obligation of the Issuer to maintain an office or agency in the places and for the purposes set forth in this Base Indenture; or
- (viii) diminish any rights, protections, indemnifications, immunities or remedies or increase any liabilities, duties or obligations of the Servicer hereunder, under the Servicing Agreement or any other Transaction Document, or diminish any rights, protections, indemnifications, immunities or remedies or increase any liabilities, duties or obligation of the Back-Up Manager under the Indenture, the Back-Up Management Agreement or any other Transaction Documents; or
- (ix) permit the creation of any lien ranking prior to or on parity with the lien of the Noteholders with respect to the Collateral or, except as otherwise permitted or contemplated in this Base Indenture or any Series Supplement, terminate the lien of the Noteholders on such Collateral or deprive the Noteholders of the security afforded by such.

In determining whether a proposed amendment would adversely affect any Class of Notes, the Indenture Trustee may rely conclusively and shall be fully protected in relying on a certificate of an Executive Officer of the Issuer.

It shall not be necessary for any Act of the Noteholders under this Section 13.02 to approve the particular form of any proposed Indenture Supplement, but it shall be sufficient if such Act shall approve the substance thereof.

Notwithstanding anything to the contrary in this Section 13.02, a Series Supplement entered into for the purpose of issuing Additional Notes the issuance of which complies with the terms of this Base Indenture shall not require the consent of any Noteholder.

Promptly after the execution by the Issuer and the Indenture Trustee of any Indenture Supplement pursuant to this Section 13.02, the Indenture Trustee shall make available to the Holders of the Notes, the Back-Up Manager and the Servicer a copy of such Indenture Supplement. Any failure of the Indenture Trustee to make available such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Indenture Supplement.

Section 13.03. Execution of Indenture Supplements. In executing, or permitting the additional trusts created by, any Indenture Supplement permitted by this Article XIII or the modification thereby of the trusts created by this Base Indenture, the Indenture Trustee shall be

entitled to receive, and, subject to Section 11.02, shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that the execution of such Indenture Supplement is authorized or permitted by this Base Indenture and that all conditions precedent to the execution and delivery of such Indenture Supplement have been satisfied; *provided* that an Opinion of Counsel shall not be required in connection with any Series Supplement entered into solely in connection with the issuance of a Series of Additional Notes. The Indenture Trustee may, but shall not be obligated to (and with respect to the Servicer and the Back-Up Manager shall not, except as permitted by the Servicing Agreement and the Back-Up Management Agreement), enter into any such Series Supplement that affects the Indenture Trustee's (or with respect to the Servicer and the Back-Up Manager, the Servicer's and the Back-Up Manager's) own rights, duties, liabilities or immunities under this Base Indenture or otherwise.

Section 13.04. Effect of Indenture Supplement. Upon the execution of any Indenture Supplement pursuant to the provisions hereof, this Base Indenture, any Series Supplement affected by such Indenture Supplement and/or any Notes affected by such Indenture Supplement shall be and shall be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Base Indenture, such Series Supplement and/or such Notes of the Indenture Trustee, the Servicer, the Obligors and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder and thereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Indenture Supplement shall be and be deemed to be part of the terms and conditions of this Base Indenture, such Series Supplement and/or such Notes for any and all purposes.

Section 13.05. Reference in Notes to Indenture Supplements. Notes authenticated and delivered (or with respect to Uncertificated Notes, registered) after the execution of any Indenture Supplement pursuant to this Article XIII may bear a notation in form approved by the Indenture Trustee as to any matter provided for in such Indenture Supplement. If the Issuer shall so determine, new Notes so modified as to conform, in the opinion of the Issuer, to any such Indenture Supplement may be prepared and executed by the Issuer and authenticated and delivered (or with respect to Uncertificated Notes, registered) by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE XIV PLEDGE OF OBLIGOR COLLATERAL

Section 14.01. Grant of Security Interest/UCC Collateral.

(a) Each Obligor hereby pledges, assigns, conveys, delivers, transfers and sets over to the Indenture Trustee, for the benefit of the Secured Parties, and hereby grants to the Indenture Trustee on behalf of the Secured Parties and the other Secured Parties a security interest in and to all of its fixtures (as defined in the UCC), personal property and other assets whether now owned or hereafter acquired and wherever located, including the following (collectively, the "Obligor Collateral"):

- (i) the Equity Interests of any Person owned by such Obligor and all rights as a member or shareholder of each such Person under the organizational documents of each such Person;
- (ii) equipment (as defined in the UCC), all parts thereof and all accessions thereto, including machinery, satellite receivers, antennas, headend electronics, furniture, motor vehicles, aircraft and rolling stock;
- (iii) fixtures, all substitutes and replacements therefor, all accessions and attachments thereto, and all tools, parts and equipment now or hereafter added to or used in connection with the fixtures (including proceeds which constitute property of the types described herein);
- (iv) the Obligors' rights, title and interest in and under the Customer Agreements with respect to the Fiber Networks and the related Fiber Network Assets (including all Customer Receivables and other rights to payment thereunder, but excluding any rights that cannot be assigned without third party consent), excluding any Customer Agreement or Fiber Network Asset which, by its terms, does not allow such a security interest to be granted;
- (v) the Obligors' rights, title and interest in and to any other Fiber Network Asset owned by the Obligors;
- (vi) accounts (as defined in the UCC);
- (vii) inventory (as defined in the UCC);
- (viii) goods (as defined in the UCC);
- (ix) contract rights (as defined in the UCC);
- (x) general intangibles (as defined in the UCC), including any limited liability company or other ownership interests which are not "securities" as provided under Section 8-103 of the UCC;
- (xi) investment property (as defined in the UCC) and deposit accounts (as defined in the UCC), including all the Accounts and related Account Collateral;
- (xii) chattel paper (as defined in the UCC);
- (xiii) instruments (as defined in the UCC);
- (xiv) all rights and remedies of any of the Obligors under the Transaction Documents to which it is a party (including all rights to payment thereunder);
- (xv) the Fiber Network Underlying Rights Agreements and any and all rights, remedies and proceeds thereunder and derived therefrom (other than any Fiber Network

Underlying Rights Agreement which, by its terms, does not allow such a security interest to be granted);

(xvi) all leases of personal property and any Customer Agreements that constitute personal property;

(xvii) all Fiber Network Assets that constitute real property; and

(xviii) all proceeds of the foregoing clauses (i) through (xvii) as security for payment and performance of all of the Obligations hereunder;

provided that Obligor Collateral does not include any Collateral Exclusions.

(b) If the grant of the security interests with respect to any contract, intellectual property right, government license or permit hereunder would result in the termination or breach of such contract, intellectual property right, government license or permit, or is otherwise prohibited or ineffective (whether by the terms thereof or under applicable law), then such contract, intellectual property right, government license or permit shall not be subject to the security interests but shall be held in trust by the applicable Obligor for the benefit of the Indenture Trustee (for its own benefit and for the benefit of the Secured Parties) and, on the exercise by the Indenture Trustee of any of its rights or remedies under this Base Indenture following an Event of Default, such contract, intellectual property right, government license or permit shall be assigned by such Obligor as directed by the Indenture Trustee (acting at the direction of a Majority of Noteholders).

(c) Each Obligor confirms that value has been given by the Noteholders to such Obligor, that such Obligor has rights in its Collateral existing at the date of this Base Indenture, and that such Obligor and the Indenture Trustee have not agreed to postpone the time for attachment of the security interests to any of the Collateral of such Obligor.

(d) The Issuer and the Asset Entities hereby authorize the Indenture Trustee, and the Indenture Trustee shall have the right but not the obligation, to file such financing statements as the Issuer shall deem reasonably necessary to perfect the Indenture Trustee's interest in the Obligor Collateral and file continuation statements to match such perfection; *provided, however*, that the Indenture Trustee shall not be obligated to execute or authorize such instrument except upon the written direction of the Servicer or the Issuer. The Issuer and the Asset Entities authorize the Indenture Trustee to use the collateral description "all assets" or similar variation in any such financing statements. The Issuer and the Asset Entities hereby ratify and authorize the filing (i) by the Issuer of any financing statement and (ii) by the Indenture Trustee (or the Servicer on its behalf) of any continuation statement, in each case with respect to the Obligor Collateral made on or after the Series 2026-1 Closing Date and prior to the Termination Date. Upon the occurrence and during the continuance of any Event of Default, the Indenture Trustee shall have all rights and remedies pertaining to the Obligor Collateral as are provided for in any of the Transaction Documents or under any applicable law including the Indenture Trustee's rights of enforcement with respect to the Obligor Collateral or any part thereof, exercising its rights of enforcement with respect to the Obligor Collateral or any part thereof under the UCC (or under the Uniform Commercial Code in force in any other state to the extent the same is applicable law)

and in conjunction with, in addition to, or in substitution for, such rights and remedies of the following:

(i) The Indenture Trustee may enter upon the premises of an Obligor to take possession of, assemble and collect the Obligor Collateral or to render it unusable.

(ii) The Indenture Trustee may require an Obligor to assemble the Obligor Collateral and make it available at a place the Indenture Trustee designates which is mutually convenient to allow the Indenture Trustee to take possession or dispose of the Obligor Collateral.

(iii) To the extent a Responsible Officer of the Indenture Trustee has Knowledge thereof, written notice mailed to the Issuer as provided herein at least ten days prior to the date of public sale of the Obligor Collateral or prior to the date after which private sale of the Obligor Collateral will be made shall constitute reasonable notice.

(iv) In the event of a foreclosure sale, the Obligor Collateral and the other Collateral may, at the option of the Indenture Trustee (acting at the direction of a Majority of Noteholders), be sold as a whole.

(v) It shall not be necessary that the Indenture Trustee take possession of the Obligor Collateral or any part thereof prior to the time that any sale pursuant to the provisions of this section is conducted and it shall not be necessary that the Obligor Collateral or any part thereof be present at the location of such sale.

(vi) Prior to application of proceeds of disposition of the Obligor Collateral to the Obligations, such proceeds shall be applied to the reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like and the reasonable attorneys' fees and legal expenses incurred by the Indenture Trustee.

(vii) Any and all statements of fact or other recitals made in any bill of sale or assignment or other instrument evidencing any foreclosure sale hereunder as to nonpayment of the Obligations or as to the occurrence of any default, or as to the Indenture Trustee having declared all Obligations to be due and payable, or as to notice of time, place and terms of sale and of the properties to be sold having been duly given, or as to any other act or thing having been duly done by the Indenture Trustee, shall be taken as prima facie evidence of the truth of the facts so stated and recited.

(viii) The Indenture Trustee may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by the Indenture Trustee, including the sending of notices and the conduct of the sale, but in the name and on behalf of the Indenture Trustee.

(ix) The Indenture Trustee may appoint by instrument in writing one or more Receivers of any or all Obligors or any or all of the Collateral of any or all Obligors with such rights, powers and authority (including any or all of the rights, powers and authority of the Indenture Trustee under this Base Indenture) as may be provided for in the

instrument of appointment or any supplemental instrument, and remove and replace any such Receiver from time to time. To the extent permitted by applicable law, any Receiver appointed by the Indenture Trustee shall be considered to be the agent of any such Obligor and not of the Indenture Trustee or any of the other Secured Parties.

Section 14.02. Equity Interest Pledges.

(a) Unless an Event of Default has occurred and is continuing, each Obligor shall, for greater certainty, be entitled to continue to exercise all voting power from time to time exercisable with respect to the Equity Interests pledged by such Obligor and give consents, waivers and ratifications with respect thereto; *provided, however*, that, except as otherwise expressly set forth in the Transaction Documents, no Obligor shall cast any vote or take any other action which would be, or would have a reasonable likelihood of being, prejudicial to the interests of the Noteholders or which would have the effect of reducing the value of the Collateral of such Obligor as security for the Obligations of such Obligor or imposing any additional restriction on the transferability of any of the Collateral of such Obligor. Immediately upon the occurrence and during the continuance of any Event of Default, all such rights of the applicable Obligor to vote and give consents, waivers and ratifications shall cease and the Indenture Trustee or its nominee shall be entitled to exercise all such voting rights and to give all such consents, waivers and ratifications.

(b) Unless an Event of Default has occurred and is continuing, each Obligor shall be entitled to receive any and all cash dividends, interest, principal payments and other forms of cash distribution otherwise permitted hereunder on Equity Interests pledged by such Obligor which it is otherwise entitled to receive. If an Event of Default has occurred and is continuing, all rights of such Obligor pursuant to this Section shall cease and the Indenture Trustee shall have the sole and exclusive right and authority to receive and retain the cash dividends, interest, principal payments and other forms of cash distribution which such Obligor would otherwise be authorized to retain pursuant to this Section. Any money and other property paid over to or received by the Indenture Trustee pursuant to the provisions of this Section 14.02 shall be retained by the Indenture Trustee as additional Collateral hereunder and be applied in accordance with the provisions of this Base Indenture.

**ARTICLE XV
MISCELLANEOUS**

Section 15.01. Compliance Certificates and Opinions, etc. Upon any application or request by the Issuer to the Indenture Trustee or the Servicer to take any action under any provision of this Base Indenture, any Series Supplement or any other Transaction Document, the Issuer shall furnish to the Indenture Trustee and Servicer (i) an Officer's Certificate stating that all conditions precedent (or covenants expressly related to the proposed action), if any, provided for in this Base Indenture, such Series Supplement, and the other Transaction Document relating to the proposed action have been complied with, when reasonably requested by the Indenture Trustee or the Servicer, (ii) an Opinion of Counsel stating that in the opinion of such counsel such action is

authorized or permitted by this Base Indenture, such Series Supplement and the other Transaction Document, and all such conditions precedent (or covenants expressly related to the proposed action), if any, have been complied with, and (iii) if applicable as expressly set forth in any Transaction Document, an Independent Certificate from a firm of certified public accountants meeting the applicable requirements of this Section 15.01, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Base Indenture, any Series Supplement or any Transaction Document, no additional certificate or opinion need be furnished.

Every certificate or opinion provided by or on behalf of the Issuer with respect to compliance with a condition or covenant provided for in this Base Indenture, or any Series Supplement or any other Transaction Document shall include:

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the related definitions in this Base Indenture, in such Series Supplement and the other Transaction Document relating thereto;
- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (iv) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

Nothing herein shall be deemed to require either the Indenture Trustee, the Back-Up Manager or the Servicer to confirm, represent or warrant the accuracy of (or to be liable or responsible for) any other Person's information or report, including any communication from the Issuer, any Asset Entity, the Holdco Guarantor or the Manager. In connection with the performance of its obligations hereunder and under the other Transaction Documents, each of the Indenture Trustee, the Back-Up Manager and the Servicer shall be entitled to conclusively rely upon any written information or certification (without any obligation to investigate the accuracy or completeness of any information or certification set forth therein) or recommendation provided to it by the Manager, and none of the Indenture Trustee, the Back-Up Manager or the Servicer shall have any liability with respect thereto.

Section 15.02. Form of Documents Delivered to Indenture Trustee.

(a) In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

(b) Any certificate or opinion of an Authorized Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or Opinion of Counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which such Officer's Certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer, stating that the information with respect to such factual matters is in the possession of the Issuer, unless such officer or officers of the Issuer or such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

(c) Where any Person is required to make, give or execute two or more applications, requests, comments, certificates, statements, opinions or other instruments under this Base Indenture, any Series Supplement or any other Transaction Document, they may, but need not, be consolidated and form one instrument.

(d) Whenever in this Base Indenture, any Series Supplement or any other Transaction Document, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer or the Asset Entities shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's or the Asset Entities' compliance with any term hereof, in any Series Supplement or any other Transaction Document, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer or the Asset Entities to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's or the Servicer's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article XI.

Section 15.03. Acts of Noteholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Base Indenture or any Series Supplement to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as otherwise expressly provided in this Base Indenture or in any Series Supplement, such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied in this Base Indenture or in any Series Supplement and evidenced thereby) are sometimes referred to in this Base Indenture as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Base Indenture or any Series Supplement and (subject to Article XI) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 15.03.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any reasonable manner which the Indenture Trustee deems sufficient.

(c) The ownership, principal balance and serial numbers of the Notes, and the date of holding the same, shall be proved by the Note Register.

(d) If the Issuer shall solicit from Noteholders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Issuer may, at its option, fix in advance a record date for the determination of Noteholders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Issuer shall have no obligation to do so. Any such record date shall be fixed at the Issuer's discretion. If not set by the Issuer prior to the first solicitation of a Noteholder made by any Person in respect of any such matters referred to in the foregoing sentence, such record date shall be the date 30 days prior to such first solicitation of Noteholders. If such a record date is fixed, such request, demand, authorization, direction, notice, consent and waiver or other Act may be sought or given before or after the record date, but only the Noteholders of record at the close of business on such record date shall be deemed to be Noteholders for the purpose of determining whether Noteholders of the requisite proportion of the Notes Outstanding have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Notes Outstanding shall be computed as of such record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee, the Servicer or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(f) Without limiting the foregoing, a Noteholder entitled hereunder or under any Series Supplement to take any action hereunder or thereunder with regard to any Note may do so with regard to all or any part of the principal balance of such Note or by one or more appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal balance of such Note.

(g) The Indenture Trustee (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Base Indenture, any other Transaction Document or any additional document executed in connection herewith that is transmitted by Electronic Transmission in accordance with Section 15.14.

Section 15.04. Notices; Copies of Notices and Other Information.

(a) Any request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Base Indenture shall be in writing and if such request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders is to be made upon, given or furnished to or filed with:

(iv) the Back-Up Manager, shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing personally delivered or mailed by certified mail (and also emailed) to the Back-Up Manager at 101 Federal Street, 28th Floor, Boston, MA 02110, Attention: Daniel Granoff, Phil Hooper, and Jeff Johnson (email addresses Daniel.Granoff@altmansolon.com, Phil.Hooper@altmansolon.com, and Jeff.Johnson@altmansolon.com), with a copy personally delivered or mailed by certified mail (and also emailed) to the Back-Up Manager's General Counsel at that same physical address (email address Sara.Fiorillo@altmansolon.com) or, in each case, at any other address previously furnished in writing to the Indenture Trustee and the Servicer by the Back-Up Manager.

(b) Any notice to be given to the Indenture Trustee hereunder shall also be given to the Note Registrar and the Servicer in writing, personally delivered, faxed, emailed or mailed by certified mail; *provided, however*, that only one notice to the Indenture Trustee shall be necessary at any time that the Indenture Trustee is also the Note Registrar.

(c) Any notice, and copies of any reports, certificates, schedules, statements, documents or other information to be given to the Indenture Trustee by the Issuer, the Holdco Guarantors or the Asset Entities hereunder shall also be simultaneously given to the Servicer in writing, personally delivered, faxed, emailed or mailed by certified mail and shall not be deemed given to the Indenture Trustee until also given to the Servicer.

(d) Notices required to be given to the Rating Agencies by the Issuer or the Asset Entities or the Indenture Trustee with respect to any Series of Notes shall be made as specified in the Series Supplement for such Series of Notes.

(e) In addition to the notice provisions set forth in Section 15.04(d), notices required to be given to Fitch and KRBA by the Issuer or the Asset Entities or the Indenture Trustee with respect to any Series of Notes shall also be provided to the Rating Agencies for so long as the Rating Agencies are rating any Series of Notes then Outstanding in writing and mailed first class, postage prepaid addressed to (i) Fitch, One North Wacker Drive, Floor 23, Chicago, IL 60606,

and by email to globalcrosssectorsf@fitchratings.com in the case of Fitch and (ii) KBRA, 805 Third Avenue, 29th Floor, New York, New York 10022, Attention: ABS Surveillance and by email to: abssurveillance@kbra.com, in the case of KBRA, in the case of KBRA.

Section 15.05. Notices to Noteholders; Waiver.

(a) Where this Base Indenture or any Series Supplement provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise expressly provided in this Base Indenture or in such Series Supplement) if in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event, at its address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner provided in this Base Indenture and any applicable Series Supplement shall conclusively be presumed to have been duly given.

(b) Where this Base Indenture or any Series Supplement provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

(c) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Base Indenture or any Series Supplement, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

(d) Where this Base Indenture or any Series Supplement provides for notice to the Rating Agencies, failure to give such notice to the Rating Agencies shall not affect any other rights or obligations created hereunder or under any Series Supplement, and shall not under any circumstance constitute a Default or Event of Default.

Section 15.06. Payment and Notice Dates. All payments to be made and notices to be delivered pursuant to this Base Indenture, any Series Supplement or any other Transaction Document shall be made by the responsible party as of the dates set forth in this Base Indenture, in such Series Supplement or in such other Transaction Document.

Section 15.07. Effect of Headings and Table of Contents. The Article and Section headings in this Base Indenture or in any Series Supplement and the Table of Contents are for convenience only and shall not affect the construction hereof or thereof.

Section 15.08. Successors and Assigns. All covenants and agreements in this Base Indenture, any Series Supplement and the Notes by the Obligors shall bind their successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Base Indenture and any Series Supplement shall bind its successors, co-trustees and agents.

Section 15.09. Severability; Entire Agreement. In case any provision in this Base Indenture or any Series Supplement or in the Notes of any Series shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. This Base Indenture, together with any Series Supplement and the Transaction Documents, supersedes all prior agreements between the parties and constitutes the entire agreement between the parties hereto with respect to the matters covered hereby and supersedes all prior agreements between the parties.

Section 15.10. Benefits of Base Indenture. Nothing in this Base Indenture, any Series Supplement or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Servicer, the Noteholders, the other Secured Parties and the Rating Agencies, any benefit or any legal or equitable right, remedy or claim under this Base Indenture or any Series Supplement. The Back-Up Manager and the Servicer are intended third party beneficiaries of this Agreement and may enforce this Agreement as though a party hereto.

Section 15.11. Legal Holiday. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes, this Base Indenture or any Series Supplement) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and, except as otherwise expressly provided in this Base Indenture or in any such Series Supplement, no interest shall accrue for the period from and after any such nominal date.

Section 15.12. Governing Law. THIS BASE INDENTURE AND EACH SERIES SUPPLEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) INCLUDING ANY CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS BASE INDENTURE AND EACH SUCH SERIES SUPPLEMENT. EACH OBLIGOR AND THE INDENTURE TRUSTEE IRREVOCABLY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE COURT OR UNITED STATES FEDERAL COURT SITTING IN THE BOROUGH OF MANHATTAN, THE CITY OF NEW YORK IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR IN RELATION TO THIS BASE INDENTURE OR EACH SUCH SERIES SUPPLEMENT.

Section 15.13. Waiver of Jury Trial. EACH OBLIGOR AND THE INDENTURE TRUSTEE HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS BASE INDENTURE, THE NOTES, THE OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY.

Section 15.14. Counterparts. (a) The parties may sign any number of copies of this Base Indenture and any Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The words "execution," "execute," "signed,"

“signature,” “delivery,” and words of like import in or relating to this Base Indenture and any Supplemental Indenture or any document to be signed in connection with this Base Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that, notwithstanding anything herein to the contrary, the Indenture Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Indenture Trustee, pursuant to procedures approved by the Indenture Trustee. As used herein, “electronic signature” means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or other record.

(b) For purposes of this Base Indenture, any reference to “written” or “in writing” means any form of written communication, including, without limitation, electronic signatures, and any such written communication may be transmitted by Electronic Transmission. “Electronic Transmission” means any form of communication not directly involving the physical transmission of paper, including the use of, or participation in, one or more electronic networks or databases (including one or more distributed electronic networks or databases), that creates a record that may be retained, retrieved and reviewed by a recipient thereof and that may be directly reproduced in paper form by such a recipient through an automated process. The Indenture Trustee is authorized to accept written instructions, directions, reports, notices or other communications delivered by Electronic Transmission and shall not have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by Electronic Transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such Electronic Transmission; and the Indenture Trustee shall not have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information to the Indenture Trustee, including, without limitation, the risk of the Indenture Trustee acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties (except to the extent such action results from gross negligence or willful misconduct by the Indenture Trustee).

(c) Any person providing instructions or directions indicated above shall provide to the Indenture Trustee an incumbency certificate listing persons designated to provide such instructions or directions (including the e-mail addresses of such persons), which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Indenture Trustee instructions or directions by e-mail (of .pdf or similar files), the Indenture Trustee’s reasonable understanding of such instructions shall be deemed controlling. The Indenture Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Indenture Trustee’s reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written

instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(d) Any requirement in this Base Indenture or the Notes that a document, including the Notes, is to be signed or authenticated by “manual signature” or similar language shall not be deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by Electronic Transmission.

(e) Notwithstanding anything to the contrary in this Base Indenture, any and all communications (both text and attachments) by or from the Indenture Trustee that the Indenture Trustee in its sole discretion deems to contain confidential, proprietary and/or sensitive information and sent by Electronic Transmission will be encrypted. The recipient of the Electronic Transmission may be required to complete a one-time registration process.

(f) Delivery of an executed counterpart of a signature page of this Base Indenture by Electronic Transmission shall be effective as delivery of a manually executed counterpart of this Base Indenture.

Section 15.15. Recording of Base Indenture. If this Base Indenture or any Series Supplement is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense.

Section 15.16. Corporate Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Obligor or the Indenture Trustee, in each of their capacities hereunder or under any Indenture Supplement, on the Notes, under this Base Indenture or any Indenture Supplement or any certificate or other writing delivered in connection herewith or under any Indenture Supplement, against (i) the Indenture Trustee, the Paying Agent and the Note Registrar in its individual capacity, or (ii) any partner, owner, beneficiary, agent, officer, director, employee or agent of any Obligor or the Indenture Trustee in its individual capacity, any holder of equity in any Obligor or the Indenture Trustee or in any successor or assign of the Indenture Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee has no such obligations in its individual capacity), and except that any such partner, owner or equity holder shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity.

Section 15.17. No Petition. The Indenture Trustee, by entering into this Base Indenture or any Series Supplement, and each Noteholder, by accepting a Note, and each Note Owner, by accepting an ownership interest in a Global Note, hereby covenants and agrees that neither it nor the Indenture Trustee on behalf of any Secured Party will at any time institute against the Issuer or the Asset Entities or the Holdco Guarantor, or join in any institution against the Issuer or the Asset Entities or the Holdco Guarantor of, any bankruptcy, reorganization, insolvency or similar proceedings, or other proceedings under any federal, state or foreign bankruptcy or similar law in connection with any obligations relating to the Notes, this Base Indenture, any such Series Supplement or any of the other Transaction Documents; provided, however, that this provision shall

not (i) limit the Indenture Trustee's, Noteholder's or Note Owner's ability to participate in any such bankruptcy, reorganization, insolvency or similar proceedings, or other proceedings initiated by the Issuer, Asset Entities, Holdco Guarantor or any other party, or (ii) act as a bar to prohibit the Indenture Trustee, Noteholder, Note Owners, or a Secured Party from otherwise taking action to enforce its rights under the Indenture, the Notes, or any other Transaction Document as long as such rights don't directly conflict with this Section 15.17. In the event that the Indenture Trustee or any other Secured Party takes action in violation of this Section 15.17, the Issuer, the Asset Entities or the Holdco Guarantor shall file or cause to be filed an answer with the bankruptcy court or otherwise properly contesting the filing of such a petition by any such Secured Party against such Person or the commencement of such action and raising the defense that such Secured Party has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. The provisions of this Section 15.17 shall survive the termination of the Base Indenture (and any Indenture Supplements thereto) and the resignation or removal of the Indenture Trustee. Nothing contained herein shall preclude participation by any Secured Party in the assertion or defense of its claims in any such proceeding involving any of the Obligors or the Holdco Guarantor.

Section 15.18. Extinguishment of Obligations. Notwithstanding anything to the contrary in this Base Indenture or any Series Supplement, all obligations of the Obligors hereunder or under any Series Supplement shall be deemed to be extinguished in the event that, at any time, the Issuer, the Holdco Guarantor and the Asset Entities have no assets (which shall include claims that may be asserted by the Issuer, the Holdco Guarantor and the Asset Entities with respect to contractual obligations of third parties to the Issuer, the Holdco Guarantor and the Asset Entities but which shall not include the proceeds of the issue of their Equity Interests). No further claims may be brought against any of the Obligors' directors or officers or against their shareholders or members, as the case may be, for any such obligations, except in the case of fraud or actions taken in bad faith by such Persons.

Section 15.19. Survival of Representations and Warranties. All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Base Indenture and the purchase of the Notes hereunder and the termination of this Base Indenture.

Section 15.20. Waiver of Immunities. To the extent that the Issuer has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, the Issuer hereby irrevocably waives such immunity in respect of its obligations under this Base Indenture, any Series Supplement, the Notes and any other Transaction Document, to the extent permitted by law.

Section 15.21. Non-Recourse. The Noteholders shall not have at any time any recourse on the Notes or under this Base Indenture or any Series Supplement against the Indenture Trustee, the Servicer or any Agents or Affiliates thereof. Notwithstanding any other provision of the Indenture, the Notes or any other Transaction Document or otherwise, the liability of the Obligors and the Holdco Guarantor to the Noteholders and any other Secured Parties under or in relation to the Indenture, the Notes or any other Transaction Document or otherwise, is limited in

recourse to the Collateral. The proceeds of the Collateral having been applied in accordance with the terms hereof, none of the Noteholders or any other Secured Parties shall be entitled to take any further steps against any of the Obligors or the Holdco Guarantor to recover any sums due but still unpaid hereunder, under the Notes or under any of the other agreements or documents described in this Section 15.21, all claims in respect of which shall be extinguished.

Section 15.22. Indenture Trustee's Duties and Obligations Limited. The duties and obligations of the Indenture Trustee, in its various capacities hereunder and under any Series Supplement, shall be limited to those expressly provided for in their entirety in this Base Indenture (including any exhibits to this Base Indenture and to any Series Supplement). Any references in this Base Indenture and in any Series Supplement (and in the exhibits to this Base Indenture and to any Series Supplement) to duties or obligations of the Indenture Trustee, in its various capacities hereunder and under any such Series Supplement, that purport to arise pursuant to the provisions of any of the Transaction Documents or any such Series Supplement shall only be duties and obligations of the Indenture Trustee, or the Indenture Trustee in its other capacities, as applicable, if the Indenture Trustee is a signatory to any such Transaction Documents or any such Series Supplement. By its acquisition of the Notes, each Noteholder shall be deemed to have authorized and directed the Indenture Trustee to enter into the Transaction Documents to which the Indenture Trustee is a signatory.

Section 15.23. Appointment of Servicer. The Issuer hereby consents to the appointment of Drivetrain Agency Services, LLC, to act as the initial Servicer.

Section 15.24. Agreed Upon Tax Treatment. The Issuer has structured this Base Indenture and the Notes have been (or will be) issued with the intention that the Notes will qualify under applicable tax law as debt of the Issuer or, if the Issuer is treated as a division of another entity for federal income tax purposes, such other entity. By purchasing the Notes (or by registration of an Uncertificated Note) or a beneficial interest therein, each Holder or Beneficial Owner will agree to treat the Notes for all purposes of United States federal, state, local and non-U.S. income or franchise taxes and any other tax imposed on or measured by income, as debt.

Section 15.25. Tax Forms. Each Holder, by its acceptance of its Note, agrees that it shall timely furnish the Issuer or its agents any U.S. federal income tax form or certification (such as IRS Form W-9, Form W-8BEN, Form W-8BEN-E, Form W-8IMY, or Form W-8ECI or any successors to such IRS forms) that the Issuer or its agents may reasonably request and shall update or replace such form or certification in accordance with its terms or its subsequent amendments. It agrees to provide any certification or information that is reasonably requested by the Issuer or its agents (a) to permit the Issuer to make payments to it without, or at a reduced rate of, withholding, (b) to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets, or (c) to determine or satisfy its duties and liabilities with respect to any taxes or other charges that it may be required to pay, deduct or withhold from payments in respect of the Notes under any present or future law or regulation of any jurisdiction or taxing authority therein or to comply with any reporting or other requirements under any law or regulation.

**ARTICLE XVI
GUARANTEES**

Section 16.01. Guarantees. Each Closing Date Asset Entity as of the Series 2026-1 Closing Date (and, with respect to each Additional Asset Entity, upon its execution and delivery of a Joinder Agreement as of the applicable Additional Fiber Network Acquisition Date) hereby unconditionally and irrevocably guarantees, jointly and severally, to each Holder and to the Indenture Trustee, on behalf of the Noteholders, and the Servicer and their respective successors and assigns (a) the full and timely payment of principal of and interest on the Notes when due, whether at maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer and the other Asset Entities under this Base Indenture and the Notes and each other Transaction Document and (b) the full and timely performance within applicable grace periods of all other obligations of the Issuer and the other Asset Entities under this Base Indenture and the Notes and all other Transaction Documents (all the foregoing being hereinafter collectively called the "Guaranteed Obligations").

Each Asset Entity waives presentation to, demand of, payment from and protest to the Issuer and the other Asset Entities of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Asset Entity waives notice of any default under the Notes or the other Guaranteed Obligations. The obligations of each Asset Entity hereunder shall not be affected by (a) the failure of any Holder or the Indenture Trustee or the Servicer to assert any claim or demand or to enforce any right or remedy under the Transaction Documents against any other Obligor or any other Person or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Base Indenture, the Notes or any other Transaction Document; (d) the release of any security held by any Holder or the Indenture Trustee for the Obligations or any of them; or (e) the failure of any Holder or the Indenture Trustee or the Servicer to exercise any right or remedy against any other guarantor of the Guaranteed Obligations.

The guarantee contained in this Article XVI shall remain in full force and effect until the date on which this Base Indenture ceases to be of further force and effect with respect to all Notes in accordance with Article IX of this Base Indenture. Each Asset Entity agrees that its guaranty herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Indenture Trustee or the Servicer to any security held for payment of the Guaranteed Obligations.

Except as expressly set forth herein, the obligations of each Asset Entity hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Asset Entity herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Indenture Trustee or the Servicer to assert any claim or demand or to enforce any remedy under this Base

Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Asset Entity or would otherwise operate as a discharge of such Asset Entity as a matter of law or equity.

Each Asset Entity further agrees that its guaranty herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Indenture Trustee or the Servicer upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Indenture Trustee or the Servicer has at law or in equity against any Asset Entity by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Asset Entity hereby promises to and shall, upon receipt of written demand by the Indenture Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Indenture Trustee or the Servicer, as the case may be, an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Obligations and (iii) all other monetary Guaranteed Obligations of the Issuer to the Holders and the Indenture Trustee, the Back-Up Manager and the Servicer.

Each Asset Entity also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses and court costs) incurred by the Indenture Trustee or the Servicer in enforcing any rights under this Section.

Notwithstanding any payment made by any Asset Entity hereunder, such Asset Entity shall not be entitled to be subrogated to any of the rights of the Indenture Trustee against the Issuer or any collateral security or guarantee or right of offset held by the Indenture Trustee for the payment of the Obligations, nor shall the Asset Entity seek or be entitled to seek any contribution or reimbursement from the Issuer in respect of payments made by the Asset Entity hereunder, until the Termination Date. If any amount shall be paid to an Asset Entity on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by such Asset Entity in trust for the Indenture Trustee, segregated from other funds of such Asset Entity, and shall, forthwith upon receipt by such Asset Entity, be turned over to the Indenture Trustee in the exact form received by such Asset Entity (duly indorsed by such Asset Entity, as applicable, to the Indenture Trustee, if required), to be applied against the Obligations, whether matured or unmatured, in such order as the Indenture Trustee may determine.

Section 16.02. Limitation on Liability. Any term or provision of this Base Indenture to the contrary, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Asset Entity shall not exceed the maximum amount that can be hereby guaranteed without rendering this Base Indenture, as it relates to such Asset Entity, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 16.03. Successors and Assigns. Subject to Section 16.06, this Article XVI shall be binding upon each Asset Entity and its successors and assigns and shall inure to the benefit of the successors and assigns of the Indenture Trustee, the Servicer and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Indenture Trustee, the rights and privileges conferred upon that party in this Base Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Base Indenture.

Section 16.04. No Waiver. Neither a failure nor a delay on the part of either the Indenture Trustee, the Servicer or the Holders in exercising any right, power or privilege under this Article XVI shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Indenture Trustee, the Servicer and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XVI at law, in equity, by statute or otherwise.

Section 16.05. Modification. No modification, amendment or waiver of any provision of this Article XVI, nor the consent to any departure by any Asset Entity therefrom, shall in any event be effective unless the same shall be in writing and signed by the Indenture Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Asset Entity in any case shall entitle such Asset Entity to any other or further notice or demand in the same, similar or other circumstances.

Section 16.06. Release of Asset Entity. Upon the sale or other disposition (including by way of consolidation, merger or amalgamation) of an Asset Entity that is permitted hereunder (in each case other than to the Issuer or another Asset Entity), such Asset Entity shall be deemed released from all obligations under this Article XVI without any further action required on the part of the Indenture Trustee or any Holder. At the request of the Issuer, the Indenture Trustee shall execute and deliver an appropriate instrument evidencing such release.

All of the other Advances will constitute Borrowings evidenced by the Series 2026-1 Class A-1-V Advance Notes issued in connection herewith and will constitute purchases of Series 2026-1 Class A-1-V Outstanding Principal Amounts corresponding to the amount of such Advances. The Series 2026-1 Class A-1-V Outstanding Principal Amounts shall be the aggregate unpaid principal balance (and the Class Principal Balance) of the Series 2026-1 Class A-1-V Notes for all purposes under the Indenture.

(d) On any Business Day, upon at least three (3) Business Days' prior written notice, substantially in the form of Exhibit E, to the Series 2026-1 Class A-1-V Administrative Agent (who shall promptly distribute to each of the Funding Agents, the Indenture Trustee and the Servicer) the Issuer may decrease the Series 2026-1 Class A-1-V Outstanding Principal Amount (each such decrease of the Series 2026-1 Class A-1-V Outstanding Principal Amount pursuant to this Section 2.02(d), a "Voluntary Decrease") by depositing with the Series 2026-1 Class A-1-V Administrative Agent an amount equal to such Voluntary Decrease not later than 10:00 a.m. (New York City time) on the date specified as the decrease date in the prior written notice referred to above and providing a written report to the Series 2026-1 Class A-1-V Administrative Agent (with a copy to the Indenture Trustee) directing the Series 2026-1 Class A-1-V Administrative Agent to distribute to each Investor Group pro rata according to the portion of the Series 2026-1 Class A-1-V Outstanding Principal Amount allocable to each Investor Group (which report shall include the calculation of such amounts and wiring instructions for the distributions thereof); provided, that to the extent the deposit with the Series 2026-1 Class A-1-V Administrative Agent described above is not made by 10:00 a.m. (New York City time) on a Business Day, the same shall be deemed to be deposited on the following Business Day. Any associated Series 2026-1 Class A-1-V Breakage Amounts incurred as a result of such decrease (calculated in accordance with this Agreement) shall be deposited with the Series 2026-1 Class A-1-V Administrative Agent for allocation pursuant to the report referred to above. Each Voluntary Decrease in respect of any Advances shall be either (i) in an aggregate minimum principal amount of \$5,000,000 and integral multiples of \$500,000 in excess thereof or (ii) in such other amount necessary to reduce the Series 2026-1 Class A-1-V Outstanding Principal Amount to zero. The failure to pay the amount of any Voluntary Decrease on the date specified as the decrease date in the related notice shall not constitute an Event of Default under the Indenture, and any amounts deposited with the Series 2026-1 Class A-1-V Administrative Agent for application in the manner set forth above shall only be so deposited to the extent available in accordance with the Priority of Payments.

(e) Subject to the terms of this Agreement and the Series 2026-1 Supplement, the aggregate principal amount of the Advances evidenced by the Series 2026-1 Class A-1-V Advance Notes may be increased by Borrowings or decreased by Voluntary Decreases and such other amounts that are paid on the Series 2026-1 Class A-1-V Notes pursuant to the Priority of Payments from time to time.

(f) At any time that the aggregate Series 2026-1 Class A-1-V Outstanding Principal Amount attributable to each Investor Group is not held pro rata based on its respective Commitment Percentage (as a result of the issuance of any Letter of Credit or otherwise), the Investor Groups (and the Investors within each such Investor Group) shall at the direction of the Series 2026-1 Class A-1-V Administrative Agent, reallocate any outstanding Advances to ensure that the aggregate Series 2026-1 Class A-1-V Outstanding Principal Amount attributable to each Investor Group is pro rata based on its

respective Commitment Percentage; provided that the Issuer shall not be liable for any Breakage Amounts resulting solely from any such reallocations.

SECTION 2.03 Borrowing Procedures.

(a) Whenever the Issuer wishes to make a Borrowing, the Issuer shall (or shall cause the Manager on its behalf to) by written notice in the form of an Advance Request, notify (for which purpose electronic means shall be sufficient) the Series 2026-1 Class A-1-V Administrative Agent (who shall promptly notify each of the Funding Agents) of its pro rata share thereof (or other required share, as required pursuant to Section 2.02(a)), and each of the Indenture Trustee, the Letter of Credit Provider and the Servicer in writing of such Borrowing no later than 12:00 p.m. (New York City time) two (2) Business Days (or, in the case of any SOFR Advances for purposes of Section 3.01(b), two (2) U.S. Government Securities Business Days) prior to the date of such Borrowing (unless a shorter period is agreed upon by each of the Funding Agents), which date of Borrowing shall be a Business Day during the Commitment Term. Each such Advance Request shall be irrevocable and shall in each case refer to this Agreement and specify (i) the Borrowing date, (ii) the aggregate amount of the requested Borrowing to be made on such date, (iii) the amount of outstanding Unreimbursed L/C Drawings (if applicable) to be repaid with the proceeds of such Borrowing on the Borrowing date (which amount, shall constitute the lesser of (x) the amount of such Borrowings and (y) all outstanding Unreimbursed L/C Drawings outstanding on the date of such notice that are not prepaid with other funds of the Issuer available for such purpose), and (iv) instructions for application of the balance, if any, of the proceeds of such Borrowing on the Borrowing date (which proceeds shall be made available to the Issuer or such other Persons or locations designated in such Advance Request). Requests for any Borrowing may not be made in an aggregate principal amount of less than \$500,000 or in an aggregate principal amount that is not an integral multiple of \$100,000 in excess thereof (or, in each case, such other amount as agreed to by the Funding Agents); except as otherwise provided herein with respect to Advances for the purpose of repaying then-outstanding Unreimbursed L/C Drawings. Subject to the provisos to Section 2.02(a), each Borrowing shall be ratably allocated among the Investor Groups' respective Maximum Investor Group Principal Amounts. Each Funding Agent shall promptly advise its related Conduit Investor, if any, of any notice given pursuant to this Section 2.03(a) and shall promptly thereafter (but in no event later than 10:00 a.m. (New York City time) on the date of Borrowing) notify the Series 2026-1 Class A-1-V Administrative Agent, the Issuer and the related Committed Note Purchaser(s) whether such Conduit Investor has determined to make all or any portion of the Advances in such Borrowing that are to be made by its Investor Group. On the date of each Borrowing and subject to the other conditions set forth herein and in the Series 2026-1 Supplement (and, if requested by the Series 2026-1 Class A-1-V Administrative Agent, confirmation from the Letter of Credit Provider as to (x) the amount of outstanding Unreimbursed L/C Drawings to be repaid with the proceeds of such Borrowing on the Borrowing date, (y) the Undrawn L/C Face Amount of all Letters of Credit then outstanding and (z) the principal amount of any other Unreimbursed L/C Drawings then outstanding), the applicable Investors in each Investor Group shall make available the amount of the Advances in such Borrowing that are to be made by such Investor Group by wire transfer in U.S. Dollars of such amount in same day funds no later than 11:00 a.m. (New York City time) on the date of such Borrowing, as instructed in the applicable Advance Request, first, if applicable, to the Letter of Credit Provider for application to repayment of the amount of outstanding Unreimbursed L/C Drawings as set forth in the applicable Advance Request, ratably in proportion to such respective amounts, and/or second, to the Issuer as instructed in the applicable Advance Request.

(b) (i) The failure of any Committed Note Purchaser to make the Advance to be made by it as part of any Borrowing shall not relieve any other Committed Note Purchaser (whether or not in the same Investor Group) of its obligation, if any, hereunder to make its Advance on the date of such Borrowing, but neither the Committed Note Purchaser nor any other Person shall be responsible for the failure of any other Committed Note Purchaser to make the Advance to be made by such other Committed Note Purchaser on the date of any Borrowing and (ii) in the event that one or more Committed Note Purchasers fails to make its Advance by 11:00 a.m. (New York City time) on the date of such Borrowing,

the Issuer shall deliver written notice (for which purpose electronic means shall be sufficient) to each of the other Committed Note Purchasers not later than 4:00 p.m. (New York City time) on such Business Day, and each of the other Committed Note Purchasers may, in their sole discretion, make available to the Issuer a supplemental Advance in a principal amount (such amount, the “reference amount”) equal to the lesser of (a) the aggregate principal Advance that was unfunded multiplied by a fraction, the numerator of which is the Commitment Amount of such Committed Note Purchaser and the denominator of which is the aggregate Commitment Amounts of all Committed Note Purchasers (less the aggregate Commitment Amount of the Committed Note Purchasers failing to make Advances on such date) and (b) the excess of (i) such Committed Note Purchaser’s Commitment Amount over (ii) the product of (1) such Committed Note Purchaser’s related Investor Group Principal Amount, multiplied by (2) such Committed Note Purchaser’s Committed Note Purchaser Percentage (after giving effect to all prior Advances on such date of Borrowing) (provided that a Committed Note Purchaser may (but shall not be obligated to), on terms and conditions to be agreed upon by such Committed Note Purchaser and the Issuer, make available to the Issuer a supplemental Advance in a principal amount in excess of the reference amount; provided, however, that no such supplemental Advance shall be permitted to be made to the extent that, after giving effect to such Advance, the Series 2026-1 Class A-1-V Outstanding Principal Amount would exceed the Series 2026-1 Class A-1-V Notes Maximum Principal Amount). Such supplemental Advances shall be made available by wire transfer in U.S. Dollars in same day funds no later than 11:00 a.m. (New York City time) one (1) Business Day following the date of such Borrowing, first, if applicable, to the Letter of Credit Provider for application to repayment of the amount of outstanding Unreimbursed L/C Drawings as set forth in the applicable Advance Request, ratably in proportion to such respective amounts, and, second, to the Issuer as instructed in the applicable Advance Request. If any Committed Note Purchaser which shall have so failed to fund its Advance shall subsequently pay such amount, the Series 2026-1 Class A-1-V Administrative Agent shall apply such amount pro rata to repay any supplemental Advances made by the other Committed Note Purchasers pursuant to this Section 2.03(b).

(c) [Reserved].

(d) After the Issuer delivers an Advance Request for a Borrowing pursuant to Section 2.03 hereof, the Funding Agents, on behalf of the relevant Investors, may, not later than 4:00 p.m. New York City time on the date that is one (1) Business Day prior to the proposed Borrowing date, deliver a written notice (a “Delayed Funding Notice”, and the date of such delivery, the “Delayed Funding Notice Date”) to the Issuer of its intention to fund the related Borrowing (such amount, the “Delayed Amount”) on a date (the date of such funding, the “Delayed Funding Date”) that is on or before the thirty-fifth (35th) day following the date of such request for a Borrowing (or if such day is not a Business Day, then on the next succeeding Business Day) rather than on the requested Borrowing date; provided, that in no event shall the aggregate unfunded Delayed Amount at any time exceed 100% of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount¹. By delivery of a Delayed Funding Notice, each Funding Agent shall be deemed to represent and warrant that (x) charges relating to the “liquidity coverage ratio” under Basel III have been incurred on the related Committed Note Purchaser’s interests or obligations hereunder and (y) has sought to exercise or has exercised its right to delay funding option in transactions similar to the transactions contemplated hereby as of the date of such Delayed Funding Notice. The Funding Agent that delivers a Delayed Funding Notice with respect to any Borrowing date shall be referred to herein as a “Delaying Investor” with respect to such Borrowing date. If the conditions to any Borrowing described in Section 7.03 are satisfied on the requested Borrowing date, there shall be no conditions whatsoever (including, without limitation, the occurrence of a Rapid Amortization Period, notwithstanding any statement to the contrary in Section 7.03) to the obligation of the Committed Note Purchasers to fund the requested amount on the related Delayed Funding Date. Any costs incurred as a consequence of the charges

relating to the “liquidity coverage ratio” under Basel III that allowed the delay of funding pursuant to this Section 2.03(c) shall not be considered an Increased Cost or an Increased Capital Cost.

SECTION 2.04 The Series 2026-1 Class A-1-V Notes. On each date an Advance is made or a Letter of Credit is drawn on hereunder, and on each date the outstanding amount thereof is reduced, a duly authorized officer, employee or agent of the related Series 2026-1 Class A-1-V Noteholder shall make appropriate notations in its books and records of the amount, evidenced by the related Series 2026-1 Class A-1-V Advance Note of such Advance or Series 2026-1 Class A-1-V L/C Note of such drawn Letter of Credit, as applicable, and the amount of such reduction, as applicable. The Issuer hereby authorizes each duly authorized officer, employee and agent of such Series 2026-1 Class A-1-V Noteholder to make such notations on the books and records as aforesaid and every such notation made in accordance with the foregoing authority shall be prima facie evidence of the accuracy of the information so recorded; provided, however, that in the event of a discrepancy between the books and records of such Series 2026-1 Class A-1-V Noteholder and the records maintained by the Indenture Trustee pursuant to the Indenture and the Series 2026-1 Supplement, such discrepancy shall be resolved between such Series 2026-1 Class A-1-V Noteholder and the Indenture Trustee (in consultation with the Issuer), and such resolution shall control in the absence of manifest error; provided, further, that the failure of any such notation to be made, or any finding that a notation is incorrect, in any such records shall not limit or otherwise affect the obligations of the Issuer under this Agreement or the Indenture.

SECTION 2.05 Reduction in Commitments.

(a) The Issuer may, upon at least three (3) Business Days’ notice (or such lesser amount as may be agreed by the Series 2026-1 Class A-1-V Administrative Agent in its sole discretion) to the Series 2026-1 Class A-1-V Administrative Agent, the Indenture Trustee, the Servicer and each Funding Agent (which will promptly notify the related Investor), effect a permanent reduction in the Series 2026-1 Class A-1-V Notes Maximum Principal Amount and a corresponding reduction in each Commitment Amount and Maximum Investor Group Principal Amount on a pro rata basis according to the Maximum Investor Group Principal Amount of each Investor Group; provided that (i) any such reduction will be limited to the undrawn portion of the Commitments such that the Series 2026-1 Class A-1-V Outstanding Principal Amount shall not exceed the Series 2026-1 Class A-1-V Notes Maximum Principal Amount (after giving effect to any Voluntary Decrease effected pursuant to and in accordance with Section 2.02(d) on such date), (ii) any such reduction must be in a minimum amount of \$1,000,000 and (iii) after giving effect to such reduction, the Series 2026-1 Class A-1-V Notes Maximum Principal Amount equals or exceeds \$5,000,000, unless reduced to zero, and (iv) no such reduction shall be permitted if, after giving effect thereto, (w) the aggregate L/C Commitments (after giving effect to any decrease thereof on such date) would exceed 10% of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount, (x) the aggregate Commitment Amounts would be less than the Series 2026-1 Class A-1-V Outstanding Principal Amount (excluding any Undrawn L/C Face Amounts with respect to which cash collateral is held by the Letter of Credit Provider pursuant to Section 4.03(b)) or (y) the aggregate Commitment Amounts would be less than the L/C Commitment.

(b) If any of the following events shall occur, then the Commitment Amounts shall be automatically and permanently reduced on the dates and in the amounts set forth below with respect to the applicable event and the other consequences set forth below with respect to the applicable event shall ensue (and the Issuer shall give the Indenture Trustee, the Servicer, each Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent prompt written notice thereof):

(i) if the Outstanding Principal Amount of the Series 2026-1 Class A-1-V Notes has not been paid in full or otherwise refinanced in full (which refinancing may also include an extension thereof) by the Business Day immediately preceding the Series 2026-1 Class A-1-V Anticipated Repayment Date, (A) on such Business Day, (x) the principal amount of all then-outstanding Unreimbursed L/C Drawings shall be repaid in full with proceeds of Advances

made on such date (and the Issuer shall be deemed to have delivered such Advance Requests under Section 2.03 as may be necessary to cause such Advances to be made), and (y) the L/C Commitment shall both be automatically and permanently reduced to zero, and (B) (x) all undrawn portions of the Commitments shall automatically and permanently terminate and the corresponding portions of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount and the Maximum Investor Group Principal Amounts shall be automatically and permanently reduced by a corresponding amount (with respect to the Maximum Investor Group Principal Amounts, on a pro rata basis) and (y) each payment of principal on the Series 2026-1 Class A-1-V Outstanding Principal Amount occurring on or following such Business Day (excluding the repayment of any Unreimbursed L/C Drawings with proceeds of Advances pursuant to clause (A) above) shall result automatically and permanently in a dollar-for-dollar reduction of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount and a corresponding reduction in each Maximum Investor Group Principal Amount on a pro rata basis;

(ii) if a Rapid Amortization Period has occurred and is continuing prior to the Series 2026-1 Class A-1-V Anticipated Repayment Date, then (A) on the date such Rapid Amortization Period occurs, all undrawn portions of the Commitments shall automatically be reduced to zero (other than as set forth in clause (B)) for so long as such Rapid Amortization Period has occurred and is continuing, and the corresponding portions of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount and the Maximum Investor Group Principal Amounts shall be automatically reduced by a corresponding amount (with respect to the Maximum Investor Group Principal Amounts, on a pro rata basis) and (B) no later than the second Business Day after the occurrence of such Rapid Amortization Period, the principal amount of all then-outstanding Unreimbursed L/C Drawings (to the extent not otherwise repaid) shall be repaid in full with proceeds of Advances (and the Issuer shall be deemed to have delivered such Advance Requests under Section 2.03 as may be necessary to cause such Advances to be made) and all the unused portions of the L/C Commitment (including such amount of Unreimbursed L/C Drawings repaid by such Advances) shall be automatically reduced to zero, and (C) each payment of principal (which, for the avoidance of doubt, shall include cash collateralization of Undrawn L/C Face Amounts pursuant to Sections 4.02, 4.03(a), 4.03(b) and 9.18(c)(ii)) on the Series 2026-1 Class A-1-V Outstanding Principal Amount occurring on or after the date on which such Rapid Amortization Period has occurred and is continuing (excluding the repayment of any Unreimbursed L/C Drawings with proceeds of Advances pursuant to clause (B) above) shall result automatically in a dollar-for-dollar reduction of the Series 2026-1 Class A-1-V Notes Maximum Principal Amount and a corresponding reduction in each Maximum Investor Group Principal Amount on a pro rata basis; provided, that if the Rapid Amortization Period is no longer continuing, the Commitments and L/C Commitment shall be restored to the full extent reduced pursuant to this subclause (ii) except to the extent voluntarily reduced by the Issuer pursuant to Section 2.05(a); and

(iii) if any Event of Default shall occur and be continuing (and shall not have been waived in accordance with the Indenture), then, the Series 2026-1 Class A-1-V Notes Maximum Principal Amount, the Commitment Amounts, the L/C Commitment and the Maximum Investor Group Principal Amounts shall all be automatically and permanently reduced to zero for so long as such Event of Default has occurred and is continuing, and the Issuer shall (in accordance with the Indenture) cause the Series 2026-1 Class A-1-V Outstanding Principal Amount to be paid in full (which, for the avoidance of doubt, shall include cash collateralization of Undrawn L/C Face Amounts pursuant to Sections 4.02, 4.03(a), 4.03(b) and 9.18(c)(ii)) together with accrued interest, accrued Series 2026-1 Class A-1-V Undrawn Commitment Fees, Series 2026-1 Class A-1-V Notes Other Amounts and all other amounts then due and payable to the Investors, the Series 2026-1 Class A-1-V Administrative Agent and the Funding Agents under this Agreement and the other Transaction Documents, in each case subject to and in accordance with the provisions of the Indenture, including the Priority of Payments.

SECTION 2.06 L/C Commitment

Subject to the terms and conditions hereof, each Letter of Credit Provider (or its permitted successors and assigns pursuant to Section 9.17), in reliance on the agreements of the Committed Note Purchasers set forth in Sections 2.07 and 2.08, agrees to provide Liquidity Reserve Letters of Credit or other standby letters of credit requested by Issuer and agreed upon by Letter of Credit Provider in its sole discretion (together with the Liquidity Reserve Letters of Credit each, a “Letter of Credit” and, collectively, the “Letters of Credit”) for the account of the Issuer or its designee on any Business Day at any time until the date that is thirty (30) Business Days prior to the Commitment Termination Date to be issued in accordance with Section 2.06(b) in such form as may be approved from time to time by the Letter of Credit Provider; provided that the Letter of Credit Provider shall have no obligation or right to provide any Letter of Credit on a requested issuance date if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment, or (ii) the Series 2026-1 Class A-1-V Outstanding Principal Amount would exceed the Series 2026-1 Class A-1-V Notes Maximum Principal Amount.

Each Letter of Credit shall (x) be denominated in Dollars, (y) have a face amount of at least \$500,000 or, if less than \$500,000, shall bear a reasonable administrative fee to be agreed upon by the Issuer and the Letter of Credit Provider and (z) expire no later than the earlier of (A) the first anniversary of its date of issuance and (B) the date that is ten (10) Business Days prior to the Commitment Termination Date (the “Required Expiration Date”); provided that, any Letter of Credit may provide for the automatic extensions thereof for additional periods, each individually not to exceed one year (which shall in no event extend beyond the Required Expiration Date) unless the Letter of Credit Provider notifies each beneficiary of such Letter of Credit at least thirty (30) calendar days prior to the then-applicable expiration date (or no later than the applicable notice date, if earlier, as specified in such Letter of Credit) that such Letter of Credit shall not be renewed; provided, further, that any Letter of Credit may have an expiration date that is later than the Required Expiration Date so long as either (x) the Undrawn L/C Face Amount with respect to such Letter of Credit has been fully cash collateralized by the Issuer in accordance with Section 4.02 or 4.03 as of the Required Expiration Date and there are no other outstanding L/C Obligations with respect to such Letter of Credit as of the Required Expiration Date or (y) other than with respect to Liquidity Reserve Letters of Credit, arrangements satisfactory to the Letter of Credit Provider in its sole and absolute discretion have been made with the Letter of Credit Provider (and, if the Letter of Credit Provider is not the L/C Issuing Bank with respect to such Letter of Credit, the L/C Issuing Bank) pursuant to Section 4.04 such that such Letter of Credit shall cease to be deemed outstanding or to be deemed a “Letter of Credit” for purposes of this Agreement as of the Commitment Termination Date.

Additionally, each Series 2026-1 Liquidity Reserve Letter of Credit shall (1) name the Indenture Trustee for the benefit of the Noteholders and the other Secured Parties and the Servicer as the joint beneficiaries thereof; (2) allow either the Indenture Trustee or the Servicer, individually and not jointly, to submit a notice of drawing in respect of such Series 2026-1 Liquidity Reserve Letter of Credit whenever amounts would otherwise be required to be withdrawn from the Liquidity Reserve Account, pursuant to the Indenture; and (3) indicate by its terms that the proceeds in respect of drawings under such Series 2026-1 Liquidity Reserve Letter of Credit shall be paid directly into the Liquidity Reserve Account or otherwise used to pay Required Liquidity Reserve Draw Amounts in accordance with Sections 5.01(c) of the Indenture.

The Letter of Credit Provider shall not at any time be obligated to (I) provide any Letter of Credit hereunder if such issuance would violate, or cause any L/C Issuing Bank to exceed any limits imposed by, any applicable Requirement of Law or (II) amend any Letter of Credit hereunder if (1) the Letter of Credit Provider would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (2) each beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(a) On the terms and conditions set forth in the Indenture and this Agreement (including Section 7.03), and in reliance on the covenants, representations and agreements set forth herein and therein, the Issuer shall issue and shall cause the Indenture Trustee to authenticate the Series 2026-1 Class A-1-V L/C Notes, which the Issuer shall deliver to the Letter of Credit Providers on the Series 2026-1 Closing Date; *provided* that, if such Series 2026-1 Class L/C Note is an Uncertificated Note, the Indenture Trustee shall instead register it as described in the Indenture. Such Series 2026-1 Class A-1-V L/C Note shall be dated the Series 2026-1 Closing Date, shall be registered in the name of the Letter of Credit Provider or in such other name or nominee as the Letter of Credit Provider may request, shall have a maximum principal amount equal to the L/C Commitment, shall have an initial outstanding principal amount equal to \$0 and (unless it is an Uncertificated Note) shall be duly authenticated in accordance with the provisions of the Indenture. The Series 2026-1 Class A-1-V L/C Notes shall be Variable Funding Notes payable in accordance with the Indenture and this Agreement.

Each drawing on a Letter of Credit after the Series 2026-1 Closing Date will constitute a Borrowing in the outstanding principal amount evidenced by the Series 2026-1 Class A-1-V L/C Note in an amount corresponding to the Undrawn L/C Face Amount of such Letter of Credit and shall be deemed to be a Series 2026-1 Class A-1-V Outstanding L/C Subfacility Amount. All L/C Obligations (whether in respect of Undrawn L/C Face Amounts or Unreimbursed L/C Drawings) shall be deemed to be principal outstanding under the Series 2026-1 Class A-1-V L/C Note and shall be deemed to be Series 2026-1 Class A-1-V Outstanding Principal Amounts (in the form of Series 2026-1 Class A-1-V Outstanding L/C Subfacility Amount) for all purposes of this Agreement, the Indenture and the other Transaction Documents other than, in the case of Undrawn L/C Face Amounts, for the purposes of accrual of interest. Subject to the terms of this Agreement, each drawing of a Letter of Credit will constitute a “L/C Subfacility Increase” in the outstanding principal amount evidenced by the Series 2026-1 Class A-1-V L/C Note and reimbursements of any Unreimbursed L/C Drawings thereunder will constitute a “L/C Subfacility Decrease” in the outstanding principal amount evidenced by the Series 2026-1 Class A-1-V L/C Note. Each Letter of Credit Provider and the Issuer agrees to promptly notify the Series 2026-1 Class A-1-V Administrative Agent and the Indenture Trustee of any such decreases for which notice to the Series 2026-1 Class A-1-V Administrative Agent is not otherwise provided hereunder.

(b) The Issuer may (or shall cause the Manager on their behalf to) from time to time request that any Letter of Credit Provider provide a new Letter of Credit by delivering to the Letter of Credit Provider at its address for notices specified herein an application therefor in the form required by the applicable Letter of Credit Provider (who shall promptly deliver a copy thereof to the relevant L/C Issuing Bank, as applicable) (an “Application”), completed to the satisfaction of the Letter of Credit Provider, and such other certificates, documents and other papers and information as the Letter of Credit Provider may reasonably request. Upon receipt of any completed Application, the Letter of Credit Provider will notify the Series 2026-1 Class A-1-V Administrative Agent, the Servicer and the Indenture Trustee in writing of the amount, the beneficiary or beneficiaries and the requested expiration of the requested Letter of Credit (which shall comply with Section 2.06(a) and (i)) and, subject to the other conditions set forth herein and upon receipt of written confirmation from the Series 2026-1 Class A-1-V Administrative Agent (based, with respect to any portion of the Series 2026-1 Class A-1-V Outstanding L/C Subfacility Amount held by any Person other than the Series 2026-1 Class A-1-V Administrative Agent, solely on written notices received by the Series 2026-1 Class A-1-V Administrative Agent under this Agreement) that after giving effect to the requested issuance, the Series 2026-1 Class A-1-V Outstanding Principal Amount would not exceed the Series 2026-1 Class A-1-V Notes Maximum Principal Amount (provided that the Letter of Credit Provider shall be entitled to rely upon any written statement, paper or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons of the Series 2026-1 Class A-1-V Administrative Agent for purposes of determining whether the Letter of Credit Provider received such prior written confirmation from the Series 2026-1 Class A-1-V Administrative Agent with respect to any Letter of Credit), the Letter of Credit Provider will cause such Application and the certificates, documents and other papers and information delivered in connection therewith to be processed in accordance with the L/C Issuing Bank’s customary procedures and shall promptly provide the Letter of

Credit requested thereby (but in no event shall the Letter of Credit Provider be required to provide any Letter of Credit earlier than three (3) Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto, as provided in Section 2.06(a)) by issuing the original of such Letter of Credit to the beneficiary or beneficiaries thereof or as otherwise may be agreed to by the Letter of Credit Provider and the Issuer. The Letter of Credit Provider shall furnish a copy of such Letter of Credit to the Manager (with a copy to the Series 2026-1 Class A-1-V Administrative Agent) promptly following the issuance thereof. Each Letter of Credit Provider shall promptly furnish to the Series 2026-1 Class A-1-V Administrative Agent, which shall in turn promptly furnish to the Funding Agents, the Investors, and the Indenture Trustee, written notice of the issuance of each Letter of Credit (including the amount thereof).

(c) The Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, for the ratable account of each Committed Note Purchaser (based on their respective Committed Note Purchaser Percentages), the “L/C Participation Fees” as defined in, and in accordance with the terms of, the Series 2026-1 Class A-1-V Notes Fee Letter, and subject to the Priority of Payments. In addition, the Issuer shall pay to (or reimburse) each Letter of Credit Provider, for its own account (or for the account of the applicable L/C Issuing Bank) the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Letter of Credit Provider relating to Letters of Credit issued or maintained by such Letter of Credit Provider (or the applicable L/C Issuing Bank), in each case as may be agreed in writing between the Issuer and such Letter of Credit Provider and from time to time in effect, and which such customary fees and standard costs and charges shall accrue during the applicable Interest Accrual Period and be payable in arrears on each Payment Date from and after the Series 2026-1 Closing Date and prior to the Series 2026-1 Class A-1-V Termination Date in accordance with the applicable provisions of the Indenture and subject to the Priority of Payments.

(d) To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Article II, the provisions of this Article II shall apply.

(e) The Issuer may, upon at least three (3) Business Days’ notice to the Series 2026-1 Class A-1-V Administrative Agent and the applicable Letter of Credit Provider, effect a permanent reduction in the related L/C Commitment; provided that any such reduction will be limited to the undrawn portion of the L/C Commitment. If requested by the Issuer in writing and with the prior written consent of the Letter of Credit Provider and the Series 2026-1 Class A-1-V Administrative Agent, the Letter of Credit Provider may (but shall not be obligated to) increase the amount of the L/C Commitment; provided that, after giving effect thereto, the aggregate amount of each of the Outstanding Series 2026-1 Class A-1-V Advance Notes and the L/C Commitment does not exceed the aggregate amount of the Commitments.

(f) Each Letter of Credit Provider shall satisfy its obligations under this Section 2.06 with respect to providing any Letter of Credit hereunder by issuing such Letter of Credit itself or through an Affiliate as long as any such Letter of Credit issued would not be an Ineligible Liquidity Reserve Letter of Credit. If any such Letter of Credit would be an Ineligible Liquidity Reserve Letter of Credit, a Person selected by the Issuer (at the reasonable expense of the Issuer) shall issue such Letter of Credit; provided that any Letter of Credit issued by such Person would not be an Ineligible Liquidity Reserve Letter of Credit (the Letter of Credit Provider (or such Affiliate of the Letter of Credit Provider) or such other Person selected by the Issuer (at the reasonable expense of the Issuer), in each case in its capacity as the issuer of such Letter of Credit being referred to as the “L/C Issuing Bank” with respect to such Letter of Credit).

(g) Each of the parties hereto shall execute any amendments to this Agreement reasonably requested by the Issuer in order to have any Letter of Credit issued by a Person selected by the Issuer pursuant to Section 2.06(f) to be a “Letter of Credit” that has been issued hereunder and such Person selected by the Issuer be an “L/C Issuing Bank”.

(h) Each Letter of Credit Provider and, if the Letter of Credit Provider is not the L/C Issuing Bank for any Letter of Credit, the L/C Issuing Bank shall be under no obligation to issue any Letter of Credit if: (i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Letter of Credit Provider or the L/C Issuing Bank, as applicable, from issuing the Letter of Credit, or (ii) any law applicable to the Letter of Credit Provider or the L/C Issuing Bank, as applicable, or any request or directive (which request or directive, in the reasonable judgment of the Letter of Credit Provider or the L/C Issuing Bank, as applicable, has the force of law) from any Governmental Authority with jurisdiction over the Letter of Credit Provider or the L/C Issuing Bank, as applicable, shall prohibit the Letter of Credit Provider or the L/C Issuing Bank, as applicable, from issuing of letters of credit generally or the Letter of Credit in particular.

(i) Unless otherwise expressly agreed by the applicable Letter of Credit Provider or the L/C Issuing Bank, as applicable, and the Issuer when a Letter of Credit is issued, the rules of the “International Standby Practices 1998” published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit issued hereunder.

(j) For the avoidance of doubt, the L/C Commitment shall be a sub-facility limit of the Commitment Amounts and aggregate outstanding Unreimbursed L/C Drawings as of any date of determination shall be a component of the Series 2026-1 Class A-1-V Outstanding Principal Amount on such date of determination, pursuant to the definition thereof.

(k) Notwithstanding anything in the contrary herein, each Series 2026-1 Liquidity Reserve Letter of Credit (including all drawings thereunder) shall be subject to Sections 4.05(b), (c), (d), (e), (g) and (j) of the Indenture in all respects.

SECTION 2.07 L/C Reimbursement Obligations.

(a) For the purpose of reimbursing the payment of any draft presented under any Letter of Credit, the Issuer agrees to pay the Letter of Credit Provider, for its own account or for the account of the L/C Issuing Bank, as applicable, the sum of (i) the amount of such draft so paid (such amount at any time, as reduced by repayments with respect thereto as described below and amounts repaid with respect thereto pursuant to Section 4.03(b) at or prior to such time the “L/C Reimbursement Amount”) and (ii) any taxes, fees, charges or other costs or expenses (including amounts payable pursuant to Section 3.02(c) and such amount at any time, as reduced by repayments with respect thereto as described below and amounts repaid with respect thereto pursuant to Section 4.03(b) at or prior to such time, collectively, the “L/C Other Reimbursement Costs”) incurred by the L/C Issuing Bank in connection with such payment, which shall be paid (1) in the case of the L/C Reimbursement Amount, in same day funds on the day on which the Letter of Credit Provider notifies the Issuer and the Series 2026-1 Class A-1-V Administrative Agent (and in each case the Series 2026-1 Class A-1-V Administrative Agent shall promptly, and in any event by 4:00 p.m. (New York City time) on the same Business Day as its receipt of the same, notify the Funding Agents) of the date and the amount of such draft, and (2) in the case of L/C Other Reimbursement Costs, subject to and in accordance with the Priority of Payments. The outstanding L/C Reimbursement Amount and L/C Other Reimbursement Costs shall be evidenced by the Series 2026-1 Class A-1-V L/C Notes until repaid (or, in the case of the L/C Reimbursement Amount, converted to a Base Rate Advance) as set forth herein. Unless the L/C Reimbursement Amount with respect thereto is repaid as set forth in the second preceding sentence, each drawing under any Letter of Credit shall (unless an Event of Bankruptcy shall have occurred and be continuing with respect to the Issuer or the Guarantors, in which cases the procedures specified in Section 2.08 for funding by Committed Note Purchasers shall apply) constitute a request by the Issuer to the Series 2026-1 Class A-1-V Administrative Agent and each Funding Agent for a Base Rate Advance pursuant to Section 2.03 in the amount of the unreimbursed L/C Reimbursement Amount, and the Issuer shall be deemed to have made such request pursuant to the procedures set forth in Section 2.03. The applicable L/C Other Reimbursement Costs shall be paid as Class A-1-V Notes Other

Amounts subject to and in accordance with the Priority of Payments. In the event such request for a Base Rate Advance is deemed to have been given, the applicable Investors in each Investor Group hereby agree to make Advances in an aggregate amount for each Investor Group equal to such Investor Group's Commitment Percentage of the L/C Reimbursement Amount and L/C Other Reimbursement Costs to pay the Letter of Credit Provider and the conditions set forth in Section 7.03 shall not apply to such Advance. The Borrowing date with respect to such Base Rate Advance shall be the first date on which a Base Rate Borrowing could be made pursuant to Section 2.03 if the Series 2026-1 Class A-1-V Administrative Agent had received a notice of such Borrowing at the time the Series 2026-1 Class A-1-V Administrative Agent receives notice from the Letter of Credit Provider of such drawing under such Letter of Credit. Such Investors shall make the amount of such Advances available to the Series 2026-1 Class A-1-V Administrative Agent in immediately available funds not later than 3:00 p.m. (New York City time) on such Borrowing date and the proceeds of such Advances shall be immediately made available by the Series 2026-1 Class A-1-V Administrative Agent to the Letter of Credit Provider, for its own account or for the account of the L/C Issuing Bank, as applicable, for application to the reimbursement of such drawing.

(b) The Issuer's obligations under Section 2.07(a) shall be absolute and unconditional, and shall be performed strictly in accordance with the terms of this Agreement, under any and all circumstances and irrespective of (i) any setoff, counterclaim or defense to payment that the Issuer may have or has had against the applicable Letter of Credit Provider, the L/C Issuing Bank, any beneficiary of a Letter of Credit or any other Person, (ii) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (iii) payment by the L/C Issuing Bank under a Letter of Credit against presentation of a draft or other document that substantially complies with the terms of such Letter of Credit, (iv) payment by the L/C Issuing Bank under a Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under the Bankruptcy Code or any other liquidation, conservatorship, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization or similar debtor relief laws of any jurisdictions, so long as such Person has a reasonable belief to make such payment, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.07(b), provide a right of setoff against, the Issuer's obligations hereunder. The Issuer also agrees that the Letter of Credit Provider and the L/C Issuing Bank shall not be responsible for, and the Issuer's Reimbursement Obligations under Section 2.07(a) shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Issuer and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Issuer against any beneficiary of such Letter of Credit or any such transferee. Neither the Letter of Credit Provider nor the L/C Issuing Bank shall be liable for any error, omission, interruption, loss or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Issuer to the extent permitted by applicable law) caused by errors or omissions found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Letter of Credit Provider or the L/C Issuing Bank, as the case may be. The Issuer agrees that any action taken or omitted by the Letter of Credit Provider or the L/C Issuing Bank, as the case may be, under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct (as found by a final and nonappealable decision of a court of competent jurisdiction) and in accordance with the standards of care specified in the UCC of the State of New York, shall be binding on the Issuer and shall not result in any liability of the Letter of Credit Provider or the L/C Issuing Bank to the Issuer. As between the Issuer and the L/C Issuing Bank, the Issuer hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such beneficiary's or transferee's use of any Letter of Credit. In furtherance of the foregoing and without limiting the generality thereof, the Issuer agrees with the L/C Issuing Bank that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of

Credit, the L/C Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit. In connection with each Series 2026-1 Liquidity Reserve Letter of Credit, the Indenture Trustee as beneficiary shall be entitled to the benefit of every provision of the Indenture limiting the liability of or affording rights, benefits, protections, immunities or indemnities to the Indenture Trustee as if they were expressly set forth herein mutatis mutandis.

(c) If any draft shall be presented for payment under any Letter of Credit for which the Letter of Credit Provider has actual knowledge, the Letter of Credit Provider shall promptly notify the Manager, the Issuer and the Series 2026-1 Class A-1-V Administrative Agent of the date and amount thereof. The responsibility of the applicable L/C Issuing Bank to the Issuer in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit and, in paying such draft, such L/C Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by such Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of any Person(s) executing or delivering any such document.

SECTION 2.08 L/C Participations.

(a) Each Letter of Credit Provider irrevocably grants to each Committed Note Purchaser, and, to induce the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) to provide Letters of Credit hereunder, each Committed Note Purchaser irrevocably and unconditionally agrees to accept and purchase and hereby accepts and purchases from the Letter of Credit Provider (or the L/C Issuing Bank, as applicable), on the terms and conditions set forth below, for such Committed Note Purchaser's own account and risk an undivided interest equal to its Committed Note Purchaser Percentage of the related Investor Group's Commitment Percentage of obligations and rights of the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) under and in respect of each Letter of Credit provided hereunder and the L/C Reimbursement Amount with respect to each draft paid or reimbursed by the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) in connection therewith. Subject to Section 2.06(a), each Committed Note Purchaser unconditionally and irrevocably agrees with each Letter of Credit Provider that, if a draft is paid under any Letter of Credit for which such Letter of Credit Provider (or the L/C Issuing Bank, as applicable) is not paid in full by the Issuer in accordance with the terms of this Agreement, such Committed Note Purchaser shall pay to the Series 2026-1 Class A-1-V Administrative Agent upon demand of the Letter of Credit Provider an amount equal to its Committed Note Purchaser Percentage of the related Investor Group's Commitment Percentage of the L/C Reimbursement Amount with respect to such draft, or any part thereof, that is not so paid.

(b) If any amount required to be paid by any Committed Note Purchaser to the Series 2026-1 Class A-1-V Administrative Agent for forwarding to the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) pursuant to Section 2.08(a) in respect of any unreimbursed portion of any payment made by the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) under any Letter of Credit is paid to the Series 2026-1 Class A-1-V Administrative Agent for forwarding to the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) on the date such payment is due, such Committed Note Purchaser shall pay to the Series 2026-1 Class A-1-V Administrative Agent for forwarding to the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Letter of Credit Provider (or the L/C Issuing Bank, as applicable), times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any Committed Note Purchaser pursuant to Section 2.08(a) is not made available to the Series

2026-1 Class A-1-V Administrative Agent by such Committed Note Purchaser on the date such payment is due, the Letter of Credit Provider shall be entitled to recover from such Committed Note Purchaser, on demand, such amount with interest thereon calculated from such due date at the Base Rate. A certificate of the Letter of Credit Provider submitted to any Committed Note Purchaser with respect to any amounts owing under this Section 2.08(b), in the absence of manifest error, shall be conclusive and binding on such Committed Note Purchaser. Such amounts payable under this Section 2.08(b) shall be paid without any deduction for any withholding taxes.

(c) Whenever, at any time after payment has been made under any Letter of Credit and the applicable Letter of Credit Provider (or the L/C Issuing Bank, as applicable) has received from any Committed Note Purchaser its pro rata share of such payment in accordance with Section 2.08(a), the Series 2026-1 Class A-1-V Administrative Agent or the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) receives any payment related to such Letter of Credit (whether directly from the Issuer or otherwise, including proceeds of collateral applied thereto), or any payment of interest on account thereof, the Series 2026-1 Class A-1-V Administrative Agent or the Letter of Credit Provider (or the L/C Issuing Bank, as applicable), as the case may be, will distribute to such Committed Note Purchaser its pro rata share thereof; provided, however, that in the event that any such payment received by the Series 2026-1 Class A-1-V Administrative Agent or the Letter of Credit Provider (or the L/C Issuing Bank, as applicable), as the case may be, shall be required to be returned by the Series 2026-1 Class A-1-V Administrative Agent or the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) such Committed Note Purchaser shall return to the Series 2026-1 Class A-1-V Administrative Agent for the account of the Letter of Credit Provider (or the L/C Issuing Bank, as applicable) the portion thereof previously distributed by the Series 2026-1 Class A-1-V Administrative Agent or Letter of Credit Provider (or the L/C Issuing Bank, as applicable), as the case may be, to it.

(d) Each Committed Note Purchaser's obligation to make the Advances referred to in Section 2.07(a) and to pay its pro rata share of any unreimbursed draft pursuant to Section 2.08(a) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Committed Note Purchaser or the Issuer may have against the Letter of Credit Provider, any L/C Issuing Bank, the Issuer or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article VII other than at the time the related Letter of Credit was issued; (iii) an adverse change in the condition (financial or otherwise) of the Issuer; (iv) any breach of this Agreement or any other Transaction Document by the Issuer or any other Person; (v) any amendment, renewal or extension of any Letter of Credit in compliance with this Agreement or with the terms of such Letter of Credit, as applicable; or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

SECTION 2.09 Increase in Commitments

(a) Upon at least ten (10) Business Days' notice (or such lesser amount as may be agreed by the Series 2026-1 Class A-1-V Administrative Agent in its sole discretion) to the Series 2026-1 Class A-1-V Administrative Agent (who shall promptly notify the Indenture Trustee, the Servicer, each Funding Agent and each Investor), the Issuer may deliver notice substantially in the form of Exhibit F hereto (or such other form reasonably satisfactory to the Series 2026-1 Class A-1-V Administrative Agent) (each, a "Commitment Increase Notice") to effect an increase in the aggregate Commitment Amount hereunder upon the satisfaction of the Series 2026-1 Class A-1-V Notes Availability Conditions with respect to the amount of such increase (each, a "Commitment Increase"); provided that, no Commitment Increase of the aggregate Commitment Amount hereunder or the Series 2026-1 Class A-1-V Notes Maximum Principal Amount to an amount in excess of \$150,000,000 may be effected unless a Rating Agency Confirmation and consent of each Holder of the Series 2026-1 Class A-1-V Notes are obtained; provided further that (i) the requested amount of a Commitment Increase must be a minimum of \$5,000,000

and integral multiples of \$500,000 in excess thereof (or, if the difference between (x) the Series 2026-1 Class A-1-V Notes Maximum Principal Amount as of the relevant date minus (y) the aggregate Commitment Amount of all Committed Purchasers hereunder as of such date is less than \$5,000,000, such lesser amount); and (ii) no such Commitment Increase shall be permitted if, immediately after giving *pro forma* effect thereto, the aggregate Commitment Amount of all Committed Purchasers hereunder would exceed the Series 2026-1 Class A-1-V Notes Maximum Principal Amount at such time. Schedule I hereto shall be replaced in its entirety by the Schedule I delivered by the Issuer in connection with any Commitment Increase Notice to reflect such Commitment Increase.

(b) Pursuant to each Commitment Increase Notice delivered in accordance with Section 2.09(a) hereof, the Issuer (or the Manager on its behalf) shall deliver calculations evidencing the satisfaction of the Series 2026-1 Class A-1-V Notes Availability Conditions after giving *pro forma* effect to such Commitment Increase.

ARTICLE III INTEREST AND FEES

(a) To the extent that an Advance is funded or maintained by a Conduit Investor through the issuance of Commercial Paper, such Advance shall bear interest at the CP Rate applicable to such Conduit Investor. To the extent that, and only for so long as, an Advance is funded or maintained by a Conduit Investor through means other than the issuance of Commercial Paper (based on its determination in good faith that it is unable to raise or is precluded or prohibited from raising, or that it is not advisable to raise, funds through the issuance of Commercial Paper in the commercial paper market of the United States to finance its purchase or maintenance of such Advance or any portion thereof (which determination may be based on any allocation method employed in good faith by such Conduit Investor), including by reason of market conditions or by reason of insufficient availability under any of its Program Support Agreement or the downgrading of any of its Program Support Providers), such Advance shall bear interest at (i) the Base Rate or (ii) if the required notice has been given pursuant to Section 3.01(b) with respect to such Advance, for any SOFR Interest Accrual Period, the Term SOFR Rate applicable to such SOFR Interest Accrual Period for such Advance, in each case except as otherwise provided in the definition of SOFR Interest Accrual Period or in Section 3.03 or 3.04. By (x) 11:00 a.m. (New York City time) on the second Business Day preceding each Quarterly Calculation Date, each Funding Agent shall notify the Series 2026-1 Class A-1-V Administrative Agent of the applicable CP Rate for each Advance made by its Investor Group that was funded or maintained through the issuance of Commercial Paper and was outstanding during all or any portion of the Interest Accrual Period ending immediately prior to such Quarterly Calculation Date and (y) 3:00 p.m. (New York City time) on the second Business Day preceding each Quarterly Calculation Date, the Series 2026-1 Class A-1-V Administrative Agent shall notify the Issuer, the Manager, the Trustee, the Control Party and the Funding Agents of such applicable CP Rate and of the applicable interest rate for each other Advance for such Interest Accrual Period and of the amount of interest accrued on Advances during such Interest Accrual Period.

(b) With respect to any Advance (other than one funded or maintained by a Conduit Investor through the issuance of Commercial Paper), so long as no Potential Rapid Amortization Event, Rapid Amortization Period or Event of Default has commenced and is continuing, the Issuer may elect that such Advance bear interest at the Term SOFR Rate for any SOFR Interest Accrual Period while such Advance is outstanding to the extent provided in Section 3.01(a) by giving notice thereof to the

Funding Agents prior to 12:00 p.m. (New York City time) on the date which is two (2) U.S. Government Securities Business Days prior to the commencement of such SOFR Interest Accrual Period. If such notice is not given in a timely manner, such Advance shall bear interest at the Base Rate. Each such conversion to or continuation of SOFR Advances in accordance with this Section 3.01(b) shall be in an aggregate principal amount of \$100,000 or an integral multiple of \$100,000 in excess thereof.

(c) Any outstanding Unreimbursed L/C Drawings shall bear interest at the Base Rate. By (x) 11:00 a.m. (New York City time) on the second Business Day preceding each Payment Date, the Letter of Credit Provider shall notify the Series 2026-1 Class A-1-V Administrative Agent in reasonable detail of the amount of interest accrued on any Unreimbursed L/C Drawings during such Interest Accrual Period and the amount of fees accrued on any Undrawn L/C Face Amounts during such Interest Accrual Period and (y) 3:00 p.m. (New York City time) on such date, the Series 2026-1 Class A-1-V Administrative Agent shall notify the Manager, the Indenture Trustee and the Issuer of the amount of such accrued interest and fees as set forth in such notices.

(d) All accrued interest pursuant to Section 3.01(a), shall be due and payable in arrears on each Payment Date in accordance with the applicable provisions of the Indenture.

(e) Following the Series 2026-1 Class A-1-V Anticipated Repayment Date, the Issuer shall pay additional interest in respect of the Series 2026-1 Class A-1-V Outstanding Principal Amount in an amount equal to the Series 2026-1 Class A-1-V Post-ARD Additional Interest payable pursuant to Section 2.10 of the Indenture subject to and in accordance with the Priority of Payments.

(f) All computations of interest at the CP Rate and the Term SOFR Rate, all computations of Series 2026-1 Class A-1-V Post-ARD Additional Interest (other than any accruing on any Base Rate Advances) and all computations of fees shall be made on the basis of a year of 360 days and the actual number of days elapsed. All computations of interest at the Base Rate and all computations of Series 2026-1 Class A-1-V Post-ARD Additional Interest accruing on any Base Rate Advances shall be made on the basis of a 360-day year and actual number of days elapsed. Whenever any payment of interest, principal or fees hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day unless specified otherwise in the Indenture and such extension of time shall be included in the computation of the amount of interest owed. Interest shall accrue on each Advance and Unreimbursed L/C Drawing from and including the day on which it is made to but excluding the date of repayment thereof.

(g) For purposes of the Series 2026-1 Class A-1-V Notes, "Interest Accrual Period" means, for each Payment Date (i) initially, the period from and including the Series 2026-1 Closing Date to but excluding the twentieth (20th) day of the calendar month in which the first Payment Date after the Series 2026-1 Closing Date occurs and (ii) thereafter, the period from and including the twentieth (20th) day of the calendar month in which the immediately preceding Payment Date occurred (commencing with the first Payment Date referenced in clause (i) above) to but excluding the twentieth (20th) day of the calendar month in which such Payment Date occurs.

SECTION 3.02 Fees.

(a) [Reserved.]

(b) As consideration for the performance of its duties as the Series 2026-1 Class A-1-V Administrative Agent hereunder, the Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, for its own account, the "Administrative Agent Fee" as defined in, and pursuant to the terms of, the Series 2026-1 Class A-1-V Notes Fee Letter, and subject to the Priority of Payments (other than any such fee paid by the Issuer on the Series 2026-1 Closing Date).

(c) The Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, for the ratable account of each Committed Note Purchaser (based on their respective Committed Note Purchaser Percentages), the “Undrawn Commitment Fees” as defined in, and in accordance with the terms of, the Series 2026-1 Class A-1-V Notes Fee Letter (the “Series 2026-1 Class A-1-V Undrawn Commitment Fees”), and subject to the Priority of Payments. The Series 2026-1 Class A-1-V Undrawn Commitment Fee will be calculated on an Actual/360 Basis. The Series 2026-1 Class A-1-V Undrawn Commitment Fees shall be VFN Undrawn Commitment Fees for all purposes under the Indenture.

(e) Once paid, all fees payable hereunder shall be nonrefundable under all circumstances other than manifest error.

SECTION 3.03 SOFR Lending Unlawful. If any Investor or Program Support Provider shall determine that any Change in Law makes it unlawful, or any Official Body asserts that it is unlawful, for any such Person to fund or maintain any Advance as a SOFR Advance, the obligation of such Person to fund or maintain any such Advance as a SOFR Advance shall, upon such determination, forthwith be suspended until such Person shall notify the Series 2026-1 Class A-1-V Administrative Agent, the related Funding Agent, the Manager and the Issuer that the circumstances causing such suspension no longer exist, and all of such Person’s pro rata share of any then-outstanding SOFR Advances shall be automatically converted into Base Rate Advances at the end of the then-current Interest Accrual Period with respect thereto or sooner, if required by such law or assertion.

SECTION 3.04 Alternate Rate of Interest.

Notwithstanding anything to the contrary herein or in any other Transaction Document, if a Benchmark Transition Event and a Benchmark Replacement Date with respect thereto have occurred prior to the Reference Time in connection with any setting of the then-current Benchmark, then such Benchmark Replacement will replace the then-current Benchmark for all purposes under this Agreement and under any other Transaction Document in respect of such Benchmark setting and subsequent Benchmark settings without requiring any amendment to, or requiring any further action by or consent of any other party to, this Agreement or any other Transaction Document.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation or administration of Term SOFR or a Benchmark Replacement, the Series 2026-1 Class A-1-V Administrative Agent and the Issuer may agree to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Transaction Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without requiring any further action by or consent of any other party to this Agreement or any other Transaction Document.

(c) Standards for Decisions and Determinations. Any determination, decision or election that may be made by the Series 2026-1 Class A-1-V Administrative Agent and the Issuer pursuant to this Section 3.04, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in their sole discretion and without consent from any other party to this Agreement or any other Transaction Document.

SECTION 3.05 Increased Costs, etc. The Issuer agrees to reimburse each Investor and any Program Support Provider (each, an “Affected Person”, which term, for the purposes of Section 3.07 and 3.08 shall also include the L/C Issuing Bank) for any increase in the cost of, or any reduction in the amount of any sum receivable by any such Affected Person, including reductions in the rate of return on such Affected Person’s capital, in respect of funding or maintaining (or of its obligation to fund or maintain) any Advances that arise in connection with any Change in Law which shall:

- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Affected Person; or
- (ii) impose on any Affected Person any other condition affecting this Agreement or SOFR Advances made by such Affected Person or any Letter of Credit or participation therein;

except for such Changes in Law with respect to increased capital costs and Class A-1-V Taxes which shall be governed by Sections 3.07 and 3.08, respectively (whether or not amounts are payable thereunder in respect thereof). Each such demand shall be provided to the related Funding Agent and the Issuer in writing and shall state, in reasonable detail, the reasons therefor and the additional amount required fully to compensate such Affected Person for such increased cost or reduced amount of return; provided that any such demand claiming reimbursement for increased costs resulting from a Change in Law described in clause (x) or (y) above shall, in addition, state the basis upon which such amount has been calculated and certify that such Affected Person’s method of allocating such costs is fair and reasonable and that such Affected Person’s demand for payment of such costs hereunder, and such method of allocation, is consistent with, or more favorable than, its treatment of other borrowers which, as a credit matter, are substantially similar to the Issuer and which are subject to similar provisions. Such additional amounts (“Increased Costs”) shall be paid by the Issuer to the Series 2026-1 Class A-1-V Administrative Agent as Series 2026-1 Class A-1-V Notes Other Amounts, subject to and in accordance with the Priority of Payments, on the Payment Date following the Collection Period in which such written notice is received, and by the Series 2026-1 Class A-1-V Administrative Agent to such Funding Agent pursuant to written direction and by such Funding Agent directly to such Affected Person, and such notice shall, in the absence of manifest error, be conclusive and binding on the Issuer; provided that with respect to any notice given to the Issuer under this Section 3.05 the Issuer shall not be under any obligation to pay any amount with respect to any period prior to the date that is nine (9) months prior to such demand; provided, further, that if the Change in Law giving rise to such Increased Costs is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof; provided, further, that any costs incurred as a consequence of the charges relating to the “liquidity coverage ratio” under Basel III that allowed the delay of funding pursuant to Section 2.03(c) shall not be considered an Increased Cost.

SECTION 3.06 Funding Losses. In the event any Affected Person shall incur any loss or expense (including any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Affected Person to fund or maintain any portion of the principal amount of any Advance as a SOFR Advance) as a result of:

(a) any conversion, repayment, prepayment or redemption (for any reason, including, without limitation, as a result of any Decrease or the acceleration of the maturity of such SOFR Advance) of the principal amount of any SOFR Advance on a date other than the scheduled last day of the SOFR Interest Accrual Period applicable thereto;

(b) any Advance not being funded or maintained as a SOFR Advance after a request therefor has been made in accordance with the terms contained herein (for a reason other than the failure of such Affected Person to make an Advance after all conditions thereto have been met); or

(c) any failure of the Issuer to make a Voluntary Decrease, prepayment or redemption with respect to any SOFR Advance after giving notice thereof pursuant to the applicable provisions of the Indenture;

then, upon the written notice of any Affected Person to the related Funding Agent and the Issuer, the Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, in the form of Series 2026-1 Class A-1-V Notes Other Amounts, subject to and in accordance with the Priority of Payments on the Payment Date following the Collection Period in which such written notice is received, and by the Series 2026-1 Class A-1-V Administrative Agent to such Funding Agent pursuant to written direction and such Funding Agent shall pay directly to such Affected Person such amount (“Breakage Amount” or “Series 2026-1 Class A-1-V Breakage Amount”) as will (in the reasonable determination of such Affected Person) reimburse such Affected Person for such loss or expense. With respect to any notice given to the Issuer under this Section 3.06 the Issuer shall not be under any obligation to pay any amount with respect to any period prior to the date that is nine (9) months prior to such notice. Such written notice (which shall include calculations in reasonable detail) shall, in the absence of manifest error, be conclusive and binding on the Issuer.

SECTION 3.07 Increased Capital or Liquidity Costs. If any Change in Law affects or would affect the amount of capital or liquidity required or reasonably expected to be maintained by any Affected Person or any Person controlling such Affected Person and such Affected Person determines in its sole and absolute discretion that the rate of return on its or such controlling Person’s capital as a consequence of its commitment hereunder or under a Program Support Agreement or the Advances or Letters of Credit made or issued by such Affected Person is reduced to a level below that which such Affected Person or such controlling Person would have achieved but for the occurrence of any such circumstance, then, in any such case after notice from time to time by such Affected Person (or in the case of an L/C Issuing Bank, by the Letter of Credit Provider) to the related Funding Agent and the Issuer (or, in the case of any Letter of Credit Provider, to the Issuer), the Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, in the form of Series 2026-1 Class A-1-V Notes Other Amounts, subject to and in accordance with the Priority of Payments, on the Payment Date following the Collection Period in which the Issuer receive such written notice, and by the Series 2026-1 Class A-1-V Administrative Agent pursuant to written direction to such Funding Agent (or, in the case of the Letter of Credit Provider, directly to such Person) and such Funding Agent shall pay to such Affected Person, such amounts (“Increased Capital Costs”) as will be sufficient to compensate such Affected Person or such controlling Person for such reduction in rate of return on its or such controlling Person’s capital as a consequence of its commitment hereunder or the Advances made or issued by such Affected Person; provided that with respect to any notice given to the Issuer under this Section 3.07 the Issuer shall not be under any obligation to pay any amount with respect to any period prior to the date that is nine (9) months prior to such notice; provided, further, if the Change in Law giving rise to such Increased Capital Costs is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof; provided, further, that any costs incurred as a consequence of the charges relating to the “liquidity coverage ratio” under Basel III that allowed the delay of funding pursuant to Section 2.03(c) shall not be considered an Increased Capital Cost. A statement of such Affected Person as to any such additional amount or amounts (including calculations thereof in reasonable detail), in the absence of manifest error, shall be conclusive and binding on the Issuer. In determining such additional amount, such Affected Person may use any

method of averaging and attribution that it (in its reasonable discretion) shall deem applicable so long as it applies such method to other similar transactions.

For purposes of this Agreement, including, without limitation, Section 3.05 and this Section 3.07, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all regulations, requests, guidelines or directives issued in connection therewith and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case, pursuant to Basel III, are deemed to have gone into effect and been adopted subsequent to the date hereof, regardless of the date enacted, adopted or issued.

SECTION 3.08 Taxes.

(a) Except as otherwise required by law, all payments by the Issuer of principal of, and interest on, the Advances and the Unreimbursed L/C Drawings and all other amounts payable hereunder (including fees) shall be made free and clear of and without deduction or withholding for or on account of any present or future income, excise, documentary, property, stamp or franchise taxes and other taxes, fees, duties, withholdings or other charges in the nature of a tax imposed by any taxing authority including all interest, penalties or additions to tax and other liabilities with respect thereto (all such taxes, fees, duties, withholdings and other charges, and including all interest, penalties or additions to tax and other liabilities with respect thereto, being called "Class A-1-V Taxes"), but excluding in the case of any Affected Person (i) net income, franchise (imposed in lieu of net income) or similar Class A-1-V Taxes (and including branch profits or alternative minimum Class A-1-V Taxes) and any other Class A-1-V Taxes imposed or levied on the Affected Person as a result of a present or former connection between the Affected Person and the jurisdiction of the governmental authority imposing such Class A-1-V Taxes (or any political subdivision or taxing authority thereof or therein) (other than any such connection arising solely from such Affected Person having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Transaction Document), (ii) any withholding tax that is imposed on amounts payable to the Affected Person at the time the Affected Person becomes a party to this Agreement (or designates a new lending office), except to the extent that such Affected Person (or its assignor, if any) was already entitled, at the time of the designation of the new lending office (or assignment), to receive additional amounts from the Issuer with respect to such withholding tax, (iii) any taxes imposed under FATCA, (iv) any backup withholding tax and (v) any Class A-1-V Taxes imposed as a result of such Affected Person's failure to comply with Section 3.08(d) (such Class A-1-V Taxes not excluded by (i), (ii), (iii), (iv) and (v) above being called "Non-Excluded Taxes"). If any Class A-1-V Taxes are imposed and required by law to be withheld or deducted from any amount payable by the Issuer hereunder to an Affected Person, then, (x) the Issuer shall withhold the amount of such Class A-1-V Taxes from such payment (as increased, if applicable, pursuant to the following clause (y)) and shall pay such amount, subject to and in accordance with the Priority of Payments, to the taxing authority imposing such Class A-1-V Taxes in accordance with applicable law and (y) if such Class A-1-V Taxes are Non-Excluded Taxes, the amount of the payment shall be increased so that such payment is made, after withholding or deduction for or on account of such Non-Excluded Taxes, in an amount that is not less than the amount equal to the sum that would have been received by the Affected Person had no such deduction or withholding been required.

(b) Moreover, if any Non-Excluded Taxes are directly asserted against any Affected Person or its agent with respect to any payment received by such Affected Person or its agent from the Issuer or otherwise in respect of any Transaction Document or the transactions contemplated therein, such Affected Person or its agent may pay such Non-Excluded Taxes and the Issuer shall pay to the Series 2026-1 Class A-1-V Administrative Agent, in the form of Series 2026-1 Class A-1-V Notes Other Amounts, subject to and in accordance with the Priority of Payments, on the Payment Date following the Collection Period in which the related Funding Agent and the Issuer receive written notice stating the amount of such Non-Excluded Taxes (including the calculation thereof in reasonable detail), and the Series 2026-1 Class A-1-V Administrative Agent shall pay to such

Funding Agent pursuant to written direction from such Funding Agent and such Funding Agent shall pay directly to such Affected Persons such additional amounts (collectively, “Increased Tax Costs,” which term shall include all amounts payable by or on behalf of the Issuer pursuant to this Section 3.08) as is necessary in order that the net amount received by such Affected Person or agent after the payment of such Non-Excluded Taxes (including any Non-Excluded Taxes on such Increased Tax Costs) shall equal the amount such Person would have retained had no such Non-Excluded Taxes been asserted. Any amount payable to an Affected Person under this Section 3.08 shall be reduced by, and Increased Tax Costs shall not include, the amount of incremental damages (including Class A-1-V Taxes) due or payable by the Issuer as a direct result of such Affected Person’s failure to demand from the Issuer additional amounts pursuant to this Section 3.08 within 180 days from the date on which the related Non-Excluded Taxes were incurred.

(c) As promptly as practicable after the payment of any Class A-1-V Taxes, and in any event within thirty (30) days of any such payment being due, the Issuer shall furnish to each applicable Affected Person or its agents a certified copy of an official receipt (or other documentary evidence reasonably satisfactory to such Affected Person and agents) evidencing the payment of such Class A-1-V Taxes. If the Issuer fails to pay any Class A-1-V Taxes when due to the appropriate taxing authority or fails to remit to the Affected Persons or their agents the required receipts (or such other documentary evidence), the Issuer shall indemnify (by depositing such amounts into the Collection Account, to be distributed subject to and in accordance with the Priority of Payments) each Affected Person and its agents for any Non-Excluded Taxes that may become payable by any such Affected Person or its agents as a result of any such failure.

(d) Each Affected Person and Funding Agent on or prior to the date it becomes a party to this Agreement (and from time to time thereafter as soon as practicable after the obsolescence, expiration or invalidity of any form or document previously delivered) or within a reasonable period of time following a written request by the Issuer or the Series 2026-1 Class A-1-V Administrative Agent, shall deliver to the Issuer and the Series 2026-1 Class A-1-V Administrative Agent a United States Internal Revenue Service Form W-8BEN, Form W-8BEN-E, Form W-8ECI, Form W-8IMY or Form W-9, as applicable, or applicable successor form (together with all required attachments), or such other forms or documents (or successor forms or documents), appropriately completed and executed, as may be applicable and as will permit the Issuer or the Series 2026-1 Class A-1-V Administrative Agent, in their reasonable determination, to establish the extent to which a payment to such Affected Person is exempt from or eligible for a reduced rate of withholding or deduction of United States federal withholding taxes, including but not limited to such information necessary to claim the benefits of the exemption for portfolio interest under Section 881(c) of the Code, and to determine whether or not such Affected Person or Funding Agent is subject to backup withholding or information reporting requirements. Promptly following the receipt of a written request by the Issuer or the Series 2026-1 Class A-1-V Administrative Agent, each Affected Person and Funding Agent shall deliver to the Issuer and the Series 2026-1 Class A-1-V Administrative Agent any other forms or documents (or successor forms or documents) appropriately completed and executed, as may be applicable to establish the extent to which a payment to such Affected Person or Funding Agent is exempt from withholding or deduction of Non-Excluded Taxes other than United States federal withholding taxes. The Issuer shall not be required to pay any increased amount under Section 3.08(a) or Section 3.08(b) to an Affected Person in respect of the withholding or deduction of United States federal withholding taxes or other Non-Excluded Taxes imposed as the result of the failure or inability (other than as a result of a Change in Law) of such Affected Person to comply with the requirements set forth in this Section 3.08(d). The Issuer and the Series 2026-1 Class A-1-V Administrative Agent (or other withholding agent selected by the Issuer) may rely on any form or document provided pursuant to this Section 3.08(d) until notified otherwise by the Affected Person or the Funding Agent that delivered such form or document. Notwithstanding anything to the contrary, no Affected Person or Funding Agent shall be required to deliver any documentation that it is not legally eligible to deliver as a result of a change in applicable law after the time the Affected Person or Funding Agent becomes a party to this Agreement (or designates a new lending office).

(e) If a payment made to an Affected Person or Funding Agent pursuant to this Agreement would be subject to United States federal withholding tax imposed by FATCA if such Affected Person or Funding Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Affected Person or Funding Agent shall deliver to the Issuer and the Series 2026-1 Class A-1-V Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Issuer or the Series 2026-1 Class A-1-V Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer or the Series 2026-1 Class A-1-V Administrative Agent as may be necessary for the Issuer and the Series 2026-1 Class A-1-V Administrative Agent to comply with their obligations under FATCA and to determine that such Affected Person or Funding Agent has complied with such Affected Person's or Funding Agent's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. For purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Prior to the Series 2026-1 Closing Date, the Series 2026-1 Class A-1-V Administrative Agent will provide the Issuer with a properly executed and completed U.S. Internal Revenue Service Form W-8BEN-E, Form W-8IMY or Form W-9, as appropriate (together with all required attachments) of the Series 2026-1 Class A-1-V Administrative Agent.

(g) If an Affected Person determines, in its sole reasonable discretion, that it has received a refund of any Non-Excluded Taxes as to which it has been indemnified pursuant to this [Section 3.08](#) or as to which it has been paid additional amounts pursuant to this [Section 3.08](#), it shall promptly notify the Issuer and the Manager in writing of such refund and shall, within thirty (30) days after receipt of a written request from the Issuer, pay over such refund to the Issuer (but only to the extent of indemnity payments made or additional amounts paid to such Affected Person under this [Section 3.08](#) with respect to the Non-Excluded Taxes giving rise to such refund), net of all out-of-pocket expenses (including the net amount of Class A-1-V Taxes, if any, imposed on or with respect to such refund or payment) of the Affected Person and without interest (other than any interest paid by the relevant taxing authority that is directly attributable to such refund of such Non-Excluded Taxes); provided that the Issuer, immediately upon the request of the Affected Person to the Issuer (which request shall include a calculation in reasonable detail of the amount to be repaid), agrees to repay the amount of the refund (and any applicable interest) (plus any penalties, interest or other charges imposed by the relevant taxing authority with respect to such amount) to the Affected Person in the event the Affected Person is required to repay such refund to such taxing authority. This [Section 3.08\(g\)](#) shall not be construed to require the Affected Person to make available its tax returns (or any other information relating to its Class A-1-V Taxes that it deems confidential) to the Issuer or any other Person.

(h) If any Governmental Authority asserts that the Issuer or the Series 2026-1 Class A-1-V Administrative Agent or other withholding agent did not properly withhold or backup withhold, as the case may be, any Class A-1-V Taxes from payments made to or for the account of any Affected Person, then to the extent such improper withholding or backup withholding was directly caused by such Affected Person's actions or inactions, such Affected Person shall indemnify the Issuer, the Indenture Trustee and the Series 2026-1 Class A-1-V Administrative Agent for any Class A-1-V Taxes imposed by any jurisdiction as a result of such actions or inactions, and costs and expenses (including attorney costs) of the Issuer, the Indenture Trustee and the Series 2026-1 Class A-1-V Administrative Agent. The obligation of the Affected Persons, severally, under this [Section 3.08](#) shall survive any assignment of rights by, or the replacement of, an Affected Person or the termination of the aggregate Commitments, repayment of all other obligations hereunder and the resignation of the Series 2026-1 Class A-1-V Administrative Agent.

(i) The Series 2026-1 Class A-1-V Administrative Agent, the Indenture Trustee, the Issuer or any other withholding agent may deduct and withhold any Class A-1-V Taxes required by any laws to be deducted and withheld from any payments.

SECTION 3.09 Change of Lending Office. Each Committed Note Purchaser agrees that, upon the occurrence of any event giving rise to the operation of Section 3.05 or 3.07 or the payment of additional amounts to it under Section 3.08(a) or (b), in each case with respect to an Affected Person in such Committed Note Purchaser's Investor Group, it will, if requested by the Issuer, use reasonable efforts (subject to overall policy considerations of such Committed Note Purchaser) to designate, or cause the designation of, another lending office for any Advances affected by such event with the object of avoiding the consequences of such event; provided that such designation is made on terms that, in the sole judgment of such Committed Note Purchaser, cause such Committed Note Purchaser and its lending office(s) or the related Affected Person to suffer no economic, legal or regulatory disadvantage; and provided, further, that nothing in this Section 3.09 shall affect or postpone any of the obligations of the Issuer or the rights of any Committed Note Purchaser pursuant to Section 3.05, 3.07 and 3.08. If a Committed Note Purchaser notifies the Issuer in writing that such Committed Note Purchaser will be unable to designate, or cause the designation of, another lending office, the Issuer may replace every member (but not any subset thereof) of such Committed Note Purchaser's entire Investor Group by giving written notice to each member of such Investor Group and the Series 2026-1 Class A-1-V Administrative Agent designating one or more Persons that are willing and able to purchase each member of such Investor Group's rights and obligations under this Agreement for a purchase price that with respect to each such member of such Investor Group will equal the amount owed to each such member of such Investor Group with respect to the Series 2026-1 Class A-1-V Advance Notes (whether arising under the Indenture, this Agreement, the Series 2026-1 Class A-1-V Advance Notes or otherwise). Upon receipt of such written notice, each member of such Investor Group shall assign its rights and obligations under this Agreement pursuant to and in accordance with Sections 9.17(a), (b) and (c), as applicable, in consideration for such purchase price and at the reasonable expense of the Issuer (including, without limitation, the reasonable documented fees and out-of-pocket expenses of counsel to each such member); provided, however, that no member of such Investor Group shall be obligated to assign any of its rights and obligations under this Agreement if the purchase price to be paid to such member is not at least equal to the amount owed to such member with respect to the Series 2026-1 Class A-1-V Advance Notes (whether arising under the Indenture, this Agreement, the Series 2026-1 Class A-1-V Advance Notes or otherwise).

SECTION 3.10 Inability to Determine Rates. Subject to Section 3.04, if, on or prior to the first day of any Interest Accrual Period for any SOFR Advance the Series 2026-1 Class A-1-V Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof, the Series 2026-1 Class A-1-V Administrative Agent will promptly so notify the Issuer and each Investor. Upon notice thereof by the Series 2026-1 Class A-1-V Administrative Agent to the Issuer, any obligation of the Investors to make SOFR Advances, and any right of the Issuer to continue SOFR Advances or to convert Base Rate Advances to SOFR Advances, shall be suspended (to the extent of the affected SOFR Advances or affected Interest Accrual Periods) until the Series 2026-1 Class A-1-V Administrative Agent revokes such notice. Upon receipt of such notice, (i) the Issuer may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Advances (to the extent of the affected SOFR Advances or affected Interest Accrual Periods) or, failing that, the Issuer will be deemed to have converted any such request into a request for an Advance of or conversion to Base Rate Advances in the amount specified therein and (ii) any outstanding affected SOFR Advances will be deemed to have been converted into Base Rate Advances at the end of the applicable Interest Accrual Period. Upon any such conversion, the Issuer shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 3.07. Subject to Section 3.04, if the Series 2026-1 Class A-1-V Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Advances shall be determined by

the Series 2026-1 Class A-1-V Administrative Agent without reference to clause (b)(iii) of the definition of “Base Rate” until the Series 2026-1 Class A-1-V Administrative Agent revokes such determination.

ARTICLE IV
OTHER PAYMENT TERMS

SECTION 4.01 Time and Method of Payment (Amounts Distributed by the Indenture Trustee). Except as otherwise provided in Section 4.02, all amounts payable to any Funding Agent or Investor hereunder or with respect to the Series 2026-1 Class A-1-V Advance Notes shall be made by the Issuer pursuant to written direction or the Manager Report to the Indenture Trustee for the benefit of the applicable Person, by wire transfer of immediately available funds in Dollars not later than 1:00 p.m. (New York City time) on the date due. The Indenture Trustee will promptly, and in any event no later than 5:00 p.m. (New York City time) on the day of its receipt or deemed receipt of the same, distribute to the applicable Funding Agent for the benefit of the applicable Person, or upon the order of the applicable Funding Agent for the benefit of the applicable Person, in each case pursuant to written direction, in an amount equal to its pro rata share (or other applicable share as provided herein) of such payment by wire transfer in like funds as received. Except as otherwise provided in Section 2.06 and Section 4.02, all amounts payable to any Letter of Credit Provider hereunder or with respect to the L/C Obligations shall be made to or upon the order of the Letter of Credit Provider by wire transfer of immediately available funds in Dollars not later than 3:00 p.m. (New York City time) on the date due. Any funds received after that time will be deemed to have been received on the next Business Day. The Issuer’s obligations hereunder in respect of any amounts payable to any Investor shall be discharged to the extent funds are disbursed by the Issuer to the Indenture Trustee as provided herein or by the Indenture Trustee in accordance with Section 4.02 whether or not such funds are properly applied by the Indenture Trustee. The Indenture Trustee’s obligations hereunder in respect of any amounts payable to any Investor shall be discharged to the extent funds are disbursed by the Indenture Trustee to the applicable Funding Agent as provided herein whether or not such funds are properly applied by such Funding Agent. For the avoidance of doubt, the Class Principal Balance of the Series 2026-1 Class A-1-V Notes, to the extent not earlier paid, shall be due and payable in its entirety on the Rated Final Payment Date for the Series 2026-1 Class A-1-V Notes specified in the Series 2026-1 Supplement.

SECTION 4.02 Order of Distributions (Amounts Distributed by the Indenture Trustee or the Series 2026-1 Class A-1-V Administrative Agent). Subject to the application of Section 9.18(c)(ii) to Defaulting Investors, any amounts deposited into the Collection Account in respect of accrued interest, letter of credit fees or undrawn commitment fees, but excluding amounts allocated for the purpose of reducing the Series 2026-1 Class A-1-V Outstanding Principal Amount, shall be distributed by the Indenture Trustee on the date due and payable under the Indenture and in the manner provided therein, to the Series 2026-1 Class A-1-V Noteholders of record on the applicable Record Date, ratably in proportion to the respective amounts due to such payees at each applicable level of the Priority of Payments in accordance with the applicable Manager Report.

Subject to the application of Section 9.18(c)(ii) to Defaulting Investors, any amounts deposited into the Collection Account for the purpose of reducing the Series 2026-1 Class A-1-V Outstanding Principal Amount shall be distributed by the Indenture Trustee on the date due and payable under the Indenture and in the manner provided therein, to the Series 2026-1 Class A-1-V Noteholders of record on the applicable Record Date, in the following order of priority: first, to each Letter of Credit Provider in respect of outstanding Unreimbursed L/C Drawings, to the extent Unreimbursed L/C Drawings cannot be reimbursed pursuant to Section 2.07, ratably in proportion to the respective amounts due to such payees; second, to the other to the Series 2026-1 Class A-1-V Noteholders in respect of their outstanding Advances, ratably in proportion thereto; and third, any balance remaining of such amounts (up to an aggregate amount not to exceed the amount of Undrawn L/C Face Amounts at such time) shall be paid to the Letter of Credit Provider to be deposited by the Letter of Credit Provider into a cash collateral account in the name of the Letter of Credit Provider.

Any amounts distributed to the Series 2026-1 Class A-1-V Administrative Agent for disbursement to the applicable Funding Agent as provided herein pursuant to the Priority of Payments in respect of any other amounts related to the Class A-1-V Notes shall be distributed by the Series 2026-1 Class A-1-V Administrative Agent in accordance with Section 4.01 on the date such amounts are due and payable hereunder to the applicable Series 2026-1 Class A-1-V Noteholders and/or the Series 2026-1 Class A-1-V Administrative Agent for its own account, as applicable, ratably in proportion to the respective aggregate of such amounts due to such payees.

SECTION 4.03 L/C as Collateral. (a) If as of five (5) Business Days prior to the Commitment Termination Date, any Undrawn L/C Face Amounts remain in effect, the Issuer shall either (i) provide cash collateral (in an aggregate amount equal to the amount of Undrawn L/C Face Amounts at such time, to the extent that such amount of cash collateral has not been provided pursuant to Section 4.02 or 9.18(c)(ii)) to the Letter of Credit Provider, to be deposited by the Letter of Credit Provider into a cash collateral account in the name of the Letter of Credit Provider in accordance with Section 4.03(b) or (ii) other than with respect to Liquidity Reserve Letters of Credit, make arrangements satisfactory to the Letter of Credit Provider in its sole and absolute discretion with the Letter of Credit Provider (and, if the Letter of Credit Provider is not the L/C Issuing Bank with respect to such Letter of Credit, the L/C Issuing Bank) pursuant to Section 4.04 such that any Letters of Credit that remain outstanding as of the date that is ten (10) Business Days prior to the Commitment Termination Date shall cease to be deemed outstanding or to be deemed "Letters of Credit" for purposes of this Agreement as of the Commitment Termination Date.

(b) All amounts to be deposited in a cash collateral account pursuant to Section 4.02, Section 4.03(a) or Section 9.18(c)(ii) shall be held by the Letter of Credit Provider as collateral to secure the Issuer's Reimbursement Obligations with respect to any outstanding Letters of Credit. The Letter of Credit Provider shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposit in Permitted Investments, which investments shall be made at the written direction, and at the risk and expense, of the Issuer (provided that if an Event of Default has occurred and is continuing, such investments shall be made solely at the option and sole discretion of the Letter of Credit Provider), such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account and all Class A-1-V Taxes on such amounts shall be payable by the Issuer. Moneys in such account shall automatically be applied by such Letter of Credit Provider to reimburse it for any Unreimbursed L/C Drawings. (b) Each Committed Note Purchaser will notify the Issuer in writing whether or not it will consent to a proposed amendment, waiver or other modification of this Agreement and, if applicable, any condition to such consent, waiver or other modification. If a Committed Note Purchaser notifies the Issuer in writing that such Committed Note Purchaser either (I) will not consent to an amendment to or waiver or other modification of any provision of this Agreement or (II) conditions its consent to such an amendment, waiver or other modification of any provision of this Agreement upon the payment of an amendment fee, the Issuer may replace every member (but not any subset thereof) of such Committed Note Purchaser’s entire Investor Group by giving written notice to each member of such Investor Group designating one or more Persons that are willing and able to purchase each member of such Investor Group’s rights and obligations under this Agreement for a purchase price that with respect to each such member of such Investor Group will equal the amount owed to each such member of such Investor Group with respect to the Series 2026-1 Class A-1-V Advance Notes (whether arising under the Indenture, the Series 2026-1 Supplement, this Agreement, the Series 2026-1 Class A-1-V Advance Notes or otherwise). Upon receipt of such written notice, each member of such Investor Group shall assign its rights and obligations under this Agreement pursuant to and in accordance with Sections 9.17(a), (b) and (c), as applicable, in consideration for such purchase price and at the reasonable expense of the Issuer (including, without limitation, the reasonable documented fees and out-of-pocket expenses of counsel to each such member); provided, however, that no member of such Investor Group shall be obligated to assign any of its rights and obligations under this Agreement if the purchase price to be paid to such member is not at least equal to the amount owed to such member with respect to the Series 2026-1 Class A-1-V Advance Notes (whether arising under the Indenture, the Series 2026-1 Supplement, this Agreement, the Series 2026-1 Class A-1-V Notes or otherwise).

(c) The Issuer and the Investors shall negotiate any amendments, waivers, consents, supplements or other modifications to this Agreement or the other Transaction Documents that require the consent of the Investors in good faith. Pursuant to Section 9.05(a), the Investors shall be entitled to reimbursement by the Issuer for the reasonable expenses incurred by the Investors in reviewing and approving any such amendment, waiver, consent, supplement or other modification to this Agreement or any Transaction Document. The Issuer agrees to provide notice to each Investor Group of any amendment to this Agreement, regardless of whether the consent of such Investor is required for such amendment to become effective.

(d) Notwithstanding anything herein to the contrary, any amendment to this Agreement which has the effect of increasing the Series 2026-1 Class A-1-V Notes Maximum Principal Amount shall not be deemed to be an issuance of Additional Notes, but shall otherwise be subject to the satisfaction of the conditions set forth in clauses (A) and (B) of Section 2.12(c) of the Indenture.

SECTION 9.02 No Waiver; Remedies. Any waiver, consent or approval given by any party hereto shall be effective only in the specific instance and for the specific purpose for which given, and no waiver by a party of any breach or default under this Agreement shall be deemed a waiver of any other breach or default. No failure on the part of any party hereto to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder, or any abandonment or discontinuation of steps to enforce the right, power or privilege, preclude any other or further exercise thereof or the exercise of any other right. No notice to or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in the same, similar or other circumstances. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.03 Binding on Successors and Assigns.

(a) This Agreement shall be binding upon, and inure to the benefit of, the Issuer, the Manager, the Investors, the Funding Agents, the Series 2026-1 Class A-1-V Administrative Agent and their respective successors and assigns; provided, however, that neither the Issuer nor the Manager may assign its rights or obligations hereunder or in connection herewith or any interest herein (voluntarily, by operation of law or otherwise) without the prior written consent of each Investor (other than any Defaulting Investor); provided, further, that nothing herein shall prevent the Issuer from assigning its rights (but none of its duties or liabilities) to the Indenture Trustee under the Indenture and the Series 2026-1 Supplement; and provided, further, that none of the Investors may transfer, pledge, assign, sell participations in or otherwise encumber its rights or obligations hereunder or in connection herewith or any interest herein except as permitted under Section 6.03 or Section 9.17 or this Section 9.03. Nothing expressed herein is intended or shall be construed to give any Person other than the Persons referred to in the preceding sentence any legal or equitable right, remedy or claim under or in respect of this Agreement except as provided in Section 9.16.

(b) Notwithstanding any other provision set forth in this Agreement, each Investor may at any time grant to one or more Program Support Providers a participating interest in or lien on such Investor's interests in the Advances made hereunder and such Program Support Provider, with respect to its participating interest, shall be entitled to the benefits granted to such Investor under this Agreement. In addition, any Investor may at any time sell participations to any Person in all or a portion of such Investor's rights and/or obligations under this Agreement, the Series 2026-1 Class A-1-V Notes and the Advances made thereunder and, in connection therewith, any other Transaction Documents to which it is a party, and such participant, with respect to its participating interest, shall be entitled to the benefits granted to such Investor under this Agreement; provided that (i) such Investor's obligations under this Agreement shall remain unchanged, (ii) such Investor shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Issuer, the Series 2026-1 Class A-1-V Administrative Agent and each other Investor shall continue to deal solely and directly with such Investor in connection with such Investor's rights and obligations under this Agreement; provided that such participant shall not be entitled to receive any greater payment under Section 3.05, 3.07 or 3.08, with respect to any participation, than its participating Investor would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from Change in Law that occurs after the participant acquired the applicable participation so long as such Change in Law would apply equally to such participating Investor. Each Investor that grants to one or more Persons a participating interest in such Investor's interests in the Advances in accordance with the terms hereof shall, acting solely for this purpose as a non-fiduciary agent of the Issuer, maintain a register on which it enters the name and address of such Person and the principal amounts of (and stated interest on) each Person's interest in the Advance (the

“Participant Register”); provided that no Investor shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Person, or any information relating to a Person’s interest in the Advances) to any person except to the extent that such disclosure is necessary to establish that such interest is in registered form under Section 5f.103-1(c) of the U.S. Treasury regulations and Section 1.163-5(b) of the proposed U.S. Treasury regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Investor shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Series 2026-1 Class A-1-V Administrative Agent (in its capacity as Series 2026-1 Class A-1-V Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(c) In addition to its rights under Section 9.17, each Conduit Investor may at any time assign its rights in the Series 2026-1 Class A-1-V Advance Notes (and its rights hereunder and under the Transaction Documents) to its related Committed Note Purchaser or, subject to Section 6.03 and Section 9.17(d), its related Program Support Provider or any Affiliate of any of the foregoing, in each case in accordance with the applicable provisions of the Indenture. Furthermore, each Conduit Investor may at any time grant a security interest in and lien on, all or any portion of its interests under this Agreement, its Series 2026-1 Class A-1-V Note and all Transaction Documents to (i) its related Committed Note Purchaser, (ii) its Funding Agent, (iii) any Program Support Provider who, at any time now or in the future, provides program liquidity or credit enhancement, including, without limitation, an insurance policy for such Conduit Investor relating to the Commercial Paper or the Series 2026-1 Class A-1-V Advance Notes, (iv) any other Person who, at any time now or in the future, provides liquidity or credit enhancement for the Conduit Investors, including, without limitation, an insurance policy relating to the Commercial Paper or the Series 2026-1 Class A-1-V Advance Notes, (v) any collateral trustee or collateral agent for any of the foregoing or (vi) a trustee or collateral agent for the benefit of the holders of the commercial paper notes or other senior indebtedness of such Conduit Investor appointed pursuant to such Conduit Investor’s program documents; provided, however, that any such security interest or lien shall be released upon assignment of its Series 2026-1 Class A-1-V Note to its related Committed Note Purchaser. Each Committed Note Purchaser may assign its Commitment, or all or any portion of its interest under its Series 2026-1 Class A-1-V Note, this Agreement and the Transaction Documents to any Person to the extent permitted by Section 9.17. Notwithstanding any other provisions set forth in this Agreement, each Committed Note Purchaser may at any time create a security interest in all or any portion of its rights under this Agreement, its Series 2026-1 Class A-1-V Note and the Transaction Documents in favor of any Federal Reserve Bank in accordance with Regulation A of the F.R.S. Board or any similar foreign entity.

SECTION 9.04 Survival of Agreement. All covenants, agreements, representations and warranties made herein and in the Series 2026-1 Class A-1-V Notes delivered pursuant hereto shall survive the making and the repayment of the Advances and the execution and delivery of this Agreement and the Series 2026-1 Class A-1-V Notes and shall continue in full force and effect until the Series 2026-1 Class A-1-V Termination Date. In addition, the obligations of the Issuer and the Investors under Sections 3.05, 3.06, 3.07, 3.08, 9.05, 9.10 and 9.11 shall survive the termination of this Agreement.

SECTION 9.05 Payment of Costs and Expenses; Indemnification.

(a) Payment of Costs and Expenses. The Issuer and the Asset Entities jointly and severally agree to pay (by depositing such amounts into the applicable account maintained pursuant to the Indenture be distributed subject to and in accordance with the Priority of Payments), on the Series 2026-1 Closing Date (if invoiced at least one (1) Business Day prior to such date) or on or before the next succeeding Payment Date immediately after written demand (in all other cases), all reasonable documented out-of-pocket expenses of the Series 2026-1 Class A-1-V Administrative Agent, each initial Funding Agent, the Letter of Credit Provider and each initial Investor (including the reasonable fees and out-of-pocket expenses of one external counsel for the foregoing (taken as a whole)), as well as the fees and expenses of the Rating Agencies) in connection with (i) the negotiation, preparation, execution and delivery of this

Agreement and of each other Transaction Document, including schedules and exhibits, whether or not the transactions contemplated hereby or thereby are consummated (including, without limitation, such reasonable and documented expenses for the Committed Note Purchasers' due diligence investigation, consultants' fees and travel expenses and fees incurred on or before the Series 2026-1 Closing Date to the extent invoiced at least one (1) Business Day prior to such date), the administration of this Agreement and of each other Transaction Document and the taking of any other action (whether through negotiations, through any work-out, bankruptcy, restructuring or other legal or other proceeding (including without limitation, preparation for and/or response to any subpoena or request for document production relating thereto) or otherwise) in respect of, or legal advice with respect to its rights or responsibilities under, this Agreement and of each other Transaction Document; and (ii) any amendments, waivers, consents, supplements or other modifications to this Agreement or any other Transaction Document as may from time to time hereafter be proposed by the Manager, the Issuer or the Asset Entities (the "Class A-1-V Amendment Expenses"). The Issuer and the Asset Entities further jointly and severally agree to pay, subject to and in accordance with the Priority of Payments, and to hold the Series 2026-1 Class A-1-V Administrative Agent, each Funding Agent and each Investor harmless from all liability for (x) any breach by the Issuer of its obligations under this Agreement, (y) all reasonable documented out-of-pocket costs incurred by the Series 2026-1 Class A-1-V Administrative Agent, such Funding Agent or such Investor (including the reasonable fees and out-of-pocket expenses of one external counsel for the foregoing (taken as a whole)), in enforcing this Agreement or in connection with the negotiation of any restructuring or "work-out", whether or not consummated, of the Transaction Documents and (z) any Non-Excluded Taxes that may be payable in connection with (1) the execution or delivery of this Agreement, (2) any Borrowing hereunder, (3) the issuance of the Series 2026-1 Class A-1-V Notes, (4) the issuance of any Letter of Credit hereunder or (5) the execution or delivery of any other Transaction Documents. The Issuer and the Asset Entities also jointly and severally agree to reimburse, subject to and in accordance with the Priority of Payments, the Series 2026-1 Class A-1-V Administrative Agent, such Funding Agent and each Investor upon demand for all reasonable and documented out-of-pocket expenses incurred by the Series 2026-1 Class A-1-V Administrative Agent, such Funding Agent and such Investor in connection with the enforcement of this Agreement or any other Transaction Documents. Notwithstanding the foregoing, other than in connection with a sale or assignment pursuant to Section 9.18(a), the Issuer and/or the Asset Entities shall have no obligation to reimburse any Investor for any of the fees and/or expenses incurred by such Investor with respect to its sale or assignment of all or any part of its respective rights and obligations under this Agreement and the Series 2026-1 Class A-1-V Notes pursuant to Section 9.03 or Section 9.17.

(b) Indemnification of the Investors. In consideration of the execution and delivery of this Agreement by the Investors, the Issuer and the Asset Entities hereby agree to jointly and severally indemnify and hold each Investor, each Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent (each in its capacity as such) and each of their officers, directors, employees and agents (collectively, the "Indemnified Parties") harmless (by depositing such amounts into the Collection Account to be distributed subject to and in accordance with the Priority of Payments) from and against any and all fees, actions, causes of action, suits, losses, liabilities and damages (other than Class A-1-V Taxes which shall be addressed in the manner set forth in Section 3.08), and reasonable documented costs and expenses incurred in connection therewith (irrespective of whether any such Indemnified Party is a party to the action for which indemnification hereunder is sought and including, without limitation, any liability in connection with the offering and sale of the Series 2026-1 Class A-1-V Notes), including reasonable documented attorneys' fees and disbursements and those amounts in connection with any action, claim or suit brought to enforce the Indemnified Parties' right to indemnification (collectively, the "Indemnified Liabilities" and the amounts payable to the Indemnified Parties pursuant to this Section 9.05(b) being referred to herein as the "Class A-1-V Indemnities"), incurred by the Indemnified Parties or any of them (whether in prosecuting or defending against such actions, suits or claims) to the extent resulting from, or arising out of, or relating to:

(i) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of any Advance or Letter of Credit; or

(ii) the entering into and performance of this Agreement and any other Transaction Document by any of the Indemnified Parties; or

(iii) any breach of a representation, warranty, covenant or agreement made by the Issuer or the Asset Entities hereunder;

except for any such Indemnified Liabilities arising for the account of a particular Indemnified Party by reason of the relevant Indemnified Party's gross negligence, bad faith or willful misconduct or breach of representations set forth herein as determined by a final, non-appealable judgment of a court of competent jurisdiction. If and to the extent that the foregoing undertaking may be unenforceable for any reason, the Issuer and the Asset Entities hereby jointly and severally agree to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities that is permissible under applicable law.

(c) Indemnification of the Series 2026-1 Class A-1-V Administrative Agent and each Funding Agent. In consideration of the execution and delivery of this Agreement by the Series 2026-1 Class A-1-V Administrative Agent and the related Funding Agent, each Committed Note Purchaser, ratably according to its respective Commitment, hereby agrees to indemnify and hold the Series 2026-1 Class A-1-V Administrative Agent and each of their respective officers, directors, managers employees, affiliates and agents (the "Series 2026-1 Class A-1-V Administrative Agent Indemnified Parties") and such Funding Agent and each of its officers, directors, employees and agents (collectively, the "Funding Agent Indemnified Parties," and together with the Series 2026-1 Class A-1-V Administrative Agent Indemnified Parties, the "Applicable Agent Indemnified Parties") harmless from and against any and all fees, actions, causes of action, suits, losses, liabilities and damages, and reasonable costs and expenses incurred in connection therewith (solely to the extent not reimbursed by or on behalf of the Issuer or the Asset Entities) (irrespective of whether any such Applicable Agent Indemnified Party is a party to the action for which indemnification hereunder is sought and including, without limitation, any liability in connection with the offering and sale of the Series 2026-1 Class A-1-V Notes), including reasonable attorneys' fees and disbursements and those amounts in connection with any action, claim or suit brought to enforce the Applicable Agent Indemnified Parties' right to indemnification (collectively, the "Applicable Agent Indemnified Liabilities"), incurred by the Applicable Agent Indemnified Parties or any of them (whether in prosecuting or defending against such actions, suits or claims) to the extent resulting from, or arising out of, or relating to the entering into and performance of this Agreement and any other Transaction Document by any of the Applicable Agent Indemnified Parties, except for any such Applicable Agent Indemnified Liabilities arising for the account of a particular Applicable Agent Indemnified Party by reason of the relevant Applicable Agent Indemnified Party's gross negligence or willful misconduct. If and to the extent that the foregoing undertaking may be unenforceable for any reason, each Committed Note Purchaser, ratably according to its respective Commitment, hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Applicable Agent Indemnified Liabilities that is permissible under applicable law. The indemnity set forth in this Section 9.05(c) shall in no event include indemnification for consequential or indirect damages of any kind.

SECTION 9.06 Characterization as Transaction Document; Entire Agreement. This Agreement shall be deemed to be a Transaction Document for all purposes of the Indenture and the other Transaction Documents. This Agreement, together with the Indenture, the Series 2026-1 Supplement, the documents delivered pursuant to Article VII and the other Transaction Documents, including the exhibits and schedules thereto, contains a final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof, superseding all previous oral statements and other writings with respect thereto.

SECTION 9.07 Notices. All notices, amendments, waivers, consents and other communications provided to any party hereto under this Agreement shall be in writing and addressed,

delivered or transmitted to such party at its address, or e-mail address set forth below its signature hereto, in the case of the Issuer or the Manager, or on Schedule II attached hereto, in the case of the Investors, the Series 2026-1 Class A-1-V Administrative Agent and the Funding Agents, or in each case at such other address or e-mail address as may be designated by such party in a notice to the other parties. Any notice, if mailed and properly addressed with postage prepaid or if properly addressed and sent by pre-paid courier service, shall be deemed given when received; any notice, if transmitted by facsimile or e-mail, shall be deemed given when received.

SECTION 9.08 Severability of Provisions. Any covenant, provision, agreement or term of this Agreement that is prohibited or is held to be void or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of the prohibition or unenforceability without invalidating the remaining provisions of this Agreement.

SECTION 9.09 Tax Characterization(a). (a) Each party to this Agreement (i) acknowledges that it is the intent of the parties to this Agreement that, for accounting purposes and for all United States tax purposes, the Series 2026-1 Class A-1-V Notes will be treated as evidence of indebtedness, (ii) agrees to treat the Series 2026-1 Class A-1-V Notes for all such purposes as indebtedness and (iii) agrees that the provisions of the Transaction Documents shall be construed to further these intentions.

(b) Each Series 2026-1 Class A-1-V Noteholder shall, acting solely for this purpose as an agent of the Issuer, maintain a register on which it enters the name and address of each related Investor (and, if applicable, Program Support Provider) and the applicable portions of the Series 2026-1 Class A-1-V Outstanding Principal Amount (and stated interest) with respect to such Series 2026-1 Class A-1-V Noteholder of each Investor (and, if applicable, Program Support Provider) that has an interest in such Series 2026-1 Class A-1-V Noteholder's Series 2026-1 Class A-1-V Notes (the "Series 2026-1 Class A-1-V Notes Register"), provided that no Series 2026-1 Class A-1-V Noteholder shall have any obligation to disclose all or any portion of the Series 2026-1 Class A-1-V Notes Register to any Person except to the extent that such disclosure is necessary to establish that such Series 2026-1 Class A-1-V Notes are in registered form under Treasury Regulation Section 5f.103-1(c) and Proposed Treasury Regulation Section 1.163-5(b) (or any successor version).

SECTION 9.10 No Proceedings; Limited Recourse.

(a) Each of the parties hereto (other than the Issuer) hereby covenants and agrees that, prior to the date that is one year and one day after the payment in full of the last maturing Note issued by the Issuer pursuant to the Indenture, it will not institute against, or join with any other Person in instituting against, any of the Issuer or the Asset Entities, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings, under any federal or state bankruptcy or similar law and subject to any retained rights set forth therein; provided, however, that nothing in this Section 9.10(a) shall constitute a waiver of any right to indemnification, reimbursement or other payment from the Issuer and the Asset Entities pursuant to this Agreement, the Series 2026-1 Supplement, the Indenture or any other Transaction Document. In the event that an Investor (solely in its capacity as such) takes action in violation of this Section 9.10(a), each affected Issuer or Asset Entity shall file or cause to be filed an answer with the bankruptcy court or otherwise properly contest or cause to be contested the filing of such a petition by any such Person against the relevant Issuer or Asset Entity or the commencement of such action and raise or cause to be raised the defense that such Person has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. Nothing contained herein shall preclude participation by an Investor in the assertion or defense of its claims in any such proceeding involving any of the Issuer or the Asset Entities. The obligations of the Issuer under this Agreement are solely the limited liability company or corporate, as the case may be, obligations of the Issuer.

(b) The Conduit Investors. Each of the parties hereto hereby covenants and agrees that it will not, prior to the date that is one year and one day after the payment in full of all Commercial Paper or other debt securities or instruments issued by a Conduit Investor, institute against, or join with any other Person in instituting against, such Conduit Investor, any bankruptcy, reorganization, arrangement, insolvency, examination or liquidation proceedings, or other proceedings under any federal or state (or any other jurisdiction with authority over such Conduit Investor) bankruptcy or similar law. In the event that any such party takes action in violation of this Section 9.10(b), such related Conduit Investor may file an answer with the bankruptcy court or otherwise properly contest or cause to be contested the filing of such a petition by any such party against such Conduit Investor or the commencement of such action and raise or cause to be raised the defense that such party has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. Nothing contained herein shall preclude participation by any of the Issuer and the Asset Entities, the Manager or an Investor in assertion or defense of its claims in any such proceeding involving a Conduit Investor. The obligations of the Conduit Investors under this Agreement are solely the corporate obligations of the Conduit Investors. No recourse shall be had for the payment of any amount owing in respect of this Agreement, including any obligation or claim arising out of or based upon this Agreement, against any stockholder, employee, officer, agent, director, member, affiliate or incorporator (or Person similar to an incorporator under state business organization laws) of any Conduit Investor; provided, however, nothing in this Section 9.10(b) shall relieve any of the foregoing Persons from any liability that any such Person may otherwise have for its gross negligence, bad faith or willful misconduct.

(c) The parties hereto acknowledge and agree that any fees, costs, indemnified amounts or expenses payable by a Conduit Investor pursuant to this Agreement (“Conduit Investor Amounts”) shall be payable only in accordance with the order of priorities set forth in such Conduit Investor’s commercial paper program documents and no Conduit Investor shall have any obligation to pay any amount required to be paid by it hereunder in excess of any amount received pursuant to this Agreement or the Notes and available to such Conduit Investor after paying or making provision for the payment of its commercial paper notes; provided, however, that each Committed Note Purchaser shall pay any Conduit Investor Amounts, on behalf of any Conduit Investor in such Committed Note Purchaser’s Investor Group, as and when due hereunder, to the extent that such Conduit Investor is precluded by its commercial paper program documents from paying such Conduit Investor Amounts in accordance with this Agreement.

(d) Notwithstanding any provisions contained in this Agreement to the contrary, no Conduit Investor shall be obligated to pay any fees, costs, indemnified amounts or expenses due pursuant to this Agreement other than in accordance with the order of priorities set out in such Conduit Investor’s commercial paper program documents and all payment obligations of each Conduit Investor hereunder are contingent on the availability of funds received pursuant to this Agreement or the Notes and in excess of the amounts necessary to pay its commercial paper notes. Any such amount which any Conduit Investor does not pay pursuant to the operation of the preceding sentence shall not constitute a claim against or corporate obligation of such Conduit Investor for any such insufficiency unless and until funds received pursuant to this Agreement or the Notes and are available for the payment of such amounts as aforesaid.

(e) The provisions of this Section 9.10 shall survive the termination of this Agreement.

SECTION 9.11 Confidentiality. Each Investor, Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent agrees that it shall not disclose any Confidential Information to any Person without the prior written consent of the Manager and the Issuer, other than (a) to their Affiliates, and their Affiliates’ officers, directors, employees, managers, administrators, trustees, agents and advisors, including, without limitation, legal counsel and accountants (it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Confidential Information and instructed to keep it confidential), (b) to actual or prospective assignees and participants, and then only on a confidential basis (after obtaining such actual or prospective assignee’s or participant’s agreement to keep

such Confidential Information confidential in a manner substantially similar to this Section 9.11), (c) as requested by a Governmental Authority or self-regulatory organization or required by any law, rule or regulation or judicial process, (d) to (x) Program Support Providers and (y) any trustee or collateral agent for the benefit of the holders of the commercial paper notes or other senior indebtedness of a Conduit Investor appointed pursuant to such Conduit Investor's program documents (after obtaining such Person's agreement to keep such Confidential Information confidential in a manner substantially similar to this Section 9.11), (e) to any rating agency providing a rating for any Series or Class of Notes or any Conduit Investor's debt, (f) to any Person acting as a placement agent, dealer or investor with respect to any Conduit Investor's commercial paper (provided that any Confidential Information provided to any such placement agent, dealer or investor does not reveal the identity of the Issuer or any of their Affiliates and is confined to information of the type that is typically provided to such entities by asset-backed commercial paper conduits), or (g) in the course of litigation with the Issuer or the Manager.

"Confidential Information" means information that the Issuer, any Asset Entities or the Manager furnishes to an Investor in writing, but does not include (i) any such information that is or becomes generally available to the public other than as a result of a disclosure in violation of this Section 9.11 or a disclosure by a Person to which an Investor, a Funding Agent or the Series 2026-1 Class A-1-V Administrative Agent delivered such information, (ii) any such information that was in the possession of an Investor prior to its being furnished to such Investor by the Issuer or the Manager, or (iii) any such information that is or becomes available to an Investor from a source other than the Issuer or the Manager; provided that with respect to clauses (ii) and (iii) herein, such source is not (x) known to an Investor to be bound by a confidentiality agreement with the Issuer or the Manager, as the case may be, with respect to the information or (y) known to an Investor to be otherwise prohibited from transmitting the information by a contractual, legal or fiduciary obligation.

SECTION 9.12 GOVERNING LAW; CONFLICTS WITH INDENTURE OR THE SERIES 2026-1 SUPPLEMENT. THIS AGREEMENT AND ALL MATTERS ARISING UNDER OR IN ANY MANNER RELATING TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. IN THE EVENT OF ANY CONFLICTS BETWEEN THIS AGREEMENT AND THE INDENTURE OR THE SERIES 2026-1 SUPPLEMENT, THE INDENTURE OR THE SERIES 2026-1 SUPPLEMENT, AS APPLICABLE, SHALL GOVERN.

SECTION 9.13 JURISDICTION. EACH OF THE PARTIES HERETO IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE COURT OR UNITED STATES FEDERAL COURT SITTING IN THE BOROUGH OF MANHATTAN, THE CITY OF NEW YORK IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR IN RELATION TO THIS AGREEMENT.

SECTION 9.14 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY

SECTION 9.15 Counterparts. This Agreement may be executed in any number of counterparts (which may include electronic transmission of counterparts) and by the different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same instrument. For purposes of this Agreement, any reference to "written" or "in writing" means any form of written communication, including, without limitation, electronic signatures, and any such written communication may be transmitted by Electronic Transmission. "Electronic Transmission" means any form of communication not directly involving the physical transmission of paper, including the use of, or participation in, one or more electronic networks or databases (including one or more distributed electronic networks or databases), that creates a record that may be

retained, retrieved and reviewed by a recipient thereof and that may be directly reproduced in paper form by such a recipient through an automated process. The Series 2026-1 Class A-1-V Administrative Agent is authorized to accept written instructions, directions, reports, notices or other communications delivered by Electronic Transmission and shall not have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by Electronic Transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such Electronic Transmission, and the Series 2026-1 Class A-1-V Administrative Agent shall not have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information to the Series 2026-1 Class A-1-V Administrative Agent, including, without limitation, the risk of the Series 2026-1 Class A-1-V Administrative Agent acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties (except to the extent such action results from gross negligence, willful misconduct or fraud by the Series 2026-1 Class A-1-V Administrative Agent). Any requirement in this Agreement that is to be signed or authenticated by “manual signature” or similar language shall not be deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by Electronic Transmission. Notwithstanding anything to the contrary in this Agreement, any and all communications (both text and attachments) by or from the Series 2026-1 Class A-1-V Administrative Agent that the Series 2026-1 Class A-1-V Administrative Agent in its sole discretion deems to contain confidential, proprietary and/or sensitive information and sent by Electronic Transmission will be encrypted. The recipient of the Electronic Transmission will be required to complete a one-time registration process.

SECTION 9.16 Third Party Beneficiary. The Indenture Trustee, the Servicer and the Back-up Manager are express third party beneficiaries of this Agreement.

SECTION 9.17 Assignment.

(a) Subject to Sections 6.03 and 9.17(d), any Committed Note Purchaser may at any time sell or assign all or any part of its rights and obligations under this Agreement, the Series 2026-1 Class A-1-V Advance Notes and, in connection therewith, any other Transaction Documents to which it is a party, with the prior written consent (not to be unreasonably withheld or delayed) of the Issuer to one or more financial institutions (an “Acquiring Committed Note Purchaser”) pursuant to an assignment and assumption agreement, substantially in the form of Exhibit B (or such other form reasonably satisfactory to the Series 2026-1 Class A-1-V Administrative Agent) (the “Assignment and Assumption Agreement”), executed by such Acquiring Committed Note Purchaser, such assigning Committed Note Purchaser, the Funding Agent with respect to such assigning Committed Note Purchaser, Letter of Credit Provider and the Issuer and delivered to the Series 2026-1 Class A-1-V Administrative Agent; provided, that to the extent reasonably requested by an Acquiring Committed Note Purchaser that is a financial institution organized under the laws of the United Kingdom, the Issuer shall use commercially reasonable efforts to provide a risk retention letter agreement from the Manager, dated as of the date of such assignment, with respect to compliance by the Manager with EU Securitisation Regulation and the UK Securitisation Regulation (each as defined in the Offering Memorandum with respect to the Series 2026-1 Term Notes), in form and substance satisfactory to the Funding Agent with respect to such Acquiring Committed Note Purchaser; provided further, that no consent of the Issuer will be required for an assignment in whole or in part (i) to another Series 2026-1 Class A-1-V Noteholder or an Affiliate thereof or (ii) to an Eligible Assignee if an Event of Default has occurred and is continuing. An “Eligible Assignee” shall mean a financial institution that is rated at least “BBB-” from S&P and/or has the equivalent rating of another “nationally-recognized statistical rating organization” registered with the SEC as of the date of the assignment that is not a Competitor. A “Competitor” shall mean any Person engaged primarily in the business of owning and operating fiber conduit networks or similar structures or other activities entered into in furtherance of the foregoing; provided, that (x) a Person will not be a Competitor solely by virtue of such Person’s direct or indirect ownership of less than 5% of the equity interests in a “Competitor” and (y) a Person will not be a

“Competitor” if such Person is a bank, financial institution, insurance company, or any other entity managed by registered investment advisors who regularly engage in making, purchasing or investing in commercial loans.

(b) Without limiting the foregoing, subject to Sections 6.03 and 9.17(d), each Conduit Investor may assign all or a portion of the Investor Group Principal Amount with respect to such Conduit Investor and its rights and obligations under this Agreement, the Series 2026-1 Class A-1-V Advance Notes and, in connection therewith, any other Transaction Documents to which it is a party to a Conduit Assignee with respect to such Conduit Investor, without the prior written consent of the Issuer. Upon such assignment by a Conduit Investor to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Investor Group Principal Amount or such portion thereof with respect to such Conduit Investor, (ii) the related administrative or managing agent for such Conduit Assignee will act as the Funding Agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder or under the other Transaction Documents, (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties, in each case relating to the Commercial Paper and/or the Series 2026-1 Class A-1-V Advance Notes, shall have the benefit of all the rights and protections provided to such Conduit Investor herein and in the other Transaction Documents (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph), (iv) such Conduit Assignee shall assume all of such Conduit Investor’s obligations, if any, hereunder or under the Indenture or under any other Transaction Document with respect to such portion of the Investor Group Principal Amount and such Conduit Investor shall be released from such obligations, (v) all distributions in respect of the Investor Group Principal Amount or such portion thereof with respect to such Conduit Investor shall be made to the applicable Funding Agent on behalf of such Conduit Assignee, (vi) the definition of the term “CP Funding Rate” with respect to the portion of the Investor Group Principal Amount with respect to such Conduit Investor, as applicable, funded or maintained with commercial paper issued by such Conduit Assignee from time to time shall be determined in the manner set forth in the definition of “CP Funding Rate” applicable to such Conduit Assignee on the basis of the interest rate or discount applicable to Commercial Paper issued by or for the benefit of such Conduit Assignee (rather than any other Conduit Investor), (vii) the defined terms and other terms and provisions of this Agreement and the other Transaction Documents shall be interpreted in accordance with the foregoing, and (viii) if requested by the Funding Agent with respect to such Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Funding Agent may reasonably request to evidence and give effect to the foregoing. No assignment by any Conduit Investor to a Conduit Assignee of all or any portion of the Investor Group Principal Amount with respect to such Conduit Investor shall in any way diminish the obligation of the Committed Note Purchasers in the same Investor Group as such Conduit Investor under Section 2.03 to fund any Borrowing not funded by such Conduit Investor or such Conduit Assignee.

(c) Subject to Sections 6.03 and 9.17(d), any Conduit Investor and the related Committed Note Purchaser(s) may at any time sell all or any part of their respective rights and obligations under this Agreement, the Series 2026-1 Class A-1-V Advance Notes and, in connection therewith, any other Transaction Documents to which it is a party, with the prior written consent (not to be unreasonably withheld or delayed) of the Issuer and Letter of Credit Provider to a multi-seller commercial paper conduit, whose commercial paper is rated at least “A-1-V” (or then equivalent grade) from S&P, and one or more financial institutions providing support to such multi-seller commercial paper conduit (an “Acquiring Investor Group”) pursuant to a transfer supplement, substantially in the form of Exhibit C (or such other form reasonably satisfactory to the Series 2026-1 Class A-1-V Administrative Agent) (the “Investor Group Supplement”), executed by such Acquiring Investor Group, the Funding Agent with respect to such Acquiring Investor Group (including the Conduit Investor and the Committed Note Purchasers with respect to such Investor Group), such assigning Conduit Investor and the Committed Note Purchasers with respect to such Conduit Investor, the Funding Agent with respect to such assigning Conduit Investor and Committed Note Purchasers, Letter of Credit Provider, and the Issuer and delivered to the Series 2026-1 Class A-1-V Administrative Agent; provided that no consent of the Issuer shall be required for an

assignment to another Committed Note Purchaser or any Affiliate of a Committed Note Purchaser and its related Conduit Investor or if an Event of Default has occurred and is continuing. For the avoidance of doubt, this Section 9.17(c) is intended to permit and provide for (i) assignments from a Committed Note Purchaser to a Conduit Investor in a different Investor Group and (ii) assignments from a Conduit Investor to a Committed Note Purchaser in a different Investor group, and, in each of (i) and (ii), the Investor Group Supplement shall be revised to reflect such assignments.

(d) Any assignment of the Series 2026-1 Class A-1-V Notes shall be made in accordance with the applicable provisions of the Indenture and the Series 2026-1 Supplement.

(e) Subject to Sections 6.04 and 9.17(d), the Letter of Credit Provider may at any time assign all or any portion of its rights and obligations hereunder and under the Series 2026-1 Class A-1-V L/C Note with the prior written consent of the Issuer and the Series 2026-1 Class A-1-V Administrative Agent, which consent shall not be unreasonably withheld or delayed (it being agreed that withholding consent to a proposed assignment to any financial institution as to which any Letter of Credit would be an Ineligible Liquidity Reserve Letter of Credit shall not be deemed unreasonable) to a financial institution pursuant to an agreement with, and in form and substance reasonably satisfactory to, the Series 2026-1 Class A-1-V Administrative Agent and the Issuer, whereupon the assignor shall be released from its obligations hereunder to the extent so assigned; provided that no consent of the Issuer shall be required if a Rapid Amortization Period or an Event of Default has occurred and is continuing.

SECTION 9.18 Defaulting Investors.

(a) The Issuer may, at its sole expense and effort, upon notice to such Defaulting Investor and the Series 2026-1 Class A-1-V Administrative Agent, (i) require any Defaulting Investor to sell all of its rights, obligations and commitments under this Agreement, the Series 2026-1 Class A-1-V Notes and, in connection therewith, any other Transaction Documents to which it is a party, to an assignee; provided that (x) such assignment is made in compliance with Section 9.17 and (y) such Defaulting Investor shall have received from such assignee an amount equal to such Defaulting Investor's Committed Note Purchaser Percentage of the related Investor Group Principal Amount of such Defaulting Investor and all accrued interest thereon, accrued fees and all other amounts payable to such Defaulting Investor hereunder or (ii) remove any Defaulting Investor as an Investor by paying to such Defaulting Investor an amount equal to such Defaulting Investor's Committed Note Purchaser Percentage of the related Investor Group Principal Amount of such Defaulting Investor and all accrued interest thereon, accrued fees and all other amounts payable to such Defaulting Investor hereunder.

(b) In the event that a Defaulting Investor desires to sell all or any portion of its rights, obligations and commitments under this Agreement, the Series 2026-1 Class A-1-V Notes and, in connection therewith, any other Transaction Documents to which it is a party, to an unaffiliated third party assignee for an amount less than 100% (or, if only a portion of such rights, obligations and commitments are proposed to be sold, such portion) of such Defaulting Investor's Committed Note Purchaser Percentage of the related Investor Group Principal Amount of such Defaulting Investor and all accrued interest thereon, accrued fees and all other amounts payable to such Defaulting Investor hereunder, such Defaulting Investor shall promptly notify the Issuer of the proposed sale (the "Sale Notice"). Each Sale Notice shall certify that such Defaulting Investor has received a firm offer from the prospective unaffiliated third party and shall contain the material terms of the proposed sale, including, without limitation, the purchase price of the proposed sale and the portion of such Defaulting Investor's rights, obligations and commitments proposed to be sold. The Issuer and any of their Affiliates shall have an option for a period of three (3) Business Days from the date the Sale Notice is given to elect to purchase such rights, obligations and commitments at the same price and subject to the same material terms as described in the Sale Notice. The Issuer or any of their Affiliates may exercise such purchase option by notifying such Defaulting Investor before expiration of such three (3) Business Day period that it wishes to purchase all (but not a portion) of the rights, obligations and commitments of such Defaulting Investor proposed to be sold to such unaffiliated third party. If any of

the Issuer or any of their Affiliates gives notice to such Defaulting Investor that it desires to purchase such, rights, obligations and commitments, the Issuer or such Affiliate shall promptly pay the purchase price to such Defaulting Investor. If any of the Issuer or any of their Affiliates does not respond to any Sale Notice within such three (3) Business Days period, the Issuer and its Affiliates shall be deemed not to have exercised such purchase option.

(c) Notwithstanding anything to the contrary contained in this Agreement, if any Investor becomes a Defaulting Investor, then, until such time as such Investor is no longer a Defaulting Investor, to the extent permitted by applicable law:

(i) Such Defaulting Investor's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.01.

(ii) Any payment of principal, interest, fees or other amounts payable to the account of such Defaulting Investor (whether voluntary or mandatory, at maturity or otherwise) shall be applied (and the Issuer shall instruct the Indenture Trustee or the Series 2026-1 Class A-1-V Administrative Agent to apply such amounts) as follows: first, to the payment on a pro rata basis of any amounts owing by such Defaulting Investor to the Series 2026-1 Class A-1-V Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Investor to each Letter of Credit Provider hereunder; third, to provide cash collateral to the Letter of Credit Providers in an amount equal to the amount of Undrawn L/C Face Amounts at such time multiplied by the Commitment Percentage of such Defaulting Investor's Investor Group multiplied by the Committed Note Purchaser Percentage of such Defaulting Investor; fourth, as the Issuer may request (so long as no Default or Event of Default exists), to the funding of any Advance in respect of which such Defaulting Investor has failed to fund its portion thereof as required by this Agreement, as determined by the Issuer; fifth, if so determined by the Series 2026-1 Class A-1-V Administrative Agent and the Issuer, to be held in a deposit account and released pro rata in order (x) to satisfy such Defaulting Investor's potential future funding obligations with respect to Advances under this Agreement and (y) to provide cash collateral to the Letter of Credit Providers in an amount equal to the amount of any future Undrawn L/C Face Amounts multiplied by the Commitment Percentage of such Defaulting Investor's Investor Group multiplied by the Committed Note Purchaser Percentage of such Defaulting Investor; sixth, to the payment of any amounts owing to the Investors or the Letter of Credit Provider as a result of any judgment of a court of competent jurisdiction obtained by any Investor against such Defaulting Investor as a result of such Defaulting Investor's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Issuer as a result of any judgment of a court of competent jurisdiction obtained by the Issuer against such Defaulting Investor as a result of such Defaulting Investor's breach of its obligations under this Agreement; and eighth, to such Defaulting Investor or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Advances or any extensions of credit resulting from a drawing under any Letter of Credit that has not been reimbursed as an Advance pursuant to Section 2.07(a) in respect of which such Defaulting Investor has not fully funded its appropriate share, and (y) such Advances were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 7.03 were satisfied or waived, such payment shall be applied solely to pay the Advances of, and extensions of credit resulting from a drawing under any Letter of Credit that has not been reimbursed as an Advance pursuant to Section 2.07(a) owed to, all non-Defaulting Investors on a pro rata basis prior to being applied to the payment of any Advances of, participations required to be purchased pursuant to Section 2.08(a) owed to, such Defaulting Investor until such time as all Advances and funded and unfunded participations in Unreimbursed L/C Drawings are held by the Investors pro rata in accordance with the Commitments without giving effect to Section 9.18(c)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Investor that are applied (or held) to pay amounts

owed by a Defaulting Investor or to post cash collateral pursuant to this Section 9.18(c)(ii), shall be deemed paid to and redirected by such Defaulting Investor, and each Investor irrevocably consents hereto.

(iii) All or any part of such Defaulting Investor's participation in Unreimbursed L/C Drawings shall be reallocated among the non-Defaulting Investors pro rata based on their Commitments (calculated without regard to such Defaulting Investor's Commitment) but only to the extent that (x) the conditions set forth in Section 7.03 are satisfied at the time of such reallocation (and, unless the Issuer shall have otherwise notified the Series 2026-1 Class A-1-V Administrative Agent at such time, the Issuer shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the product of (1) any non-Defaulting Investor's related Investor Group Principal Amount on such date, multiplied by (2) such non-Defaulting Investor's Committed Note Purchaser Percentage, to exceed such non-Defaulting Investor's Commitment Amount. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Investor arising from that Investor having become a Defaulting Investor, including any claim of a non-Defaulting Investor as a result of such non-Defaulting Investor's increased exposure following such reallocation.

(d) If the Issuer, the Series 2026-1 Class A-1-V Administrative Agent and each Letter of Credit Provider agree in writing that an Investor is no longer a Defaulting Investor, the Issuer will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Investor will, to the extent applicable, purchase that portion of outstanding Advances of the other Investors or take such other actions as the Series 2026-1 Class A-1-V Administrative Agent may determine to be necessary to cause the Advances to be held pro rata by the Investors in accordance with their respective Commitments, whereupon such Investor will cease to be a Defaulting Investor; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Issuer while that Investor was a Defaulting Investor; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Investor to Investor will constitute a waiver or release of any claim of any party hereunder arising from that Investor's having been a Defaulting Investor.

SECTION 9.19 No Fiduciary Duties. Each of the Manager, the Issuer and the Asset Entities acknowledge and agree that in connection with the transaction contemplated in this Agreement, or any other services the Investors may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Investors: (a) no fiduciary or agency relationship between any of the Manager, the Issuer and the Asset Entities and any other person, on the one hand, and the Investors or any of their respective Affiliates (or any agent, adviser or representative of any of the foregoing), on the other, exists; (b) the Investors are not acting as advisor, expert or otherwise, to the Manager, the Issuer or the Asset Entities, and such relationship between any of the Manager, the Issuer or the Asset Entities, on the one hand, and the Investors or any of their respective affiliates (or any agent, adviser or representative of any of the foregoing), on the other, is entirely and solely commercial, based on arms-length negotiations; (c) any duties and obligations that the Investors may have to the Manager and any of the Issuer and the Asset Entities shall be limited to those duties and obligations specifically stated herein; (d) the Investors and their respective affiliates (or any agent, adviser or representative of any of the foregoing) may have interests that differ from those of the Manager or any of the Issuer and the Asset Entities; and (e) the Manager and the Issuer and the Asset Entities have consulted their own legal and financial advisors to the extent they deemed appropriate. Each of the Manager, the Issuer and the Asset Entities hereby waive any claims that Manager, the Issuer or the Asset Entities may have against the Investors with respect to any breach of fiduciary duty in connection with the Series 2026-1 Class A-1-V Notes.

SECTION 9.20 No Guarantee by the Manager. The execution and delivery of this Agreement by the Manager shall not be construed as a guarantee or other credit support by the Manager of the obligations of the Issuer and the Asset Entities hereunder. The Manager shall not be liable in any respect for any obligation of the Issuer and the Asset Entities hereunder or any violation by any of the Issuer or the Asset Entities of its covenants, representations and warranties or other agreements and obligations hereunder.

SECTION 9.21 Term; Termination of Agreement. This Agreement shall become effective on the Series 2026-1 Closing Date and shall terminate upon the date (the “Series 2026-1 Class A-1-V Termination Date”) that is the earliest of (x) the date on which (a) all Commitments shall have expired or been terminated (including, after the Series 2026-1 Closing Date, the date on which the Series 2026-1 Class A-1-V Notes Maximum Principal Amount has been permanently reduced to zero in accordance with Section 2.05(a)), (b) the principal of and interest on each Advance and all fees, expenses and other amounts payable hereunder shall have been paid in full (in each case other than contingent obligations that expressly survive the termination of this Agreement and for which no claim has been made in writing to the Issuer) and (c) all Letters of Credit (other than those that have been (x) fully cash collateralized by the Issuer in accordance with Section 4.02 or 4.03) shall have been cancelled, terminated and/or have expired and all Reimbursement Obligations shall have been reimbursed in full, (y) the Termination Date and (z) the date of satisfaction and discharge of the Indenture or the Series 2026-1 Class A-1 Notes pursuant to Article 9 of the Indenture.

SECTION 9.22 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Transaction Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Transaction Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Transaction Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

For purposes of this Section 9.22:

SECTION 9.23 Obligations of the Asset Entities; Designation of Manager as Representative and Agent.

(a) Each Asset Entity agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to each Investor, each Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent the prompt payment of all obligations under the Series 2026-1 Class A-1-V Notes and all other amounts owed by the Issuer hereunder to each Investor, each Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent, and the prompt performance of all agreements under the Transaction Documents.

(b) The Issuer hereby designates the Manager as their representative and agent on their behalf for the purposes of issuing requests for Borrowing and giving instructions with respect to the disbursement of the proceeds of the Advances (and such proceeds may be advanced hereunder at such direction), giving and receiving all other notices and consents hereunder or under any of the Series 2026-1 Class A-1-V Notes and taking all other actions (including in respect of compliance with covenants) on behalf of the Issuer hereunder or under any Series 2026-1 Class A-1-V Notes. The Manager hereby accepts such appointment. Each Investor, each Funding Agent and the Series 2026-1 Class A-1-V Administrative Agent may regard any notice or other communication pursuant to any Transaction Document from the Manager as a notice or communication from the Issuer, and may give any notice or communication required or permitted to be given to the Issuer hereunder to the Manager on behalf of the Issuer. The Issuer agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Manager will be deemed for all purposes to have been made by the Issuer and shall be binding upon and enforceable against the Issuer to the same extent as if the same had been made directly by the Issuer.

SECTION 9.24 Patriot Act. In accordance with the USA PATRIOT Act, to help fight the funding of terrorism and money laundering activities, any Investor may obtain, verify and record information that identifies individuals or entities that establish a relationship with such Investor. Such Investor may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided.

SECTION 9.25 Limitation. The Series 2026-1 Class A-1-V Administrative Agent shall be entitled to the same rights, benefits, protections and immunities afforded to the Indenture Trustee under the Transaction Documents.

SECTION 9.26 Recognition of U.S. Special Resolution Regimes.

(a) In the event that any Investor that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Investor of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Investor that is a Covered Entity or a BHC Act Affiliate of such Investor becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Investor are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

consummation of the transactions contemplated by this Agreement; provided that in the case of each Asset Entity, the liabilities of the other Asset Entities with respect to debts, liabilities and obligations for which such Asset Entity is jointly and severally liable shall be taken into account. As used herein, "Solvent" means, with respect to a particular date, that on such date (i) the present fair market value (or present fair saleable value) of the assets of the relevant entity are not less than the total amount required to pay the probable liabilities of such entity on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured, (ii) the relevant entity is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and commitments as they mature and become due in the normal course of business, (iii) assuming the completion of the transactions contemplated by the Transaction Documents, the relevant entity is not incurring debts or liabilities beyond its ability to pay as such debts and liabilities mature, (iv) the relevant entity is not engaged in any business or transaction, and is not about to engage in any business or transaction, for which its property would constitute unreasonably small capital after giving due consideration to the prevailing practice in the industry in which such entity is engaged, and (v) the relevant entity is not a defendant in any civil action that would reasonably be likely to result in a judgment that such entity is or would become unable to satisfy. In computing the amount of such contingent liabilities at any time, it is intended that such liabilities will be computed at the amount that, in the light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

(n) The representations and warranties of each of the Issuer, the Asset Entities and the Manager contained in the Transaction Documents to which it is a party will be true and correct (i) if qualified as to materiality, in all respects (after giving effect to any such materiality qualifier), and (ii) if not so qualified, in all material respects, as of the Series 2026-1 Closing Date (unless stated to relate solely to an earlier date, in which case such representations and warranties shall be true and correct (x) if qualified as to materiality, in all respects, and (y) if not so qualified, in all material respects, as of such earlier date).

All opinions, letters, evidence and certificates mentioned above shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to the Series 2026-1 Class A-1-V Administrative Agent (or its counsel). Solely with respect to the Series 2026-1 Closing Date, the execution and delivery of this Agreement by the Series 2026-1 Class A-1-V Administrative Agent on the Series 2026-1 Closing Date shall be conclusive evidence thereof (unless expressly specified in writing otherwise by the Series 2026-1 Class A-1-V Administrative Agent).
